

# Cruel Heart Lover Novel

## Chapter 1331

Kang Wanru even said the words "human life is at stake", and said something like "grandson" vaguely, how could the Mo family dare to delay.

Mo Jianzhang and Kang Shuhui rushed home from their work units immediately.

Just the word "grandson", even if the two of them are in the North Pole at the moment, they have to hurry back.

"Wanru, what kind of grandson are you talking about! Returning human life is so serious!" Kang Shuhui asked hastily.

Mo Jianzhang also looked over in a daze, glanced at the watch on his wrist and said, "Wanru, if you have anything to say, hurry up, I have to go back to work later."

Kang Wanru picked up the tea on the coffee table and drank half a cup, then said, "I'm in the hospital today for a doctor's appointment. In the morning, a young girl accompanied by her sister came to me for an examination, and then the examination The result came out, she was three months pregnant and was about to have an abortion..."

Kang Shuhui immediately echoed, "Hey, the young people nowadays are really shameless, this is a living little life, if you say kill it, kill it, what did you do, why didn't you do it right from the beginning What about the measures! The most abominable thing is that man, it's too bad, it's irresponsible to make the little girl's stomach big, and let the girl come to the hospital by herself..."

"Isn't it!"

Seeing that the two women were still chatting, Mo Jianzhang coughed lightly, "Wanru, that's why you called us back?"

Kang Shuhui also reacted, "Cough, by the way, Wanru, what are you trying to say when you called us back?"

Kang Wanru took a look at her sister and brother-in-law, and said directly, "Sister, that stinky man you scolded just now is your Ling Tian."

As soon as the words fell, both Kang Shuhui and Mo Jianzhang looked as if they had been struck by lightning.

"Wanru...what did you say?" Kang Shuhui was stunned for a long time before she recovered her voice, and then said with a regretful expression, "How can my unscrupulous brat have such abilities!"

If he can mess with the little girl's belly outside, she can immediately take over the little girl as her daughter-in-law. Then she will have a full house of children and grandchildren. How can she be so worried like now?

Mo Jianzhang also frowned and said, "Wanru, I don't know about this kind of thing, but my family Lingtian is definitely impossible! Otherwise, do you think his mother and I can be so worried? That brat has been doing this for so many years. For the sake of that girl of the Guan family, she guards her body like a jade, and told us that if he can't marry Guan Ziyao in this life, he will never marry for life, and he will never have children with other women!"

When this is mentioned, Mo Jianzhang is furious!

Kang Wanru knew that they didn't believe them, so she repeated the warning from beginning to end, "... I heard from that girl's sister that it seems that Ling Tian raped the girl after drinking, and that girl fell in love with Ling Tian. After many years, after finding out she was pregnant, because she knew that Ling Tian liked that girl from the Guan family and didn't want to embarrass him, she insisted on having an abortion. It's also because you and your wife have

worshiped so many bodhisattvas and your sincerity makes this girl happen to meet me. , I spent a lot of talking and talking to finally persuade her to go back and think about it!"

Mo Jianzhang and Kang Shuhui looked at each other in dismay, both dumbfounded by Kang Wanru's words...

## Chapter 1332

"I know this matter is really too unbelievable. I was also stunned for a long time. I saw a patient so well, but I almost killed my own nephew... What do you call this? Now What's going on, call Ling Tian back and ask and you'll know everything! Have you called Ling Tian yet?" Kang Wanru asked urgently.

Kang Shuhui suddenly recovered from her daze, "I called, I didn't get through just now, I will call again!"

While talking, Kang Shuhui immediately called Mo Lingtian, and this time, someone finally answered.

at the same time.

A high-end western restaurant in the imperial capital.

Mo Lingtian took Guan Ziyao's steak from across to him, cut it carefully, and then pushed it to her, "Don't be so sad and absent-minded all day, you could fall off a horse! Are you trying to scare me to death?" what?"

