Chapter 1721

“Ruyi, you and I are the same. The reason why I didn’t believe this girl at the beginning was because of her status as an actress. I was worried that she would be like that woman back then. Everything she did to Rick was just pretending and acting, all fake...”

As Lu Chongshan said, he shook his head and smiled wryly, “I’ve lived for so long, but after all, I still can’t see it as clearly as Daniel. That kid is right, it’s not anyone else who hurt Rick in the end, but me, who takes love as his own. An old man who overprotects Rick and has been living in the shadow of the past...”

Yan Ruyi closed her eyes, why not.

“Then you... agree with these two children?” Yan Ruyi asked.

Lu Chongshan was silent when he heard the words, and did not answer immediately.

Yan Ruyi had a predictable expression, and said directly, “I don’t care what you think, what to consider and how much to worry about. This time, I just want to stand by my son as a mother.”

Lu Chongshan stared blankly at the direction of the ward, showing a bitter expression.

All his life, he has been the heir, the chairman, and the patriarch, and he has always been for the overall situation, for the company, for all the clan members, but never for himself.

It wasn't until the moment he watched Rick "die" in front of him in the video that he realized how many things he had missed in his life.

This is his innate mission, even if he is given another chance, he can only make the same choice.

But he was wrong, too conceited, too stubborn, and too trusting of his own judgment.

He's already been wrong once, so he doesn't want to be wrong a second time.

This time, he chose to trust his son.

I don't know how long it took before Lu Chongshan finally murmured and said, "I'm afraid it won't be so easy for the Guan family to explain. I will try my best to find a way to satisfy both sides. After all, our side is also in the wrong. If it really doesn't work, we can give some compensation... .."

After understanding the meaning of Lu Chongshan's words, Yan Ruyi inevitably showed a surprised expression...

Unexpectedly, this man has been stubborn and domineering all his life, and there will be a day when he bows his head and compromises...

off home.

"What did you say?" After hearing what happened from his wife, Guan Rui suddenly jumped up.

Guan Zihao on the sofa had an extremely gloomy expression on his face, "What do they think of us as our Guan family? Come and leave as soon as you call! Don't forget that they begged to come here at the beginning! Now that the company is fine, they just crossed the river and demolished the bridge? What? There are such good things!"

Guan's mother was full of anger, "Isn't it! When I heard Yan Ruyi's words, I almost couldn't hold back cursing on the spot! What does she mean by that? My well-behaved daughter is not as good as a crippled one lying on a hospital bed. Actor? Their Lu family is too bullying! I want to ask for an announcement if I say anything! Lao Guan, you have to say something!"

Guan Rui said coldly, "Of course this matter can't be settled like this, but the matter hasn't reached this point yet, don't mess yourself up! Now it's just Yan Ruyi's one-sided words. Women inevitably have shallow eyelids and soft ears. Besides, her words won't do much, this matter still depends on Lu Chongshan's attitude!"

Guan Ziyao frowned, "I think this incident has a great impact on Uncle Lu and Aunt Lu, what if Uncle Lu also..."

Guan Rui directly picked up his mobile phone and made a call, "I'm going to call Lu Chongshan right away, and make an appointment with the two families to have a good talk! I want to ask Lu Chongshan personally, what does he mean!"

Chapter 1722

Imperial Hospital.

Daniel finally walked out of the ward.

Yan Ruyi looked at her son's haggard appearance, her face was filled with distress, and she persuaded, "Daniel, don't be too sad. Didn't you persuade Rick before? You must be well yourself! Now that medicine is so advanced, Selena may have a chance to wake up! As for me and your father... Although it's too late... Mom knows that it was our fault in the past... We misunderstood this child..."

Yan Ruyi was afraid that he wouldn't believe it, so she continued, "The people from the Guan family came just now, and I have already told them clearly that your father meant the same thing, but after all these years of friendship, your father and I are behind your wishful thinking. After doing so many things, I gave Ziyao nothing to look forward to. In the end, I can only feel sorry for him,

but you don't need to worry about this matter. Your father and I will handle it, and try not to affect the relationship between the two families..."

