Chapter 2151

However, this wasn't over yet, Daniel followed up and said, "As for getting pregnant out of wedlock, that's true."

Hearing this, everyone was dumbfounded, even Xu Tao was anxious, and subconsciously rushed over to stop him, but Liang Feixing grabbed him and quickly whispered something in his ear.

Then Xu Tao became an idiot, "What!?"

At this moment, other fans and media who don't know the truth are still in a state of confusion...

"Dmn it! Is it true that Selena was pregnant before she was married?"

"Why did Daniel expose this kind of thing!"

"Knowing that Selena was pregnant out of wedlock, you're still with her?"

...

Daniel's gaze swept away, and everyone immediately fell silent as if a switch had been pressed, and the needle drop could be heard again.

Daniel: "But I was at fault for this matter. Selena hadn't entered the entertainment industry at the time, so there shouldn't be anything I need to explain to you."

fcuk! Daniel was at fault for this matter, what does this mean?

Could it be what they thought...

Could it be that the legendary little prince of the Lu family is...

Daniel: "Selena is my son's biological mother."

The child in Xiaoxi's belly is mine.

Selena and I have been licensed for two years, six months and seventeen days.

Selena is my son's biological mother.

It took less than a few minutes for Daniel to appear on the stage, but with just a few words, he bombarded the entire entertainment circle and the entire Huaguo citizens, and then left the stunned crowd with his wife in his arms. ...

in the car.

Selena was still hugged by Daniel and sat on the back seat.

The latter hasn't said a word since getting in the car, and his face is also ugly.

Selena pointed her finger and honestly admitted her mistake, "Well, dear, I'm sorry...Actually, I wanted to give you a surprise..."

Daniel: "..."

Yes! It's surprising enough! He was almost scared out of his wits by her!

"I..." Selena was about to speak, but felt nauseous again.

"Slow down!" Daniel frowned.

Cheng Feng who was driving in front: "..."

I have turned the Maybach into a battery car, boss...

Forget it, let him challenge the speed of the bicycle again...

Daniel patted the girl's back lightly, looking as if he was facing an enemy, "Go to the hospital!"

Selena hurriedly waved her hands and said, "Hey, no, it's just a normal morning sickness reaction. If this has to go to the hospital, then I'm going to live in the hospital!"

Daniel: "Yes."

Selena: "...Calm down, please? Dear..."

Daniel took a deep breath... still couldn't calm down.

Selena looked at the man's extremely tense expression because of being overly nervous, and said helplessly, "We've all had Rick before, and it's not the first time, why are you still so nervous!"

Just nervous?

After learning the news that she was pregnant from others, he wished he could fly to her with his wings.

The phone rang quickly, and Daniel answered the phone, "It's okay, I'm with you, and I'm on my way back, okay."

"Home phone?" Selena asked.

Daniel nodded, "Go back to the old house first, parents know about it."

"Oh..." For some reason, Selena had a bad feeling...

Arrived at Lu's old house.

When Selena got out of the car, she was dumbfounded as soon as she reached the door, she could hardly recognize where it was.

From the outside of the yard to the door, a thick layer of soft blankets was laid, and the hard pillars and walls at the door were covered with a layer of soft cushions. On the gravel road not far away, Rick was directing several robots to The stones were dug out one by one and covered with soil again...

Selena swallowed, then turned to Daniel beside her and said, "My dear, I'm sorry, I wronged you just now."

Chapter 2152

The Lu family's reaction was even more exaggerated than Daniel's, even Rick couldn't avoid it...

"Mom!" Seeing the familiar figure at the door from a distance, Rick immediately rushed over.

In the past, the little guy would jump directly into Selena's arms, but this time it probably hurt the baby in the mother's womb. He stopped very cautiously with three steps away, staring at Selena's belly with sparkling eyes. "Mom, here...is there really a younger sister?"

Selena laughed, "I don't know if it's my younger sister or my younger brother."

"As long as it is born by mother, Rick likes it!"

After a while, Yan Ruyi, Lu Chongshan, Louis's mother and other elders of the Lu family also came out.

"Selena is back, come in quickly, be careful..."

