## Chapter 1341

The car door opened, and a man in a black suit with a frosty face stepped down and walked straight towards the chaos not far away.

When Karl saw Daniel from the corner of his eye, he burst into tears of joy, "I'll go! My boss, you're finally here..."

And Selena obviously noticed Daniel too... The person who was about to give birth to his wings and fly into the sky suddenly stopped his movements and stared blankly ahead.

Accompanied by the sound of steady footsteps that are very familiar...

Against the light, the man walked towards her step by step...

As if space was frozen and time was still, the girl stood there motionless, staring blankly at the figure walking towards her, until the figure came up to her.

Two people stand opposite each other.

The girl stared straight at the man in front of her, and then slammed her head on the man's chest, wiping off the wig on her head, revealing her long black hair.

In the next second, there was a muffled moaning voice from the girl on the man's chest, "It hurts..."

The man's face suddenly changed, "Where is the injury?"

Aggrieved and trembling, the girl raised a finger. There was probably a red blood stain on the finger, "Hand pain..."

The punks who were beaten up to the side with their noses and faces bruised and swollen: "..."

Brother...no! Miss! Are you kidding me?

Daniel frowned and took a look at the girl's fingers, "Get in the car and I'll help you."

What's the deal with it? Hey! A small injury like a needle prick, the blood might not be hers at all, but ours, big brother, look at us, take a look at us being beaten up, hey...

What broke them down even more was that the big devil was actually a woman, so many of them were beaten like this by a woman...

Selena didn't move, but sniffled aggrievedly, then opened her arms, "Legs hurt."

Daniel immediately bent down and carefully picked up the girl by the waist, and then put the girl into the car like a baby...

Karl behind him: "...Hey, hey... Lu... Boss... Is there something wrong? I asked you to come and educate her! Do you teach children like this? Huh?"

His answer was the sound of a car door closing with a "bang".

Then the door on the driver's seat opened, and Daniel's special assistant, Cheng Feng, got out of the car, walked up to the gangsters, and quickly wrote a check to them, "Do you know what to do?"

The leader's bald head glanced at the check, and then his eyes widened instantly, "Dmn it! One million!"

It was worth the beating...

"I know! Don't worry!" the bald head echoed repeatedly.

Not long after, the police car that was chasing after just now also came after them. Those gangsters took the money, so naturally they were very polite and refused to mention Selena's matter, saying that it was themselves...

Karl on the side: "..."

He doesn't want to say anything anymore...

Well, I didn't even say a serious word when I caused trouble, and I helped to deal with the aftermath...

Very good, this is very Daniel!

He finally knew why this girl was so lawless!

At the same time, he finally knew that the reason why Selena restrained herself around Daniel was entirely because she wanted to, and she was willing to change for him, not because Daniel restricted her from doing anything.

On the contrary, when she was by Daniel's side, she could always be herself.

Karl looked at the vast night not far away, shook his head and sighed, "Look at this number, the surname Yun...Your loss...is really not wronged at all!"

## Chapter 1342

Platinum Palace.

Selena was alive and well when she was outside, but after being brought back by Daniel, all her strength was drained and she didn't even want to move a finger.

Daniel carried the girl out of the car, carried the girl upstairs, carefully put her on the bed, helped her take off her coat, and immediately went to check her body for any injuries.

Fortunately, she was obedient this time. No matter how others were beaten, she didn't have any injuries on her body, and her round and white fingers were also intact. The blood on her fingertips just now probably wasn't her blood...

As a result, Daniel lost even the slightest bit of anger.

Well, very well behaved.

Selena withdrew her finger that was checked by the man, held the man's face, and hummed indistinctly, "Baby, only you can light up my world...you are so beautiful that I am fascinated reverse..."

After finishing speaking, he leaned towards the thin and alluring lips of the frivolous man...

Daniel turned his head slightly to avoid it, with a serious expression: "Tell me, what's going on."

