

Cruel Heart Lover Novel

Chapter 1666

Rick came forward obediently, raised his head and said crisply, "Aunt Tang, this is a gift prepared by Rick for you!"

The little guy thoughtfully presented a farewell gift, which was a portrait of Ning Tianxin he had personally drawn based on the photo his mother sent him, and framed it in a photo frame.

Apart from painting Ma Ma, the little guy rarely draws portraits, which shows that he has a good impression of this aunt and likes it very much.

Ning Tian took it over lovingly, looked at the little guy in front of him with incomparable tenderness, knelt down and hugged him gently, "Thank you, thank you Rick! I like it very much!"

The little guy's body was soft, with a milky aroma, making people's eyes inexplicably pantothenic.

Ning Tianxin quickly let go of the little guy, "Selena, I'm leaving, you guys go back quickly!"

"Well, take care!"

...

After bidding farewell to Ning Tianxin, Selena felt a little lost.

Seeing that his mother was in a low mood, Rick immediately comforted her seriously: "Mom, don't be sad, there is always a banquet in the world, and Rick believes that Tang Auntie will have a new and better start!"

Selena looked at her precious son and burst into tears, "Yes, Rick is right!"

That guy Qin Mufeng said he was on a business trip abroad, so he could be with Ning Tianxin on the way, and he could take care of him on the way.

This guy had already confessed to Selena his intentions towards Ning Tianxin, so Selena knew that he was a drunkard and didn't care about drinking, but she didn't know if the two of them would succeed in the end.

If possible, Qin Mufeng would indeed be a good candidate.

In the distance, the plane roared into the sky, drifting away until it disappeared...

Selena finally withdrew her reluctant gaze, and then sent a message in Moments: "There is always a banquet in the world, dear sweetheart, I believe you will have a new and better start!"

...

A high-end villa area in the imperial capital.

A lively wedding was going on, a group of people were laughing and laughing, and the atmosphere was extremely warm.

"No entry, no entry! Where's the red envelope?"

"Bring the red envelope!"

"No, no, no! Not enough! Do a hundred push-ups first!"

"Wow, you guys are cheating! How can ten people make ten!"

...

Mo Lingtian mingled with the best man group in the crowd, booed and came up with some bad ideas from time to time, after tossing for a long time, he finally helped his brother get in the door smoothly.

Zhuo Haoran is one of the 5luts in their circle, he is usually a rogue-fighter, now he looks at his wife and smiles like an idiot, clumsily putting shoes on for a girl...

Mo Lingtian stood leaning against the wall, quietly looking at the scene in front of him. It was obviously so lively at the moment, but for some reason, his heart felt empty.

The phone rang "Ding Ding Ding" from time to time, he casually clicked on Moments and swiped through, all these friends in the circle wished for Zhuo Haoran's marriage, and he casually clicked a few likes.

While continuing to slide down, Mo Lingtian's expression froze for a moment...

The Devil: There is always a banquet in the world, my dear sweetheart, may you have a new start!

The female devil is his note to Selena.

sweetheart...?

Seeing these two words, combined with the meaning of this sentence, Mo Lingtian's expression became inexplicably tense, and he hurriedly clicked on the photo below.

The accompanying picture is a photo, inside the photo is an exquisite photo frame, inside the photo frame is a brightly colored and exaggerated portrait of a person, but based on his characteristics, it can be recognized at a glance that the person is Ning Tianxin...

Chapter 1667

Mo Lingtian repeatedly looked at the sentence and the photo on the phone, over and over again.

The style of that painting looks like it was drawn by Rick, and the person in the painting should be Ning Tianxin.

There is always a banquet in the world... What do you mean?

At this time, he noticed that Selena's location at the moment showed the Imperial Capital Airport.

After seeing the location clearly, Mo Lingtian's fingers trembled slightly, and before his brain reacted, his body had already rushed out.

"Hey? Mo Lingtian! Where are you going?"

