Chapter 2091

Zhuang Lingyu was dumbfounded, she couldn't believe it, and Ning Yaohua was completely stunned, she couldn't believe that the girl in front of her was Susie, the well-behaved, sensible, innocent and kind daughter in their eyes...

I can't believe that she has been holding such thoughts all this time!

"My God... my God..." No one expected that things would have such an astonishing reversal, and everyone was dumbfounded.

Zhuang Lingyu's child was not bought by Selena, but by this filial and caring Susie.

Not only that, but she also drove the car to hit her, and hit her mother who had worked so hard to raise her for decades and treated her as her own daughter.

Obviously she is just the daughter of a country woman, and she has been able to enjoy the glory and wealth for so many years because of the wrong hug. All of this is not hers. She took all the favors from her for granted, and thought that everything in the Ning family should belong to her.

Just because Zhuang Lingyu was pregnant with her son and might compete with her for family property, she did not hesitate to kill the child in Zhuang Lingyu's belly...

What's even more frightening is that she acted like a victim from beginning to end, pushing everything onto Selena...

Thinking of this, everyone felt a bone-chilling chill.

How scheming is this woman who actually deceived everyone...

It's just horrible!

Ning Yaohua's mind was shaken, and he was so angry at Susie's absurd logic that he was almost speechless, "ba5tard! The Ning family has raised you for more than 20 years. I don't ask you to be grateful, but you have always held such a selfish and vicious attitude." thought!"

Susie smiled lowly, as if she had heard some funny joke, "Hehe, thank you, what can I be grateful for, everything I have today is based on my own ability!

And Selena, what does she have! It's just that there is a bit of Ning's blood in her body, why she doesn't do anything, this old ba5tard wants to give her 10% of the shares, and I don't even have a cent! "

Ning Yaohua roared, "But I have already given you all the shares in my hand, and you already have 20% of the shares in your hand, aren't you satisfied!"

Susie sneered, "Chairman Ning, don't put it so sweetly, you gave me the shares because you wanted to marry the Su family. How dare you say that if you have a son, these shares will still be mine? "

"So you can kill your mother's child!!!" Ning Yaohua's eyes split open.

There was no trace of remorse in Susie's eyes, "You are unkind, so don't blame me for being unrighteous! This child deserves to die!"

...

Selena stood aside, cross-chested and quietly watched the family of three tear their faces apart on the spot.

It wasn't until this moment that he interrupted, "I'm really sorry for interrupting everyone, but I would like to ask Miss Ning, this person... was really hit by you?"

Susie shot at Selena with gloomy eyes, "Selena, stop putting on a show!"

Selena immediately looked innocent, "But, that video was really faked by me. There was no surveillance at all on the section of the road where you destroyed the body, don't you know? This video is the special effects artist I asked for the crew of "Thunderbolt" It was made temporarily for me to

simulate the scene, it is very rough, I didn't expect you to believe it... Oh yes, there are also fingerprints and blood samples..."

Selena looked at Daniel beside him.

Daniel opened the brown file bag, and what he took out was not evidence, but a stack of various...photos of the wedding church...

"Selena...Selena! I'm going to kill you! I'm going to kill you!!!"

Susie was stunned for a second, and then acted like a madman. When she saw the evidence just now, she was not so excited, but now she seemed to be crazy.

Ever since Solomon's side failed repeatedly, she no longer trusted anyone, and she was not worried about domestic bribery. If the other party betrayed her and was bribed by Selena, the consequences would be disastrous.

So, this time she chose to do it herself.

After all, it was the first time to do this kind of thing, so she was still a little flustered. When she went there to dispose of the clothes and the car, she was already flustered. After seeing the familiar scene, I subconsciously believed it.

As for the fingerprints and blood samples, if Selena took them out by herself, she would definitely be skeptical, but it was Daniel.

It was Daniel who handed it to Selena himself.

With Daniel's power, even if it was impossible, it was completely possible.

So, she believed it almost immediately!

But I didn't expect... I fell into Selena's trap from the beginning to the end!