Not long after Selena entered the house, a military jeep quickly stopped at the entrance of Lu's house.

"If you want me to say that the Lu family is too unreliable, Selena didn't prepare for such a big event in advance. How dangerous is this situation today? What if Selena bumps into each other..." Meng Linlang just complained, then I saw the soft blanket at the entrance of Lu's house and the soft cushions on the surrounding hard objects, and even the tables, chairs and benches in the yard were covered with soft leather.

Zhuang Liaoyuan on the side coughed lightly, "Selena's test results just came out today, and it must have been leaked before I could tell my family."

“Stop rambling, go in and see how Selena is doing!” Zhuang Zongren urged.

So, in the living room, the two families gathered together.

“Is it very uncomfortable?” Meng Linlang looked at Selena’s pale face, feeling extremely distressed.

“It’s all right, it’s much better now, it’s just a fit!” Looking at the people in the room, Selena really felt a little headache. She was just pregnant, did she exaggerate it a bit?

Selena looked at Daniel begging for help, helpless, her family’s darlings were clearly on the united front at the moment.

“Selena is pregnant with her second child now, when is your Lu family planning to hold this wedding?” Zhuang Zongren looked dissatisfied.

Yan Ruyi hurriedly said, “Don’t worry, old man, we’ve been preparing for the wedding a year ago, everything has been arranged, and it can be held at any time. Selena doesn’t have to worry about anything, as long as she’s okay at work Yes, she can set a time.”

Hearing what Yan Ruyi said, Zhuang Zongren’s expression softened, “Selena, what do you mean? Your wedding can’t be delayed any longer! If those people dare to talk nonsense again, I will personally come forward!”

Selena hurriedly said, “Grandpa doesn’t need it, the company will take care of it. In fact, I was preparing to make it public early in the morning, but I didn’t expect a small accident today, but it won’t have a big impact. Let me see, or I’ll leave it at that months?”

Meng Linlang thought for a while and nodded, “It’s fine next month, and your marriage was arranged just before the year, and it won’t be convenient for you to have a big belly later.”

Yan Ruyi said happily, “I’ve checked the calendar, and the eighth day of next month will be a good day! How about you two?”

Daniel: “Look at Selena.”

Selena hurriedly said, “Okay, I have no problem.”

“Okay, then it’s settled!”

At the same time, in the yard behind the old house.

On the stone steps, a certain little koi was squatting there quietly, with one arm across it, and put it on the shoulder of a certain golden-haired man who was also squatting quietly beside him, "Hey, this is no longer dog abuse." Oh, this is killing dogs! The young master has to run away from home, do you want to go together?"

Louis: "No need for second uncle."

Saul was surprised, "Are you sure?"

Louis: "My ticket is already booked."

Saul: "..."

Chapter 2153

Selena and Daniel's wedding was settled in the fastest possible time.

The next day, the relationship between Daniel and Selena made headlines in major magazines, newspapers and online media, not only the entertainment section, but also the business section.

With Zhuang's insistence, this time Selena's life experience was also exposed to the public, and the economic pages were full of reports about the strong alliance between Lu's Group and Zhuang.

It is not an exaggeration to say that it is a national discussion.

After the relationship between the two was exposed, everyone suddenly remembered many things that had been ignored by them.

“Oh my god! My friends and I were shocked! Selena is actually Daniel’s wife! Their babies are so old!”

“It’s really surprising! But it’s not without a trace! Do you remember? The time Selena won the Palme d’Or Best Actress Award Ceremony, that red carpet, Daniel and Selena walked together Afterwards, we always thought that it was because the actress who was with Selena suddenly didn’t want to share the stage with her, so she was lucky to be able to be with Daniel who entered the stage later, now it seems that it is not a coincidence at all, right?”

The fan’s words stirred up waves, and everyone turned into Sherlock Holmes and began to search for clues.

“There is also Selena’s acceptance speech. At that time, her last sentence was true. She will not forget her original intention and continue to walk hard, for her ultimate dream and for the person she loves the most! Dmn, there were a lot of them back then. People were wondering if Selena was expressing her love to a specific person! Now it seems that she was expressing her love to Daniel who was there at the time, right?

