

Cruel Heart Lover Novel

Chapter 656

"Of course! I look prettier in women's clothing! By the way, second senior brother, where have you been? Senior brother said you haven't seen anyone for half a year! And you haven't contacted me!" Selena said in a sad tone.

Karl raised his eyebrows and looked at her, "Everyone..."

The two talked about the old days for a long time, until Kevin, who was on the side, said, "Karl."

Kevin called out the man's name, without any expression on his face, and a trace of inquiry flickered in his eyes.

"Aha! Brother, long time no see... Did you miss me?" Karl stuck to him as if he had no bones, and his whole body lay on his shoulders.

Kevin stretched out a hand expressionlessly and waved the person away, "Master has been looking for you."

Karl persisted and stuck to it again, "Is it only the master? What about you?"

On the side, Selena covered her eyes, "Oh, oh... I can't see it! There is a child here! You will destroy the flowers of the motherland!"

Karl flicked her forehead, "Are you going to return the flowers? Overlord flowers?"

Selena: "...Get out! I'm Little White Flower!" She is in such a miserable state now, isn't she a miserable little White Flower!

Who knows, Karl seemed to have heard some big joke, and burst into laughter on the spot, clutching his stomach, "You...Little White Flower...? Hahahahaha..."

Selena's face turned dark, "Dmn it! Why can't I be a fool? Are you laughing like this?"

"Hahahaha..." Karl held his stomach, laughing so hard that he couldn't speak.

In the next second, Selena couldn't see exactly how Karl did it. She only saw Karl, who was still laughing, swung his arm at the back of Kevin's neck and inserted a syringe. Go in and quickly inject him with a tube of transparent liquid...

Kevin didn't even have time to react, so he passed out.

"Dmn it! Second Senior Brother! You... What are you doing? Why are you pricking Senior Senior Brother?" Selena was stunned.

"Little idiot! Of course it's to save you!" Karl said, catching Kevin's limp body, and carefully placed him on the side of the road.

Selena was still confused, "Save... me?"

"I don't have time to say more, come with me!"

While urging, Karl quickly helped Selena into the car, and then sat in the driver's seat by himself.

As soon as Karl sat in, he was dumbfounded, "Dmn it! Where did satan get the old antique from? How does this broken car drive?"

"I will, I will! But my leg is hurt and I can't move!"

"Teach me quickly!"

"Okay, okay, let me tell you..."

The two of them were tossing around the car when an arm suddenly came in through the window and dragged Karl out of the driver's seat.

I saw that Kevin, who had just fainted, was standing there slightly shaking, grabbing his clothes, with an extremely gloomy and terrifying expression, "Karl!"

Karl turned around and took off his coat to get away. He looked at the man in front of him in disbelief, "fcuk! Kevin, you pervert! I've already used double the dose. How the hell did you wake up so soon? gone?"

Kevin looked at him motionless, his black eyes like a blood-stained sharp blade, "Explain."

Karl frowned slightly, and his tone was a little impatient, "There is nothing to explain, the fact is what you see."

Kevin's face was as cold as ice: "You betrayed the organization."

Karl snorted, his eyes shifted, and the corners of his mouth slightly curled up, "Oh, yes, what's up? You want to clean up the house?"

Chapter 657

Looking at the indifferent expression on the other party's face, Kevin's hands beside him clenched into fists, and even the knuckles of the fingers began to turn white and creaked. Behind the lenses, there was a monstrous anger and a faint trace of anger in his always indifferent eyes. Painful, "You..."

Seeing Kevin's injured eyes, Karl's face moved slightly, and he immediately avoided his gaze, closed his eyes, and said, "Senior Brother, let's fight, whoever wins, who takes away Junior Sister, what? Sample?"

After a moment of dead silence, Kevin finally said, "Okay."

Next to him, Selena, who was still out of the situation, was completely stunned.

What... what's the situation...

The second senior brother betrayed the organization?

Then who did he rely on?

No, just now the second senior brother suddenly fainted and the senior brother wanted to save her...

Could it be that he took refuge in the Great Demon King?

No way?

