### Chapter 1911

While the stylist was tidying up a room full of dresses, he secretly complained, this is too picky!

What does she want to wear? Dragon robe?

Selena was dressed in a plain white cheongsam, didn't she still overwhelm the audience?

In the final analysis, this clothes still depends on the person wearing it!

People can't do it, what's the use of picking clothes...

Of course, she would never dare to say a word about these outrageous words, so she could only go out with her tail between her legs and continue searching.

Not long after the stylist left, Zheng Anru walked in.

Looking at the room full of dresses and Han Zixuan's ugly face, Zheng Anru immediately knew what was going on, walked over, and comforted her with a relaxed tone, "Zixuan, I'm still worrying about the dress! Don't worry, it's up to them to fix it." What kind of dress do you want? Don't worry, Mr. Ning has personally sent someone to go to a foreign country to get it for you, and you will definitely be there before tomorrow night."

Hearing this, Han Zixuan's expression softened a little. Since President Ning helped her get it done, it must be fine.

Thinking of something, Han Zixuan looked up at Zheng Anru and asked, "Have you heard about Selena's program?"

At the mention of this, Zheng Anru immediately smiled blindly, "I found out, they have been rehearsing recently, what kind of old-fashioned opera is it, thanks to them for remembering it!"

"Opera..." Han Zixuan also sneered.

"You think you are elegant and different, I think you are trying to pretend to be crazy! Don't look at what era it is now, who would be interested in that kind of thing, don't let the audience fall asleep after watching it, that's terrible That's funny!" Zheng Anru looked disdainful.

After finishing speaking, she said excitedly, "But Zixuan, your dance will definitely amaze everyone!"

...

It's the last day in a blink of an eye.

Inside Xu Tao's office.

A young female artist was sitting on the sofa, wringing her fingers, with a nervous expression on her face, "Brother Tao... I can't do it... such an important thing... in case I mess up..."

Xu Taoyu persuaded earnestly, "Qin Shuang, you have been in the industry for so many years, and you have always worked hard. I can see all of this. You are only one chance away, and now the chances are all on your head. How about you Pushing it out, do you think you are stupid?"

Qin Shuang was still flustered, "Did Karen temporarily decide to change to another show? So let me play the heroine instead of her? It's not that I don't want to help, but I'm really worried that I won't be able to do it well... I'm afraid it will be the opposite Trouble for the company..."

She was just a small third-tier artist, how could she be qualified to attend such an important occasion and take on such a crucial task.

“Selena didn’t change the program, but the role changed.” Xu Tao didn’t explain much, and continued to persuade, “What do you say you have to be afraid of? You don’t believe in yourself, me and Selena’s vision?”

You are from a major, and you have been doing stage plays and operas before entering the industry. You are even more familiar with “Phantom”, this role is definitely yours! Selena had already mentioned it to me before, saying that she wanted to take you with her. It just so happens that this time is such a great opportunity, you have a chance to turn around, silly girl! “

When Xu Tao said this, Qin Shuang felt even more pressured, “I still think I can’t do it...”

Xu Tao tried his best, coaxed and lied, and his words were almost broken, but the girl still didn’t let go, she wanted to vomit blood.

This girl is good everywhere, and she has always been down-to-earth in doing things, but the bad thing is that she is too down-to-earth, so that she is not courageous enough.

## Chapter 1912

At this moment, the door of the fitting room behind Xu Tao was pushed open by a slender white finger, and a man in a classic European-style retro tuxedo came out from inside...

Under the mask, the man’s delicate lips, as carved by the hand of God, parted slightly, “What’s wrong? Qin Shuang doesn’t want to?”

“Ah...” Qin Shuang looked at the “man” who suddenly appeared in front of her eyes, and blurted out an exclamation. Her eyes were full of incredulity, her

eye sockets quickly turned red and moist, her lips trembled with excitement, and she couldn't even speak. not coming out.

