Chapter 2001

A gloomy look flashed in Susie's eyes, but she had a weak and helpless expression on her face. She smiled wryly and shook her head.

"If I could, why would I leave? I have stayed in Empire for so long, Empire is like my second home, and you are like my sister. I also want to stay in the company, but..."

In the middle of speaking, Susie suddenly sighed, and the smile on his face became more and more bitter.

"Forget it, it's nothing. If you leave, you will leave. It's useless to say anything now. It's just a burden on you. Because of me, I will..."

Susie shut her mouth suddenly, and looked at Han Zixuan pretending to be surprised, as if she accidentally said something wrong.

Han Zixuan is not a fool, she clearly heard that Susie had something to say, and it was related to her, she would not let it go, she quickly reached out and took Susie's hand and said, "Vice President Ning, what happened?" What is it? You brought me up with your own hands, can't you even trust me?"

Susie shook her head bitterly, "Zi Xuan, you are just like my sister, how could I not trust you... It's just that today is different, no matter what happened in the past, I could protect you, but now..."

"I don't want to tell you, because I'm afraid of hurting you, after all... Now I'm already in danger."

Unable to help themselves?

Susie's words shocked Han Zixuan. Susie is now the eldest mistress of the Su family. With her status, who else can threaten her?

Subconsciously, Selena's delicate face suddenly flashed in Han Zixuan's mind. Wasn't it because of Selena's pressing force that Susie quit the film and television industry back then? Could it be that...

Han Zixuan looked at Susie with some uncertainty, and hesitated for a while before whispering, "Is it Selena?"

When Han Zixuan said the name Selena, Susie's shoulders trembled visibly. She lowered her head pretending to be wronged, and suppressed the look in her eyes, but the appearance showed that she had suffered a great deal of grievance and forbearance. The appearance of not saying.

Selena again?

Looking at Susie's reaction, Han Zixuan obviously had something to do with Selena.

"That b!tch is here to torture you again? Back then you were at the top of the film and television industry. If it wasn't for her, how could you have quit the stage. Now that you have retired, she still doesn't let you go?! She's even more shameless! "Han Zixuan said angrily, not really complaining for Susie, but her enemy also happened to be Selena.

This anger is actually real.

Susie secretly saw Han Zixuan's reaction in her eyes. She naturally knew Han Zixuan's thoughts in her heart, but she didn't reveal anything on her face. She raised her head with a wry smile, her eyes swept across Han Zixuan's body with a lonely and helpless look. Subconsciously brushed his flat stomach.

"It's not Selena's fault, it's my own problem. Not long ago, I just found out that I was pregnant. Roman was afraid that I would have to work hard, so he let me temporarily retire from Empire to raise my baby."

Susie paused for a moment, and there was an unconcealable loneliness in her voice.

"Are you pregnant?" Han Zixuan's eyes widened in surprise, but soon she pretended to be pleasantly surprised, "Congratulations, Congratulations, Vice

President Ning is really blessed, President Su loves you so much, and now you have a child with both of you again, Mr. Su must hold your precious treasure in his hand and offer it up, it is really enviable!”

Susie's heart trembled, and her face was infinitely gentle, "I'm very happy that this child came suddenly, but... Roman said that Empire's affairs are too busy these days, and he rarely has time to come back ..."

Busy?

Han Zixuan was slightly taken aback.

Because of Selena's return, Empire's artists have been a little out of breath during this time. Compared with the peak period in the past, there is no comparison at all. Roman is the largest shareholder of Empire, so there is no need for ordinary things. He shot, how could he be so busy that he didn't have time to look at his newly pregnant wife?

To be honest, the only thing Roman did in the company during this time was probably...

An astonishing guess suddenly formed in Han Zixuan's mind. She looked at Susie pretending to be calm, and said tentatively, "Vice President Ning, do you know that President Su wants to dig Selena to our Empire?"