"I'm sorry..." Guan Ziyao said apologetically, with a bit of bitterness on his face.

"You, don't worry, Daniel's words are a bit serious, but it's because of his anger. The three of us grew up together and have known each other for so long. How can we break up because of a woman? After so long, he I should calm down, and when I find a suitable opportunity to ask him out later, I will

talk to him, and everything will be fine!" Mo Lingtian tried his best to comfort the beauty opposite.

Guan Ziyao's expression softened a little, "Ling Tian, thank you...thank you...for always being with me..."

Mo Lingtian smiled like a fool, "Which one of us is with whom, why are you being polite to me..."

While talking, Mo Lingtian's cell phone rang, and it was a call from his family.

The atmosphere was just right at the moment. Mo Lingtian didn't want to answer the call at first, but seeing that he had called several times over there, he was afraid that it was urgent, so he finally picked up, "Hello, Mom? If you have nothing to do, call me later, I will I'm busy right now!"

"Busy, busy, what can you be busy with? Get out of here right now!" Mother Mo's voice on the other end of the phone was loud enough for Guan Ziyao on the opposite side to hear it.

Mo Lingtian coughed lightly while clutching his phone, "Zi Yao, I'm going to answer the phone."

"it is good."

Outside the restaurant.

"Mom, I'm busy chasing after your wife! Is this a big deal?" Mo Lingtian said lazily. .

However, this time, Mo's mother on the other side of the phone didn't seem to ease her attitude at all when she heard her son say this. Instead, she became even more angry, "Is it Guan Ziyao again! You worthless brat! The most important thing now is me Grandson, hurry back to me and bring my grandson back!"

"Grandson? Mom, are you delusional... Are you crazy about your grandson?"  
The corners of Mo Lingtian's mouth twitched.

"Am I crazy? The girl went to the hospital to have an abortion today, and happened to run into your aunt. If your aunt hadn't secretly stopped me, my grandson would be gone by now! If my grandson was gone, then I wouldn't want to live... .."

"Wait...Mom! Is there anyone else beside you? Is my dad there? I think your current state is a little abnormal..."

Mo's father's voice came from the other end of the phone, "Brat, you are not normal! I don't care where you are now, get out of here immediately! I have something to ask you!"

...

Hearing that the tone of the two elders was not right, and he couldn't tell clearly on the phone, Mo Lingtian had no choice but to send Guan Ziyao home first, and then rushed back immediately.

## Chapter 1333

"I'm back..." Mo Lingtian reluctantly opened the door and walked into the living room.

Seeing that at noon, his parents and aunt were all there, and he was a little speechless, "I said you... can you calm down! Is there another woman who came to say that she is pregnant?" I am responsible for my seed?"

Mo Lingtian sat down on the sofa, "Excuse me, are the chromosomes inherited from my grandfather so easy to get? They are so beautiful!"

The three generations of the Mo family are single-handed, and everyone in the circle knows that the second elder of the Mo family is eager to seek a son,

so many women tried to fish in troubled waters before, but unfortunately all of them were proved to be false in the end.

Mo Lingtian is indeed very cautious in this regard, so he is still very confident about it.

Mo Jianzhang kicked him down, "You ba5tard, kneel down! This time, your aunt found you by accident. It wasn't someone who came to the door, and could you be wronged?"

Mo Lingtian has long been used to this posture, and he cooperated very well. He knelt down in a hurry, "Auntie, tell me, what is the woman's name and her surname, and you ask her to come and confront me!"

"Because of you brat, I have already violated my professional ethics, and now you want me to reveal the patient's \*\*? You still want to confront someone face to face! You are so beautiful! The girl came to me directly to have an abortion! Which one? A good girl would rarely confront an irresponsible sgumbag like you! If it wasn't for you, I would agree with both hands and feet that the girl beat the child, and then start a new life!"

Kang Shuhui immediately grabbed Kang Wanru's hand, "You can't do it! Wanru, don't be angry with this ba5tard! Thank you so much this time!"

