Chapter 2131

The power of the European emperor finally surfaced.

Rothschild, one of the oldest families in Europe, its origin can even be traced back to the Middle Ages in Western Europe.

Since the seventeenth century, every head of Rothschild's family has had the title of 'Emperor of Europe'.

This family is almost in charge of most of the underground dynasties in Europe, and it is even the mastermind behind some war-torn countries.

The Rothschild family is very mysterious. Even today, in the era of media blowout, there is no channel to report any news about the Rothschild family.

Not to mention ordinary people, even some forces with a huge background may never have heard of the Rothschild family.

But Rothschild exists after all, and it is like a towering mountain that cannot be surpassed.

Even Daniel never had any contact with the 'Rothschild' family.

"Hey, Annie is cute..." Feng Xiaoxiao sighed, not knowing what to say for a while.

Saul's expression was solemn, "This time Roschel is obviously not a good person!"

Daniel couldn't see any emotional fluctuations in his deep eyes, "Address."

“Tianquan Villa...” Saul replied.

When Saul received the news, he went to investigate.

The entire Tianquan Villa was taken over by someone without leaving any clues, and it was impossible to find out which force it was.

However, it was obvious that Tianquan Villa was taken over by Rothschild.

“We only made an appointment with people from both sides of us.” Saul continued.

After all, as long as the Lu Group and Yilan Venture Capital collapse, Asia will be like no man’s land for Rothschild, and they can drive straight in, and they will not pay attention to some small fish.

“What are you afraid of? If it doesn’t work, kill them all, and let them come and go!” Karl snorted coldly.

Karl’s real idea was that since Han Xiao was here anyway, if the time came to drag him along, even if it was a Hongmen Banquet, there would be nothing to be afraid of.

Before Saul could speak, his cell phone rang like a reminder.

The directors of the Lu Group’s subsidiaries, large and small, and many listed companies that cooperated with the Lu Group had already exploded his phone calls. Regarding the economic impact, everyone was uncertain and eager to see Daniel.

The situation on Yunshen’s side is similar.

While Daniel and Yun Shen were discussing the details, Selena and Karl glanced at each other, and then dragged Han Xiao to a corner.

“What are you doing?”

Han Xiao was holding the KFC luxury family bucket, his mouth was full of oil, and he was a little dissatisfied with Selena and Karl for disturbing him to eat.

“Hey...” Karl rubbed his hands together: “Grandpa, let’s go to Tianquan Villa to eat tonight. What’s so delicious about these things?”

“Well... Afraid of the Rothschild family?” Han Xiao glanced at the two of them, and he couldn’t hide his little thoughts from him.

“Hey, with grandpa here, don’t you feel more confident...” Karl smiled obsequiously.

Han Xiao smiled coldly, and there was a hint of madness in his eyes: “Of course I will go... It’s rare that the Rothschild family is willing to step out of their lair.”

It is also time to settle the old and new enmity between Han Xiao and the Rothschild family.

Back then, Qin Youge’s death had a lot to do with the Rothschild family, it was an old grudge.

Over the years, the Rothschild family was afraid of Han Xiao’s revenge, and sent countless killers to attack him. This was a new revenge.

“Grandpa, do you...have a grudge against the Rothschild family?” Karl saw something unusual in Han Xiao’s expression.

Chapter 2132

“You forgot, the Rothschild family once sent assassins to assassinate the Great God,” Selena reminded.

Hearing the sound, Karl immediately realized that when he was in Luzhen, the Great God was seriously injured and was attacked by the people sent there.

Regarding Han Xiao’s past, not to mention Karl, even Selena didn’t know much about it.

The only thing that is certain is that Han Xiao has a grudge against the Rothschild family.

But as for what kind of enmity, the Rothschild family can keep dispatching killers to assassinate Han Xiao, this is a bit intriguing.

However, according to Selena's and Karl's thinking, both believed that Han Xiao should have offended the Rothschild family unilaterally.

After all, like Han Xiao who likes to stir up trouble, he has to discuss with others in his free time, but it is not surprising that he offends the Rothschild family because of his violent personality.

However, this is undoubtedly a good thing for them.

After all, Selena's whistle had already been used to ask Han Xiao to help him defeat Annie and get the antidote.

As for Rothschild, Selena could no longer ask Han Xiao.

