

Cruel Heart Lover Novel Chapter 1411

Chapter 1411

Zhuang Liaoyuan was fishing with Mr. Zhuang nearby, and when he heard that Rong Guang had called Selena to compete with him in marksmanship, both of them went over with interest.

When the two arrived, Zhuang Rongguang was happily bragging to Selena, "Sister Xi, I finally learned your trick of blindfolded shooting!"

After finishing speaking, he took out a piece of black cloth to cover his eyes, raised his gun, and aimed at the opposite target.

"boom—"

"boom—"

"boom—"

After three shots, the score was quickly reported on the scorer: 10 rings, 10 rings, 10 rings.

Selena raised her eyebrows, "Not bad!"

"Yes, yes!" Hearing Selena's praise, Zhuang Rongguang's tail almost went up in the sky, "I've already said that I'm very talented! Before, it was just that I didn't want to learn. I'm serious about myself. I'm afraid!"

"Stinky boy, if you have some achievements, you will be complacent." Behind him, Zhuang Liaoyuan said with a straight face. However, although the tone was reprimanding, his eyes were full of pride and relief, and at the same time, he looked at Selena with an expression of gratitude.

This brat in their family owes his existence to this girl.

Seeing Zhuang Zongren and Zhuang Liaoyuan, Selena hurriedly said hello, and then said with a smile, "It's really good to be able to achieve this in such a short period of time!"

Zhuang Rongguang was even more proud when he heard it, "Look, even my sister Xi said that! Sister Xi, don't talk to them! Come on, let's continue!"

The two competed for a while, and suddenly there was a childish call from behind – "Mom!"

As soon as she heard her baby's voice, Selena immediately put down the gun in her hand, turned around happily, and hugged the little guy who was flying towards her, "Good son..."

The little guy was fragrant and soft, and it felt so good in the hand that Selena didn't want to let go of it.

The old man Zhuang next to him heard the "Mom" and looked at the little guy pounced on Selena. He suddenly showed surprise, and looked suspiciously at Zhuang Liaoyuan next to him, "This child is..."

As he was talking, there was a sound of steady footsteps behind him, and then he saw a man in a suit and leather shoes who looked very similar to the little bun that Selena was holding in his arms, walking towards him.

After seeing Daniel, without Zhuang Liaoyuan answering, Zhuang Zongren had already realized, "Is this the little grandson of the Lu family?"

"Yes." When Zhuang Liaoyuan saw Daniel, his expression became serious.

This is just boyfriend and girlfriend, Selena hasn't been married yet, why does my son call her mother?

"Mr. Zhuang, Chief Zhuang." Daniel greeted the two of them.

Afterwards, he called Rick over, "Call someone."

Rick looked at Zhuang Liaoyuan, then at Zhuang Zongren, and said obediently, "Hello, Uncle Zhuang! Hello, Grandpa Zhuang!"

The little guy was sculpted in pink and jade, as cute as a white dough ball, and he raised his head and called himself affectionately, but Zhuang Liaoyuan's complexion suddenly softened a lot, and he nodded slightly.

How does he feel that this little guy is different from the last time he saw him at Mr. Lu's banquet? It seems to be more lively.

On the other hand, Zhuang Zongren already had a loving expression on his face, stretched out his big rough palm and rubbed the little guy's head, "Good boy!"

I don't know if it's because he's getting older, so he likes children so much. He likes this kid at the first sight.

Chapter 1412

Not far away, Zhuang Rongguang looked at Daniel and Daniel's little copy, curled his lips in displeasure, "Sister Xi, what kind of eyes do you have, there are so many men, why do you want to fall in love with Daniel?"

Selena raised her eyebrows, "Because he's handsome!"

Zhuang Rongguang choked, looking at Daniel's flawless face that looked like a god, but he couldn't refute it, so he said, "Why are you so superficial? He's even grown up like a baby, okay?"

Selena: "Sorry, my favorite is his baby!"

Zhuang Rongguang: "..."

What's there to like about a fluffy little steamed stuffed bun with no vibes at all?

