

# Cruel Heart Lover Novel

## Chapter 1501

"This...what can I do..." Sun Lan was completely out of control after crying.

Mrs. Tang was also panicked at this moment, "Could it be that someone really changed it... Who is it that kills thousands of swords!"

Tang Shan: "Isn't it okay to have a teacher to testify?"

Sun Lan: "Just now people said it's too bad! Besides, I don't know if the teacher made a mistake...Who knows if the teacher will come out to testify in order to avoid responsibility..."

As soon as the words fell, the faces of the three of them were covered with despair...

Tang Nuo's expression was blank, and he picked up the phone again after a while.

He also called the County Education Bureau, the Examination Institute, the school and other places, and all he got was a formulaic answer. If the transfer proves that it is indeed Xijiang, then there is no other way but to go to Xijiang.

"Is there really no other way?" Sun Lan looked dazed.

Tang Shan squatted there smoking a cigarette, "We have no power or influence... What else can we do... We can only accept this dumb fault..."

The old lady Tang was panting with anger, "How can it be done! This matter is endless! I will try my best to seek justice for Xiao Nuo! At worst, I will sleep in front of the admissions office every day! I don't believe it No one cares!"

Tang Shan said helplessly, "Mom, you are already so old, so don't worry about it. The old Niu's family in the next village has been arguing about his son for three years without any results. A few days ago, someone blocked you." You broke your leg, we have no power, no one will listen to you..."

Tang Nuo's face was pale, "Grandma, don't be impulsive... Forget it... At worst, I will retake the exam for a year..."

Selena's status was rather embarrassing, and it was not easy for her to meddle in the affairs of the Tang family, but now she had to say, "I'll make a call later and see if I can find someone to help."

As soon as the words fell, everyone in the Tang family looked at her.

"Selena...you...can you find someone to help?" Sun Lan asked with suppressed excitement, and Tang Shan also looked over.

Selena thought about her words, "It shouldn't be a big problem, don't worry too much."

The old lady Tang immediately snorted coldly, and said in a bad mood, "You are not a small tone, what can you do as an actor..."

Tang Nuo didn't know what to think of, and suddenly showed a disturbed expression, pulled Selena aside and said, "Sister, I'm really fine, don't bother others for me!"

He knew that Selena's relationship with the Ning family was not good, and that he could rely on himself to get to where he is today, and he didn't want her to beg for him.

Selena smiled nonchalantly, "What's the trouble, I'm looking for your brother-in-law!"

"Huh? Sister...brother-in-law? I have a brother-in-law?" Tang Nuo was stunned for a moment.

"I'll tell you later, I'll make a phone call first." Selena patted Tang Nuo on the shoulder, and then went to the back of the house to make a phone call.

"Hello?" A man's reassuring voice came from the other end of the phone.

"Hey, sweetheart... I may have something to ask you for...the thing I mentioned to you last night..."

"What about your brother's acceptance letter?"

"Yes, Xiao Nuo's wish was probably tampered with..."

"Okay, I see. I'll give you an answer as soon as possible." The reply on the other end of the phone was simple and clear.

...

When Selena came back from the phone call, Sun Lan immediately greeted her, "Selena, have you called yet? What did they say?"

"He said he would give me an answer as soon as possible," Selena replied.

## Chapter 1502

Hearing this ambiguous response, both Sun Lan and Tang Shan were a little disappointed, while Mrs. Tang was busy calling and looking for someone to help.

"By the way, Selena, who are you looking for? Is it reliable?" Tang Shan asked.

"Well, my boyfriend." Selena didn't hide anything.

Sun Lan was a little surprised, "Ah, Selena, you have a boyfriend? What does the other party do?"

Selena: "For business."

The old lady Tang, who had just finished making the phone call, had a disapproving expression on her face, "What kind of skills can a businessman have? If you want to find one, you should find an official! Don't waste time and affect Xiao Nuo..."

Selena didn't refute Old Madam Tang's words, but just listened quietly.

Regarding Selena's phone call, none of the members of the Tang family expressed any hope, they were running around like headless chickens trying to find a way...

Tang Nuo was quite interested in this unmasked "brother-in-law", and approached Selena to ask a lot of questions.

