Chapter 2011

Overnight, the popular content of major portal websites, gossip headlines of all magazines and newspapers were all revealed by Han Zixuan.

In just one day, Selena's third party intervened, and the gossip between Roman and Susie was like an atomic bomb, which shocked the entire entertainment circle.

"Hey, have you heard about Selena?"

This has almost become the first sentence that everyone in the circle says when they meet and greet each other.

"Of course I heard about it. Is there anyone who doesn't know about it now?"

"I really didn't expect that Selena and Roman would have such a relationship! At first, I sympathized with and admired Selena, but it turned out that she was not a good bird. I thought she really climbed all by herself today." The one who came up is just a butcher!"

"Stop insulting the butcher, coveting other people's boyfriends, not letting them get married, and privately urging Roman to push his real wife out of the company so that she can make way for her! Besides, she knows that Susie is still the same. Pregnant! This kind of person is simply disgusting!"

"Selena has just received the lead actress of "Killer", and the filming is already halfway through, and this kind of thing happened, I think her heroine will definitely not be able to keep it!"

“Aren’t you kidding, return to the heroine, after this incident, she still wants to continue to hang out in the entertainment industry? Don’t even think about making a comeback in this life!”

“By the way, once Selena fell down this time, Han Zixuan is going to turn around?”

“Then who can be blamed? Selena can only be blamed for her bad character and being seized by others!”

“Tsk tsk, the entertainment industry is about to change again!”

...

At a charity dinner, everyone was talking in small groups.

Just as the gossip was raging, someone suddenly looked towards the door excitedly.

“Look! Han Zixuan!”

Accompanied by her manager, Han Zixuan walked into the banquet hall wearing a noble and elegant champagne-colored mermaid evening dress.

As soon as Han Zixuan appeared, she immediately attracted a large number of reporters.

Everyone carried long guns and short cannons, and instantly surrounded Han Zixuan...

Reporter: “Zixuan, what do you think about Selena seducing a married woman?”

Reporter: “Zixuan, why did you choose to expose this scandal?”

...

Facing the reporter’s questioning, Han Zixuan paused her steps, and a hint of disdain appeared on her delicately made-up face, “Selena’s matter has nothing to do with me.

It’s just that Miss Susie is both my boss and my friend, and what I hate the most in my life is a third party who destroys other people’s families. “

Reporter: “Zixuan, can you tell me how Miss Susie is doing? She is pregnant now, will this news have any impact on her fetus?”

Han Zixuan didn’t answer directly, but said: “I believe that for any woman, such a thing is a fatal blow. I just hope that, even for the sake of the child, someone please stop it and don’t continue.” hurt innocent people!”

“Zi Xuan...”

...

Han Zixuan didn’t continue to answer the following questions, and quickly entered the banquet hall under the escort of bodyguards.

Yin Youyou followed closely behind Han Zixuan, standing not far away, quietly watching Han Zixuan being favored by all the reporters, and listening to her righteous words, she sneered in her heart.

Heh, keep pretending, I’m afraid you won’t pretend!

Chapter 2012

As soon as Han Zixuan entered the banquet hall, a large circle of artists immediately surrounded her, all of whom chatted with her cordially and enthusiastically.

After all, everyone knew that once Selena fell, the entertainment industry would return to Han Zixuan’s world.

“Zixuan, what you did this time is really very satisfying!”

“I’ve long seen that Selena doesn’t look like a serious person, but I didn’t expect it to be even more disgusting than we imagined!”

“If Zixuan hadn’t acted out of righteousness, we don’t know how long we would have been deceived by this kind of person!”

Han Zixuan was surrounded by a group of people talking nonsense, facing everyone’s compliments, she said with a clear expression, “Everyone has their own ambitions. In order to climb up, there is nothing that some people can’t do. However, what others do, It has nothing to do with me, for me, I have my principles and bottom line.”

“Zixuan, how can that kind of person compare to you, relying on such dirty means to rise to the top, no matter how high they climb, they will still be cast aside!”

“The atmosphere in the entertainment industry is ruined by this kind of person!”

