## Chapter 1001

Selena and Ling Zhizhi discussed the relevant details in detail, and the recording of "Cute Baby Matching" was basically finalized.

After returning home, Selena first changed into men's clothing, and then called Travis.

Travis did her such a big favor without saying a word, and she still owed her a big meal, and now she finally has time to treat her.

In order to make her sister happy, she even specially changed into this men's outfit.

"Hey, Travis..."

"Hello, Selena..." The voice on the other end of the phone sounded hoarse and weak.

Selena immediately frowned, "Ker, what's wrong with your voice? Are you sick?"

"Ahem...it's okay, I just have a cold and a fever..."

"Why do you have a fever, have you seen a doctor? Have you taken any medicine?"

"I've read it, and I've taken the medicine. Don't worry, I'll be fine after a night of sleep. Do you have anything to do with me?"

"It's nothing, I just treat you to a meal, but you can eat it at any time, your health is important, you should rest at home first!"

"Oh, well..." Travis's tone sounded a bit regretful.

After finally waiting for Selena to finish her work, he asked her to have dinner with her, but in the end she fell ill...

Selena naturally heard Travis's disappointment, and said with a light smile, "Shall I go to your house to see you tomorrow?"

"Really?" Travis cheered up immediately, "Don't you need to film?"

"It's finished, so it's pretty empty recently. Is there anything you want to eat? I'll make it for you!" Selena asked.

"There is no taste in my mouth, I have no appetite for anything, and I don't know what I want to eat..."

"Then let me see and do it! Just wait and eat!"

"Ok!"

...

After hanging up the phone, Selena saw that she had changed her clothes and it would be a pity not to go out for a while, so she invited Karl out for a drink.

It just so happened that she wanted to ask for information from there.

Originally, when she learned that Yun Shen and the others were going back to China, she was still a little uneasy all the time, but after waiting for so many days, there was no movement at all, which made her even more anxious, thinking that the guy might be holding back What a big move, right?

"Second senior brother, come out for a drink! It's the No. 8 bar from last time! My treat!"

"Stinky boy, you still want to lie to me! Do you think I'm stupid? Do you still fall for your tricks this time! I won't go if I'm killed! I won't go with a room full of beautiful girls!" Karl came from the other end of the phone. A roar from the depths of the soul.

Hearing the excited voice on the phone, Selena was speechless, "Don't get excited, okay? This time I'm really just looking for you for a drink and a chat!"

"Liar!"

"I'm not lying to you! Besides, senior brother beat you once last time, how could he beat you again? Are you so indebted to be beaten?"

"have!"

" ... "

...

Selena wrangled with Karl for a long time before the other party finally poked his head around.

The most exaggerated thing is that this guy is still wearing his little security uniform.

"I'll go! Why are you dressed like this?"

"It's easy to cover!" Karl was still looking around, making sure that Selena was the only one who wasn't in ambush before sitting down.

"Look at your worthless appearance! As for that?" Selena looked contemptuous.

Karl immediately went back with contempt, "Hehe, you have the nerve to talk about me? Who betrayed me without hesitation under Kevin's lust?"

Selena coughed lightly, "Okay, okay, let's not talk about this, have you contacted senior brother recently?"

"Before I can beat him, do I dare to contact him?" Karl said angrily.

"Okay...this dinner is for nothing...I want to ask you for news..." Selena sighed.

Karl took a sip of his wine and said quietly, "Any news! I really have one!"

...

## Chapter 1002

"What what? What news?" Selena asked immediately.

"Although I haven't contacted Kevin, I did meet your third senior sister. She asked me to remind you to be careful recently, Feng Jin may have a big move recently!" Karl said.

When Selena heard this, she immediately became furious, "Dmn it! Since Third Senior Sister asked you to remind me, why didn't you tell me sooner! I didn't ask you, did you not tell me? You don't want to take revenge like this !"

Karl gave her a blank look, "Revenge a55! It was Feng Jin who did it, you think it's useful to be careful? Why don't you just know nothing and continue messing with you heartlessly! Besides, you have someone backing you anyway Scared of the hair!"

Karl said the second half of the sentence very sourly.

"Okay..." Selena said she couldn't refute.