"Sister, do you really have a boyfriend?"

"Why did I lie to you!"

"Handsome or not? Brother Su...uh... No, is he more handsome than Su Zha?"

"Nonsense, of course he's more handsome than him!"

...

In the twinkling of an eye, it was evening, and it was getting darker and darker. The Tang family was at a loss, and there was no news from Selena.

"Selena, did your boyfriend get back to you?" With nothing to do, Sun Lan could only pin her last hope on Selena.

Selena shook her head, "Not yet."

Although there was no news from Daniel, Selena was in no hurry and didn't call to remind her.

How could she doubt her family's ability to handle affairs.

"Oh..." Sun Lan suddenly looked disappointed.

Finally, it was completely dark.

Tang Shan couldn't sit still anymore, "Selena, there is no news yet? Why don't you call and ask?"

"What are you asking? You really expect her to be an actor who doesn't make it to the stage..." Mrs. Tang was worried about her grandson, and now she was getting angry, and her tone was getting worse and worse.

She doesn't care which young lady she is, in her eyes, she is just a white-eyed wolf who has eaten so many years of their Tang family's life for nothing!

So she said that her daughter is a loser, and it is useless to raise a fart, and it is an eyesore...

"Boom boom boom..."

Suddenly, there was a knock on the door, which sounded very clear in the dead silence of the house.

"Who is it so late?" Sun Lan stretched her head to look.

"Let me drive it!" Tang Nuo said as he walked towards the door.

"Squeak" opened the door, and the next second, Tang Nuo froze in place, staring blankly at the tall figure standing in front of the door.

The man was wearing a well-tailored iron-gray formal suit and a dark-pattern tie. He stood at the door with his back to the night like a breeze and a bright moon. It made people feel that the small and dark house suddenly brightened up...

Tang Nuo's mind immediately came up with the four words "Flourishing and Brilliant".

"You...you are..." Tang Nuo stared blankly at the handsome and dignified man in front of him, suddenly thought of something, and suddenly his eyes lit up, "Could it be...you are my brother-in-law?"

When the man heard the word "brother-in-law", his cold eyes moved slightly, and he glanced at the young man, "Are you Selena's younger brother, Tang Nuo?"

"Uh, yes, I'm Tang Nuo!" Tang Nuo nodded hurriedly.

Hearing this, the man raised his hand.

Only then did Tang Nuo realize that the man was holding a big envelope in his hand, and asked puzzled, "This is it?"

The man directly handed the envelope to his brother-in-law, "Meeting ceremony."

"Ah?" Tang Nuo looked blank, subconsciously took it, and was about to politely decline, but after scanning a few words on the envelope, his expression suddenly changed.

Seeing that the sender on the envelope was Imperial University, he hurriedly opened the envelope and took a look...the admission letter from Imperial University!

## Chapter 1503

[illegible]

Tang Nuo suddenly shouted excitedly at the door, Tang Shan, Sun Lan, Mrs. Tang and Selena all walked towards the door together...

Then the four of them saw a man standing at the door, and Tang Nuo was holding an envelope in his hand, looking extremely excited.

"Sister! Look! Record... an admission letter! An admission letter from Imperial University!"

"What...Xiao Nuo, where did you come from!" Sun Lan, Tang Shan, and Mrs. Tang surrounded her all at once, and Selena was also full of surprise.

"Brother-in-law... Brother-in-law gave it to me just now! He said it was a gift for me!" Tang Nuo put it in his arms like a baby, and then took it out one by one to show his parents and grandma.

Uh...meeting ceremony...

Selena looked at the man standing at the door opposite, and the corner of her mouth twitched slightly.

Nima, she knew that the Great Demon King was reliable, but she never expected it to be so reliable!

He actually sent the admission letter from Imperial University directly...

And how long has it been since she called? It's only half a day! Excluding the time he drove here, he probably got this notice in less than an hour...

I just knelt down...

Tang Nuo and the others were agitated over there. Selena walked up to Daniel and couldn't help sighing, "Your speed...is too fast..."

Daniel: "It's the first time you've asked me for help."

Rarely does his wife need him.

Selena suddenly coughed lightly, "Uh..."