A flash of jealousy flashed in Susie's eyes, but a look of shock suddenly appeared on her face. She suddenly opened her eyes wide and looked at Han Zixuan in disbelief.

"What? He...he actually wanted to recruit Selena to Empire?"

Susie's reaction shocked Han Zixuan.

"Vice President Ning, don't you know? I also find it strange. Why did Boss Su try to recruit Selena to our Empire? You must know that Selena was an artist who was kicked out by our Empire, and now she has to spend a lot of money. To dig her back, and let others know about it, wouldn't it be ridiculing that we have no Empire?"

Susie's complexion became more and more ugly, she lowered her head and chewed a bit of bitterness at the corner of her mouth.

"Why is she still unwilling to let Roman go?"

“Vice President Ning?! Selena...she...she and President Su...” Han Zixuan was startled.

Susie seemed to realize that she had slipped her tongue, she quickly raised her hand to cover her lips, and looked at Han Zixuan sadly with her beautiful little white face, “No, nothing, Selena, she...she is just I met Roman a long time ago, although Selena loved Roman at the beginning, but that was a long time ago, now they... it doesn’t matter... nothing matters...”

Susie’s voice became softer as she spoke, the grievance and sourness in that voice made people feel distressed.

After beating Han Zixuan to death, Han Zixuan never thought that the truth would be like this!

Selena and Roman have known each other for a long time?

And Selena actually pursued Roman before?

This series of news shocked Han Zixuan. She also thought of Roman’s frequent attempts to poach Selena during this period, and the situation that Susie was pregnant, but Roman did not return...

“Selena is too much! You are pregnant now! She even tried to seduce President Su with some vicious tricks! She is still not human! It was not enough for her to kill you back then, and now she wants to get involved with you and Su.” Total feelings!” Han Zixuan pretended to be angry, but her heart was already full of joy.

Okay Selena, I think you really have some great abilities, and you’re not a shameless ba5tard!

Subconsciously, Han Zixuan secretly glanced at the gap in the sofa. Under the light, a cold light flashed by. It was the camera she had prepared in advance. She originally wanted to get some news from Susie, but unexpectedly... ...this news is going to be so explosive.

Susie raised her head with tears in her eyes, bit her lip and shook her head at Han Zixuan.

“No...it’s not like that...Roman...he wouldn’t treat me like this...he is really busy, not...not because of Selena...”

Susie's voice was sour and weeping, her expression buried a huge grievance, but she could only bear it silently.

While soothing Susie's out-of-control emotions, Han Zixuan secretly narrowed her eyes, a vicious cold light flashed in her eyes.

Selena, I don't believe that you are still alive this time!

But Susie, who was being comforted by Han Zixuan, lowered her head to hide the insidiousness in her eyes.

Chapter 2003

After Han Zixuan comforted Susie, she personally sent her out of the clubhouse. She turned her head and immediately took out the camera hidden in the gap of the sofa. Under the flickering lights, Han Zixuan watched all the scenes recorded just now .

As Susie's weeping voice came out of the video, the sinister flames in Han Zixuan's eyes ignited.

"Selena, I want to see how you can turn around this time!"

...

Early the next morning.

A burst of phone calls pierced the tranquility of the morning. Selena picked up the phone that was so loud that it exploded. Looking at the word Xu Tao displayed on it, she poked her head out of Daniel's warm embrace and answered the phone with one hand. Lazily said: "Brother Tao, what's up this early in the morning?"

Before Selena's voice fell, Xu Tao on the other side of the phone exploded in an instant.

"My lord queen! Hurry up and go to Weibo to check it out! It's all over the internet!"

Weibo?

Selena was confused by Xu Tao's yelling, she took the phone to the computer, poked it open, and logged into her Weibo.

Weibo has just logged in, and a series of message reminders almost made the computer explode.

On Weibo's most searched list, actress Selena seduces a married man with the words "Seduce a married man", and it's impressively listed at the top of the list.

"Who did I seduce again?!"