Mo Lingtian squeezed the center of his brows, "What's going on, even if it's death, let me die to understand it? I really didn't mess around outside!"

The second elder became angry when he said that he would not mess around outside, they glared at him, and then asked Kang Wanru to tell the general story of the matter again.

Listening to his aunt's words, Mo Lingtian's originally lazy and indifferent expression gradually became serious, and he put his hands on his forehead, as if he was thinking hard about something...

"Ling Tian, did you remember something?" Kang Shuhui asked nervously.

Time passed bit by bit...

There was a dead silence in the living room, no one dared to speak out...

When Mo Lingtian raised his head again, there was a calmness on his face that seemed to be broken at the touch of a touch, and under that calmness was great anxiety and panic. He looked at Kang Shuhui and asked slowly, "Auntie, that girl In the name...is it..."

Mo Lingtian took a deep breath, and then continued: "Is there a word that is the same as my name?"

Kang Wanru thought for a while, then her eyes lit up, and she nodded immediately, "Yes, yes, yes! There is one word in your two names that is the same! It is the word Tian!"

Mo Lingtian... Ning Tianxin...

In an instant, the calmness on Mo Lingtian's face was shattered...

Mo Jianzhang suddenly said with a dark expression, "Why, do you remember? Is the child in the girl's belly yours?"

Mo Lingtian wiped his face, then stood up quickly, and rushed out the door without saying a word...

"Ling Tian! Ling Tian...where are you going..." Kang Shuhui chased after her anxiously, but Mo Lingtian had already run away like crazy.

Kang Wanru gave a "tsk" and said, "Needless to say, judging by the reaction, it must be."

## Chapter 1334

"What is Ling Tian going to do, isn't he going to force that girl to beat the child?" Kang Shuhui asked anxiously.

Mo Jianzhang immediately picked up the phone, "I'll send someone to stop that kid!"

Kang Wan couldn't care less at this moment, and hurriedly said, "That girl's name is Ning Tianxin! Brother-in-law, hurry up and find out where you live!"

"it is good!"

...

At the same time, Ning Tianxin's residence.

in the kitchen.

"Selena, how did you know Mo Lingtian?" Ning Tianxin asked.

"He's a friend of a friend of mine..." Selena answered casually, while rummaging through boxes and cabinets with her head buried. As soon as she finished speaking, she rummaged out a shiny fruit knife.

Ning Tianxin looked at the knife and swallowed, "Selena, you know me. In fact, I never planned to get married and have children. It doesn't matter to me whether I can get pregnant again..."

"No...it's too small..." Selena didn't know if she heard Ning Tianxin's words, she rummaged through and found a long strip-shaped meat cleaver that was twice the size of the fruit knife just now, and stretched it out. He flicked a finger and muttered, "It's still too small..."

Ning Tianxin: "..."

At this time, there was a knock on the door outside the door.

"I'll go and open the door." Ning Tianxin said to Selena, then hurried to the entrance to open the door.

Who will come over at this time?

When she opened the door and saw the person outside, Ning Tianxin's expression changed instantly, and it took her a long time to come to her senses, "Ling... Ling Tian... why are you here?"

And still in such a hurry...

Mo Lingtian was sweating profusely, gasping for breath, resting one hand on the door frame next to Ning Tianxin, staring at the girl's expression as if piercing rays...

Seeing this, Ning Tianxin frowned.

Did he know something?

No... Impossible... She just found out about her pregnancy, and no one except her and Selena knew about it...

Ning Tianxin quickly dismissed the guess in her mind, and then calmed down, "Ling Tian, what do you want me to do? I'm really sorry, there are guests at home, so it may not be convenient to invite you in..."

Oops!

Selena is still inside, that girl is getting angry, if she sees Mo Lingtian, she doesn't know what to do...

Ning Tianxin just wanted to send Mo Lingtian away quickly, so he hurriedly said, "If it's not something urgent, can we talk about it another day?"