I saw the man in front of me wearing a “whitetiefulldress”, which is the most exquisite and expensive dress style among men's clothing in the European high society in the Middle Ages. It is a classic lapel tuxedo, a white shirt and bow tie, and a black wool shawl embellished with antique black jade. , the whole person is like a nobleman walking out of an oil painting...

“Xi...Karen!” Qin Shuang was one of Selena's die-hard fans, and naturally recognized Selena in men's clothing who looked like a god in front of him.

In the next second, Qin Shuang said without hesitation, “I am willing!!! Yes!”

She never thought that the reason why Selena suddenly gave up the heroine was not because she wanted to change the show, but because she wanted to play such a difficult role “Phantom” in men's clothing!

However, looking at the person in front of him, Selena who hadn't seen the men's clothing for too long, Qin Shuang was full of determination in his heart, if it was Karen, he would definitely be able to do it!

Even for herself, when she thought about playing with Karen, all the fear and anxiety in her heart suddenly disappeared.

Xu Tao was dumbfounded when he saw Selena come out after changing her clothes. It took him a long time to react, and he forcibly pulled back his gaze that was almost stuck to Selena's body and he couldn't get it off.

“fcuk! I'm a straight man who is straighter than a telephone pole, and I almost got bent by you!”

Even though he already knew how scary Selena's men's clothing was, but when he saw her again a year later, Selena had always looked like a fairy. Not only him, but almost everyone had already forgotten what Selena's men's clothing looked like back then.

Seeing it again at this moment, the impact...is simply unimaginable...

Among other things, just looking at the reaction of that girl Qin Shuang can predict a thing or two.

The corners of Xu Tao's mouth twitched, and he hummed in a very unpleasant way, "It's good to be handsome, and it's useless for me to say a word. If someone says a word, I'm willing, right?"

Qin Shuang blushed immediately and lowered her head, but she couldn't bear to take her gaze away from Selena. Those watery eyes were like looking at her long-lost first love.

"Karen, is the role you are going to play a ghost?" Qin Shuang asked, looking at Selena's costume and the mask in her hand.

Selena nodded, "Well, that's what Brother Tao and I planned. The reason why we didn't inform you until the last day was because we were worried that Empire would know our plan in advance."

Qin Shuang nodded again and again, "I see!"

After Selena finished speaking, she picked up the white mask in her hand, covered half of her face, looked at Qin Shuang and asked, "You are more professional, how about my body? Will it violate the agreement?"

Qin Shuang held her little heart that was about to jump out and flew to the opposite side, shook her head like a rattle, and blurted out, "How could that be! Not at all! If I were Christine, I would definitely choose you, not Raoul! "

Just when Qin Shuang finished saying this, the door of Xu Tao's office was pushed open from the outside. When Raoul Louis pushed the door, he just heard Qin Shuang's words, and immediately became furious, " Dmn! Why! Why don't you choose me?"

The moment he finished speaking, Louis saw Selena who was wearing a vintage dress behind Qin Shuang, and whose face was half covered by a mask...

"I... say... my dog's eyes..."

## Chapter 1913

"I... say... my dog's eyes..." Louis covered his blinded eyes in pain.

Dmn it, he actually forgot the ba5tard's nirvana...

He said, how could she have a brain twitch and want to perform an opera, but it turned out that she had dug such a big hole long ago.

Heh, Han Zixuan can steal all of Selena's resources and imitate everything of Selena, but there is one thing that she has never dared to try.

He vaguely remembered that Han Zixuan actually tried men's clothing once, but it was no less ridiculous than Liang Biqin who robbed Selena's "I Only Like You" back then.

Because this trace of imitating Selena was so obvious, it even aroused ridicule from a group of Selena's diehard fans.

Later, Empire made great efforts to erase everything, and never thought of letting Han Zixuan take the path of "killing both men and women".

At this moment, although Louis was almost blind, his eyes couldn't help but keep drifting to the opposite side.

So angry!

He is actually more handsome than him!

If he was a woman, he would want to marry!

Ah bah, what is he thinking!