Selena stared at the unbelievably big characters. Such rumors seemed to have never stopped since her debut.

Selena thought it was the same as before, someone was chasing after the wind and throwing dirty water, but Xu Tao on the other side of the phone was so nervous that he was about to growl.

"Selena! It's a big deal this time. Go and check it out. The video has been posted on the Internet. Liang Feixing and I started to suppress the news early in the morning, but it didn't work at all. It was obvious that someone was behind the scenes!

Now this hot search is getting more and more popular, and it can't be suppressed anymore. Please watch the video and come to the company as soon as possible. Let's discuss how to suppress this matter! "

Xu Tao came down with a series of bombardments, and didn't even wait to catch his breath, which showed that the situation was serious.

There is even a video?

What the hell is the video?

Selena frowned slightly, followed Xu Tao's words and clicked on the hot search, and saw that under the hot search words, it was placed on the top Weibo, and there was a video with a catchy title.

After Selena clicked on the video, she immediately frowned.

In the video, the faces of Han Zixuan and Susie were clearly shown. The two of them seemed to be chatting in a certain clubhouse. At first they didn't think there was anything wrong when they looked at Selena, but the more they watched, the more strange it became.

After Han Zixuan mentioned the word "Selena" in the video, Susie was greatly aggrieved and secretly wept. There was sadness and loneliness everywhere in her speech, and she directly exposed Selena and Roman in her sobs. The ambiguous "past events" many years ago.

This micro-blog has sharp words and a lot of words that fan people's hearts:

The famous movie star Selena is so shameless that she seduces a married man with a vicious charm, completely disregarding the fact that his wife is pregnant, causing her husband to neglect her pregnant wife, causing the pregnant woman to be physically and mentally exhausted. She has no shame at all!

After this long passage, the names of the couple who were involved were not mentioned, but anyone who is not blind can immediately recognize the aggrieved and crying woman in the video as the long-lost Susie!

Now, Weibo is completely blown up.

Under this Weibo that was pinned to the top, the number of comments went up to hundreds of thousands in one night!

【I really didn't expect Selena to be such a woman. Susie has been in shadow for a long time, yet she still doesn't let her go! 】

【Didn't Susie force Xiying away by Selena's nasty means? Now that I think about it, Susie was really wronged, she didn't do anything harmful, and it wasn't her fault that she was hugged wrong in the hospital, but in the end she was treated like a merciless person by someone, forcing even the entertainment circle I can't stay any longer, now thinking about your circle is really scary! 】

As far as Selena's vixen face is concerned, she doesn't look good. Doesn't she have too many scandals? She is even more shameless now, she even seduced Susie's husband, she felt sorry for Susie who was persecuted and ruined her previous life, now it is so difficult to be a woman who cares for her husband, raises her children and keeps her peace with the world What a pain, to be poached by someone! 】

【Not long ago, didn't you hear that Empire wanted to poach Selena? If I remember correctly, Roman's shares have been transferred to Susie, who is the vice president of the company, but not long ago Susie was suddenly kicked out of the company for no reason and replaced by Roman Taking over, now that Roman accepts it, he wants to poach Selena, tsk tsk, it's really scary to think about it! 】

sgumbag!】

...

Rows of insults filled the entire comment area at the speed of light visible to the naked eye.

Under the hot search terms, all kinds of abuse and revelations emerge in endlessly.

Selena's fans were also blown away. How could they believe that Selena would do such a thing? Seeing the slander on the Internet, the true fans who supported Karen immediately rolled up their sleeves and decided to tear themselves apart.

However, in one morning, the entire Weibo was torn into a battlefield by scolders and true fans. Even though the true fans fought fiercely with one against ten, they still couldn't stop the wild bombardment of foreign sailors and melon-eating people who didn't know the truth. fry.

Selena got out of the most popular searches in the entertainment industry, and rose to the second place in the most searched list in the blink of an eye!