At this time, a young entertainer looked around and said excitedly, “By the way, I heard that Selena is also on the invitation list for today’s charity dinner. Why haven’t I seen you?”

The person next to him immediately sneered, “How could she dare to show up after such a scandal? She is not afraid of being drowned by spit!”

“It must be hiding at home and not daring to see anyone! What’s more, we Zixuan is here today, and she is not hiding far away!”

...

Everyone was taunting me with one glance at you, when there was a sudden commotion at the entrance of the banquet hall.

Everyone subconsciously looked towards the entrance, and in the next second, a stunning figure appeared under the flashlights of the media.

After the people around Han Zixuan saw that figure clearly, they couldn’t help but gasped.

I saw that Selena, who was wearing a black evening dress, stood alone on the red carpet. Her flawless face attracted everyone present. Countless cameras were fixed on her at this moment, greedily capturing her raising her hand The alluring color between throwing feet.

The pure black set off that extremely astonishing face, just like the black night set off thousands of stars, it was dazzling.

Contrary to everyone's expectations, Selena not only didn't miss the show, but showed up on time, and she wasn't even as down and haggard as they imagined. As soon as the red carpet came out, she immediately killed all the female artists present.

Han Zixuan looked at the reporters who were frantically taking pictures of Selena, looked at Selena's radiant face on the red carpet, her eyes were full of crazy jealousy.

It took a while for the female artists around Han Zixuan to come to their senses. Apart from surprise, all of them had eyes similar to Han Zixuan's.

"Ning...it's Selena!"

"My God! It's really her! She still has the face? If it were me, I might as well just hit her head to death!"

"b!tch is shameless! Is there anything she can't do?"

Han Zixuan listened to the ridicule around her, and thought of Selena's future fate, she regained her composure and watched Selena enter the arena, and was immediately surrounded by a group of crazy reporters.

"Miss Selena, do you have anything to explain about the recent revelations about you on the Internet?"

"Is it true that Miss Susie said that you have always loved Mr. Su and have been entangled with him?"

"Is the late-night tryst between you and Mr. Su true in the video? Did you really intervene in the marriage between Mr. Su and Miss Susie?"

Chapter 2013

Facing the harsher questions at the scene and the gloating eyes of everyone around, Selena didn't show the slightest panic on her face. Her cold eyes swept across the noisy crowd, and those cold eyes immediately made everyone around. The voice dissipated quite a bit, and then Selena said, "Today is a charity party hosted by me, not my personal press conference. If you have any questions, I will answer them one by one after the meeting is over. Now, please do not disturb the order of the event, thank you."

Hearing Selena's answer, the people around were inevitably a little disappointed.

Helplessly, Selena's answer was impeccable, and the reporters couldn't refute it, so they could only hold back for the time being.

Anyway, Selena personally promised that she would be interviewed after the event and give them an explanation.

It was hard to get Selena this time, and they would never let go of this opportunity.

Seeing that Selena had evaded the question, the women surrounding Han Zixuan all mocked in low voices, "You're still dead at this time!"

"I'd like to see what she's going to say when the event is over!"

"The ironclad evidence is like a mountain. Telling the flowers will not change the fact that she is a mistress who destroys other people's families and bullies a pregnant woman!"

...

"Dear guests, good evening everyone, the annual charity dinner is now officially starting, and the next thing is the auction that everyone is most looking forward to..."

Next, following the host's opening remarks, the auction of the charity gala began soon.

In the past, this session was the most lively time, but today, everyone's attention was only on one person.

In the first row of seats, Selena listened intently to the auctioneer's explanation, and from time to time discussed and chatted with the agent next to her, and occasionally held up a sign to bid.

The calm aura does not look like he was involved in such a big disturbance just now, and will be banned by the entertainment industry after tonight.

In the corner, Han Zixuan glanced in Selena's direction calmly from the corner of her eye, then frowned slightly.

"Does she have another trick?"

Otherwise, how could it be possible to remain so calm at this time?

