### Chapter 1961

However, Saul never imagined that the first time he saw Han Xiao himself, he would appear in such a way...

Riding on a white tiger...

If it wasn't for Han Xiao who was seriously injured and in a coma, he would be... so handsome that he would explode!

"What's going on?" Daniel frowned deeply.

He naturally knew Han Xiao, and he had heard Selena say it countless times in his ears. Back then, he took over Selena from Han Xiao and saved the lives of Rick and Selena.

"Impossible... the Great God will be injured?" Selena looked in disbelief.

Others don't know Han Xiao's strength, so how could she not.

The pervert who can't be hurt even by bullets is now lying on the white tiger's back, in a coma?

"No, let him in quickly!" Selena was a little anxious.

No matter what Han Xiao thinks, in Selena's eyes, Han Xiao is not only her brother, but also her benefactor.

At the beginning, without Han Xiao, she and Rick would have been impossible to live in this world.

“No... No way!” Saul was agitated instantly, and stopped Selena: “Sister-in-law, why did you bring in the Great Master? He’s on Baihu!”

Han Xiao is now on the back of a white tiger, what to do?

Tell Baihu, good boy, let the Great God Han Xiao down?

Or put the white tiger together? Solve the problem of food and clothing for the white tiger?

When Saul said this, Selena was also stunned, wondering how Han Xiao was seriously injured, and how could he be on a white tiger...

“It’s okay, open the door.” Daniel said.

“Brother, are you sure...” Saul felt that Selena and Daniel were crazy.

“This white tiger shouldn’t hurt anyone,” Daniel said.

Before Selena could speak, a shocking scene appeared outside the window.

Baihu put Han Xiao from his back to the window, and immediately retreated more than ten meters.

“I rely on it!”

Saul was greatly surprised by this situation.

“This white tiger is so spiritual?” Saul couldn’t understand, “It’s more spiritual than a dog...”

“Tigers are more spiritual than dogs, isn’t that strange?” Selena asked back.

“I understand the truth...but I’ve never been in contact with tigers, I’ve only been in contact with dogs.” Saul took it for granted.

Daniel ignored Saul and without hesitation, opened the door and carried Han Xiao into the room.

Bai Hu watched motionlessly from a distance, and only turned to leave after Han Xiao was brought into the room.

"I'll let the doctor come first, and if it really doesn't work, I'll send him to the hospital," Daniel said.

"Okay..." Selena nodded.

Daniel got up and made a call to tell the doctor to come here.

Saul looked at Han Xiao with curiosity.

This is the abnormality that Selena mentioned at the beginning... No, my god...

When I saw it today, it was really amazing, and it was actually on the back of the white tiger.

But such a person, who can hurt him?

Selena said at the beginning that the person in front of him couldn't do anything with a gun, no matter what, Saul couldn't believe it.

No one is afraid of guns.

"Sister-in-law, how could this great god be on the white tiger just now?" Saul looked at Selena.

"do not know."

"I've learned a lot!" Saul clicked his tongue.

"Don't make noise..."

Suddenly, Han Xiao, who was in a coma, closed his eyes and his face was full of displeasure.

"Master, are you awake? Are you alright?" Seeing Han Xiao speak, Selena hurried over.

"What's the matter... If you're not dead, you're fine..." Han Xiao's eyes were still closed, but he seemed to be awake when he spoke.

## Chapter 1962

Han Xiao was injured, this was the first time Selena saw him.

Injured to the point of unconsciousness, Selena didn't even dare to think about it.

Originally thought that Han Xiao was seriously injured, but Selena was relieved to see that Han Xiao could still speak like this.

"But, my god, your chest is still bleeding..." Saul pointed at Han Xiao's chest and said in a daze.

Selena watched it for a while, feeling terrified. She was injured by a cold weapon. Judging from the scar, it should be a dagger that almost pierced her heart...

With such a serious injury, if you were an ordinary person, if you were not sent to the hospital for surgery in time, you would definitely die.

But this Han Xiao can still speak so easily and calmly.

"No vitals were hurt, but some nutrition was lost." Han Xiao didn't care.