Why did Daniel feel a little sad when he said this?

It seemed that she had never asked Daniel to do anything for her... This time it was because of Tang Nuo that she spoke...

"This...is this really the admission letter from Imperial University?" Sun Lan was in disbelief.

After all, their family made countless phone calls and traveled to countless places today, and the replies they received were helpless. Who would have known that with just one phone call from Selena, the admission letter from Imperial University would be delivered directly to their door.

"Xiao Nuo, did you see clearly?" Mrs. Tang was startled and anxious.

"I read it word by word, there is nothing wrong, and there is also the seal of Imperial University..." Tang Nuo said excitedly.

"Selena, what's your boyfriend's name? Thank you so much this time! Thank you so much!" Sun Lan asked.

"His... surname is Ke." Out of caution, Selena still didn't share Daniel's real information.

"It turned out to be Mr. Ke, I really don't know how to thank you!"

"Brother-in-law, how did you do it? They all said that I can't change my wish!"

"I found a friend to help, and you have a teacher to testify, so it's not a big problem." Daniel explained simply.

Although it was an understatement, everyone in the Tang family knew that things would definitely not be that easy. If it wasn't for the help of Selena's boyfriend this time, they would have suffered a lot...

Granny Tang held the admission notice in her hand, and she was overjoyed. She didn't expect that this girl could really help this time. It's not in vain to raise her for eighteen years. Anyway, she still knows how to help Her brother is much better than that dead girl who flew up to a branch and forgot about Ben and never came back!

Look at the man this girl is looking for... Although I don't know what kind of family background he is, but just looking at his appearance... I really have nothing to say, she looks much better than the young master of the Su family...

## Chapter 1504

Mrs. Tang walked up to Daniel, and said happily, "This...Mr. Ke, right? This time, our Xiao Nuo matter is really troublesome to you. You must be hungry after traveling so far, so you must stay to eat A meal!"

Daniel didn't speak, but looked at Selena.

Tang Nuo hurriedly said to Selena, "Sister, brother-in-law is here for the first time, so of course he wants to stay for dinner! I still have a lot to say to brother-in-law!"

When we meet for the first time, what can we say?

Listening to Tang Nuo's one brother-in-law without hindrance, Selena was a little amused, "Okay."

So, Mrs. Tang was busy and happy to cook and cook in person, and greeted her son and daughter-in-law in a hurry, "Lanzi, go catch and kill the chickens in the yard, Ah Shan, go and kill the chickens in the yard." Dig out that altar of good wine in the garden for me, Xiao Nuo, go pick some vegetables from the field... Our food is so fresh here... You people in the city can't eat it..."

After finishing speaking, he looked at Selena again, "You girl, what are you doing standing there, why don't you take your partner to sit in the room and make tea for him, using the tea leaves in the red pot, which I bought from the town Yes! There are dried fruits in the drawer, take them out and eat..."

Selena opened the red pot and made a cup of tea for Daniel. She couldn't help but lament that Daniel was too godDmned, even a difficult person like the Tang family's grandma was completely bribed at the first meeting.

"Thanks to you, the old lady's attitude towards me has never been so good..."

Daniel stroked the girl's hair, his eyes filled with distress.

Selena knew what he was thinking and said with a quick smile, "It's over, your kindness to me has already made up for all my badness..."

at the dinner table.

Tang Shan was drunk, "Selena, Dad toast you...The last time those people borrowed money and didn't pay back...you helped solve it...Our Tang family owes you too much...it is our Tang family I am so sorry..."

"Old Tang, you drank too much!" Sun Lan hurriedly stopped Tang Shan in embarrassment.

Mrs. Tang frowned when she heard this, "Is it also the girl who solved the matter last time?"

"It was my sister who tried to scare them, otherwise, how could those hooligans pay back the money obediently!" Tang Nuo didn't say that Selena beat her up because she was afraid that grandma would be prejudiced against Selena.

Old Madam Tang remained silent, the pent-up anger and Du Selena's dissatisfaction dissipated a lot, so this girl has a conscience.

Because of the matter of holding the wrong daughter, she has been holding back her anger for a long time, not to mention raising someone else's daughter for nothing, and whether her own daughter will come back, how can there be such a thing!