Although Selena was impatient and impulsive, she was very principled and knew what not to do, especially what she cared about the most was her work. If something hadn't happened, she wouldn't have done what happened tonight...

Unless, she herself can't restrain her behavior.

And what would cause her to lose control to such an extent...

Selena buried her head in the man's arms, she didn't know if it was because she missed his arms, or because she wanted to avoid his eyes, "I'm in a bad mood..."

"Why are you in a bad mood?"

"Because... because of Mo Lingtian..."

"Huh?" Why did it involve Mo Lingtian?

"He bullied my sister and made my sister's belly bigger and irresponsible!"

"Ning Tianxin?"

"Hmm..." Selena nodded dully as her head became heavier and heavier.

"elder brother—"

At this time, the door was pushed open with a bang, and Saul stood at the door. He was stunned when he saw the two people inside, "Ah, Selena has been captured by you! So fast!"

In Daniel's arms, the girl was so exhausted that she closed her eyes and fell asleep.

Daniel signaled Saul to be quiet, helped the girl to lie down, closed the door and walked out.

Downstairs living room.

"I'll go! Brother, Selena has been stimulated by something tonight. Take a look at what she has done in this short night...the city is full of trouble..." Saul immediately clicked on a video for Daniel to watch .

In the video, there is a picture of Selena kicking a male singer at a bar and running to sing. After fast forwarding, there is a blurred picture of Selena grabbing a car and racing fast...

These videos spread all over the Internet in just a few hours, but now Daniel sent someone to clean them up, and Ling Zhizhi also responded quickly stating that the person tonight was not Selena...

In short, the entire Internet is going crazy, and Shengshi's PR department has been busy all night...

Since Selena joined the company, she has been conscientious and conscientious. It is not an exaggeration to say that she is a model worker. Saul is very relieved.

But now, Saul realized that he was too naive, "Little Xixi is too ruthless! If you don't sing, you will become a blockbuster, so give me such a big one..."

"Take care of these things before she wakes up tomorrow morning." Daniel instructed with a blank face, in a tone that wouldn't let his wife see upset when she woke up.

## Chapter 1343

"Take care of these things before she wakes up tomorrow morning." Someone said in a tone not to upset his wife after waking up.

"Got it!" Saul resigned himself to being physically and mentally abused.

Afterwards, Saul thought of something, his eyes lit up and he said, "Ah, brother, do you know? Besides Selena, there is also a big gossip tonight! That little Mo Lingtian of yours! , didn't you always have a crush on Guan Ziyao before? Uh, well, he's already been in love..."

Daniel was about to go upstairs to accompany his wife, but when he heard "Mo Lingtian", he couldn't help but stop, and frowned slightly.

Saul continued, "That guy has always defended himself like a jade for Guan Ziyao, but this time he stumbled and accidentally enlarged a girl's belly. The

whole Mo family is forcing him to marry his son tonight! Of course Mo Lingtian refused to do so. Said that it was not Guan Ziyao who would not marry, causing the whole Mo family to be bloody... Tsk tsk tsk... Although you really love Guan Ziyao, you can't deny it, right? What about the innocent pregnant girl? I don't know which girl is so unlucky..."

Combined with Saul's words, Daniel basically understood what Selena said just now.

That girl must be Selena's cousin, Ning Tianxin.

Selena said she was in a bad mood...just because of this incident?

After sharing the gossip, Saul went to work refreshed.

Daniel went upstairs to Selena's room with a gloomy complexion, and was stunned as soon as he opened the door...

The place that originally belonged to him was already occupied by a white and soft little bun. The little guy was clinging to Selena's arms, sleeping soundly, and he didn't know when he came here.

Hearing the footsteps at the door, the little guy opened his eyes vigilantly, staring at Papa walking towards the bed.

Daniel sat on the edge of the bed, looked at the girl who was sleeping soundly while hugging the bun, lightly stroked the girl's hair, and then rubbed his son's head, "Be good with your mother."

