Chapter 2021

“However, it wasn’t until later that I figured it out. All along, I was worried about Susie, but I never thought about your feelings. You left your hometown for me, and in the end I left you alone...”

...

After that, Roman kept confessing, saying that he was sorry for Selena, and that he didn’t want to continue to deceive his feelings.

After hearing this, everyone was stunned.

God!

Could it be...Could it be that Roman’s first date was Selena, but in the end he betrayed Selena and got together with Susie, and even forced Selena to leave for another country?

But now, Roman regretted it, and wanted to chase Selena back, and stalked Selena. From the voice, it could be heard that Selena never saw him. He used Selena’s younger brother to see Selena. .

The so-called original partner was actually the mistress, and the one who was misunderstood as the mistress was the real one!

This reversal was like a slap in the face, and everyone was stunned.

Roman: “I know that I am not qualified to say these words to you in my current situation, and I definitely don’t mean to insult you. I will...restore my freedom...”

In the end, Selena's alluring face without a trace of emotion flashed past under the cool moonlight, and the girl's chilly voice came from the speakers...

"Roman, there are some things, like cotton-padded jackets in summer and cattail fans in winter. And, when a person's heart is discouraged, he changes his mind."

After the voice fell, there was a dead silence on the scene, and a needle could be heard.

Those aggressive media just opened their mouths like idiots, dumbfounded, with pale faces, unable to utter a word.

Especially the tall reporter who yelled the loudest just now and asked Selena to apologize to Susie, his expression at this moment was as if he had eaten shit.

"How...how could this be..."

"Let me be quiet, my brain is in a mess right now!"

Everyone stared blankly at each other.

At this time, someone said, "What's not clear? Roman has already made it very clear. At the beginning, he and Selena were boyfriend and girlfriend, and they came to the imperial capital because of him. In the end, Roman met Selena." Susie, Susie often pretended to be weak and pitiful in front of him, Roman cheated on Susie and had a relationship with her, betrayed Selena, Selena went abroad in grief and despair, and only returned a few years later to start again, Working alone in the entertainment industry..."

"Dmn it! This pair of dogs and men are simply not human! Especially Susie, who robbed someone's parents, not to mention her boyfriend, and forcefully forced Selena to betray their relatives and leave their homes.

Selena finally healed her injury and returned to China, wanting to start over, but she has been suppressed by her in various ways. Such good acting skills and aptitude have been honed to the point where she has been a trick for more than a year. In the end, Susie even framed Selena for intentionally hurting people, and asked Empire to ban her. Fortunately, Selena was lucky, Shengshi helped her clear her name, and after the Shengshi, Selena got better..."

“What’s even more exaggerated is that Selena worked so hard to get to where she is today, and even returned to the top after going through life and death. She, Susie, is lucky. With Selena’s family background, Selena’s man, the pheasant became a phoenix, and the mistress became rich. Mrs!

She had everything, but she still refused to let Selena go, hypocritically confused black and white in front of Han Zixuan, saying that Selena would not let Roman go, almost causing all of us to misunderstand Selena! “

Chapter 2022

From being confused at the beginning, everyone gradually came to their senses and began to analyze everyone’s affairs one by one.

It’s okay if you don’t analyze it, but when you think about it carefully, it’s horrifying.

“I’m going! I really thought that Susie was innocent. When I think about it carefully, this girl is a scheming whore! What kind of inspirational goddess, she can have today, and everything she got now was obviously snatched from Selena. Come here!

Without the Ning family, would she be able to get along in the entertainment industry? If it wasn’t for hooking up with Roman, which wealthy family would marry a pheasant? “

“Han Zixuan and Susie, it’s no wonder that these two have a good relationship! As expected, like attracts like and divides into groups!”

“Selena is a dead dog too! She was wronged since she was a child, and the well-behaved young lady was living among the people. She was forced to have a home and could not return. She finally thought that she met her true

love and was betrayed by both of them. She should be her dearest and most beloved person. , but hurt her badly!”

“But Selena has never once used her background and personal affairs to gain sympathy, but has gotten to where she is today by relying on her own strength without saying a word!”