This unscientific! How could the second senior brother have anything to do with the Great Demon King?

But at present, it seems that this is the only possible explanation, otherwise, why would the second senior brother appear at this time, and dare to confront satan and come to save her?

At the moment Selena lost her mind, the two people in front of her had already made dozens of moves correctly.

However, the tragedy was that Karl was crushed to death with every move, and was always on the defensive, leaving no room for offense.

The little flame of hope that had just risen in Selena's heart was extinguished little by little, and she said anxiously, "Second senior brother! Are you good at it!?"

Karl gritted his teeth while responding to Kevin's almost crazy attack, "Don't ask a man if he's okay!"

As soon as he finished speaking, Karl's momentum changed instantly.

Selena's eyes lit up immediately, Karl finally got serious.

Sure enough, the situation on the scene changed immediately.

Karl started to fight back, and the two fought evenly. Even if Karl was serious, he didn't take it seriously. !"

The corner of Selena's mouth twitched, she was ashamed to say, you have been missing for more than half a year, of course the master can only teach the elder brother.

What's worse!

Karl's talent is really abnormal, so he learned Kevin's new moves on the spot, and returned them as they were.

Selena was simply amazed to see it. She only regretted that there was no melon seed fruit plate at the moment, otherwise it would be more exciting to enjoy!

After being hit by the few tricks Karl learned on the spot, Kevin felt as if he had been stepped on some taboo... Under the blow, he suddenly took a few steps back, and then stabilized his figure.

Looking fixedly at Karl, after standing for a while, he raised his hand and slowly took off his glasses.

When Selena saw this, her heart skipped a beat.

broken!

Careless, she didn't realize until now that the senior brother didn't take off his glasses after the two fought for a long time.

This means that the big brother just now didn't try his best at all!

Not only Selena, but also Karl on the opposite side showed nervous and vigilant expressions.

Selena's worries were indeed fulfilled...

Kevin, who took off his glasses, was like a ferocious beast that had been unsealed, and its force value was incredible!

Moreover, Selena could tell that the second senior brother was also forced to use his full strength this time.

In short, the fight between the two of them was very dark.

At this moment, Karl had no idea how many times he had cursed "pervert" in his heart.

Originally, he thought that Kevin had reached a bottleneck. With his understanding, it was absolutely impossible for him to make another breakthrough in just half a year, so he thought that he would definitely win this time, but who knew, he still underestimated him.

Chapter 658

This guy is obviously mediocre in talent, but he can reach this level, he is simply inhuman!

There is no point in continuing to fight. It is still the same as before, and it is still a tie.

But time waits for no one, the people who meet satan and the others are coming soon, he can't delay any longer, he has to take the little junior sister away quickly!

Gotta find a way... find a way...

Oh sh1t! Think sh1t! Kevin is too rigorous, and his moves are flawless!

He was just distracted for a short time, and he was punched in the face by the opponent, and there was a burning pain at the corner of his mouth, "fcuk! Kevin! You murdered your husband!"

Start so hard!

"If you get distracted again, I won't give you a second chance!" Kevin's eyes were extremely cold.

Karl's face was ashen, Dmn it! I don't believe you when you are not distracted!

After another hundred moves, Kevin tried to take the opponent's life with one hand, but Karl did not retreat but advanced. Kevin was not afraid at all. Karl couldn't attack him when he got close at this time. Instead, he was looking for his own death.

Karl got closer and closer. At the same time, the corners of his mouth curled up strangely. By the time Kevin realized something was wrong, it was too late. Karl directly k!ssed his lips... and k!ssed him... k!ssed him... k!ss down...

Taking advantage of Kevin's distraction, Karl grabbed his lifeline first, and pushed him against the car door, "Brother, you lost."

Beside him, Selena was stunned, showing a horrible expression, "Dmn it!!!!!!!!!!!!!!!!!!!!!! My titanium alloy dog eyes! Second senior brother! Where's your integrity? !"

"Soldiers never tire of being deceitful." Karl looked proud instead of ashamed, and turned to the ashen-faced Kevin with a smile, and said leisurely, "Brother, don't you deny it?"