The little bun puffed out his cheeks, and slipped back into Mama's embrace, with a small expression on his face.

After a while, Rick blinked, a trace of melancholy appeared on his soft, white and tender face, he raised his head to look at Daniel and said, "Mom is not happy?"

Children are the most sensitive. Even though Selena was asleep, she seemed to have sensed that her mother was in a bad mood.

Daniel nodded, "Yes, Mom is in a bad mood."

Rick immediately asked with a serious and nervous face, "Why?"

Daniel: "Because I haven't done well enough."

Rick frowned: "Rick is not good either."

Rick wants to be better...better...so that mom won't be unhappy...

"Little Treasure." Daniel looked at his son with serious eyes, "Remember, although Selena is not your real mother, since you called her mother, she will always be your mother. It is also the only one, from now on, no matter what happens, this point will never change, do you hear me clearly?"

Rick yawned lazily when he heard the words, curled his lips indifferently, and lay back in Ma Ma's arms, murmuring indistinctly, "It's Rick's mother..."

A domineering tone of "No, yes, I say yes", very much like his father.

The corners of Daniel's lips curled slightly, and he pressed kisses on one big and one small forehead respectively, "Good night."

## Chapter 1344

A round of morning sun rose slowly, and it was the next morning in a blink of an eye.

Today seems destined to be an unusual day...

Looking at the newspaper, almost every article is big news.

"Qian Caidong, Director of the Public Security Bureau of the Imperial Capital, was arrested and imprisoned for corruption and bribery", "Qian Caijun's capital chain is broken, and Qian Caijun may go bankrupt", "Huaguo's strongest dark horse Yilan venture capital sweeps the business storm, mysterious investment Crowded and deep in the Forbes list at the speed of light"...

In addition to the social edition and the financial edition, the most lively one is the entertainment edition.

"Director Guo Qisheng's super ip fantasy drama "Nine Heavens" is about to launch, two heroines duel with big names gathered", "Susie, the No. Xi"...

Because of the aftermath of "Dream Seeker", Selena's gossip received a lot of attention, on par with Susie's. Even though Saul's side had been working all night, it was still the focus of everyone's attention this morning. At this moment, public opinion has been reversed...

In the TV screen of the morning entertainment, a reporter is interviewing a pretty girl:

Reporter: "Miss Li, are you the girl who saw Selena kick someone and steal a car in the video last night?"

Girl: "What! You reporters, please stop talking nonsense, okay? The video is so blurry, how on earth did you recognize that it was my Karen? I was so close at the time, and I knew best that that person was older than my Karen. They don't look alike at all, except for a slight resemblance in profile, he's not one-thousandth as handsome as my Karen, okay? My Karen is as beautiful as a single strand of hair..."

Reporter: "Alright, alright, miss, we've made it clear."

Girl: "What do you know! Listen to me, okay? The beauty of my brother's hair can kill that person in seconds! I know that my Karen is very popular now, but some people can't black her so much. Right? Karen is a public figure, and now

is the most important period of rising, how could he appear alone on such an occasion as last night..."

In the end, a good interview turned into a stand-up speech for Selena's fans...

Coincidentally, some of the other interviewees present at the time were similar to this girl.

Some of them were arranged by Saul, however, many of them said so spontaneously.

Because many of these people were Selena's fans, subconsciously out of the psychology of defending their idols, they all said that it was absolutely impossible for that person to be Selena last night.

Subconsciously, the loyalty of Selena's fans has begun to increase...

In short, after one night, last night's ups and downs have been attributed to an oolong.

Shengshi Entertainment has been busy all night, and Empire Entertainment has not been idle because of Susie's sudden rumor.

For Susie, who had always positioned herself as a "white rich beauty" and a "winner in life", if the title of "wealthy daughter" collapsed, her entire image would suffer a devastating blow.