“On the contrary, it’s some people. It’s not enough to rob someone’s parents and boyfriend, but also to force them to a dead end! They’re all pregnant, and don’t know how to accumulate virtue for the child in their stomachs?”

...

At this moment, Susie was staring at the live broadcast on the laptop, her innocent face was completely distorted.

“Selena, I regretted it, and finally understood, who I really like, who is the one I really love...”

“Selena, I have been deceiving myself for too long, I don’t want to continue deceiving myself!”

“I will give you a title, I will marry you, and I will take care of everything! You will still be Mrs. Su! We will start all over again!”

Roman’s every word, and the comments from the media and the audience made Susie’s body tremble violently. Her sharp nails pinched the flesh in her palm, and bright red blood dripped onto the floor.

What a junior!

Roman likes her, loves her so much!

Selena was the mistress who ruined their marriage! Selena is the b!tch who shamelessly snatched her man!

Now, people all over the world knew that Susie’s man was stalking Selena, and even wanted to divorce her because of Selena.

The humiliation was driving her mad.

“Selena...”

Selena!

how dare you!

I want you to die!

I want you to die badly!

Inside the charity gala hall.

The reporters surrounded Selena once again...

“Miss Selena, how did Susie intervene between you and Roman back then? What’s the specific situation? Can you tell me?”

“Selena, from the conversation, it can be heard that Roman has already regretted it, and even wants to divorce because of you. Will you get back together with Roman?”

“Selena, Empire has been poaching you, will you choose to leave? After all, putting aside all personal factors, Empire’s strength is more beneficial to your career, isn’t it?”

...

As for the personal question, Selena did not answer, but glanced at everyone present, and then said, “Since the media friends and colleagues are here today, please be a witness for me.”

Hearing Selena’s words, the media and onlookers stared with bated breath, waiting for Selena’s next words.

Selena paused, looked in the direction of the camera, and continued, “I, Selena, swear today that if I live, I will be a person of the prosperous age, and if I die, I will be a ghost of the prosperous age. As long as I am in the entertainment industry for a day, I will never Will leave the prosperous age, live and die with the prosperous age, advance and retreat together.”

Chapter 2023

Live and die with the prosperous age, advance and retreat together.

That short sentence caused an uproar in everyone's hearts.

Moreover, this sentence is equivalent to directly rejecting Roman, saying that he will never be with Roman.

In the live broadcast room, the screen was swiped...

"My Karen is awesome!"

"What a life and death, advance and retreat together! Karen is really domineering!"

"Always vilified, but never defeated!"

"I have no regrets in this life, I only love Karen!"

...

As for Xu Tao, who was beside Selena, he was so moved that he was on the verge of tears when he heard what her lady queen said.

At this moment, a certain little koi who was watching the live broadcast was about to cry.

He automatically substituted Selena's "Prosperous Age" into his brother's name, and as a result, his face was bloodied by the show of Bo Enai.

Life is his brother's man, and death is his brother's ghost! Ow!

After Selena finished speaking, she nodded slightly to everyone, then got up and left.

Everyone automatically moved out of the way, watching this girl who will always be left with a strong side no matter what time, no matter what kind of suffering and slander she encounters.

Such a girl, what kind of man should be to match her?

Among the crowd, Han Zixuan fell to the ground with a dull expression.

She never expected that the truth turned out to be like this.

There is no redemption, only she is alone.

And from now on, Selena will be something she can't reach and can only look up to.

Hiding in the corner, Yin Youyou, who was sure of winning, was also completely dumbfounded, with a pale face full of disbelief.

how so! How could this be?

Didn't Xu Tao say that they couldn't help Selena get rid of it?

Why did things turn out like this in the end!

Although Han Zixuan was finished, not only was Selena not kicked out of the entertainment circle, but after this, her popularity became even more popular!

What about her, what is she going to do now?

Han Zixuan and Zheng Anru must have thought that she did it, and Empire will never let her go!

...

In the parking lot, Xu Tao was so excited that he rushed to Liang Feixing who was watching from a distance in the nanny's car, "Liangzi, did you hear that just now! Did you hear that! Her Lady Queen said that she would live and die with me, advance and retreat together!"

