### Chapter 1851

Liu Wenliang's face was as sinking as water, and after being bullied for a whole day today, he was really pissed off.

What the hell is none of my business?

Liang Feixing is amazing, if you have the ability, go and poach him!

"Mr. Wang, if it wasn't for Zheng Anru's self-assessment to reveal the stills to hype without even saying hello, and swearing to me that there would be no problems, the matter would have come to this point? When would she let him go as the public relations director? It's in my eyes, come to me now if something goes wrong, what can I do?"

"Liu Wenliang, what do you mean by that? Is it because you can't keep up with Zixuan's publicity, so we figured out a way by ourselves? When you saw the effect is so good, didn't you say nothing?"

"You have done everything, what the hell can I say? I said that this kind of too intensive publicity will make fans disgusted, and you should keep a little distance and mystery. Did you listen to me?"

"Zixuan was brought out by me, and I need you to teach me how to do things? You know nothing about propaganda!"

"you..."

...

Just when Empire was torn apart...

At the same time, Shengshi Entertainment.

A group of interns and artists who had no work to pass the time in the company had just watched the live broadcast of “The World”, and at this moment, one or two of them were so excited that they were about to jump up.

Whether it’s those who have a good relationship with Selena, or those who didn’t like Selena in the past, when they saw Selena appearing now, their hearts surged.

If Selena’s comeback can save Shengshi, then they can also be saved!

“Oh my god! Karen! It’s really me, Karen! Karen is back!”

“Isn’t the prosperous age saved?”

“This... not necessarily, right? Today’s prosperous world is different from the past, not to mention Karen has retired for a year...”

“So what! Karen’s smashing the scene today is simply too cool, and it’s completely crushing Han Zixuan! Now it’s just a matter of time!”

...

While a group of young artists were chatting excitedly, someone suddenly stared blankly ahead and exclaimed.

“what...”

Afterwards, everyone saw that Xu Tao was leading a person into the company’s door courteously.

And the person next to Xu Tao turned out to be the person they were talking about.

“Karen!!!”

“Karen, we miss you so much! Where have you been this year?”

“Karen, you’re really back!”

“Karen, has your manager become Brother Tao?”

...

Selena looked at those unfamiliar or familiar faces, greeted them with a smile, and answered everyone's questions.

"Yes, Brother Tao is indeed my manager now."

"I won't go! Karen, you have to think carefully! What if you are led astray..."  
The people around looked at Xu Tao and sighed, but the tone was teasing and there was no malice.

The corner of Xu Tao's mouth twitched, "Hey, hey, you bastards, why are you talking nonsense in front of my queen? You want to rebel!"

There was a burst of laughter around.

Just when Selena was surrounded by everyone's enthusiasm, a person from the crowd rushed in quickly, and without a word, he pulled Selena up like a robber and ran away.

"Ah...Karen! Who is this! Why is this?"

"Stop him!"

...

"Hey, it's okay, it's Senior Jiang."

Xu Tao's foot was about to kick that person, Selena who was swept away hastily turned around and explained.

Everyone: "..."

Xu Tao: "..."

## Chapter 1852

In an empty corridor.

The two stared at each other.

In the end, it was Selena who sized up Louis's appearance of a burly man with a foot, chuckled lightly, and said first, "Tsk, time is really a butcher's knife..."

Seeing the girl's bright smile, Louis's heart beat like a drum instantly, and the blood in his whole body seemed to rush to his brain, and he was in a daze.

Ever since Selena fell into a coma and saw her in the military sanatorium, he had never seen her again.

After not seeing him for a year, the girl in front of him suddenly reminded him of the scene when he saw her for the first time when he was in China...

The feeling of first love again...

Louis rubbed his hair irritably, and held down his beating heart on his chest, what is it beating wildly! Useless stuff!

After calming down, Louis gritted his teeth and said, "Master Selena! Who are you calling a pig! You have been handsome for too long, can't you be bothered and want to experience the feelings of you mortals?"

Selena suppressed a smile and nodded repeatedly, "Senior Jiang's realm is really outstanding!"