Selena actually lied to her from the beginning to the end, the monitoring was fake, fingerprints and blood samples were fake too!

The bltch! bltch!

Selena looked helplessly at Susie who kept screaming, "I said it was a fake, it's just that you don't believe it."

On the side, Saul looked at Susie who was almost going mad with anger, and was simply amazed.

It's just too brutal!

The play! Serial reversal! It can be called a blockbuster! By the way, I did not forget to abuse the dog... Those photos of the church are enough...

However, all this is not over yet.

"However, although those are fake, there is one thing, but it is real." Selena said, tapping the phone with her finger, and a piece of A4 paper was projected on the wall.

Upon closer inspection, it turned out to be a paternity test.

The appraisal certificate showed that the child in Susie's womb had no blood relationship with Roman at all.

"This... this is the paternity test!"

"It seems to be the paternity test between the child in Susie's stomach and Roman!"

"My God! Susie's child is not Roman's?"

In an instant, there was an uproar in the ward.

Selena looked at Susie's body slowly, "As the saying goes, a tiger's poison does not eat its child. Besides, Miss Ning must also know how important this

child is to you, so I have always wondered why You don't hesitate to frame me by killing your own child."

Selena paused, and then quickly continued, "I've thought about it, and only one possibility came to my mind, and that is... this child can't stay at all. So, what is the reason why this child can't stay? It's worth pondering, Miss Ning, are you right?"

Although it was only two short days, she did a lot of things.

They sent someone to check the monitoring of the road section where Zhuang Lingyu was hit, tracked down the whereabouts of the motorcycle, and checked Susie's whereabouts in the past few months.

Then, she visited the racing driver herself, and went to the special effects artist of "Thunderbolt" to ask him for help...

In addition, someone secretly obtained Roman's hair and the stillborn blood sample for identification.

The appraisal result was only sent to her mailbox half an hour ago, everything was as she expected, Susie's child was indeed not Roman's.

Chapter 2093

When Selena said this, everyone still didn't understand.

"The child in Susie's stomach is not Roman's! No wonder! Otherwise, how could she even kill her own flesh and blood! It's because if this child is born, once she is discovered, she will be finished. She will kill two birds with one stone. The child was resolved, and Selena was framed!"

“Back then, we, Roman, were actually planning to divorce her. She was able to do so because of this child. Who knew that this child... my God!”

“This woman keeps saying that she loves Roman to death, but in the end she came back pregnant with a ba5tard!”

...

Zheng Minjun, who was staring at the projection with dumbfounded eyes, rushed to Selena from the crowd, trying to snatch her phone, “What are you talking about! The child in Susie’s belly is not our Roman’s! How is this possible!”

Ning Qitong on the side said impatiently, “The child who was shed must not have been cremated. If you don’t believe it, then just go for an appraisal yourself!”

Susie’s character has been completely exposed in front of people. Zheng Minjun still didn’t believe it. His face was blank, and he tore at Susie in an instant, “You ignorant woman! I said why were you in such a hurry before?” They urged us to have the child cremated quickly, and said that this way the child could be reborn into a good family as soon as possible! It turned out that the intention was to destroy the corpse!”

The fact that the daughter-in-law put a cuckold on her son and was pregnant with a wild child was revealed in front of so many people, and Zheng Minjun was going crazy.

“Zheng Minjun, don’t make it seem like your Su family is so noble! If it weren’t for the two of you who are old enough to persuade Roman to divorce me and want him to marry Selena so as to curry favor with the dealer, how could I have been forced into this situation? point!”

Anyway, the face was already torn, so Susie directly tore it back, but in the end, because of the lack of energy due to the miscarriage, Zheng Minjun soon scratched bloodstains on her face.

Su Hongguang couldn’t bear it anymore and pulled Zheng Minjun back, and roared, “Enough! Don’t you think it’s embarrassing enough!”

He has lost enough of shame today!