Zheng Anru sneered and said, "How is that possible! These words were spoken by Susie herself, and there are videos to prove it. If she really had a way, she would have jumped out so eagerly, why would she wait until now!

According to my experience, her appearance today is already Xu Tao's last move. Xu Tao is definitely not giving up. On the one hand, he wants to test the media's reaction, and on the other hand, he also wants to use charity to clear his name! I've seen many such low-level tricks!

It's just whimsical, can you really turn the world around when you are a small agent? Other scandals may still be possible, but cheating, drug use, and political involvement, as long as one of these three things touches one, one is dead, and there is absolutely no chance of turning over again! Zixuan, don't worry! "

When Han Zixuan heard this, the corners of her mouth curled up in disdain.

Heh, what did she have to worry about? Even if she had to worry about the following things, it was Susie's business.

The reason for Selena's indifferent look is probably because Roman agreed to something in private, maybe she is hoping to find Roman if she can't get along in the entertainment industry?

Now that the incident broke out, her reputation has been completely ruined, and she can't get along in the entertainment industry anymore. Even if Roman is fascinated by her, the Su family can still let her in?

Not to mention Susie.

What happened next, she didn't need to take action, the Su family and Susie alone would not let her go!

At this moment, Yin Youyou was sitting next to Han Zixuan in a very low-key manner, and she agreed with Zheng Anru's words very much.

"Zixuan, Sister Anru is right, this time, Selena must be finished!"

Then...it's your turn, Han Zixuan!

She really couldn't wait to see Selena and Han Zixuan's dogs biting dogs, tearing their heads to pieces...

Chapter 2014

It was just a two-hour auction, and everyone at the scene was living like a year.

In the end, even the auctioneer himself was a little absent-minded, and the time for the three confirmations became shorter and faster, and even the most basic bidding words were gone.

“The first time of 5 million on the 39th, the second time of 5 million on the 39th, the third time of 5 million on the 39th, deal!!!”

With a “bang”, the moment the auction hammer fell, almost everyone breathed a sigh of relief.

The last auction item tonight is finally sold out.

And this charity gala has finally come to an end.

“Today’s charity dinner has come to a successful conclusion. Thank you all for your contributions to charity. All the proceeds from this auction will be used to help and save children with leukemia! Thank you! Thank you!”

Following the host’s concluding remarks, there was a patter of applause at the scene.

However, after the applause ended, none of the guest reporters at the scene got up and left. Everyone looked in a certain direction with burning eyes.

Han Zixuan was not in a hurry, she calmly watched from the sidelines.

She wants to see clearly how the mighty national goddess and popular actress no1 got out of the entertainment circle in front of her in despair!

After the auction ended, before Selena could stand up, the reporters who had been waiting for a long time rushed forward, as if they were afraid that Selena would run away.

“Miss Selena, can you answer our question now?”

“Selena, the reason why you came to the charity gala today is because you want to take this opportunity to whitewash yourself?”

“Could it be that after something like this happened, do you still want to stay in the entertainment industry?”

“Since the incident happened until now, you have not made any statement. Do you have nothing to say to the victim, Ms. Susie, and to the fans who have been defending you? Even to your opponent, Ms. Han Zixuan, you are unfair. Competitive behavior is also an insult to her!”

...

Selena looked coldly at the scolding scene in front of her, and a sneer inadvertently formed the corner of her mouth.

Han Zixuan waited until Selena had nothing to say. Selena's silence at the moment made her feel that all of Selena's composure was an illusion.

Han Zixuan narrowed her eyes, and a look of malice flashed in her eyes. At the moment when everyone couldn't get an answer from Selena, she suddenly said, "Selena, you just said that after the event is over, everyone will be given an answer." Answer, I hope you will keep your promise, and I hope you can apologize to those who have been hurt! Since I have already intervened in this matter, I will take care of it to the end!"

Han Zixuan's voice was not low, enough for everyone present to hear clearly.

Immediately, many people on the field began to nod their heads in agreement with that ironic voice, "That's right, she has a reputation in the entertainment industry anyway, and she did such a thing, and it's nothing to explain it to me? So irresponsible!"