Dazed by the girl's smile, Louis cursed "Dmn it" in a low voice, avoiding his eyes, "When... did you wake up?"

"Uh..." Selena hesitated, and replied with a light cough, "Is this... It seems like it's been a while since I woke up..."

When Louis heard this, he immediately became furious, "Dmn it! You've been awake for a while and didn't tell me? Selena, do you treat me like a brother?"

Selena laughed and said, "I told you earlier, how could you be so surprised when you see me like this!"

"I'm so surprised!"

Suddenly seeing him on TV, I was so scared that my butt almost fell in half!

"Also, I don't treat you as a brother, but I do treat you as a nephew!"

Louis's face darkened immediately, "Nephew, uncle!"

I don't know what came to mind, but at this point, Louis was silent for a moment.

After a while, he opened his mouth and said, "I saw the live broadcast just now, and Shen Mian's Weibo..."

Louis's expression was a little irritable, "I don't need a woman to help me clean up the mess! What did you promise Shen Mian, that old fox?"

Selena said indifferently, "It's just a promise to compensate him for a play."

Louis's face suddenly changed, "Dmn! No wonder! This old fox is robbing!"

"I proposed it myself. Anyway, I will be filming after my comeback. The cooperation with Director Shen last time was also very pleasant."

Hearing Selena's explanation, Louis's expression was still not very good.

Selena smiled slightly, and said, "Senior Jiang, when I first entered the industry... I know that even though you didn't say anything, you still made trouble for me, but in fact, you helped me a lot in secret, and what happened this time, in the final analysis, you are also because of me... Let me repay you, Senior Jiang!"

Louis blushed immediately, and turned his head away awkwardly, "ba5tard, you are so sensational? I have goosebumps!"

After Louis finished speaking, he muttered suspiciously and asked, "You... how do you know those photos are fake? Lei Ming told you?"

Selena raised her eyebrows, "You still need Brother Lei to tell me?"

“Then how do you know?”

After all, the evidence is solid, and even his fans have a large number of fans who have turned away from him after seeing the photos.

Selena spread her hands, “I think...although you have no integrity, you shouldn't be so hungry.”

Louis: “...”

Who has no morals!

## Chapter 1853

Louis and Selena were talking when a tall and burly figure rushed over at the speed of light...

“Ancestor! You are finally back! My God, why did you do this? If your fans see this...”

Seeing Louis's horrible appearance at this moment, Lei Ming was heartbroken.

You live on your face, ancestor!

“How did you see it?” Louis suddenly narrowed his eyes and spoke threateningly.

“Ahem, I'm sure I still love you the same after seeing it!” Lei Ming quickly changed his words.

Afterwards, Lei Ming immediately said happily to Louis, “Louis, have you read Weibo? Shen Mian publicly clarified the truth for you. Now the internet is full of

rumors. Everyone is apologizing to you, saying that you are enough to be a man.” loyalty.

Because your fans misunderstood you, they blamed themselves and cried bitterly, because of your grievances, they were heartbroken all over the place!

What’s even more exciting is that Director Liang immediately arranged for a professional navy to guide public opinion, and now all the spearheads are directed at Han Zixuan...”

“Aimed at her?” Louis raised his eyebrows.

“That’s right! Think about it, Shen Mian has covered up this photo so tightly, who on earth revealed the photo?”

Selena who was on the side said, “Of course the biggest beneficiary.”

“Yes! Isn’t Han Zixuan the biggest beneficiary?” Lei Ming asked.

Louis snorted coldly, “Will the fans believe it? That woman is not good at acting, and her acting skills to deceive fans are nothing to say!”

Lei Ming said affirmatively, “Director Liang is behind the scenes, so if you don’t believe it, you have to believe it. In short, as long as there are people who doubt it, that’s enough!

The most important thing is that Han Zixuan is definitely inseparable from this matter. After all, she is the lead actor of this drama and one of the insiders, but for her own benefit, she knew the truth and did not tell it, allowing everyone to misunderstand In your relationship, the organizer asked you to publicly apologize to her. This is completely out of character, and even, this is simply shameless!