Mo Lingtian stared at the girl's expression, trying to see a flaw, but in the end he didn't see anything.

She was pregnant with his child, and now that she saw him, wouldn't she have nothing to say? How could there be such a nonchalant attitude?

Could it be that my aunt made a mistake?

Mo Lingtian's heart was pounding. If this matter is uncertain today, he would definitely not feel at ease, so he tentatively asked, "Is there nothing you want to tell me?"

Ning Tianxin felt that Mo Lingtian would definitely not know about her pregnancy, so she didn't think about it at all, and asked with a confused face, "What are you talking about?"

Mo Lingtian stared at her stomach, "Are you pregnant?"

This sentence was like a blow to the head... It knocked Ning Tianxin dumbfounded, so Ning Tianxin murmured reflexively, "How do you know..."

## Chapter 1335

How could Mo Lingtian know about this! ?

As soon as Ning Tianxin finished speaking, Mo Lingtian was completely stunned, his eyes filled with despair and panic, "So it's true...you're really pregnant! Was it the time I got drunk?"

Seeing Mo Lingtian's extremely ugly face, Ning Tianxin's heart suddenly shrank.

Although I knew that he would react like this, but when I actually faced it, I was so heartbroken that I almost couldn't breathe...

Ning Tianxin's body trembled slightly, and she didn't know where she got the power from, so she forced herself to speak calmly, "Ling Tian, what are you talking about? How is it possible! I don't know how you know about this , but...the child has nothing to do with you..."

"It has nothing to do with me?" Mo Lingtian said with a pause, "Do you know who the obstetrician and gynecologist who saw you today? That's my aunt! She heard the conversation between you and your sister... .."

Now, Ning Tianxin was really dumbfounded.

She could never have imagined that there would be such a coincidence...

That doctor turned out to be Mo Lingtian's aunt?

She carefully recalled the doctor's attitude before and after, and it seemed that there was indeed something unusual...

"This... such a coincidence..." Ning Tianxin bit her lip and continued, "Then your aunt probably misunderstood. At that time, I had some quarrels with my cousin. My cousin misunderstood and thought that the child was a child." Yours, so I want to talk to you..."

Mo Lingtian looked at her: "You mean, it's not mine?"

Ning Tianxin: "No."

Mo Lingtian gritted his teeth, "Okay, it's not mine, then tell me whose it is!? The time you were with me was your first time!"

"I..." Ning Tianxin was forced by Mo Lingtian to take a step back...

Just as Mo Lingtian continued to press with a gloomy face, a gloomy voice came from behind Ning Tianxin...

"The child in her belly belongs to me! Why do you have any objections?"

As soon as the words were finished, Mo Lingtian saw a girl walking out from the shadows with a murderous look on her face and holding a huge kitchen knife in her hand.

What surprised him the most was...

This... this girl turned out to be...

"You... little... little white rabbit?!"

At this moment, Selena had already taken off her disguise wig and black-rimmed glasses, so Mo Lingtian immediately recognized that the person in front of her was Daniel's little white rabbit.

The little white rabbit was holding a kitchen knife in his hand and staring at him eerily, it was frightening to death...

"Oh, there is a way to heaven and you don't go, but there is no way to hell and you just barge in... Mo Lingtian! Suffer to death..." Selena raised her kitchen knife and slashed at Mo Lingtian as she said.

"Ahh-" Mo Lingtian ran away, "Dmn! What's going on! Selena, are you crazy?"

Why did Selena appear at Ning Tianxin's place?

no... no...

Selena... Ning Tianxin... are all surnamed Ning...

fcuk! Say hello to the dog! Could it be that Ning Tianxin's cousin is Selena?

How the hell is there a way to heaven if he doesn't go, but there is no way to hell to break in...

One must know that Selena is here, even if he is killed, it is impossible to come here!

