

Cruel Heart Lover Novel

Chapter 596

Selena stabilized her mind before stepping in.

Probably because of the sound of footsteps, Xi Shiqing paused for a moment with the hand holding the scriptures, and then slowly raised his head.

After seeing the person who came, Xi Shiqing's gaze remained calm and unwavering.

"Master Ning..."

Hearing these three words, Selena almost vomited blood, Nima even came out as a "benefactor", this is really going to escape into Buddhism!

Selena squeezed her brows, sat down cross-legged directly opposite Xi Shiqing, and then sighed a long time, "I said... big brother, what are you doing if you don't agree with each other and become a monk?"

Xi Shiqing: "This is the result of my deliberation. If Master Ning is here to persuade me, then you can go."

"Is it because of me?" Selena asked straight to the point.

Xi Shiqing: "Everything comes from the heart and has nothing to do with others."

Selena took a deep breath, "Then can I ask you the reason for doing this? Why? Even if it's because of what happened last night, even if you like me and find out that I already have someone you like, it's still not enough to become a monk. It's so hard to think about it, it's too unscientific..."

Xi Shiqing: "Everything is just a thought, a thought of heaven, a thought of hell, a thought of life, and a thought of death."

Selena was on the verge of crying, "Master, can you speak humanly?"

She is so scared!

"Ning benefactor, if you feel guilty, then there is no need, this is my own decision." Xi Shiqing said.

"Then what about your parents and your grandfather? You don't care? They have raised you for so many years, and you just went to become a monk without saying a word?"

"Everything has its own fate, my fate with them is over, they still have Shixuan."

Selena remembered that Xi Shiqing had told her that he also had a younger brother.

Nima, he has thought of everything, he is really determined to become a monk, it is not a joke!

"Master, Mr. Xi, Qingqing? Please think carefully about whether you can succeed or not. It's really not a trivial matter to become a monk! Three days, you wait another three days, it's not too late to make a decision after you think it through!" Selena tried to delay count.

"I've made up my mind, benefactor, please go back. After today, benefactor can call my number, Yuan Qing." Xi Shiqing began to see off the guests.

"Yuanqing...fcuk, I'm still tactful! Xi Shiqing! You've made up your mind, don't you?" Selena's eyes were burning with light. This guy obviously looks so easy to talk, why is he so oily? Don't go in!

It really drove her into a hurry and just knocked him out and took him back!

Xi Shiqing's expression remained motionless, like a rock that has been through the years.

Selena talked for a long time until her grandfather called.

Selena went out and answered the phone, "Hi, grandpa..."

"Selena, why have you been away for so long? How is your chat going?"

Selena's face was gloomy for a while, "I'm sorry, Grandpa, I've tried to persuade everything I could, but...it seems to be useless..."

The old man on the other end of the phone let out a long sigh, "Forget it, I expected this result a long time ago, Selena, come back!"

Selena gritted her teeth, "Don't worry, Grandpa, please wait a moment and find a place to rest and eat something. I want to try again."

"Hey, you kid...well...don't force it too much! Wait, your Uncle Xi wants to talk to you."

Chapter 597

On the other side of the phone, Dad Xi changed, "Selena, come back, you don't know my Shiqing, he just looks soft, but in fact, as long as he makes a decision, it will never change, no matter what you do Persuasion is useless."

"Yeah, Selena, don't embarrass yourself. We didn't mean to blame you. This matter has nothing to do with you." Mama Xi also persuaded, lest other girls mistakenly take responsibility on her.

"Uncle and aunt, I understand, I am a person, if I don't hit the south wall and don't look back, let me try again!"

...

After a while, Selena hung up the phone, the expression on her face changing rapidly.

Knocking him out and taking him away is the next best thing to do. If Xi Shiqing doesn't change his mind, he will run out again after taking him back.

So, what to do!

At the same time, under a big tree not far from the temple, a black car parked quietly.

Inside the car, Daniel looked at the time on his phone and frowned slightly.

"Emma, it's been so long, why hasn't sister-in-law come out?" Saul had already come to join his brother.