At least, the scandal between the two of you must be cleared up! “

Louis’s complexion improved a lot when he heard the result of the matter he was most concerned about.

Lei Ming quietly leaned into the ears of the two of them, and said in a low voice, “It’s not over yet! I just got the latest news. Shen Mian’s weibo has received too much attention, and the superior has already invited him to drink

tea. The film is likely to be pornographic! Han Zixuan can do it on her own this time!”

“Selena, thank you so much this time!” Lei Ming thanked with teary eyes, almost confessing to Selena.

He thought he must be dead this time!

Unexpectedly, as soon as Selena came out, all the fatal problems were solved in just a few hours!

Selena glanced at Louis with a half-smile, then turned to Lei Ming and said, “Brother Ming, you are welcome, we are all one family.”

Lei Ming thought that Selena meant that everyone belonged to the same company, so he hurriedly echoed, “Yes, yes, we are all one family!”

Louis: “...”

“Louis, although the fans love you, you cough... you better take a shower and make a fuss! I’ll go to Director Liang to discuss the next thing with him!” Lei Ming ran away excitedly after finishing speaking. .

Strike while the iron is hot, Louis’s image in the past was too shabby. Slack, too immature, this incident is very conducive to his transformation.

There are so many little fresh meats now, at Louis’s current age, it’s time to switch!

I really have to sigh once again for Selena’s lucky physique!

“Who is your family!” As soon as Lei Ming left, Louis immediately reasoned with Selena with a dark face.

Selena took out the wedding ring around her neck and said in a word, “Good boy, call me auntie!”

...

At the same time, the Su residence.

Susie had meetings all night, contacted people everywhere, and returned home from the office in a state of desperation, her expensive and gorgeous dress was already wrinkled.

Today should have been her perfect day, her triumphant finale.

But now, in just one night, everything that was originally perfect and smooth to impeccable began to collapse...

This feeling is simply terrible!

Selena! Selena! Selena!

This nightmare-like name appeared again!

"Susie is back!" Zheng Minjun, who was sitting on the sofa in the living room, saw Du Susie, and immediately got up with a smile and walked over.

"Mom, you haven't slept yet?" Susie forced herself to greet her.

“Isn’t it worrying, waiting for you to come back!” Zheng Minjun frowned when he saw that Susie’s face was not right, “Why is his face so bad? Isn’t there an important dinner today? Is there something wrong?”

“Mom, I’m fine, I’m just a little tired.”

“Then sit down and rest, I asked the kitchen to make chicken soup, and I’ll ask the servant to serve you a bowl!” Zheng Minjun said with concern.

Originally, because it was revealed that Susie was an adopted daughter, Zheng Minjun’s relationship with her was once very stiff.

However, with Susie’s ups and downs over the past year, and Selena’s disappearance, which eliminated her little hope of climbing up to the banker through Selena, Zheng Minjun’s attitude towards Susie naturally changed. He even treated her better than before, and it would not be an exaggeration to say that he obediently made offerings to her.

Seeing Zheng Minjun’s courteous tone towards Susie, Zhao Shanshan walked downstairs gracefully, with a sarcastic expression on her face, and said in a good mood, “Hehe, tired? I think I’m tired! After all, she is really a phoenix.” Selena is back! Her fantasy of flying up the branches has been shattered again!”

Over the past year, seeing Susie getting better and better, and getting more and more favored by her parents-in-law, she and Su Xun were so suppressed that they didn’t have time to catch their breath. When they saw Susie, they had to take a detour. It’s not a human life!

And now, Selena is back!

This is simply great news!

“What? Selena is back?” Zheng Minjun’s face changed when he heard this.

Susie gave Zhao Shanshan a gloomy look, then frowned.

As soon as that b!tch Selena came back, even Zhao Shanshan dared to speak to her like that.

After Zheng Minjun found out that Selena was back, would he have any thoughts that he shouldn’t have...

Zheng Minjun quickly came back to his senses, and while ordering the servants to go to the kitchen to serve chicken soup, he said, "I'll be right back when I come back! What's the fuss about! An actor who was adopted!"

