

Cruel Heart Lover Novel

Chapter 22

"Brother, you can't go on like this, why don't you ask Selena to come over?"

"Don't bark." Daniel reprimanded coldly.

Saul persuaded him earnestly, "Brother, Rick is still a child, and he's not your subordinate. You're too strict with him, so what if you get used to him a little bit? How can a child not be self-willed and play around?"

"It's not your turn to comment on my education methods." Daniel's face was frosty, and it seemed that he had made up his mind that he would never encourage Rick's bad habit of playing around to achieve his goals.

Saul was in a dilemma between the father and son, it was a real headache.

If the matter gets serious and the second elder is alarmed, if we go deeper, it is very likely that the matter of him taking Rick to the bar will be exposed.

God, come and save him!

Taking advantage of Daniel's pursuit of Rick, Saul quickly took out his phone and secretly dialed Selena's number...

In the evening, Selena was reading the script at home while chatting with people on the Internet.

Demon King: Selena, can you change your non-mainstream QQ name? It's so hot!

Selena: Doesn't the dirty demon king have hot eyes? Do you mind talking about me?

Demon King: Cough, I'm going back to China next month, pick me up at the airport!

Selena: No, I don't have time.

Demon King: Come pick me up!

Selena: I've already said that I don't have time!

Demon King: Are you coming or not?

Selena: The other party doesn't want to talk to you and throws a dog at you

Demon King: The other party caught your dog and gave it a big meal

Selena: A dog's heart expresses that it feels like a needle prick

Demon King: fcuk! Why are you dirtier than me! Also, who the hell is a needle!

Selena: You did it first, so I won't talk to you anymore, I still need to read the script.

Demon King: It's just a female second, what's so interesting about it! Anyway, it's a good time for us, do you really want to be so unfeeling?

Selena: There are a sea of people who have had a good time with me, who are you?

The Demon King: Selena! You wait for me!

Selena turned off the computer and concentrated on reading the script.

After watching for a while, the phone rang suddenly, it was a string of unfamiliar numbers.

She was worried that it was the crew's call, so she answered it immediately.

"Hey, Selena, help!!!"

"You are..."

"I, Saul, hurry to the Platinum Emperor Palace, something happened to Little Treasure!"

"What? What's wrong with Little Treasure?" Selena's heart tightened immediately.

"Anyway, it's extremely urgent, so hurry up and hurry up... Brother, calm down... The child is still young... Rick, Rick, you can't fall... ah..."

Saul spoke so seriously, and Selena became even more nervous when the sound of things knocked down and shattered came from the phone from time to time. She hurriedly changed her clothes and replied, "I'll be right over!"

She didn't know what was wrong with herself, and she couldn't sit still when she heard that Rick had an accident.

We've only known each other for a few days, but I can't let go of it all the time.

It's quite far from the Platinum Emperor's Palace here, and it will take at least 40 minutes by taxi. Selena was worried that something might happen after such a long time, so she pushed her motorcycle out of the garage and drove over at lightning speed.

Selena only took more than ten minutes for the journey that originally took forty minutes.

It should be that Saul greeted the security guards. After Selena reported her name, the security guards let her indirectly. When she arrived at Villa No. 8, there was already a little maid waiting outside the door to guide her.