Louis shook off the disappointing thoughts in his head. Although he was jealous to death, his mouth was still firm, he hummed, squinted at the past, and said with disdain, "It's not so exaggerated, it's just ordinary. Well!"

Hearing this, Selena raised her eyebrows slightly, stroked the white mask on her face with her fingers, took a step closer to Louis, and said in a long voice, "Really? Is it normal?"

Louis took a step back vigilantly, "It's all right!"

"Oh?" Selena narrowed her eyes slightly, and then took another step forward, "Then believe it or not... I'll bend you within three seconds?"

"Oh..." Louis jumped out of the distance with a whimper, and hid in a corner with his head in his arms, "Brother, I was wrong! Please let me go!"

He doesn't talk cheap anymore!

He doesn't want to become as miserable as that guy Mo Chenxiu, who is forced to bend, and can no longer be hard on women...

Although that guy deserved what he deserved, but it's really... too miserable...

Qin Shuang laughed out loud as he watched the interaction between the two.

Karen and Senior Jiang are really loving and a good match!

She almost felt that she was too much of a heroine.

Xu Tao's eyes were shining brightly on the side, and he rubbed his hands together excitedly, "It's alright, alright, stop playing, time is limited, hurry up and rehearse!"

In the following time, the entire rehearsal hall was filled with Louis's angry roar...

"Hey, hello, Qin Xiaoshuang! I'm the hero! I'm the hero, okay? Did you give the wrong person your affectionate eyes!"

"Christine, I'm your childhood sweetheart and your love! Are you going to green me?"

"Selena, you are enough! My heroine is almost killed by you! Can you follow the script? What is your major?"

“fcuk! Because I’m not charming enough? Is the young master not charming enough? Just wait for me!”

...

The final result was that the fire at the city gate affected Chi Yu, Louis was instantly aroused by Selena and started to act wildly, and Qin Shuang was almost completely fascinated by the two handsome men.

She found that playing with Karen was really amazing. She could always easily bring people into the play and bring out the maximum potential of the other party.

After the rehearsal of the chicken flying dog jumping, several people went to have a meal together, and then began to make up and do the styling, preparing for the upcoming “Starlight Night”.

## Chapter 1914

While doing styling, Louis started circling Selena anxiously again.

“Selena, have you chosen your dress yet? What are you going to wear tonight? I just asked, what kind of antique-level dress is that fake and shoddy wearing tonight? The dress worn by a royal princess is worth hundreds of millions. It costs 8 million to rent one day! We can’t be compared here!”

“Oh.” Louis said for a long time before Selena gave him one word.

Louis was about to vomit to death, “Oh, what do you mean, you should tell me! What are you going to wear?”

Selena: “I’ll just wear a sack.”

Louis: "..."

I am serious, please stop playing!

so tired!

Now he finally understands the pain of an agent when facing uncooperative artists...

At eight o'clock in the evening, the much-anticipated "Night of Stars" finally began.

Everyone stayed in front of video sites and TVs to cheer for their idols.

On the red carpet, the stars were shining brightly, and big names from all walks of life signed their names one after another.

Today, Liu Xiaorou sat in the C family's centennial commemorative dress, which made her extremely noble and elegant.

The host praised winkingly, "Xiaorou is so beautiful today!"

"That's right! This dress seems to be a centennial commemorative model of the C family. I haven't seen anyone in the entertainment industry wear it yet!"

In the past, Liu Xiaorou might have been happy to be complimented like this, but now, she wasn't happy at all.

This dress was precious, but Han Zixuan didn't want it, so it was her turn, and it didn't fit her personality or temperament at all.

But she had no choice at all.

When he was at a prosperous age, Xu Tao took care of everything for her, choosing the most suitable one for her. Once he arrived at the Empire, all the best resources, all lists, and even the dresses, the best ones must be given to Han Zixuan and others. Big coffee.

On the big screen on the left side of the stage, the real-time vote count is displayed.

