

Cruel Heart Lover Novel

Chapter 561

When Ning Zhiyuan opened his mouth, several old men around him all echoed and laughed.

"The boss is not kind, just tell everyone you meet! It was given by my grandson, and I begged Master Xuanjing to consecrate it. I have been begging for several months. We can hear the filial piety in our ears!"

"Knowing that Lao Ning admired Master Xuanjing the most, he asked for it many times but failed, yet he showed off in front of him vigorously!"

"Hahahaha... Today is Lao Ning's birthday anyway, so stop irritating him!"

...

"Is this Buddhist bead that Master Xuanjing consecrated so hard to come by?" Hearing the discussion of the old gentlemen, an uninformed man in the crowd murmured suspiciously.

Upon hearing this, Xi Boyi immediately said seriously, "Of course, Master Xuanjing is a truly eminent monk, and he easily refuses to give consecrations to others. Even if you have the money to donate as many bodhisattva golden bodies, you still have to be sincere. The most important thing is that it must be a predestined person! These pearls that have been enlightened are hard to come by! Isn't it a priceless treasure!"

Although Xuan Jing is too low-key, not many people know him, but those who are a little older and experienced still know it, and they are full of awe when they hear this.

"It's really hard to find! It is said that the person in the province went there in person, but he couldn't find it!"

"Let's not talk about sincerity. The most difficult thing is the predestined person. This is illusory. Who knows what is the predestined person?"

"It's just too difficult, that's why it's even more rare! Otherwise, how could Lao Xi have been so long? I'm going to use it as a family heirloom!"

"The most important thing is that it is very effective. Before, Lao Xi was so sick... Hey, no, why did Lao Xi suddenly mention this? Wasn't he looking at Lao Ning's string of beads?"

...

Amidst the whispered discussions, Xi Boyi stared at the string of beads Selena gave him for a long time before finally returning it to Ning Zhiyuan, then looked at Selena meaningfully and said, "Little girl, in order to consecrate this string of jade Buddha beads, you didn't take too much trouble, did you?"

Hearing what Xi Boyi meant, the string that Selena sent to Mr. Ning was actually consecrated by Xuan Jing?

This...how is this possible?

Since it's so hard to find, how can Selena, a wild girl from the countryside, do it?

Selena: "..."

After hearing so much, she didn't understand a word.

This old gentleman, is he sure it's her string of beads that he's boasting to heaven?

She said that she bought it at Baoyuxuan for less than 150,000 yuan, and she didn't know what Master Xuanjing was, would he believe it?

Ying Fanglin whispered disdainfully to Susie beside her, who was not looking well, "It's just a bead consecrated by a monk. What's the fuss about? It's also a priceless treasure?"

Susie bit her lip, and shook her head sadly, "Fang Lin, don't say that, grandpa admires Master Xuanjing very much..."

This is also the reason why Ning Yaohua and Zhuang Lingyu believed Long Fanyin's words at the beginning, but the old man didn't take it too seriously. The old man doesn't really believe in Long Fanyin and his ilk.

Therefore, even if she was unwilling in her heart, because Mr. Ning admired Master Xuanjing very much, she couldn't say it clearly, otherwise wouldn't it be a slap in the face of Mr. Ning?

Seeing Susie calm down, Ying Fanglin couldn't stand it anymore, "Susie, why are you so easy to bully? Let me help you get justice!"

Ying Fanglin wanted to defend her, but Susie's eyes flashed a glint of success, and she made an even more sad expression. Ying Fanglin was the most brainless person, and she was very easy to use.

Chapter 562

For example, on today's occasion, neither Zhuang Lingyu nor Ning Yaohua is appropriate to speak out. It is best for an outsider like Ying Fanglin to say a lot of things...

Sure enough, Ying Fanglin immediately said, "Even if it was consecrated by that master, can't you buy some good beads to consecrate it? Such a cheap

thing for the old man to wear on his body is not in line with the old man's status!"

At this time, Xi Boyi finally couldn't listen anymore. He didn't want to argue with the younger generation, so he said directly, "Hehe, little girl, this string of beads is not good enough? If you have to tell me the price, then I can tell you. You, this string is much more expensive than Susie girl's string!"

