

Cruel Heart Lover Novel

Chapter 1661

A box in a bar in the imperial capital.

The woman took out a contract from her bag, placed it on the coffee table, then lit a cigarette, and took a lazy puff.

Kevin's eyes lingered on the contract for a second, then reached out and took it.

After looking through it for a while, I was surprised to find that a woman's name had been signed on the equity transfer document: Song Lin.

Yun Shen leaned back on the sofa, holding a glass of red wine in his hand, and glanced at the signed share transfer letter from the corner of his eye, "What? Miss Song changed her mind?"

Song Lin breathed out a puff of smoke unhurriedly, "I have no reason to refuse Mr. Yun's offer, is there?"

Yun Shen glanced at the opposite woman with a half-smile, and naturally he didn't believe that it was because of this that she sold the shares to him. If she was really tempted by this offer, she wouldn't wait so long.

"I didn't expect...Miss Song was also interested in Madam Lu's position?" Yun Shen's words were blatant.

The implication was that Song Lin was planning to use the 5% of the shares to fight against Daniel, but failed.

Song Lin raised her eyebrows slightly, and said quietly, "I do have something of interest, but it's not Daniel."

"Oh?"

Song Lin didn't know what to think of, her eyes suddenly burst into a trace of heat, "I don't know if Yun always knows about that little girl next to Daniel?"

Yun Shen paused subconsciously as he shook the wine glass, "Selena? Heard about it, why?"

Song Lin tilted her head and chuckled, "It's pretty cute."

The corner of Yun Shen's mouth twitched: "..."

Even Kevin's face darkened for a moment: "..."

Obviously, neither of them expected to hear such an answer...

Seeing this, Song Lin raised her eyebrows and said, "President Yun is not such a vulgar person, is he?"

Yun Shen's face turned dark, he was not interested in Song Lin's sexual orientation, and he didn't think this kind of thing was unusual, it was just the one she fell in love with...

He really didn't expect that Song Lin's reason for choosing to stand on the united front with him in the end would be so unimaginable.

It is estimated that Song Lin used the 5% of the shares to exchange Selena with Daniel, but Daniel refused, so she went to him.

On the one hand, it was because of Daniel's refusal; on the other hand, it was probably because he was still unwilling to give up...

The Lu family had already been thinking about getting married, and the greater the pressure on the Lu family, the more they would urge and speed up

the matter. When Daniel wanted to marry another woman, the two of them would naturally break up...

After thinking for a moment, Yun Shen stretched out his hand, "Then Miss Song, happy cooperation!"

An enemy of an enemy is a friend.

There is another saying that... the praying mantis catches the cicada, and the oriole follows.

"Happy cooperation!"

Yun Shen was about to continue talking about the details of the contract when the phone rang suddenly.

"Hey?"

"Boss, the black dragon has been rescued!"

"Rescued?" Yun Shen showed a surprised expression when he heard the words, "Understood, I'll be right back."

After answering the phone, Yun Shen looked apologetically at the woman opposite, "I'm sorry, I have something urgent to deal with, and I'll talk to Miss Song in detail another day."

"President Yun, please feel free!"

...

A garden in the suburbs of Beijing.

Yun Shen and Kevin hurried back.

"What happened? Who moved the hand?" Yun Shen asked in a deep voice.

Even Feng Xiaoxiao couldn't get him out before, how did he get out now?

Originally, he had already prepared for the worst, because based on his understanding of Daniel, he would never give them any chance to fish him out!

Chapter 1662

The subordinate hurriedly replied, "I was patrolling at night, and suddenly I saw a person at the gate. After looking carefully, I found that it was a black dragon..."

Yun Shen narrowed his eyes slightly, "You mean...the black dragon appeared at the door by himself?"

"yes!"

"Anyone on our side?"

The subordinate frowned and muttered, "At first I thought it was someone from our side who did it, but after I checked it out, after you gave the order last time, our side has given up taking action, and no one should act without authorization." Yes, boss, do you think the black dragon escaped by itself?"

Yun Shen took a sideways glance at the other party, "Oh, you escaped by yourself? Can you escape and show me?"

"Uh..." The subordinate trembled in fright, and immediately stopped talking.