Not to mention Empire, the Ning family is most anxious.

The Ning family held a press conference overnight. Ning Yaohua and Zhuang Lingyu attended together. They firmly denied the rumor and said that they would pursue the legal responsibility of the rumor maker.

At the same time, in order to divert everyone's attention, the Ning family said at the end of the press conference that a big news will be announced soon!

## Chapter 1345

Everyone speculated that the news was probably about the marriage of the Ningsu family.

Susie and Roman are finally getting married?

If the Su family would still marry the Ning family, then in a sense it would automatically break the previous rumor that Susie was an adopted daughter. Otherwise, how could the Su family be willing to let their heir Roman marry a rural adopted daughter?

The sun is slowly rising, and the sky outside the window is getting brighter...

In the Ning family's old house, in the study, Ning Yaohua stayed up all night.

There was a knock on the door, and Zhuang Lingyu came in with a bowl of soup, "Yaohua, eat something!"

Ning Yaohua looked at his wife and let out a long sigh, "Lingyu, tell me... how about I give Susie 15% of my shares?"

Zhuang Lingyu's eyes lit up immediately, "Yaohua, have you finally figured it out?"

Ning Yaohua didn't say a word, he didn't need to think about it, he had only one way to go now.

Originally, he had planned everything, to get the 10% shares in Selena's hands. He is the largest shareholder of Ning International. Ning Yaobang and Ning Qitong were simply not worthy of his attention at all. Even if Selena could say a word for him at the reception that night, he could get a billion investment...

But now, everything is ruined.

Selena, that Dmn girl, was she really born to restrain him?

Ever since she returned to China, he has been unlucky!

Seeing him like this, Zhuang Lingyu hurriedly said, "There was nothing to consider about this matter, as long as the shares are given to Susie, everything will be settled! Can you still not believe in Susie? Yaohua, hurry up Make up your mind, I saw Susie packing up her luggage secretly last night, do you really have to wait for Susie to leave before regretting it?"

After a long silence, Ning Yaohua finally said, "Go and call Susie over."

"Okay, I'll go right away!"

Fearing that something might happen again, Zhuang Lingyu quickly went to call Susie to the study.

Susie looked at Ning Yaohua's tired face, lowered her head, and blamed herself, "Dad...you didn't sleep all night? I'm sorry...I'm the one who caused you trouble..."

Zhuang Lingyu looked at her daughter with a very haggard face with distress, "How could it be your fault? That girl did all of this! It should be said that it is lucky to have you! Otherwise, I will be with you Dad really doesn't know what to do!"

Ning Yaohua looked at the daughter in front of him, and sighed, "Susie, Dad has put everything on you now, you must fight me, you know?"

After Ning Yaohua finished speaking, he took out a "Share Transfer Letter" from the drawer, "Susie, please sign it. After signing, the 15% shares of Ning's International in my hand will be yours."

Hearing this, Susie stared at the equity transfer letter, forced herself to suppress the light in her eyes, and asked in surprise, "Dad, what are you doing?"

Zhuang Lingyu patted her on the shoulder, "Susie, sign it."

Susie immediately became serious, "I won't sign! Dad, Mom, who do you think I am?"

Susie's voice was already crying, "I don't care what others think of me, but I absolutely don't want you to think that I'm a villain who wants to repay kindness and revenge! Father! Please take it back! I take everything from the Ning family back. Absolutely not!"

## Chapter 1346

Looking at the heartbroken look of the girl, Ning Yaohua dispelled the last trace of worry in his heart, and persuaded earnestly, "Susie, how can father not understand who you are, you must accept this share. Next, because only you can help me now! Only if you accept the shares, will the anger of the Su family have room to turn around, and you and Roman can be together. Now your aunt has a total of 20% of the shares. The shares are 5% more than mine, and even your second uncle and Tianxin have a total of 16%, I need the support of the Su family very much now, do you understand?"