“Really! Otherwise, can someone explain to me why Daniel, who never shows up in public, would go to a film award ceremony in such a good manner? Because it’s his wife who received the award!”

“Also, at Glory World Entertainment’s anniversary celebration, Daniel’s first opening dance happened to be drawn to dance with Selena. At that time, Su Yimo was still Glory World’s first sister, and she called herself the future proprietress. Can she not blackmail herself for an opening dance? But under such circumstances, this spot can still fall on Selena’s head...”

“Daniel slapped Su Yimo in the face that day, saying he didn’t know her at all! This is clearly showing his loyalty in front of his girlfriend!”

“I’m going! Stop talking, my heart and lungs will be tortured!”

All of a sudden, everyone was tortured to tears.

Nima’s love is so beautiful! It’s so cruel! Fortunately, they thought Daniel was keeping a low profile!

It turned out that these two people had already shown off to the whole world, but they were so stupid that they didn’t notice it!

—

Shengshi Entertainment Company Building.

At this moment, all the artists of Shengshi Entertainment are also in a state of excitement.

“Dmn it! Those idiots from Empire Entertainment really made me laugh so hard, they actually wanted to poach Karen before! They poached our proprietress!”

“Karen is too low-key! That Susie is just a pheasant, every day she shows off the persona of Bai Fumei’s wealthy wife who is a winner in life, Boss Su Yimo doesn’t know who she is, and she shamelessly confronts the boss’s wife every day Han Zixuan’s title, let alone Han Zixuan, is a complete fake of Karen! But Karen, after a well-established family, the real mother of the little prince, our upright boss lady! The result has not been made public until now! “

“Because our Karen’s strength is there, it’s enough for him to rely on himself, and he doesn’t need it at all!”

“That’s it!”

A group of people were gossiping excitedly, and suddenly looked in the direction of the door and exclaimed...

“Karen!”

“Oh! Goddess!”

“Boss lady!”

I don't know who called "Madam Boss" and everyone followed suit.

Selena was dumbfounded by everyone's enthusiasm, she greeted everyone with a smile, and then went upstairs to find Xu Tao.

As a result, just a few steps away from her side, there was a sudden sound of hurried footsteps behind her.

"fcuk! It's the ****oss!"

"Living Boss-sama!"

Suddenly, all the employees around stared at her with wide eyes and exclamations. Selena turned around and saw that it was Daniel who followed quickly.

"Uh, what's wrong?" Selena blinked suspiciously.

"Scarf." Daniel held a cashmere scarf in his hand, and gently wrapped it around her neck.

Selena touched the warm scarf, "It's fine, there is heating in the company."

Daniel took an exquisite lunch box from Cheng Feng beside him and handed it to her.

Selena hurriedly picked it up, "Uh, I forgot to take it! I've been feeling sleepy lately, and I don't seem to have enough brains!"

Daniel frowned and looked at her, "Do you remember how to take these medicines and nutritional supplements?"

Selena scratched her head, "I should remember."

"I'll tell you again..." Daniel was about to speak, but when he finished speaking, he pinched his eyebrows again, "Forget it."

Then he looked at Cheng Feng who was at the side and said, "Postpone today's meeting."

"Ah? But the boss has already postponed it once..." Cheng Feng didn't finish his sentence, but he fell silent after meeting the boss's sharp eyes, "I got it! Notify me immediately!"

What is more important than the boss's wife now, let alone a meeting, even if the company is going to close down, the boss probably won't blink.

Seeing that Daniel pushed the meeting off, Selena hurriedly said, "You better go to the meeting, work is important, I can do it myself, I'm really fine!"

Daniel: "The inspection in the afternoon has also been rescheduled."

Cheng Feng: "Good boss!"

Selena: Pretend I didn't say anything.

Then, Daniel put off all the work for the day and accompanied Selena upstairs.

At this moment, all employees of Shengshi Entertainment...

"Hi, I'm so supportive!"

"I am convinced of this dog food!"

"**oss spoils his wife like crazy! I want to sue on Weibo! Where is the United Protection Association for Single Dogs!"

...

"Well, sweetheart, I think if you come with me like this, Brother Tao will be scared to death when he sees you!"