Zheng Minjun immediately said with a dark face, “I am ashamed! Who am I ashamed of! They are the good daughters raised by Ning Yaohua and Zhuang Lingyu! They are vicious and debauched! They have ruined our Su family like this! It is their Ning Yaohua and Zhuang Lingyu who are ashamed! Shame on the family!”

“You...” Ning Yaohua was already very angry, but now he was ridiculed by Zheng Minjun again, and he almost fainted from the anger.

And Zhuang Lingyu’s whole body was already in a trance, and she kept talking about “impossible, impossible...”

The two families were arguing upside down, and the entire ward was in chaos.

Ning Qitong glanced at Ning Yaohua and Zhuang Lingyu with pity, “I said earlier, let you take a good look at what you have raised these years, but you have been deceived by lard, and you have been fooled by this woman. , Now that I have ended up like this, I have done it myself! I just committed a crime and killed an innocent child!”

Hearing the word “child”, Zhuang Lingyu seemed to have been greatly stimulated, and rushed towards Susie, “You b!tch! b!tch! Why did you hurt me so much! Why did you want to You hurt me so much! You give back my child! You give back my son’s life!!!”

Seeing the chaos, Daniel frowned slightly, and stretched out his hand to gently wrap Selena in his arms, blocking her eyes from those dirty scenes.

Selena breathed in the clear breath, and the feeling of exhaustion in her heart immediately dissipated, as if she had entered another peaceful and warm world, she said softly, “My dear, let’s go home?”

Daniel: “Okay.”

“Xiao...Selena...” Seeing Selena and Daniel turn around and leave together, Ning Yaohua subconsciously took a step after him, as if he wanted to say something.

But in the end, he still couldn’t say a single word.

Chapter 2094

Zhuang Lingyu originally planned to use this opportunity to seek justice for Susie, and then completely remove Selena from the family, so she deliberately called so many relatives, but she did not expect that the truth of the matter would make her The sky is falling apart.

Things have become like this, those relatives and friends can't stay here to watch the fun, and they all find excuses to leave.

The old man was physically and mentally exhausted, and he didn't want to care about the grievances of the eldest son, so he walked away tremblingly with the support of his servants.

At the beginning, he persuaded everything that should be persuaded, and said what should be said. All the choices were made by themselves. Now they should let them do whatever they want to solve. He really has no energy to care about it.

Suddenly, only Ning Yaohua, Zhuang Lingyu, Zheng Minjun, Su Hongguang, Roman and Susie were left in the ward.

How could Zheng Minjun bear the fact that his proudest son was cuckolded, and the precious grandson he was looking forward to turned out to be a bastard? After those people left, he ignored them, pointed at Susie's nose and began to speak indiscriminately. He scolded, "Our Su family is also blind, let Roman marry you, a fake sgumbag like you!

I don't know which wild man I messed with outside, and even dared to say that it was our Roman's when I got pregnant! divorce! Get the hell out of Su's house right now! Also, don't even try to take away a needle or a thread from our Su family! "

Hearing this, Susie couldn't help laughing, "Haha... Do you think Selena is really pure? She was pregnant by a man at the age of eighteen, and she was said to be Roman's seed. I am much better than her." Already!"

If Zheng Minjun hadn't given up on Selena's relationship with the banker after finding out about Selena's relationship with the dealer at Mrs. Li's party, how could she have gone to accompany those disgusting wealthy businessmen who were full of fat in order to attract investment and stabilize her position? go to sleep.

If Roman hadn't been seduced by that slut and didn't want to have a child with her at all, how could she have risked keeping this bastard in her belly!

Everything was the fault of that bitch Selena, it was the fault of their Su family!

Hearing Susie's words, Zheng Minjun was taken aback, "What did you say?"

"I said... that bitch Selena was messing around outside when she was dating Roman. She still played with two cowherds. If she got pregnant, she would say that she was Roman's seed. If it wasn't for that scene Car accident, she might be planning to give birth to this bastard..."

After speaking, he looked in the direction of Ning Yaohua and Zhuang Lingyu sarcastically, with a look of revenge, "Hahaha...don't you believe me? If you don't believe me, you can ask Chairman Ning and Mrs. Ning! Their biological daughter is even more despicable, debauched and debauched?"