"This kind of person doesn't even want the most basic morals of being a human being. What responsibility do you expect her to take?"

"It doesn't matter how good the acting skills are, but this person's personality is too bad. In this alone, she's far worse than Han Zixuan!"

"It can only be said that she was too good at pretending before, but now she is broken and smashed, and finally she can't pretend anymore, and she doesn't even want face!"

"After all, even if I can't survive in the entertainment circle, I can still go on grabbing the position of the youngest mistress of the Su family!"

Chapter 2015

Seeing Selena being cast aside and shameless by everyone, Han Zixuan finally let out her anger for the past few days.

When she looked at Selena, she pretended to be disappointed and sighed softly, "Selena, I respect you as a senior, I didn't want to go to this point, but I never thought that until now you are not willing to face and give Let me explain to everyone.

Don't you think it's wrong for you to destroy other people's families and seduce married men? Standing in the same venue with a third person like you really makes me feel sick. "

Under the banner of seeking justice for Susie, Han Zixuan stood at the commanding heights of morality, and every word and every word was resounding, no one would think there was anything wrong with her words, and on the contrary, it aroused many people's support.

Selena was still sitting where she was, with her head slantedly propped up with one hand, watching Han Zixuan's gesture of indignation filled with righteous words, the corner of her mouth suddenly raised an intriguing smile, and the corners of her slightly raised eyes passed a look of almost pity , "Do you want to explain? Then I will... give you an explanation."

After Selena finished speaking, she turned her head and glanced at Xu Tao beside her.

Xu Tao had already scratched his heart and lungs in anxiety, and now he finally got the instruction from Her Lady Queen, and immediately happily flew up to the stage like a little sparrow that was released from the cage.

Seeing Xu Tao walking towards the stage suddenly, everyone whispered to each other, showing suspicious expressions.

"This Xu Tao, what kind of tricks does he want to play?"

"Xu Tao will brainwash fans the most. Could it be that he wants to play the emotional card, saying that Selena told Roman what true love is? That would be disgusting!"

“Isn’t it necessary to set up a memorial archway if you are a female cousin?”

“Maybe he directly announced his withdrawal from the entertainment industry?”

...

In the audience, Han Zixuan and Zheng Anru watched Xu Tao go up with cold eyes. At the same time, all the reporters pointed their cameras at Xu Tao on the stage.

At this moment, Xu Tao didn’t know what to say to the host, so he walked towards the projector and fiddled for a while.

Not long after, the big screen on the stage that had been turned off suddenly turned on again.

No buffer!

Without warning!

A huge, indescribable, and extremely explosive video caught everyone’s eyes unexpectedly.

“Hmm... ah... ah... a little faster... a little deeper... a little deeper... Mr. Yi, you are awesome...do you want more...”

“Pfft, cough, cough...” A sip of water from the mouth of a certain reporter who was drinking water was sprayed directly on the back of the head of a reporter in front of him.

A female artist was so scared that the small mirror in her hand that was touching up makeup fell directly to the ground, and the host who was watching gossip on the side of the stage was so shocked that her eyes almost popped out.

“My God! It’s unsightly! What the hell is Xu Tao doing? Is he crazy?”

“Pfft, did you get the wrong USB flash drive? Xu Tao’s taste is a bit heavy! He actually likes such a flirtatious female worry?”

...

Just when everyone was laughing and scornful, no one noticed that in the corner...

Han Zixuan felt as if she had been struck by lightning, and she was dumbfounded.

Following the ambiguous moan in the video, the blood on Han Zixuan's face quickly faded away, and the thick foundation on her cheeks could no longer cover her pale and bluish complexion.

how so!

stop!

stop now!

Han Zixuan's heart was full of crazy roars, but when everyone despised the men and women in this video, the blood in her body seemed to be frozen, and a cold air leaked from the soles of her feet, almost freezing her limbs. She was so stiff that she couldn't even make a sound.

turn it off! Turn it off!