"Why is this guy going?"

"I do not know!"

...

All the voices disappeared behind him, Mo Lingtian went downstairs and got into the car as fast as he could.

Sitting in the driver's seat, Mo Lingtian glanced at the message again from the corner of his eye, and was about to start the engine, but his expression froze, and he stopped all his movements suddenly.

Selena's post was posted an hour ago...

This means...she may have already left...

Even if she was lucky that she hadn't left yet, it was the morning rush hour, and it would take at least two hours from here to the airport, no matter what, he couldn't catch up.

In an instant, Mo Lingtian felt as if he had suddenly fallen from a high cliff, and the feeling of weightlessness mixed with dizziness swept him away in an instant.

I don't know how long it has passed, but the man is still holding his phone and lying on the steering wheel, motionless, the place where the heart beats in his chest seems to have been hollowed out, and the cold wind howls through.

It seems that until this moment, he really realized that the girl who stopped at the same spot no matter when he turned around had really completely left his life...

After leaving the airport.

Selena was still thinking about Ning Tianxin, "Darling, let me ask you, what is Qin Mufeng like? Is he reliable?"

"Good character, simple private life, family environment and parents' thinking are more inclusive and enlightened."

Daniel covered all of Selena's concerns in a few simple sentences.

Selena's expression softened a little, "Hey, I hope this guy will work harder! I don't know how good his flirting skills are, but he's also a psychology student! If it doesn't work, you can ask him to ask me, and I'll teach him! Anyway! As long as it's not Mo Zhaza, as long as it's sincere to my sister Tianxin, I will assist you unconditionally!"

Daniel couldn't help but look at her who was more anxious than Qin Mufeng, "This kind of thing can't be rushed, I'd better leave it to your sister to figure it out."

"I know..." Selena sighed.

I can't blame her for being so anxious, because she knows Ning Tianxin's personality too well. With her personality, the last thing she wants is to hurt others. alone...

After finally being able to come out and get together with Rick, Selena tried her best to cheer up, "Honey, where do you want to go to play today?"

"Mom, can I go to the amusement park?"

"Of course!"

In this respect, Rick is exactly like an ordinary child. Whenever she is free, she will take her to various places where children play, and even let her take her to KFC once. The reason is because she saw other children love to go.

The little bun gradually blended into the crowd and became like an ordinary child. Selena was naturally the happiest.

The family of three played around all day, and then happily returned home with great satisfaction.

"Mom, let's go to the roof to look at the stars, shall we?" After arriving home, Rick suddenly raised his head, his eyes were unusually bright, and asked.

Chapter 1668

Selena smiled lightly and rubbed the little guy's head, "Okay!"

After speaking, he led Rick up to the roof.

Daniel followed behind, looking at his son thoughtfully.

When they got to the roof, Selena looked up at the sky, feeling a little regretful, "It's a pity, the emperor can't see too many stars... Next time I have a chance, Mama will take you to the Peach Blossom Spring!"

Rick looked at his mother with a satisfied face, "It's okay, mother, we can watch other things!"

Selena blinked her eyes in bewilderment, "Other? What are you looking at?"

The little bun pursed his lips and pointed to the sky, "This..."

Selena looked in the direction of Little bun's finger, and saw a sudden flash in front of her eyes, a cluster of flames rose vertically from the horizon, and then exploded in the air with a "bang", followed by dazzling fireworks It exploded and turned into a few words...

at the same time.

Saul, who was tasting wine on the balcony next door, and Louis, who was playing games in the villa behind, only heard a sudden "bang" in their ears.

Then, I saw dazzling fireworks lit up in the sky, and the fireworks formed three words – "I love you".

Louis looked at the three incomparably explicit characters, his face turned as dark as the bottom of a pot, his hands shook, and the game characters on the screen died tragically.