After all, even if Feng Xiaoxiao went to the place where Heilong was being held, not only did he fail to rescue anyone, but he almost folded himself in. Heilong was tortured to the brink of death, how could he escape by himself.

"What about others?" Yun Shen asked.

"Upstairs, but still in a coma."

"Notify me immediately when you wake up."

"yes!"

Yun Shen turned his head to look at Kevin, who had been silent since just now, leaned over and put his arm on his shoulder, "A Ye, what are you thinking?"

Kevin came back to his senses, thought about it and said, "I just feel that this is very strange. It is impossible for the black dragon to escape by itself, but it is not our people who did it. What does it mean..."

"Someone is secretly helping us?" He naturally thought of this.

Kevin looked at the subordinate who discovered the black dragon, "Immediately send someone to investigate, what is Daniel's reaction now?"

"yes!"

Soon, news came from the people over there.

"Boss, Brother Ye, we have inquired. Tonight, Daniel's side was forcibly broken into by unidentified people and took away the black dragon without leaving any traces. At present, even Daniel's side doesn't know who did it. I guess They thought they were our people!" The subordinate hastily replied.

"Break in?" Yun Shen raised his voice when he heard the words.

Kevin also changed his face slightly. There are many institutions in the detention place, and it doesn't just require good skills. He also needs to know various methods of breaking the institutions and extremely rich experience.

People who can meet these conditions at the same time...

Kevin said in a deep voice, "What is certain is that someone is secretly helping us. There are two possibilities for this person's identity. One possibility is that this person's overall strength is higher than Xiaoxiao's. People who meet this condition are among our best friends. Among the people I know, no one would suddenly help us with this matter for no reason; another possibility is that Daniel had an inner ghost, so he was able to break in and take him away."

Yun Shen rubbed his chin, "Oh, it's getting more and more interesting..."

"Boss, the black dragon is awake!" At this moment, someone rushed over to report.

Upstairs in one of the rooms.

The man on the bed saw Kevin and Yun Shen struggling to get up immediately, "Boss, Brother Ye..."

Kevin reached out and pressed the man's shoulder, "Don't get up, just lie down, I just have something to ask you, who rescued you?"

Heilong was taken aback when he heard the words, "Didn't you send someone to save me?"

"Did you not see the person who rescued you?" Kevin frowned.

Heilong tried his best to recall, "I remember that I fell asleep at the time, and then it seemed that someone approached me, but before I had time to see who it was, I lost consciousness, and I was already here when I woke up..."

Chapter 1663

Kevin and Yun Shen glanced at each other upon hearing the words, but did not speak.

Soon, Qiao Yi hurried over after hearing the news.

"what happened?"

Kevin briefly explained the matter to Qiao Yi.

Qiao Yi suddenly looked at the black dragon on the bed like ice blades.

Supporting his injuries, the black dragon hurriedly said: "Boss, Uncle Qiao, don't worry, I only recruited some unnecessary information, and they tried their best to learn about our underground trading channels from me... Fortunately, tonight I was rescued...otherwise...I'm afraid...I really can't bear it..."

It can't be blamed that they are so nervous that the black dragon will fall into Daniel's hands. The situation has been very tense recently. If they accidentally lose everything, if their channel is exposed, all underground transactions will be stopped, and the loss will be almost devastating. Yes, if you don't stop taking risks and continue, you will be caught by those black cats...

While Heilong was talking, Feng Xiaoxiao swept in like a whirlwind, rolled up her sleeves and shouted, "fcuk! Who is this! What is wrong with me? Xiao Hei! Who rescued you?"

She, who was not rescued by No. 1 in the mercenary world, was finally rescued alive by others? This is not a place to smash her!

"Sister Xiao, I was in a coma at the time, so I didn't know..." Heilong smiled wryly, and then he didn't forget to appease the person who exploded, "The other person is most likely the inner ghost of the Lu family..."

Qiao Yi looked at Feng Xiaoxiao with a dark face, "Xiaoxiao, from now on, you don't have to interfere with everything here, and within a month, you must complete your S-level mission!"

Feng Xiaoxiao immediately straightened her back, and accepted the order with a sad face, "Yes, master!"