After analyzing the pros and cons, she would not offend Susie because of Selena.

When Zhao Shanshan saw Zheng Minjun's attitude, she immediately became anxious, "Mom, it's all rumored by outsiders about being adopted, and Selena is the granddaughter of the Zhuang family! How can she do such a thing!"

## Chapter 1855

Zheng Minjun's expression was very disapproving, "It's not true that flies don't bite seamless eggs, can there be such rumors? Otherwise, tell me, why did she disappear for so long?"

Zheng Minjun's tone was extremely firm, she had inquired specifically, and even had photos to prove it, and confirmed that Selena had no contact with the Zhuang family in this year.

If Selena really had something to do with the dealer, how could she be willing to be taken care of by others.

Sure enough, the dealer didn't even recognize Zhuang Lingyu, so how could he recognize Selena.

Seeing that Zheng Minjun didn't believe it at all, Zhao Shanshan stomped her feet angrily. Dmn it, Zheng Minjun has been completely brainwashed by that b!tch Susie!

Looking at Zhao Shanshan's exasperated expression, Susie curled her lips calmly.

Want to sow discord? It is easy to think!

She had completely convinced Zheng Minjun that Selena was adopted and had nothing to do with the dealer.

She had already said that even if Selena came back, nothing would change.

All of this is still hers!

As for those small turmoil, although it really upset her, it would only take a little effort for her to suppress it. With the current Shengshi Entertainment, do you still want to fight against her?

No matter what Zhao Shanshan said on the sidelines, Zheng Minjun completely ignored her, took the chicken soup from the servant, walked up to Susie, and comforted Susie with a loving face, "Susie, don't be fooled by those bad luck. Some people have affected your mood, come on, drink up the chicken soup! You need to make up your body, I'm still waiting to hug a big fat grandson!"

"Thank you, Mom!" Susie had a moved expression on her face, but she sneered in her heart.

She has been married for more than a year and she has not been able to conceive. If she is not in charge of Ning's finances, History and Empire are thriving again, Zheng Minjun will definitely not give her a good face based on this alone.

"correct..."

Susie took out a red invitation card from her bag, handed it to Zheng Minjun, and said, "Mom, are you free tomorrow? I got the invitation letter from Tianquan Villa. If we are free, let's meet Mrs. Li together." ?

"Really?" Zheng Minjun took it overjoyed, "I recently learned that Minister Li and his wife are coming to Beijing. There are so many dignitaries and wealthy families who have sharpened their heads and want to see the other side, but they can't find a way. How did you get Susie?" of?"

“It’s nothing, it’s just because of something.” Susie replied.

Zheng Minjun laughed from ear to ear, “My daughter-in-law is capable! Even Mrs. Qiao complained to me the day before yesterday that she couldn’t get the invitation letter! Every day I brag about who her brother is a high-ranking official in the province, it’s not wrong! “

Zhao Shanshan stood aside, also being a daughter-in-law, listening to Zheng Minjun’s words “my daughter-in-law is capable”, she felt like she was being slapped in the face.

That’s right, Susie’s daughter-in-law is capable, but she is a useless piece of trash!

“What makes you so happy?” At this moment, Su Hongguang also came out of the room.

Zheng Minjun immediately took the invitation letter to show off, “Hong Guang, Susie got the invitation letter from Minister Li’s wife!”

“Really?” Su Hongguang was also full of surprise, “If we can get in touch with Minister Li, it will be of great benefit to our Yifeng Group!”

Any project in any country is a big list of billions!

“That’s right! Susie is really capable! Who in the entire imperial capital envies our family for having a capable daughter-in-law!” Zheng Minjun looked proud.

“Susie, thank you for your hard work!” Su Hongguang was also full of relief.

Seeing her father-in-law and mother-in-law surrounding Susie, Zhao Shanshan’s expression turned extremely ugly, so she turned around and left in anger.

the next morning.

deer town.

Selena woke up naturally when she fell asleep. There was no one beside the bed, but there was an enticing fragrance of millet porridge from downstairs.