"Hey, with grandpa here, don't care what kind of Hongmen banquet, just eat and drink as you go!" Karl was completely relieved.

"Well... I'm going to kill people." Han Xiao said with a smile.

Seeing the smile on Han Xiao's face, Karl couldn't help but shudder.

It was the first time for him and Selena to see such a smile on Han Xiao's face.

Incomparably weird, like the calm before the storm.

—

After Daniel took care of everything, it was getting late and the time agreed with the Rothschild's was approaching.

Daniel looked at Selena and said directly, "You stay."

It was rare for Yun Shen to agree with Daniel: "Women stay at home, don't make trouble."

The Rothschild family was terrifying even in China. This time it was obviously a grand feast, so Daniel naturally didn't want her to take the risk.

"No, I'll go too." Selena said with a firm gaze.

How could she let Daniel face the danger alone.

Moreover, Annie will definitely come tonight, Rick hasn't got the antidote yet, so how can she rest assured.

"Too dangerous." Daniel frowned.

Selena clasped her hands together, "I promise I will be obedient this time, I will listen to what you say? OK?"

"No." Daniel's tone had no room for relaxation.

Selena's bright and beautiful eyes were suddenly clouded with mist, and the next second, tears fell down, and she threw herself into Daniel's arms, her small face pressed against his chest, and her tone was pitiful, "But, I'm worried You! If I stay alone, every minute and every second will be torture for me, sweetheart, let me go with you, okay?"

Daniel: "Okay."

Yun Shen on the side suddenly frowned: "Hello!"

Depend on! Can you have some principles?

This dead girl is clearly acting, is this guy blind and can't tell?

Selena was actually a little confused, her sweetheart is so cute, she agreed before even using one-tenth of her skills!

Daniel warned with a serious face, "Remember what you said, no matter what happens, don't act rashly."

He knew that once Selena made a decision, no one could reverse it.

Besides, for this appointment, he had already arranged it in secret and made all the preparations.

Selena nodded obediently, "Yeah!"

“Don’t worry, Grandpa has a feud with the Rothschild family, so we will go to the appointment with us this time, let’s wait and see the show!” Karl had a complacent expression on his face, which was completely pretending to be majestic.

Hearing the sound, Feng Xiaoxiao and Kevin also secretly heaved a sigh of relief. With Han Xiao around, they felt more confident.

Chapter 2133

Half an hour later, Daniel and a group of people drove to Tianquan Villa.

At this moment, Tianquan Villa seems to be no different from usual, but in fact, it is already under the control of the Rothschild family.

Beneath the calm surface is a turbulent undercurrent.

“Mr. Lu, Mr. Yun, please.”

Outside the villa, an old man with an Asian face recognized them at a glance and led everyone into the villa.

“Everyone, please feel free.” After the old man brought a few people into the villa, he left first.

In the small garden with elegant scenery, there are two round tables in the center, all of which are filled with various delicacies.

Han Xiao stared at the table full of delicacies from mountains and seas, without any sign of being polite, immediately picked a table at random, sat down, and began to eat and drink.

“Master, don’t eat it, in case it’s poisonous...” Feng Xiaoxiao hurriedly said.

Han Xiao is the main force this time, if he is poisoned to death because of gluttony, how can they reason...

“Don’t worry, since grandpa dares to eat it, it must not be poisonous!” Karl was inexplicably confident about Han Xiao.

Han Xiao seemed to be fooling around, an idiot with zero life skills, but he was actually thoughtful.

Han Xiao and Karl ate happily, but Feng Xiaoxiao and Kevin insisted on not being moved, it’s better to be on the safe side.

Han Xiao, Karl, Kevin, and Feng Xiaoxiao sat at a table.

Selena, Daniel, Yun Shen, and Saul sat down at another table.

Saul kept looking around, with doubts on his face, “That’s it?”

It seems that there is nothing special about Tianquan Villa, and even the Rothschild family did not show up.

What the hell are they doing.

Just as he was wondering, a sound of messy footsteps came from a distance.

“Mr. Yun, Mr. Lu, I am very glad that the two of you can come to the appointment. It is a great honor for me.”

Accompanied by extremely fluent Chinese, the man came from the villa like stars holding the moon, and walked to the table where Daniel and Yun Shen were sitting.

The man had a standard western face, was dressed luxuriously, had an extraordinary bearing, and had a gentle smile on his face.