Zhuang Lingyu patted Susie's hand, "Susie, you should help your father, you said just now, no matter what others think, you just need to know that your father and I will never miss you that much. ! You can accept this share!"

"But..." Susie still hesitated.

Zhuang Lingyu had no choice but to resort to her trump card, "Come on, are you really willing to leave Roman behind? It's not the same as giving you this share! Your father and I will still count on you to take care of us in the future!

You But you must not be too lazy to do stupid things, you are only allowed to stay by our side, and you are not allowed to go anywhere!"

Susie's tears fell patter, and she choked up intermittently, "Dad... Mom... Thank you... Thank you... I will definitely not let you down! I will definitely help you guard the Ning family!"

Both Ning Yaohua and Zhuang Lingyu nodded in satisfaction, "Good boy..."

In the shadows, Susie raised her chin slightly, revealing a complacent and extremely mocking smile.

Selena, do you think you can destroy me if you k!ss Ning Qiutong?

This time, it is really thanks to you making such a fuss that Ning Yaohua and Zhuang Lingyu finally vomited out their shares...

This is just the first step...

Soon, the entire Ning family will be hers...

Platinum Palace.

In the morning, Selena was awakened with a start.

She had a dream, dreaming that she was drunk, singing and flirting with girls in a bar, and even racing and fighting...

With a "ding", a gossip headline popped up on the phone.

The headline read: "National husband Selena was surprised to sing live at No. 8 Bar of the Imperial City"...

Memories of last night came to mind bit by bit, Selena immediately wailed and covered her face, oh, it's over!

Selena quickly looked through Weibo and various portal websites, and found that the impact of this incident on the Internet was not as serious as she imagined. Husband Selena" such rumors...

Obviously, it was Daniel and Saul who managed it, otherwise it would have exploded this morning.

"Woke up."

At this time, a man's comfortable and low voice like a breeze came from his ear.

Selena immediately raised her head cleverly, looked at the person with teary eyes, "Master Boss..."

Daniel held a bowl of hangover soup in his hand, "It's okay, what happened last night has been suppressed. Drink this."

Selena took it obediently, and while sipping it, she peeked at Daniel, her little heart fluttering, "You...why don't you scold me?"

Daniel: "You're not hurt, why should I scold you?"

Selena: "Uh..."

What's wrong with this tone of voice that as long as she doesn't get hurt, it doesn't matter if it pierces the sky...

Don't do such a thing that makes people want to fall so early in the morning, okay?

## Chapter 1347

Don't always be so nice to me, okay...

The girl's eyes dimmed quickly, like glass beads that had been shattered and lost their luster.

Before the broken emotions had time to bloom, Selena quickly pinched them down and withered them, and tightly restrained them into the bottom of her eyes.

Selena wrapped her arms around the man's neck, and rubbed her head on the man's shoulder, "Daniel..."

"Huh?" Daniel liked the girl's little act of nostalgia. Xinxiang's soft hair rubbed against her shoulders, making her heart so soft that she wanted to hold the whole world in front of her.

Selena whispered softly in his ear, and sighed, "Hey, why do I like you so much... When I decided to be with you, I thought I liked you enough..."

After all, before this, she never thought that she would be with anyone in this life. If she didn't like it too much, she wouldn't be able to take that step.

"But now I realize that the love I had back then was just the tip of the iceberg, a drop in the ocean..."

At that time, when she desperately confessed to the man in front of her and chose to be with him, in fact, there was still a trace of reservation out of self-protection in her heart at that time. Can be withdrawn immediately.

But it was at this time that he realized that although the person in front of him had known her not long ago, he had completely integrated into her flesh and blood. If he wanted to leave, it would be like scraping the bones and drawing blood.

Hearing the girl's emotional confession, Daniel's heart was burning hot, but there was always a trace of uneasiness lingering in his sensitive nerves.