Looking at the number of votes at the end of her crane, Liu Xiaorou felt very uncomfortable.

However, even Yin Youyou was suppressed by Han Zixuan, and she could only be the second child of ten thousand years, so what could she say.

At this moment, Liu Xiaorou didn't expect to meet someone.

"Senior Sister Qin?" Liu Xiaorou looked surprised.

"Xiaorou..." Although he had been prepared for such an occasion, Qin Shuang still looked a little uncomfortable.

"It's really you, huh, I thought I was wrong!" Liu Xiaorou looked up and down at the woman in a low-key dark dress in front of her, with an expression of being surprised to see her on this occasion.

After all, with Qin Shuang's coffee position, she is not qualified to participate in this kind of occasion.

"Why, are you coming to the dinner too?" Liu Xiaoru asked knowingly.

"Join the fun." Qin Shuang didn't say much.

She entered the industry several years earlier than Liu Xiaorou, and was called a senior by the other party, but she is still only a third-tier player, and she really can't hold her head up in front of her.

Liu Xiaorou folded her arms around her chest, looked up and down at Qin Shuang who was facing her, shook her head and sighed, "Senior Sister Qin, I'm not talking about you, although you are very popular, but because sister Youyou and I said a lot of good things for you, Empire Originally, I planned to make a package and poach you along the way.

But you, you don't appreciate it! What is the future of staying in the prosperous world now?

Hehe, you don't believe Xu Tao's words foolishly, do you? What did you say that you have extraordinary strength and a solid foundation, stronger than me and Youyou, but you are only short of a chance to soar into the sky? "

## Chapter 1915

Liu Xiaorou seemed to be talking about something funny, "You are so naive. Once Selena comes back, all the resources will naturally belong to her. Will you still have your bright future?"

Qin Shuang didn't say a word from the beginning to the end after listening to these slanderous words.

She has a very important task tonight, and she must not let Karen and Tao down, and she doesn't want to cause complications.

Liu Xiaorou was still in a bad mood at first, but when she saw Qin Shuang's end, she was ridiculed by herself and did not dare to refute, and walked away in despair, she felt a lot of comfort in her heart.

On the other side, accompanied by excited cheers and screams from the girls, Louis entered the arena.

Compared with the relatively casual attire on the day of the fan meeting, Louis's outfit at this moment is meticulously prepared from beginning to end, from the custom-made suit to the watch on his wrist, and even a cuff button. Produced, a set will cost at least tens of millions.

Originally, Louis's background was good, but with this outfit, the little girls were even more fascinated. None of the male stars and fresh meats in the audience could catch up with him in the limelight.

Following Louis's amazing appearance, his vote count on the big screen on the left also soared.

Although the expected effect was achieved, Louis still frowned secretly.

She kicked him out of his conversation with Selena just now, so I don't know what kind of dress she can wear today.

Sad reminder, how did he find that he is becoming more and more like an old lady?

Just as he was worrying bitterly, Louis's pupils suddenly flashed a cold light, and Han Zixuan had arrived.

Empire Entertainment really spent a lot of money this time. Han Zixuan's outfit, except for the antique gown with hundreds of millions of dollars, the jewels on her neck and wrists are all over ten million, and even the seemingly insignificant earrings are worth a million. .

Even an idiot would look taller in this outfit, and after spending so much money, it would naturally have an effect.

Han Zixuan's appearance immediately amazed the audience.

The host lavishly praised her, counting the origins of every item on Han Zixuan's body one by one, which made all the other actresses on the scene full of envy and hatred.

"It's no wonder that Han Zixuan wants to leave for Empire! She's really rich and powerful!"

"Isn't it? It's just a starry night, and so much money was spent!"

"But it's no wonder. Selena came back and slapped Han Zixuan several times in the face. If she loses again this time, where will she lose face? Of course Empire will not allow this to happen."

"Why hasn't Selena come yet? I don't know what she will be wearing today!"

