

Cruel Heart Lover Novel

Chapter 891

After Han Momo knew that Selena and Louis had a role in the same frame in this drama, just for these few minutes of clips, she ran to the theater to watch it three times. There are not a few CP fans like Han Momo...

Later, the producers even used the "modern version of "The World"" as a gimmick to attract audiences to the cinema. The investor even asked Shen Mian to give Selena a big red envelope. It was a thank you to her and hoped that she would cooperate with the publicity. the meaning of.

Selena really did not expect such an unexpected harvest.

However, she naturally wouldn't refuse such a win-win thing, so she retweeted the official Weibo post, followed by a few roadshows.

It's just that amidst the good reviews, there are inevitably some other voices mixed in, and some not-so-good comments gradually appear on the Internet.

This role should belong to Liang Biqin, right? Why did it end up being Selena?

Is this still a question? Someone must have snatched it up. It's really shameless to snatch the role for the sake of Louis!

Crazy, don't let go of even a trick! I really don't know why Louis has his eyes on her, she is so foolishly used as a role model!

...

In fact, when Selena saw the disguised as a man show, the investment in the script was only 10 million, but it was a small production.

With her reputation, although it is indeed impossible to be a heroine in a big production, such small productions can still be won.

Who knew that after Liang Biqin took over the latter drama, there would be such a big battle all of a sudden, it would be a modern drama with the highest investment, and it would be a star-studded franchise...

Liang Biqin obviously bought the navy, relying on the support of Su Yimo, the cousin of the prosperous proprietress, she poured dirty water on Selena's overwhelming madness.

It's a pity that before Selena and Lin Zhizhi could take any action, Shen Mian had already personally refuted the rumors, saying that Liang Biqin had unilaterally tore up the contract and released the pigeons, that's why Selena was called to come to the rescue. Said, and expressed severe criticism of Liang Biqin's behavior, and even said that as long as it is a movie he made in the future, he would never use her.

At Shengshi Entertainment, Selena received a call from Lin Zhizhi and needed to go to the company. In the corridor, she bumped into Liang Biqin and her group.

The confrontation between Selena, Su Yimo and her party was almost on the table. As long as it was not in a public place, there was no need to be courteous even if they met, so neither side paid any attention to the other, and Selena just looked at each other. He walked straight forward without squinting.

Behind her, Liang Biqin deliberately amplified her voice as if she was afraid that she wouldn't be able to hear it, "By the way, do you know? That Shen Mian said that he would block me, so I will never be used in his movies in the future? I'm just a past director, really Treat yourself as a dish!"

"Isn't that right, "Our Eighteen Years Old" has been so widely publicized that even the book has not been recovered! I don't even know how to find a stronger backer!"

"When Biqin's new drama comes out, the era of Shenmian will almost be over!"

"By the way, what has Selena been up to lately? Is there a new play?"

"Isn't it because I was tied up with Louis to promote Shen Mian's bad movie? It seems like I haven't heard of any new movie!"

"I think even if I accept it, it's not a popular drama. If I accept some big production, it must have been publicized all over the world!"

...

Chapter 892

When they arrived at the company, Lin Zhizhi notified Selena of the shooting time and schedule of the new movie, and told her to go back and make preparations.

A few days later, it was finally time to shoot.

Because it was the first day for Selena to go, and she needed to try on an outfit, and her makeup was special, so it would take a lot of time to make up, so Selena deliberately went to the set a lot earlier.

As the heroine, Selena had her own dressing room, and the crew specially assigned her a special makeup artist.

After a while, Shen Hanchen, who played the male lead outside, and Qi Fang, who played the third male lead, also arrived one after another. After greeting each other and putting on their makeup, they sat aside and waited.

The two of them don't seem to be very old. They look like they are in their early twenties. They both have very good looks. Probably because they haven't been immersed in the entertainment industry, they both naturally exude a youthful atmosphere. The most rare thing is that they are in the entertainment industry where plastic surgery is rampant, the two people's looks are rare and very recognizable.