What the hell, if you get that cat within a month, you might as well let her die!

...

In the early morning of the next day, the Lu family's old house.

"What did you say?" Hearing his subordinate's report, Lu Chongshan suddenly stood up, his face full of anger.

Yan Ruyi at the side also had an anxious expression on her face, "You mean that Song Lin sold all the shares in her hand...to the people over there?"

"Yes, the news is accurate and has been verified."

"Does Daniel know?" Lu Chongshan asked in a deep voice.

"Boss Lu already knows."

"Okay, go down!" Lu Chongshan waved his hand impatiently.

After the subordinate left, the anger on Lu Chongshan's face could no longer be suppressed, "This Song Lin, our Lu family has never treated her badly all these years, but at this time, she turned against her without saying a word, betrayed her if she said it... really It's the actor who is ruthless! This is absolutely true!"

Yan Ruyi frowned, "At first I thought Song Lin was a good person... I didn't expect..."

"Where's Little Treasure? Have you woken up yet? We can't wait any longer!" Lu Chongshan urged impatiently.

When he first learned that Rick was willing to try to accept those ladies, and that he had stayed in the old house very cooperatively to choose carefully during this period of time, he was very relieved.

However, as time passed, he discovered that the little guy was very serious, but he was a little too serious. It took such a long time to select the spots for the primary election, so that the tea party hadn't been officially held until now.

Now the situation is getting worse and worse, I really can't wait any longer!

"Grandpa, grandma!" At this moment, a soft and sticky bun came down from upstairs.

Chapter 1664

Today, the little bun is dressed very cutely and cutely, his little face is flushed, and he calls "grandpa" and "grandma" in a milky voice, which makes people's hearts melt. Even if they are asked to pick the stars in the sky, they will definitely not hesitate. Take it off and give it to him.

"Hey, little treasure, come to grandpa quickly!" Lu Chongshan was still full of anger just now, but when he saw his precious grandson, he immediately beamed with joy.

"Grandpa hug..." The little guy enthusiastically opened his short hands and walked towards grandpa.

Lu Chongshan was so happy that he didn't know what to do, he hugged the little guy in his arms, "Good, good, grandpa!"

"Grandpa, Baba will come to pick up Rick later, Rick hasn't accompanied Baba for a long time, but grandpa don't worry, Rick will come back to accompany grandpa soon, grandpa, don't miss Rick too much!" the little guy coaxed. Coaxing softly like a child, with the appearance of a little adult.

Lu Chongshan was coaxed extremely comfortably, "Okay, my little treasure is so obedient and filial!"

Yan Ruyi looked at her husband who had changed his face in an instant, a little speechless, and coughed lightly as a reminder.

Who was in such a hurry just now? As a result, as soon as I saw Rick, I forgot everything...

Only then did Lu Chongshan come to his senses, coughed lightly in embarrassment, then looked at his precious grandson, and asked in an extremely gentle tone, "Little Treasure, have you selected the previous list? It must be decided within this month Oh!"

Little Treasure rolled his eyes, knowing that the procrastination has reached its limit, and he can proceed to the next step, so he nodded straightforwardly, "Okay Grandpa, Little Treasure must do it as soon as possible, and it will be done in a few days!"

Lu Chongshan breathed a sigh of relief when he heard the words, "That's good, that's good..."

Hey, as expected, his precious grandson is the most obedient and caring!

Rick rubbed against grandma again, took grandma's hand, and asked seriously, "Grandma, what kind of daughter-in-law do you like? Rick will help you choose one who is as well-behaved and sensible as Rick." The most filial daughter-in-law! Take care of grandma with Rick, be filial to grandma!"

Hearing this, Yan Ruyi was so moved that she didn't know what to do, "Rick is so good, thank you my good grandson..."

Yan Ruyi and Lu Chongshan were talking to their grandson with gratification on their faces, when Lu Chongshan saw his son walking in from the door from the corner of his eye, his face immediately sank.

Lu Chongshan: "Here we come."

Daniel glanced at his own son who had coaxed the elders into submission:
"Well, I'll pick up Rick."

Lu Chongshan's complexion was even worse. How could he not know that he was definitely going to meet that woman when he picked up Rick, but he didn't want to make Rick unhappy.

