

Cruel Heart Lover Novel

Chapter 1061

"Toot, toot, toot..." The sound of the kitchen knife being cut on the cutting board was endless, and within five seconds, a radish was cut.

The crowd only saw what seemed to be a whole radish on the cutting board, and Selena lightly piled it up, only to find that the radish had been sliced into countless slices as thin as a cicada's wing.

The host and Feng Rui who were closest were the most surprised, and the director was also in a daze.

"This... this knife work! Could it be that our program team has finally waited for a capable person? Xiao Wang, did you film it just now!" The director eagerly turned to the cameraman and asked.

The cameraman looked innocent, "Just now the camera has been on the face of the female guest, and I haven't had time to turn the camera, she has already finished cutting..."

"I didn't get such a wonderful and important shot! What's your major!" the director couldn't help shouting.

"Please... It only took her about three to five seconds to cut a carrot! I don't even have enough time to cut the camera!"

The director glared at the cameraman angrily, and then ran to communicate with Selena, "Selena, I can't tell you have such knife skills! We are going to give you a close-up, but you cut too fast just now, and the cameraman didn't have time Adjust the angle! Can you cut another one? No, no, cut two more, we want to shoot a close-up and a long-range shot! You know, the current

audience is too difficult to serve, and the long-range shot is to prevent them from saying that we are looking for a substitute!"

"Okay." Selena cooperated.

So, Selena cut two more radishes.

This time even the audience at the scene saw it clearly, and they all stared wide-eyed and commented. The host even picked up a piece of radish and went to the cameraman to give a close-up of that piece of radish. It really was as thin as a cicada's wing. , I'm afraid I can't cut it without seven or eight years of effort?"

Next, Selena officially started cooking braised pork.

Dark soy sauce, light soy sauce, cooking wine, rock sugar, star anise, ginger, green onion, peppercorns, bay leaves...

In less than three minutes, Selena had prepared all the ingredients and put them aside neatly for later use. Then, she picked up a piece of pork belly with skin, put it into the pot with cold water, added star anise, ginger, fragrant leaves, *Zanthoxylum bungeanum*, start to cook with high heat.

After the water boiled, Selena took out the meat, carefully scraped off the dirt and stray hairs on the surface with a knife, and then evenly cut it into three centimeter squares...

The whole set of movements is smooth and flowing, without any stumbling.

"Selena, I saw that you deliberately brought this grass for what purpose?"

"Ma Liancao is commonly known as Ma Lian, also known as Malan. Folks often use it to tie cooked food of various meats in rice dumplings. Use it to tie the meat so that the braised meat won't loosen."

"Then what's so important about this casserole?"

"In fact, it can be replaced by other electronic cookers, but I think that although the casserole may take a little longer, it will be more flavorful and delicious."

...

When Selena was cooking, her expression was very serious, as if she was finishing a very important work of art. After the host asked a few casual questions, she didn't bother her for a while.

From the beginning to the end, Selena didn't deliberately show off her skills, she was cooking seriously, but people unconsciously followed and couldn't take their eyes off it. It turned out that there were no spoofs, no boring interactions between male and female guests, just watching one person cook. Dishes can also be so beautiful, it can even be called a kind of enjoyment, this is a special charm of a professional field...

Finally, a pot of braised pork is ready, and the exciting moment has come.

...

Chapter 1062

The moment Selena lifted the lid of the casserole with anti-scalding gloves, the whole studio was filled with the smell, and the braised pork had an attractive color.

The host swallowed hard, "Now invite our male guests to taste Ning Damei's handicrafts! Eat them all!"

Because there were cases where it looked good but tasted terrible, so no one dared to take it lightly before the step of trying it.

Feng Rui made all the preparations before going on the show, lest he would vomit when the time came, and he didn't even drink a sip of water before coming, and he was already so hungry that his chest stuck to his back, so, looking at this dish Even though he was still vigilant in his heart, he still couldn't help salivating.