However, the heavens did not hear Han Zixuan's inner roar. In the next second, the camera on the big screen suddenly switched, and an extremely familiar face suddenly appeared in the video.

Wearing sexy black underwear, with big waves, and a face full of enjoyment... It is Han Zixuan herself!

And the man in the video was also recognized by everyone, he was the former general manager of Shengshi Entertainment, Yi Xudong!

Chapter 2016

On the big screen, the moment her face clearly appeared in front of everyone, Han Zixuan's heart, which was hanging high in the air, hit the ground fiercely, her figure swayed violently, and her frightened face suddenly went blank.

In addition to the man's panting and the woman's moaning, the conversation between the two is also unbearable and shocking.

"Ah... Hurry up... Hurry up... Don't stop... Mr. Yi, you are awesome..."

"Little ****! Why are you so coquettish? Huh?"

"Then do you like people like this?"

"Of course I like it!"

"Then do you like me more, or your wife?"

"How can that fat woman compare to you? Don't mention that disgusting woman at this time!"

...

On the big screen, the video was still going on, and the scale of the two people in the picture was almost as small as a micro, which was jaw-dropping.

No one expected that Han Zixuan, who has always followed the path of a cold goddess, would be so slutty in bed in private.

In the audience, everyone who finally recovered from the shock looked at each other in blank dismay.

"God...God...Did I read it wrong...the person in the video...is...is it Han Zixuan?"

"It's Han Zixuan and Yi Xudong! And they messed around in Yi Xudong's office!"

"Doesn't Yi Xudong have a wife?"

"Not only have wives, children can play soy sauce!"

“My God! I can’t keep up with this rhythm anymore... This... What the hell is going on...”

At this time, the screen turned and switched to another video.

The scale of this video is no less than that of the previous one.

The address of the video just now was in the office, but this one is in the nanny’s car.

The camera of the video first flashed past the license plate number, and then pointed at the car.

There was no one around, and the two took off each other’s clothes while kissing passionately, and both climbed into the car.

Soon, the car began to shake up and down.

In the car, Han Zixuan’s upper body was completely covered. Naked, Yi Xudong pressed his lower body on his body.

The voices and conversations of the two were also vaguely transmitted from the speakers.

“Um... Ah... Xudong... Don’t do this... What if someone sees you... Let’s go to the hotel... Um... Ah...”

“What are you afraid of? Even if I was photographed, who would dare to expose my information?”

Yi Xudong’s eyes were full of indulgence, and he pinched Han Zixuan’s slender waist and said roughly, “Little b!tch, let’s change our position again!”

Han Zixuan twisted her body like a water snake, and said angrily, “No, you won’t be able to do what you promised! You said that I will make my debut this month?”

Yi Xudong looked proud, “Oh, debut? You underestimate me too much! That woman Ling Zhizhi is too ignorant of current affairs, and always opposes me. When I kick her out of the company, all the resources in Selena’s hands will be lost.” It belongs to you! From now on, you will be the first sister of our Shengshi Entertainment!”

“Really?” Han Zixuan’s eyes lit up immediately, full of blatant ambition.

“Of course, you are so beautiful, you can completely imitate Selena, take the same route as Selena, and then all the resources under her will be transferred to you!”

...

After the two videos were all played, the big screen returned to pitch black.

There was no sound at the scene, a dead silence.

The revelations came out of nowhere, and one by one was louder than the other, making everyone dizzy.

And Han Zixuan’s whole body felt as if she had fallen into an ice cave, her whole body was covered with cold, an unprecedented swamp of despair wrapped her up, and her mind went blank.

This is impossible!

This is impossible!

Why did things become like this?

over...

This time she is really over...

Under the stage, Selena glanced at Han Zixuan beside her with an indifferent gaze, her lazy eyes were covered with shattered ice that made her whole body chill, and she said darkly, “Han Zixuan, you are satisfied with this explanation. ?”

Chapter 2017

One wave of ups and downs and another wave of ups and downs.

No one expected that Xu Tao would release something a hundred times more explosive than Han Zixuan's previous revelations.