However, she is really curious!

How will Military Master Feng plan to deal with her?

I guess it will be very exciting...

Looking at Selena's rosy complexion, Karl couldn't help but muttered, "I said that you spend your days doing nothing but filming and working to make money, and falling in love to take care of your baby. Possessed! In the past, you were itchy all over without dying for more than a week!"

What Karl said about dying was because she used to like to play extreme sports. It was really like being addicted to drugs. She would feel uncomfortable every few days if she didn't die.

Selena propped her chin up, and sighed with a dazed look, "The life before was so boring! I've become numb from eating, drinking and playing, so naturally I can only play with my life... As for now..."

"What about now?"

"After meeting my dear and my little baby, every day of my life is very interesting, of course I don't need to die..."

As soon as Selena finished speaking, Karl raised his hand and slapped himself, making you ask cheap questions! Let you ask! Be abused dog! Not long memory!

...

Selena was going to the bar until twelve o'clock, so she asked to leave after a while.

Karl muttered unsatisfactorily and followed him out of the bar.

Selena was about to say goodbye to Karl when she suddenly saw a group of teenagers dressed in non-mainstream heavy metal clothes walking towards them on the road not far away.

The leading boy was wearing harem pants and a colorful coat, with a hot girl in his arms, looking very proud of himself.

When Selena saw the boy, she immediately frowned, her face darkened, "Zhuang Rongguang..."

Oh sh1t! Isn't there access control?

What's the matter, why is this kid still outside?

Travis was so ill, most likely it was because of this kid!

I saw Zhuang Rongguang answering a phone while walking, then hung up with an extremely impatient look, and then turned off the phone directly, and continued to talk to the person next to the beautiful woman in his arms, "Brothers, let's change Let's continue! If you don't get drunk tonight, you won't return! My treat!"

"Oh oh oh..." The crowd cheered, "However, Guangzi, where did you get the money? Isn't the card blocked by the family?"

"Cheated from my sister... Bah, took a little from my sister!"

"Your sister is so kind to you!"

"What's the matter, I've been annoyed by her all day long!"

...

Seeing Selena suddenly staring at a hot girl in a daze, Karl couldn't help but twitched his mouth and said, "Old problem again? Why can't I walk when I see a good-looking girl? Is she so good-looking?"

Rolling up her sleeves, Selena said, "Look? Why the hell am I going to grab it!"

...

## Chapter 1003

As soon as he finished speaking, Karl was stunned.

Then I saw Selena striding towards the group of teenagers, and without saying a word, grabbed the hand of the woman in Zhuang Rongguang's arms, pulled it hard, and pulled it into her arms.

The woman in his arms was caught off guard and pulled away, Zhuang Rongguang suddenly became furious, "Dmn! Where is the lunatic! What are you doing?"

The woman who was pulled over by Selena was about to yell at her, but when she turned her head, she froze...

The man under the moonlight has a face that is almost monstrous, with arrogance and arrogance in his brows, and those cold eyes that seem to be able to absorb people's souls.

"So... so handsome..." What a handsome brother!

Selena put her arms around him, and said directly with a blank expression, "I've taken a fancy to this girl!"

This tone is called arrogance!

The beautiful woman in her arms stared at Selena with an intoxicated expression, not only did she seem to have no intention of struggling, she was almost about to offer her body.

Selena's arrogant tone combined with the beauty's attitude made Zhuang Rongguang explode immediately, "fcuk! Brat! You're so fcuking courting death!"

Not only Zhuang Rongguang, but also several other people beside him were furious.

"Where did this kid come from!"

"Crazy!"

"Did you drink too much?"

"Never mind him! Beat him to death! Come on, brothers!"

...

Ten minutes later, more than a dozen young people lay on the ground in disorder, all of them wailing one after another like slaughtering pigs.

What a disgrace!

There are so many of them, but none of them can beat this guy, not only that, they haven't even touched a single hair of her! What a shame!

Especially Zhuang Rongguang was the worst, Zhao Zhao was hit on the face, and he couldn't go out for at least ten days and a half months until the wound on his face recovered.

Karl behind him watched this scene, dumbfounded.