Lu Chongshan also knew that the girl became what she is now, and with his son's temper, I'm afraid she would never accept other women. Even if time can dilute everything, one day he is willing to start again, but he doesn't know how long it will be...

Although it's a pity that the marriage with the Guan family failed, but given the current situation, he can't keep dragging her down, he has to make it clear.

"Even if you can't be an in-law, you can't be an enemy..." Lu Chongshan sighed, and was about to continue talking when the phone rang suddenly.

Looking at the caller ID, Lu Chongshan frowned, "It's the Guan family's number."

"Tell me well..." Yan Ruyi hurriedly said.

Lu Chongshan nodded, and then said, "Brother Guan..."

Guan Rui's sullen voice came from the other end of the phone, "Brother Lu, I understand that the Lu family has suffered a catastrophe this time, and I also sympathize with that girl, but there are many ways to compensate a person, and you cannot take two children for a lifetime." Happiness comes in exchange!"

The "two children" in Guan Rui's voice obviously refers to Daniel and Guan Ziyao.

Lu Chongshan had expected that Guan Rui would call, and he explained helplessly, "Brother Guan, listen to me, this matter is that our Lu family is sorry for that girl, and now that girl has become like this, we turn around and let Ting For Xiao to marry someone else, this kind of ungrateful thing can't be done by our Lu family no matter what, not to mention that Daniel is also a person who values love and righteousness... As for Ziyao, we don't want to delay her at all..."

Guan Rui didn't expect that even Lu Chongshan had the same attitude, and suddenly he couldn't hold back his anger, "Delaying Ziyao? But you have already delayed her now! Brother Lu, you told me from the beginning, Ting

Xiao Being with that woman outside is just a joke, it will definitely not affect Ziyao, it was you who took the initiative to bring us Ziyao and Daniel together!

After returning to China, so many excellent boys came to our Guan family to ask for marriage, we rejected them all, just because of your promise. The results of it? But now, you tell me that you have to break your promise for a woman of low status!

Brother Lu, Ziyao is also my favorite girl. She has been a pain in the eye since she was a child, because she really likes Daniel, and because of the relationship between our two families, I turn a blind eye to the matter between Daniel and that woman. With one eye, he bears it again and again, and even loves Rick as his own grandson!

But what about your Lu family, what do you think of Ziyao in your Lu family? Items that come and go when you call them? Your Lu family must give us a reasonable explanation for this matter! “

Chapter 1723

Lu Chongshan knew he was in the wrong, and said in a deep voice, “Brother Guan, it is true that our Lu family did something wrong, but it has nothing to do with Daniel. It’s me, the father, who didn’t handle it well. I will bear all the consequences. Any compensation I will...”

When Lu Chongshan said this, he was suddenly interrupted by his son’s voice behind him.

“I’ll talk to Director Guan,” Daniel said.

Lu Chongshan hesitated for a moment, then handed the phone to his son.

Daniel took the phone and said in a cold voice, "Chairman Guan."

Hearing Daniel's voice on the other end of the phone and the distant address, Guan Rui immediately sneered, "Daniel, you're such a good boy, don't you even call him uncle?"

Hearing Guan Rui's ridicule, Daniel's expression did not change at all, "I will give Guan Dong an explanation in person in the reception room on the top floor of the Imperial Capital Hospital."

Guan Rui snorted coldly, "Oh, it's really sincere. If you want to explain to me, instead of coming to the door in person, you have to let my old man go to such an unlucky place like a hospital. Okay, I will go there, and I want to see, you guys How will the Lu family explain it!"

After hanging up the phone, Yan Ruyi walked over with a worried expression, "Daniel, how are you going to explain to the Guan family?"

At this time, Saul came out of the ward, put his arm around his mother's shoulder and said, "Hey, Mom, why are you worrying about this? You said you have two such handsome and intelligent sons, why should you worry about it? Just wait and see a good show later!"

Yan Ruyi gave him an angry look, and then said worriedly, "What's the fun? Don't mess around!"

"When did I mess around! Even if you don't believe me, don't you believe my brother? Anyway, you two don't need to do anything, as long as you're here!" Saul said firmly.