After Tang Nuo's matter was resolved, the members of the Tang family began to think about another important issue...

"Xiao Nuo's first choice in the volunteer letter... how did it become that Xijiang University?" Sun Lan said in a deep voice.

"I'm sure I made no mistakes!" Tang Nuo said firmly.

At this time, Daniel said, "The process here is not very standardized. There are many opportunities to be tampered with in the process from collecting volunteers to entering the system. If the other party does it secretly, they can completely hide it."

As Daniel spoke, his eyes flickered slightly, he paused, and continued, "You guys better think about whether you have offended someone recently."

"Offended someone? No... No... Who can we offend? It's not those gangsters, right? They have left Chunfeng Town a long time ago..." Tang Shan frowned.

Sun Lan thought for a long time, but she couldn't think of who it would be.

At this time, Mrs. Tang stood up suddenly, "I know who it is! It's that girl! It must be that dead girl!"

## Chapter 1505

"Mom... Who are you talking about?" Sun Lan asked suspiciously.

Old Madam Tang pointed at Sun Lan's face, and said angrily, "Who else! It's not the good daughter you gave birth to! She doesn't want Xiao Nuo to go to the imperial capital to hinder her eyes. Didn't she push you to let her go to the capital a while ago? Will Xiao Nuo change his mind?"

Sun Lan was stunned for a moment, as if she hadn't thought about this possibility at all, "This...it's impossible! I've already explained to Susie that only Xiao Nuo will go to the capital by himself, and I won't go with Xiao Nuo. And she will never let Xiao Nuo disturb her life... She agreed to it at the time, and didn't say anything..."

Susie urged Sun Lan to make Xiao Nuo change her mind?

Selena frowned when she heard this, she thought it was strange what she had volunteered for, but now it seems that her guess was right, Susie probably did it.

Although she suspected it from the beginning, she never mentioned it from the beginning to the end. If this matter came out of her mouth, it would become sowing discord.

And when Daniel touched the bystander, the old lady immediately thought of Susie...

Mrs. Tang was completely blown away at the moment, "You idiot, do you believe what she says? Who can our Tang family offend, and have the ability

to secretly change Xiao Nuo's wish! She is now rich in the imperial capital The eldest lady of the family is now the young mistress of the Su family. It is not easy to do these dirty and immoral things! Who else but her!

I was careless, I was careless, I didn't think of it... almost ruined Xiao Nuo's future! Why is this woman so vicious and ruthless... What kind of evil did our Tang family do..."

Granny Tang patted her legs and began to howl.

Tang Shan was woken up by the old lady's howling, and hurriedly persuaded, "Mom... Mom, calm down... There is no evidence for this... After all, Xiao Nuo is her real brother... I think Susie It shouldn't be..."

"You two are out of stock, and you still can't figure it out. Xiao Nuo will be killed by you sooner or later!" Mrs. Tang said with hatred on her face, "This debt collector! She is the one who brought trouble to our Tang family! She is afraid that others will find out that she is Going out of the ravine made her lose face, how could she let it go..."

"Mom, there may be some misunderstanding here, let me call Susie tomorrow and ask about it?"

"Why are you asking, is it possible that she can still admit the good deeds she has done?" Mrs. Tang glared at Sun Lan fiercely, hugged Tang Nuo and cried again, then looked at Selena and Daniel as if they were saviors.

"Xi girl! Although Xiao Nuo is not your own brother, he has been your sibling for eighteen years. When Xiao Nuo goes to the imperial capital, you must help him!"

Tang Nuo was a little embarrassed when he heard that, "Grandma! I don't need my sister's help! I can do it myself!"

Before Selena could speak, Daniel on the side said, "Selena has always loved this little brother Tang Nuo, not a real brother, but closer than a real brother. So far, she has never asked me to do anything for her. This is the first time I have asked me to help. After Tang Nuo goes to the imperial capital, we will definitely take good care of him without you saying anything."

Having said this, Daniel changed the subject, "It's just that, Mrs. Tang, you must know that Selena is just a small artist, and I only have a little money. This time I was lucky enough to meet a friend in the education department. It only helps to be appointed. Therefore, if you, a very powerful enemy, are not reconciled and want to do something to Tang Nuo in the future, we are afraid that there is nothing we can do."