"Although Shengshi's strength is incomparable with Empire's, this is Shengshi's only chance to stand up, and he should fight to the death! It's just that it is impossible to compare with Empire's generosity. I think it will definitely be rejected. Get over it!"

...

After Han Zixuan walked the red carpet and entered the arena, everyone was gossiping and curiously waiting to see how amazing Selena would be on stage tonight.

Of course, Han Zixuan was also included.

This outfit gave her plenty of confidence and confidence.

Finally, under the eyes of everyone, Selena made her appearance.

“The one who will enter the arena next is Selena, the golden brown actress who has been away from us for a year...”

Louis stretched his neck, looking forward to it, but the next second, he was dumbfounded.

He always thought that Selena was deliberately playing with him, joking with him, but what he never expected was...

This girl actually came here just “putting on a sack”!

Although the design and tailoring of the dress on her was very beautiful and smooth, wasn't it just an ordinary linen skirt?

## Chapter 1916

Han Zixuan sat under the stage, her face was so dark that it was the bottom of the pot.

This feeling is like, she tried her best to prepare for the battle with the enemy with all means, with a big sword and a body full of explosives, but the opponent came with bare hands and came slowly...

As if she was an insignificant ant...

The fancy clothes that had made her full of confidence were now tied to her body like ropes, filling her with a sense of shame.

After the scene was filled with astonishment, there were laughter one after another.

“It’s amazing... Han Zixuan dressed like this, but Selena came here wearing a sack!”

“Don’t take her seriously at all!”

“It’s not a rank at all!”

...

Han Zixuan was trembling with anger. The last time Selena wore a white cheongsam overwhelmed her, she had never been so angry.

Seeing that Han Zixuan’s emotions were about to lose control, Zheng Anru hurried over to appease her, “Zixuan, don’t be angry, don’t be angry, don’t care about that kind of Slut who only knows how to play tricks, although she humiliated us, this ghostly appearance is not We can’t get fans’ votes! Our ultimate goal tonight is the list! When the time comes, we will take all the first places, and then hit her hard in the face!”

“I want all the lists!”

“of course!”

...

After taking his seat, Louis glanced at Selena with an indescribable look on his face, “Who gave you this idea?”

“What?” Selena raised her eyebrows.

“It’s too cheap!” Louis said honestly.

At this time, a head suddenly poked over from behind, Xu Tao said with an unhappy face, “Hey, what are you talking about! Don’t you think fried chicken sticks? Han Zixuan can save money if he is mad!”

The corners of Louis’s mouth twitched slightly, “Your focus is saving money, right?”

Xu Tao said seriously, “Isn’t that what you said, everything is for the company!”

Louis was speechless.

This Xu Tao is absolutely perfect...

"But it's too careless of you to just do it like this! Why don't you respect the organizer?" Louis murmured.

Selena tilted her head and said nonchalantly, "What's the rush? There's an awards ceremony later, so change it then."

Louis: "..."

This tone of "it's not too late to pretend to be aggressive after I win the prize"...

Do you want to be so arrogant?

At this moment, the camera suddenly pointed in their direction, Selena immediately smiled and greeted the fans behind the camera.

Alluring with a smile... that's all.

On the big screen, Selena's vote count was steadily rising.

Han Zixuan's number of votes was twice that of Selena's, which could not be surpassed by Selena's growth rate, but all the votes in Empire's hands had already been sold out, and they had basically reached their peak.

Louis subconsciously glanced to the side. Selena's comfortable, soft and almost homely attire, with her soft hair casually draped over her shoulders, and her spring-like smile on her face, were... more stunning than she was usually. The shining appearance is even more heart-pounding...

There is a kind of power that is not lethal but calm and warms people's hearts. It makes people feel that the person in front of them is full of light, warmth, and surrounded by love, so that everyone who looks at her will be moved by such a beautiful feeling. Infect.

"Your clothes...was designed by your royal designer again?" Louis couldn't help asking.

The mockup is too amazing, how can I always discover the different temperament and moving parts of this girl?