Selena gently hugged the man, and after a long time, took a deep breath, and said, "Daniel, we haven't dated for a long time... When are you free, let's go out and have a fling, just the two of us..."

"Available anytime." As long as it's with you.

"Okay, then I'll tell you the time when I confirm the nearest itinerary with Sister Zhizhi! When the time comes... I have something to tell you!" Selena tried her best to keep her tone normal.

"Yeah." Daniel's eyes flashed a dark light, the reason why Selena's mood was so disturbed was probably because of that incident...

After finishing speaking, Selena left the man's warm embrace, lifted the quilt and got up, "Ahhh! I accidentally became obsessed with beauty again. I have to report to the crew today, and the time is running out..."

While checking the time, Selena hurriedly put on her makeup and changed her clothes, kissed Daniel several times, and then hurried to the set.

As soon as he arrived at the entrance of the crew, he saw Xiaotao was already waiting there.

"Baby, tell me quickly, sister Zhizhi isn't angry with me, is she?" Selena asked nervously as soon as she saw Xiaotao.

Xiaotao said with a worried face, "I'm not angry at all, I'm just worried about you. The trouble happened last night and we couldn't contact you. We were almost dying of anxiety... Fortunately, the second young master turned the tide and suppressed everything with one hand. Xi Brother, have you settled the matter at home? If the Second Young Master hadn't told us, I almost really thought that person was you..."

Things at home?

Selena was stunned, thinking that this should be an excuse Saul made for her, so she nodded quickly and said, "It's almost there."

Because it was Selena's personal matter, Xiao Tao didn't ask any further questions, but she just looked at Selena with sparkling eyes and gossiped, "Karen... are you really just ordinary friends with Second Young Master? Why do I feel that Second Young Master treats you very special?" what..."

Selena twitched the corner of her mouth, "Hehe..."

Of course not just ordinary friendship.

## Chapter 1348

Today, most of the cast members who came to audition for audition are leading actors.

At present, Selena knows that Meng Shiyi is the number one female lead like her. The male lead is Louis, and the third female lead is Li Yiqing from Shengshi Entertainment...

As soon as Selena walked to the door of the dressing room, she heard sharp angry reprimands from inside.

"Hey, what's the matter with you, you are clumsy, you can't even do this little thing! Do you want to strangle our Shiyi to death with such a heavy hand? Do you know how delicate our Shiyi's skin is!"

As soon as Selena opened the door and went in, she saw Meng Shiyi sitting in front of the makeup mirror like a queen. Her female assistant was angrily scolding a girl, and her sharp fingernails were about to poke the girl's face...

Selena took a quick glance and found that the girl was Li Yiqing from Glory World Entertainment. The little girl lowered her head, her eyes were so red that she was about to cry, and she dared not speak out.

Without saying a word, Selena grabbed the finger of the female assistant who was poking Li Yiqing's cheek.

"Ah..." the female assistant wailed like a pig, clutching her finger that was almost broken, and stared at Selena, "You..."

Selena threw the man away, then sat down on the chair beside him unhurriedly, cast a sideways glance at him, "Huh?"

When the female assistant saw that it was Selena, she immediately restrained herself a lot, and rolled back to Meng Shiyi's side, with a look of being bully and fearful, daring to speak out.

Li Yiqing was surprised when she saw Selena, she didn't seem to expect that Selena would help her, and then she automatically hid behind her, with a worried expression on her face.

Rumor has it that Meng Shiyi not only has a strong backstage, but also has a Taoist background. All the artists who offended her have ended badly, so no one dares to provoke her when she is domineering in the entertainment industry.

As we all know, the entertainment industry is the fastest channel for money laundering. Almost anyone with a discerning eye knows that there must be something wrong with Orange Sky Media, which came out of nowhere. Naturally, they are very afraid of Meng Shiyi...

But now Selena, as the first sister-in-law of Shengshi Entertainment, is under the cover of the Lu Group, so even Meng Shiyi has to be cautious.