"Sister Xi, I still think you are more suitable to be with our mighty and domineering soldier brother. I will help you pay attention when I enlist in the army. I will definitely find someone who is a hundred times more handsome than Daniel, and then I will have super good genes. What a doll who is as domineering as you when she grows up..."

Selena's unrestrained and domineering image is indelible in Zhuang Rongguang's mind. How could such a brave, wise, persevering, upright, and powerful woman like Hai Dongqing, the God of Eagles, be his goddess? Bound in that kind of old-fashioned wealthy family to care for husband and teach children!

It's heartbreaking!

At this moment, Selena's eyes were all about her precious son, and she didn't have time to pay attention to Zhuang Rongguang who was constantly thinking about it. With a gentle expression on her face, she went straight to Rick.

Seeing the little bun staring at the gun in Zhuang Rongguang's hand with sparkling eyes, he bent down and asked with a smile, "Honey, do you want to play?"

The little bun suddenly widened his big black eyes like black grapes, "Mom, is it okay?"

Selena laughed immediately, "Of course!"

Hearing that Selena agreed to let Rick play with guns, neither Daniel nor Zhuang Liaoyuan and Zhuang Zongren felt that there was any problem,

especially Zhuang Liaoyuan and Zhuang Zongren, on the contrary, they all took it for granted.

For a military and political family like the Zhuang family, Zhuang Zongren's generation grew up in the flames of war. Zhuang Liaoyuan began to give him guns as toys when Zhuang Rongguang was just able to walk. When he was three or five years old, Zhuang Liaoyuan often carried He goes in and out of places like the shooting range training range.

Zhuang Rongguang inherited the talents of the Zhuang family. He was very talented since he was a child, and he also liked firearms. Unfortunately, during that time, the political situation was chaotic and the Zhuang family was at the forefront. They were busy in various battles and neglected to discipline Zhuang Rongguang. They missed him. The most important growth period, when you want to reverse it, the way of teaching is too aggressive under impatience, almost destroying a good seedling...

Zhuang Rongguang on the side looked at Selena's tender and doting expression, curled his lips in disdain and said, "Sister Xi, you are careful to flash his little arm! Not everyone touches a gun at the age of three like my master. Can you hit ten rings at the age of five?"

..."What if I can get ten rings?"

At this time, a milky but inexplicably cold voice sounded from the side.

Zhuang Rongguang immediately looked towards the little guy who was talking, with a funny expression on his face, "Ha! You have a serious tone, little brat! Have you ever touched a gun?"

Rick: "No."

Zhuang Rongguang immediately said, "Without you, how dare you talk nonsense! If you can hit ten rings, I will call you Dad!"

As soon as the words fell, Zhuang Liaoyuan immediately stared at him coldly.

Zhuang Rongguang rubbed his nose, "Ahem...that's what it means anyway! If you can hit ten rings, you can ask me to do anything!"

Rick looked over with a cold face, and said expressionlessly: "If I hit ten rings, you are not allowed to sow discord in front of my mother."

Chapter 1413

Dmn, why is this little guy's ears so good, he can hear everything he said so softly.

Zhuang Rongguang's face suddenly became hot, and then he poked his neck and said, "Since when did I sow discord, and what I'm telling is the truth, okay? Also, is she your mother? You just scream!"

"It's my mother!" Hearing this sentence, Rick clenched his fists, his face was so cold that he had never seen it before, and he was obviously really angry.

Afterwards, he said to the young man in front of him word by word, "If I hit ten rings, you have to say a hundred times that she is my mother!"

Zhuang Rongguang glanced over indifferently, "Just say it! I'm afraid of you!"

Zhuang Liaoyuan at the side saw that his son was 18 years old and still acting naively with a 5-year-old child, and immediately said with a dark face, "Rongguang, don't mess around!"

Zhuang Zongren's old face was also a little uncomfortable, "Stinky boy, how old are you, and you still bully a baby, and you don't know how to be ashamed!"

"It's okay." Daniel looked at the scene in front of him, but he didn't care.