I saw that Feng Rui sat in front of the small dining table, and under the nervous eyes of everyone, he carefully picked up a piece of braised pork and took a bite.

Then the second bite, the third bite, the second piece, the third piece...

"Food..." Feng Rui took the time to say something.

"Oh..." The host hastily handed over a bowl of rice.

Then, I saw that Feng Rui had almost forgotten that he was still on the show, he took a bite of meat, a bite of rice, and when he was tired, he added a few slices of crisp and refreshing radishes, without even lifting his head.

Just like that, Feng Rui ate a whole pot of white rice with a plate of braised pork and a plate of white radish.

And the host, staff, and audience at the scene just stared at him the whole way through the meal...

It wasn't until Feng Rui mixed the last bit of soup on the plate of braised pork with rice balls that there was nothing left, and everyone realized it...

The first reaction of everyone at the scene was, sh1t! Anyway, leave us a piece too! In the end, not to mention the meat, there was not even a piece of radish left!

Feng Rui also seemed a little unbelievable that he just finished the whole meal like this, scratching his head a little embarrassingly, "Yes... I'm sorry everyone!

Selena's cooking is really delicious! I've never eaten such delicious braised pork Oh, and that carrot is also delicious! I don't know how to describe it, but it's so delicious! I saw a sentence before, saying that real food can make people forget everything. I probably felt it just now, really I almost forgot that I was still recording the show!"

The host burst into tears when he heard it, "It's no use talking about the flowers now! It's all gone! We can't feel it!"

Finally, after the show ended, Selena made another plate with the remaining ingredients and distributed it to the staff and audience.

The director cried bitterly after eating, and really wanted to make Selena a regular guest, so that he could eat every day in the future!

As for the cameraman, he quickly took pictures of this tidbit with his last bit of reason.

...

For the video editing of "Beauty's Private Kitchen", the director used an extremely weird editing method.

For the 40-minute show, Selena cooks for half an hour and Feng Rui eats for ten minutes.

Yes, a full ten minutes, without any interaction, pure eating scenes.

As a result, when the show aired on the weekend, the ratings actually surpassed that of Louis's episode, breaking the highest record since its inception. The number of clicks on the online video broke through 10 million in just one day, especially during the late-night period, when the number of clicks rose the fastest. .

At the same time, the video of this issue quickly occupied Weibo's hot searches and headlines, and its popularity continued to skyrocket...

...

Chapter 1063

The hot searches are all similar to the most beautiful guest in the history of the beauty's private kitchen, the national daughter-in-law Selena, only you and the food can't live up to...

The official Weibo of the program group also exploded, and all new and old viewers were blown out. The most surprising thing is that a large number of mother fans were blown up:

In the middle of the night, I stared at a man eating without fast-forwarding for ten minutes! This issue is simply toxic!

Poison in the middle of the night! Director, come out and I promise not to kill you!

The male guests in this issue are so cute, they are different from those coquettish sluts outside!

Ask for the same dress for the female guest! It's just beautiful!

Just looking at the face of the goddess, I can eat three bowls of rice!

Looking at the face of the goddess, I can even eat sh1t!

You have a beautiful figure, a good figure, and you cook so deliciously, the goddess will marry me!

Girl, do you lack a mother-in-law? I have a son who is well-behaved and obedient, the kind who went to college and paid all his salary!

...

Selena was happily scrolling through the comments on the Internet, Daniel was naturally not so happy.

What kind of national daughter-in-law is clearly my daughter-in-law...

Selena sensed the big devil's mood, and hurriedly rubbed her hair along, "Hey, dear, don't be unhappy, the director said, because I performed really well, I want to invite me again! I've thought about it, Next time I will go after our movie is released, and then I will tell the director to wear men's clothing and bring you with me, oh, it's Ke Mingyu! How is it? Isn't it perfect?"

Daniel glanced at the girl, "Yes, thank you senior for your support."

"Hahahaha... Be good..." Selena burst out laughing, inexplicably feeling like she was sneaking up on Daniel, it was so cool!

At this time, the phone beeped, indicating that there was a new text message from an unfamiliar number...