"Dmn it!" Saul scrambled to his feet, leaned on the railing and looked up at the sky, "Dmn it! Isn't it alright? You're an old married couple and still show affection! Can you let me stop with your brother?" In a few days, my little heart was riddled with holes..."

Just as Saul was spouting bad things, there was another explosion, followed by two large characters of fireworks in the sky – "Mom".

I love you mom?

"Uh..." Saul froze in shock.

He thought it was his brother who was playing romance, but it turned out to be Rick?

"Li...that's amazing, my bun..."

This dead boy is absolutely amazing, how old is he? How can you grow up!

Louis looked at the words "I love your mother" and "Ten miles of spring is not as good as mother" outside the window, with a dog-like expression all over his face. How dare he be only one baby away from his wife?

This god-like assist is almost kneeling...

Compared to Saul and Louis, the one with the most complicated mood should be... a certain big devil.

In the morning, he had already noticed that the little guy was secretly preparing something, but he didn't expect it to be this...

Son, do you know that you stole your father's job?

However, the little guy did remind him that as the relationship got longer and longer, the two of them became more and more compatible and tacit, so that the way of getting along became closer and closer to that of an old couple. Not good at it, it does lack a little passion and romance.

Although the son failed to inherit these skills from him, he did inherit a lot of romantic genes from Selena...

"Wow...these are..." Selena hadn't recovered yet, her face was full of surprise.

Even though her flirting skills are full and she is familiar with various routines, Selena is still as excited as a girl at this moment.

"Rick, did you prepare this for your mother?"

Rick nodded shyly, with a trace of nervous expectation in his eyes, "Mom, the book says that girls need romance! Mom, do you like it?"

Selena's response was to hug the little bun and kiss fiercely, "Oh! I like it so much!"

Chapter 1669

"Ding" "Ding" Selena's phone received two new messages in succession.

Foul Demon King: Say, I can move house! See you!

Little Koi Prince: Wang!

"Pfft..." Selena laughed out loud.

After watching the fireworks, Selena reluctantly sent Rick back to the old house with Daniel.

After returning to the Platinum Emperor Palace.

Daniel suddenly took out a square black velvet gift box from his pocket and handed it to her.

Seeing this, Selena blinked her eyes, "What?"

"A gift." Daniel replied.

Selena reached out to pick it up, and said suspiciously, "It's not a holiday, why are you giving me a present?"

"Need a reason?" Daniel raised his eyebrows, looking like a domineering president, "Do I need a reason to give you something?"

Selena chuckled and opened the box. In the next second, she was almost blinded, "Oh, I'm going!"

What Daniel gave her was actually a diamond necklace, which seemed to be the latest one from tfn, called "Gypsophila".

It really lives up to its name, it's so shiny...

"Hmm..." Selena looked at the sparkling diamond necklace with an indescribable expression.

"What?" Daniel asked.

"My dear, you... like diamonds?" She was a little shocked that she had the same hobby as someone else!

Hearing this, Daniel replied unhurriedly, "I don't like diamonds, I just like how they look on you."

"...!!!" Dmn it! Selena was shot with a "poof" by a careful arrow.

Her darling is absolutely perfect!

One sentence can turn decay into magic!

Selena happily leaned over and k!ssed the man's face, "Thank you, help me put it on!"

"Yes." Daniel picked up the necklace and carefully helped the girl wear it around her neck.

"is it nice?"

Selena's accessories were mostly jade, and she seldom wore diamonds, because she was sick of looking at diamonds, but at this moment, she felt that this diamond necklace was really beautiful, no wonder women like diamonds!

"Yeah." Daniel gently put his arms around the girl's waist, and there was an undercurrent in his voice, "Selena, give me a little more time, trust me, I will take care of everything. The tea party will probably be held in a few days. But Little Treasure's delay is enough for me to settle everything."

Daniel comforted him with a firm tone.

"Well, I believe you!"

As Selena spoke, her expression was a bit complicated, but she didn't know what Daniel was going to do, and how far she would go, and that side was definitely not easy to deal with, in case of a desperate situation...