Shen Hanchen's family background is good. He was always obedient and pampered since he was a child. At the moment, he is lying on his back in the armchair, his eyes are slightly closed and he is recuperating. There is a faint shadow of Louis on his body. His temperament makes him like a luminous body, which can easily attract the attention of girls, which is very in line with the image of the male protagonist in the play.

Qi Fang looks like a young boy. In fact, he is not very old, he is only nineteen years old. When he speaks, his two small canine teeth are faintly visible, which is very cute.

Probably because the image is not enough, I signed with the company for more than a year and haven't found a suitable role. His agent is his aunt who has always taken good care of him, but she is not willing to arbitrarily assign roles to him and ruin him. This time I auditioned for the male number three in Shen Mian's new play "Dream Seeker".

Although he was only the third male lead, the director was Shen Mian, who was known as a master craftsman. My aunt was ecstatic when she found out that he had succeeded in the interview, and immediately finalized the contract.

"Hey, Brother Chen, I heard that the heroine is a great beauty! I wonder if the real person is as beautiful as in the movie?" After all, Qi Fang is young and has a restless temper, so he couldn't help but chat with Shen Hanchen who was beside him. Come on.

Shen Hanchen still closed his eyes, did not speak, and looked disinterested.

Although he is also a newcomer, he is different from Qi Fang. He is a signed artist of Fengxing Media, one of the three major giants. He focuses on training targets and has done professional training for a long time. The company's goal is to create a second Louis.

Therefore, Shen Hanchen, who has a background and resources, is inevitably a little arrogant, and he doesn't want to match Ricoh with Qi Fang, who has no male protagonist because of his looks.

As for the heroine who is so amazing outside, he is even more disdainful, she is just a third-rate female artist who plays a supporting role. He said that the heroine is not the same as the others this time, but she is also supporting him.

...

Moreover, he has already discussed with his agent that if the woman's performance is really unattractive, even if he breaks the contract, he will quit the crew. For now, let's trust Shen Mian's vision for now.

During the previous discussion, the agent had been analyzing with him, speculating that Shen Mian insisted on independent filming this time, and refused to accept investment and placement of characters, so he might have some cards, otherwise he wouldn't dare to do it...

However, the hole card, who knows what it is...

Chapter 893

Qi Anxin was relatively reassuring, but he didn't care about Shen Hanchen's indifferent attitude. He sighed and murmured worriedly, "I don't know what the director thinks. If you find such a woman to play the heroine, you should pretend to be a man when the time comes." What a mother, isn't it too shocking? This drama...can it really be popular?"

After all, this is his first play, which is related to his future.

Back then, Shen Mian was indeed popular with many people, especially the classic "Stars, Moon, and Sun". Even the soy-sauced male number n in it became popular. However, today is different from the past, Shen Mian these years It is also a fact that it is going downhill, not to mention that the investment in this drama is so small...

Hey, forget it, he's a young rookie, he'll be good if he can act, he's still a great director like Shen Mian, as for the others, he's left to his fate! The entertainment industry is a place that pays attention to luck...

After the two of them sat for a while, the third female lead, Ji Yumeng, also arrived.

"Wow! So beautiful...!" Qi Fang couldn't help but let out a low cry when he looked at the person coming.

Shen Hanchen raised his eyelids, and rarely took a few extra glances.

Ji Yumeng is indeed beautiful, and her temperament is lively, lovely, pure and pleasant, which can easily arouse a man's desire to protect. However, the beauty looks a little unhappy at the moment, and she is walking forward angrily. Mohan followed behind and whispered something...

"I've already said that I don't want to play the third female lead. Even Selena's vixen appearance can play the female lead. Why can't I?"

"Slow down my little ancestor, this is the production crew, not at home, are you so loud because you are afraid that others won't hear you?"

"I heard it when I heard it. I just told them. I just don't believe it! Last time I saw Shen Mian publicly speaking for that woman on the Internet, I don't know how she came to be the heroine!"

"Shut up! Don't be careful when talking outside. How many times have I told you! Don't talk about others, don't you know what's going on with you

yourself? You can't control the heroine, and you don't even have enough qualifications for the second girl. , the female third is the most suitable role for you! Do you think the heroine of this show is easy to play? This kind of role is pleasing if you play it well, but if you don't pay attention, it will become a black spot..."