## Chapter 1506

Daniel's words were reasonable and there was no problem.

The old lady Tang immediately said harshly, "Girl Xi, Mr. Ke, you just need to help take care of my little Nuo. As for that little ba5tard, my old woman has her own way to deal with her!"

Although Susie is the Tang family's own flesh and blood, Sun Lan and Tang Shan also miss this daughter a lot, but in Mrs. Tang's heart, nothing is as important as her grandson. The daughter-in-law has to stand aside, even if she fights to the death, she won't let her harm her precious grandson.

Daniel said that on purpose because he knew this.

He knew that for Selena, the Tang family was her weakness, and the best way to deal with Susie was through the Tang family's own hands...

Because Daniel's company had a meeting the next day, Selena and Daniel drove back to the imperial capital after dinner.

The two of them didn't get together for long after they returned, and they were both busy. Recently, Daniel was very busy, and Selena was also very busy.

Ling Zhizhi has just helped her sign a first-line brand endorsement that several big names including Susie are vying for. The script of the new movie is also being selected. Zeling is preparing for this year's Lorraine Fashion Week. If all goes well, the plan It will be available next year.

Everything on Zeling's side is on the right track. Unlike before, Selena needs to keep an eye on it, but Selena still took the time to go there in person at such a critical time. Fortunately, the filming of "Nine Heavens" went smoothly. It will be finished in a few days.

Daniel's roles have all ended. Mo Chenxiu has finally rested his mind since that time at KTV. Even Meng Shiyi, who has been troubling her all the time, has been unusually quiet lately. It's a blessing in disguise. Her little life in the crew is very leisurely .

Finally, after filming today's scene, Yun Shen is about to wrap up, and she can finally be completely liberated.

Selena was drinking juice and humming a little song, when a faint voice suddenly came from beside her, "You're in a good mood?"

Yun Shen sat down on the luxurious massage chair beside her, and while talking to her, he was fiddling with a Swiss Army knife in his hand.

The knife was flying up and down quickly in his hand, and it was frightening to see...

Selena frowned, and at the moment the knife flew into the air, she snatched it with her hands, put it into the scabbard and threw it to Yun Shen's bodyguard, with an extremely cold voice: "Yun, are you trying to die?"

The bodyguard hurriedly took the knife, and watched his boss's reaction timidly.

I saw that Yun Shen was stunned for a moment, there seemed to be no angry look on his face, and there were layers of deceptive smiles in his monstrous eyes, "Honey, are you worried about me?"

Selena's face darkened, "Narcissism is a disease, it needs to be cured! I feel sorry for Annie, okay?"

It's not that this guy doesn't know his own situation, and he still plays such dangerous things. With such a careless boss, she really feels tired for his subordinates.

Yun Shen propped his forehead, and stared at the girl beside him without blinking, "Honey, you're so cute when you say things that you don't mean..."

Selena: "...I love you uncle!"

Yun Shen: "Every time you talk about my uncle, you look very cute..."

Selena: "...how often have you been possessed in your haunted house?"

The man chuckled, "Keren..."

Selena's heart skipped a beat when she heard the words. This guy never called her by her name, and always called her darling in a cheap way. Calling her by her name is definitely not a good thing.

## Chapter 1507

Selena looked over with vigilance, "What do you want to do?"

Yun Shen: "Let's get back together."

Selena: "..."

"Selena, President Yun, you two get ready, the next round will start soon!" Guo Qisheng's voice sounded not far away.

Selena stared at Yun Shen like a ghost, and when she heard Guo Qisheng calling for someone, she slapped her butt0cks and walked towards the shooting location as if running for her life.

This is the last scene between Selena and Yun Shen.

Speaking of which, Yun Shen's plot in this scene is quite brilliant, it is definitely a super pretending scene that will make him more fans of his father.

In the play, Yunhuang was besieged and suppressed by all the immortal sects, her life was hanging by a thread, and there was no possibility of escape.

At this time, Yun Sitian, the legendary big devil who had been in seclusion for hundreds of years and never stepped out of the Wan Poison Hall, appeared.