"It's all like this, why are you pretending to be handsome? You can faint on the back of a tiger if you're fine?" Selena frowned deeply.

Originally, Saul wanted to ask about the condition of the white tiger that brought Han Xiao, but before he could ask, an old man in a suit knocked on the door and entered.

This old man was Daniel's personal doctor.

As soon as he entered the house, the old man saw Han Xiao at a glance, and quickly squatted on the ground to check for Han Xiao.

"Mr. Lu, you said this is the injured person?"

“yes.”

“Excessive blood loss, the wound is deep, very close to the heart...” The more the old man examined Han Xiao, the more frightened he became.

Among other things, the wound was caused by an extremely sharp weapon. If it were an ordinary person, the pain would be excruciating, plus a lot of blood loss.

And this young man, with a flat face, didn't care about his injuries, but unfortunately he didn't have any equipment. If there were any, he had to check to see how strong his body was.

“How is it?” Daniel asked.

“Strange...it doesn't seem like a big problem, but this wound...” The old man looked puzzled.

“Disinfect the wound and then suture it.” Han Xiao said.

“Young man, you have to go to the hospital. The injury is too serious. I can't handle it here...” the old man reminded.

“No need.” Han Xiao didn't care, he was the best doctor himself, and he knew his physical condition best.

“Mr. Lu, look at this...” The old man's eyes fell on Daniel.

This person seemed to be Daniel's friend, if something went wrong, he couldn't afford it.

“He asked you to sterilize and sew up, you just do it.” Selena said hastily.

In any case, she subconsciously chose to believe in Han Xiao.

“Just do it.” Daniel said.

“Then...well...” In desperation, the old man could only disinfect and clean the wound as Han Xiao said, and then sew it up.

After suturing Han Xiao's wound, the old man stood up, borrowed the bathroom to wash it, and left after a few instructions.

—  
“Han Xiao, what’s going on? How did you get this injury?”

Daniel brought a set of clothes for Han Xiao, and after changing into them, Selena asked.

“Being beaten up.” Han Xiao had an indifferent look on his face.

“Beating? You were beaten like this?” Selena was surprised.

Selena knew very well what kind of pervert this was. A monster that could even dodge bullets could be beaten like this?

“I was almost beaten to death. Fortunately, I was alert enough, otherwise the dagger would stab my heart...”

Although the words are scary, seeing Han Xiao’s expression of “I’m so awesome, give me a few more knives”...it’s really embarrassing.

“Uh, is this guy really human?” The corners of Saul’s mouth twitched.

Someone almost stabbed his heart with a dagger, but only stitched it up, and now he looks like a normal person.

It was really just like Selena’s description at the beginning, she was a super pervert.

Chapter 1963

“Who could hurt you like this?” Selena couldn’t help asking.

“Well, don’t mention it.” Han Xiao seemed too lazy to continue discussing this matter.

“Master, you’re so awesome, how could you be hurt like this?” Saul looked at Han Xiao and asked desperately.

“Boy, I was attacked while I was asleep.” Han Xiao rolled his eyes.

“Master, you are so good, why did you get attacked?” Saul was very puzzled.

“I’m so awesome, do you believe that I can kill you with one blow?” Han Xiao stared at Saul.

“Great God... The guy who sneaked up on you is such a ba5tard. As the saying goes, smart people don’t do secret things. Especially in a life-and-death duel with a great god like you, how could you use such despicable, shameless and despicable means...” Saul’s face was full of hatred.

“Selena, who is this?” Han Xiao looked at Selena in confusion.

“I...brother... I was frightened by your white tiger just now, so I’m a bit talkative, don’t mind...” The corners of Selena’s mouth twitched slightly.

“By the way, why were you brought here by a tiger?” Selena asked with doubts in her heart.

“That’s my friend.” Han Xiao yawned: “The albino giant Bengal tiger... has been with me since I was a child, seven years.”

Selena was a little speechless, but she really guessed it, it really was the beast raised by this pervert.

“Hey, where’s my white tiger?”

Only then did Han Xiao suddenly realize that Bai Hu was not there, and looked around.

“Why didn’t you let my white tiger in?” Han Xiao asked in surprise.