Kevin's face changed several times like a revolving lantern, before resisting the urge to beat this guy until his own mother didn't recognize him, took a deep breath, and fulfilled his promise: "Get out."

Karl: "Cha!"

Then, as if afraid that Kevin would regret it, he threw Selena onto his shoulder and ran away without a trace. At the same time, he quickly took out his phone and sent a message: Withdraw!

...

On the other side, the situation between the two parties is stalemate, and they are still in a tense confrontation.

The captain's mouth was dry with persuasion, but the other party was still completely unmoved.

Time passed bit by bit, and there was a gleam of white light in the sky, and the sky was about to dawn. However, neither side had the intention of retreating.

The silver-haired man yawned, with a slightly impatient expression on his face, "It's so long-winded, do you want to fight or not?"

On the opposite side, Daniel, who was about to speak, took out his phone and glanced at it casually. After seeing the text message on the phone, he paused for a moment, but he quickly returned to normal, without anyone Anyone can see the difference.

Then, he looked at the man opposite again: "As you wish."

When the silver-haired man heard the words, bloodthirsty flashed in his eyes.

Feng Jin wholeheartedly hoped that even if his master lost his mind, at least the other person was Daniel, so he should be able to hold on. How could he know that Daniel was also unreliable, and his face immediately looked bitter.

What was even more difficult was the captain on Daniel's side, "Mr. Lu, you can't fight!"

It's not a matter of winning or losing. The problem is that the current situation in country X is chaotic. Such a main force cannot be lost here, otherwise other countries will definitely take advantage of it.

Chapter 659

At this moment, behind Daniel, a military off-road vehicle sped up.

Afterwards, the car door opened, and Minister Naka hurried over accompanied by several subordinates.

Obviously, the captain saw that the situation was getting out of control and he was out of control, so he quickly notified his superior.

Minister Naka rushed to Daniel with a nervous expression on his face, "Mr. Lu, you promised me peace! It will be resolved peacefully!"

"I said try my best." Daniel said expressionlessly.

"Mr. Lu, I know you are eager to save your wife, but in fact there is no other way. When they leave the border of Country X and reach the sea, we have plenty of opportunities to do it again! There is no need to fight head-to-head at this time, right?" Minister Naka persuaded earnestly .

Hearing this, Daniel's expression began to waver.

As soon as the minister saw something interesting, he immediately made persistent efforts to understand it with emotion and reason.

After persuading for a long time, finally, Daniel let go with a dark complexion: "Withdraw."

Opposite, the silver-haired man mocked, "Hey... why did you withdraw? Did I agree?"

He knew a long time ago that with Daniel's temperament, he would never do such an irrational thing for a woman, and he would never win this battle.

However, Feng Jin didn't know, so he hurried up to persuade him to accept it as soon as he was good, and don't provoke the other party to change his mind again, and at the same time ordered everyone behind him to retreat immediately.

Only then did the man yawn lazily, and boarded the armored vehicle with a dispirited expression.

Anyway, that girl is already with him, want to snatch her back?

dream!

At sea... At sea, that is his world!

Seeing the people on the opposite side retreat and leave, Minister Naka finally breathed a sigh of relief, but at the same time, he was more worried.

Daniel cared so much about his wife, how could he let it go!

The worst thing is that he is actually not sure about rescuing Mrs. Lu. He said that on purpose just now to stabilize Daniel's mood. In fact, if Satan is allowed to go out to sea, it will be like a dragon entering the sea. Trying to save people, it's even more impossible!

Minister Naka made up his mind to send people to rescue him as much as possible at that time. Whether he can save people and what accidents will happen is beyond his control.

"Mr. Lu, let's go back to Dib City first, discuss specific countermeasures, and take a long-term plan..."

Minister Naka was trying to appease Daniel, but Daniel suddenly said with a sharp expression, "Go back to the Philadelphia border!"

Minister Naka was at a loss and didn't understand what Daniel was going to do at the border at this time, but because of his guilty conscience, he made everyone rush to the border in Philadelphia as promised.