Liang Feixing twitched the corner of his mouth, and pushed him away with a slap.

Brother, you are so self-indulgent!

The lady boss's words are clearly meant for the boss to hear, okay?

Xu Tao was slapped, but he didn't care at all, he was still blissfully immersed in joy, "It's thanks to those paparazzi this time, if they hadn't been meddling in trying to dig Selena's black information, they wouldn't have gotten it This video!"

These paparazzi followed Selena all the way to Imperial University and recorded the conversation between Selena and Roman, but Selena's bodyguards who were following in the dark discovered it in time and stopped the thing.

Unexpectedly, this thing would come in handy later.

Selena always didn't like to mix her personal affairs into work, but this time, when it came to the reputation of the entire prosperity, she still offered to use this video without hesitation.

"My Lady Queen, be careful!" Xu Tao bluntly helped Selena open the car door.

Just as he was about to get into the car, there was a sudden sound of hurried footsteps behind him.

"Brother Tao! Wait!"

It was Yin Youyou who caught up panting.

Xu Tao frowned slightly, "It's Youyou, what do you need from me?"

Yin Youyou's eyes were full of annoyance, but at the moment he could only suppress it, "Brother Tao, I have something to talk to you about."

"Success!" Xu Tao responded bluntly, and then told Selena and Liang Feixing to let them go first.

Selena glanced out the car window, frowning slightly.

Liang Feixing drove away indifferently, "Miss Boss, don't worry, Yin Youyou is no match for Xu Tao's old fox!"

Chapter 2024

Xu Tao poured himself a cup of tea leisurely and contentedly, "The West Lake Dragon Well here is pretty good..."

Yin Youyou is not in the mood to drink tea right now, her cell phone has been ringing since just now.

The first person to call was Han Zixuan, then Zheng Anru, then her manager, and finally, even Wang Haojun himself called.

Yin Youyou didn't dare to answer any of them, but he didn't dare to hang up either. He could only mute the phone with a pale face, and watched the phone screen flickering in a panic.

Xu Tao naturally saw Yin Youyou's constant phone calls, and said with a considerate expression, "Youyou, I think you seem to be very busy? Why don't we make an appointment another day?"

Hearing Xu Tao's voice, Yin Youyou calmed down a little. He stared at Xu Tao excitedly and said, "Brother Tao, didn't you say that Selena's matter, Shengshi can't solve it at all?"

Xu Tao took a sip of his tea and said with a grateful face, "It was really tricky. This time I was lucky. Fortunately, I got evidence from a paparazzi that can prove Selena's innocence."

When Yin Youyou heard the words, he showed a somewhat suspicious expression, always feeling that something was wrong, but now he was upset and couldn't think much about it.

Dmn it, when Selena fell, all the resources in the prosperous age should belong to her, but who knows, now she is only being suppressed by Han Zixuan, and now she is being suppressed by Selena!

However, no matter what, Xu Tao is the last way out for her now.

If Xu Tao dared to be ungrateful and leave Selena alone, then she, Yin Youyou, would not be easy to mess with!

Yin Youyou took a deep breath, suppressed the irritability in his heart, and asked, “Brother Tao, when will you sign me back to Shengshi?”

When Xu Tao heard it, he immediately showed a surprised expression, and looked left and right pretending to be flustered, and said in a low voice, “What? Sign you back to the prosperous age? Youyou, you can’t talk like this! You are waiting in Empire now. Well, why do you suddenly have such an idea?”

Yin Youyou’s eyebrows twitched, and Xu Tao asked him in a daze, “Xu Tao, what do you mean?”

With an innocent face, Xu Tao spread his hands and said, “Youyou, I really don’t know why you would say such a thing suddenly.”

Yin Youyou couldn’t believe it. He slapped the table immediately and stood up, “Xu Tao! You encouraged me to bring down Han Zixuan for you. Now that I want to use it up, will I just renege on it?”