Selena helped her forehead helplessly, “Please God, not everyone is as perverted as you are, it’s the beast you raised, you use your toes to think, who would dare to let a tiger into the house without knowing it? “

“What are you afraid of? My white tiger is smarter than humans, so he won’t talk to you.” Han Xiao immediately stood up and went out to find the white tiger.

“Let him rest well,” Daniel said.

Selena nodded, and quickly pulled Han Xiao back, “You just lie down, don’t make trouble anymore, please!”

The wound has just been sterilized and sutured, and I cannot exercise. If I go out to get infected or the thread is broken, it will be very troublesome.

“I’ll help you find it.” Daniel put on his coat.

The person in front of him had saved Rick and Selena before, and he would help him with his affairs out of emotion and reason.

“Follow me.” Daniel said to Saul.

The bad news came so suddenly that Saul was on the verge of tears, “Brother... the Great God is inseparable from people, you see how badly he is injured, I can help you when he gets thirsty or something...”

Asking him to go out to find a giant white tiger in the middle of the night is like a real brother!

Selena was speechless, “My dear, let me go with you.”

After finishing speaking, he said to Saul, “You stay at home and take care of the Great God.”

Saul nodded like a rattle.

So in the hall of the room, only Saul and Han Xiao were left staring at each other.

“Master, can you teach me how to tame a tiger?” Saul took advantage of this great opportunity to ask.

Han Xiao: “Does the tiger need to be tamed?”

Saul: “...”

...

In the dark night, the two looked around for the white tiger.

If this is not found before dawn, it will probably cause a riot when the people in the town are shocked by dawn.

After searching around for about a quarter of an hour, Selena stood still on a small hillside, shining a flashlight in front of her, and immediately grabbed Daniel: "Look!"

Daniel turned around and followed the light of the flashlight.

There was a huge white tiger lying on the ground, its eyes were also staring at Selena and Daniel.

Chapter 1964

"careful."

Daniel immediately protected Selena behind him.

Although he knew in his heart that Han Xiao's white tiger was extremely human, in fact, it was not difficult to see from the fact that the white tiger came here with Han Xiao on his back, and the behavior of the white tiger afterwards.

But almost instinctively, human beings still maintain a certain degree of vigilance against the beasts at the top of the food chain.

"Baby!"

Selena stared at the giant Bengal tiger, and tentatively called out.

Hearing Selena's call, Bai Hu seemed a little hesitant, and stood up slowly, waving his long snowy tail towards Selena.

Looking at the white tiger, Daniel couldn't help being amazed.

Some of his friends abroad have kept ferocious beasts such as brown bears, ligers, tigers and leopards, but it is very rare for them to be so humane.

Soon, Bai Hu walked beside Daniel and Selena, very quiet.

"Honey, don't be afraid, come home with us." Selena couldn't help touching the white tiger.

Baihu shook his body, looking very docile.

"Baby is awesome!"

He didn't expect to use Rick's way of treating Baihu to be effective. Of course, the most important thing is that she has Han Xiao's aura on her body. He knows that he has no malicious intentions, and it belongs to Han Xiao.

Selena couldn't help admiring Han Xiao again, how he tamed a beast at the top of the food chain to become like this...

"Let's go."

Daniel didn't dare to relax, he protected Selena from the side, and walked towards the small garden building.

Along the way, Selena couldn't help but turn her head to stare at the white tiger all the time. If the white tiger wasn't too big, Selena would have liked to hold the white tiger in her arms.

"My dear, I want to feed a white tiger too!" Selena couldn't help but said.

"Unless Han Xiao helps you tame it." Daniel said.

Ordinary cats and dogs are nothing more than ordinary cats and dogs. Like this kind of ligers at the top of the natural food chain, it is best not to mess with them. Even if they are raised from a young age, when the tiger is an adult, a little carelessness may lead to tragedy.

“Ask him to help me tame it? I’m afraid I can’t afford it.” Selena shook her head. After Han Xiao tamed her, would it still be hers...

But, it’s so cute and cute!