Brat, tomorrow at three o'clock in the afternoon, prepare your women's clothes and die!

This arrogant tone and dozens of angry exclamation points behind it...

You don't need to think about it, it's that kid Zhuang Rongguang.

After so many days, Selena almost forgot about it. It's hard to believe that Zhuang Rongguang's temperament of fishing for three days and drying the net for two days still remembers it.

It seems that she is quite stable in holding the hatred...

Just as she was thinking, the phone rang again, and it was Travis who made a call.

Selena answered immediately, "Hello, Ke'er?"

"Selena, did Rong Guang send you a text message asking you to meet tomorrow?" Travis on the other end of the phone asked.

"Yeah, I just received it, please meet me at three o'clock tomorrow afternoon!"

Travis chuckled, "Since my brother lost to you at the shooting range that day, he has really been practicing non-stop at the shooting range, shooting all the time except eating and sleeping, and even... he even took the initiative to ask for advice. Taught my father some shooting tips..."

My brother and my dad have always had a bad relationship, especially when it comes to things related to shooting. This is the first time they have discussed such things peacefully together!

These days, the atmosphere at home has improved a lot, and grandpa is also very happy...Selena, thank you very much! "

Hearing Travis's words, Selena was also sincerely happy, "There's nothing to thank, I just can't stand others bullying my friend, not even your brother!"

Travis on the other end of the phone was moved, "Then, see you tomorrow, by the way, come to my house for dinner tomorrow night, my grandpa likes you, let me definitely invite you over, and let me take you around the house often ! If you don't dislike it, you must come here!"

...

Chapter 1064

"How could it be possible to dislike it, I just think it's too much trouble for you and I'm sorry."

"It's no trouble! If you come over, our whole family welcomes you! Then it's a deal!" Travis ignored her brother directly.

"great, see you tomorrow!"

...

After hanging up the phone, Selena was in a good mood, humming a song while looking for clothes in the closet.

"In a good mood?" Daniel couldn't help asking seeing that she was so happy after just calling Travis.

"Hahahahaha... Daniel! Let me tell you something very interesting!" Selena happily told him about how she had serially abused Zhuang Rongguang before.

"Didn't I wear men's clothing at the time? He always thought I was a man. In the end I told him that if he could do it, I would wear a pink princess dress and run around the shooting range three times! That kid wanted to humiliate me. Start practicing shooting like chicken blood!"

Just now Travis told me on the phone that the kid was going crazy after practicing so much that he forgot to sleep and eat. But this time, I suddenly wanted him to win, so I was looking forward to his reaction when he knew that I was originally a woman haha Ha ha ha ha..."

Seeing the girl's smile, Daniel's dissatisfaction with Zhuang Liaoyuan lessened a lot, "Did Zhuang Liaoyuan mention that matter to you afterward?"

"Don't worry, he didn't mention it again! And I think Zhuang Rongguang's talent is actually quite good. If one day he can change his nature, Chief Zhuang will definitely not think of me again!"

"When will you be back tomorrow?"

"I guess I'll have an appointment with Ke'er after dinner."

"It is good."

Selena noticed that Daniel was staring at her when he was talking, so she couldn't help touching her face, "Is there something on my face? Why are you staring at me all the time!"

Daniel stared into the girl's smiling eyes, leaned over and kissed the girl's lips, "You look good."

Selena immediately covered her face in embarrassment, "Are you respectful?"

Yaoshou! The Great Demon King has become more and more flirtatious recently! You can say she looks cute when eating, you can say she looks cute when you sleep, and you can even say she looks good when you talk well...

"Selena, I hope you can be this happy every day when you're with me."

"Don't worry, I am very happy every day with you!"

...

The next afternoon, Selena changed into men's clothes and arrived at the shooting range ten minutes earlier.

As a result, Zhuang Rongguang arrived earlier than her, or in other words, the kid probably never left the shooting range.