Contrasted with Yin Youyou’s rage, Xu Tao leisurely sat on the opposite chair, and continued to pretend to be a wolf with a big tail, “This...you helped me bring down Han Zixuan? Youyou, what do you say? Are you getting more and more incomprehensible?”

Yin Youyou was so pissed off, at the same time, he finally figured everything out.

“Xu Tao, you clearly know that I hold Han Zixuan’s handle, first you misled me, made me think that Selena would really quit the entertainment industry this time, and then encouraged me, as long as I knocked Han Zixuan down, you would kill me.” Sign back to Shengshi and promise to give me all the resources in Selena’s hands!

Now, I sent you the video of Han Zixuan to help you bring down Han Zixuan, but you turned your face and refused to recognize anyone! “

“Youyou, you mean, you sent me those anonymous videos?” Xu Tao was surprised.

This acting skill is probably enough to enter the entertainment circle.

“Xu Tao! Now you’re still pretending to be me! Let me tell you, I’m in a hurry, I’ll let everyone know your true face!” Yin Youyou roared with a ferocious expression.

Chapter 2025

Xu Tao leaned against the back of the chair, put one hand on the armrest, and laughed, “I was just in a bad mood that day, and I chatted with you casually, I really don’t know, you can make up so much imagination, let alone think that you How could Han Zixuan have such a big handle in his hand, and even sent the things to me!

Hey, Youyou, why are you so confused? Don’t you know that as soon as this thing is exposed, you are finished? “

nonsense! Of course she knows!

Wasn’t it because she thought that Selena would be over this time, and Xu Tao promised to sign her back to Shengshi!

At this moment, Yin Youyou finally understood that she had completely followed Xu Tao’s way and fell into the trap of this old fox.

Yin Youyou’s eyes were full of viciousness, “Xu Tao, if I am banned, you don’t want to continue to hang out in this circle. If you let Shengshi and Selena know, in that case, you can meet me in private. Empire’s artists are still trying to poach me, what will they think?”

Xu Tao shook his head with a heartbroken expression, “Hey, the world is really declining, and people’s hearts are not old. Why are the little girls now

more scheming than the other? Oh, by the way, I forgot to tell you, I chatted with you that day I accidentally recorded the sound when I was doing it...”

After Xu Tao finished speaking, he unhurriedly turned on the phone and pressed the play button.

Immediately, a conversation between the two came from the phone...

Yin Youyou heard it from the beginning to the end, but the more he listened, his face turned paler.

Xu Tao, that ba5tard, spoke impeccably, from the beginning to the end, without missing a single word, all in a tone of nostalgia and sighs, a tone of worrying about her situation because of nostalgia.

If this recording is released, it will not have any impact on Xu Tao, but it will become the biggest evidence that she deliberately gave Xu Tao the video of Han Zixuan.

Yin Youyou suddenly sat down on the chair behind him with a dazed expression, “Xu Tao, you are taking revenge on me...”

Xu Tao smiled lowly, “Oh, you are not important enough to bother me so much.”

He is only for his Lady Queen.

Hearing Xu Tao’s words, thinking of Xu Tao’s time and effort for her in the past, Yin Youyou suddenly collapsed and lay down on the table and burst into tears.

“Brother Tao, I was wrong... I really know I was wrong... I was infatuated for a while... I was deceived by them... When Empire dug me over, he lied to me and said that he would let me be equal to Han Zixuan... Hui will never let me go...please save me...”

Xu Tao didn’t speak, and finally looked at the girl he brought out with his own hands, and turned to leave.

—

Star Entertainment, conference room.

Wang Haojun's face was overcast, and he patted the table heavily, "Yin Youyou, did you give those videos to Xu Tao?"

"I gave it to you, what's the matter?"

Originally, everyone thought that Yin Youyou would definitely deny it in various ways, but unexpectedly, Yin Youyou didn't make the slightest sophistry, and just spoke directly.

"b!tch!" Han Zixuan who was at the side jumped over in an instant, and slapped Yin Youyou's face heavily.

Yin Youyou's fair little face was turned away at once, and the burning pain on her face reminded Yin Youyou of everything that happened to Empire, Han Zixuan's suppression of her, and the fact that she handed over the video to Xu Tao. desperate situation.

she has nothing...

she has nothing...