"What? Susie spent two million on this string!" Ying Fanglin's eyes widened and she blurted out.

Even Susie, Jin Xuanxuan and the others showed incomparably surprised expressions, not to mention Zhuang Lingyu and Ning Yaohua, their first reaction was, this is impossible! Where did she get so much money?

Xi Boyi explained with a firm expression, "This string of Xi girl's is also the top-quality old pit glass variety. What's more rare is that so many beads are all taken from a single stone, and the color is very uniform and complete. Naturally, the price is higher than that string!"

Ying Fanglin frowned, "Mr. Xi, did you see it wrong?"

Before Xi Boyi's face changed, Ning Zhiyuan couldn't help it anymore, and said with an unhappy expression, "Little girl, don't talk nonsense, how could Mr. Xi be wrong? Susie's one is indeed more expensive."

He just didn't want to embarrass Susie, so he didn't say it. Who knows that these ignorant girls have been talking nonsense, so he had no choice but to explain.

Unexpectedly, even Mr. Ning also spoke. Now, everyone will believe it if they don't believe it!

"Uh... I really didn't expect... This adopted daughter's gift is actually more expensive than Miss Ning's! This is really a big oolong!"

"It's really embarrassing, the same gift, but everything is compared by an adopted daughter..."

"Tsk tsk, it seems that we all underestimate this country girl! I haven't seen you for five years, it's incredible!"

"Actually, I wanted to ask just now. Is this really that country girl from back then? It wasn't you who said, I almost didn't recognize her before! She looks so pretty now!"

"Isn't it? Back then, no matter how beautifully dressed she was, she was too timid to get on the stage, but now she has the aura of a young lady!"

...

Now, Susie's expression completely changed.

Selena's string was not only consecrated by Master Xuan Jing, but...the price is even more expensive than hers?

how can that be! Didn't the female artists who chatted last time saw Selena buy a string of Buddhist beads worth more than 100,000 yuan?

What went wrong?

Dmn it, she tried so hard to design this scene, and the one who made a fool of herself in the end...it was all herself! ?

Regardless of her intentions or value, she lost everything completely, and even made Selena shine!

Xi Boyi patted Ning Zhiyuan, and sighed, "Hey, Zhiyuan, you are really lucky! No wonder you want to adopt this girl, she is indeed a good girl with filial piety! The most important thing is... to let Master Xuanjing Consecration, what

a blessing! By the way, Zhiyuan, how old is your granddaughter? What does she belong to? She should be about the same age as my grandson, right?"

Ning Zhiyuan was stroking the string of Buddhist beads fondly, upon hearing this, he immediately showed a vigilant expression, "Old guy, what do you want to do? Are you thinking about my granddaughter?"

Chapter 563

What adopted! This is his granddaughter!

"You old guy, how can you call it an idea? My grandson is dignified and filial. If it weren't for the fact that this little girl looks like a symbol and is as blessed as my grandson, I wouldn't be happy!"

"Hmph, you also know the sign of my granddaughter! Can ordinary boys be worthy of it? Show me the photo of your grandson first!" He had seen Xi Boyi's grandson before, but it was several years ago. Who knows if it is crooked now.

"Just post it! I'm afraid you'll hit my grandson after seeing it!"

Selena: "Uh..."

Why did the topic suddenly go in that direction?

Do old people's brain circuits jump like this?

Probably not, but when old people get together, 80% of them will bring up this topic in the end...

No, that's not the point, the point is, how did her good-looking 150,000 Jade Buddha bracelet with a 20% discount become a priceless treasure consecrated by Master Xuanjing for more than two million?

Wanbaoxuan...

Then the clerk who suddenly changed his attitude...

She seems to understand something...

Could it be...

"How about Lao Ning? Is my Shiqing a good-looking talent?" Xi Boyi looked smug.

Ning Zhiyuan looked at the handsome and elegant man in the photo, his eyes lit up, but he still didn't let go, "You can photoshop photos these days, I can't believe it!"

Xi Boyi was so angry that he simply said, "Hey, you old guy, since you don't believe me, next time I'll call someone out and show you the head office in person, shall I?"

"That's about the same!"