Before entering Xu Tao's office, Selena muttered something.

After knocking on the door, just as Selena expected, Xu Tao almost peed in fright when he saw the oss next to Selena.

There is no way, guilty conscience!

Who made him say so many bad things about **oss yesterday!

He actually called **** Boss a sgumbag!

"B... Lord Boss!!!"

Selena placed Daniel on the sofa beside him, and then sat down at Xu Tao's desk, "Brother Tao, don't worry about him, let's continue talking about the rest of the work."

Before the wedding, she had to finish some work.

At this moment, Xu Tao was about to cry!

Please, ****oss has such a strong sense of presence, so it is so possible for him to pretend that he does not exist.

Seeing that Daniel wasn't paying attention to him at all, but was talking to his assistant, Xu Tao finally felt relieved a little, and began to sort out some work that Selena was about to finish at this stage.

Chapter 2155

"Basically, there aren't many jobs left. The only one who has to go on a business trip is LG's new product launch event, in the country..."

A certain boss on the side said: "Let them come to China to hold the meeting."

Xu Tao swallowed, "Uh, I'm afraid there's no way around it?"

Daniel: "Cheng Feng."

Cheng Feng immediately said, "No problem, I will contact there, lg is Lu's partner."

Daniel: "Any more questions?"

Xu Tao shook his head again and again: "No!"

Awesome my boss!

Xu Tao flipped through the itinerary, "Then there will be the premiere ceremony of "Killer" on the day of its release. I have to attend. There may be more people at that time, but the security facilities will definitely be arranged!"

"Free up my itinerary for the day." Daniel said to Cheng Feng.

"Yes!" Cheng Feng quickly took the note down.

Xu Tao: "..."

Boss, if you go there then, the scene will be even crazier, okay?

Next, Xu Tao reported Selena's itinerary one by one, while Daniel compared Selena's itinerary and took all the time out.

Selena wanted to say a few words at first, but in the end she gave up struggling.

Xu Tao talked here for a long time, Selena felt sleepy, squinted her eyes and yawned.

Daniel yelled to stop almost immediately, "Sleepy? Go to sleep for a while."

Selena rubbed her eyes, "But I have a meeting later."

Xu Tao nodded, "Boss, the company will have a meeting later."

Daniel walked up to Selena directly, "Go to bed, I'll help you drive."

Selena laughed, "Pfft, why are you driving it for me?"

Daniel: "Is there a rule that family members are not allowed to help with meetings?"

Xu Tao: "It's not..."

Even if there is, what the fcuk you are a **** oss, who can say anything if you want to change the rules?

Xu Tao's face was bloody from being abused like this. He was about to go to the company group to complain, but found that everyone was like him, and they had all been abused once...

Then in the next meeting, everyone was abused again by the **** boss who took the place of the proprietress...

Saul and Louis who didn't quit the company group in time: "..."

Shengsheng was thrown another mouthful of dog food!

In the end, Saul's plan to run away from home undoubtedly died because he was arrested by his mother to help arrange the wedding.

As for a certain golden retriever, he could hide from the first day of junior high school, but not the fifteenth day.

On the day of the wedding, you still have to obediently come back and eat this pot of golden dog food.

To avoid being disturbed by the outside world, Selena and Daniel's wedding venue was set on a small island under Daniel's name.

There is a fairytale-like church on the island. Daniel personally designed the blueprints and completed the construction two years ago. The style of the entire island is also extremely romantic.

Anyone who is interested can see that this entire island is completely built and arranged for the wedding.

"Is everything ready? No! It's not this pair of earrings, it's for the toast. What about the pair of pearls?"

"Here, I'll help put it away!"

In the room, Travis and Ning Tianxin have been busy with Selena since five o'clock in the morning. Although everything has been prepared in advance, when it comes to that day, there are too many things to do, so it is inevitable that there will be some chaos.

In addition, Selena was still pregnant, so she had to be more careful in everything.

Outside the door, Daniel strode in. The man was wearing a wedding dress with a corsage with the groom's logo on his chest. He was dazzling.

Chapter 2156

As soon as he entered the door, the man frowned and looked at his tired wife, "Is it okay? Otherwise, the wedding will be postponed?"