It’s just that, from his light blue eyes, there is a hint of evilness hidden.

Surrounding the man were some solemn men and women in formal attire, who looked like the company’s top management and elite team.

“Everyone is welcome, please sit down!” The man sat down at the main seat, greeted with a smile, and after speaking, he glanced at Selena with a

gentlemanly attitude, and greeted, "This is Mrs. Lu, right? It really is like the legend Like the one in the picture, she is a beauty."

Selena blinked her eyes, except for a patterned smile, she didn't say a word, she stayed by Daniel's side and acted cutely.

At the table next door, Karl, Kevin, and Feng Xiaoxiao exchanged a look, maintaining their vigilance at all times.

As for a certain great god... as always, he ate without even raising his head...

"You are the Emperor of Europe?" Yun Shen stared at the man for a moment, then smiled meaningfully, "I never thought that the head of the famous Rothschild family in Europe would be so young?"

These words are obviously doubting the identity of the man in front of him.

The man didn't care either, smiled, and politely replied: "Mr. Yun, that's not the case. Ouhuang is just a title passed down from generation to generation. I'm not Ouhuang."

"Everyone is here, the third son has something to say." Daniel said indifferently.

Hearing Daniel's "Third Young Master", a trace of surprise appeared in the man's pale blue eyes.

Chapter 2134

The patriarch of the Lu family is indeed not easy.

All the news about Rothschild's family has never been spread, and no one has seen the children of Ouhuang.

But the person in front of him was able to find out his true identity...

“Hehe, Mr. Lu’s news is really well-informed.” The man laughed.

He is not Ouhuang, but Ouhuang’s third son.

“Your purpose.” Daniel straight to the point.

The man said politely: “Mr. Lu, Mr. Yun, I invited the two of you to come here today, because I want to discuss something with you.”

“Tell me.” Yun Shen said casually.

The man didn’t care about Yun Shen’s attitude. He wiped his hands with a napkin unhurriedly, and then said, “I hope that I can...acquire Lu Group and Yilan Venture Capital.”

At the same time as the man finished speaking, a European woman walked up to Daniel and Yun Shen with two thick documents, and placed the documents gently on the dining table in front of them.

“This is a preliminary contract. Mr. Yun and Mr. Lu can take a look at it first. If there is any doubt or dissatisfaction, we can discuss it later.” The man smiled.

Yun Shen glanced at the two contracts, and sneered, “Heh, buying the Lu family and Yilan... is really a big deal, and you’re not afraid of being overwhelmed?”

Daniel didn’t open his mouth, but picked up the contract and quickly flipped through it, then put the contract down, and said expressionlessly, “Sorry, I’m afraid Lu can’t agree to your proposal.”

The man was not surprised by Daniel and Yun Shen’s refusal, and the corners of his mouth slightly raised: “Mr. Lu, if you don’t agree, is it because the conditions are not generous enough? Actually, it doesn’t matter. This is just a preliminary contract. We can continue to discuss. If you have any requirements, Mr. Lu Feel free to bring it up.”

Daniel’s unwavering eyes met the man’s.

Immediately afterwards, Saul stepped out from behind Daniel, took out two contracts as well, and said with a smile, “Why don’t Mr. Byron take a look at the contract we prepared?”

The man only glanced at the content of the contract, then his face suddenly changed, and a dark light appeared in his eyes.

These two little bastards who don't know the heights of the sky and the earth actually want to buy his company? This is obviously deliberate humiliation!

"Mr. Lu, Mr. Yun, I came all the way to Huaguo in Asia just to acquire Lu Group and Yilan Venture Capital. Your attitude makes it difficult for me!" The moment the words fell, Byron Ross The gentleman's look on Qie Er's face suddenly faded away, and there was a cold light in his eyes.

"Oh? Then what do you want?" Yun Shen sneered.

The man's eyes were cold: "I just want to invite the two of you to sign the contract, otherwise the two of you may...not be able to get out of Tianquan Villa."

Yun Shen laughed straight away, "Then, believe it or not, you won't be able to get out of Huaguo?"

An intriguing sneer appeared on the man's face: "So what if you're in China?"

"It's not good, but it's a pity that your father didn't come, I'm a little disappointed..." At this time, Han Xiao, who had been burying his head in his food in the corner, licked the corner of his mouth, raised his head, looked at Byron, and made a faint sound.