Seeing the white tiger waving its snow-colored long tail and staring at her with soft eyes, Selena felt like her heart would be melted by this giant albino Bengal tiger.

What kind of beast is this? It’s a super cute beast, okay?

What kind of cat to raise, what kind of dog to raise... If you want to raise it, you should raise a tiger!

...

Back to the small garden building, half an hour has passed.

Fortunately, the small building is designed with double doors, otherwise, the body of the albino giant Bengal tiger would not be able to squeeze in at all.

Even so, it was not easy for the white tiger to enter the room.

“Oh my god...”

Saul stared at the white tiger in the living room, feeling his scalp tingling and goose bumps all over his body.

Occasionally, Saul’s body trembled when he was caught by the white tiger’s domineering gaze.

If this thing suddenly became violent, a hundred of them would not be enough to be killed by that huge tiger paw.

“Little baby, be careful!”

Since Selena came back, she has been clinging to the white tiger, stroking the white tiger with both hands, the soft hair is so comfortable!

Best feel ever!

“shake hands!”

Selena held the white tiger's giant paws with both hands, and touched the soft pads. It was an invincible enjoyment...

What is surprising is that the white tiger's sharp claws, when playing with Selena, took the initiative to put them in the pads, as if afraid of accidentally hurting Selena.

"My little baby, I really love you to death!"

Selena became acquainted with the white tiger in a short time, held the white tiger's head in her hands, and kissed it on the forehead.

## Chapter 1965

And Saul's expression on Selena was almost like that of a pervert...

It's so scary that it's cute, and she still rubs it!

"Han Xiao, I've decided." Suddenly, Selena called out to Han Xiao who was eating a peach.

Han Xiao looked at Selena inexplicably: "What."

"I decided to adopt your albino Bengal white tiger. Don't thank me." Selena hugged half of the white tiger, unwilling to let go.

"Adopt my white tiger?" Han Xiao was stunned, unable to understand the meaning of Selena's words.

"Are you dreaming?" After Han Xiao came back to his senses, he curled his lips, trying to snatch his white tiger, and told himself not to thank her, bandit?

"Brother Han Xiao!" Selena softened.

“No way.” Han Xiao refused very simply.

“Grandpa Han Xiao!”

“Impossible.” There was still no room for relaxation.

“One hundred tons of kfc luxury barrels!” Selena laughed.

“Don’t do it.” Han Xiao remained unmoved.

“I’ll give you a KFC...” Selena made a cruel move.

“There is no way to go to 10,000 families.”

This time, Han Xiao finally resisted the temptation of kfc and did not surrender.

For a foodie, this is really not easy!

...

That night, Saul didn’t close his eyes at all. It wasn’t because he was reluctant to part with the white tiger like Selena, but because he couldn’t sleep well.

If he slept until midnight and was buried under the jaws of a tiger, who would he ask for an argument?

For several days in a row, Han Xiao lived and ate in the small garden building. Daniel arranged everything so that Han Xiao could recover from his injuries.

As for Selena, in order to spend a few more days with Bai Hu, she wished Han Xiao could live here often.

A week later, Han Xiao’s injuries had fully recovered, and he forced the white tiger to leave.

And before leaving, under the pretext that the white tiger needed food, he took almost all the snacks and food in the small garden building in one pot.

After Han Xiao left with the white tiger, Selena suddenly realized.

What the hell, never heard of tigers eating snacks!

This foodie is really immoral!

...

After a few days.

Jayers called Selena and asked Selena to meet at the private club last time.

After arriving at the location, it was already noon.

In the private room, when he saw Selena coming in, Jayers opened the bench for Selena in a gentlemanly manner.

Selena was flattered, "Thank you, Mr. Geers."

"Miss Selena, you're welcome, if you can... I mean if... can you...call me grandpa?" Giles stared at Selena, looking expectant and nervous.

Hearing the sound, Selena froze for a moment.

This kind and kind old man in front of him is also his idol, let me call him grandpa...

This cannot be denied anyway.

"Grandpa Giles." So Selena called out as she said.

"Thank you..." There was an indescribable look in Jayers' cloudy eyes.

"I wonder if you called me today. What's the matter?" Selena asked.

