## Chapter 28

"Little Treasure's first portrait painting," Daniel said after glancing at the painting in Selena's hand from the corner of his eye.

"Really? That's really an honor!" Selena was very happy.

"What do you want for lunch?" Daniel asked.

It seems that not only living here but also the rhythm of food...

Selena was about to speak when her cell phone rang suddenly.

It was Janice calling.

You don't want to arrange for her to play tricks again, do you?

"Hello, Miss Chang."

"Selena, at twelve o'clock noon, "The World" will hold a launch ceremony, at Pearl Hotel, don't be late."

"What? Twelve o'clock at noon? Twelve o'clock today?"

"Yes, today."

"Sister Chang, why didn't you notify me in advance? It's almost eleven o'clock!"

"Why not in advance, haven't I notified you an hour in advance?"

"One hour, I don't even have enough time on the road, not to mention I have to change clothes and make up..."

"These are your own business, don't bother me, I'm busy now, hang up."

After speaking, he hung up the phone with a bang.

"Chang! I call you uncle!" Selena dropped her phone.

As soon as the words fell, Selena was stunned.

Rick was stunned.

Daniel was also taken aback.

Selena wiped her face, wishing she could dig a hole and bury herself in it.

I was so excited, I forgot that I was still in Lu Zhai, and there were flowers of the motherland beside me...

She had no intention of pretending to be a lady in front of Daniel, but it would be bad if she spoiled Rick.

"Ahem, little treasure, we pretended we didn't hear it just now! You can't scold people like Auntie, because Auntie scolded people just now!" Selena explained solemnly.

Rick blinked his eyes and nodded half-understood.

A smile flashed across Daniel's eyes, "What's wrong?"

Selena gritted her teeth, "The launching ceremony of "The World" started at 12 noon today, but it was almost 11 o'clock, and my manager called to inform me that it would take at least 50 minutes to get to the Pearl Hotel. Should I show up without makeup?"

“Why not? You don’t have enough makeup.”

Selena was stunned for a moment, she didn’t expect Daniel to be so good at talking, she scratched her head in embarrassment and said, “Hey, Master Xie Xiao praised... But I still need to put on makeup on this occasion out of politeness, the most important thing is that There will be no suitable clothes for a while, and then there will be so much media, ah, ah, it will annoy me to death...”

“Wait a minute.” Daniel raised his hand to signal her to be calm and then took his mobile phone to the yard to make a call.

Ten minutes later, a man arrived panting.

“Mr. Lu, you brought all the things you asked for. Do you want to start now?” The visitor was wearing ripped jeans, a gray cotton and linen top, and a signature dark blue earring on his left ear.

Selena was surprised to find that the visitor turned out to be a familiar face.

Of course, a familiar face meant that Selena knew him, but he didn’t know Selena.

Arthur, the queen stylist of actress Su Yimo, is the magician under Shengshi Entertainment who turns decay into magic.

It’s her who a little Xiami can only watch from afar!

“Who is this?” Selena was suspicious.

“You don’t know him?” Daniel asked.

“Of course, I know the famous Arthur! But what do you mean by calling him over...”

"Of course, I'm styling you," Daniel said in a natural tone.

Selena's hair was covered with black lines immediately, she went to her ear and lowered her voice, "You...you actually let someone from Shengshi Entertainment do my styling? Did you make a mistake? Don't you know that I am an artist from Star Entertainment? Shengshi Entertainment You and Empire Entertainment are rivals!"

"So what?" Daniel had a domineering CEO expression.