"When did our artist from Glory World Entertainment become your family's nanny?" Selena said coldly.

The female assistant muttered softly, "Isn't it just for her to help with a massage? It's her blessing to give us a poetic massage! Shameless!"

"Huh? What did you just say? I don't seem to hear clearly?" Selena drew her voice out and paused each word, but her tone was extremely cold and creepy.

The female assistant shrank behind Meng Shiyi, her face was pale, she subconsciously dared not speak.

Meng Shiyi, who had been fiddling with her nails, glanced at Selena, and said with a half-smile, "Miss Ning is so majestic!"

Selena smiled back, "Naturally not as good as Miss Meng."

At this time, the director's assistant knocked on the door and came in to let Meng Shiyi go to audition.

Li Yiqing breathed a sigh of relief, twisted her fingers, blushed, and looked at Selena gratefully, "Xi... Sister Xi... Thank you..."

In the past, when Su Yimo was around, it would have been nice not to suppress potential female artists like them, let alone help them. Therefore, after Selena came to power, they were very worried that Shengshi Entertainment would produce a second Su Yimo.

But I didn't expect... Selena would protect them like this outside, regardless of the possibility that she might be implicated, Li Yiqing was so moved that she didn't know what to do...

Even though Selena was wearing women's clothing at the moment, she still felt that the person in front of her was so handsome!

## Chapter 1349

"It's all from the same company, so you're welcome." Selena said indifferently.

Selena's approachable attitude made Li Yiqing even more grateful, she thought for a while and said, "Sister Xi, my grandfather is an old Chinese

doctor, and he is very good at massage. Would you like to press your shoulder?"

Selena smiled, "No need, you're too busy to go, don't delay work."

Li Yiqing shook her head again and again, "Don't delay, don't delay, I just finished my audition! Sister Xi, just let me press it for you, and treat it as a thank you for helping me just now, otherwise I will be too sorry!"

Seeing the little girl's enthusiastic face, Selena couldn't bear to refuse, so she had no choice but to say, "Okay then, I'll trouble you."

"Okay!" Li Yiqing immediately stood behind Selena happily, her plain hands covered Selena's shoulders, and pressed very skillfully.

The little girl looks soft and weak, but her strength is not small, she won't be limp, and she presses it with just the right amount of strength, which is indeed very comfortable.

Li Yiqing frowned while pressing, "Sister Xi, have you been under a lot of pressure lately? The muscles on your shoulders are so stiff!"

Selena lay on the dressing table and muttered, "Well, it's kind of..."

Xiaotao on the side watched Li Yiqing's movements intently, "It's really good to know this, and I will learn a little from you, so that I can help Karen in the future!"

Li Yiqing immediately said, "It's ok! I'll teach you..."

When Louis knocked on the door and came in, what he saw was a picture of someone being hugged by two girls, pinching his shoulders and beating his legs, his face was covered with black lines, "You will enjoy it..."

"Senior Jiang!" Li Yiqing immediately greeted Louis and explained, "Sister Xi helped me out just now, and I pressed her shoulders just to thank Sister Xi!"

"Okay, let's go out, I have something to tell this guy!" Louis waved his hand away.

Both Li Yiqing and Xiaotao knew that Louis had a good relationship with Selena, so they immediately ran away knowingly.

Seeing that Louis drove the two girls away as soon as he arrived, Selena raised her head a little dissatisfied, "Why?"

Louis looked at her faintly, "You're so leisurely, you're going to be careless when you're about to die..."

"What is imminent death? Can you say something nice early in the morning?" Selena said angrily.

"Do you know... who is the lead actor in our play?" Louis asked in a drawn out voice.

"Who is the second male who cares about me?"

Louis raised his eyebrows, "Are you sure? The second male is Mo Chenxiu!"

Selena immediately got up, "Are you kidding me?"