"What's wrong with me, you obviously saw that he himself provoked me..."
Zhuang Rongguang muttered unconvinced.

"I provoked you. If I can't do it, I apologize to you and call you brother a hundred times."

"Come, come... I'm waiting for your brother a hundred times..."

...

Selena knew that Little bun wasn't the kind of child who would play around in a willful way. He was serious, and he was really angry.

"Honey, do you really want to gamble?"

Rick looked at Selena as if he was looking at the most important treasure in the world that no one would question even the slightest bit: "Mom, you are my mother."

Seeing that Little bun was firm, Selena finally went to pick a bag for him.

Seeing that the two children were just having a temper tantrum, Daniel didn't mind, and Zhuang Liaoyuan and Zhuang Zongren didn't interfere too much.

Selena chose a light pistol for Rick. It didn't have much recoil, but it was enough for a five-year-old kid, and it was even a question of whether he could hold the gun steadily.

It was also because the adults present were professionals that they dared to let Rick play like this.

"Honey, let's have fun, mother is your mother, you don't need to prove it to anyone, understand?" Selena comforted.

The little bun nodded obediently, but the light in his eyes was unusually bright.

"Come on, mom will teach you how to hold a gun!" Selena carefully and patiently taught Rick how to hold a gun and how to aim.

Zhuang Rongguang was inserted there, "Hey, hey, hey, how can you put your fingers there ... so simple can do wrong ... Xiao Ye three years old ..."

Selena glared at him, "Do you want me to compete with you for real?"

Zhuang Rongguang gulped, shook his head like a rattle, and at the same time felt sour in his heart, Dmn, what kind of trouble is this old hen guarding the chicks, what's wrong with this little soft bun! Isn't it just a little cuter, a little white and tender, a little cute!

Daniel looked at Selena, who was patiently teaching Rick, and his son who was studying hard, with an imperceptible gleam in his eyes.

Five years old, ten rings.

If it weren't for Selena and Zhuang Rongguang's super talent inherited from the family, it would be absolutely impossible to do it...

The Lu family has been in business for generations, and their heirs are all educated by the ancient nobles. It is obviously impossible to have too much talent in these aspects.

Chapter 1414

Selena patiently taught Rick there. The mother and son enjoyed themselves in a warm atmosphere, while Zhuang Rongguang jumped up and down and made troubles from time to time.

"Baby, remember?"

"Mom, I can do it." Rick nodded obediently.

"Okay, let's try it! Control your breathing, three points and one line..." Selena instructed from the side.

Holding the gun in his hand, Rick raised it straight up. Because of his short stature, he raised it slightly and aimed at the target not far away.

Zhuang Liaoyuan, Zhuang Zongren, and Daniel who were talking at the side also looked at the little guy.

Seeing Rick's posture and strength in holding the gun, Zhuang Liaoyuan and Zhuang Zongren's eyes couldn't help but brighten a little.

Zhuang Zongren showed surprise, "This little guy... I can't tell, but his wrist strength is not bad..."

Zhuang Liaoyuan also nodded, "The order is also safe."

After speaking, he glanced at Daniel. It seemed that this child had undergone systematic training. Fortunately, he was not taught to be a nerd by the Lu family.

Today's Rick's physical fitness has improved so fast that he has already surpassed his peers by a few blocks, so it is actually not too difficult for him to hold a gun and shoot.

Zhuang Rongguang on the side was a little surprised when he saw the little guy holding a gun in his hand and aiming at the target in a decent manner, but he still hummed, "It's useful for putting on airs! "

As soon as the words fell, there was a "bang--".

Rick fired the first shot.

Everyone subconsciously looked in the direction of the target.

After a while, the scorer popped up the score: 0 rings.

There was an eerie silence in the air.

Then Zhuang Rongguang covered his stomach and burst out laughing, "Hahahahahaha... 0 rings! He actually missed the target! Even with his eyes closed, it is impossible to miss the target! Hahahaha... He even bragged to me that he was going to hit 10 rings, lol kill me..."