"Han Xiao?!" After seeing the person in the corner of the next table, Byron was taken aback for a moment, as if he hadn't expected Han Xiao to be there at all, and at the same time, his expression finally changed.

The only ones he paid attention to here were Yun Shen and Daniel, and he didn't pay much attention to the others. Who knew that Daniel and Yun Shen could invite this evil star!

He already knew that Han Xiao was helping Daniel, but he didn't expect Han Xiao to intervene to such an extent.

Chapter 2135

It's a pity that the last time he sent Xiao Zhan, he still failed to assassinate him, and instead folded Xiao Zhan in Huaguo.

Thinking of this, Byron's expression became even uglier when he saw Han Xiao who had done something bad again.

"Hahaha, is it surprising, is it unexpected, is it irritating?" Seeing Byron's overwhelmed expression, Karl immediately trembled.

Byron stared at Han Xiao, with a gloomy face, and fell silent.

"Well... It's really rare that you are willing to come out, and it saves me from going to Europe to find you." Han Xiao stood up, yawned, looking lazy.

The corners of Byron's mouth rose slightly, with a mocking sneer: "Hehe, I didn't expect Lord Xiao to degenerate to such a point now, being ordered around by two little miscellaneous fish. Back then, Lord Xiao claimed..."

Byron looked at Han Xiao, who was rambling on, but in the next second, his lungs almost exploded.

I saw that Han Xiao didn't take him seriously at all, and was discussing with the group of people.

"Tie him up, do you think he can come out?" Han Xiao stared at Karl.

"Master, that's not necessarily the case!" Karl touched his chin.

"There are so many children of Emperor Ou, I don't think so." Feng Xiaoxiao also leaned in front of Han Xiao.

"I agree." Kevin nodded.

"That's useless... Did he kill him or tie him up..." Han Xiao looked puzzled.

Selena couldn't hold back any longer, and went over to join in the fun, poking her head and suggesting, "Why don't you tie it up first?"

Karl immediately said: "Grandpa, I think I should kill him, let him know how powerful Grandpa is!"

Feng Xiaoxiao: "I agree with Junior Sister, why not tie her up and force Ouhuang to come forward!"

Kevin: "I can..."

Byron was so angry that his teeth were almost crushed.

These people were discussing whether to tie him up or kill him in front of him!

who is he...

He is the future Emperor of Europe!

"Han Xiao, don't be too confident!"

As Byron Yin Duck's words fell, hundreds of well-trained and heavily armed European Emperor's forces surrounded the villa.

Even, looking around, there are many snipers ambushed everywhere in the villa!

After learning that there was a sniper, several people's eyes tightened immediately.

These are not ordinary snipers, they are specially trained snipers from the Rothschild family. Except for the possibility of Han Xiao escaping, each of them can kill them on the spot here.

Kevin, Karl, Feng Xiaoxiao and the others were waiting in formation when a familiar voice came from behind, causing the three of them to change their expressions at the same time.

"Third Young Master, all arrangements have been made."

I saw Qiao Yi leading a group of well-trained killers walking towards them.

These killers were almost all of Qiao Yi's elite troops, and he was waiting for this day.

Selena looked behind Qiao Yi, but she didn't see Annie, so she couldn't help frowning.

Annie didn't come?

Or, are you unwilling to face them head-on?

For a while, the two sides confronted each other, and the atmosphere became tense to the extreme.

It is obvious that Byron is bound to win Lu Group and Yilan Venture Capital this time, and he must get it no matter what, if he is too soft, he will come hard.

"Master, long time no see!" Seeing Qiao Yi, Karl's blood surged instantly, and his face darkened.

"Traitor!" Qiao Yi snorted coldly when he saw Karl.

Karl's eyes at this moment have completely lost the look of being careless in normal times, and they are so cold that there is no warmth, "It's just right, why don't we settle all the grievances together today! I said last time in the hospital, that time, I will pay you back." For the kindness of nurturing, this time, I will not show mercy!"

Chapter 2136

Qiao Yi looked at Byron who was on the side, bowed his head and said, "Third Young Master, I'm making you laugh, I may have some housework to do first."

With an expression that everything is under control, Byron said with a relaxed expression, "Mr. Joe can do whatever he wants."