Those who didn't know thought she was a little white rabbit, but Mo Lingtian, who had seen her toughness countless times, was going crazy right now.

Now he can only be thankful that she is holding a kitchen knife instead of a gun...

"fcuk! Mo Lingtian! If you're still a man, stop!"

"Selena, calm down, let's talk if you have something to say..."

"Speaking of your sister! Go to hell, ba5tard! Even my wife dares to touch!"

"Ah! Dmn! You are serious!"

"I'll give you three seconds to say goodbye to your little brother, sgumbag!"

...

## Chapter 1336

I didn't expect things to turn out like this, Ning Tianxin was very anxious beside her, "Selena, stop! Don't chase after me! This is too dangerous! Selena..."

Helpless, Selena could no longer hear what she said at this moment.

Ning Tianxin was really afraid that the two of them would be hurt like this, so she rushed over in a hurry, trying to stop them from continuing to fight...

The two of them didn't expect Ning Tianxin to rush over suddenly, and accidentally bumped into her while avoiding it, and Ning Tianxin's body fell behind her.

Selena was almost out of her wits, and Mo Lingtian was also scared to pee. The two stretched out their arms at the same time, and fortunately they stabilized Ning Tianxin's body in time...

Selena stared at Ning Tianxin's stomach in panic, "Dmn it! I almost hurt my baby!"

Mo Lingtian's head was full of black lines, "This is clearly me..."

Selena glanced over coldly, "Huh? What do you want to say?"

Mo Lingtian: "It's nothing, nothing... that's right... your baby... your... everything you say is right..."

Selena snorted, and then carefully helped Ning Tianxin inside.

in the living room.

Selena was sitting on the sofa with her legs crossed, while Mo Lingtian was sitting far away in the corner of the sofa opposite.

Ning Tianxin brought two cups of scented tea to the two of them, and was relieved to see that Selena had calmed down.

Mo Lingtian frowned and looked at Ning Tianxin, "She...is she really your cousin? k!ss?"

Ning Tianxin nodded, "Yes."

"Dmn it, why didn't you tell me earlier!" Mo Lingtian broke down.

There was a loud "bang", and Selena on the opposite side slapped the coffee table, "Why are you talking to my sister!"

Mo Lingtian swallowed suddenly, "No... I mean... I told me earlier, so I was mentally prepared... No, I was shocked..."

Ning Tianxin didn't say anything when she heard the words. In fact, she had mentioned Selena, her cousin, and even mentioned Selena's name, but he never remembered or took it to heart...

Selena picked up the kitchen knife, "Dmn, you dare to question my sister, who gave you the courage! Did she rape you while drunk? Was she trying to get pregnant? If she hadn't stopped me, I would have I hacked you in the hospital!"

Mo Lingtian knew he was in the wrong, and hurriedly avoided the blade, "My fault...it was because I had a bad attitude just now...I was just too anxious to figure it out..."

"What did you do yourself that you don't know?"

"It's clear now..."

Selena slapped the kitchen knife on the coffee table, "Tell me, how are you going to solve this matter!"

As soon as the voice fell, the atmosphere in the living room suddenly cooled down.

In the end, it was Ning Tianxin who spoke first, "Selena, I want to chat with him alone."

How could Selena rest assured that Ning Tianxin was alone, but Ning Tianxin's attitude was very firm, so she had to give Mo Lingtian a warning look with murderous eyes, and then stood up reluctantly, "Call me if you have something to do."

Ning Tianxin glanced at the girl gratefully, "Yes."

After Selena left, the living room became silent again.

After a while, Mo Lingtian said awkwardly, "Why didn't you tell me?"

Ning Tianxin didn't speak.

I don't know how long it took, Mo Lingtian finally took a deep breath, looked at Ning Tianxin, and said in one breath: "Tianxin, this matter...is my fault...I'm sorry...I'm really sorry! I know that It's useless to be sorry ten thousand times! I know that as a man, I should take responsibility, and I know that what I said next is shameless, but I'm sorry, I can't have this child..."