Selena glared at Zhuang Rongguang with a dark face, "Is this the first time Rick touched a gun? How could he hit ten rings? Even being able to shoot smoothly is already very powerful!"

In fact, what Selena said was right, this is a real gun, ordinary children would not dare to touch it, even if they dared to, they would not be able to control it, how could they pick it up and shoot it.

"You are so young, you are already very good!" Zhuang Liaoyuan and Zhuang Zongren also said.

"Who made him speak so loudly just now..." Zhuang Rongguang hummed.

The first shot was emptied, and Zhuang Rongguang laughed at him, but Rick's expression did not change at all, but the light in his eyes became even more dazzling.

Selena had never seen the little guy so excited, and her mood was also infected. She squatted down and said softly, "Baby, is it fun?"

The little bun opened his eyes brightly, and nodded vigorously.

"Then let's keep playing! Don't pay attention to this childish ghost!" Selena said and gave Zhuang Rongguang a glare.

So, Rick raised his gun again.

"Bang -" sound, 3 rings.

"Not bad! You hit the target! Keep going!" Selena encouraged from the side.

"Bang -" 4 rings.

"Baby, you're amazing! You've improved again!" Selena was full of joy.

Zhuang Rongguang saw that the corners of his mouth twitched, "Don't you want to be so exaggerated! You beat me so badly and even exaggerated a flower! If I beat you like this, my father would beat me to death, okay?"

Selena ignored him and continued to play with Rick.

Rick was also completely immersed in the fun of shooting.

"Bang -" 5 rings.

"Bang -" 6 rings.

"Bang -" 7 rings.

...

Chapter 1415

When the 92 points appeared on the scorer, the eyes of Zhuang Liaoyuan and Zhuang Zongren changed slightly, but Zhuang Rongguang was still very disdainful.

"Little boy is lucky! He actually scored 92 rings! But 10 rings are not just lucky!"

As soon as the voice fell, there was a "bang" – 10 rings!

"Bang..." It's 10 rings again!

After two ten rings in a row, Zhuang Rongguang, who was talking tauntingly, almost bit his own tongue, stammering, "Little kid...you really are lucky..."

As soon as he finished speaking, Rick hit the third 10 ring with a "bang".

Zhuang Rongguang: "..."

Three 10 rings? Isn't this luck...too good?

"Bang..." Another 10 ring, and the fourth 10 ring.

Next, with the gunshots of "bang", "bang" and "bang", every shot that Rick fired was all 10 rings, not even a nine o'clock.

Not only did Zhuang Rongguang stay there with a dumbfounded expression, Zhuang Liaoyuan and Zhuang Zongren were stunned, even Selena was frightened by Rick, who was so excited just now, but now she was shocked I don't know what to say.

Not only did Rick hit 10 rings, but after a brief familiarity, he hit the bullseye like a sharpshooter.

After a long while, Selena said in a daze, "I...I'll go! Daniel...your son is against the sky! This gene is too awesome!"

Daniel: "..."

Wife, it doesn't look like it's in my genes...

At this moment, Daniel's heart was extremely complicated when he saw his son who became more and more addicted to playing and had a good shot.

He was sure that no one in the Lu family, including himself, had the expertise in this area, and it was indeed Rick's first time touching a gun.

Zhuang Rongguang's talent came from his biological parents, and Selena's talent seemed to come from the Zhuang family's blood.

So, what about Rick?

Where is he from?

The idea in his mind that came about because of Saul's investigation results gradually germinated from a seed until it grew into a big tree in the sky.

After all, she was still young, and her wrist strength could not last long. Selena was afraid that the little guy would hurt her hand, so she made him stop after playing for a while.

The little bun touched the gun reluctantly, with a small expression that was still unfinished.

Little Treasure had little interest in anything, but Selena was very happy to see his small appearance, and at the same time felt kind in her heart.

Originally, Zhuang Liao's reason was that Little Treasure was Daniel's son, and he still had a little bit of prejudice. Now, there is still no prejudice at all. The look in his eyes when he looked at the little guy was even more exaggerated than when he saw Selena, "This child ...Too talented! Higher talent than Rongguang!"