"Oh, it's about the candidate for the old version of the male killer Karl." Giles got down to business.

"Male killer..."

Selena remembered that in the movie "Killer", there was a male killer named Carl, who was also one of the important supporting roles. He was a cross-dressing killer who disguised himself as a woman. He had a very good relationship with the female lead, and the two often went out to assassinate missions together. .

“Carl in the new script has modified the background setting. He is a mysterious oriental killer, Chinese, with high martial arts, and is only inferior to female killers. Such a role is most suitable for finding actors in China.” Geers explained .

The changes in the new “Killer” are not too many, but they are just right, and Selena is also aware of this change.

## Chapter 1966

“You mean, do you want me to recommend a suitable actor from Huaguo?” Selena asked.

“Yes.” Gilles nodded.

Selena was a little surprised that Jayers trusted him so much.

Carl, the male killer in the play, can be regarded as one of the important roles. If any domestic male artist can play such a role, his identity and status will inevitably rise with the tide, and its importance is self-evident.

Jayers would actually give her such rights...

“If it is a cross-dressing killer, I think temperament and appearance should be very important, not to mention the plot of cross-dressing. In addition, if you want to cater to the domestic film market, you must at least surpass the first-line artists. Among the artists I know, it is really One is more suitable.” Selena pondered for a moment, then spoke cautiously.

“That would be the best.” Geers took out a contract and handed it to Selena directly.

“This is the contract, the salary and some details are all in the contract, please excuse me.” Giles said.

After accepting the contract, Selena was shocked again.

This... Is this going to be left to her?

She clearly only said a few words, right?

Would you be too relieved of her?

Out of caution, Selena declined, but Jayers entrusted her with great trust and politeness.

In the end, Selena couldn't refuse, so she accepted the contract.

After all, she was sure of the person she recommended.

...

After leaving the private club, Selena didn't delay for a moment, and drove directly to a villa area in the imperial capital, knocking on the door of Louis's room.

Louis was wearing pajamas, slippers, a chicken nest head, and a game controller in his hand.

When he opened the door and saw Selena, Louis was stunned, as if he didn't expect it to be her.

After reacting, he immediately said in a bad mood, “Oh, auntie, what brought you here?”

This guy who values sex more than friends, he is still angry!

Selena didn't answer the conversation, she poked her head to look into the room, and asked mysteriously, “Is...is there...”

“There's your sister!” Louis stared at her when he realized what she meant.

Is he such a messy person?

“Didn’t you say that all beauties have appointments recently? I’m not afraid of disturbing the happiness of the younger generation!” Knowing that Louis doesn’t have a woman, Selena didn’t have any scruples. She just slapped him away and walked into in the room.

Louis closed the door, rushed into the room, quickly sat on the sofa, swung the game controller, and played the game again.

“Stop playing, I have something to do with you,” Selena said seeing Louis’s enthusiasm for playing games.

“I’ll tell you later, I’ve been fighting all night, and I’m nervous!” Louis was extremely attentive.

“You forced me to do this!”

Selena stepped forward, not giving Louis any face, and took advantage of Louis’s unpreparedness to directly unplug the power of the game console.

Louis jumped three feet high, “Selena! Even if you give me a girl, I’ll never end with you today!”

Selena had black lines all over her head, “Send your sister! You are so beautiful! But there is one good thing!”

“What good can you do with me? I’ll be fine if you don’t abuse me!” Louis hummed.

“I’m looking for you for something very important this time, and I’m looking for you to play a role.” Selena said with a serious face.

“Role... what character?” Louis finally became more serious, and looked at Selena puzzled.

What role made Selena come to him in person?

Can he still lack roles?

“A male killer.” Selena said.

“Male killer...” Louis touched his chin. He actually quite liked the role of killer who could play cool.

“It’s the opposite.” Selena added.

“What?” Louis was stunned.

“A killer who disguises himself as a woman!” Selena explained in detail.

In the next second, Louis jumped three feet high, pointed at Selena’s nose and started howling: “Selena, you pervert, you still don’t give up! I’m so good, I have to wear women’s clothes! I will never wear it if you want to die!”