When Ning Yaohua and Zhuang Lingyu saw that Susie had told the biggest scandal of the Ning family directly in front of the Su family, their faces immediately turned pale.

At the beginning, they erased all traces of this matter, but they couldn't erase its existence.

This matter is like a nightmare to them...

At this moment, in the corner of the ward, a man's suppressed and trembling voice suddenly came: "Enough..."

Hearing this voice, the cheerful smile on Susie's face froze for a moment.

"It's not Selena... what happened back then... wasn't Selena's fault at all..."

Roman clenched her fists, her face was full of embarrassment, and said with difficulty, "Selena never betrayed me... She never messed with men... She didn't... She was forced... She It was framed by someone..."

Chapter 2095

"What did you say?" Zhuang Lingyu, who had been in a daze, was taken aback for a moment.

Ning Yaohua also changed his expression all of a sudden, "Roman, what did you just say? Selena was framed by someone?"

Susie stared at Roman who spoke for Selena, her eyes were full of hatred, Roman, now even you have to fight against me, don't you!

Susie smiled lowly, her face was completely confident, "That's right, I framed it, I put aphrodisiacs, love, and drugs in that b!tch's drink, and I prepared two cowherds for her." , so what? She is not a broken shoe that has been played by two cowherds hahaha..."

"Susie! What did you say! Say it again! It was you who drugged Selena and sent someone to rape her!!!" Ning Yaohua couldn't believe his ears. His body trembled violently. Even when he found out that Susie had killed Zhuang Lingyu's child, and that Susie had cheated on him, he had never been so furious.

Her daughter didn't go out to mess around by herself, she was raped by someone!

Susie clutched her stomach aching from laughing, "Hahaha... I'm dying of laughter! Selena, that bumpkin, can't tell the difference between genuine and imitation clothes, so she'll wear whatever I give her, I lied to her The

lemonade she washed her hands with was for drinking, she just drank it stupidly...

That idiot, who doesn't even know what a cowherd is, would order a cowherd to enjoy himself? Of course, what is even more stupid is that you two idiots actually believed it hahaha..."

Susie's words mixed with sharp and piercing laughter echoed in the dead silent ward, Zhuang Lingyu opened her mouth as if she was dumbfounded, but was unable to utter a single word.

it's not true...

None of this is true...

What the hell has she raised all these years!

What did she do to her own daughter for a beast...

It wasn't Selena who killed her two children, it was Susie! It was Susie who killed her two children!

Killed her son, killed her daughter!

Ning Yaohua stared at the extremely strange woman in front of him, like a poisonous snake. Hearing what she did to his own flesh and blood, every word seemed to be lingering on his body, he rushed towards Roman furiously. , "Roman! Tell me! Tell me what's going on! You know all of this, don't you!!!"

Roman lowered his head in pain, "I'm sorry...it's my fault... Back then I was in poor health and recuperated in the countryside. Xiaoxi and I knew each other when we were in the countryside. Xi was already dating, it was me who betrayed Selena, and did something wrong with Susie..."

At that time, all my heart was on Susie, and after discovering what Susie had done to Selena, I thought she was being foolish when she was young, and I thought she was sincerely repentant, so I helped her keep this secret.

I lied to Selena, saying that I was the one who was the one that night, and Selena didn't keep that child on purpose, she did it because... because she thought that child was mine...she had been waiting for me to come

back...give her a name No...but I...I'm sorry...I'm sorry for Selena...I'm the one who ruined her for the rest of her life..."

After hearing all this, Ning Yaohua's body trembled violently, his eyes were scarlet, "ba5tard! You two ba5tards!!!"

He actually killed his daughter...his own flesh and blood like this!

In his mind, he recalled over and over again that in the hospital, the girl had a miscarriage in a car accident and explained to himself in despair over and over again, recalling the cruel words he scolded and reprimanded her, recalling that he sent her away cruelly. During those five years when I went abroad and ignored...