Selena saw the row upon row of insults on the video screen and the support of true fans, and her expression was...a little subtle for a moment.

She and Roman? ?

Daniel walked behind Selena at some point, his deep eyes swept over the unsightly swear words on the computer, and he raised his hand to close the laptop.

"Dirty eyes."

"Darling, did I wake you up?" Selena stretched out her hand to support the screen, first she hooked Daniel's neck and asked for a good morning k!ss without saying a word, then she pursed her lips indifferently and said, "Master, what am I?" I've never seen a big wind and a big wave, so what's the point of pediatrics?"

Daniel was noncommittal, but withdrew his hand.

Selena leaned back slightly, leaning on Daniel's long legs, and raised her finger to point at a comment that was surviving amidst a crowd of abuse...

【fart! Our Karen will fall in love with that softie Roman? Don't think that you are invincible if you have a few stinky money, do you really think that everyone loves your RMB?】

Susie's acting is really ugly. No wonder she couldn't get along in the film and television industry back then. What else can a woman occupying a dove's nest do except shed a few crocodile tears to win sympathy? Jealous of my Karen, just say it, it's hard enough to smear your husband! **】**

"Look, this must be my own fan, this fighting power, this sharp value... Tsk tsk, it's awesome!" Selena was not only not angry because of the trending

thing, she even admired her own fan to tear her brains out with bare hands. fighting power.

Selena's fans, are you deaf? The Lord has personally said that Selena has always loved and coveted Roman back then, and plotted against Roman! If there wasn't some ulterior affair between these two, why would Roman suddenly push his wife out of the company, and the first thing he did after taking power was poach Selena? 】

【Who the hell is deaf! I see that some people are not only deaf, but also mentally disabled! Susie said it herself, it was because she was pregnant, in order to let her have a baby with peace of mind, Roman asked her to retire from Empire! 】

Han Zixuan was the one talking about poaching from the beginning to the end, how do you know that Han Zixuan deliberately provoked Susie to help her deal with Selena?

Our Karen is obviously staying in the prosperous age well, and the announcements have been constant recently! 】

Han Zixuan was crushed so badly by Karen, she couldn't play it on the surface, so she started to make trouble behind her back! Otherwise, why did you secretly record it when you met Susie? It is obvious that it has been prepared for a long time! How can you believe this kind of person? 】

【Our Karen has been slandered since his debut. We have seen too many such inferior methods! 】

...

A high-end villa in the imperial capital.

Han Zixuan looked at those questioning comments on the Internet, her eyes were full of coldness and sarcasm, "It's gotten to this point, and it's still washing the floor!"

Zheng Anru, who was on the side, said proudly, "They're dead this time! Selena must not know that we have something even more exciting in our hands! Zixuan, let's send it now! Wait for the evidence to be uploaded. I see what they have to say!"

Han Zixuan raised the corners of her lips, brushed her nail polish comfortably, and said unhurriedly, "What's the hurry? Let them dance for a while longer, the more they protect Selena now, the more disappointed they will be when they know the truth..."

The luck this time was really great. Not only did Susie get Selena out of such a big trick, but he also got a video that was enough to make Selena irreparable.

Zheng Anru immediately nodded excitedly, "Yes! All these fans will turn black when the time comes! Thinking about how she was scolded by her own fans to the point of being bloody, it's really a relief!"

...

That night, the confrontation between the two sides entered a white-hot stage.

The opponent's navy was overwhelming. Although Selena's fans were not as many as the navy's, their combat effectiveness was very high. At night, they even faintly overwhelmed one end.

At this time, Han Zixuan posted another Weibo.

Originally, I just couldn't stand someone's shamelessness and didn't want innocent people to be hurt, but I didn't expect it would cause so many malicious speculations! Now even passers-by can't see someone's disgusting eating. I just received an anonymous email. What is the truth? Please judge for yourself! 】

There are several photos attached to this Weibo.