Yan Ruyi and Lu Chongshan looked at each other, not knowing what they were going to do.

However, seeing that Daniel didn't slump under such a blow, and would take the initiative to deal with these matters, he was relieved.

...

Little Treasure accompanied Selena in the ward, and Annie looked after her.

Lu Chongshan, Yan Ruyi, Daniel and Saul were planning to meet with the Guan family later.

After waiting for half an hour, the people from the Guan family arrived.

“Uncle Lu, Aunt Lu, Saul...” Guan Ziyao greeted each of them, then hesitantly looked at the man opposite him whom he hadn’t seen for a long time, “Daniel...”

Seeing Daniel’s indifferent reaction, Guan’s mother was very dissatisfied, “It’s alright, Ziyao, so what if you treat him well? Some people are not confused by women outside. North and South!”

As soon as Guan’s mother finished speaking, she felt the aura around the arrogant and alienated man suddenly changed. Although it was not obvious, the invisible pressure suffocated him like a thousand pounds of force.

Mother Guan coughed lightly, slowed down her tone, and said earnestly, “Daniel, I’m not talking about you, Auntie is older and has seen a lot, so she can see much more clearly than you. Look Look at the woman you fell in love with, and then look at our Ziyao, our Ziyao is a lady of everyone, no matter whether it is character or talent, there is nothing to say, and the character is the most pure and kind. Your father and mother watched her grow up, It is also the clearest...”

Regardless of Guan’s mother’s judgment on Selena, only Guan Ziyao, Yan Ruyi and Lu Chongshan were undoubtedly appreciative and satisfied, and there was inevitably a look of guilt on their faces at this moment.

Chapter 1724

Seeing the ashamed faces of Lu Chongshan and Yan Ruyi, Guan Rui followed closely and said, “The woman saved Rick by mistake this time. It is completely understandable that you want to make up for it. I also said on the

phone before, make up for it.” There are many ways, but let Daniel marry such a woman...

I don't mean that this woman is a vegetable now, but that this woman has a very bad reputation in the first place... The video before that was spread all over the Internet, and the influence is really bad! The eldest daughter-in-law of the Lu family, the head of the house, how could she be this kind of woman? “

Yan Ruyi frowned, “I have some understanding of what happened that time, and later it was clarified that the girl was framed by someone, and the person in the photo was a female celebrity who had plastic surgery to look like her...”

At this moment, Guan Zihao also said, “Aunt Lu, if flies don't bite seamless eggs, there must be something wrong with that woman herself.

You may not pay much attention to the affairs of the entertainment industry. In fact, this woman has a very bad reputation in the industry and on the Internet. There are scandals every day, and there are black fans everywhere!

This kind of woman, a man of status like us, can act on occasion, but it is absolutely impossible to marry home. You must know that marrying such a woman will have a serious impact on the company's stock if it is at least being judged by others! “

Lu Chongshan and Yan Ruyi's expressions were a little dignified. Although Guan Zihao's words were harsh, they were true, but this time Selena saved Rick, and they were prepared to bear the consequences.

Guan's mother was very satisfied with Yan Ruyi and Lu Chongshan's reaction, so she continued to talk with a smile on her face, “Our Ziyao, because we like Daniel and respect Daniel, even if he has an illegitimate child, Ziyao doesn't care. On the contrary, I don't know how much effort was spent for this child!

Do you think she learned psychology and children's education because of her interest? It's not all for Rick! But Daniel trampled all her thoughts under his feet, insulting her with a lowly actor! How could he be worthy of Ziyao, and the love between our two families?

Now even brothers and sisters and Brother Lu are here to break our hearts...I really...”

Guan's mother was still talking non-stop, each mouthful of grievances, and each mouthful of being sincerely blamed, while Saul on the side picked out his ears boredly, his face was full of sarcasm.

Daniel never interrupted the Guan family's accusation from the beginning to the end, until now he said expressionlessly, "Is it over?"

Guan Rui snorted coldly, his face was very dissatisfied, "What? Did we say one word wrong? Now that we are all here, what do you mean by confession?"