Qiao Yi looked at Karl, his eyes turned cold instantly, "Today I will clean up the house!"

Karl narrowed his eyes slightly, looked Qiao Yi up and down, and made sure that Qiao Yi's body was not damaged by Daniel's torture.

I'm afraid it's the credit of that little girl Annie.

It just so happened that he didn't bother to take advantage of this.

Kevin and Feng Xiaoxiao on the side looked at each other with complicated expressions. They were a little worried before they came, but now the most worrying thing happened.

Karl and Qiao Yi fought together in an instant, and both of them were killing moves.

Because each other knows each other's routines too well, it is difficult to tell the winner for a while, and no one can do anything to the other.

However, ten minutes later, the situation changed significantly.

As if Karl had been suddenly released from the seal of confinement, he suddenly moved so fiercely that Qiao Yi had no room to fight back.

Selena raised her eyebrows in surprise, "Huh? Aren't those tricks of a master!"

Han Xiao's eyes rarely showed a hint of admiration, "That's right, I've learned a ten-thousandth of my essence."

Selena, Kevin, Feng Xiaoxiao: "..."

With a "bang", Karl slapped Qiao Yi's life gate with a thunderous palm...

Seeing that Qiao Yi would die with this palm, suddenly a figure flashed between the two of them and caught Karl's palm forcefully.

In an instant, Karl and Kevin took several steps back at the same time due to the recoil.

Karl's eyes were scarlet at the moment, and seeing that he was able to kill Qiao Yi with great difficulty and was destroyed by Kevin, his face was filled with a ferocious look that was almost crazy, "Go away!"

Kevin threw off the glasses on his face, "You know, it's impossible."

"I say it for the last time!"

"Why?" Kevin asked persistently.

"Why...why..." Suddenly, Karl looked crazy, "He killed my whole family and slaughtered my entire family! Is this reason enough?!"

Not only that, but also shamelessly accepted him as a disciple, making him work for an enemy who killed his whole family.

Hearing Karl's words, not only Kevin, but Feng Xiaoxiao and Selena were also completely stunned.

The master killed the whole family of the second senior brother? how can that be?

Selena glanced at Daniel, and saw an affirmative answer from Daniel's eyes.

That's what Karl asked Daniel to investigate back then?

Karl couldn't help laughing, "Hehe...Kevin! Why do you think I can beat you every time? Do you really think I'm talented? Because those martial arts methods were originally my Tang family's unique skills! With the blood of the Tang family, no one is more suitable for this set of exercises than me!"

Kevin stood there with a pale face, unable to say a word, looking in disbelief at the man he had always respected as his father, "Master..."

I hope he can explain a misunderstanding.

However, Qiao Yi was exposed in public about the killing and seizing of treasures, but he didn't feel guilty at all, and he didn't even refute. He snorted coldly, "That exercise can only be a waste in the hands of that trash Tang Zhan. I have left his blood and passed on his skills, so he should thank me too!"

Karl's eyes were scarlet, "Then you go to Nine Springs to receive your thanks!"

Chapter 2137

"Evil barrier, if I didn't accept it back then..."

Qiao Yi didn't finish his sentence, Han Xiao at the side looked impatient, and suddenly passed Karl and walked in front of Qiao Yi.

"Hello." Han Xiao had a sly smile on his face.

Seeing the strange man in front of him, Qiao Yi was slightly taken aback. He knew Han Xiao, but he hadn't seen him with his own eyes, so he didn't recognize him at the moment.

Before Qiao Yi could speak, a palm shadow flashed in front of his eyes.

Before the palm arrived, the wind of the palm arrived first, like a violent storm, which made Qiao Yi pale in shock.

Qiao Yi didn't see when the man in front of him made the move at all, nor did he know what happened.

In an instant, the sound of skull shattering resounded!

Blood overflowed from Qiao Yi's eyes, ears, mouth and nose!

"Well... I greeted you, but you ignored me... The most annoying person who has no manners, apologize to me." Han Xiao said.

"Sorry, I'm being serious..." Han Xiao stared at Qiao Yi's body with an innocent face.

At that moment, Qiao Yi's body fell to the ground like mud.

Until his death, Qiao Yi didn't know what it was for.

Is it just because...he was rude...and didn't talk to this monstrous man in time?

At this moment, Karl, who was still insane just now, was completely stunned on the spot.