If Han Zixuan hadn't been so deceptive, how could she have been forced to this point!

After a few seconds of silence, Yin Youyou raised his head instantly, raised his hand, and slapped him back with a "slap".

Chapter 2026

Han Zixuan stretched out her hand to cover her face in disbelief, her eyes were scarlet, "b!tch! You hit me! What are you, you dare to hit me!"

Yin Youyou sneered all over his face, “Ha...Han Zixuan! I should be the one who said that! What kind of a thing are you! You are a cancer in the entertainment industry, Selena’s substitute, a mistress who everyone shouts and kills, and you still think you are a Empire’s first sister?

A shameless b!tch! Why do you press on my head all day long and domineering! I tell you, I’ve had enough! “

“Yin Youyou! Say it again! Who do you think you are! You are just a dog beside me!”

The two yelled, and finally pulled each other’s hair and started fighting.

Several people surrounded them before finally pulling the two apart.

“Shut up all of them! Are you going to rebel?” Wang Haojun was so angry that his lungs were about to explode.

Originally, after defeating Selena this time, both Han Zixuan and Empire would be invincible again, and he would no longer have any worries.

Who knew that things would develop to this point in the end.

It’s fine if Selena cleans up, but Han Zixuan has been exposed to such a big scandal.

Because of those two videos, Han Zixuan was completely ruined. The pillars of so many resources were smashed into pieces, and there was no room for recovery. He could only watch Empire Entertainment’s stock plummet.

When he learned from Han Zixuan that those videos were given to Xu Tao by an artist from his own company, he almost wanted to kill someone.

“Yin Youyou, do you know how much damage you have caused the company by doing this? Do you still have any professional ethics in your eyes!!!” Wang Haojun vented his anger on Yin Youyou.

Facing Wang Haojun’s anger, Yin Youyou was full of sarcasm, and said with a sneer, “When Han Zixuan’s family was domineering, why didn’t the company think about the promise they made when they recruited us, and why didn’t they think about the loss of us? It’s up to you if you want to block or hide it! Anyway, I’ve had enough of this circle!”

Now, she finally understands how ridiculous it was for her treachery and job-hopping to Empire back then.

If she hadn't betrayed Shengshi back then, how could she have ended up like this.

At this moment, she finally regretted it. After seeing everything clearly, she finally realized the true meaning of the words that people's hearts are not enough to swallow elephants.

But now, it's too late to say anything.

Yin Youyou took a deep breath, ignored the manager's obstruction, and slammed the door to leave, blocking Wang Haojun's furious roar and Han Zixuan's scolding behind him.

...

late at night.

Susie was sent to the hospital because of sudden severe abdominal pain.

At this moment, both the Ning family and the Su family already knew what happened at the charity dinner.

Zhuang Lingyu was trembling with anger, "Zheng Minjun! Su Hongguang! You have taught my son well! If there is anything wrong with Susie, I will never let you go!"

Zheng Minjun was a little guilty at first because Roman was going to divorce Susie, but now that he heard Zhuang Lingyu scolding his precious son, he almost sprayed her directly.

She should be the one who said that! She, Zhuang Lingyu, taught her daughter well!

Which sentence did Roman say wrong? It wasn't her daughter who hooked up with Roman back then, could Roman break up with Selena?

If Susie hadn't stepped in, they would have been relatives of the dealer long ago.

This time, if Susie hadn't been crying and talking nonsense in front of that little star, how could it have been posted on the Internet, making everyone know that her Su family was completely humiliated by her!

Chapter 2027

But there is no way, now Susie still has their Su family's flesh and blood in her stomach, and it was found out that it was a boy a while ago, in this case, if Susie is pushed into a hurry and hurts her precious grandson, it will be terrible

.

After all, Roman still has that bastard Su Xun watching over him, the sooner he has an heir, the better for him.

No matter what, Susie had to let Susie bring the child down first.