At this moment, Zhuang Rongguang was standing with his hands behind her back facing her, and his figure against the light had a heroic look of Yi Shuihan, if he didn't succeed this time, he could be benevolent. Selena touched his nose and couldn't help but hook The corners of his mouth curled up.

"Karen, you're here!" Travis also came early, and immediately greeted Selena happily after seeing her.

"You're here." Zhuang Rongguang turned around and looked at the visitor with a cold expression.

After seeing each other for a while, Zhuang Rongguang lost some weight, but his face was not exhausted or haggard at all. Instead, there were a pair of eyes that were astonishingly bright, which made her see a bit of Zhuang Liaoyuan's shadow.

Such high-intensity shooting training can sharpen a person, and it seems that this period of time still has some impact on him, even if the current impact is only short-lived.

This time, Zhuang Rongguang was only out of a moment of anger. With Zhuang Rongguang's temperament, he wanted to change his personality completely, and it was estimated that there was still a long way to go.

...

Chapter 1065

"Have you brought anything?" Zhuang Rongguang asked.

Selena raised the pink plastic bag in her hand, "Do you want to check it?"

Zhuang Rongguang glanced at her, as if he didn't believe her, so he picked up the bag and checked it himself.

A pair of white high-heeled shoes, a pink lace-trimmed princess dress, a spliced head flower, and a pair of white heart-shaped stockings as a base layer. Looking at the bottom layer, there is actually... There is actually a pink corset...

Zhuang Rongguang blushed immediately, and hurriedly stuffed the bag back into Selena's hand, "You... pervert..."

Selena looked innocent, "Didn't you let me wear women's clothes? Are there any women who don't wear corsets?"

Zhuang Rongguang's face turned even redder, and he glared at her angrily, then took a deep breath, so that his emotions would not be affected by this treacherous villain, "It's exactly what I want you to be so sensible!"

While talking, there were already many people watching, many of them were from the last time. Even Zhuang Liaoyuan and Zhuang Zongren made time to come here.

Zhuang Rongguang looked at his father and grandfather with a slightly tense expression, but soon became confident again.

"It seems that there are enough witnesses!" Selena smiled and made an invitation gesture: "Then, please."

Zhuang Rongguang snorted and stared at her, "If you're a man, remember your promise. If I can shoot ten shots and ten rings blindfolded, you will..."

"I know, I know, I'm going to wear women's clothing and walk around the arena three times! I'm so wordy! There are so many people here, how can I rely on you? Are you going to fight or not!" Selena waved impatiently. waved.

Hearing Selena's words, many people at the scene booed excitedly.

"Oh oh oh oh... Wear women's clothes! Wear women's clothes! Wear women's clothes! Come on, photon!"

"That's right, Guangzi, we must win! Let's see how arrogant this kid is!"

"Hahaha... I really want to see how embarrassing this kid looks in women's clothing!"

"Come on, photon! You can do it!"

...

During this time, Zhuang Rongguang had been spending all his time in the shooting range, and he was already familiar with the regular customers. In addition, everyone had heard Zhuang Rongguang embellished and talked about how Selena shamelessly conspired with and seduced his sister, so they were all at the moment. Cheer him up lively.

Travis is the goddess of all their men, and she was hooked up by this brat who came out of nowhere, she couldn't bear it!

Zhuang Rongguang was even more encouraged by the booing around him, and even couldn't help but feel a sense of mission to do justice for the heavens!

Finally, he picked up a long black cloth strip and wrapped it airtightly around his eyes a few times. Then, he raised the gun and aimed at the target precisely by feeling.

Scoring begins!

At the scene, all the onlookers, including Zhuang Liaoyuan and Zhuang Zongren, were staring with bated breath.

The next second, Zhuang Rongguang pulled the trigger.

"Bang...": Ten rings!

"Bang...": Another ten ring!

"Bang..." "Three bursts of ten rings!!

...

As Zhuang Rongguang continued to shoot one after another, everyone became more and more excited.

finally...

Eighth shot: ten rings!

Ninth shot: ten rings!

The tenth shot...