Daniel made a call and simply said two words to the other end of the phone: "Come in."

In the next second, two bodyguards in black with cold faces threw a man in like dragging a sack.

People from the Guan family had seen it before when they came to the Lu family, so they all recognized that it was the chef of the Lu family.

"Master, old lady, young master... I was wrong! I really know I was wrong! I was blinded by lard!"

The chef cried with snot and tears, and knelt down in front of Daniel, "Young master! Please forgive me! Please forgive me this time because the young master didn't suffer too much! The other party Asked me to double the dose, but I didn't dare, I only smeared a little on the lunch box, I really didn't want to hurt the young master..."

Chapter 1725

According to what the chef said, it was about Rick's food poisoning incident last time.

Yan Ruyi and Lu Chongshan's expressions suddenly changed. They always thought that something was wrong with Selena, but they never thought that the problem was with them?

It's not that someone put drugs in the food, but the chef tampered with Rick's special lunch box!

Guan Rui took a sip of tea unhurriedly, and then said, "It turns out that the last time Rick was poisoned, it was the cook's tricks!"

Guan Zihao's eyes narrowed, "What I want to talk about now is the affairs of our two families. Why did you get this person out?"

Saul smiled and said, "Why is Mr. Guan so anxious? Take your time!"

Yan Ruyi looked at the cook, and suddenly trembled with anger, "Master Chen! You have been working in our Lu family for more than ten years, and our Lu family treats you well. Who is it and how much benefit has it given you? Such a wolf-hearted thing! You clearly know that Rick is my life!"

"Old Madam... I'm sorry... I'm sorry... I'm sorry for you... I'm sorry, master... I... I'm obsessed! It's that Selena... That Selena slept with me all night and gave me a lot of money coaxed me to do these things, saying that I would never be found out, I...I couldn't resist the temptation, so I took the risk..."

"What did you say!?" Yan Ruyi's expression changed immediately.

Lu Chongshan's face was also slightly condensed, but he didn't react too much. He still sat there quietly. Since Daniel called Master Chen over on purpose, it must not be that simple.

"Old lady, master, and young master, my words are absolutely true, I dare not say a single lie! It was really that Selena who asked me to do this! If I lie, I will be struck by lightning! Give me Even with a hundred guts, I wouldn't dare to tell lies again!" Master Chen swore.

Guan's mother shook her head with sarcasm when she heard it, "I don't hesitate to kill a child to achieve my goal, but... actually even sleeps with a cook... This is simply..."

Just then, the door opened again.

A woman walks in.

"Is it her?" Daniel asked.

The cook stared at the man at the door, and immediately nodded, "It's her! The big star Selena!"

After seeing the woman at the door, Yan Ruyi and Lu Chongshan were immediately surprised, Selena? how is this possible?

Selena was obviously still lying unconscious on the bed right now!

So this woman is...

Yan Ruyi recalled, "This... is this woman the same Su Yimo who had plastic surgery to look like Selena?"

"That's right, it's her." Saul nodded.

Yan Ruyi patted her frightened chest, "No wonder I don't think this woman's eyes are right..."

"Mom, you have sharp eyes!" Saul complimented.

"Don't be silly! So, the person who ordered this chef is actually Su Yimo?" Yan Ruyi asked.

At this time, Guan Zihao said quietly, "That's not necessarily true! Anyway, these two people look exactly the same, who can tell who is who? Who knows if it was Boss Lu who deliberately went to this woman to clear Selena's name?" Planted on the head?"

Guan's mother also echoed, "What do you mean by calling someone over and letting us see these nonsense things without talking about business?"

Daniel glanced at Saul. Saul received his brother's gaze, picked up his phone, and clicked on a recording, "The following recording may not be suitable for young children...but fortunately, we are not underage... .."

Chapter 1726

The moment Saul turned on the recording, the room was filled with the sound of men and women's heavy panting and their bodies colliding.

Even though there were only voices, but the people present were all adults, they could still hear what these two people were doing at once.

"You son of a b!tch, what are you doing with this!" Yan Ruyi glared at Saul angrily.