"My... my, grandpa, my!!!"

Karl gestured excitedly, Qiao Yi should die by his hands, it's only scientific...

He's been brewing emotions for so long... Just about to fight Qiao Yi to his death, Dmn, Han Xiao slapped Qiao Yi to death, which made him feel like he was being killed by a dog.

However, the moment Qiao Yi died in Han Xiao's hands, what he subconsciously felt was relief and relief.

If Han Xiao hadn't made a move, he and Kevin would have had a fight this time.

Kevin and Feng Xiaoxiao on the side were also stunned, they didn't expect Han Xiao to make a sudden move.

Qiao Yi actually... died just like that...

Kevin's eyes trembled slightly, and he clenched his fists tightly. In the end, he still couldn't say a word...

This may be... the best ending...

"Yelling, it's not polite." Han Xiao looked at Karl.

"Uh..." Karl choked when he thought of Qiao Yi's end just now, and he didn't dare to complain anymore.

"Han Xiao, you are too arrogant!" Seeing that Han Xiao was so arrogant that he killed his man directly in front of him, Byron's expression was so cold that water could drip out.

Hmph, it's just a Qiao Yi, and when he dies, he dies.

After Byron finished speaking, the corners of his mouth raised evilly, "Han Xiao, you should know this person!"

I saw an old man in black robe walking out of the crowd without haste, leaning on a dragon's head crutches.

"Han Wuying?" Han Xiao stared at the black-robed old man, frowning slightly.

Han Wuying, the patriarch of the Han clan.

"Han Xiao, because of a woman, you deceived your master, exterminated your ancestors, and betrayed your clan. Today, this old man will clean up your family." Han Wuying's hoarse voice was filled with chills.

"Because of a woman, she deceived her master and destroyed her ancestors..."

Karl and Selena were slightly surprised.

They thought that the Great God doesn't like women...

"Well, let me tell you why this kid from the Rothschild family saw me so calmly. It turned out that you supported him." Han Xiao smiled lowly, "Han Wuying, I advise you not to overestimate yourself, you You should know that in this world, only Qin Wentian is qualified to fight against me."

It's not arrogance, but the fact that even if the patriarch of the Han clan came in person, he would not be his opponent.

Han Wuying's expression darkened, and he didn't refute, but it's a pity that Qin Wentian couldn't be found, otherwise, if he joins hands with him, he will definitely be able to take down this evil obstacle.

Chapter 2138

“Evil! This old man just needs to hold you back until Byron finishes handling the matter, and see how you handle yourself!” Han Wuying shouted coldly, turned into a black shadow, and rushed towards Han Xiao.

The two fought together in an instant.

“Kill them for me!”

Seeing that Han Xiao was dragged back, Byron immediately gave the order.

The sniper who was hiding in the shadows pointed the muzzle of Hei Dongdong’s gun at Yun Shen, Daniel and the others.

“You really think this is your place?” Yun Shen had a cold smile on his face.

Daniel remained expressionless as usual, his gaze fell somewhere in the dark.

In an instant, hundreds of people poured out from the villa, confronting the forces of the Rothschild family.

Byron was not afraid at all, and his face was full of confidence and arrogance: “It only takes a few seconds for the sniper I deployed in the dark to kill all of you.”

Karl and the others quickly searched in the dark, trying to find out where the snipers were hiding.

However, the Rothschild family’s professional ambush snipers would not be easily found.

Those snipers are like time bombs...

“Hehe, now, it’s useless for you to regret it.” The smile on Byron’s face disappeared: “Do it!”

As soon as the words fell, a sigh came from not far away.

“The child has grown up, and the wings have become stiff.” I saw an old man with all white hair walking towards the direction of the crowd.

Seeing the old man, all the forces of the Rothschild family were taken aback, including Byron.

It was Selena who was the most shocked. Looking at the old man, she subconsciously blurted out, “Grandpa Giles?”

“Selena, I haven’t seen you for a long time.” Jayers had a gentle and loving smile on his face.

“Father...you, why are you here...” Byron’s expression changed again and again.

Father?

Selena froze in place.

Giles is actually... Byron’s father...

Doesn’t that mean...

Is Jayers the Emperor of Europe?

Selena was stunned by this conclusion.

This mood is almost the same as knowing that the sweeping monk in the temple turned out to be a superb master.