## Chapter 1337

Ning Tianxin smiled lightly, "I didn't tell you because I didn't want to hear this with my own ears!"

Mo Lingtian was taken aback for a moment, and was immediately speechless.

"Ling Tian, you don't need to say anything. I know you don't like me, and I know you have someone you like. I was planning to kill the child, but it was just an accident. There is really no need to make such a mobilization. Or are you worried? Will I use my children to force you to marry me?"

"No! I didn't mean that!"

If Ning Tianxin made a hysterical fight with him, if Ning Tianxin really did this, maybe he would feel better, but it was because of her that it made him feel even more uncomfortable...

Mo Lingtian held his head, his face full of pain, "If it was another woman, I might give her a sum of money, but Tianxin...I...I really don't know how to face you..."

Ning Tianxin smiled, "I'm very grateful that you didn't say you would give me a sum of money, Ling Tian, you can go back, it's really not a big deal."

"I..." Mo Lingtian wanted to say, when the time comes to accompany her to the operation, but he couldn't open his mouth. It was as if he was worried about her and forced her to have the operation, although at the moment he What is being done is such a cruel thing.

"Go back, I will change to another hospital later..." Ning Tianxin sighed.

Finally, Mo Lingtian stood up and left silently.

Almost the moment Mo Lingtian had just left, Ning Tianxin's tears fell instantly.

Hearing the sudden silence outside, Selena came out.

As soon as she came out, she saw Ning Tianxin looking at the door and weeping silently. She was so distressed that she almost wanted to fly the kitchen knife in her hand out of the door...

You don't need to think about it to know what the result of the two people's talk is...

"Sister Tianxin, are you really going to let him go just like that?"

"Selena, stop talking, I've already made up my mind...I want to be alone for a while..."

Selena didn't know what to say, so she could only hug her and leave, leaving her alone for a while.

If it was those sgumbags in the past, Selena naturally had a hundred ways to deal with them, but in the current situation, Sister Tianxin loved this guy to the

bottom of her heart, and she didn't even want to embarrass him with this kind of thing.

She, an outsider, can't intervene in emotional matters.

What's more, she was almost too busy to take care of herself.

After leaving Ning Tianxin, Selena returned to Taohuawu.

Sitting in a daze from noon until the sun was setting...

I can't remember how long it's been since I felt this way, the thing that she had intentionally forgotten and buried deep in the dark broke free like a giant beast, like a huge mountain pressing down on her body like a shadow, tormenting her so much that she didn't have a moment to breathe room...

The sky outside the window had completely darkened. Selena got up quickly, went into the room to change into men's clothing, and then called Karl, her tone was relaxed, and she couldn't hear anything unusual, "Second Senior Brother! Come out and prostitute!"

"Cut, don't flirt! I won't flirt with you either! Ever since you fell in love, it doesn't make any sense to go out with you!" Karl's tone on the phone was very disgusting.

"Come on, come on... wait for you..."

...

Bar No. 8.

Under Selena's hard work, Karl finally came.

However, this time, not long after, Karl really regretted coming.

It wasn't because Selena just sat around like before, didn't even drink much, and was bored to death, but because...

Dmn, this girl is over the top!

## Chapter 1338

"Hi...Second Senior Brother..." After Selena came, she greeted him and started drinking without saying a word.

By the time Karl came to his senses, this girl had already drank three bottles of whiskey in a row and was on the fourth bottle...

Karl's eyes widened, "I'll go! What's going on?"

After drinking the fifth bottle, Selena ran straight towards the male singer who was singing, and grabbed the microphone from the man's hand...

The people in the audience who were originally in a lively atmosphere suddenly booed, "Hey! What are you doing!"

"Where are the security guards! Get out and get out!"

"fcuk! What are you doing! It's hard to wait until Kevin is on stage today!"

...