What time is this, a guest from an island outside, he said it will be postponed?

Selena sighed, "My dear, when will you be able to calm down?"

Daniel leaned over, his wife in a wedding dress was reflected in his eyes, his wife was more beautiful than ever, "I can't calm down, thinking of you are pregnant with my child now, thinking of being able to marry you..."

Selena smiled lightly, "Kiss me."

How could Daniel refuse such a request, he leaned over and kissed the girl's forehead.

Selena smiled, "It's all right now, I'm not tired at all!"

As soon as Saul opened the door, he saw the dog abuse scene, and burst into tears, "Brother, are you alright? The guests are waiting outside!"

"Have my senior brother and third senior sister arrived?" Selena asked hastily.

Saul shook his head, "I don't seem to have seen anyone."

"Oh." Selena looked a little disappointed.

She had contacted Kevin and Feng Xiaoxiao before. Kevin and the others didn't know where they were floating in the sea, and their schedule was uncertain. Feng Xiaoxiao was on a mission, so she might not be able to come.

"Don't worry, they will come." Daniel rubbed the girl's head.

Almost at the moment when Daniel's words fell, there was a loud roar of propellers outside the window, and a helicopter was slowly descending from the sky. Before the helicopter had completely landed, one of them jumped down neatly, and immediately turned over from the window Come in.

The visitor has a hot body, long wavy hair, and a heroic posture, "Baby..."

"Third Senior Sister!!!" Selena was immediately surprised.

As soon as Feng Xiaoxiao saw Selena, she started complaining, "Dmn it! Junior sister, your man is so good, he just sent someone to kill my old lady's mission target, and then put me in the helicopter, I'm so fcuking They were all ignorant, and thought they were cheated! But the other party told me that they invited me to your wedding! It's so exciting!"

Selena immediately glanced at Daniel with black lines all over her face, "Uh..." She thought Daniel said they would come just to comfort her.

Feng Xiaoxiao walked over and gave Selena a big hug, "Happy wedding, baby... You are so beautiful today!"

"Thank you, Senior Sister..." Selena's chest was filled with warmth.

She doesn't have many friends, but each of them is extremely important to her.

After a short rest, Selena and Daniel went outside to welcome the guests.

"congratulations!"

"Congratulations, both of you!"

There was a sound of congratulations, relatives and friends of Selena and Daniel, Xu Tao, Liang Feixing, Qin Shuang, Qin Mufeng, Louis, Mo Lingtian and others arrived one after another.

“Selena, where’s your corsage?” Suddenly, Ning Tianxin looked at Selena’s chest and asked in surprise.

Selena looked down, “Uh...he was still there just now!”

“Maybe it fell on the road, but it’s okay, there is a spare in the house, I’ll go find it.”

Ning Tianxin hurriedly returned to the house to get the corsage.

Because he was walking in such a hurry, when he reached the corner of the corridor, he accidentally bumped into the arms of a person who smelled of tobacco.

Ning Tianxin hurriedly lowered her head and apologized, “I’m sorry...”

As a result, the person who was hit by her was silent.

Ning Tianxin raised her head, and was stunned for a second.

The smoke from Mo Lingtian’s fingertips fell to the ground, and he looked at the girl in front of him with a dazed expression, “Tianxin...”

Chapter 2157

“Selena lost her corsage, I’ll go get her a spare, why... are you here alone? Everyone is in front.” Ning Tianxin said.

Mo Lingtian suddenly came back to his senses, “I...they made a fuss too late last night and didn’t sleep well. I’ll find a place to rest.”

“Upstairs is the guest room.”

“Ok.”

Then, there was nothing else to say.

“Then I’ll get to work first.” Ning Tianxin nodded slightly, then walked past him.

The girl didn’t know how long it had been since she left, but Mo Lingtian still stood there blankly, recalling the girl’s voice and expression when she spoke to him just now...

She is really... Let it go...

This is... very good...

Seeing that the wedding was about to begin and Selena was making final preparations in the dressing room, Karl pushed the door open and walked in nervously.

“Junior Sister, look who is here hahaha.....”

Selena looked behind Karl suspiciously, and the next second, her eyes lit up, “Great God!!!”