What's more, in just a few minutes, Han Zixuan was stripped naked just after saying those words, and the unknown scene was completely exposed to the sun.

After Selena retired, she became popular at the speed of light and took her place. She has been selling "unique" personas, and the ultra-popular inspirational goddess Han Zixuan, who advertises herself as "the clear stream in the entertainment industry", has such a "wonderful history" ", comparable to a blockbuster movie.

"Today's trip is really not in vain! It's an eye-opener!"

"Yi Xudong has a wife, and Han Zixuan's unspoken rules of selling meat are more slippery than anyone else's, and she can even stand upright to seek justice for Susie! The funniest thing is that she Just now she even said that what she hates the most is a mistress who destroys other people's families!"

"It turns out that she deliberately imitated Selena, snatched Selena's resources, stepped on Selena's position, and even said to the outside world that she was unique and disdained to be compared with Selena..."

"I have gained a lot of knowledge today! A mountain is even higher! This shame... is as thick as a city wall!"

"Who the hell said that Han Zixuan's acting skills are not as good as Selena's? Han Zixuan is truly a well-deserved 'Queen of the Movies' in the entertainment industry!"

...

At the same time, all the reporters left Selena's side and rushed towards Han Zixuan.

"Miss Han Zixuan, is that you in the video?"

“May I ask if you really seduce your married boss and rely on unspoken rules to get to the top?”

“Do you know that Yi Xudong already has a wife?”

“You claim to be righteous, but you are doing things that you are not ashamed of. What do you want to say about this?”

...

All the problems that were thrown at Selena just now fell on Han Zixuan as they were.

Han Zixuan bit her lip tightly, her eyes were full of madness, looking at Selena, she wanted to eat her alive.

She took a deep breath, exhausted all her strength to force herself to calm down, and said with a clear conscience, “I don’t know what you are talking about, the woman in this video is not me at all!”

Zheng Anru hastily echoed, “Where did you find a pornographic 3-level female worry, who dares to pretend to be our Zixuan! Selena, I want to sue you for defamation and infringement of reputation rights! You think you can whiten yourself by smearing Zixuan Is it? No matter what, you can’t change the fact that you are dirty and despicable!”

Xu Tao seemed to have expected them to say this a long time ago, so he sneered unhurriedly, “Oh, the picture in the video just now is clear, the place where Han Zixuan and Yi Xudong did the indescribable thing is at Shengshi Entertainment In the office, and in Han Zixuan’s nanny car, fingerprints are required to enter Shengshi Entertainment, let alone Han Zixuan’s private nanny car, can this be impersonated? You can pretend to be one for me to try!”

As Xu Tao said, several very clear screenshots appeared on the big screen instantly. One picture was Yi Xudong’s office, the other was the license plate number of the nanny’s car, and the picture of Han Zixuan opening the door with the car keys.

The bright evidence slapped the two of them fiercely in the face again. At this moment, everyone looked at the two with extreme contempt.

Chapter 2018

“Dmn it, I’m still pretending at this time! It’s almost refreshing my offline!”

“Shameless people are invincible in the world! It’s a shame that I have been speaking for her just now, saying that she is righteous! It’s blinding me! Han Zixuan get out of the entertainment industry!”

“Han Zixuan get out of the entertainment industry!”

...

How perfect Han Zixuan’s disguise was before, how angry and shocked everyone is now.

Every sentence of ridicule and sarcasm, yelling to tell her to get out of the entertainment circle, frantically facing her microphone and flashlight...

Han Zixuan’s hair was disheveled, her exquisite makeup was completely ruined, her luxurious dress was squeezed into crumpled ones, even one of her high heels was squeezed out, and she kept repeating the phrase “it’s not me” and “it’s not me”...

“Don’t squeeze! Don’t squeeze! Security guards! Security guards! If you do this again, I will call the police...Ah...” Zheng Anru screamed when someone hit her head with a bottle of mineral water.

The whole scene was in chaos.

Today is the Internet age, unlike in the past, when big news happens, the newspaper office will work overtime to print the newspaper before the public can know about it.