Daniel opened the car door and walked out, lit a cigarette, obviously feeling a little irritable.

Saul scratched his head and followed out, "It's not a problem to just wait, why don't we go in and see the situation?"

"I can not go."

"Uh...well...you don't seem to be suitable to go...Don't tell me Selena just persuaded her to go back and was stimulated by you to become a monk..." Saul muttered, and then said, "Then I'll go I'll go secretly to inquire about the situation! In case Xi's family puts pressure on my sister-in-law, and my sister-in-law is forced to make some kind of compromise and tell the truth about last night, such as giving Xi Shiqing a chance and agreeing to date him or something, That would be bad!"

Daniel's eyes dimmed, this was what he was most worried about.

Moreover, with Selena's character, if the people from the Xi family were to soften, she would probably do anything to persuade Xi Shiqing to come back.

"Brother, I'll go then. I'll let you know as soon as there's a situation! I'll stop my sister-in-law at critical moments!" Seeing that Daniel didn't speak, it was a tacit consent, and Saul immediately ran in swiftly.

In the car, Rick poked his head out of the car window and held up the writing pad: Dad, do you need Rick's help?

It seems that the little guy has completely voluntarily cooperated after last night.

Daniel looked at his son softly, "Thank you, but you can't help with this matter."

The little bun drooped his head in disappointment.

Outside the meditation room, Selena walked in again.

At the same time, Saul had already found out where Xi Shiqing lived, and hurried over there.

Xi Shiqing saw Selena go and come back, his face remained expressionless as if the only thing left in his world was the scripture in front of him, and the only thing left in his heart was the Buddha. Dedicated to Buddha.

Selena went straight to Xi Shiqing and took the scriptures from his hand.

Xi Shiqing, who had the scriptures taken away, was not angry, and remained calm.

Selena casually threw away the scriptures in her hand, and then suddenly approached Xi Shiqing, pressing one knee on his side, and resting her other

hand on the coffee table beside him, her face was so close that she could almost smell her breath. distance...

Xi Shiqing's thin eyebrows frowned imperceptibly.

Just when she was about to say something, Selena didn't give him a chance to speak, she just pressed his shoulders, pressed him down, and at the same time covered her body...

Chapter 598

Outside the meditation room, Saul had just leaned against the window and peeked in when he saw such a shocking scene.

Sister-in-law actually threw Xi Shiqing down... down... down...

In an instant, Saul was so frightened that he almost lost his wits!

fcuk!

He also said that he should report to his brother immediately if there is a situation, this... how should he tell his brother about this situation!

This is the rhythm of life!

What to do, what to do, is he going to rush in to stop it now?

Aw, the pure-hearted Xi Shiqing, plus the wild and unruly Selena, a classic combination of a monk and a goblin! Did he suddenly feel a weird sense of fit?

Die! If his brother knew that he had such thoughts, he would definitely die without a place to bury him!

Not to mention Selena pounced on Xi Shiqing, her warm and delicate fingers brushed from the center of his brows to his lips, and moved closer to him slowly and painfully...

At this moment, Xi Shiqing was like a pool of stagnant water suddenly encountering a storm, his whole body was tense like a bow stretched to the extreme, his slender fingers were clenched tightly, and his breathing was completely out of rhythm. Seeing that Selena's lips were about to fall, She closed her eyes tightly as if frightened, turned her head slightly, and the roots of her ears were almost red with blood...

However, just when his mind was shaking violently, he heard an extremely cold voice in his ear, "The fate of the world is not over! The six senses are not clean! Xi Shiqing, what kind of family did you come from? What Buddhist sect did you escape to? What kind of monk did you become?" ? Are you not afraid of tarnishing the holy land of Buddhism?"

As soon as the words fell, the hot blood in Xi Shiqing's body suddenly cooled down, and his face was as pale as paper.

Outside the window, Saul's face was full of stars, I'll wipe it! My sister-in-law is so handsome! What an unexpected turn of events! Fortunately, he didn't have the urge to rush in directly, otherwise his sister-in-law's plan would be ruined...