When there were still a few hundred meters away from the border, Daniel suddenly jumped out of the tank and walked forward quickly.

"Hey...boss...this way..."

Beside the boundary marker not far away, a person shouted at the top of his voice.

There seemed to be a brown-haired man standing there, half-supporting a slender long-haired girl by his side. The girl looked a bit like...

After seeing the two of them clearly, Daniel's eyes tightened, and he walked faster.

Beside the brown-haired man, the girl was seriously injured, lost a lot of blood, and had another night of intense nervousness. At this moment, her mind was completely blurred, and she could only vaguely see a familiar figure walking towards her in front of her. He muttered softly, "Lu... Daniel..."

A second before she lost consciousness, she felt herself suddenly wrapped in a warm embrace, and a slightly trembling voice came from her ears...

"It's me! Sorry! I'm late!"

Chapter 660

Philadelphia, pier.

On the surface of the sea, the fog gradually dissipated, the sun was slowly rising, and the sea surface was filled with bright golden light, but someone's face was cloudy and rainy.

"Where are people?" The man arrived with the crowd, but only saw an empty broken car.

It was rare for Kevin not to wear glasses, and he was standing there with his back facing the sea, his expression dazed, he didn't know what he was thinking, when he saw someone coming, he slightly raised his eyes, and said in a gloomy tone, "I was taken away by Daniel's men. "

"Can someone take someone away in your hands?" The man's face suddenly became extremely ugly, and the fire in his eyes jumped.

"It's Karl who came." Kevin's expression was obviously not very good.

The man's eyes narrowed, and a cold light flashed, "Karl..."

No wonder... No wonder Daniel compromised just now, he really pretended! Deliberately bargaining with the old man and saying so much nonsense to delay time, just to let Karl have enough time to save people secretly...

Dmn it! He fell for it!

He specially sent Kevin to take Selena away, but he didn't expect... there would be such an accident as Karl...

Hearing this, Feng Xiaoxiao and Feng Jin on the side also showed extremely shocked expressions.

Who would have thought that Karl, who had been missing for more than half a year... would become... Daniel's man!

"How is it possible! This is impossible!" Feng Xiaoxiao couldn't believe it, "Second senior brother can't possibly betray us!"

She, Kevin, and Karl were adopted by their master when they were very young. The three of them grew up together, and they are closer than brothers and sisters. Naturally, it is difficult to accept this fact.

However, with the facts in front of him, it was impossible for Kevin to lie.

Moreover, it was obvious that Kevin, who had personally confronted Karl just now, was in a worse mood at the moment.

Feng Xiaoxiao was afraid that he would feel bad, so she didn't even dare to ask more details...

She knew that although the two of them always fought back and forth on weekdays, and Kevin always disliked Karl's appearance, in fact, the two of them had a very good relationship, and they had been going through life and death, and they always cooperated most tacitly when they were on missions. of.

Now, the most uncomfortable thing is probably Kevin.

"With your strength, will you lose to him so easily?" The man's eyes flickered with suspicion, obviously not very convinced.

Even if Kevin couldn't win, it was impossible to lose, and he lost so quickly.

Whenever these two fight, they don't fight for most of the day, and they often fight for three days and three nights without being able to tell who is up.

Feng Xiaoxiao actually thought it was quite strange, but she didn't know how to ask. In fact, in her private heart, she had a little suspicion that the elder brother was soft-hearted...

Of course, she didn't dare to say such a thing!

Kevin's expression froze, without any explanation: "If you lose, you lose."

At this time, Feng Jin on the side glanced at the time, and anxiously urged, "Get on board! It's time to set off!"

The man didn't ask any more questions, but turned around, staring fixedly at the sleeping city behind him.

His slender fingers gently brushed back the silver hair fluttering in the sea breeze, revealing the eye that was covered by bangs and had never been shown to anyone.

The phoenix eye is more beautiful than a woman, but there is a scar across the eye. Although the scar is very shallow, it still destroys the perfection of the eye, but it adds a wild danger to the man. breath...

"Heh, Daniel, we will meet again soon..."

When the time comes, I will take back everything that belongs to me.