...

Just when Selena was in a daze, she was set on a blind date for no reason.

"What is this called? Grandpa...Grandpa, calm down...that what...I..."

Reluctantly, the two old people were already chatting about the details of meeting when the time came, and they couldn't hear her at all.

Seeing Selena's dumbfounded expression, Ning Tianxin beside him burst into laughter, "Actually, Mr. Xi's grandson is pretty good, you can meet him."

Selena rubbed her forehead and said, "How can I have such thoughts now!"

Ning Tianxin heard a hint of worry lingering on her brows, "Selena, are you still unable to let go of Roman?"

Said Cao Cao, and Cao Cao arrived. At this moment, a servant came in happily outside to announce, "Master, my uncle is here!"

Everyone's eyes suddenly turned to the door...

"Uncle? Who is it!"

"Who else is there? Susie is the only lady engaged in the Ning family, and naturally it is Roman, the young master of the Su family!"

While speaking, everyone saw a handsome man in a black formal suit walking in from the door, followed by an assistant who was holding a rectangular box in his hand.

Seeing someone coming, Ying Fanglin excitedly pushed the person beside her, "Susie, your husband is here, hurry up!"

"Don't talk nonsense, that's not it!" Seeing the handsome and charming man in front of him who made everyone admire him, Susie's heart beat faster, and she was thrown into the clouds because of the little unpleasantness of the gift just now.

Jin Xuanxuan also teased, "You agreed to his marriage proposal, didn't you?"

Ying Fanglin didn't even blink her eyes, "My God, your Roman is getting more and more handsome!"

Susie's face was rosy, she said something to the two of them, and then walked towards Roman with graceful steps, "Roman, you are here!"

Chapter 564

"En!" Roman gently took the girl's slender hand.

The two looked at each other and smiled, eyes full of affection for each other, then they walked towards Ning Zhiyuan together.

The two of them, one in a black suit and the other in a white long skirt, were incomparably matched, and immediately became the focus of attention of the audience.

Both Zhuang Lingyu and Ning Yaohua showed extremely gratified expressions.

Mr. Ning was naturally very satisfied with Roman, his grandson-in-law, and said kindly, "Roman is here!"

Back then, due to Selena's identity at the beginning, the Su family did not approve of her dating Roman. Although she returned to the Ning family, the Ning family never announced her identity, so Selena and Roman kept dating secretly until she was pregnant, and she couldn't hide it anymore, so she told her family about her relationship with Roman.

At that time Roman lost contact abroad, Zhuang Lingyu did not easily believe Selena's words, and ordered her to stay at home and not go anywhere, and before Roman came back, no one was allowed to find out that she was pregnant out of wedlock, so, Even the old man didn't know that Selena was pregnant with a child.

At that time, Ning's international business was not stable, and the old man didn't spend much time at home. He only knew that Selena had a serious illness and went abroad to study, and Roman, who often came to play at home, started dating Susie... ..

"Grandpa, happy birthday!" Roman took the long gift box from the assistant and handed it over with both hands.

The old man smiled and nodded, "Good boy!"

Roman gave the old man a pair of famous calligraphy and paintings, which was priceless, not to mention Selena's jade Buddha bead bracelet, he compared all the gifts in the audience, and all the guests in the room clapped their tongues.

"The Su family is really generous! Any birthday gift is an antique!"

"With the current power of the Su family, it is absolutely possible to find a young lady with a better family background. Why did you decide that Susie is gone?"

"You don't know this. It is said that Miss Ning's horoscope was calculated by Master Long himself, and she said that it was the fate of Wangfu Xing's family. How many people came to propose marriage back then, but it is a pity that Miss Ning has already agreed to the Su family. !"

"Oh, Master Long, I know! I heard it is very powerful! Actually, I wanted to ask just now, who is the Master Xuanjing they have been talking about! I have never heard of it, okay? The most famous person in the circle now, isn't it Long Fanyin?"

"Of course it's Long Fanyin. It's just that the old man still believes in those eminent monks from famous temples. In fact, their thinking is too old-fashioned, and the real masters are all among the people!"

...