...

Ji Yumeng, who had been reprimanded, finally temporarily suppressed her grievances. When her eyes fell on Shen Hanchen and Qi Fang, who were not far away, two handsome guys with different temperaments but equally pleasing to the eye, her eyes lit up suddenly, and her expression obviously relaxed. few.

Which girl at this age doesn't like to act in the same crew as a handsome guy!

Ji Yumeng took the initiative to walk over and greeted the two of them, "Hi, I'm Ji Yumeng."

"Hello, hello, I'm Qi Fang!"

"Shen Hanchen."

"Shen Hanchen... I've heard of you! Jingying's school girl, right? I've heard of you for a long time! Qi Fang, were you the bass player of the joy band before? I have a sister who really likes you and thinks you are so cute!"

"Hahaha, I'm always praised for being cute. Why don't beautiful women praise me for being handsome? Miss Ji, you're not bad either. I heard that she was the first to be admitted to Beijing Film Academy!"

...

Ji Yumeng is easy to get along with when he is not angry or showing his temper, because the lively and cheerful Ji Yumeng joined, and the three of them are all young people, so they chatted together quickly.

"Hey, it seems that Director Shen is going to use our good looks to support this drama!" Qi Fang spread his hands and teased.

Ji Yumeng puffed up her cheeks, "I'm so afraid that I won't be able to act! Even if she is disguised as a man, she is still a woman after all. Let me be nympho drooling at a woman. To sit on her lap... God, I really get goosebumps just thinking about it!"

Chapter 894

Qi Fang let out a "poof" laugh, and secretly glanced at Shen Hanchen who was at the side, "You are content, there is someone worse than you here!"

Ji Yumeng nodded again and again, and couldn't help laughing, "That's right... Hanchen still has to pretend that a sissy is a man from the beginning to the end, call him brothers and sisters, and even talk about love..."

Shen Hanchen listened, his complexion was obviously not very good...

Several people were chatting enthusiastically, not far away, a young man walked towards them.

I saw the man with slightly messy black hair, his bangs slightly covered some of his eyes, he was wearing a slightly exaggerated biker suit with ripped copper jeans and leather, black Martin boots, and a very penetrating air was exuded all over his body. The fierce momentum of the force...

Shen Mian, who was setting up the scene, saw someone coming, walked up to him, and talked to him.

After seeing Shen Mian, the young man's flamboyant aura immediately subsided, his eyes were slightly lowered, he listened attentively, and nodded from time to time.

The director's assistant at the side graciously handed over a bottle of water, and the man reached out to take it, and smiled gratefully at the girl. When this man was talking to the director, his demeanor was normal, but when he looked at the girl When she handed the water to the girl, at that moment, the atmosphere around her suddenly changed, it was warmer than the winter sun above her head, softer than the spring water, so pampering and drowning...

Then, I saw the little assistant running away covering her red face...

The moment Ji Yumeng saw that person appearing, Ji Yumeng was half-speaking, and suddenly fell silent, and after a long while, he stammered and asked, "Then...who is that...the person who is talking to the director! !!"

"The male lead, the third male, and the third female have all arrived, and the second female will not join the group until a few days later. Only the female lead and the second male have not yet come... So, it should be the second male, Ke Mingyu?" Qi Fang replied speculatively .

Immediately, the sense of rejection from those same-sex instincts stronger than himself made him suddenly vigilant.

Depend on! He wasn't the handsome type in the first place, it's already miserable enough to have the male protagonist Shen Hanchen oppressing him, but now even the second male lead is so handsome, can he still have a sense of presence in this drama?

"Ke Mingyu?" At this moment, Shen Hanchen's expression also completely changed, and a strong sense of crisis suddenly rose in his heart.

He had inquired about the information of several leading actors in advance. Ke Mingyu's appearance and temperament were obviously very ordinary. How could this be...

Is there something wrong?

However, just as he was comforting himself, the director had already brought the man towards them.

Shen Mian clapped her hands and called them all over, "Come here, come here, let me introduce you..."

Shen Hanchen's expression suddenly tensed up, unexpectedly, he was really the second male...