Zhuang Rongguang paused, slowed his breathing, and then, there was a "bang..."

Tenth shot: ten rings!

With a sound of "ding", the scorer began to count the total points, and there were bright red ten guns and ten rings on the screen!

A total of 100 points!

...

Chapter 1066

"Oh oh oh—" After half a second of silence, there was a burst of cheers that almost broke the roof.

Many people have witnessed Zhuang Rongguang's desperate training these days, so seeing him win now, they are as happy as themselves.

Whether they were new friends or old friends, they all gathered around and patted the boy on the shoulder and rubbed his head.

"Good boy! I really have you!"

"Blindfolded, ten spears and ten rings! And it's only been a few days of assault training! It's absolutely amazing!"

"Hahaha... Photon! I knew you could do it! That brat who hooked up with your sister is going to be aggrieved now!"

"You boy, I usually underestimate you, so you are hiding something!"

...

Zhuang Rongguang looked at the familiar and unfamiliar people around him who praised him, and there was a strange, warm thing surging in his chest, which gave him an unprecedented feeling...

That kind of enthusiasm, excitement, pride, pride, the whole body seems to be full of strength...

Seeing the relief in the eyes of his father and grandfather, his eye sockets even felt a little sore, it's just...Dmn it!

How could he have such sentimental feelings! He clearly fears hardship and fatigue the most, and also hates shooting the most...

Really... hate it...

"Hey, hey! Boy, Photon did it, you lost, it's time for you to fulfill your promise!"

"That's it! Change your clothes quickly! Let everyone take a look! You have to go around the field three times!"

"Hahaha... If Ms. Zhuang sees this kid in women's clothing so embarrassingly, she must despise him to death!"

"exactly..."

...

Zhuang Rongguang didn't come back to his senses until the crowd's urging sounded around him, and immediately he was radiant, and ran up to Selena excitedly, "Stinky boy! I told you earlier, it was just that I didn't want to be serious with you before, my lord." Seriously, I'm even afraid of myself! How about it? You don't want to renege on your debt, do you?"

"Master Guang is really powerful. I'm willing to bet. Where is the changing room here?" Selena asked.

Someone in the crowd immediately replied, "It's just across the street! You can just pick a place where no one is around and go in and change!"

"If you are a man, you are willing to gamble and admit defeat! We big guys are watching here, don't you want to run away, kid!"

"Hahaha, this kid looks so handsome, he must be very sissy in women's clothes!"

...

Carrying her clothes, Selena walked unhurriedly towards an empty changing room.

Zhuang Rongguang felt that the bad breath in his chest had finally come out, he snorted and looked at Travis beside him and said, "Sister, now you can give

up on that kid! How is that kid like your brother? The most hateful thing
What's more, he is still despicable and shameless! But I still don't understand...
Where did I become enemies with this kid!"

Travis was suppressing herself so that she would not break her merits, so she didn't say a word.

Seeing that she didn't speak, Zhuang Rongguang thought she was disappointed in that kid, so he became more interested, and even took out his phone to turn on the video recording mode.

Later, he will record this kid's dark history, so as not to pester his sister again after he doesn't care about what he says!

A moment later, with a "click", the door of the fitting room that Selena had just entered was suddenly pushed open from the inside.

Immediately, everyone looked towards the fitting room excitedly with the nature of watching a good show...

...

Chapter 1067

The next second, the phone in Zhuang Rongguang's hand "slapped" and fell heavily to the ground. The black screen shattered into cracks, just like its owner's face...

As if time had stopped suddenly, everyone stood there dumbfounded.

In the huge shooting range, needles could be heard falling.

The girl was wearing a tailored pink princess dress, her slender waist was gripped tightly, her slightly curly long black hair outlined a soft curve around her waist like a waterfall, and her delicate face was as bright as a mountain

flower, as bright as a star. Eyes are like flowers blooming throughout the spring...

Beauty... beauty!

And she's a super beauty!

"Ouch, you stepped on my foot!"

"Ah! Who pinched me! I want to pinch you!"