Although she has officially come back, she is not so busy.

The urgent matter of Louis has been resolved, so there is no need to worry about the future.

“Wake up, come over to have breakfast.” Daniel prepared all the breakfast as usual.

Under the morning light, the appearance of the man wearing an apron and letting her go to eat made her frantic.

Although she was good at cooking, when she was with Daniel, she cooked less and less often, and Daniel’s cooking skills were getting better and better, and it wouldn’t be an exaggeration to say that she had improved by leaps and bounds.

Especially after waking up, she almost never entered the kitchen.

At this time, Rick carefully picked up the porridge bowl and walked up to her, “Mom, Rick feed you.”

Selena said hastily, “Thank you, Rick, mom can eat by herself.”

“But mom’s hand was injured.” Rick looked at Selena’s wrist which was still a little red and swollen after taking the medicine, with a very serious face.

Speaking of this, Selena glanced guiltily in Daniel’s direction.

How did she know that last night on stage she just played with a flower gun casually, and she really didn’t feel anything on the spot, but when she came back at night, her wrist was actually swollen...

Fortunately, it's not a big problem, but the father and son were still educated.

"Okay, thank you, baby!" Selena didn't dare to say anything, and cooperated obediently.

Today is the weekend.

After breakfast, Selena was playing with Rick when a guest suddenly came to her door.

Seeing the person coming, Selena was surprised, "Madam Zhuang...why are you here!"

Meng Linlang looked at the girl in front of her with a distressed and loving face, "Come here to see you, actually I've wanted to come a long time ago, and I'm afraid to disturb you."

"No Mrs. Zhuang, please come in!" Selena hurriedly said.

When Meng Linlang heard Selena calling herself "Mrs. Zhuang" again, she immediately showed dissatisfaction and said angrily, "Selena, what did you call me just now?"

"Uh..." Selena was at a loss when she heard the words.

She already knew from Daniel that the dealer wanted to recognize her, but she was really not used to changing her words all of a sudden...

It's okay for Travis and Zhuang Rongguang, anyway, it's the same as being friends, but it seems a little embarrassing for the elders.

She is used to being alone, and she really doesn't know how to get along with her elders.

Just when Selena didn't know what to do, a crisp voice came from behind, "Uncle, grandma!"

Seeing Yuxue's cute little guy behind Selena, Meng Linlang couldn't hold back her feigned anger, and immediately squatted down and hugged the little guy with a smile all over her face, "Hey, little treasure is so good!"

Although she didn't like Daniel's illegitimate son very much because of anger at the beginning, but as they got along later, she couldn't help liking him more and more.

At the same time, a man's deep voice sounded next to him, "Auntie."

Selena looked at Rick, then at Daniel... with a confused face!

You two...you changed your mind too quickly, hey! ?

However, seeing how naturally they yelled, maybe she had already yelled that way when she was unconscious?

sweat...

The big and small buns all turned against each other, and Selena naturally couldn't be more hypocritical, so she could only open her mouth and call out along with Daniel, "Aunt."

"Good boy!" Meng Linlang was finally satisfied.

After entering the room, Meng Linlang chatted happily with Daniel.

Seeing this, Selena couldn't help feeling deeply moved, tsk tsk, a sweet mouth is what pleases the elders!

Take a look at her sweetheart, get on the road more often, and call her aunt whenever she says she wants.

unlike some people...

She has not waited for an aunt until now.

After they chatted for a while, Meng Linlang called Selena aside to talk.

Meng Linlang calmed down instantly, took Selena's hand, and asked in a serious tone, "Selena, let me ask you, how are Yan Ruyi and Lu Chongshan treating you?"

Now she felt at ease with Daniel, but with the two of the Lu family, she was 110,000 worried.

After all, Selena is already married to Daniel. After marriage, it will no longer be a matter of two people. Selena will face the entire Lu family in the future. If Yan Ruyi and Lu Chongshan still treat her with the same attitude as before, then she How do you live in Lu's house?

Selena managed to escape from death with great difficulty, and she would never allow her to suffer any more grievances.