“Really?” Selena narrowed her eyes.

“Really, it’s more real than pearls! If I wear women’s clothes, I’ll be your son!” Louis sneered.

“Ah...” Selena shook her head, her face full of pity, “Well, I thought of you for such a good thing, but you don’t appreciate it, so forget it!”

“Keep this kind of good thing for yourself!” Louis said with an expression of thanking your whole family.

“Unfortunately, for the role of Killer Carl, I can only find someone else.” Selena turned around and left.

“What? Killer Karl?!”

After hearing Selena’s words, Louis immediately blocked the door.

“You just said...a Hollywood movie...a killer?” Louis asked tentatively.

“Yes, otherwise.” Selena nodded.

“Selena, are you lying to me? With such an important supporting role as Carl, would you invite our domestic artists?” Louis gave an expression that you don’t want me to be fooled.

Taking a ten thousand step back, even if they really invited artists from Huaguo, what does it have to do with Selena, how could Selena come to find an actor.

“have a look.”

Selena took out the contract and threw it directly to Louis.

Half convinced, Louis opened the contract and looked it over carefully.

A quarter of an hour later, Louis’s pupils shrank slightly.

This is indeed the signing contract of Karl the male killer in the new version of “Killer”!

And it was impossible for Selena to deceive him with such things.

“Dmn it! Selena, how did you get this role? You’re fine!” Louis looked excited.

Louis is a standard “Killer” enigma. Growing up, he watched this movie hundreds of times.

More importantly, his super idol, Giles, is the producer of the new version of “Killer”!

“Give it back to me!” Selena snatched the contract back without being bothered by Tori Louis.

“Auntie, don’t... I can’t act...” Louis laughed.

“Tsk ts, I’m sorry, calling my auntie won’t work this time!” Selena didn’t buy it, and said quietly, “Who said just now that if he acts, he will call my father...”

“Father!” Louis stared at Selena and shouted decisively.

Selena: “...”

Selena stared at Louis, speechless.

When he was asked to act before, he refused to agree with his life and death, and even put down harsh words for himself.

At this moment, he licked his face and called him father, so he insisted on signing the contract.

What about ethics?

Louis smiled and tried to make his smile more sincere: "Dad, I was wrong! Really!"

The corners of Selena's mouth twitched slightly, and he threw the contract back to Louis, "Hurry up and take a good look, I still have to call back there."

"Selena, how did you get me this role?" Louis asked in confusion after impatiently signing the contract.

"Mr. Giles asked me to help find him. He thought you were suitable, so he recommended you." Selena said.

Hearing Selena mention Jayers, Louis was slightly taken aback.

## Chapter 1968

"You know Jays?" Louis was surprised.

Selena has only been in the entertainment circle for a long time, even if she was the biggest entertainer in the country back then, it is impossible for her to know Jayers.

"How could I know him? I only met him during the audition, but we hit it off pretty well. He decided my role." Selena said.

“Audition? Oh right, I haven’t asked you yet, what is your role?” Louis asked casually.

“Killer.” Selena said.

Louis immediately turned into a dog-like expression, “Don’t tell me, you played the heroine Anna?”

Selena expected Louis’s reaction in this way, she held her chin and said, “It’s like I’m dreaming too... It’s said that Lilian was the default...”

Louis didn’t know what to say anymore.

“Killer”, a heavyweight classic Hollywood movie, might use a Chinese actress to play the leading role?

This kind of thing has never happened in China so far.

Not to mention “Killer”, even if it is an ordinary Hollywood movie, there are very few important roles given to Huaguo artists, and there are only a handful of them.

Especially after knowing that Selena replaced Lilian, Louis was in admiration.

Lilian is now the youngest actress in Hollywood, and one of the hottest entertainers in Hollywood. Her weight is self-evident. The female role that Lilian was originally assigned to in “Killer” will be replaced by Selena. Or the decision of his super idol Jays...

Louis frowned, with a subtle expression on his face, “Tsk, Han Zixuan and Zheng Anru are still bragging about Han Zixuan’s success in entering the killer crew and participating in killer movies... Maybe they never dreamed that you are now a killer The number one female!”