Seeing Roman's appearance, Ning Tianxin was immediately nervous. She had a delicate mind and had discovered the relationship between Selena and Roman back then. Now she was worried that Selena would be irritated when she saw Roman.

Just as she was about to comfort Selena, Roman and Susie had already walked towards them.

Roman looked at Selena and smiled, "Selena, you're here too! Grandpa must be very happy!"

"Yeah." Selena nodded slightly, with no emotion on her face.

"How are you doing recently?" Roman asked concerned.

"It's okay."

"Selena, when do you have time, let's get together, I..."

Just as Roman was about to say something, Zhuang Lingyu hurried towards them. Seeing Selena talking to Roman, she urged her with a defensive expression, "Susie, Roman, I've been looking for you everywhere. , Why did you come here, hurry up and greet the guests!"

"Understood, Mom, that sister, we'll excuse you first!" Susie glanced at Selena out of the corner of her eye, showing an incomparably smug look because of Zhuang Lingyu's protection.

Chapter 565

Right now, the banquet hall was even more lively. Indeed, many distinguished guests came, some of whom Selena knew.

The one who was chatting intimately with Susie was Li Leling, whom she met at the audition in Los Angeles last time, and next to her should be her mother, Guo Hui, the chairman of Lingtian Clothing. Ning Yaohua and Zhuang Lingyu were warmly entertaining her.

As more and more guests came in, almost every one of them chatted happily with Susie, and the guests looked at Susie with more and more unusual eyes.

"This young lady of the Ning family is really capable, she has such a wide network at such a young age!"

"Hey, people are more popular than people. The incompetent guy in my family is always arguing to be a star, but after so much money is thrown into it, there is no sign of it! It's not like someone else, who is talking about business and starting a company!"

...

A servant welcoming guests outside the door suddenly stumbled over, "Eldest young master, eldest young mistress...outside...outside..."

Ning Yaohua straightened his face, "What's going on outside? What do you look like in such a panic!"

The servant was full of anxiety, "It's not...Master! There are... VIP guests outside! VIP guests!"

Ning Yaohua still had a displeased expression on his face, "What kind of distinguished guest, are you panicking like this?"

With the current status of the Ning family, no matter how prestigious the guests are, they don't have to be so nervous and lose their status for nothing.

In the corner, seeing the servant's devilish expression, Selena was a little curious. Which dragon ladder did Susie climb on?

The servant explained incoherently, "Just now...just now a car suddenly stopped at the door...but the people in the car didn't get off immediately, it just stopped there. I didn't pay much attention at first, but that car It was very expensive at first glance, so I subconsciously looked at the license plate, and found that it seemed to be... the Lu family's car!"

As soon as the words were spoken, Ning Yaohua and Zhuang Lingyu changed their expressions, "What? The Lu family? Which Lu family?"

The servant tremblingly said, "Lu... Lu Group..."

"Pfft..." In the corner, Selena spat out a mouthful of juice.

what?

Lu Group?

Could it be... Daniel?

No no no! How could the Great Demon King come here?

"That... Sister Xin, I'll go out and make a phone call!"

Selena was still a little worried after thinking about it, and finally went out and quietly called Daniel.

The phone rang once and was picked up, and then a man's deep voice came, "Hello."

The other end of the phone was very quiet, and it was impossible to tell where the background was.

Selena swallowed, and asked, "Hey...Daniel, where are you now?"

Daniel: "The Ning family, at the door."

Selena suddenly had black lines all over her head, "Ahem...I'll go! It's really you! Why did you come here?"

Daniel: "You haven't come back, Rick is clamoring for you."

As soon as she heard about the little baby, Selena's heart immediately softened, "Oh, I'm sorry, I didn't expect to be delayed for so long, but my side should be over soon, and I will go back as soon as possible!"

Daniel: "Well, we'll wait for you."

Selena: "..."

What she meant was... Let him take Rick back first... In case there is any delay, why didn't she get away so quickly?

Just thinking about how to persuade them not to wait for me, there was a rattling sound on the other end of the phone, it seemed that someone had changed, and then a dying voice came, "Sister-in-law, I waited so long that I was almost frozen to death by the two refrigerators." Ice cubes! When are you going to finish? Hurry up, okay..."