As the saying goes, one mountain cannot accommodate two tigers, but Shen Mian actually found such a person to play the male lead... What does this mean?

And Ji Yumeng, who had been lingering on Shen Hanchen just now, almost completely glued her eyeballs to the man in front of her, and is still immersed in the man's gentle smile just now...

"This is Shen Hanchen who plays the male lead, this is the third male lead Qi Fang, and this girl is Ji Yumeng who plays the female lead's best friend..." Shen Mian introduced to Selena one by one, and then introduced to the three of them. , "The one next to me is Selena, the heroine of our show!"

Chapter 895

what? ? ?

Qi Fang was about to reach out his hand to say hello to "Ke Mingyu", when he suddenly heard the director's last introduction, he was completely dumbfounded, and even scratched his ears, "Director, what did you just say?"

Ji Yumeng looked suspicious, "Director, did you introduce the wrong one? Isn't he the second male lead, Ke Mingyu?"

Shen Mian looked at the three young men dumbfounded, "Who told you that she is the second male?"

Shen Hanchen looked at the "man" across from him again with almost a dull expression, "He...is she Selena?"

Qi Fang: "Is it the heroine?"

Ji Yumeng: "Director, are you sure? Director, stop playing!"

Shen Mian smiled and shook her head, "Selena, explain to them!"

Selena had an innocent expression on her face, "How can I explain? It took me two hours to get my makeup done!"

You can't let her change into women's clothes again and come over to show them, right?

Shen Mian coughed lightly, but really couldn't refute...

"How could he be the heroine... Besides, he doesn't look like Selena... Well... Look carefully, he looks a bit like Selena... But there's something wrong... Definitely not... Director, you wouldn't know Did you just find a man to play the heroine?" Ji Yumeng suddenly had a brain hole.

Qi Fang and Shen Hanchen thought about this possibility seriously.

Shen Mian's face turned dark when she heard it, are all the children nowadays so whimsical?

Selena helped her forehead slightly, showing a helpless and indulgent smile, and immediately picked up Ji Yumeng's hand.

Ji Yumeng's heartbeat suddenly accelerated, "You...what are you doing..."

Qi Fang's eyes also widened, his face full of displeasure, Dmn, how could this brat take a girl's hand casually! I haven't pulled it yet! You don't care about the director!

However, in the next second, Selena took Ji Yumeng's little hand and pressed it against her chest through a layer of clothes, and said in a low voice, "Are you ok?"

"Yes, yes, yes... br3asts!" Ji Yumeng, who was pressing Selena's chest, was about to cry, "You are really a woman! You are really a heroine!"

Although she could feel a circle of cloth strips around her chest, but after such a close contact, she could clearly feel a soft arc on her hand...

Ow! Nima! It's also a woman! You have me, too! I usually play br3ast attack with my roommates! Why is it so embarrassing just to touch it lightly at this moment!

Not to mention Ji Yumeng, Qi Fang's eyes widened, his face was blushing to the point of bleeding, Shen Hanchen also coughed lightly, his face a little uncomfortable.

Well, one mountain cannot accommodate two tigers, unless one male and one female...

Director Shen is still very scientific...

Shen Mian knocked on Selena's head speechlessly, "It's almost done, don't mess around!"

Selena blinked her eyes, how could she be messing around? This is indeed the fastest and most effective way to prove it!

"Sorry, I'm late!" At this moment, a panting voice came from behind.

The real Ke Mingyu has arrived.

Sure enough, just like what they learned, the second male lead, Ke Mingyu, has a relatively ordinary appearance, with a gentle and gentle temperament, not aggressive at all. He doesn't look like Selena. The machine that seduces girls, the hormones burst out of the table...

After confirming that she was a woman, Shen Hanchen looked at Ji Yumeng's little expression that was so excited that he was about to faint, and the director's assistant who had been peeking here. Although he still felt uncomfortable, he relaxed a little.

A woman is still a woman after all, no matter how good a man is, it's because of acting, how can he overwhelm the limelight of the male lead, he still has great confidence in himself...

Chapter 896

After Ke Mingyu arrived, everyone got to know each other again.