"They are all very nice to me." Selena replied hastily.

Meng Linlang looked suspicious, "Really? Don't speak for them on purpose."

Selena said helplessly, "It's true. They called me to the old house before, had a long talk with me, and even apologized to me. After that, they have always been very kind to me!"

Meng Linlang saw that Selena's demeanor didn't look like a fake, so she felt relieved a little, and said with a cold snort, "That's good, they still have a little conscience in the Lu family."

Selena nodded repeatedly, "Yeah, don't worry, Auntie!"

Meng Linlang's heart almost melted when she heard the girl's sweet aunt, and she said lovingly, "Selena, what are your plans for the future? Work, family?"

Selena thought for a while, "I've thought about this question before. Originally, after waking up this time, I was going to retire. I wanted to spend more time with Daniel and Rick. I'm usually busy Work, too little time to accompany them, and Daniel has always supported me and indulged me to do anything..."

Meng Linlang nodded understandingly, “What happened next? I heard from Ke’er and Rong Guang that you plan to come back?”

“Yeah.” Selena said, “Because something happened later, it was all because of me, and the most difficult thing has been solved. Although I am going to come back, I will definitely not be the same as before when I work. As big as you are, you can take care of work and family.”

Meng Linlang agreed, “That’s fine, but actually I don’t agree with you completely retiring. Women still have to have their own careers.”

After Meng Linlang finished speaking, she asked what she was most concerned about, “Then when will your wedding with Daniel be held? When will your relationship be made public? Selena, don’t blame me for taking too much care. Although it was a special situation before, this marriage between you two is still The knot was too hasty and hasty! Marriage is a lifelong event for a woman!”

Selena looked a little embarrassed when she heard this, “Actually, Daniel proposed to me not long after I met him, but it was only because of my career that it was delayed until now, and it was also because of this that I didn’t make it public.

But it’s different now. When I first debuted, my fan base was unstable, and my marriage had a great impact on my career. Now that my comeback plan is almost in progress, I can release the news of my marriage. It shouldn’t be too long.

I also really want to be with him aboveboard! “

After all, my sweetheart has been waiting for her title for a long time...

Seeing that Selena had plans for everything, Meng Linlang breathed a sigh of relief, "It's good that you know what's going on. Anyway, if you feel wronged, unhappy, or bullied, you must tell aunt immediately! Don't look at their Lu family's eyes! If you are not happy, you can go home!"

go home...

Selena couldn't tell how she felt when she heard this word.

Seeing Meng Linlang's protective appearance, Selena's heart was filled with warmth, "I know, auntie, I will remember."

"That's good!" Meng Linlang smiled and patted the back of the girl's hand.

I don't know what came to mind suddenly, Meng Linlang said happily, "Recently, a girlfriend of mine came to the Imperial Capital. I mentioned you to her. She has always wanted to meet you. It just so happens that this is such a good opportunity. I will bring you tonight. You go and meet her!"

Selena was a little embarrassed when she heard the words, "Um...have you seen your best friend?"

Meng Linlang saw that she was in trouble, and quickly explained, "Don't be restrained, you are my very good friend! You, you have to think more about yourself. Now you are the head of the Lu family, and you will have to face the whole family in the future. Clan, it will be good for you to get in touch with these people more! Otherwise, how can you restrain those clansmen who are full of twists and turns?"

Meng Linlang saw that the girl didn't seem to have thought about this at all, and she felt distressed, "Your mother should have taught you and reminded you of these things, but...forget it! That blind and lame person! It's okay if you don't mention it! If you can trust auntie, just listen to auntie, auntie will never harm you!"

Selena didn't expect Meng Linlang to think so much for herself, she was so moved, how could she refuse her kindness again, she nodded quickly and said, "How could I not trust my aunt! I know my aunt, I will go!"

Meng Linlang looked relieved, "Then I won't bother your family of three, and I'll come pick you up at night!"

"Auntie, I'll see you off!"

...

Seeing that Meng Linlang was about to leave, Little Treasure immediately walked over with a face full of reluctance, "Auntie, grandma, are you leaving?"