He was wrong, really wrong!

You have to be crazy to think that this guy is a good man!

It's still the same wave soaring!

Zhuang Rongguang covered his face that was beaten like a pig's head, "Stinky boy, which way are you from! Report your name! How dare you touch me to snatch my woman! You are so dead! Do you know who I am? ?"

Selena squatted down in front of the yelling Zhuang Rongguang, and said coldly, "Zhuang Rongguang! That idiot of the dealer is a worthless one! I'll hit you! I'll grab you! And, once I see you, I beat you once!"

See you once, beat you once...

Zhuang Rongguang felt a little familiar with this tone, but for a while he couldn't remember where he had heard it before, not only that, but also the routine of robbing a woman and beating someone, it was all inexplicably familiar...

Zhuang Rongguang was dizzy from the beating, and he couldn't think much, but just stared at the man in front of him angrily, "ba5tard! Who are you calling an idiot! Who the hell are you?"

Could it be the enemy?

But he didn't know this person at all!

This kid looks so evil, if he knew someone, he wouldn't be able to remember for no reason...

Selena stood up and looked down at him, "You'll know soon!"

...

"Hey! Handsome brother, wait for me! Why did you forget me!" The hot girl just now saw that Selena was about to leave, so she hurriedly chased after her.

"Uh..." Selena remembered that there was still trouble, and casually pushed the girl towards Karl behind him, "Single dog, I'll see you off!"

Then, walk away.

The girl stomped her feet angrily. Seeing that Karl looked good, her eyes lit up. However, after seeing Selena like this, she couldn't be reconciled to seeing Karl again. She hurriedly looked at Karl and asked, "" This brother, do you know the mobile phone number of that brother just now? Can you give it to me?"

Karl: "110!"

...

## Chapter 1004

The next morning, Selena got up early, put on a new men's suit she had just bought, boiled a pot of delicious seafood porridge, put it in a thermos bucket, and took it to the dealer to visit the sick.

At No. 7 Chang'an Road, the guard saw that the visitor was a strange young man dressed in avant-garde fashion, and was very vigilant. He called the dealer for confirmation before letting Selena in suspiciously.

After arriving, a servant led Selena upstairs.

Travis had almost no friends, let alone someone of the opposite sex, and he was such a handsome young man, so the servants were very curious and secretly looked at Selena several times along the way.

"The eldest lady's room is here!" The nanny led her to Travis's door.

"thanks!"

"Is it Selena? Come in!" Travis's hurried voice came from the bedroom.

As soon as Selena entered, she saw Travis was busy walking around, and couldn't help asking, "Ke'er, what are you doing?"

"I didn't expect you to come here so early, I haven't had time to make up and change my clothes!" Travis looked anxious.

Selena helplessly helped her lie down on the bed again, "My eldest miss, you are already beautiful like this!"

"Karen, you're wearing men's clothing today..." Travis noticed Selena's attire, her eyes sparkled, and she even changed her address on her own initiative.

Selena teased with a light smile, "That's right! I promised you that you will have a chance to meet your male god anytime in the future, right?"

"Besides, seeing a handsome guy is conducive to physical and mental happiness and recovery!" Selena said, opening the thermos bucket she brought over, "I came here early to bring you breakfast, I guess you don't mind eating anything else. Appetite, so I cooked seafood porridge for you! Try it!"

"Thank you!" Travis didn't expect Selena to be so careful, and was so moved that she didn't know what to do.

"Don't thank me! If you want to thank me, I should thank you!"

Selena is a character who always revenges her grudges and repays her kindness a thousandfold. The most unbearable thing is that others treat her well. If others treat her sincerely, they will not hesitate to repay her heartily, let alone doing such a small thing. .

"Is it delicious?" Selena fed it mouthful.

Travis still couldn't get enough of it after eating half of the bucket, "Yeah, it's delicious, Karen, how did you make it? The porridge made at home has no taste at all, but yours smells so good!"

"If you want to learn, I can teach you next time!"

"Hmm..."

"Both Mr. Zhuang and Mr. Zhuang are not at home today?"