In addition, that person was kind to him after all, if it really came to the point where her life was at stake, she might not be able to continue to stay out of it...

Daniel seemed to see her worry, stroked the girl's hair and said, "The Lu family has family rules that forbid brothers to kill each other."

Hearing this, Selena's heart was filled with emotion.

She knew what Daniel meant. What he meant was that if it really came to that point, no matter what the other party would do, he would not kill them all.

Not only because of the Lu family's family rules, I'm afraid...It's also because of her...Because I'm afraid she will embarrass her...

"Daniel, thank you..."

"Huh?" Daniel raised his eyebrows slightly when he heard the words, "Are you sure this is what you want to say?"

Selena chuckled, jumped up and kissed the man's bottom, "Well, it should be... I love you!"

...

Chapter 1670

These days, Selena took advantage of her free time after wrapping up, and took time every day to carefully prepare a nutritious and delicious caring lunch for Rick to take to school. During this period of time, Rick has really worked too hard. It is obviously an adult's business, but he has to be troubled by a child.

Hope this all ends soon...

Three days passed in a blink of an eye.

The entire Lu family mobilized, and the long-prepared "Ladies Tea Party" finally began.

In order to welcome the ladies and daughters, the entire old house has been renovated. It is simple and quiet, but it is exquisite and magnificent. There are all kinds of luxury cars parked at the entrance, and the well-dressed ladies are competing for beauty. , dazzling.

On such a grand day, how could Saul not come to gossip, no, he came to stare...

At this moment, looking at the exaggerated scene in front of him, Saul's goosebumps almost rose.

Hey, it's fortunate that his brother was standing in front of him, otherwise all this terrible thing would have fallen on his head.

"Saul, what are you doing in a daze? Hurry up and pick up Rick from school!"

"sgum!"

"Also, don't stay out of it, take a good look at me today to see if there is any girl I like!"

"Mom, what are you talking about? The wind is too strong, I can't hear..." Saul elongated his voice exaggeratedly, and ran away without a trace.

Behind him, Yan Ruyi gave her son a helpless look.

Forget it, things have to be dealt with one by one, the most urgent thing now is to solve the matter of Daniel.

"Aunt Lu, why haven't you seen Rick?" The well-behaved girl has already come up to make love.

"Little Treasure is still at school, and Saul has already gone to pick him up! Wait a moment, everyone, go to the courtyard and have some tea first!"

"That's it, it doesn't matter, learning is more important!"

...

Soon, Rick was brought back by Saul.

Although it was not the first time for the famous ladies who came here today to see Rick, but seeing the little guy who looked exactly like Daniel in terms of appearance and demeanor, they were still cute.

Even though he knew that Daniel had a son with an unlucky mother who would become a stepmother when he got married, he couldn't help but like such a cute little Zhengfu.

"The little prince is so cute!"

"If I can have such a cute and cute son, I will wake up laughing from my dreams!"

"It is said that the little prince is actually quite easy to get along with..."

...

Saul on the side saw the girls being deceived by Rick's cute appearance one by one, and the corner of his mouth twitched and muttered, "Tsk tsk, stupid human beings! You will cry later..."

Rick was very efficient. As soon as he came back, he held the candidates' materials he had prepared so much these days, and said to his grandparents, "Grandpa, grandma, you can start."

"You just got home, don't you need to rest for a while?" Lu Chongshan said with some distress.

"No need, Grandpa, Rick is not tired, it's important to do business." Rick looked serious.

Lu Chongshan nodded with satisfaction, "Okay, listen to Rick, then let's start! Are the rules still the same as we discussed before?"

Rick nodded, "Well, I will come up with the questions. The questions vary from person to person. I will make the questions on the spot according to the situation. Those who pass the answer can stay and enter the next round."

"Okay!" Lu Chongshan hastily called the butler and asked him to inform everyone that it was time to start.