What was happening at the scene, the major media present had already published it on the Internet for the first time, and even directly broadcast the whole process in real time.

What happened just now, the large-scale video of Han Zixuan and Yi Xudong on the big screen, and the scene of Han Zixuan showing her hair and being beaten by everyone, quickly spread to every corner, causing an uproar on the entire Internet!

Su residence, in the luxurious bedroom.

Susie's dark face reflected the gloomy light of the laptop, and her eyes were full of gloom.

"Useless things!!!"

She had already handed the knife to Han Zixuan, yet she was able to screw things up. Selena caught such an important handle on herself. She didn't know anything about it before, she was a waste!

At this moment, the cell phone next to Susie rang suddenly, and the caller ID was Zheng Anru.

Susie glanced at it out of the corner of her eye, and pressed Reject without hesitation.

This kind of video has been released, Han Zixuan is definitely over this time.

It's useless to keep this kind of waste.

Anyway, her goal has been achieved.

Susie took a deep breath, picked up the phone, and made a call. She said in an extremely displeased tone, "Did I pay you to watch the fun there? Don't forget your mission today! No matter what happens, We can't let Selena expose this matter!"

"Yes, Mr. Ning, don't worry, Selena won't be able to escape, just watch!"

"Better!"

...

Charity banquet scene.

When Han Zixuan and Zheng Anru were yelling and beating each other, a voice suddenly rang out from the crowd, "Oh, what a dog eats a dog! Selena, is this the explanation you swore to give us?"

Even if Han Zixuan committed murder and set fire to her, what does it have to do with your affairs? Could it still change the fact that you seduced Roman and forced Susie to be a pregnant woman? "

Once reminded by the tall reporter who spoke, the indignant crowd immediately turned their attention to Selena who was seated in the seat.

"That's right! What is this? Avert your eyes? Are you playing us for fools?"

"This kind of person doesn't deserve sympathy at all. She deserves to be robbed of fans and resources by Han Zixuan!"

"I think she is more vicious than Han Zixuan. She doesn't even let a pregnant woman go. When she was found out, she didn't apologize or explain to the public, but she was eager to pull other people's backs. This character is really amazing!"

Chapter 2019

The tall reporter from just now took advantage of the situation and said with righteous indignation, "Susie has suffered a lot too, she just got sucked into the fight between these two 5luts!"

These words immediately aroused the agreement of many people, "I am getting more and more disappointed in this circle. The innocent and kind

people are all gone, but the despicable and shameless b!tches who use any means can live well!”

“b!tch get out of the entertainment industry!”

...

In the banquet hall, the artists shouted and cursed endlessly, all the exits were blocked, and the outraged media surrounded Selena and Xu Tao to condemn them.

In the chaotic crowd, Yin Youyou quietly hid among the excited crowd.

Everything went so smoothly, exactly as she expected, it made her palms feel hot and her body trembled with excitement.

over...

Han Zixuan is finished...

Selena is also finished...

She no longer has to look at Han Zixuan’s face, and no longer has to fight for that bit of broken Zixuan. At that time, she will have the top resources in the entire entertainment industry, and it is not impossible for her to even get “Killer” instead of Selena. After all, in the entire entertainment industry, without Han Zixuan and Selena, only her is the most popular...

She couldn’t wait to find Xu Tao after all this was over, and even started to conceive a blueprint for the future.

And Han Zixuan, taking advantage of the reporters besieging Selena, hid in a corner in disheveled and disheveled clothes, fixed her eyes on Selena, and for some reason, she suddenly gave a low laugh, with an expression like madness.

“Heh...hehe...Selena...Why can’t you but I can’t...how nobler are you than me?”

“It’s not about seducing a married man to rely on unspoken rules to get to the top, and pretending to be cowardly in front of me. Even if you blackmail me to death, you won’t be white!”

“Don’t think about it even if I die...haha...”

...

At this moment, the banquet hall was completely out of control, and the onlookers used their mobile phones to live broadcast the scene at the moment. The professional cameras of the media reporters also directly synchronized the high-definition images to major self-media or live video websites.