"Am I kidding you? Everyone else has already arrived! It's just outside!" Louis said while sitting on a chair, shaking his legs.

"I'll go! No way..." Selena was speechless.

As the saying goes, there is no room for two tigers in one mountain. With the positions of Mo Chenxiu and Louis, as long as they appear in a TV series,

unless it is just a friendship, they must be the male lead. The male second situation happened.

"Tsk tsk tsk, in order to chase you for thousands of miles, that guy is willing to submit to me and come to be the male second! Selena, you are dead too!" Louis sighed with an expression of watching the show.

Selena rubbed her hair with a dark face and cursed softly, "What the hell... It's already annoying enough..."

## Chapter 1350

Why can't she just calm down a little?

Seeing Selena's restless state, Louis glanced at her sideways, and said thoughtfully, "The person at Bar No. 8 last night...was you?"

Selena tilted her head and said nothing, but her expression gave him the answer.

Louis snorted, "I knew it was you!"

After speaking, he looked at her with some concern, "You... what happened?"

If it weren't for the timely and proper public relations, this incident would have ruined all the image and popularity she had worked so hard to build.

With the personality of Selena, one of the top ten model workers, she should never make such a mistake.

"It's okay." Selena obviously didn't want to talk about this topic.

Louis gave her an annoyed look, "Still hiding it with me? It's a good thing I came here to share your troubles! I'm as good as a donkey!"

Selena glanced lightly at Louis, "Not everything can be shared, there are some things that I just want to bring to the grave."

The corner of Louis's mouth twitched, "Speak humanly to me!"

Selena: "Master, I won't tell you, you bite me!"

Louis: "..."

...

After a while, Selena fixed her makeup and walked to the audition spot.

In the studio, Meng Shiyi was seen taking makeup photos.

A long silver sword, dressed in white clothes to win the snow, black hair like a waterfall, and an expression of no sadness or joy on the face, fully expressing the graceful temperament and desperation of the female one in the play, The photographers, directors and onlookers all praised it.

"Meng Shiyi is amazing! After the makeup is fixed, it's more suitable than we imagined! It's like the Nine Heavens Goddess descending to earth!"

"It's exactly the same as Leng Aoxue in the novel, book fans will have nothing to say now!"

...

Selena folded her arms around her chest, and stood aside quietly watching, her eyes shone with the enthusiasm and excitement of meeting her opponent.

In all fairness, Meng Shiyi's acting skills are indeed very good. A role with an expressionless face like Leng Aoxue seems simple, but in fact it is very difficult to act, because if you are not careful, you will be played with facial paralysis,

but Meng Shiyi has mastered the measure It is just right, and those who can achieve this step, the entire entertainment industry is also rare.

Worthy of being a double actress.

While everyone was discussing, someone saw Selena behind her who had changed into her costume from the corner of her eye, and immediately let out exclamations one after another.

At this moment, Selena was wearing a fiery red long dress with a tunic waist, a little cinnabar on her forehead, narrow and long eyes, and wanton arrogance between her brows, which formed a sharp contrast with Meng Shiyi's coldness and indifference.

"Wow! Yunhuang!"

"Selena's Yunhuang is also great! It's so emotional!"

"Selena is quite suitable for such a villain role. Meng Changge in "The World" played well. No wonder Director Guo chose her!"

...

The two heroines in the play, Leng Aoxue and Yunhuang, can be regarded as two diametrically opposed personalities and settings. One is the daughter of Xuanji Sect, the head of the righteous way, the other is the witch of the Demon Palace, one is elegant and refined, and the other is treacherous. Measurement.

The love-hate love-hate relationship between the male lead and the two women is one of the biggest highlights.

Of course, if the role of Yunhuang was so simple, Guo Qisheng would not have specially recruited Selena and claimed that it was created for Selena.

The most important feature of Selena's character is that Yunhuang has a dual personality because of her practice of magic skills.