Zheng Anru and Han Zixuan’s faces were probably swollen by Selena this time.

“The task is complete, I’m leaving first, if you need women’s clothing, you can find me!” Selena said with a smile.

Thinking of women’s clothing, Louis’s excited mood suddenly turned a little sad.

Nima, I still feel cheated, what's going on?

After leaving the villa area, Selena drove back to the small garden building in Luzhen.

Thinking of those few days with Baihu, Selena's heart almost melted.

So he couldn't help calling Han Xiao, hoping that Han Xiao would bring the white tiger over to rub her.

It's a pity that Han Xiao's phone was turned off and he couldn't get through at all.

The great gods are indeed elusive...

A week later, almost all the well-known domestic entertainment media rushed to a certain filming location of "Killer" in the imperial capital.

Today the crew will hold a fixed-angle press conference.

Han Zixuan, a first-line actress in Huaguo and Guochao, successfully joined the crew of "Killer" and participated in the movie. Every media wants to get first-hand information, and interviews by the way.

A temporary in-play base.

Wei Di appeared for the first time.

Wearing a black suit, she set off her slender figure to the extreme.

"Wei Emperor!"

"God, so handsome!"

After seeing Weidi himself, many media were instantly convinced.

Wei Di himself is more handsome than in the camera.

After Wei Di came out to say hello, he left in a hurry.

Afterward, Lilian and some top Hollywood actors also appeared one after another, politely answered a few small questions raised by the Chinese media, and then returned to the crew.

About half an hour later, Han Zixuan, two assistants, and Zheng Anru appeared in the media's line of sight.

"Miss Han Zixuan, may I ask how you successfully participated in the movie "Killer" this time?"

...

## Chapter 1969

Seeing Han Zixuan appearing, many media flocked to her.

With a proud smile on Zheng Anru's face, she answered the questions from the media, "First of all, it is because of Zixuan's super strong acting skills, and secondly because of the suitability of the role, coupled with her super-first-line reputation, Zixuan got the role in the killer drama. , It will be a matter of course, very smooth."

Reporter: "Then, what kind of role will Ms. Han Zixuan play in the show Killer?"

Reporter: "We all know that the movie The Killer is regarded as an insurmountable classic in Hollywood. I wonder if Ms. Han Zixuan is under any pressure?"

Zheng Anru said: "Zi Xuan knows the movie "Killer" very well, she has done a lot of homework, and even put aside her work on "The World" temporarily in order to concentrate on acting in this movie well.

I dare not say that I am better than my predecessors, but I will definitely try my best to show the role played to the fullest.

As for the roles, although there are not too many roles, everyone should know that even in ordinary Hollywood movies, it is extremely difficult to win a role, especially the biblical classic like Killer, Zixuan can get such a role. The role, especially being able to play on the same stage with such Hollywood film kings and actresses as Wei Di and Lilian, is enough to be proud of. “

“By the way, it is said that Ms. Selena also participated in the audition for The Killer, but Shengshi Entertainment has not released any news so far. I wonder if there is any inside information about Empire Entertainment?” A certain female reporter hurriedly took the opportunity to ask questions.

Mentioning Selena, Zheng Anru raised the corners of his mouth, with a hint of disdain in his eyes, and then said flatly, “We at Starlight Entertainment don’t know much about Shengshi Entertainment and Selena.

It’s just that the main role of the killer movie has already been decided, and there is no news from Shengshi Entertainment, so you can imagine it yourself. Besides, such a remake of a biblical classic, under normal circumstances, Hollywood will The country will only use one character at most since Zixuan’s audition was successful...”

Although Zheng Anru didn’t say it clearly, the implication behind his words is already very obvious.

I’m afraid that Selena’s audition did not succeed. It is more likely that Selena and Han Zixuan, two top domestic artists at present, competed for the same role. As a result, Han Zixuan got the role and joined the crew, while Selena lost.

“In the movie Killer, Wei Di plays the male lead, Lilian plays the female lead, and other roles are relatively transparent. If Hollywood only chooses one character in Huaguo this time, does that mean that Miss Selena and Miss Han Zixuan Competing for the same role, Miss Han Zixuan won.”