Recalling Selena's cold eyes every time she faced her after returning to China...

Recalling her phrase "Father, are you worthy"...

He is not worthy...he is not worthy to be her father at all...

He personally pushed his daughter into the abyss...

Chapter 2096

Zheng Minjun and Su Hongguang on the side didn't expect such an inside story, and they both felt chills in their hearts when they heard it.

How vicious this woman is, she was able to do such a wicked thing at such a young age!

“Oh my god... What kind of disaster did our Su family marry back... Roman, why are you so stupid! You got together with this kind of woman!” Zheng Minjun cried.

Roman smiled bleakly, “It was you who forced Selena and me to separate, and you were the one who brought me and Susie together...”

“I...” Zheng Minjun couldn’t say a word for a moment, and it’s useless to regret it now.

In short, to divorce! You must divorce this woman!

She couldn’t bear for a moment that this viper-like woman stayed in Su’s house for one more second!

Ning Yaohua was full of anger, “bastard! I want you to die!”

“Hahaha... I’d like to see, Ning Dong, you are an empty shell and don’t even have a share of the chairman, how can I have to die?”

Ning Yaohua’s pupils constricted, and his pupils were suddenly filled with scorn, “You!!!”

As soon as Susie finished speaking, she looked at Zheng Minjun and Su Hongguang with a strange smile, “Oh, by the way, and you, want me to divorce Roman? Okay, then I don’t mind dropping by during the court session.” Show your honor something more interesting! For example, the evidence of Yifeng Group’s large bribery?”

“How dare you!” Su Hongguang’s face suddenly changed, never expecting that Susie was holding such a thing in his hand.

Zheng Minjun was also completely dumbfounded, his face turned pale.

“Let me tell you, you want me to get a divorce! It’s impossible in this life! Unless I die, Mrs. Su’s position will always be mine, Susie’s!”

The woman’s stern voice entangled everyone in the room like a poisonous snake.

The kind and innocent daughter they have loved all these years, and the smart and capable daughter-in-law they are proud of, are all evil ghosts in human skin from beginning to end...

—

Inside the black Maybach.

Saul was chattering excitedly all the way, “Sister-in-law, you are so awesome! It made my blood boil! Your acting skills are so good! I was deceived by you! I thought all the evidence was true! Yes, and, did you and my brother collude a long time ago?”

On the back seat, Selena was lazily nestling in Daniel’s arms, and raised her eyebrows slightly when she heard this, “Do I still need to collude with my darling? We have a good understanding! Right, darling?”

The corners of Daniel’s lips curved slightly, “Yes.”

Saul: Pretend I didn’t ask.

Selena recalled what happened just now, and analyzed, “Actually, this is a psychological warfare. With the special effects video and my acting skills, I’m about 70% sure that I can fool Susie, but what? , as soon as my darling came, I knew that I would win.”

Susie didn’t believe that she had this ability, but she definitely believed in Daniel.

So, she will definitely be fooled.

Saul’s eyes were full of tears, and his mouth was stuffed with dog food.

“Hey, this is tearing the face, the Ning family and Susie are going to fight, after all Susie still holds so many shares of the Ning family!” Saul said.

Selena said calmly, “You think Ning Yaohua is a good stubble?”

Saul blinked his eyes, “That’s true! Susie was so arrogant before, but she was pretending to rely on the power of the Ning family and the Su family. Now that she has been torn apart from both sides, she naively thought she could turn things around?”

Chapter 2097

In just a few days, the entire Ning Corporation was in turmoil.

Susie crazily squeezed out the company's veterans, cultivated her own power, and even publicly announced at the shareholders' meeting that she would remove Ning Yaohua from the post of chairman.

However, what happened later was as Selena expected, and Ning Yaohua was not a good person either.

Ning Yaohua values face and the Ning family's reputation the most, but he did not expect to be cruel this time, and he did not hesitate to kill him. The scandal of Susie hitting someone with a car and deliberately killing the child in Zhuang Lingyu's stomach was directly exposed to the public. before the public.