Thinking of this, Zheng Minjun could only endure it forcefully, and said in a slow tone, "Dear family, you can't blame our family Roman for this matter! You know our Roman's character, and he and Susie The relationship has always been so good, how can it be impossible to do such a thing as cheating in marriage!

If that girl Selena hadn't hooked up with us Roman in private, how could Roman not think about it for a while?

What she said so nicely was probably just a trick to get her.

Now that girl has disclosed all these things on the Internet for her own self-interest. How will our two families behave in the future? "

When Zheng Minjun thought of Selena's indifferent attitude towards her son, she felt very unhappy. If it wasn't for the dealer, she would be nothing more than an actress, so why should she be proud.

Therefore, Zheng Minjun simply pushed everything on Selena.

As soon as Selena was mentioned, Zhuang Lingyu became even more angry, covering her violently heaving chest, "What evil did I do in my previous life to give birth to such an evil, why is she just refusing to let Susie go? Pass our Ning family!"

Seeing Zhuang Lingyu's agitation, Ning Yaohua at the side became anxious, "Lingyu, don't get angry, be careful of hurting yourself!"

"Look at what that Dmn girl is doing! How can I not be angry! She is clearly taking revenge, she just doesn't want us to have a good time!"

Zhuang Lingyu was crying here, Roman hurried over.

Susie's pregnancy dealt a great blow to him, and Selena's refusal made him even more depressed. In order to escape, he has been going abroad under the pretext of a business trip during this period. Who knew that such a big incident would happen in China .

After learning that Selena was misunderstood and scolded by everyone because of Han Zixuan's two videos, he was so anxious that he immediately bought a plane ticket and rushed back to China.

In the end, before he could do anything, he saw the live broadcast of the charity dinner as soon as the plane landed.

His first reaction was to rush to find Selena, but in the end, a call came from his family, informing him that Susie had a stomachache and went to the hospital, and told him to go back quickly...

"How is Susie?" Roman asked slightly panting.

When Zhuang Lingyu saw Roman, she immediately became angry, "Do you still have a wife like Susie in your eyes?"

Roman slightly clenched his fists on both sides, lowered his head, "Sorry."

Zheng Minjun immediately went up to him and pushed Roman, “Okay, okay, mom knows that you were also deceived by that girl Selena for a while, go and see Susie, and tell Susie clearly, don’t let her misunderstand... ..”

“Mom, I...” Roman frowned suddenly.

Zheng Minjun winked at Roman, stopped him from continuing, quickly pushed him into the ward, and then continued to appease Zhuang Lingyu and Ning Yaohua.

“In-laws, it’s normal for the young couple to be noisy. As elders, we should not intervene too much, otherwise it will be counterproductive. Besides, they even have children, so how can they get divorced? Even if Roman is impulsive, then I’m still here. What about He Hongguang! In-laws, don’t worry, we will never let Susie be wronged!”

Chapter 2028

Su Hongguang on the side also echoed, “As for Roman, he has figured it out a long time ago. The problems that your in-laws are worried about will definitely not arise.”

Seeing the attitudes of Zheng Minjun and Su Hongguang, Zhuang Lingyu’s complexion slightly improved.

After all, the culprit of this matter is still that Dmn girl Selena!

Zhuang Lingyu sighed and said, “Of course I can see how my in-laws and Roman treat us Susie, but now that things have turned out like this, how can we still meet people after the sun falls, how can we gain a foothold in this circle ?”

Su Hongguang hurriedly said, "This is not a problem, even if Selena and Roman dated first, it was only something that happened before they got married.

Both Susie and Roman have been married for so long, and they even have children. As long as Roman and Susie remain in love, everyone will talk about it for a few days at most, and won't say much.

Later, I will talk to Roman and ask him to make a statement, and I will definitely handle this matter well, so don't worry about my in-laws. "

Zhuang Lingyu and Ning Yaohua nodded, only then were they completely satisfied.

...

Before Roman entered the ward to see Susie, Su Hongguang called him aside to talk.

"Father."

Su Hongguang looked at his son and sighed, "Roman, this matter can be big or small. You have to know that for the heir of a family, marriage is very important to your image."

"I know." Roman nodded wearily.