"You know about Song Lin?" Lu Chongshan asked in a deep voice.

"I know." There was no expression on Daniel's face, and Lu Chongshan felt like he had punched cotton.

Because I didn't want to say this in front of Rick, so as not to quarrel, I finally stopped and didn't continue, "Go, slow down on the road!"

"Goodbye, grandpa, goodbye, grandma!"

"Okay, goodbye, Rick!"

"Slow down on your way!"

...

After getting into the car, Rick immediately switched from a soft and cute little grandson to a noble and glamorous state.

"Where's mom?" There is no doubt that the first sentence is to ask mom.

"At your aunt's place, we'll go to the airport to see your aunt off later." Daniel replied.

"Yeah." Rick nodded, and then he didn't say anything else. He buried his head and kept fiddling with the phone, not knowing what to do.

Chapter 1665

Mo Zhai.

Mo Lingtian was in a deep sleep when he was suddenly woken up by the ringing of his mobile phone. He immediately felt angry, "Who? It's so early in the morning... looking for death?"

"Holy sh1t! Mo Lingtian, my young master is getting married today. Where did you agree to accompany my brother to pick up the k!ss? Why don't you see what time it is?" An angry man's voice came from the other end of the phone.

Mo Lingtian's complexion froze, and he muttered in a daze, "Accept a marriage?"

"Dmn! You won't forget, right? I'm not talking about you, Mo Lingtian, what's going on with you lately? You can even forget it!"

"It's so noisy, what are you talking about, I'll be there soon! Hang up!" Mo Lingtian hung up the phone, rubbed his messy hair irritably, changed clothes and washed quickly, and then rushed downstairs like a gust of wind.

In the living room, Mo Jianzhang and Kang Shuhui were having breakfast.

Mo Lingtian took a piece of toast casually, "Dad, Mom, I don't want to eat breakfast, I'm going to leave first!"

Kang Shuhui frowned and called him back, "At least eat a few bites. It's so early in the morning, where are you going in a hurry?"

"The mouse is getting married!" Mo Lingtian replied casually.

"Oh... that's right... that kid from the Zhuo family is getting married today..." Kang Shuhui thought about it in a daze, and murmured dazedly, and only recovered after a while, "Then you go, don't be late !"

"Yeah." Mo Lingtian replied in a muffled voice, and hurried out the door.

As soon as he walked to the door, Mo Lingtian's expression darkened immediately.

If it was in the past, let alone getting married, even if his friends were looking for a girlfriend, his parents would take turns talking about him for three days and three nights, urging him to find a girlfriend and force him to get married.

However, since that incident happened, the two of them never once mentioned asking him to find a girlfriend or urging him to get married...

After the age of twenty, his ears have never been so clean...

So clean...so unaccustomed...

A woman's murmur appeared in his mind... Ling Tian, this is the last thing I can do for you...

He knew that he owed her too much, but self-blame and guilt were not love.

Mo Lingtian wiped his face, vigorously erased all the mess in his mind, and started the car engine.

...

Imperial Airport.

Selena reluctantly hugged the girl in front of her, "Sister Tianxin! I really miss you!"

"I'll be in touch with you often."

"Remember to take good care of yourself, and let me know if you need help!"

"knew!"

"Also, you must remember to continue to take the medicine Annie prescribed for you, and the security abroad is no better than in China, so be especially careful, don't go out alone at night, and there are..."

Seeing Selena talking endlessly, someone's extremely helpless voice came from beside him, "Please, I'm here with you, why are you so worried? I promise to settle Tianxin properly, so you can relax!"

Selena hugged Ning Tianxin, and gave Qin Mufeng a vigilant look, "You are the one who worries the most!"

Qin Mufeng looked innocently and looked at Daniel for help.

Daniel put his arms around Selena's shoulders, and patted Selena comfortingly, "Okay, good boy, time is running out, and Mu Feng is very familiar with that, and I will also ask the assistant from the branch there to pick up the plane. problematic."

"Okay..." Selena finally let go of Ning Tianxin reluctantly, "Sister Tianxin, goodbye! Little Bao, say goodbye to your auntie!"