They might even surpass Selena.

Zhuang Rongguang burst into tears, Dad, I'm already ashamed enough, don't say any more, okay? I'm going to call him daddy!

Only then did Rick remember the most important thing, and turned to Zhuang Rongguang with a cold face: "Don't forget your promise."

Zhuang Rongguang would never go back on his bet with a brat, so he could only speak bitterly, "I promise I will never provoke you again."

"and also."

"Selena is your mother, it's your mother...it's your mother..."

Little bun's face, which had always been extremely serious and tense, finally relaxed, revealing an extremely cute and satisfied smile.

Zhuang Rongguang looked at the cute little bun smiling, and unconsciously stared blankly...

Depend on! Why did he feel that this nasty little guy was cute at that moment?

Chapter 1416

Today Selena found out that Little bun was so talented in shooting. While she was pleasantly surprised and very kind, she was also a little jealous.

Rick's genes are so good, it's so perfect, his biological mother must be a very good and powerful person!

It's just a short side, Zhuang Liaoyuan and Zhuang Zongren have already fallen in love with the cute little bun. For the sake of the little bun, they enthusiastically kept the father and son at home for dinner. During the dinner, they were very enthusiastic about the little bun. The old man I also want to keep Rick to live and play here for a few days at night.

Daniel naturally declined, and left with his wife and baby after dinner.

It's not enough for the people from the dealer to rob his wife, but they even think about their son.

...

Late at night, Platinum Emperor Palace.

After coaxing the little bun to sleep, Selena closed the door and walked out.

She had to go back to the villa and was about to say hello to Daniel, but she couldn't find anyone after searching for a long time.

At last he was seen under the shadowy rose vines in the small garden behind.

The man is dressed in cotton and linen home casual clothes, sitting on the wicker chair under the flower stand, one arm is across the back of the chair behind him, and a cigarette is lit in the other hand, the red light of the cigarette snub flickers in the night .

Selena frowned slightly, and walked over on the soft grass, "Why are you here alone?"

Hearing the girl's voice, the ice edge around the man, which seemed to be separated from the world by a layer, shattered. He pinched the cigarette in his hand, looked up at the girl, "Come here."

Selena walked over as she said, and just as she walked in front of her, she was held by the man and sat on his lap.

The man's embrace was warm, with a faint smell of tobacco and a breath that made Selena a little uneasy.

"What's wrong? Are you worried?" Selena raised her head and asked.

"Do you like Rick?" Daniel asked in the quiet night breeze.

"Of course I like it!" Selena replied with a confused face, not understanding why Daniel asked this suddenly.

Does this question still need to be asked?

In order to prove what she said, Selena continued, "Actually... Before I met Rick, I didn't like children very much, um... I can't say I don't like them... just... I don't want to be close to Rick. Children...until I met Rick..."

Hearing Selena's words, Daniel's heart sank slightly.

That day in the wheat field of Chunfeng Town, Selena seemed to still hear every word she said.

The child...was born and died...this is probably the only kindness God has shown me...

Otherwise, I really don't know how to face and treat this child...

Daniel subconsciously hugged the girl in his arms, leaned slightly, as if to kiss, but retreated the moment he was about to get close, and the girl's words came to mind again.

That strange man... very scary...

I hurt...so hurt...

The pain of feeling like I'm going to die...

I had a high fever for a week, and it took me more than a month to recover. When I saw the doctor, I still can't forget the shameful feeling...

Later, the fear of men has followed me like a shadow. I extremely loathe and reject contact of men. The one time five years ago was my only one-time experience...

Every word and sentence, the words still ringing in his ears, like a raging fire burning his heart, half of him is heaven, and the other half is hell.

Only now did he finally know what it was like for Selena to harbor an unspeakable secret all by herself.

Chapter 1417

After an unknown amount of time, the dark tide in Daniel's dark eyes finally suddenly fell silent.

In the next second, the man's slender fingers covered the girl's fair and slender neck, and his cool k!ss, full of indescribable affection, fell on the corner of the girl's lips...