Guan Zihao on the opposite side was listening to it as a farce at first, but after listening to it for a while, his face suddenly changed, and his dark eyes shot at Su Yimo who was cowering in the corner in disbelief.

Just when Yan Ruyi was about to stop Saul from continuing to play, a familiar voice came from the phone...

"Tsk, you're so absent-minded...why? You've hooked up with Daniel, so you don't bother to deal with me? Find out, you're a fake, and you really think you can replace the real master? With your attitude, other than this face, it's really a shame. Selena is not worthy of carrying shoes!"

"I've done everything you asked me to do for you. In order to blame Selena, I slept with so many people, even a disgusting cook. Why don't you let me go? I don't want to Do things for you again!"

“Yo! Daniel gave you a good face, let you go this time and didn’t kill you, do you really want to rely on this face? Can’t wait to kick me away? Tell you! There is no door I spent so much money to make this face for you! So easy to run away?”

“Now that Daniel has discovered my existence, everyone knows that I have undergone plastic surgery to look like Selena. I have already been exposed! I can’t do anything for you! And you’d better not come to me again, in case you get caught Daniel found out, so don’t blame me for not reminding you...”

...

There were men and women panting again behind, but it was enough to hear it here.

The voice in the recording is Guan Zihao.

The room was dead silent.

Obviously, such a private recording can only be recorded by the person involved.

“b!tch! How dare you...” Guan Zihao blurted out while glaring at Su Yimo in rage, then suddenly shut his mouth, his eyes were so frightened that he realized that he had been exposed.

Lu Chongshan and Yan Ruyi never expected that everything from Selena’s being framed to Rick’s poisoning was actually done by Guan Zihao. The people of the Guan family couldn’t come back to their senses for a long time...

Guan Ziyao twisted her fingers in panic, while looking at her brother in disbelief.

She urged him to do this well, is that what he did? Did it on Su Yimo’s bed? It also left such a big handle!

Is it because Su Yimo has a pretty face now?

Even her own brother couldn’t resist the temptation!

All of a sudden, Guan Ziyao’s face became extremely gloomy...

It’s over...it’s all over...

Saul raised his eyebrows and said, “Young Master Guan, do you have anything else to say now?”

Lu Chongshan shook his fingers, “Zihao! You actually...”

Before Lu Chongshan could speak, Guan Rui suddenly pushed aside his chair and stood up, slapping Guan Zihao on the face, “bastard! How could you do such a thing!”

After Guan Rui beat Guan Zihao, he immediately turned to Lu Chongshan and Yan Ruyi and said, “Brother Lu, sister-in-law, his mother and I don’t know about this matter, and Ziyao doesn’t know anything! I didn’t expect him to carry us behind his back.” Doing such a thing! Zihao is still young and energetic after all, he just saw Ziyao being wronged, and he was really angry that he did these wrong things, and even hurt Rick, but his original intention was definitely not like that... “

Chapter 1727

Saul was amused when he heard that, “I specifically told him to use double the dose of medicine, isn’t that the original intention?”

When things got to this point, Daniel didn’t say anything, he got up and left to go back to Selena’s ward. He didn’t want to waste any time on other things.

And Saul picked up the phone with a smile, and clicked on another recording, “Stop acting, I think you can all compete for Oscars!”

What came from this recording was the voice of Guan Mu...

“Damn it! That Yan Ruyi is a daughter of a famous family! How can this be a lady? She’s just a shrew! See how you can beat us Ziyao? It’s too ruthless!”

“Forget it, the only precious grandson died, it’s normal to go crazy.” Guan Rui’s voice followed.

Hearing these words, Guan Mu and Guan Rui’s faces turned pale.

What frightened them even more was the words that followed...

“Silly girl, she’s just too sad to have lost her grandson. I’ll wait for you to give her another one later... That’s why I said that Daniel’s illegitimate son must never be kept! The Lu family attaches great importance to this child, and all the family property will be left to him in the future. Wouldn’t it be a big loss for us to marry the Lu family? Even if the child is fine this time, we must find a way to get rid of it in the future...”