In addition, there is a girl beside Han Xiao. Although the girl’s dress style and temperament are very different, she can still be recognized at a glance...

“Annie...”

“Happy newlyweds.” The girl seemed unfamiliar, but there was a hint of familiarity between her brows.

“Thank you.” Selena didn’t know what to say for a while, although the person in front of her was still Annie, it was obviously not Annie.

“I’m sorry...” the girl lowered her eyes, “I just remembered everything not long ago. Although I lost my memory, I did do something to hurt you.”

Karl hurriedly tried to smooth things over, “Hey, grandma, today is such a happy day, so don’t mention those unhappy things...”

Selena also said, “Just let the past matter pass by! As long as you are on good terms with the Great God!”

Knowing that Annie had recalled everything, Selena was somewhat relieved.

“Hey, You Ge, when are we getting married?” Han Xiao who was next to him suddenly said.

The girl’s tone was cold: “Didn’t you say that weddings are mundane and troublesome, and you don’t even think about it in this life?”

Karl and Selena: “...”

My God, your EQ is worrying! How can you say such things to a girl?

A certain great god suddenly looked innocent, “Hey? Did I say that? Didn’t I say that weddings are mundane and troublesome, and other than you, other women should not think about it in their lives?”

Karl and Selena: “...”

Great God!

God we were wrong!

...

Amidst the sound of waves hitting the beach, church bells rang, and a solemn wedding march sounded.

The wedding officially begins.

All eyes are on the admirable couple.

At the table, Saul’s eyes were full of tears, “Oh, I’m so touched! My brother has finally waited for this day!”

Louis stuffed a pack of tissues in disgust, “Don’t worry about yourself, Second Uncle! As soon as everything on Uncle’s side is over, we will be forced to marry!”

Saul: “...”

I’ll run away from home as soon as the wedding is over!

At the very end of the church, no one noticed that there was a flash of white hair.

The man changed from his previous casual attire to an extremely formal suit, his hair was neatly pulled behind his head, and he held a bouquet of flowers in his arms.

At this moment, he was quietly watching the girl walking towards the priest step by step with another man...

bouquets... dress up and attend...

But just to miss it...

The man looked a little impatient, and casually threw the flowers in his hand to the man beside him, "Tsk, trouble, who stipulated that wedding gifts must be given? Send the batch of goods we just grabbed!"

Kevin: "...Yes."

The batch of goods that he just snatched are obviously all the treasures he has scoured over the years.

Like a giant dragon guarding a treasure, but at this moment he gave away all his best.

This man who never knew what love is, finally understood because of a girl.

The wedding march came to an end, and a couple of newlyweds stood in front of the priest.

"Mr. Daniel, are you willing to marry Ms. Selena as your wife? Are you willing to love her and be loyal to her, regardless of poverty, disease, or hardship, never leave her, and stay with her for the rest of your life until death?"

"I would."

"Bride, Ms. Selena, are you willing to marry Mr. Daniel? Are you willing to love him and be loyal to him, regardless of poverty, disease, or hardship, never leave him, and stay by your side until the end of your life?"

Selena quietly looked at the man in front of her, at the man who insisted on giving her body when they first met, at the man who would always be by her

side no matter what happened, at the man who wanted to be with her even if there was only one person. The man who fulfilled his oath to marry her...

fine...

Fortunately, this time, I didn't leave you alone.

Tears rolled down the corner of the girl's eyes, her tone was unprecedentedly solemn, as if she was giving her life: "I am willing."

The full text is over.

This time it's really the finale, my dears, I won't tell you that I cried while writing this chapter!

Chapter 2158

Open a single chapter to explain your doubts.

Why are there so few scenes between the male and female protagonists in this book, and why are there so few male protagonists?

Everyone can pay attention, is there less rivalry between the hero and heroine in the early stage? Is there too little lead role? Before the male and female protagonists got together, they were all based on the emotional line, so the male and female protagonists had a lot of roles in the early stage. However, after the male and female protagonists got together, both sides communicated with each other. This is another sweet pet article, the male and female protagonists There is no abuse and no contradiction in the whole article, except for the occasional sprinkle of dog food, there is really nothing to write about. The later stage will naturally focus on the plot line and the heroine.