"Grandpa is in the nursing home, my father is in the army these days, and my mother is away all the year round, so I am the only one at home! Oh no, my brother is also there. He seemed to have fought with someone last night. Fortunately, this My father is not here for two days, or I will find out..."

Travis was talking to Selena, when there was a "bang", the door was rudely pushed open.

Outside the door, Zhuang Rongguang stood there with a face like a pig's head, "Sister! You..."

Before the words were spoken, Zhuang Rongguang's pig-headed face became even more contorted, with a look of hell, and then he flew into a rage, staring at Selena and roaring, "Dmn it! You ba5tard! Why are you!"

Seeing this, Travis immediately frowned, "Rong Guang, don't be so rude!"

"Sister, why is this guy in our house? What's the relationship between you two? What's going on?" Zhuang Rongguang felt like he was going crazy, like he was having a nightmare.

Why did this guy show up at his house early in the morning and sit on his sister's bed! fcuk!

...

## Chapter 1005

"He's my sister's friend, what's the matter?" Travis was puzzled, and felt that Zhuang Rongguang's reaction was a bit strange.

Zhuang Rongguang was very excited when he heard the words, "Friend?! Sister, don't be fooled by him, he is a ba5tard! The ba5tard who beat me up and robbed me last night was him! Look at my picture The face is almost ruined!"

"What are you talking about! There is such a thing!?" Travis's expression changed upon hearing that.

Zhuang Rongguang gritted his teeth and stared at Selena, complaining endlessly, "It's absolutely true! Sis, this kid probably has a grudge against me! Don't mention the woman who robbed me, and now he's even targeting you , Last night, my brothers and I walked well, he..."

After Travis heard this, she held Selena's hand nervously, "Karen, did you fight with them? Are you okay? Did you get hurt anywhere?"

Selena patted Travis's hand to comfort her, "It's okay, don't worry, they can't hurt me with their three-legged cats."

"That's good, that's good..." Travis patted her chest and let out a sigh of relief.

Zhuang Rongguang almost vomited blood three liters from the sidelines, "Dmn! What's going on! Sister! Did you listen to me! I said this guy beat me up! He even robbed my woman!"

"Be quiet, I'm not deaf! I beat you up for your own good!" Travis said angrily.

Zhuang Rongguang couldn't believe it, "Sister, you've been stunned by this brat!"

Zhuang Rongguang said and looked at Selena angrily, "bastard, what kind of drug did you give my sister! I'll fight you!"

Here, just as Zhuang Rongguang rushed over, the next second, with a "slap", he fell to the ground.

Zhuang Rongguang supported his waist, feeling like he was going crazy, why is this guy's routine of tripping him so familiar?

Who is this bastard?

"One person does things and one person is responsible! What are you doing to me! Don't provoke my sister!" Zhuang Rongguang struggled to get up.

Selena folded her arms around her chest and said, "Finally, I've said something human!"

"Stop talking nonsense! Just tell me what you want!" Zhuang Rongguang said viciously.

Damn it! Although his sister is nagging and annoying, but he is the one who loves and protects him the most. Now, this brat who doesn't know where he came from is so fascinated that his sister scolds herself indiscriminately because of him! It's unbearable!

"If you want me not to provoke your sister... that's fine! It's ok if you defeat me!" Selena said softly.

"You..." Zhuang Rongguang's face turned pale when he heard this.

None of the dozen or so of them could move a hair on him last night. Now that he is alone, how could he defeat him!

This kid is clearly trying to humiliate him!

Selena looked at Zhuang Rongguang's angry face, touched her chin, and said quietly, "It's really embarrassing for you to fight. For your sister's sake, we can change the comparison!"

"What comparison?" Zhuang Rongguang asked warily.

"My comparison is, you can choose any event, as long as you can beat me in one of them, you will win!" Selena said.

Depend on! brat! So arrogant!

"Is this true?"

"A gentleman makes a quick move with a whip!"

"Arbitrary items...then games are also available..." Zhuang Rongguang asked tentatively.

He thought carefully about what he was best at, but after much deliberation, all he could think of was eating, drinking, and having fun. Among them, the most certain thing seemed to be only games. Yes, but it's okay to log in secretly once...

Hearing this, Selena smiled faintly, "Of course!"

...