All the elders, venerables, and masters from the various fairy palaces together were like ants in front of him, and Yun Sitian was like entering a land of no one, and the bloodbath rescued his daughter on the spot...

"Aww... finally this scene is finally here! I'm so looking forward to it, I'm so looking forward to it! My father Yun is absolutely handsome!" Many book fans in the crew were very excited.

"Father Yun is about to wrap up after this scene, so I can't bear to part with Father Yun, hey!"

"I can guarantee that when our drama airs, the ratings will explode! Needless to say, Xi Ge and Meng Ying Queen, each of our characters will be so outstanding even if they are supporting roles!"

...

In the anticipation of a group of fans, Selena and Yun Shen were put under coercion.

Not far away, Louis held his chin with an unhappy expression on his face, "Dmn it, I have no part in the sex scene with the female lead, nor my part in the hero saving the beauty, I must be a fake male lead..."

Meng Shiyi next to her frowned slightly when she heard this.

What do you mean without his share? Isn't she the heroine?

In fact, Louis did have intimate scenes, as well as scenes where the hero saves the beauty, and there were several scenes, but they were all scenes with Meng Shiyi, not with Selena.

In the play, Selena's force is several blocks away from the male lead, so the male lead really has no chance to save her as a hero...

"Every department is ready! 3, 2, 1, start..."

After Guo Qisheng gave an order, Selena immediately got into the mood, and flew forward with a calm expression while hanging on the wire.

"Demon girl! Where can I escape..." Several cultivators followed closely behind Yunhuang.

Yunhuang was injured, clutching his abdomen while running away while struggling to avoid the attacks of the crowd.

Finally, Yunhuang was forced to a dead end, and there was a cliff in front of her, and there was no way out.

Yunhuang retreated step by step, and a group of cultivators approached step by step, forming a siege, vowing to kill the demon girl here today.

"Kill her..."

"Kill her..."

"The demon girl kills innocent people indiscriminately! She has no conscience! What's more, she shamelessly seduces my disciples from the fairy sect! Everyone can be punished..."

...

Guo Qisheng waved his hands nervously, motioning for the camera to follow.

The high-altitude camera on the steel bracket gave Selena an overhead shot. Under the sky, the girl casually wiped the blood from the corner of her mouth with the back of her hand. It was hard to tell whether it was the color of the clothes or the blood all over her body.

On the verge of desperation, the girl's face showed no despair and panic, but the same arrogance as before, a kind of arrogance that was born to die.

She is Yun Sitian's daughter, even if she dies, she must not show the slightest fear in front of these people...

## Chapter 1508

"You don't need to talk morally to the demon girl, let's go together..."

In an instant, everyone swarmed up with the fairy artifacts, seeing that Yunhuang was about to be besieged and turned into sgum. The power of the earth...

Immediately, everyone wailed and fell down in disorder, killing in one move!

Yunhuang looked at the man flying down from the sky, her expression was a little dazed, probably because she knew that she was finally safe, and all her strength began to drain quickly...

When he was on the verge of falling, he fell into a cold and gloomy embrace, "Daddy..."

"Good boy." Yun Sitian, who was dressed in black clothes, gently put his daughter aside, and then looked at those immortals with his extremely cold eyes, like Yan Mo Raksha who crawled out of hell...

Those actors and extras all showed timid expressions from the bottom of their hearts. They were righteous just now, but now they all showed timidity, and some even staggered and ran away...

Guo Qisheng nodded again and again, and the assistant director next to him sighed, "This President Yun's acting skills are too good! This look... tsk tsk tsk... But... he is acting like a father... Will it be too ambiguous?"

Guo Qisheng shook his head and said, "No, no, Yun Shen's handling is very good! In the play, Yun Sitian's wife is the chief disciple of the number one immortal sect, and because she fell in love with him, she was looted and killed by the immortal sect's own hands, leaving no bones left. , Yun Sitian hated decent people to the bone.

What happened back then was his biggest obsession and inner demon. Facing this only daughter who looked very similar to his wife, watching her being besieged by the decent at this moment aroused his memories of his wife being killed back then, so his current Doesn't overperform..."

The assistant director nodded repeatedly...