In the finale, the old man didn't show up, the Ning family didn't show up, so what... all the things that should have appeared must have appeared, but with so many guests, I can't write about everyone...

I feel that there are a lot of gaps that have not been filled, but there are some. After all, there are inevitably omissions in the text of more than two million words, but regarding the supporting roles, it is impossible for every supporting role that appears in the text to write about getting married and having children, and every supporting role must be given to him. Conceive a complete story, unless it is a particularly inspired pair looking back.

Little Koi will always be a happy single dog in everyone's mind, isn't it? Yun Shen, if I really arrange a CP for him to make him fall in love with other women, can you accept it?

The only thing in the article that makes me unsure whether to write it is Tianxin. After all, for Mo Lingtian, everyone has too much dispute. When I write it, I think you will strangle each other to death, so I temporarily left it open. ending...

In the end, I feel that there are too few endings written, only dog food. I can only say that the finale is over, and the important plots are all finished. There is really nothing to write except sprinkle dog food. I have to write almost every book. A wedding, I have written countless weddings so far, forgive me for not being able to write flowers (T o T).....

In fact, this book ended when the war ended. The biggest meaning of the so-called wedding is to give everyone a happy ending.

Chapter 2159

After the wedding, the guests left one after another.

But it's not over yet, Feng Xiaoxiao got drunk, and went straight to the bridal chamber with a large number of friends from the bride and groom's side.

So, when the groom's officer, Daniel, arrived at the door, he saw seven or eight girls, headed by Feng Xiaoxiao, standing there smiling.

Feng Xiaoxiao folded her arms around her chest, and said with a smile, "I'm sorry, Mr. Lu, we are all from the natal family of the junior junior sister. If you want to enter this bridal chamber, you must first pass our test!"

Lu Xinyan next to him immediately echoed, "That's right! It's not that easy to snatch our male god away just like that!"

"Agree." It was Anne who spoke.

"I'll go! Annie, why are you making trouble with the third child!" Karl on the opposite side was speechless.

Saul was also speechless, "And Xinyan... you shouldn't be on our side?"

Lu Xinyan stuck out her tongue, "Who said that, I'm on my cousin's side!"

Now, Feng Xiaoxiao has a total of eight girls, including Travis, Ning Tianxin, Annie, and Lu Xinyan, all of whom are Selena's bodyguards and brainless fans. It was Saul, Louis, Karl, Mo Lingtian, Qin Mufeng and others.

"What's the test?" There was a lazy smile in Daniel's slightly drunken eyes, probably because he was in a good mood, he didn't care about their nonsense at all, and completely let them go.

Feng Xiaoxiao rolled her eyes, and then said, "There are three tests in total! You have to pass all three tests before you can embrace the beauty!"

"What's the first level?" Saul asked warily.

Feng Xiaoxiao hummed, with a sinister look on her face, "The first level is called guessing. We will give you three questions for you to guess. If you guess correctly, you will pass. I will come to the first question first. Please guess it. What am I thinking right now?"

Karl next to him yelled when he heard it, "Dmn it! You're showing too much, third child! Do you know how important a day like today is to a man? I can't stand it anymore!"

Saul frowned, "How do you guess, you can say anything we guess, and you can't be right?"

Louis, Qin Mufeng and others also nodded in agreement, "This question is too perverted!"

"As long as she doesn't want us to answer correctly, then we can't live!"

After finishing speaking, the men looked at Daniel sympathetically.

Feng Xiaoxiao looked smug, "How about it? Don't you just give up at the first level? If that's the case, Junior Sister will belong to us tonight!"

Karl immediately said, "You're thinking of a man!"

Feng Xiaoxiao really waved her fingers: "Wrong guess!"

Saul: "Are you thinking of getting married?"

Feng Xiaoxiao: "Wrong!"

"fcuk! Qin Mufeng, come here! Aren't you a psychiatrist?"

"What's wrong with the psychiatrist? Even if I can read minds, if I'm right, if she refuses to admit it and insists she's wrong, then I'm fine!"

"Then what should I do! This is the first question and it's so perverted..."