Selena nodded proudly, "Yes, the new model."

“It’s so fast? It’s new again? Didn’t it just happen?” Louis was surprised.

## Chapter 1917

When Selena heard this, a dark light flashed in her eyes.

Their last “Back to Basics” just became popular, and history followed suit and made a batch of them. They also advertised on the official website that Dai Wei spent half a year for this design. Zeling.

Although there are rational buyers who have seen the order of listing and understand what is going on, they are in the minority after all.

Fortunately...

She has always believed in that sentence, in the face of real strength, all conspiracies and tricks are in vain.

Recently, the designer of her little fresh meat seems to be possessed by the god of design. The inspiration comes out one after another. Just after “Back to Basics”, she designed a new topic, which is this series on her body. , named “Love”.

If they have the ability, they will continue to follow suit.

That trick of turning black and white can be played once, and played again, will everyone else be fools?

Although Selena didn’t answer, Louis basically understood that when Selena was away, the designer couldn’t design anything, and when Selena came back, he was immediately overwhelmed with inspiration.

This obviously regarded Selena as his muse and source of inspiration.

“Where is our program ranked?” Louis asked Xu Tao who was behind him.

“It’s very near the front, the fourth one is, you can go to the backstage to prepare after a while.” Xu Tao replied.

“Dmn it! Why are you doing this before? Of course it should be the finale!” Louis suddenly dissatisfied.

Generally, the bigger the coffee position, the more the finale.

Xu Tao rolled his eyes at him, “Did you forget that we are here to canvass votes? The most important thing is to buy time, and it will be beneficial for us to move forward!”

Han Zixuan wasn’t worried about the number of votes, so she was naturally preparing for the grand finale.

After the opening remarks of the host, the guests’ program soon began.

Generally, on such occasions, it is either singing or dancing, and there are basically no other tricks.

Unsurprisingly, the first three shows are all standard singing and dancing performances. One is a professional singer, and the other two are actors. It doesn’t matter how well they sing. Anyway, because they are actors, the audience and fans will not ask for them. It’s too high, just pass it...

After three consecutive shows ended, the audience in the stands was a little numb.

At this time, the host began to announce the fourth program, “The following is the classic opera “Phantom” brought to us by Louis and Selena! “Phantom” is the masterpiece of musical theater master Andrew Lloyd Webber. Its wonderful music, romantic plot, and perfect dance have become the eternal masterpieces of musicals. I don’t know what kind of fresh experience these two best partners who have many CP fans will bring us today.”

“Ahhh – Louis! Selena!”

“Finally we can see them on the same stage again! The Xiye Party is completely satisfied!”

...

The audience in the audience immediately started shouting the names of Louis and Selena, and the fans who were watching before the live broadcast also frantically swiped their screens.

Although most of them don't understand opera, there are also many fans who have seen the program list in advance and deliberately did their homework in advance.

"I searched on purpose. Our family's Makino temperament is not too suitable for the role of Raoul! He is handsome and affectionate!"

"It seems that there is a perverted ghost with a disfigured face that has been wearing a mask. It has been pestering Christine and destroying her and Raoul..."

"But why is it a musical? It doesn't feel very interesting... Last time, a colleague of mine dragged me to watch one, and I almost fell asleep watching it!"

## Chapter 1918

After a while, the host left.

With a "thump", the entire stage suddenly fell into darkness, and the audience also fell silent, waiting for Selena to appear.

"Think about me

think about me fondly

when we have said goodbye

remember me occasionally

if you have a moment to spare

Share some thoughts with me..."

Accompanied by a burst of affectionate and melodious singing, the lights on the stage were turned on.

The audience immediately opened their eyes wide to see, but in the next second, everyone was stunned.

Because, in the middle of the stage, wearing a gorgeous medieval European dress with a large skirt, the heroine Christine who was singing was not Selena.

"Hey! Am I dazzled? Why isn't the heroine Selena?"

"What's the situation? Who is that?"