“Byron, you have disappointed me so much.”

Jayers shook his head, the unique majesty around him made Byron’s body tremble involuntarily.

Yun Shen and Daniel looked at each other, and understood the meaning of Ou Huang’s words.

It seems that it is not the Emperor himself who wants to annex Asia.

“Father, listen to me, I’m doing this...” Byron wanted to explain with layers of cold sweat dripping from his forehead.

However, halfway through the conversation, Jayers interrupted him with a wave of his hand.

“Come out, all the snipers hiding in the dark.” Giles said coldly.

As a result, the air was very quiet, without the slightest sound. After a long while, a few people walked out.

It turned out... there were only three of them!

Jayers frowned. These people couldn't disobey his orders, so what about the others?

After thinking about it for a while, Jayers suddenly understood. Looking at Daniel and Yun Shen who were facing him, he sighed emotionally, “Young people are awesome.”

Everything carefully arranged by my son has long been seen through and destroyed most of it.

Byron looked at the three remaining snipers, and then at his father. He was completely confused at the moment.

Dmn it! My father has devoted himself to movies, and has long since ignored the affairs of the family. How did he find out about all this?

“Father, by annexing Asia, our Rothschild family...will become stronger...”
Byron said unwillingly.

“Is this the reason why you defy me behind my back?” Giles sneered,
“Whether the Rothschild family is stronger, or you, Byron, are stronger!”

“Back then, these years, what did you do behind my back, do you really think I don't know?! Son, your ambition is too great!” Giles' eyes were extremely cold.

“Father...me!” Byron was already sweating profusely, trying to explain.

“roll!”

Jayers' terrifying aura completely engulfed Byron: “No matter how powerful you are, the position of Patriarch Rothschild is still out of your hands. Get the hell out of here. Within ten years, you are not allowed to step outside the house.” step!”

“Ten years!” Byron couldn't believe it.

“Take people away, if there is any mistake, you will be responsible for the consequences!” Geers looked at a group of people in the villa and said coldly.

“yes!”

An old European man immediately waved his hand and said, “Take the third son back and keep him under strict supervision.”

“Father, I'm not reconciled...I'm not reconciled! My ability is obviously the strongest, why!!!” Byron's hysterical voice became more and more distant until it disappeared.

“My Rothschild family... the most indispensable thing is ability.” Giles sighed softly, a cold light leaked from his eyes.

“Mr. Lu, I'm sorry, I'm the one who caused trouble for you because I can't teach my son well.” Giles stepped forward with an apologetic face.

Han Wuying saw that Byron had lost power, and immediately retreated.

If he continued to fight with Han Xiao, he would definitely lose.

Now that Emperor Ou appeared, even Byron was taken away and imprisoned, and Han Wuying was no match for Han Xiao, with no chance of winning at all.

“Stop fighting?” Han Xiao stared at Han Wuying and said.

“Hmph!” Han Wuying snorted heavily, and left the villa with a flash of figure.

“It’s really rude to run away if you can’t beat him.” Han Xiao was a little bored, and then his eyes fell on Ou Huang.

“Immortal, you finally showed up!” Han Xiao’s eyes, which were always indifferent to everything, were filled with viciousness.

“Mr. Han Xiao.” Giles looked at Han Xiao: “I’m very sorry for what happened back then. Although I have admired the ancient Han clan for a long time, I also appreciate your talent and want you to marry my youngest daughter, but I never Didn’t force it. It was your family that killed Miss Qin Youge to force you to marry my daughter, and it has nothing to do with my Rothschel family. Besides, the murderer who killed Miss Youge was already killed by you, right?”

Hearing the sound, Han Xiao was taken aback, “Old man, you really know how to speak!”

“That’s the truth.” Rothschild was not angry, but calmly said a fact.

Through Han Xiao and Rothchel’s mouth, Selena, Karl and others finally knew Han Xiao’s identity.

The most enchanting genius of the Gu Wuhan clan, Ouhuang admired him very much. He originally wanted Han Xiao to marry his youngest daughter, but in the end indirectly killed the girl named Qin Youge.

“It turns out that grandpa still has such a past...” Karl looked surprised.

“ge...”

At this moment, Selena suddenly realized that the clothing brand “ge” was designed by Han Xiao.

At first, Selena didn’t know the meaning of “ge”.