At this moment, Daniel, who had been silent all this time, lowered his eyes and said slowly, "What you're thinking about right now is not to let me in."

Feng Xiaoxiao smiled triumphantly, and was about to subconsciously continue to say "wrong", but when she realized what Daniel said, she froze.

"Dmn! Mr. Lu! You are too insidious, aren't you?" Feng Xiaoxiao collapsed.

If she said that he guessed wrong, wouldn't it mean that she wanted to let him in! The latter checkpoints are no longer available, and she has to let him in directly.

If he guessed right, he has to pass this question...

Saul burst out laughing, "Hahaha, you're amazing, my brother..."

Feng Xiaoxiao was so angry that she gritted her teeth, and could only say, "You are cruel! You guessed it right!"

Chapter 2160

"Who else! Who will come up with the second question?" Karl asked excitedly.

Feng Xiaoxiao glanced at the girls and picked Travis, "Ke'er, come on!"

"Ah... Me?" Travis walked out hesitantly, with a somewhat embarrassed look on her face, "Wait for me to think about it!"

After thinking for a while, Travis said, "Well, my question is, what kind of dress did Selena wear when she participated in the Golden Palm Awards?"

Daniel replied without thinking, "Nirvana series, red sunset model."

Travis nodded, "That's right."

Feng Xiaoxiao was dumbfounded, "Is this over? Ke'er, you are too soft-hearted! The topic is too easy!"

Karl complained with a dark face, "Why don't you say that you are too perverted? Do you think every girl is like you?"

Travis said helplessly, "Actually, this question is not easy. Even Selena's die-hard fans, some of them can't remember every outfit and the exact series name that Selena attended the event so accurately."

Feng Xiaoxiao had no choice but to admit it.

Now there is only one question left for the first level, so we must be cautious.

Feng Xiaoxiao looked at Ning Tianxin at the side, "The third question, guess which painting is Tianxin's favorite! You must guess right once!"

Karl immediately protested, "This is too much! How is it different from the first question! And there is no way to solve it!"

Feng Xiaoxiao gave him a blank look, "Don't worry, I won't bully you! This time I will ask Tianxin to write the answer in advance, as long as you guess correctly, I will definitely give it to you!"

Saul muttered, "That's hard to guess, okay?"

Feng Xiaoxiao raised her eyebrows, "Please! Don't you look at who is in the room now! The number one beauty in Huaguo, the goddess of the people! This difficulty is all for you, okay?"

Daniel nodded in agreement, "Yes."

Saul: Bro, which side are you on?

With such an unprincipled brother, he really broke his heart!

Helpless, Saul had no choice but to ask Qin Mufeng, "Hey, Doctor Qin, you know this beautiful sister best. You must know which painting she likes the most, right?"

Qin Mufeng also looked a little embarrassed, “I’m glad to know that Tianxin likes Monet, but there are so many Monet’s paintings, I’m not sure which one she will write!”

Saul’s face suddenly became sullen, “That’s too bad, even my brother can’t help with this kind of problem, right?”

“It’s time! Have you discussed it yet?” Feng Xiaoxiao walked forward holding a small piece of paper on which Ning Tianxin had written the answer.

“Hurry up, hurry up, have you thought about it?” Saul and the others urged.

Qin Mufeng was in a state of desperation, this was related to the sexual fortune of a certain great demon king, if he messed up, wouldn’t he be dead?

“Sunrise impression? Lunch on the grass? Or water lilies? Water lilies seem to be more likely...but I’m really not 100% sure...” Qin Mufeng approached Ning Tianxin helplessly, “Tianxin, can you reveal a little clue? Is it?”

Ning Tianxin looked puzzled, “This...”

Feng Xiaoxiao immediately separated the people, “What are you doing? Refuse to be seductive and seductive! Be polite! The countdown is ten seconds, and if you don’t give an answer, you will be considered as losers! Ten, nine, Eight, seven, six, five, four, three...”

“Wait, wait! Let’s think again!”

“Can’t I really give you a little clue?”

At this moment, a man’s slightly hoarse voice suddenly sounded in the noisy crowd...

“Zero’s “The Cage”.”

The one who spoke was Mo Lingtian.