"Don't squeeze me, don't squeeze me!"

...

The silence finally came to an end, and there were sporadic commotions in the crowd. Everyone was pushing and shoving, but they never took their eyes off Selena.

Most of the people who came to the shooting range were old men, and all of them wanted to make Selena die of embarrassment just now, but now they don't mention it at all, and their eyes are almost glued to their bodies...

"Dmn it! What's going on!?"

"This... is this the same person?"

"I've been watching! It's absolutely impossible to drop the bag!"

"I...why do I think that chest...is so realistic?"

"A bunch of idiots! You brats who haven't had sex before know nothing! With my experience and vision, that's a real woman, okay? And she's a stunning beauty! This kid, ah, this little girl My younger sister was obviously a woman disguised as a man before!"

"Dmn it! Is it true? A woman disguised as a man?!!!"

...

While everyone was talking, Selena was already walking towards the direction where everyone was watching.

Finally, Selena stood still in front of the dumbfounded Zhuang Rongguang, and asked with a smile, "Master Guang, are you satisfied with what you saw?"

Zhuang Rongguang nodded blankly, and a second later, he shook his head vigorously, shaking his fingers, staring at her in disbelief, "You you you... are you a woman?"

Selena smiled lightly, "That's right!"

How dare this guy admit it with such a calm attitude! Isn't he afraid of being beaten to death?

Zhuang Rongguang got a mouthful of old blood stuck in his throat, almost internally hurt, "You are a woman! You are a woman! Then what are you talking about wearing women's clothes to go around the venue three times...you..."

fcuk!

This moment! Zhuang Rongguang finally found out that he was being played!

But, what's even more tragic is that it would be fine if he was facing that brat right now, but it happened to be a beautiful woman, which made him unable to get angry!

What the hell is it that he finally won, but is even more aggrieved!

No, what a fart he won, the other party is a woman, a woman is so good at shooting, and he is a big man, even if he wins, why would he be complacent!

Zhuang Rongguang felt that he was being abused so badly that he was about to go mad!

"Wow! Selena, I haven't seen you wearing this dress. It's so cute! It suits you so well!" Travis took Selena's hand and looked around her excitedly.

Travis's reaction was undoubtedly like stabbing Zhuang Rongguang again, Zhuang Rongguang was even more confused, "Sister...you...you already knew?"

Travis nodded, "I know!"

"Then why didn't you tell me!!!" Zhuang Rongguang roared from the depths of his soul.

"You didn't ask me again!"

" ... "

Chapter 1068

Not far away, Zhuang Zongren was just smiling and watching the group of juniors making a fuss, but when he saw Selena come out with a change of clothes, his eyes turned red instantly, and he muttered in disbelief, " Ah Ci...Ah Ci..."

After Zhuang Liaoyuan noticed his father's excited reaction, he couldn't help but look sideways.

Ci?

Isn't that my mother's nickname?

"That child... that child... is really like when Ah Ci was young..." Zhuang Zongren murmured tremblingly, his eyes full of deep longing and love for his dead wife.

When Zhuang Zongren met Selena for the first time, Selena was going to discuss business, her makeup and dress were very smart and capable, so he didn't notice much that time.

But today, the appearance of Selena wearing a pink princess dress without makeup made Zhuang Zongren realize that it really resembled the time when he saw his beloved wife Aci for the first time...

He didn't expect that Lingyu and Ke'er couldn't be like Ah Ci, but Selena, a granddaughter, would be so like her.

Zhuang Liaoyuan looked in Selena's direction and tried his best to recall his mother, but because his mother passed away early, he had almost no memory of her.

However, I vaguely remembered that my mother had a picture of her smiling like a flower wearing a princess dress standing next to her father. The mother's temperament in that picture was indeed very similar to Selena at the moment.

...

In the evening, the mansion.

Zhuang Zongren made a table of good dishes.

Before, Zhuang Zongren's attitude towards Selena was polite and grateful, but now he is kind and enthusiastic.