Selena didn't know where Daniel's uneasiness came from, so she could only cater to the man's k!ss to reassure him.

"Ah..." Suddenly, Selena clutched her neck and groaned in pain.

"What's wrong?" Daniel asked nervously.

"Hmm... It seems like something has stuck to me!" Selena clutched her shoulder.

Daniel raised his hand and glanced at his cuff, "I'm sorry, the button on my clothes has a hole."

After finishing speaking, he quickly took out a handkerchief to cover Selena's bleeding wound, and helped her stand up, "I'll take you up there to deal with it!"

As Daniel spoke, his face was covered with dark clouds, and his expression was extremely ugly.

Seeing his exaggerated expression as if she had shed a vat of blood, Selena smiled helplessly, "It's just a small injury, it's nothing serious!"

Daniel saw that the girl didn't notice anything, she didn't seem to be wary of him at all, and his heart ached like a knife...

In the upstairs bedroom, Daniel carefully treated the girl's wound with anti-inflammatory.

If you look carefully, you will find that the position is close to the shoulder, which happens to be covered by the collar, which will not affect her usual and filming.

"Daniel, what's wrong with you today? You're absent-minded!" Selena asked worriedly.

Daniel put away the medicine box and glanced at her, "I'm afraid you might dislike me for having an oil bottle."

Hearing this, Selena finally realized something, she hooked the man's neck dumbfoundingly, and kissed his stern cheek, "You really care about what Rong Guang said as a child! I said earlier that I like the most Little Treasure! How could you despise you because of this! Little Treasure is clearly your cheat, how about your divine assist?"

"En." The man kissed her forehead, as if he was comforted by her words.

From the beginning to the end, Selena did not have the slightest doubt about Daniel's strangeness...

Because Ning Tianxin and Annie were still at Taohuawu, Selena was worried, so she rushed back at night.

After the girl left, Daniel looked at the bloody handkerchief without moving his eyes...

Until the phone rang, it was Saul calling.

"Brother, are you asleep?"

"come over."

"Oh oh, I'll be right there!"

In less than a few minutes, Saul rushed over from the next door.

Seeing his brother's whole body covered in ice, Saul didn't dare to get too close, and weakly reported from a long distance, "Brother...I checked again...Selena went to the hospital that night. It's really your box... But when did she go in, did she go in after you left, and would someone else go in after you left... It's really uncertain... .."

Before Saul could finish speaking, Daniel suddenly let go of his palm and handed him something.

Saul walked forward in confusion, and subconsciously took a handkerchief handed over by his brother, "Cough... what is this..."

Did you wipe my sweat?

Saul was wondering, when he took a closer look, he found blood on the handkerchief, so he widened his eyes and stammered, "This...this blood is..."

Could it be...

Daniel: "Selena's."

Chapter 1418

really!

His brother finally decided to test the dna! It's long overdue! It made him almost vomit blood for three liters after checking it...

"Brother, how did you get the blood? Will it arouse Selena's suspicion? The situation is so complicated now, what if..."

Daniel directly interrupted Saul's thoughts: "Beauty tricks."

"Uh..." Well, I've used all these tricks, so I definitely won't doubt it.

"Then what about Rick's blood sample?" Saul asked again.

"Rick's school will arrange a group physical examination tomorrow," Daniel said.

"Oh...then there's no problem!" Saul nodded repeatedly, holding the bloody handkerchief carefully with trembling hands.

Other samples are inconvenient to collect, but it is okay to use hair, but it must have hair follicles, and children who are too young have incomplete hair follicles, and there will be deviations in the test. The most accurate sample is blood. If you get blood for testing, then It must be foolproof and there will be no mistakes...

Ow! Nima!

He is so nervous!

My little heart is about to pop out!

The worst thing is that, with such a big and shocking secret, he still has to keep his mouth shut, and he doesn't know if it will suffocate him to death...

It turns out that too much gossip and knowing too much is also a kind of sadness...

...

Not long after, the day Selena was most worried about finally came.

Her sweetheart joined the group.