Xi Shiqing opened his mouth, wanting to say something, but in the end, he didn't say a word.

Even when he debated Buddhism with Master Xuanjing, he never lost... But at this moment, he was speechless.

Because he can't control his heart, his emotions, his desires...

Seeing that Xi Shiqing didn't speak, Selena narrowed her eyes slightly, "What? You still don't admit it? Do you want me to continue?"

"No...no need..." A trace of panic flashed in Xi Shiqing's eyes, and his face was full of bitterness, "You are right, I am indeed... six senses are not clean..."

Only then did Selena stand up, and then stretched out a hand towards Xi Shiqing, pulling him up.

Although he knew that his move might be cruel, but to deal with Xi Shiqing's situation, he could only use strong medicine.

At this moment, Xi Shiqing's face had completely lost the calm expression before, and he didn't know how to describe his mood at the moment.

No one understood, even Selena included, why he made such a decision.

He waited for five full years, and suddenly there was such an opportunity in front of him, but before he could fully appreciate it, it suddenly burst into bubbles.

If there had never been hoping, he might not have been so desperate.

I still remember the tearing pain in my heart when I saw the scene of them kissing.

At that time, he had already remembered that this man was Daniel, the president of the Lu Corporation.

Although he only saw it once at Bao Yuxuan's ribbon-cutting ceremony, he would not admit it wrong.

If it was anyone else, he might still have the possibility of competing, but Daniel, it happened to be Daniel...

In this battle, before he even started, he had already suffered a crushing defeat.

Chapter 599

He comes from a wealthy family, and it went smoothly from childhood to adulthood without any twists and turns, and he didn't have anything in particular he wanted, because as long as it was what he wanted, he could get it easily, so that he developed a temperament of not fighting for anything. , life seemed dispensable to him.

He exists in this world, but he seems to be an outsider.

Until Selena appeared...and reappeared five years later...

It completely broke the barrier between him and the world, allowing him to have what he wanted for the first time.

It is precisely because it is so precious that when you lose it, you will be so desperate.

He thought, in this life, he has nothing to ask for anymore.

When he came to Master Xuanjing and asked him to accept him, even Master Xuanjing agreed to shave him.

Because at that time, his state of mind was really empty.

But now, just because of her small action, she pulled him back into this rolling world...

Perhaps, she is really his doom!

On Xi Shiqing's face, there was a trace of resignation and compromise.

Seeing Xi Shiqing's expression, Selena was secretly relieved, knowing that she had succeeded.

"Go home?" Selena looked at him.

"I need to speak to Master Xuanjing."

When Selena heard it, alarm bells rang in her heart, "Then I'll go with you!"

She managed to pull him back, if he chatted with that Master Xuanjing and was taken back again, who would she cry for?

Xi Shiqing originally wanted to say no, but looking into her piercing eyes and knowing what she was worried about, he could only let her go.

Inside the hall.

Master Xuanjing didn't seem surprised at Xi Shiqing's arrival, but when he looked at Selena behind him, his gaze changed slightly.

"Abbot, I'm sorry, but my disciple's karma has not yet been fulfilled, and my mood is uncertain. I feel that I am not qualified to join my Buddhist sect at this time."

Now in front of the master, Selena was actually a little guilty. After all, she was playing tricks on this matter. Let alone Xi Shiqing is not a monk, even if she is a real monk, at a young age, her mood is unstable. There are not many who can resist such a hookup.

Fortunately, Xuan Jing didn't delve into it deeply, and didn't make any reluctance, "Everything has its own destiny, you go."

At this moment, Selena looked at the old monk who seemed to be very advanced at first glance, and was quite curious.

Is this the legendary Master Xuanjing?

The one who consecrated that jade beads bracelet?

Tsk tsk, it's so hard to meet a real person once, if only he could test himself for good or bad, how great it would be!

Uh, let's forget it, what's the difference between asking a master of this level to test good and bad luck, and asking a tuba with a full-level divine outfit to go to Novice Village to kill mobs.