As long as the relevant live broadcast rooms are full of people.

In addition to the live media, the swiping screens in the live broadcast room were also full of obscenities and curses.

Under the pressure of public opinion that could almost drive a person crazy on the spot, Han Zixuan was already in a daze.

And Selena wore a long black dress, her black hair was like clouds, and her eyes like cold pools did not fluctuate in the slightest. She kept sitting upright on the seat from beginning to end.

Seeing Selena pretending to be calm, the tall reporter’s face was full of pride, and his expression became even more angrily. He said loudly, “As media reporters, we restore the truth to the public and demand justice for the weak. , is our responsibility!

Today’s matter can’t be counted like this! Selena, it’s not that easy for you to divert your attention! If you don’t give us a satisfactory explanation today, this matter will never be finished! “

The other party’s words immediately stirred up a large group of people, “Yes! Absolutely can’t finish! Selena! Apologize to the public! Apologize to the innocent victims!”

“Apologize! Apologize!”

The tall reporter continued, “What do the police have to do if an apology is useful! Not only should I apologize publicly, but I should also be permanently banned!”

...

Just as the tall reporter was talking more and more excited, Selena's cool eyes suddenly fell on his face at the seat.

That gaze seemed to be light and powerless, but it was like an ice blade touching his throat. In the next second, he would see the bloody marquis. An extremely dangerous chill suddenly soaked his whole body, making him suddenly silent, unable to utter a word. come out.

When the reporter reacted, he found that his vest was wet with sweat.

Dmn it, he's just an actor who relies on his face to sell his status, what should he be afraid of...

In the next second, Selena had already looked away from the reporter, and fixed her cold eyes on a live camera directly in front of her.

The photographer held his breath immediately, and held the camera firmly. Cameras from other angles and other people's phones were also aimed at Selena.

Selena stared at the camera, her intimidating eyes were not looking at the photographer, but as if she was looking at someone through the lens...

At this moment, Susie was waiting to see with her own eyes that Selena's abominable composure was completely torn apart, watching her fall into the swamp, lost forever, when she suddenly met the sight of Selena on the screen, her back stiffened, and she couldn't help climbing up a strand of water. chill.

"As you wish." Selena said four words to the camera.

The moment the voice fell, a conversation suddenly sounded from the speakers in the banquet hall.

“Selena!”

“Sister, it’s not me...I don’t know why he is here...”

“I waited here on purpose, because apart from that, I really don’t know how to meet you.”

“Is there something wrong?”

“Can I talk to you alone?”

“sister...”

“Xiao Nuo, it’s none of your business, you wait for me here.”

...

Because it was night, the picture on the big screen was very dim, and only the figures of three people could be vaguely seen, a woman, a boy, and a tall man.

The woman’s voice was obviously Selena, and the one who called Selena her sister seemed to be her younger brother Tang Nuo, so who was the other person?

“Speak.” Selena’s voice.

The man said: “Selena, let’s...start over again?”

Just as they were wondering, everyone heard the man’s words, and there was an uproar at the scene.

Restart?

Selena broke the gossip on her own?

Just when everyone was at a loss, the man continued to say: “Selena, I know what I said may sound ridiculous and ridiculous to you...”

Selena’s tone was extremely cold: “Isn’t it?”

“You heard me, I thought about it for a long time, for a long time, this is not what I told you on the spur of the moment, I really regret it. I finally understand that the person I really like, the person I really love who is it.

Selena, what happened back then was my fault, I was the one who betrayed our relationship first, but at the beginning, I never thought of being separated from you until I met Susie.

Susie’s temperament is too simple and weak, and when he suddenly encountered such an accident, he often chatted with me and complained, and I gradually... I don’t know when, this kind of relationship changed...”

Hearing this, everyone finally knew who the speaker was.

The man who spoke turned out to be Roman!

And Roman actually said that he first betrayed his relationship with Selena?

What the hell is going on here?

The sound from the speakers continued.

Roman: “Until later...I had sex with Susie on impulse...I kept it from you...because I really didn’t know how to face you...”