From the photo, it can be seen that the address is in a luxury hotel in the imperial capital, and the logo of yld can be vaguely seen not far away. In the banquet hall, the clothes are fragrant and the temples are full, and the wine is intertwined, as if it is at a fashionable dinner of yld.

In the small garden behind the banquet hall, a woman was sitting on a swing, and a man was standing beside the woman.

Although it was night and the light was dim, the faces of the two could be clearly seen from this shooting angle.

And these two people are the protagonists of this scandal, Selena and Roman!

Shengshi Entertainment.

Liang Feixing and Xu Tao are closely watching the developments on the Internet.

Xu Tao sneered, "Tsk, Han Zixuan and the others are still holding back!"

Liang Feixing raised his eyes and gave him a sideways glance, "Does it need to be said? Otherwise, she dares to tear it apart with her real body?"

Xu Tao yawned, and said boredly, "It's boring! Do you want to post the stuff from our side now?"

Hearing this, Liang Feixing looked at Selena who was on the opposite sofa, "Selena, what do you think?"

Selena withdrew her gaze from the computer screen, tilted her head slightly with one hand, and tapped the armrest next to her with the other finger, "It's natural to post things, but...it's not that easy!"

When she said the last sentence, Selena's eyes flashed a icy cold fire.

Xu Tao hurriedly asked, "My Lady Queen, what do you mean?"

Selena stopped her fingers, looked at Xu Tao, and said word by word: "Clean up the door."

In the past, it was because she had just woken up, everything had to start from scratch, and the situation in Shengshi was so bad that she could only choose to fight passively, but now, it was time to deal with Han Zixuan.

Xu Tao's eyes lit up when he heard the four words domineering, "My Lady Queen is mighty and domineering! You're right, if you want to slander someone, just let it go, how can it be so easy!"

Liang Feixing pondered, "I have been secretly investigating Han Zixuan during this time, but she is indeed very cautious. After so long, I haven't found any useful information."

Otherwise, he would have completely wiped her out long ago, how could he let her continue to dance around here.

Xu Tao nodded and echoed, "It's true, Han Zixuan has too much black material, but there is no evidence, no matter how you say it, it's useless!"

Selena's eyes fell on Xu Tao, and she asked, "Brother Tao, have you forgotten Yin Youyou?"

Xu Tao was puzzled when he heard the words, "Yin Youyou?"

What does this have to do with Yin Youyou?

"With Han Zixuan's personality, why has she always taken such good care of Yin Youyou after she switched jobs?" Selena asked back.

Chapter 2007

When Xu Tao heard this, his heart skipped a beat, "This incident...is indeed a bit strange. At the beginning, these two people were not familiar with each other when they were in the prosperous age, and they didn't have much

friendship. The artists that Shengshi Entertainment jumped over together kept an even tighter watch, and no one was allowed to surpass her position!

Yin Youyou is on the same front line as her, and she is very threatening to her. It stands to reason that the relationship between the two should be like fire and water.

However, on the surface, Han Zixuan and Yin Youyou's relationship is very good, Han Zixuan often connects resources for Yin Youyou, and even brings her to attend important announcements..."

Liang Feixing also reacted, "This is really unreasonable... I remember that once Yin Youyou directly robbed Han Zixuan of a role, Han Zixuan didn't say anything, and told the media afterwards that she recommended this role to Yin Youyou. Yes, but everyone in the industry knows that Han Zixuan has long been interested in that character..."

Speaking of this, Xu Tao jumped up excitedly, "Is it possible that Yin Youyou is holding Han Zixuan's shady handle?"

"Very likely!" Liang Feixing nodded immediately.

Xu Tao immediately looked at Selena who was facing him with admiration, "My Lady Queen, you are so awesome, why didn't I expect that!"

Selena laughed, "I'm just a bystander, and I'm just guessing at the moment, I have to trouble Brother Tao for the rest."

Xu Tao immediately said, "Your Majesty, don't worry, take care of me!"