"It looks familiar, but I can't remember the name! Did I make a mistake somewhere? Didn't I mention Selena and Louis?"

...

The audience at the scene whispered to each other, and there was an uproar. Immediately, another man's singing sounded...

"is it possible?

Will it be Christine?

long ago, seems so long ago

how naive we were

She may not remember me, but I remember her..."

Louis appeared.

Because of Christine's singing on the stage, Raoul who was listening on the side suddenly recalled that the girl in front of him was his childhood sweetheart playmate.

At this moment, Qin Shuang naturally saw the strange eyes of the audience, suppressed the uneasiness in his heart, and continued to sing duet with Louis...

“Thinking back to those days

think back to those times

Think about the things we never did

I don't think about you for a day...”

Qin Shuang's gorgeous dress made her palm-sized delicate face extremely charming, and her moving singing voice was even more intoxicating.

While the audience was full of suspicion, they couldn't help but continue watching...

A pair of people who love each other hold hands and tears, recognize each other, and tell each other their hearts.

Raoul, played by Louis, has no patience for love, and asks Christine for a date, and Christine readily agrees.

There is a sweet atmosphere on stage.

However, when Christine went back to her room to change...

Suddenly, a distant and empty singing sounded in the air...

“The night comes, the feeling gradually, sharp and clear

Flowing in the dark night, awakening the imagination

Just because this is the music of the night...”

This low-pitched singing voice is like the singing of a siren, which is soul-stirring. It not only attracted Christine on the stage, but also made the audience in the audience and Yuan Yuan before the live broadcast restless because of the sudden change of people. The fans subconsciously stared with bated breath...

This voice... why is it inexplicably familiar?

In the stands of the guests, Han Zixuan frowned, and Zheng Anru snorted lightly, "These people are pretending to be gods and ghosts, what kind of tricks are they playing? Are they out of their minds to let Qin Shuang, a little third line, look at the heroine?"

Han Zixuan didn't speak. She always felt that she seemed to have overlooked something, but she couldn't remember what it was for a while.

"Gently, softly, let the music caress you

Listen to it, touch it, give yourself to it silently..."

Bewitched by the singing, Christine forgot her agreement with Raoul, followed the direction of the music, opened the door of the secret room in a trance, and walked towards the mysterious underground secret room...

At this moment, all the audience and fans have been attracted by the plot, staring at Qin Shuang closely, waiting, what will Christine finally find...

"open your heart

In this darkness you don't have to struggle anymore

In the boundless darkness of the music of the night

Close your eyes and set off to a strange new world..."

Finally, Christine was led by the singing and pushed open a door, arriving at the mysterious dark kingdom!

At the same time, the curiosity of the audience has also been hoisted to the peak.

However, at this moment, Christine suddenly fainted from the wonderful singing...

The moment the audience's expectant hearts fell to the bottom, a black shadow flashed, and Christine had already fallen into an embrace...

The British-style tuxedo of the ascetic style, the woolen cloak, the white mask, the half face exposed outside is shockingly beautiful, it is so elegant and luxurious, but it exudes a gloomy and sinister aura...

He stared at the girl who was sleeping in his arms, his hot, jealous and possessive eyes seemed to be able to burn everything...

The whole scene was silent as if time stood still.

Han Zixuan finally remembered what she had forgotten, and her face was as pale as paper for a moment, but it was too late, everything was too late.

After a brief silence, earth-shattering screams erupted from the audience...

"Ahhh..."

"Karen..."

"Am I dreaming!!!!!!!"

...

No one expected, even the fans who knew the plot of "Phantom" did not expect that Selena did not play the heroine, but played the role of ghost as a man.

Seeing the long-lost Selena's men's clothing and seeing the long-lost "Karen", their excitement was no less than seeing Selena again at the promotional ceremony of "The World".

On the big screen on the left, Selena's votes were rising like crazy, which made Louis's eyes almost cramp.

I go! Do you want to be so exaggerated?

Isn't it just a change of clothes? Only half of his face was shown!