The previous filming is still going on, but the rest is relatively simple. Yun Shen does a few cool and pretentious moves to defeat the besiegers, and then adds special effects in the later stage, and the scene is over.

Seeing that everything was going well, there was a sudden change at the scene...

The camera above Selena's head made a startling "click" sound, then fell off the bracket and fell straight in Selena's direction...

At this moment, Selena was lying on the ground with her eyes closed, pretending to be in a coma, so she didn't know what was happening in front of her eyes. By the time the cameraman exclaimed "Get out of the way", it was already too late...

The surrounding people also exclaimed in shock:

"what--"

"Selena..."

...

When Selena opened her eyes, she only felt a body suddenly pressing down on her from the side, and then that body pressed hard in her direction and let out a muffled groan...

"Yun Shen!!!" Selena suddenly lifted Yun Shen who was covering her body and helping her to block the heavy blow of the falling camera.

"Ah-oh my god! Mr. Yun!"

"Boss Yun!"

"How are you, Mr. Yun?"

...

Everyone in the crew was in a mess.

"Boss..." Yun Shen's two bodyguards rushed over quickly, their faces pale with fright.

"What are you yelling about?" Yun Shen straightened up impatiently, his movements seemed a little stiff.

Because he was wearing black clothes, it was impossible to tell whether he was injured or not.

Selena immediately started to take off the long gown with dark patterns on Yunshen's body, and carefully checked it up and down, with an unprecedented panic on her face...

## Chapter 1509

"Honey, there are so many people here! Are you... not good?"

The sound of the man's beating came from the man as usual, Selena was so angry that she almost gritted her teeth, she couldn't even care about the many staff around her, and cursed, "Are you crazy! Who told you to come here!!!"

After being scolded bloody, the man seemed in a good mood, "So cruel to the savior?"

Selena ignored him, and pulled off the man's jacket, revealing the white undershirt, when the bright red bloodstains came into view, Selena's complexion suddenly changed, and even her hands began to tremble, "You're bleeding!! !"

Yun Shen turned his head and glanced at his arm, frowning slightly, "Tsk, what a hassle!"

"My God! Mr. Yun is injured! Call an ambulance!" The people around shouted loudly.

Selena tried her best to calm herself down, but her voice still trembled uncontrollably, "No...it's too late...it's too late..."

"Selena, how are you? Are you injured?" Louis squeezed over panting.

Selena immediately looked at Louis, "Louis, what car did you drive here today?"

Louis was puzzled, "What's wrong with my big red supercar...?"

Selena hurriedly helped Yun Shen up, "Take us to the hospital!"

Louis: "Huh?"

Selena: "Quick!"

Louis: "Oh..."

...

Not far away, Meng Shiyi watched Yun Shen save Selena regardless of his life, and was so jealous that she almost cut her fingernails off.

Dmn b!tch, she was so fascinated by Yun Shen that she didn't even want her life, and used her noble body to help that b!tch avoid danger...

On the other side, Selena quickly helped Yun Shen into Louis's car, and then urged Louis to rush to the nearest Imperial Capital First People's Hospital.

The back of Yun Shen near the neck was cut by the metal sheet on the camera, and blood was bubbling out. Selena tore off the fabric on the skirt and did emergency treatment quickly, then firmly pressed her hands Touching the wound, he tied the rope and urged Louis who was driving in front, "Louis, can you do it! Drive faster! If you can't, replace me!"

Louis's head was full of black lines, "Dmn! Who said I can't do it! I'm fast enough already!"

Say no to a man.

Selena kept urging from behind, "Forget about the red light, just drive over if no one is there! Hurry up!"

Louis glanced at Selena's nervous appearance that he had never seen before in the rearview mirror, his face was a bit ugly, and he said in a bad tone, "The big man just suffered some skin trauma, why are you so nervous? "

Selena said sharply, "Stop talking to me, concentrate on driving your car!"

Louis had an extremely aggrieved face: "..."

Obviously you have been urging me to disturb me, hello! It's also an ex-boyfriend, wouldn't it be too discriminatory?

In the back seat, Yun Shenjing looked at the girl's frowning brows and the beads of sweat dripping from her forehead, and smiled softly, "Duplicity... and you said you don't care about me..."