The shareholders' meeting overwhelmingly dismissed Susie from her position, and according to relevant regulations, the company has the right to forcibly reclaim her shares at the original price. At the same time, Ning Qitong was invited back to serve as the company's new president.

After this battle, although Susie was completely kicked out of the company, the stock of Ning's International also plummeted, and its vitality was seriously injured.

In order to avoid being imprisoned, Susie made a deal with Ning Yaohua, and was forced to hand over all the shares in his hand without any money.

That is, she was kicked out of the company penniless.

After the shareholders' meeting, Susie hurriedly left the building of Ning's International Company. After a lot of effort, she managed to avoid the raging media and returned to Su's house.

In the living room, Zheng Minjun was watching TV.

What was shown on TV was the news that Susie personally mutilated her pregnant adoptive mother and her unborn child in order to seize power, and was expelled from the board of directors by Ning International.

Zheng Minjun heard footsteps at the door, looked at Susie's look like a bereaved dog, and immediately sneered, gloating, "It's just a dog that has been proud of it for a few years because of the relationship between the Ning family and our Su family. How many catties and taels do you think you are?"

This Dmned little Slut was kicked out of Ning's, he lost a penny of stock in his hand, and his reputation was so bad that he was cast aside by the whole circle, and he shamelessly occupied the position of the young mistress of the Su family.

Thinking of such a person staying in Su's house, and thinking that she would not be able to see anyone in Madam's circle from now on, she wished she could strangle this little b!tch to death!

Susie didn't seem to hear Zheng Minjun's words, she looked around and said coldly, "Where's Roman?"

"You don't care what Roman does, just take care of yourself! What man would like to stay at home and see your face that makes people have nightmares!" Zheng Minjun said angrily.

Susie didn't speak, just slammed the door and went out, then drove towards Roman's property in the imperial capital.

She knew that Roman still had a house outside, and before he didn't go home, he always lived outside.

Just as he was about to ring the doorbell, he found that the door was only ajar and not closed.

Susie stepped on her high heels, pushed the door open and entered.

Halfway through, Susie's expression changed suddenly...

An ambiguous voice came from the direction of the bedroom...

"Hmm... ah... great... Roman..."

The expression on Susie's face changed from blue to white, and it went through like a revolving lantern, and then quickly rushed to the door, and pushed the door open with a "bang"...

In the room, Roman, who hadn't touched her for an untold amount of time, even became furious at her after discovering that she was taking medicine... was lying on another woman at the moment... crazy with that woman...

"Ah! Vice President Ning..." The woman showed her delicate face in shock.

The moment she saw that face clearly, Susie's body trembled, her face full of disbelief, "Han Zixuan!!!"

Chapter 2098

The scene in front of her made Susie dizzy, her chest seemed to be filled with glass slag, she rushed over like crazy, grabbed Han Zixuan by the hair, and dragged her out from behind Roman, "Stinky ba5tard! You are so big!" Courage, even dare to hook my man!!!"

"Ah..." Han Zixuan's hair was grabbed, and she wailed like a pig, but she quickly turned around and tore it back, and said sharply, "Why don't I dare! Vice President Ning! I respectfully call you Vice President!" In short, you really think that you are still the deputy general manager of Starlight Entertainment, who is under one person and over ten thousand people! Cousin! So what if I am a cousin! You are not even as good as a cousin!"

Susie went crazy with anger, "b!tch! What are you talking about! I'll tear your mouth apart!"

Han Zixuan didn't care that she was still naked at the moment. Instead, she showed off her chest full of ambiguity, "Ha! What did I say? You dare to do it

yourself, and are you afraid of others talking about it? Your stupid thing , everyone in the circle has known for a long time that you not only framed your adoptive mother's son with cruelty in order to seize power, but also gave him a cuckold behind Roman's back and came back pregnant with a ba5tard! You are cleaner than you!"

There were so many people in the hospital that day, they didn't have the guts to talk nonsense about Selena and Daniel outside, but the crap about Ning's family, Su's family, and Susie had already spread to the whole circle with embellishments, Roman The green on the head seems to be comparable to the Siberian prairie.