“Mother said it very well, sister, don’t worry, let’s go back to celebrate tonight! We should be able to hear the ‘good news’ about that kid tomorrow!”

...

Yan Ruyi couldn’t believe that the family she had always treated like relatives had such sinister intentions, the whole family was so vicious!

“Guan Rui! You...I’ve been helping you as a good brother all these years...you actually...” Lu Chongshan was unable to speak as he clutched his colic chest.

Fortunately, this is a hospital, and Daniel seemed to have been prepared for it. Immediately, a doctor came in to do emergency treatment and stabilized Lu Chongshan’s situation.

He has always regarded him as a good brother and best friend, a good daughter-in-law whom he has always taken a fancy to, and he has always stubbornly believed that the Guan family members have deep feelings and know the bottom line. How much she loves Rick, treats Rick like her own grandson...

But in private!

Before even going through the door, he was already thinking about how to kill Rick and how to seize the family property!

Yan Ruyi even thought in astonishment, was Guan Ziyao really in a daze at the time, or did she do it on purpose? The thought of this simply made her hair stand on end!

Facts have proved that they were wrong, terribly wrong, they were the ones who really didn't know people, and they were the ones who really almost killed Rick.

They are simply pushing Rick into the fire pit!

Fortunately, they have always felt guilty because of the failure of this marriage, thinking about how to make up for it, but the other party was thinking about how to celebrate when their family was in trouble...

Seeing everything revealed, Guan Rui's eyes were full of sinister eyes, and he said coldly, "Brother Lu, don't blame me, only blame your son for being blind, let a daughter as good as me not, and she just fell in love with a lowly actor !

Ask yourself, if our two families get married, how perfect would it be? As for Rick, as long as you designate Ziyao's child as the heir at that time, we will naturally not make things difficult for a child! It's too late for you to regret it now! "

"You...you shut up..." Lu Chongshan was panting angrily when Xing Wu's panicked voice came from outside the door.

"Master, old lady, Second Young Master! Go out and have a look! It's bad! It's bad! Suddenly a lot of people came, wearing military uniforms, and said they wanted to take Miss Selena away..."

Chapter 1728

“What did you say? You want to take Selena away?” Yan Ruyi turned pale with shock.

“Who! Dare to rob someone on our Lu family’s territory!” Lu Chongshan’s face suddenly darkened.

Lu Chongshan and Yan Ruyi didn’t have time to go to Guan Guan’s house, so they rushed out to check the situation.

Guan Rui and the others behind them glanced at each other and followed silently...

Saul frowned and muttered, “Wearing a military uniform? Could it be...”

Dmn it... if the people over there... it would be terrible...

As soon as he walked out of the reception room, he saw two rows of solemn soldiers in uniforms lined up in the corridor. At the door of Selena’s ward, the principal and vice president were standing there, both of them were sweating profusely and looked very flustered.

“Mr. Lu... Mrs. Lu... Look at this...these people suddenly barged in...and said they were ordered to take Miss Ning away...I can’t stop...” The dean looked at her in horror. Look at those who seem to have bad intentions.

They have met many people in this line of work, so they can naturally see that these people who came here today are not ordinary people, and they are definitely not easy to mess with.

“Who are you? Who are you ordering?” Lu Chongshan turned to those people coldly and asked sharply.

A young officer in the lead walked up to Lu Chongshan and Yan Ruyi with strides, and said with a blank expression, “This subordinate is ordered by Major General Zhuang to come pick up our lady!”

As soon as the young officer’s voice fell, Lu Chongshan and Yan Ruyi froze there.

“Major General Zhuang...?” Yan Ruyi looked at her husband in astonishment.

Lu Chongshan's expression suddenly became extremely complicated. It seems that he guessed right, he was really a member of the dealer...

There are only dealers...

Otherwise, who else can have such a big show, dare to drive the army to the hospital in broad daylight to rob people from their Lu family?

Saul stomped his feet and cursed secretly, "fcuk, it's over!" It turned out to be someone from the dealer...

In the corner, the Guan family who were hiding at the door of the reception room looked at each other in dismay when they saw this scene.