Black and hairy and beautiful!

You look at me, look at my golden body, obviously I am more handsome, okay?

However, Louis, who was looking for the missing heroine on stage, was almost like an invisible person...

Not only was the woman robbed, fans ignored him...

Selena was not disturbed at all, and was still completely immersed in the plot.

He gently placed Christine on the bed, and his slender, white fingers restrained and unbearably caressed her cheek.

"Abandon all your thoughts of earthly past

Close your eyes and let the music free you

Until then, until then you are mine..."

The moment the words belonged to me fell, the screams at the scene almost broke the roof.

In the next second, Selena took the girl's hand, gently stroked her heart, lowered her eyes, and slowly approached the girl's lips...

"Wandering, falling, sweetly intoxicated

Come touch me, trust me, come taste every sensation..."

"Ahhh..."

At this moment, the roof was about to be blown off, and all the girls present were so excited, their faces were flushed and their hearts were beating, as if the one who was lying on the bed and was about to be kissed was herself.

Even the men couldn't avoid it, they all blushed when they saw it, and they didn't substitute ghosts, but brought themselves into the heroine too.

## Chapter 1920

Noble but evil, crazy but restrained, her face ruined but still shockingly beautiful, such different contradictions perfectly merged in Selena's body, she gave the ghost a new life...

The ghost quietly looked at the girl on the bed, and sang very bewitchingly...

Let the dream begin, let the darkness in your heart fade away

bow to my music

Bow to the power of the music of the night...

Accompanied by the sea-monster-like singing voice, no matter the fans at the scene, the audience in front of the TV or the people watching the webcast, regardless of men and women, at this moment, everyone bowed their heads to the people on the stage.

Selena's singing skills are good, it is a combination of traditional singing and popular singing, but there is still a gap compared with the absolute professional ones, but the emotion contained in her voice is unmatched by any professional singer. The acting skills are completely integrated into the music.

After a little modification, the low-pitched and moving voice of a young man, which is between men and women, and that half-face that disregards gender, is enough to make people crazy.

Just as the audience was mesmerized, the lights on the stage dimmed suddenly.

When the lights came on again, the ghost had disappeared, and Christine lay back in her room, as if all this was just a dream.

The musical, which had received very little public attention and acceptance, has completely attracted everyone's attention at this moment, and everyone is engrossed in waiting for the next performance.

The directors of the four major TV stations received the following notice almost at the same time. At the moment, the ratings are rising rapidly, and they are expected to break the ten-year record of Starlight Night. The popularity of the night's live broadcast has soared to the first place.

Next, Christine and the ghost spent a period of time as both teachers and friends. The ghost secretly taught Christine to sing and removed all obstacles for Christine. Arriving at the position of the heroine...

However, this switch brought only Christine's fear, and her relationship with Raoul became more and more inseparable. After the accident on the stage, Christine and Raoul took advantage of everyone's panic, fled to the roof.

There, she told Raoul about her experience, and Raoul expressed her long-buried love to Christina, and the two sang a song all-i-ask-of-you to express their hearts to each other. .

The ghost has a panoramic view of all this, suffering from Raoul's confusion of Christina and Christina's betrayal, and decides to curse them.

Finally, he couldn't bear it anymore, and cast a curse under his anger, and when the "Faust" performance ended and the actors called their curtains, the huge chandelier on the stage fell on Christine to pour out his anger and warning.

After the plot has progressed here, it enters the second act of the plot.

Six months have passed, the haunted ghost has not reappeared, the chandelier has been restored, and a masquerade ball is held in the theater to celebrate this new life.

Christina and Raoul, who have been secretly engaged, also danced hand in hand in the crowd.

At the climax of the joy, a guest wearing a red death mask suddenly appeared, and everyone was shocked by this strange and frightening costume.

The visitor is the ghost that has disappeared for a long time.

Under the deliberate arrangement of the ghost, he disguised himself as someone else and got the chance to share the stage with Christine.