Selena directly kicked the male singer named Kevin off the stage, even the security guard was kicked off, and then she changed the song "whattakesyoubeautiful" for herself...

In the entire nightclub, the sound of exciting and dynamic music suddenly sounded...

"Baby, only you can light up my world

...

There are more and more people in the bar, more and more, and finally there is almost no place to stay. Many people are directly standing on the table, and many people are rushing in from the outside...

Karl, who was almost squeezed into a pie in the audience, was stunned, "Dmn! Is the dead girl crazy?"

Even if she wasn't afraid of Daniel, wouldn't she be afraid of being recognized?

The more Karl thought about it, the more strange it became...

what happened?

Could it be... a breakup?

Otherwise, he really couldn't think of any reason why this girl would let herself go so recklessly tonight...

"Baby, only you can light up my world

You are so beautiful that I am fascinated

I can't express how beautiful your smile is..."

No matter how Karl winked at Selena from below, Selena didn't respond at all, his voice was completely drowned out by the deafening music and screams...

On the stage, when Selena was flirting with all her ults, she almost drove the girls crazy, and even the men went crazy...

Karl couldn't remember how long he hadn't seen Selena in this state. When he first met her five years ago, it was very common...

Seeing that the situation was getting out of control, and even the reporters had started to rush over, Karl had no choice but to sneak through the crowds

with agility, squeeze to the innermost floor, jump up onto the stage, and pull After getting up, Selena ran towards the back door...

Nima! Fortunately, my brother is good at it!

Tang wasted all his strength and finally led Selena away from the bar. He looked at the person in front of him with a dark face and yelled, "Dmn it! Before you go crazy, you should give me an omen anyway?"

## Chapter 1339

"Nimma! Before you go crazy, at least give brother a sign, okay?"

Hearing Karl's furious roar, Selena plucked her ears, nodded drunkenly, "Oh good..."

"Let's go! What are you looking at?" Seeing that Selena hadn't left, Karl followed Selena's gaze and saw a group of men riding motorcycles surrounding a pretty little girl.

"Beauty, let's go for a drive with brother!"

"I... I won't go! My friend is waiting for me inside..."

"fcuk! What kind of male singer are you looking at again? What's so interesting! Come with brother, I promise to make you feel good tonight..."

"Ah! Let go! Let go..."

...

"My little ancestor, I'll call the bar security to deal with it later. Don't cause trouble, okay? I finally got you out! If you don't leave, the reporters will chase you!" Karl was really worried.

Selena: "Three...two..."

"Huh? What three-two, what nonsense?" Karl couldn't even understand what she was saying.

"One!" As soon as Selena said "one", she ran like a rabbit to a man riding a motorcycle not far away, kicked the man off, and then ran away on the bike.

Karl: "..."

Nima's "three two one" is counting down to give him a sign and prepare for him?

I really thank you!

The man who was kicked down by Selena didn't know that the car was robbed when he flirted with his sister, and he was furious, "fcuk! Where did you come from! How dare you steal my car!"

"Brothers chase!"

"Chase!"

...

Selena was also really good at causing trouble. There were about a dozen people who robbed the pedestrians, all of them were vicious, and they all rode the kind of motorcycles that were expensive and heavy at first glance. Selena chased after him.

Karl had no choice but to continue to clean up the mess, snatched one of them's car, and quickly chased the crazy Selena...

Who told him to still have a salary as a bodyguard!

This job is simply not human!

Soon a group of people ran away without a trace, leaving only the little girl who had just been caught by the group of speeding gangsters standing there with a dazed expression...

Uh, is she delusional? Why did that person look so much like Karen just now?

...

Karl judged by his keen intuition that had allowed him to avoid danger many times... Tonight, he would definitely not be able to deal with Selena by himself, so he resolutely rode his bicycle and stared at Selena who was driving faster and faster. He called Daniel urgently, "Hey! Boss, your Selena is crazy, this little devil! It's like a wild dog running loose! If you don't let go of the rope, I really can't hold it anymore! !!"