At this moment, Xuan Jing actually took the initiative to speak, "Is there something wrong with the benefactor?"

"Uh, me?" Since Xuan Jing asked, Selena had the cheek to ask, she would be rejected at worst, "Master is really discerning, it's a bit... like this, I've been a little restless lately, I don't know if Master can say a few words?"

When Xuanjing heard this, she sized her up with clear eyes and then whispered a few words to the young monk beside her.

After a while, the little monk brought a pen and paper.

Then I saw Xuan Jing start to write and draw on the paper with a brush...

After finishing writing, Selena picked up the paper and looked at it, her expression froze.

The master was not writing just now, but... drew a flower!

What does this mean?

Chapter 600

Selena wanted to ask clearly, but at this moment a young monk ran over and reminded that the Xuanjing Dharma session was about to start.

Xuan Jing didn't seem to have any intention of explaining, so she said goodbye to her and Xi Shiqing and left.

Selena could only turn to Xi Shiqing with a confused face, "Mr. Xi, you know the master better, what do you think he meant by drawing me a flower?"

Xi Shiqing picked up the piece of paper and looked at it carefully for a while, but he also had no clue, "I can't guess what the abbot is thinking."

After Xi Shiqing finished speaking, she looked at her in surprise, "There are many people who ask the master similar questions every day, and each time the master can at most say that everything is predestined. I didn't expect that this time I would personally approve the bet for you."

The corners of Selena's mouth twitched slightly, and she whispered, "I'm quite honored to hear you say that, but this flower is too mysterious... Forget it, think about it when you go back!"

When leaving the hall, Xi Shiqing turned around and stared at the Buddha statue in the middle of the hall for a long time.

Selena put his shoulders on him and turned him around to stop him from looking, "Hey, don't look, what's so good about being a monk? You can chant scriptures and Buddha all day long, you can't drink or eat meat, and you can't marry a wife! Another day I will I invite you to drink, make you a whole meat feast, and take you out. Hey, I will keep you and never want to become a monk again! Tell me, what is the difference between this life that cannot seduce girls and a salted fish..."

Selena was racking her brains to talk about the benefits of not going out. Xi Shiqing finally stopped looking at the Buddha statue, but looked at her. There was nothing in her clear eyes except her reflection...

After tossing and tossing for half a day, Selena finally lived up to her trust and brought Xi Shiqing back.

At that time, Mama Xi was weeping silently in the pavilion, and she had given up any hope for her son to change his mind.

Xi's father also looked sad.

Although Mr. Xi didn't speak, he was under the greatest pressure. After all, his grandson liked Buddhism, and there was also his subtle influence.

"Why so long..." Mr. Ning poked his head and watched anxiously for a long time.

Old Master Xi sighed, "Lao Ning, tell Selena to come back, let's find a way."

"What solution can you think of in such a short period of time?" Mama Xi glanced at the time, "There is still half an hour before Qingqing is going to have her hair cut!"

After speaking, the tears fell even more fiercely, "If my Qingqing really becomes a monk, I will follow Luofa to become a nun!"

Papa Xi was anxious when he heard this, and panicked, "You... what nonsense are you talking about! It's just nonsense!"

"Where did I mess around? My son has become a monk, so what else do I have to commemorate!"

"Then you don't care about Shixuan and me?"

...

The family was gloomy when they suddenly saw a person walking from the end of the corridor.

It was Selena who came back.

Mama Xi was about to comfort Selena and tell her not to worry, but the next second she saw a familiar figure walking out from behind Selena.

It turned out to be her precious son!

Ning's mother was stunned for a moment, then her face was filled with surprise, and she said in a trembling voice, "Qingqing..."

"Shiqing..." Mama Xi, Grandpa Xi and Mr. Ning were both surprised and delighted to see Xi Shiqing.

However, it was unavoidable that he was still uneasy. Could it be that he came to see them for the last time before he lost his hair?

Until, Xi Shiqing walked up to them and called out one by one: "Dad, Mom, Grandpa, Grandpa Ning..."

It's no longer this benefactor, that benefactor!