"Well, uncle and grandma are gone, and I will come to see Rick next time."

"Then uncle and grandma have to come early."

"Okay, okay..." Meng Linlang was coaxed into joy.

Even if Selena hadn't been injured for Rick, in the beginning, she was still very dissatisfied with Rick's existence. After all, she had a son before she got married. For Meng Linlang, who came from a military and political family, This is totally unacceptable.

Therefore, when the old man was in the hospital, when the old man suddenly wanted to take Rick to the military sanatorium, not only the husband could not accept it, but she was also very dissatisfied.

It's just that later, because Rick was so cute and sensible, it made people feel distressed, so they gradually changed all of their opinions.

Her husband's temperament is relatively straightforward, so he didn't think much about it, but after she thought about it later, she felt that there was something wrong with this matter.

The old man is such a shrewd person, what exactly did Daniel say to him when he was in the hospital to make him accept Rick's existence instantly, and treat Rick so well?

Combined with the intimate appearance of Rick and Selena, she had a vague guess in her heart, but she was still not sure.

Since the old man didn't tell them, there must be a reason for not telling them, so she didn't dare to pursue the truth rashly.

It's just that she is a little strange. If it is really as she guessed, why doesn't Selena know it?

## Chapter 1859

"What did Auntie say?" Daniel asked after Meng Linlang left.

Now, even when Daniel was expressionless, Selena could guess his thoughts from his subtleties.

At this moment, Selena immediately saw that he asked this question...it was not that simple.

So he hopped over in a sensible way and followed the hair, "Don't worry, I didn't want to poach your corner, Auntie is so happy to be coaxed by you and Rick!

My aunt asked me how my parents treated me, of course I said yes, and asked me... when will the wedding be held... when will the relationship be made public..."

Daniel raised his brows slightly when he heard this.

Selena mumbled, "I said soon! With my current situation, it's only a matter of time!"

The corner of Daniel's mouth curled up slightly, "Thank you madam for rectifying your name."

Selena coughed guiltily, "You're welcome, you're welcome! I swear it's true this time! Oh yes, I'm going to meet a friend of hers with my aunt tonight, and my aunt said I should get in touch with these people more."

“Auntie is right. She treats you sincerely.”

...

evening.

Meng Linlang came over to pick up Selena, and her eyes lit up when she saw the little dress on Selena.

“Selena, your clothes look good.”

Selena breathed a sigh of relief, “Really? I was worried that she might be too pure.”

Meng Linlang shook her head, “No, it’s very beautiful. I don’t know what’s going on in the imperial capital recently. Even though the colorful style is popular, I still insist that only that is the real Huaguo style.

That kind of good-looking is good-looking, but if you look at it too much, your eyes will be dazzled, and you will inevitably get tired of looking at it. Suddenly seeing this little moon-white dress on you is really eye-catching, so refreshing!”

Especially her niece’s appearance is outstanding, and this simple dress sets her off like a fairy coming down from a painting.

“My designer will be very happy to hear your evaluation from your aunt!” Selena said happily.

“Is this your own brand too? Zeling?” Meng Linlang asked. She remembered that Ke Er liked this brand very much.

“Yes, it’s just because the designer encountered a bottleneck some time ago and the company’s situation is not very good. The clothes in this series on me are the latest works of my designer. The theme of the series is returning to basics.” Selena replied.

“What a back-to-basics. Your designer is really good. While others are still using various colors and extravagant decorations, he has jumped out of the frame and reached a new level!” Meng Linlang also has a lot of research on clothes and jewelry. , analyzed appreciatively at the moment.

“In the future, if your designer is free, can you customize one for me?”

Selena hurriedly said, "Of course, as long as you don't mind, Auntie!"

Soon, the car arrived at the place.

Meng Linlang wore a noble and elegant lotus color cheongsam, and her well-maintained appearance did not reveal her real age at all. Selena was beside her. The relationship between the two of them was not like an elder and a junior, but more like sisters.

"Selena, Mrs. Li You and I grew up together in the compound of the military region since we were young. We have a very good relationship. When we meet later, we don't have to be restrained, we just treat ourselves as our own family."