Remember to grasp the key points and ask questions immediately.

Zheng Anru smiled slightly: “This, we don’t know very well, what kind of process it is, it doesn’t seem to be important, but in the end, it was Zixuan who participated in “Killer”...”

Although Zheng Anru didn’t say it clearly, what he said was very clear, and all the reporters showed a clear expression.

While talking here, Xu Tao and Selena appeared on the set at the same time with several assistants.

“Yo!” Xu Tao looked at Zheng Anru who was not far away, and said, “Zheng Dajin’s manager, brought your tricks today, and came to win glory for Empire?”

Seeing Xu Tao and Selena appearing here suddenly, Zheng Anru immediately sneered, “What’s the matter, with a past female artist who can’t even get a role in your family, come here to find a sense of presence and gain exposure?”

## Chapter 1970

“What? What are you talking about? A past female artist who can’t even get a trick?” Xu Tao made an exaggerated look: “I’m afraid you are ignorant, old man?”

Zheng Anru stared at Selena and Xu Tao with undisguised disdain in her eyes, and she was still putting on airs at this time.

“Miss Selena, it is said that you also auditioned for the role of the Killer crew before, and competed with Miss Han Zixuan for the same role, and you lost in the end. I wonder if it is true?”

“Miss Selena, does this prove that even though you are currently in the limelight in China, and even swept the top five lists overnight, your international status is still inferior to Miss Han Zixuan?”

Zheng Anru sneered when he heard a reporter from the media raise such a question. This kind of question should be raised more often.

Before Xu Tao could speak, the official launch of the “Killer” character press conference had already begun.

All the media reporters stopped paying attention to Selena and rushed into the venue quickly, trying to find the best angle to report.

Xu Tao led Selena towards the venue from another passage.

...

At this moment, at the press conference, Wei Di, Lilian and others were already sitting at the seats.

In the new “Killer” movie, all the characters have arrived.

An extra character like Han Zixuan couldn't be at the table, everyone at the table was an important role.

“Why is there an empty seat?” A reporter looked puzzled.

“Lilian... is she sitting in the seat of the female number two?”

Even the sharp-eyed reporter discovered that Lilian's position was not the number one female, but the second female.

“Could it be that the rumors were wrong before, Lilian played the role of the second female lead in the Killer One drama, not the first female lead.”

“Who is that female number one?”

“It should be some other super popular actresses in Hollywood. I guess it's Jennifer, or else it's Blanche!”

...

When all the domestic media were speculating, Selena walked into the venue.

Seeing Selena, Wei Di stood up politely and pulled the woman in front of him away.

Seeing this, all the media looked around, searching for the other two Hollywood queens.

“A has-been actress who came here just because of the popularity? Don’t you think it’s embarrassing for our country?”

Realizing that Selena and Xu Tao had actually entered the venue, Zheng Anru sneered.

“That’s right, but I can’t compete with Sister Zixuan, so there’s nothing I can do about it. After all, it’s a press conference for a killer. I’ve been here before, and I’ve seen so many big names in Hollywood. It’s a comfort to my failure.”

“This kind of person can only watch Sister Zixuan, Weidi and Lilian on the same stage on TV. She has no chance.”

“Could it be that he’s here to make trouble again? This person is too shameless!”

The two assistants in front of Han Zixuan snorted coldly.

Not only Zheng Anru and others, but also many domestic media also saw Selena.

“Miss Selena, since you lost the role and the competition with Miss Han Zixuan ended in failure, as a domestic top-tier actress, is it a little inappropriate to come to the assassin’s press conference?”

“Miss Selena, may I ask how you feel at the moment?”

More than a dozen reporters stepped forward and surrounded Selena, and immediately asked questions.

“I’m sorry... I’m sorry, please let me...”

Xu Tao didn’t bother to talk to these people, so he protected Selena and walked directly to the stage.

So, under the watchful eyes of everyone, Selena actually walked towards the press booth.

“Miss Selena, please sit down.”

At this moment, Weidi, who had already helped to open the chair, made a “please” gesture in a very gentlemanly manner.