Liang Feixing sighed and said, "I also fell into a fixed mindset before, I only wanted to check Han Zixuan's details, but ignored the others."

I think Selena's guess is right, it's like this most likely, and what Yin Youyou is holding is absolutely very important, even enough to make Han Zixuan unable to get along in the entire entertainment circle.

But... It is absolutely impossible for Yin Youyou to give us this kind of thing! "

Xu Tao raised his eyebrows immediately, and said confidently, "Don't worry about such things, it's just a small case!"

Liang Feixing raised his eyebrows, "Okay, I forgot that you are such a fool!"

Selena smiled and said, "Then wait for good news from Brother Tao."

...

Late at night, a box in a restaurant.

Yin Youyou threw the bag on the table beside him with a "snap", folded his arms around his chest, and looked impatiently at the man opposite, "Say it! What did you come to me for?"

Xu Tao was attentive, with a trace of nervousness in his eyes, "I'm sorry to disturb you so late!"

Yin Youyou snorted coldly, "If it's because of Selena's affairs, you should die! Selena will die this time!"

Thinking of the humiliation he received at the Imperial TV Station that day, Yin Youyou was furious, and naturally he would not let go of such a great opportunity to ridicule at this moment.

This is also the reason why Xu Tao called her to ask her out, and she would come over.

Of course she wanted to appreciate Xu Tao's downcast appearance.

"Tsk, I really sympathize with brother Tao, I just hugged a golden thigh, and it turned into a pile of mud so quickly, hehe..."

Xu Tao's face was very ugly and embarrassed. After a long silence, he said meaningfully, "Youyou, it doesn't matter what I do. In fact, you are the one who has lost the most right now..."

Yin Youyou was immediately displeased, and snorted coldly, "What nonsense are you talking about? What have I got to lose?"

Xu Tao suddenly showed a look of incomparable surprise, "Don't you know?"

“Know what?” Yin Youyou sneered and said, “Should I know that the thigh you just hugged is about to collapse? Or are you going to go back to the past and lead a group of 18th-tier artists around all day long?” ?”

Xu Tao looked at Yin Youyou who was full of sarcasm, but he didn’t feel angry at all, he just shook his head lightly.

“Youyou, you can satirize me however you want. I came to you today not because of Selena, but because of you.”

“Because of me?” Yin Youyou chuckled, looked Xu Tao up and down with incredible eyes, “Then I really want to thank you for your kindness, but instead of worrying about me now, you might as well think about how to help Selena is good at cleaning up the mess. Now that Selena has to deal with this matter, I’m afraid that no matter how powerful you are in your prosperous age, you will have no way to recover. Why don’t you hurry up and think of someone who can support you so that Selena won’t lose power after his downfall? You will be reduced to living on the streets again!”

Faced with Yin Youyou’s constant ridicule, Xu Tao was so good-tempered that he didn’t show any signs of getting angry, he just smiled wryly, “Selena’s matter is not so easy to solve, and I came to you today because I remembered your old days in the prosperous age. when...

When you first came to Prosperous World, I could see that you had the potential to be very popular. Although you later switched to Empire, I was very upset that the people I just brought out were poached by Empire, but... as long as you have good It’s okay to develop. “

“Hehe, Xu Tao, it’s useless to play the emotional card with me now, right?” Yin Youyou didn’t have a good face at all.

Xu Tao smiled wryly, “I’m just in a bad mood these days, and I said I want to talk to someone. Although you are no longer in the prosperous world, we are also working together anyway, so you should take pity on me. It would be nice to chat with me.”

Yin Youyou frowned slightly, always felt that Xu Tao was weird today, but when he thought of the way Xu Tao was holding Selena's thigh to show off his might, he didn't mind admiring Xu Tao's downfall.

"Okay, I, Yin Youyou, am not a white-eyed wolf, so you can say whatever you want!"