"Major General Zhuang? Which Major General?" Guan Mu whispered.

"Apart from Zhuang Liaoyuan, who else can there be Major General Zhuang in the imperial capital!" Guan Rui's face was a little gloomy.

Guan Ziyao frowned, "What does that officer mean? What does it mean to pick up their lady? He must mean Selena, right? How could Selena have anything to do with the dealer? Dad, didn't you check it out?" , saying that Selena's true identity is from the Ning family, is she Ning Yaohua's daughter?"

"I did check it, and there is absolutely nothing wrong with it! Didn't this matter break out later?" Guan Rui frowned.

Guan Zihao gritted his teeth sullenly, "How could that lowly woman have anything to do with the Zhuang family, tsk, it must have some dirty relationship with Zhuang Liaoyuan..."

Guan's mother repeatedly echoed, "It must be like this! Otherwise, what could be the reason? Or it's something wrong!"

...

At this moment, after hearing the other party's answer and knowing that the other party was from the Zhuang family, Lu Chongshan said in a deep voice, "Comrade, please tell Major General Zhuang that our Lu family will take full responsibility for Miss Ning!"

At this moment, behind everyone came an old but heavy voice like Hong Zhong...

“Hmph! Your Lu family is fully responsible? Dare I ask what status and qualifications your Lu family has to take charge of my granddaughter Zhuang Zongren!”

Chapter 1729

At the end of the corridor, a hale and white-haired old man walked over with a cane, supported by Zhuang Liaoyuan.

On the other side of the old man stood a tall and slender young man, his eyes as bright as the morning sun were glaring angrily at the people on the side of the Lu family.

Seeing that not only Zhuang Liaoyuan, but also the old chief Zhuang Zongren had arrived in person, Lu Chongshan had to restrain his cold and stern expression, “Old chief Zhuang, why did you come here in person...”

But at this moment, the people from the Guan family who were hiding in the corner froze after hearing Zhuang Zongren’s “granddaughter”.

“Granddaughter... what granddaughter? Selena is... Zhuang Zongren’s granddaughter?!” Mother Guan murmured in a daze, her face full of disbelief.

Guan Ziyao’s face turned pale, “This is impossible! How could Selena be Zhuang Zongren’s wife...”

Speaking of this sentence, she didn’t know what to think of, she suddenly fell silent, and turned her head stiffly to look at her father beside her, “Dad, in the information you found earlier... what’s the name of Selena’s mother...isn’t it ...Is it the last name...”

Guan Rui's expression at the moment was extremely ugly, "That's right, the surname is Zhuang, Zhuang Lingyu!"

Guan Zihao opened his mouth, and it took him a long time to come to his senses, "Ning Yaohua's wife is the young lady of the Zhuang family? How is this possible? I've never heard of it!"

Guan Rui frowned, "After all, we haven't been in the imperial capital for many years, so we don't know a lot of information. In addition, I didn't investigate further after I found out that Selena's biological father was Ning Yaohua. There may indeed be some omissions... I'm afraid this Zhuang Lingyu's identity...is indeed not simple..."

After all, now the old general Zhuang Zongren came to the door personally to say that Selena was his granddaughter, there was absolutely no falsehood!

When Guan Ziyao heard her father's words, her expression froze, a trace of despair flashed in her eyes, she stood there stiffly, staring at the scene in front of her...

This is impossible...

impossible...

Originally, she was still holding on to a glimmer of hope. Selena had already turned into a vegetable. No matter how guilty the Lu family was, no matter how much Daniel liked this woman, he would not really wait for her forever. It may be a comeback, the current situation of the Lu family is not without crisis, so their Guan family still has a chance to turn around.

She thought, one day he will find that only she is the most suitable person for him, one day the Lu family will also recognize the truth, and finally choose interests...

But she never expected that Selena's grandfather would be Zhuang Zongren!

What kind of family is the Zhuang family? The family has been in politics for generations. It is the number one family in the imperial capital. They are simply not comparable to them. In terms of family background and history, even the Lu family may have to bow before the Zhuang family...