"Yes, I understand, auntie." Selena nodded obediently.

Selena knew her aunt's affection for her, and she already knew Meng Linlang's intention for bringing her here.

After walking a few steps, Tianquan Villa is conveniently in front of you.

The place where the villa is located is very secluded and the environment is beautiful. There is a natural stream in front of it, and the breeze is blowing, which is very pleasant.

## Chapter 1860

This Tianquan Villa is a high-end private club, a gathering place for dignitaries and dignitaries, and it is open for a limited time.

The villa has been renovated a few years ago, but it still looks full of ancient flavor, and the artistic conception has not been damaged at all.

When Meng Linlang led Selena to the entrance of the villa, the cell phone rang suddenly.

After glancing at the caller ID, Meng Linlang looked at Selena and said, "Selena, I have an important call, please wait for me here for a while."

"It's okay, Auntie, you should do your work first." Selena said understandingly.

Meng Linlang's status is special, and many important phone calls are state secrets, so it is inevitable to avoid taboos.

...

After Meng Linlang left, Selena wandered around the villa to see the scenery around the villa.

At this moment, at the entrance of the villa, two sweet-looking, tall female receptionists were looking at Selena who was in front of her from time to time.

"What does that woman do... I saw that she walked around our villa for a long time, and judging by her temperament and appearance, could she be some high-ranking official?" One of them asked.

"It's not like." Another receptionist shook his head: "Recently, there is a shortage of servants in the villa, and they are recruiting. They should be here to apply for a job."

She has an impression of those high-ranking officials and dignitaries in the imperial capital who come to Tianquan Villa for a long time.

But the girl looked very unfamiliar, she had never seen it before.

But because of the reputation of the villa, many beautiful girls, even those from a good family background, have sharpened their heads to sneak in. Among these receptionists, which one is from a poor education and family background?

This position is a great stepping stone.

"It's true that I'm not a guest here, but it looks a bit familiar. It seems to be a very popular female star a long time ago..." The female receptionist stared at the face that was beautiful enough to make any woman jealous in the distance, and hesitated. Open your mouth.

“Heh, even the popular ones are not worthy of coming to our Tianquan Villa, let alone the old ones!” Another person said disdainfully.

The two receptionists were used to such people, so they didn’t pay much attention.

Not long after, a pure white Maserati slowly parked nearby.

The exquisite car door opened, and a woman in a royal blue evening dress and holding a Chanel bag stepped out of the car.

“Miss Ning!”

Although the woman was wearing sunglasses, the two female receptionists recognized her immediately and immediately stepped forward to greet her.

Susie walked to the co-pilot, opened the door, and helped the middle-aged woman out of the car.

“That’s Miss Ning’s mother-in-law, Ms. Zheng...”

Seeing the middle-aged woman, a female receptionist said softly.

Waiters like them almost all know the celebrities in the upper class of the imperial capital like the back of their hands.

“I’m sorry for the long wait, both of you, this is my invitation letter.” Susie thanked politely.

A few people exchanged pleasantries for a while, and were about to walk inside...

At this time, Zheng Minjun glanced out of the corner of his eye, and suddenly saw a familiar figure beside a stream in the distance.

The people over there are...

At that moment, Zheng Minjun frowned, pulled Susie over and said, “Susie, look at that person, is it Selena?”

What? Selena! ?

Hearing Selena's name, Susie immediately subconsciously looked in the direction of the stream.

Then the pupil suddenly shrank!

It turned out to be her!

"Mom, it's my sister!" Susie said, the color in her eyes suddenly darkened.

I didn't expect to meet that b!tch here!

What is she doing here?

Susie thought for a while, and immediately figured it out, most likely she was here to curry favor, right?

Could it be that he was abandoned by some bad old man and couldn't get along anymore, and wanted to find a new backer?

A gleam of pleasure flashed across Susie's face, she straightened her delicate clothes, and said to Zheng Minjun who was beside her, "Mom, let's go over and say hello! I haven't seen my sister for a long time, and finally met here!"