"Now that everyone knows about Susie's pregnancy, even if it is revealed that Selena dated you first, but she divorced Susie at this time... Abandoning a pregnant woman will definitely hurt our Su family if it gets out. Fame matters a lot.

Now on Susie's side, she must calm down. As for Selena, in order to avoid suspicion, it's best not to get too close during this time. "Su Hongguang reminded in a serious tone.

Obviously, now is definitely not the right time to divorce.

Hearing this, Roman's pupils constricted slightly. Susie's pregnancy had already made him ashamed, but this time Selena was almost cornered because of him, how could he ignore it?

Su Hongguang patted his son's shoulder, and comforted his son with hints, "Roman, father understands your thoughts. Those who achieve great things must know how to be patient. Now, everything must wait for Susie to give birth to the child safely, understand. ?"

Roman took a deep breath and suppressed the surging emotions in his heart, "Father, I understand."

in the ward.

Susie's eyes were red, and she leaned against the head of the bed with a dazed expression.

Hearing the familiar footsteps coming from the door, Susie turned her head slowly. The moment she saw the man, the tears she had endured for a long time suddenly fell down, "Roman..."

Looking at the girl who was pregnant with his flesh and blood, Roman avoided his eyes in embarrassment, remained silent for a long time, and only said three words, "I'm sorry."

Hearing Roman's "I'm sorry", he admitted everything without even a single excuse.

Susie tightly pinched the palms of her hands under the quilt, concealed the ferocious look in her eyes, her face became even more sad, and said with a wry smile, "Actually, I know...I should have known long ago...Sister She is so beautiful...so good...no matter how hard I try to catch up...one day...you will come back to her..."

Whether in the past or now, I have never thought about arguing with my sister, if possible, I am willing...I am willing to fulfill you..."

Chapter 2029

Speaking of this, Susie broke down in tears, and stroked her lower abdomen with trembling fingers, "Roman, as long as you can be happy... I can do anything... But, Roman... I can't help it... our child... ...what about our children..."

Roman sat on the edge of the bed and wiped away the girl's tears with his fingers, but his heart was numb, and his tone did not have any ripples, "Don't think about it, Selena and I have no chance."

In the past, every time Susie shed tears in front of him, he would have infinite strength and a desire to protect, desperate to protect her from the wind and rain.

Now, to him, her tears are like a deep pool full of venom imprisoning him, he can't breathe, he just wants to get rid of it.

Hearing Roman's words, Susie's complexion did not improve at all, but became even paler.

Is it just because he has no chance with Selena now?

What if there is still a possibility between him and Selena?

What if she is not pregnant?

Or after her baby is born?

Was he going to kick her away immediately, impatient to marry Selena?

Thinking of this, Susie's fingers stroking her belly suddenly tightened, her eyes darkened.

...

two days later.

Roman posted a Weibo with four words: help each other through wind and rain.

The accompanying picture is his and Susie's interlocking hands.

In the past two days, Selena's fans and some passers-by had already scolded Roman and Susie to the point where they were terrified, but Susie was a pregnant woman after all, and she had been married for so long, and now Roman said that she chose a family.

No matter how much everyone fights for Selena, it's not good to talk too much about her family affairs.

The scolding on the Internet gradually dissipated.

During this period, Yin Youyou suddenly issued a statement announcing his permanent withdrawal from the entertainment industry.

If this piece of news was released alone, it would be enough to cause a stir in the entertainment industry. However, because of the headlines that Han Zixuan was completely blocked, Yin Youyou's withdrawal from the entertainment industry was just a small splash. Soon everyone's targets were shifted to Han Zixuan.

This time, Han Zixuan's image was ruined, and she was blocked by the entire entertainment industry. Although she ran around unswervingly, even the most low-end entertainment companies were unwilling to take her, and Susie couldn't be contacted at all.

Imperial City Central Plaza.

Wearing big sunglasses, Han Zixuan wrapped herself tightly and got out of the car.

Yi Xudong suddenly took the initiative to text her and asked her to meet.