Moreover, today's scene arrangement is quite exciting, there are all the roles of the male lead, the second male lead, the female lead's father, and the female lead's hidden guard. Louis, Mo Chenxiu, and Yun Shen are likely to bump into each other.

what does this mean...

It means that a table of mahjong is assembled...

However, when she got out of the car and saw Yi Rong become Ke Mingyu's big devil from a distance, she was quite happy and put all her worries behind her for the time being.

There was no one around in the parking lot, so Selena happily jumped towards the man, "Ke Ke!"

The man's face was unrecognizable and without any expression, but the moment he saw the girl, his eyes were so gentle that they seemed to melt people, he opened his arms slightly, and hugged the girl who rushed over, "Breakfast Have you eaten yet?"

"Eat, eat! Are you busy? Can you come to the set?" Selena really wanted to say, if you are too busy, you should stop acting, but she was also reluctant to part with this rare opportunity to get along with the big devil.

Hey, if there were no such cards, she and the big devil would be so happy to have a private date through this drama!

"It's okay, it's already been arranged." Daniel gently stroked the girl's hair, "Okay, let's go to the set!"

"I don't...I want to hug again..." Selena couldn't hold her tightly, it was too frustrating, she needed to hold his darling to recharge her batteries for a while.

The corners of the man's lips curled up slightly, and there was a somewhat helpless and conniving look between his brows, "Be careful of being photographed."

"I've checked everything, and there's no one there!" Selena still didn't let go.

Well, what Selena said was right, there was no one around, but...Shi Xiao accompanied her here today, and at this moment, standing not far behind her, he was shocked into a stone... ..

fcuk!

He saw what a god, a god, a god!

The proprietress...the proprietress is actually hugging a male artist and won't let go!

Now he is also a loyal fan of the proprietress, if he is not mistaken, that man is Ke Mingyu, the second male lead that the proprietress worked with in the previous play!

Chapter 1419

How could the proprietress get together with that little artist with an ordinary appearance and an even more ordinary identity!

Still so cute?

Isn't the proprietress a face control?

Even if you're looking for a handsome boy, you shouldn't be looking for someone like this, right?

Bah bah bah, no! That's not the point!

The point is, the proprietress is cheating! I'm going! What kind of shocking secret did he know!

Shi Xiao was going crazy...

However, there is something crazier behind...

How could Daniel stand up to the girl acting like a spoiled child to him, and immediately leaned down and kissed the corner of the girl's lips, "Hey, I'll stay with you tonight."

Seeing that wild man actually kissed the proprietress, the stone that Shi Xiao turned into was almost shattered into powder.

Probably because he was so shocked, he forgot to catch up and watched the two leave.

What the hell...

What should he do now...

Hurry up and tell the boss? Will he be able to live when he knows the secret of the boss being cuckolded?

To beat the little boy away? What if one is beaten and another one comes...

Selena's heart is full of the mahjong table at the moment, how could she notice Shi Xiao who was already tangled up, and in her heart Ke Mingyu is the

big devil, so subconsciously she didn't want to avoid Shi Xiao at all, so He didn't even think about it so directly.

As for Daniel, he only had eyes for his wife.

On the way to the crew, Selena decided to say hello to Daniel early after much deliberation, "My dear... our crew... the personnel may be a bit complicated..."

In fact, among these few people, Louis doesn't need to worry. Roman doesn't come often, and Mo Chenxiu is sure to handle it. Any one of them is fine, but they are all together, let alone And that fuel-inefficient lamp.

They were afraid that something would happen to him, but the only luck was that none of them knew that Ke Mingyu was Daniel.

"That... the boss of Yilan Venture Capital... is the biggest investor in this drama... and my father cameo..." Selena bit the bullet and said to Daniel.

As for who the boss of Yilan Venture Capital is, Daniel must know.

A dark light flashed in Daniel's eyes, "Yes, I know."

"Well, didn't you say that the two of you had some trouble before? But he didn't know that you were Daniel... There shouldn't be any trouble..." Maybe.

"It's okay, just play with peace of mind."