A gratified smile appeared on Xu Tao's face, but there was a trace of coldness in his eyes. How could he not know that Yin Youyou was just going to watch him joke.

"Youyou, your aptitude is very good. At the beginning, Shengshi chose to support you because he wanted to support a first sister to take the lead, but...you are not bad in Empire. Although Han Zixuan is on top of you, it is still very good. "

Xu Tao opened his mouth inadvertently, but when these words reached Yin Youyou's ears, it seemed extraordinarily ironic.

At the beginning, Yin Youyou chose to quit Empire because he was counting on Empire's ability to support him and make himself the first sister of Empire, but who would have thought that Han Zixuan would be firmly on top of her, and Yin Youyou would be so difficult for Empire step.

Some time ago, Selena came back with great difficulty and suppressed Han Zixuan's popularity, causing Han Zixuan's popularity to plummet. Empire has also prepared to transfer resources to promote Yin Youyou as Empire's first sister, but...

Yin Youyou's brows suddenly frowned. The reason why Empire wanted to praise her was because Han Zixuan was overwhelmed by Selena. However, once Selena was brought down by being a mistress, Han Zixuan's limelight would be lost. No one can hold back anymore!

Before, Yin Youyou was happy because Selena was about to fall, but now, she suddenly thought of her situation, and couldn't laugh anymore.

Chapter 2009

If Selena does not fall, Han Zixuan will not be able to rise to the top. Empire will definitely transfer resources to her, Yin Youyou, but if Selena falls, even though Yin Youyou hates Selena, Han Zixuan is bound to make a comeback. At that time... the first sister Empire will not have anything to do with her, Yin Youyou.

Yin Youyou didn't realize this problem at first, but when Xu Tao said that, she suddenly felt that she was too happy.

If she hadn't held Han Zixuan's shameful trick in her hand, she would have been the first one to be stabbed!

If so, she is also very clear that at most, this trick can only prevent Han Zixuan from punishing her.

She was trembling every day in Empire, begging for food like a dog, hoping that Han Zixuan could give her some poor resources through the teeth.

After all, she is also Empire's entertainer. If the rumors are really leaked, Han Zixuan is finished, but so is she.

At that time, if Empire finds out that she secretly engages in artists from the same company, she will definitely be blocked by Empire.

Han Zixuan naturally knew this too, knowing that she didn't dare to really release the news, so now they can only maintain a delicate balance.

Originally, Selena's appearance gave her a glimmer of hope, but now that Selena's downfall, everything went back to the same place.

Moreover, Han Zixuan will only become more unscrupulous in the future, and the effectiveness of her handle will only become weaker and weaker. On the contrary, when Selena, the biggest opponent, is dealt with, Han Zixuan will probably regard her as a thorn in her side, and get rid of her quickly...

Seeing that Yin Youyou didn't know what he was thinking, and his complexion was getting worse and worse, Xu Tao pretended to be inadvertent and sighed, "Hey, Selena is having a hard time, Han Zixuan was already overwhelmed by Selena's pressure, now Selena collapsed, but she was going to be even more beautiful.

In the end, if there is really someone who wants to get up, I'd rather be you, after all...you get up in the future, at least it's someone I took care of, so I can look better..."

Yin Youyou's face became more and more ugly.

Selena fell down, how could she get up in Empire?

She knew Han Zixuan's character very well. In the short six months since Han Zixuan moved here, no matter whether it was an old artist from Empire or Shengshi who jumped over, as long as she suppressed her a little bit of limelight, she suppressed them all miserably.

Because of Selena's comeback, Han Zixuan was suppressed before. Empire's high-level executives have already revealed that they want to praise her as Empire's first sister. If she became popular, Han Zixuan's jealous personality would probably give her little shoes to wear.

Xu Tao secretly saw the changes on Yin Youyou's face, and a smile rose from the bottom of his heart, but his face still showed a disappointed expression. He seemed very lonely, and sighed, "Poor Qin Shuang, at the beginning it was all relying on Selena took the position, and Selena was finished, so she might not be able to keep it.