At the dinner table, the old man kept holding dishes for Selena, "Selena, eat more! Eat more!"

"Thank you, old man!" Selena was flattered by the other party's overly enthusiastic attitude.

Zhuang Rongguang, who was gnawing on chicken legs, perked up his ears, and suddenly felt that something was wrong. Then, he stared straight at Selena. After a long while, he suddenly stood up with a bang, stared at Selena excitedly and said, "Dmn it!" I remembered! You are the woman who tripped me when I ran away at home that day!"

Zhuang Zongren was displeased when he heard the words, "What are you talking about, why don't you sit down for me! Also, what about this woman and that woman, Selena is older than you, you should call her sister!"

Zhuang Rongguang looked like hell, "Am I crazy? I called her sister, I said sister, what kind of grudge do I have with you? Why did you abuse me non-stop from the moment we met?"

As soon as the words fell, Zhuang Liaoyuan on the side gave his son a cold look with displeasure, and reprimanded him, "It's not big or small!"

Zhuang Rongguang looked at his grandfather, then at his own father, and immediately let out a “wow”, and howled, “Why did you one, two, three all help her talk! Could it be that we hugged the wrong one back then! She is your biological child!” of!”

Zhuang Zongren grimaced and glared at his grandson, “I hope it’s a wrong hug! Unfortunately, no!”

Zhuang Rongguang, who was ruthlessly disgusted, burst into tears.

“Selena, is your work going well? Are you busy or tired?” Zhuang Zongren asked his grandson, looking at Selena with concern.

Sensing the genuine concern in the old man’s tone, Selena hurriedly said, “It’s going well and I’m not tired. I like my current job very much.”

“Oh, that’s good. I heard from Ke’er that you also opened a clothing company. Don’t tire yourself out!”

“Yeah, I know!” Selena hurriedly responded.

...

Chapter 1069

Zhuang Zongren thought for a while, but was still worried, and asked again, “Then where do you live now? Is it a dormitory arranged by the company?”

“I used to live in an apartment arranged by the company. However, I should be moving soon. The company’s income has been pretty good recently. I just bought a house myself.” Selena replied.

When Zhuang Zongren heard this, his face was filled with relief, “It’s really good to be self-reliant at such a young age!”

After finishing speaking, he looked at his useless grandson with contempt.

Zhuang Rongguang: "..."

He had already stopped eating and talking in silence, why did he still get shot while lying down?

This woman was born to conquer him, right?

"How are you getting along with Xiao Lu recently? That kid didn't bully you, did he? What did Travis say last time that he was on two boats?" Zhuang Zongren finally asked the question he was most concerned about.

Selena coughed lightly, and said hastily, "Old man, we're doing well. What happened last time was a misunderstanding, and I've explained it clearly."

"That's good...that's good..." Zhuang Zongren muttered, thinking of something, his face became a little dignified.

Selena's current identity is still the adopted daughter of the Ning family from the countryside. With Daniel's family background, Lu Chongshan and Yan Ruyi probably would not be so easy to agree to the two children.

Back then, he had vowed never to interfere in Lingyu's affairs, and Selena was her daughter, and the relationship with the Ning family was so complicated...

But... people's hearts are fleshy after all, looking at his own granddaughter, looking at such a good child, especially this child looks so much like Ah Ci, how can he bear to ignore it...

During this meal, Travis vaguely noticed that something was wrong with the attitude of her grandfather and father towards Selena.

However, she couldn't tell what was wrong. In the end, it could only be attributed to the fact that Selena had saved Grandpa, and Grandpa and Father were so enthusiastic because of their gratitude...

...

Selena's new villa has a nice name, Taohuawu.

After the security system was completed, Selena reported to Lin Zhizhi about the move, and then picked a date to start moving.

As long as Selena is still a member of the company, the apartment on the Pearl River Royal View will always be hers, so she will leave many things that are inconvenient to take there as they are.

The moving company was efficient and orderly, and moved things quickly.

While moving things, Selena accidentally found a troublesome thing...