Selena stared at the blood that was flowing faster and faster between her fingers, "I just don't want to owe you any more!"

The man's eyes dimmed for a moment, he leaned back on the chair, and murmured, "Tsk... so cruel... can't you coax me once?"

Selena: "Shut up! Stop talking nonsense! Save me some energy!"

Listening to the conversation between the two people in the back seat, Louis felt more and more strange. Could Selena be overly nervous about Yun Shen?

This ex-boyfriend is really the scariest...

## Chapter 1510

Finally arrived at the hospital, Selena helped Yun Shen into the emergency room as quickly as possible.

Louis parked the car and was about to chase after him when he caught a glimpse of the back seat of his car out of the corner of his eye, his eyes widened in shock.

fcuk...

It's just a little skin trauma, why is there so much blood...

It's just a bloodbath...

Louis was in a daze, and before he had time to think, he quickly chased after him.

When Louis arrived, Yun Shen had already been sent to the emergency room, and Selena was anxiously wondering who to call.

"That's right... the emergency room of the First People's Hospital of the Imperial Capital... okay... hurry up..."

Louis saw that Selena's hands were covered in blood, her clothes were also covered in blood, and there were bloody footprints in the corridor...

"Dmn it! Selena, what's going on? Is this guy injured elsewhere? The blood must have been too much..." Louis asked blankly.

Selena sat down on the bench in the corridor slowly, pinching the space between her brows facelessly and tiredly, "He has a blood clotting disorder...Once he is injured, the blood cannot be stopped..."

Besides... there is something even more difficult that Selena didn't say...

"I said it!" Louis suddenly realized, no wonder Selena was so nervous.

He has a little understanding of this disease. There is a friend in the circle who usually looks at normal people, but once the bleeding cannot be stopped, it is scarier than the aunt...

Time passed bit by bit, and after an unknown amount of time, the door of the emergency room was pulled open.

A little nurse came out anxiously, "He is bleeding too fast, and it is difficult to stop it even with medicines, and he is still Rh-negative AB blood, the hospital's blood bank is not enough, even if transferred from other hospitals, the whole city I'm afraid the sum of all of them won't be able to stop him from going on like this..."

"What? Rh-negative blood... Isn't this panda blood?" Louis was stunned.

This product not only has blood clotting disorder, but also extremely rare panda blood... Could it be a bit unlucky?

What Selena was most worried about finally happened, and she said with an ugly face, "I have a friend who can stop bleeding with acupuncture, and he is already on his way..."

It will take at least an hour for Annie to come from Taohuawu, and even if she comes, the effect of acupuncture to stop bleeding is actually very limited. The only way is to use a steady stream of blood to maintain his life and buy time for his body to recover, but But his blood type is so special, once the blood plasma is used up before the bleeding is stopped, he will die due to excessive blood loss...

The hospital transferred the few remaining generations of plasma from other hospitals as quickly as possible, and at the same time, Annie and Kevin also arrived.

Originally, the doctor didn't agree with Annie to go in. I don't know what Kevin said to the doctor, but the doctor immediately let Annie go...

Selena waited anxiously outside, her face getting more and more ugly, there are really too few people with this blood, the entire emperor fears that there are not many people, and there are even fewer records...

"What's going on?" Kevin walked up to Selena after communicating with the doctor.

"The camera fell...he blocked it for me..." Selena smiled wryly with a pale face, "You ba5tard! Don't you know the condition of your body! Why do you have to be brave!"

Kevin glanced at Selena and sighed inaudibly.

Even if you know it, so what, seeing someone you like is in danger, even if you know that it may be more dangerous to go by yourself, it is impossible to ignore it...

With a sound of "swipe", the door of the emergency room was opened again, the little nurse's face became even more ugly, and she brought the bad news, "The plasma is used up! The patient's blood pressure is dropping rapidly... Do you know anyone with this blood type?" ?"

Selena's face turned pale, with despair appearing on her face...

At this moment, a sound of steady and powerful footsteps sounded behind him, accompanied by the man's deep voice – "Use my blood."

Selena turned around and looked at the man behind her in amazement, "Daniel..."