Xiaorou has also disappeared now, and now among the people I have taken care of, only you are okay. Sometimes I think, maybe you were right to leave the prosperous world, but I was useless at the time, and I couldn't earn the most for you. Good resources, if you change to now, I will definitely be able to get you the same resources as Selena, I... hey... I'm talking nonsense here again, blame me, blame me, just pretend you didn't hear anything! "

The same resources as Selena?

Yin Youyou's eyes suddenly lit up at this moment.

Chapter 2010

The present prosperity is different from the past, even if Selena falls, the existing resources of the prosperity will not disappear.

If she reveals the truth and destroys Han Zixuan, even if Empire wants to ban her, if she can return to the prosperous world...then she doesn't have to worry about it at all!

You know, Selena's existing resources are several grades higher than Han Zixuan's at the peak of Empire!

When Selena fell, Sheng Shi had no leader. With her qualifications, as long as she turned back, Sheng Shi had no one who could compare with her. In order to be suppressed by Empire, Sheng Shi would definitely find a new first sister in the shortest possible time. And no one is more suitable than her!

Longings one after another kept appearing in Yin Youyou's mind, looking at Xu Tao who was sighing in front of her, a hint of greed flashed in her eyes, and a soft smile suddenly appeared on her delicately made-up face, "Brother Tao, It's not easy for you during this period. I always remember the kindness you treated me in Shengshi back then. I can be today thanks to Shengshi's cultivation at the beginning. I will never forget these things. Although we are not in the same company now, but in the future you can also contact more, the relationship is still there."

Xu Tao's heart was full of disdain, but there was an emotional smile on his face.

"Youyou, with your words, I am satisfied. It's getting late today, so you should go back first and keep in touch in the future!"

Yin Youyou confided in Xu Tao again, and then left pretending to be reluctant.

—

After returning, Yin Youyou dropped her bag and rushed into the attic on the top floor of the villa almost immediately.

After locking the door with a “bang”, Yin Youyou rummaged anxiously, and finally moved out a safe from a hidden compartment.

After pressing the password, Yin Youyou took out a small silver USB flash drive from the safe.

Yin Youyou stared at the USB flash drive, the expression in her eyes was unpredictable, after a moment of hesitation, she held the USB flash drive tightly in her hand, her eyes became more sinister.

Han Zixuan!

You have been pressing on my head for so long, it is time to step aside!

...

On the other side, Xu Tao hummed a song, dangled the car keys and returned to the apartment, took a shower refreshed, wandered to the study, and turned on the computer.

Because of the second video posted by Han Zixuan on the Internet, the insults towards Selena have completely drowned out other voices.

This kind of thing is the most hated, especially Susie is still pregnant, and Susie Xiying and Selena also had a certain relationship before, the online discussion has shown a one-sided situation, and passers-by who don't know the truth are all because of Susie's image of a weak person joined the battle.

If there is not enough strong evidence, Selena may be in danger if she wants to reverse the situation.

Xu Tao was leisurely grabbing those comments when the bottom right corner of the computer suddenly indicated that he had received a recent email.

Xu Tao moved the mouse and clicked to open it.

After reading the contents of the email, Xu Tao's eyes suddenly lit up, and the corners of his mouth curled up.

“Ah...”

He thought that Yin Youyou would not take action until the next morning at the earliest.

I didn't expect...to be so impatient!

It seems that Yin Youyou's hatred for Han Zixuan is no less than that for Selena, and it seems that Empire was crushed by Han Zixuan enough.

In fact, whether Yin Youyou will take the bait this time depends only on whether the bait is big enough, and the bait he threw out this time is definitely enough.

There are two videos in the mailbox.

One part is in the office, one part is in the nanny car...

Its explosiveness is enough to amaze even an old driver...

Tsk tsk, Yin Youyou did not disappoint him!