"Enn!"

After informing Daniel, looking at his reassuring profile, Selena immediately felt relieved.

The two were walking in the direction of the film crew, but they bumped into someone head-on without warning, and Selena was about to have a heart attack.

The man stared at the arrogant white hair as always, followed by two cold-faced bodyguards in black. When he saw Selena, the man lazily took off the sunglasses on his face, raised the corners of his lips, and his gaze seemed to be able to pierce the soul. Sweeping past Selena, and Ke Mingyu beside her...

However, Daniel's complexion did not change at all, showing no emotional ups and downs at all.

Seeing that guy was looking at Daniel all the time, Selena's heart almost jumped out of her throat, and she hurriedly interrupted the weird atmosphere, "Mr. Yun, isn't your role in the afternoon? Why did you come so early?" ?"

Only then did the man withdraw his gaze from Ke Mingyu's body, curled his lips, looked at Selena quietly and said, "Honey, because I miss you!"

Selena: "..."

Yun Shen, I call you uncle!

Chapter 1420

"Ah...that's right..." the man said, and suddenly approached, "Honey, don't forget your promise to me...I want it tonight..."

Selena: "!!!"

fcuk!

It's just a promise to make some biscuits, why is he so ambiguous?

The flames in Selena's eyes were blazing, and she really wanted to burn the bastard in front of her to death.

But the instigator just turned around and left in such a calm manner. Before leaving, he glanced at Ke Mingyu from the corner of his eye.

After Yun Shen left, Selena hurriedly turned around and explained to the big demon king behind him, "My dear, don't listen to his nonsense! Last time I went to ask Annie for help, I was forced to agree to a condition. Make things difficult for me and ask me to make him 9,999 handmade biscuits! At that time, I was anxious to find Annie to see Sister Tianxin, so I agreed..."

Dmn, she was most worried about this guy, but she still never expected that the disaster would come so quickly, and it was only a mask, and she was almost killed by this guy!

Selena had a headache and said, "This psycho likes to tease people the most. Don't believe a single word he says, just trust me, you understand?"

When Selena said this, she couldn't help muttering, did that guy just want to tease her, or... did he say that in front of Ke Mingyu on purpose after seeing Ke Mingyu's true identity?

Not so! Back then, even she didn't recognize Daniel immediately... She must have been overthinking it.

Seeing the little girl explaining to him nervously and demanding forcefully, Daniel's deep eyes gradually faded away, "Of course I believe you."

He wouldn't be provoked by the other party's childish tricks, but...

That person appeared by Selena's side more and more frequently, but he couldn't help it.

From the gift of the crown at the charity dinner, to the rescue at the reception last time, and now he has followed the crew directly...

However, the little girl in front of me was so innocent that she didn't notice it at all...

Didn't know that man was actually... pursuing her!

Thinking of this, a haze suddenly appeared on Daniel's brows.

If that man really came for her and tried everything to get her back, would Selena...would she get back together with him?

"Darling, what are you thinking?" Seeing Daniel's ecstasy, Selena waved her hand in front of his eyes.

Daniel withdrew his thoughts, "It's nothing, what about your biscuits? Do you need help?"

Seeing that Daniel didn't seem to care, Selena finally breathed a sigh of relief, and said with a confident expression, "No, no, it's easy, I can handle it myself!"

...

After Selena and Daniel left, a person slowly walked out from behind the pillars.

Meng Shiyi stood there with anger and surprise on her face.

What angered Yun Shen was that he was really hooked up by Selena, a vixen, and said such intimate and ambiguous words to her. What surprised him was...Never thought that Selena would get involved with a third-rate male artist, and even had an affair with him. He looked very nervous and infatuated with this male artist, and tried his best to clear up his relationship with Yun Shen. It seemed like he was in love, not like a fake...

A trace of incomprehensible suspicion appeared in Meng Shiyi's eyes, is this Selena stupid? Why don't a man like Yun Shen fall in love with a male artist who has nothing?

Of course, these are not important, the important thing is that Yun Shen has really taken a fancy to that vixen...