Susie never imagined that one day, she would be humiliated by a sgumbag who would sell her dirty to others, and this woman even crawled onto her husband's bed.

Susie stared at the silent man on the bed, "Roman, are you crazy? You are with this kind of woman! Do you know how many men she has slept with!"

Han Zixuan stuck to Roman provocatively, rubbing her plumpness against the man's arm, "So what if I've slept with many men? He's good at skills, Roman just likes me!"

"You..." Susie probably didn't expect that Han Zixuan was so shameless, she was so angry that she almost fainted in an instant, she screamed and rushed towards Han Zixuan.

The two immediately fought into a ball.

"Ah...Roman, save me..." Han Zixuan begged for help softly.

"Susie, you are enough!"

With a "pop", Roman pushed Susie away.

Susie was pushed and fell to the floor. She looked at the person in front of her in disbelief, and said "Roman" on her lips. It was because Han Zixuan also called this title just now, and she was so disgusted that she couldn't say it at all.

"Roman...you actually yelled at me for such a b!tch...how could you treat me like this! Are you insulting me or yourself!!!"

Is it because... just because this woman is somewhat similar to Selena?

Just because of this, he is willing to fuck even a bitch like this? But you don't want to touch her?

Thinking of this, Susie was almost burnt with jealousy.

Roman casually put on a pair of pajamas, his eyes were cloudy, the bottom of his eyes was a blue-gray color, and his once warm complexion was full of disgust and impatience, "Susie, if you want Mrs. Su's position, I can give it to you, but That's all. From then on, we have nothing to do with each other!"

"Irrelevant to each other..." Susie bit these four words tightly, almost biting her lips to bleed.

Chapter 2099

She loves her so much, even if she dominates this position like a disgusting cockroach, she is unwilling to leave him...

But now, he wants her to be a widow...

"Roman... hello... good..."

Susie got up, stumbled and rushed out.

Who knows, before she reached the parking place, a large group of reporters suddenly rushed out from nowhere and surrounded her in an instant.

"Miss Susie, you were ungrateful and killed the child in the womb of your adoptive mother. Do you have anything to say about it?"

“Miss Ning, who is the biological father of the child in your womb? There are rumors that it is Mr. Wang of Empire Entertainment, is it true?”

“Even if the child in your womb is not Roman’s, at least it is your own. If you killed your own child, wouldn’t you feel uneasy?”

“It is said that you still want to blame Selena for the deaths of the two children. Is it because of inferiority and jealousy that you framed Selena again and again!”

...

“Go away! Go away! I don’t accept any interviews!” Susie wanted to squeeze out of the crowd, but was so tightly packed by the reporters and a group of emotional fans that she couldn’t get out even half a step.

“what—“

Who knows who smashed a rotten egg over, and the egg liquid instantly stuck to her hair and face.

Then more eggs, mineral water bottles, and rotten vegetable leaves were thrown over...

—

Lu’s old house.

Yan Ruyi’s face was full of anger, “Your parents are indeed too shameful, how can you be so confused!”

Selena said indifferently, “Mom, it’s okay, it’s all over.”

Yan Ruyi took Selena’s hand distressedly, “You girl, you are too honest. If the dealer is inconvenient, you move our Lu family out. Whoever dares to touch you will give you half a grievance.” !”

After Yan Ruyi finished speaking, she looked a little nervous, and said tentatively, “Hey, Selena, it will be Daniel’s birthday in a while, and when the time comes, as the head mother of our Lu family, you must be Attendance.”

Although they and Selena had been getting along very well during this period, they were still worried that Selena would have a grudge against the Lu family, and she was unwilling to appear as the head of the house.

Selena naturally didn't think too much about it, and with her current status in the entertainment industry, it's really nothing to reveal to the public, it's just a matter of time and timing.

So Selena responded directly, "Okay Mom, I will prepare in advance."

"Okay, okay, that's good!" Yan Ruyi finally breathed a sigh of relief, "You, just go about your business, you don't need to prepare anything, we will arrange the banquet and so on, you just need to dress up beautifully Just show up!"