"Where is it?" On the other end of the phone, Daniel asked directly in a icy voice without saying anything.

"In... I only know where I am at this second, but I don't know where I am at the next second! I'm moving at high speed! It's roughly on the road from Feilong Bay to Death Valley where the bikers often come... I won't tell you anymore, I'm about to lose track! Come here quickly, sir!" Karl hung up the phone in a hurry, and hurriedly caught up with the smaller and smaller shadow in front of him.

When Karl finally caught up with Selena and the group in front, the dozen or so vicious little gangsters had already been beaten to the ground by Selena.

Don't let people go after beating up...

Selena squatted in front of those people, "I'm going to ask you a question, and those who answer correctly can leave..."

## Chapter 1340

"What's the question, I'll answer it!" The punks who had been beaten up suddenly changed their attitudes when they saw that Selena was not easy to mess with.

Selena casually pointed to one of the yellow hairs: "Do you have a girlfriend?"

"No, no..." Huang Mao shook his head blankly.

Selena beat her up immediately, "You don't even have a girlfriend!"

Huangmao: "..."

Selena pointed at a red-haired man again, "What about you, do you have a girlfriend?"

"Yes, yes, yes! Yes!" Hongmao nodded repeatedly.

Selena regained her spirits immediately, knelt down in front of the red hair, and asked, "Then let me ask you, if your girlfriend hides something from you, will you break up with her?"

Hongmao thought for a while, "Well, I think the most important thing for two people to be together is sincerity. If my girlfriend hides from me, I probably will break up!"

As soon as the voice fell, he was beaten violently.

Red Hair: "..."

"Whoever has a girlfriend, raise your hand!" Selena roared angrily.

Where there are still people who dare to raise their hands, they all shrink back and dare not speak.

Selena: "Whoever doesn't do it will be beaten!"

Immediately all hands were raised again...

Selena casually pointed to a bald head, "What about you, if something happened to your girlfriend, you might not be able to accept it, even though she had vaccinated you from the beginning, even though you said you didn't care about her at the beginning. In the past, but when you really know what this matter is, will you break up with her?"

The bald head couldn't understand what Selena was saying, but because of the experience of the previous few, he said decisively: "That must not be the case! Sir, if you break up because of such a trivial matter, you can still be a man." ?"

As a result, as soon as the words fell, there was another beating, "Who do you say is not a man!"

Bald head: "..."

In this way, almost all the punks were beaten up for various strange reasons...

They figured it out, this person didn't want to ask questions at all, she just wanted to hit someone...

"Brother, which path are you on? What do you want! Can you please let me go?" The bald man was about to cry.

Not far away, Karl saw this scene as soon as he arrived, and he couldn't bear to watch it any longer, "Boy, you're almost done! Let them go! They're all pitiful!"

Everyone immediately nodded and looked at Karl gratefully, with a look of asking for help.

Then, Karl was beaten...

Looking at Selena who beat up even his own people, everyone's expression:  
"..."

It's too late... Where did the devil king of the world come from?

"fcuk! Are you really crazy?" Karl and Selena immediately fought together.

During this period of time, under his training, Selena's skills have improved a lot, and the two of them passed more than ten moves in an instant...

That girl didn't know where she got her strength, after drinking so much wine and tossing around for most of the night, she was still so energetic, she could go up the mountain to fight tigers, and go down to the sea to draw dragons.

Karl had no choice but to fight with her. What happened to this girl?

Seeing this, a few punks wanted to take advantage of the chaos and escape, but the result was undoubtedly another fat beating.

The scene was chaotic...

At this moment, a low-key and luxurious black Maybach quietly stopped not far ahead.

Two rows of car lights illuminated the road ahead, and I saw a young man stepping on the back of a bald head, five big and three gangsters with roughly dyed colorful hair were crying and howling begging the young man to let them go, the scene was very miserable...