"If I don't come here again, my granddaughter's life is gone!"

Faced with Zhuang Zongren's reprimand, Lu Chongshan didn't even dare to say a word, and knew he was wrong, so he explained in a soft voice, "Old Chief Zhuang, Miss Ning was seriously injured this time, it was indeed for our Lu family, for The entire Lu family is very grateful to Miss Ning for saving Rick from injury. Now we have invited the top experts to consult and try our best to treat Miss Ning! In short, our Lu family will definitely be responsible for this matter! please do not worry!"

Before Zhuang Zongren could open his mouth, Zhuang Rongguang couldn't bear it anymore, and immediately cursed angrily...

Chapter 1730

The young man's eyes were full of anger, and his chest heaved violently because of anger, "Responsible fart! My cousin has been killed by your Lu family! You are still domineering! You really treat my cousin alone!" There is no one to support me, right? Let me tell you, we must take my cousin away today! Otherwise, if she stays with you, she might be killed! Your Lu family is not a good person!"

Zhuang Rongguang took the opportunity to sneak home when the troops went out to purchase today. He did not expect to hear the conversation between his father and grandfather. Then he learned that such a big thing happened to Sister Xi, and even more surprisingly, he found out that Sister Xi was really His sister is his cousin!

Depend on! He just said it! Sister Xi is why Mao is so awesome! It turns out that they are the people of their banker!

So he resolutely rolled around and cheated, and followed his father and grandfather to the hospital to pick him up.

Now my sister and mother are still at home waiting for their news, this time he will save sister Xi from the fire pit no matter what!

There are some things that his father and grandfather can't say because of their status, so let him scold him, anyway, he is just a dude, without Karen, he still doesn't know where to fight and pick up girls!

After hearing his son's excited scolding, Zhuang Liaoyuan only gave him a warning look, but there was no reproach in his eyes, obviously he was also extremely dissatisfied with the Lu family.

Lu Chongshan's face was a bit ugly when he was scolded, so he could only bear it all, and continued to lower his posture, "I have misunderstood Miss Ning a lot in the past, and this is indeed my fault. I hereby solemnly apologize! Miss Ning this time She saved our little treasure, she is the great benefactor of our Lu family. I tried every means to make up for her, but it was too late, so how could I still harm her? Please believe me, Mr. Zhuang and Major General Zhuang, we are really sincere make up!"

"Who knows you if you know your face but not your heart!" Zhuang Rongguang said angrily.

At this time, Zhuang Liaoyuan, who had been silent all this time, said, "Chairman Lu, there is no need to make amends. Selena is kind by nature, and she believes that saving people is voluntary. It has nothing to do with anyone, and there is no need to make amends. Now, as For Selena's family, we just want to take Selena away instead of asking outsiders to take care of her. I believe Chairman Lu won't think there is a problem with this request, right?"

Zhuang Liaoyuan's words were impeccable, one sentence blocked all of Lu Chongshan's words.

They don't need your compensation now, and as Selena's family members want to pick Selena up, there is no doubt that there is no problem.

So Lu Chongshan and Yan Ruyi looked at each other, and suddenly found themselves in trouble.

Judging by the dealer's attitude, once Selena was picked up, they would never allow any members of the Lu family to have any contact with Selena.

The son was so devoted to this girl, and Rick couldn't leave her even for a moment... What if they really got Selena away...

"Who? Sneaky! Come out!" Zhuang Rongguang's eyes turned sharp, he jumped behind him suddenly, and dragged one of them out of the reception room.

"Ah...it hurts...let go! Let go..." Guan Zihao yelled in pain, Guan's father, Guan's mother and Guan Ziyao also rushed out, snatching him from Zhuang Rongguang's hands in horror.

When he saw that the Guan family hadn't left yet, and was discovered by the dealer, Lu Chongshan's expression became even uglier.

Originally, the banker was dissatisfied with them, but now he might be misunderstood...

Sure enough, Zhuang Liaoyuan glanced at those people, his eyes became colder, "Selena is unconscious at the moment, life and death are uncertain, but you still brought these people to her, you are really sincere..."