Now, it is clear that “ge” is equivalent to “song”, and Han Xiao wanted to commemorate that girl...

Whoosh!

At this moment, suddenly, a pitch-black figure suddenly appeared in the villa, approaching like lightning, and slashed towards Han Xiao with a knife caught off guard.

“Grandpa, be careful!” Karl couldn’t help exclaiming.

The speed of that figure was really too fast.

At this moment, Han Xiao’s expression turned cold, “I hate sneak attacks the most.”

After saying that, Han Xiao didn’t turn his head back, and grabbed the small palm that came at him.

‘boom’!

With a movement of Han Xiao’s figure, he directly flew the figure into the distance.

“Annie...” Selena exclaimed.

Chapter 2140

Annie’s body was extremely flexible, she stabilized her body in mid-air, and landed on the ground.

He was able to catch Han Xiao’s palm unscathed!

Kevin, Karl, and Feng Xiaoxiao all showed shocked expressions, and Selena was also surprised, but at the same time she breathed a sigh of relief. If Han Xiao accidentally killed another person, she would go crazy.

“It seems that I’m the only one who can do it myself...” Annie’s eyes swept across the crowd, and there was no emotion on her cold face.

Originally, she wanted to use the power of Bai Lun and Qiao Yi to destroy the Lu family, but she didn’t expect to alarm Ouhuang in the end, breaking all her plans.

“Grandpa, she poisoned Rick! You can get the antidote if you defeat her!” Karl hurriedly reminded.

However, this time, something was wrong with Han Xiao.

The moment Han Xiao turned around and saw Annie, he had been playing around in the world, and it seemed that nothing could enter his eyes. His gaze suddenly burst like a silver bottle, bursting out with a terrifying light. That delicate and beautiful face was full of shock and disbelief... ..

“Uh...Grandpa knows Annie?” Karl was puzzled.

“Is there any hatred?” Feng Xiaoxiao murmured.

Before a few people could react, Annie’s expression changed instantly after seeing Han Xiao’s face clearly. Looking at Han Xiao’s expression, she really wanted to eat him alive.

Karl suddenly realized, “Is there really a grudge?”

Annie stared at Han Xiao’s face, as if she had a deep hatred with him, her whole body was trembling with anger, “How can you look so similar to Brother Qingze...Who will allow...Who will allow you to use Brother Qingze’s face?”
!!!”

Between Annie’s brows was a bone-chilling indifference, and the gloomy luster in her eyes surged with an astonishing killing intent.

In the next second, Annie frantically attacked Han Xiao with fierce murderous intent. With a flash of cold fingers, she held five extremely sharp hidden weapons, trying to tear off the human skin mask on Han Xiao’s face.

And Han Xiao stood motionless on the spot, as if he had gone stupid, as if his soul was in another world.

Karl was terrified watching from the side, “Grandpa! Be careful!”

Dmn it, what kind of vengeful god wants to ruin someone's face? Jealous of God's handsome looks?

Selena also exclaimed, "Great God!"

The moment the blade in Annie's hand was about to stab Han Xiao, Han Xiao's figure disappeared in place like a ghost, and Annie didn't even touch the corner of his clothes.

But soon Annie attacked even more crazily, but Han Xiao was only defending for the first time, and didn't take the initiative to attack once.

Selena was confused, "What's going on here? The Great God seems to know Annie, but that expression doesn't look like he's looking at an enemy. Annie acted like she doesn't know the Great God, but she just said that the Great God looks like her What does Brother Qingze look alike mean? Do Han Xiao and Yun Qingze look alike?"

Yun Shen on the side heard the words and said, "I left the Yun family when I was ten years old, and I have never seen anyone from the Yun family since then. I don't know what my cousin looks like when he grows up. However, our Yun family has good genes. Thinking about it, it should look okay."

Selena said speechlessly, "It's just okay? He looks like a great god! He's definitely good-looking too, okay?"

Sensing that the surrounding air pressure suddenly dropped a few degrees, Selena hastily added, "Of course, whoever he is, no matter how handsome he is, he's not as handsome as my sweetheart!"

While Selena was speaking, the situation had already been turned upside down.

Strictly speaking... it was Anne who unilaterally turned the world upside down...

Han Xiao didn't even change his expression from the beginning to the end, he kept staring at the girl's face closely, allowing her to attack crazily...