A... gigantic diamond...

This thing was sent by Yun Shen when she joined the team on the first day of filming "The World".

Later, she kept trying to find a chance to return it to him, but there was no suitable chance.

After closing the lid, Selena checked, there should be nothing left behind, and then went downstairs.

"Beauty, is there anything else?" the mover asked.

"Let's go, no more!"

"okay!"

...

Selena was about to get in the car and leave when she was suddenly stopped by a person.

"Selena..."

Selena subconsciously turned her head away, and then she saw Ning Yaohua whom she hadn't seen for a long time.

"Dong Ning called me?"

"What Dong Ning! I'm your father!" Ning Yaohua looked displeased, and glanced at the large truck behind her, "What are you doing? Moving?"

"something wrong?"

"It's just right, you can just move back home! I came here this time to tell you about this!" Ning Yaohua said.

Chapter 1070

Selena frowned slightly, "Moving home? Heh, did Chairman Ning drink too much today?"

Hearing Selena's mocking tone, Ning Yaohua didn't lose his temper. Instead, he said in a gentle voice, "Selena, no matter what, you are my daughter after all. Dad will never leave you alone! You It's not a problem for a girl's family to be floating outside all the time, it's better to move back to live, the house at home is big, and your original room is always there!"

Hearing this, Selena almost laughed out loud.

Her original room...

The area is only one-third the size of Susie's room, and it was remodeled from a servant's room. The reason at the beginning was that she was afraid that she would dirty the other rooms, so she had to learn etiquette well before changing her room. Later... There will be no later...

Selena looked thoughtfully at Ning Yaohua, whose eyes were full of eagerness.

There should be only one reason for Ning Yaohua's sudden change of attitude...

Grandpa is about to make a will.

After returning from the hospital last time, Grandpa already had the intention of making a will.

Heh, do you want the shares in her hand?

Although she still didn't bother to ask for that little thing from the Ning family, since it was given to her by her grandfather, she couldn't possibly hand it over to Ning Yaohua.

"Selena... Selena? Did you hear what Dad said? You see, today I happened to be moving just in time for you to move. How about you just move back?" Ning Yaohua

Selena folded her arms around her chest, glanced at the truck, and sneered, "Are you sure that room at home can hold my things?"

Ning Yaohua's expression froze, "Although there are many rooms at home, they are all useful, and it's not always easy for you to live in a guest room. If you don't need these things, you can put them in the warehouse temporarily, right?"

Selena looked at the man with a half-smile, and said leisurely, "Let me go back, yes, let me go back to the room that should belong to me."

When Ning Yaohua heard this, his expression changed immediately, "Selena, what do you mean, are you trying to snatch Susie's room? Susie has lived there since she was a child, so how can it be her room?" Speaking of Selena, Ning Yaohua naturally turned towards Susie.

Selena lost her temper after playing for a while. She didn't bother to talk to Ning Yaohua any more, so she turned around and prepared to leave.

"Selena! Stop, Selena! Where are you going to move?" Ning Yaohua chased after her and asked, apparently still not giving up.

"I bought a house myself." Selena replied casually.

Ning Yaohua laughed when he heard the words, "What kind of decent house can you buy with your salary, a single apartment or a two-bedroom apartment? I'm not talking about you, where is a home! Why do you have to go outside to suffer? And your job, too. It's time to quit..."

Before Selena could speak, the truck driver, who had been watching for a long time, couldn't stand it any longer. He poked his head out and said, "Mister, the house your daughter bought is Taohuawu!"

After Selena got into the car, the driver closed the door with a "bang" and started the engine.

The moving truck sped away, Ning Yaohua took a mouthful of car exhaust and stood where he was, unable to recover for a long time...

"Peach... Taohuawu..."

Could it be that he heard wrong?

The house Selena bought was Taohuawu? How could it be Taohuawu!

Taohuawu is a villa, the price starts from tens of millions, even better than the location of the Ningjia villa, and it is also one of the famous wealthy areas...

How could Selena afford the villa there?