Here Selena was talking to Yan Ruyi, when suddenly there was a loud wail from the small garden.

Hearing that voice, it seemed to be from the little fat man Chi Shuai.

Chi Shuai and Rick did not know each other before, but later this little guy always liked to follow Rick, pestering Rick to teach him kung fu, the little guy is aggressive, lively and active, and he complements the quiet Rick very much. Both of them got along just fine.

"Oh...Grandma Yan! Master, he hit me!" At this moment, the little fat man ran over while crying while covering one black eye.

"What's the matter? Why did the good little treasure hit you?" Yan Ruyi was surprised.

Selena was also a little surprised when she saw Little bun's eyes were bruised from the beating. Rick was definitely not a child who beat anyone casually.

Chapter 2100

Seeing Rick standing far away at the door, Selena waved at the little guy, "Rick, come here."

Rick pursed his lips, squeezed the hand at his side, and then slowly walked up to Selena.

Selena rubbed the little bun's drooping head, "What's wrong baby? Why did you hit Chi Shuai? Did Chi Shuai do something wrong?"

Chi Shuai, who was next to him, almost burst into tears when he heard that, "Auntie, I didn't! Auntie, I praised you! But the master hit me all of a sudden!"

"Uh..." When Chi Shuai said this, Selena became even more surprised, "You still praised me?"

"Haha... Chi Xiaopang! Why are you praising her?" Saul's cheerful laughter came from behind.

Chi Shuai glared at Saul angrily, "Don't call me Chi Xiaopang! I really praised Auntie, I praised her for being pretty!"

Saul glanced at Rick, then looked at Chi Shuai again, "Oh? Then what did you say?"

Chi Shuai rolled his eyes, "I said...I told my master...your stepmother is so beautiful! Yes, that's what I said!"

"Pfft..." Saul sighed and shook his head, "Chi Xiaopang, you were beaten unjustly! Who told you to poke the baby's heart!"

Chi Shuai was still in a daze, and was coaxed by Yan Ruyi with the snacks.

Selena seemed to have realized something, and dragged Rick to a corner, "Why did you beat Chi Shuai, can you tell mom?"

Rick threw himself into Selena's arms, "Mom..."

"I am here!"

"Mother!"

“Ok.”

“It’s not...it’s not the stepmother! It’s the mother!” The little guy’s clear eyes were full of stubbornness.

Selena’s heart felt like it was being eaten by aphids, and there were waves of dense pain. She patted the little guy’s back lightly, and said in an unusually gentle voice, “Well, it’s mom.”

In the study.

Saul ran to tell Daniel what happened just now, “Hey, Chi Xiaopang said something wrong. He said that his stepmother poked Rick’s heart, but Rick punched him. Now he ran to Selena to beg Touching for comfort.

It seems that Little Treasure is still very concerned about this matter. I think the little guy seems to be in a bad mood these days, but there is no way around it. When Selena’s identity is revealed, there will be more cases like this. In the eyes of others, Selena was Rick’s stepmother...”

Hearing this, Daniel raised his head from the pile of documents, his expression slightly dazed.

After a while, Daniel said in a hoarse voice, “How is the investigation going?”

Saul’s face turned slightly condensed, “Brother, you’re right, the surveillance was indeed tampered with back then, and I said how could it be possible to not leave any clues, and the investigation drove me crazy. I unknowingly cut out a few minutes in the middle, and now I have found a group of experts to fix it with all my strength, it shouldn’t be a big problem, it’s just a matter of time.”

“it is good.”

Saul hesitated for a moment, and then asked, “Then...brother, are you going to tell sister-in-law the whole truth after the investigation of Rick’s matter back then? Rick’s life experience, and that person...is you... ...”

After a long time, Daniel nodded imperceptibly, “Yes.”

—

Time flew by, and soon it was Daniel's birthday.

This birthday party was arranged at the top private club in the imperial capital, Tianquan Villa, and the preparations had been made several months ago.