Now Yi Xudong is no longer the general manager of Shengshi Entertainment, he opened an entertainment company by himself, but nothing has been mixed up, and he has been operating at a loss. If his wife hadn't been giving him money all the time, it would have closed down long ago.

Han Zixuan is full of contempt for Yi Xudong, but at this moment she has nowhere to go. All her savings since her debut have been used to pay liquidated damages, and even the real estate under her name has been confiscated by the court. She is used to living a life of luxury. She couldn't survive a day without money.

And Zheng Anru actually wanted to sell her like a prostitute to those nouveau riche and coal bosses whom she had dismissed in the past, how could she bear it!

Han Zixuan carefully looked left and right, then quickly walked towards the restaurant not far away.

However, as soon as he got out of the car and walked a few steps, his eyes suddenly went dark.

As soon as she looked up, she could see that the two menacing big men had blocked her way unkindly.

Han Zixuan's expression changed suddenly, and she took a step back subconsciously, "You..."

Chapter 2030

At this time, the two black-faced bodyguards took a step apart, and a fat woman in luxurious clothes came out from behind, her eyes swept over Han Zixuan like a knife, "Are you Han Zixuan?"

Seeing that it was Yi Xudong's wife Jiang Manli who came, Han Zixuan's first reaction was to turn around and run away.

However, before he had time to take a step, he was grabbed by his hair with one hand, pulled him back, and slammed him on the ground, "b!tch, do you still want to run?"

Jiang Manli was so strong that she almost tore her scalp with a tug of her fat and broad hand.

Condescendingly looking at the woman who fell at his feet, looking at her gorgeously dressed appearance, and her small waist, she thought of the unsightly scenes in the video, and the conversation between her and Yi Xudong. That b!tch actually called her a disgusting fat woman...

Jiang Manli's face was gloomy to the extreme, "b!tch, do you like to take it off? I'll let you take it off! Strip off this vixen's clothes for me! Let everyone see how she looks!"

The few bodyguards next to him got the order and rushed up like wolves.

"Ah – don't! Go away! Go away!!! What are you trying to do?" Han Zixuan screamed in panic, covering her clothes.

She has always been a goddess in the eyes of everyone, who can only be seen from a distance and cannot be played with. When has she ever suffered such humiliation.

The black-faced bodyguard showed no sympathy for her, seeing her resist, he slapped her across the face.

And she was wearing very light clothes today, and the material couldn't withstand being pulled at all, and soon it was broken into pieces and hung on her body.

It was the peak time of dining at this moment, and there were people coming and going in the square, and passers-by stopped one after another.

"Wow! What's going on?"

"Let's beat the mistress in the main room!"

The movement here has already attracted a large number of onlookers, when the bodyguard slapped the sunglasses off Han Zixuan's face...

After seeing Han Zixuan's face clearly, there were bursts of gasps among the crowd watching the show.

"fcuk! Isn't this Han Zixuan?"

"Dmn! Oh my god! It really is! It's really Han Zixuan!"

"That fat woman seems to be Yi Xudong's wife!"

“Nimma is so hot! Hurry up and record a video! Record a video!”

...

“Ah...help...help me...help me...help me call the police...ah...”

Everyone around was taking pictures and recording videos, watching with relish, and no one stepped forward.

This kind of drama where the main house tears up the mistress has always been the favorite of onlookers.

“b!tch, who gave you the guts to play with my wife’s man, I will play with you to death today!”

As Jiang Manli said, she suddenly pulled a person out of the corner, “How about it, does your heart ache seeing how pitiful your little lover is?”

Yi Xudong’s forehead was dripping with cold sweat, “Honey, I’m wrong! How could I feel sorry for this kind of jerk who can be fcuked by anyone! Back then... I was drugged by her, I didn’t do it voluntarily! I was forced Wife, you must trust me! Don’t you know my heart for you? How could I fall in love with this kind of appearance! “

When Han Zixuan saw Yi Xudong appear, she still had a glimmer of hope, but seeing this man’s shameless face, she was dumbfounded.

“Yi Xudong, are you still a man!”

Why didn’t she see that this man was a wimp who was afraid of his wife crawling to such an extent?