Ke Mingyu's temperament is relatively introverted. After talking to everyone for a while, he sat quietly in the corner and read the script.

After a while, the scene props were finally arranged.

"Okay, all departments are ready! Shooting will start immediately! Selena, Ji Yumeng, you two, get ready!" Shen Miantong knew.

In the first scene, the heroine's best friend is abandoned by a sgumbag, and the heroine comforts her best friend.

The heroine's real name is Ji Feixue, who currently takes the place of her older brother Ji Feibai. The secret that she is a woman is currently only known to the heroine's best friend, Ning Xiaomeng.

"3, 2, 1... action!"

After the scene was recorded, the filming officially started.

On the sofa in the living room, Ji Feixue had just taken a shower, wearing loose men's pajamas, her slightly damp hair was a little messy, and there was still steaming mist from the bathroom on her body.

He took a bottle of water from the refrigerator, sat down on the sofa, and turned on the TV.

Because she has been pretending to be a man for a long time, Ji Feixue's every move is almost like a man's, she doesn't show any femininity at all, and the movement of raising her head to drink water is chic and handsome.

While watching TV, with a "squeak", the door of the living room was pushed open from the outside.

Ning Xiaomeng is back.

Ji Feixue greeted casually as usual, "Are you back?"

At this time, the camera switched to Ji Yumeng.

"Yeah." Ning Xiaomeng didn't look up either, she just responded sullenly, obviously in a bad mood.

Although she didn't say anything, Ji Feixue immediately noticed the difference in her, and she frowned slightly, "What's wrong?"

Ning Xiaomeng walked slowly to Ji Feixue without saying a word.

A few seconds later, Ning Xiaomeng's shoulders trembled slightly, and her body trembled more and more. In the next second, tears slapped and fell to the floor one drop after another.

"Camera No. 3 is a close-up!" Shen Mian said, staring at the camera without blinking.

Shen Hanchen, Qi Fang, and Ke Mingyu who were beside them were also all focused on watching the play between the two.

In the camera, Ji Yumeng stood in front of Selena, with her head down all the time, without even showing her face, but just from the details of her body, it could be seen how sad she was at the moment.

Qi Fang sighed, "As expected of being a top student! That's amazing!"

At this moment, Selena moved.

Ning Xiaomeng didn't say anything, but Ji Feixue already fully understood what happened, showing an expected expression, grabbed Ning Xiaomeng's hand, and then gently pushed her to sit on the seat. On her own lap, she wiped away her tears with her fingertips, her tone was helpless, and more distressed, "Baby, don't be sad, isn't it just a man? What about your mother, didn't you let me make you so beautiful?" You were spoiled by others, but let you spoil others!"

The moment Ji Yumeng heard this sentence, it was as if something hit her heart hard. The most secret grievance and pain deep in her heart were suddenly drawn out by Selena's gentle expression and comforting words, infinitely enlarge...

She thought of her ex-boyfriend who cheated on her, and how he abandoned herself to be with a well-known female artist in order to climb up. She thought of that rainy night when she walked home alone. A person, who had a high fever the next morning and had to go to the company for training, no one

hugged her to comfort her like this, and no one said to her, "Your mother gave birth to you so beautifully, not to let you be ruined by others, but to let you go Ruin other people's"...

Chapter 897

In an instant, Ji Yumeng's tears burst down like a bank, silent but piercing, as if all the grievances that had been suppressed for a long time burst out with tears in an instant...

Sometimes, the scariest thing is that someone cares.

A few female staff members watching from the side even began to cry, because Ji Yumeng's crying was so contagious.

And Selena gently stroked Ji Yumeng's back, teasing and comforting, "Okay, don't cry anymore, although you look beautiful when you cry, I will feel bad..."

"Very good! Ka!" Shen Mian yelled Ka in quite satisfaction.

The first scene was actually over, and both of them performed so brilliantly, which is really lucky.

However, although Shen Mian had already shouted, Ji Yumeng didn't stop at all, sitting in Selena's arms, crying heartbreakingly...

Selena naturally didn't like to push the girl away at this time, so she could only continue to comfort her and pat the girl's head.

The corner of Shen Mian's mouth twitched, she glanced at Selena and said, "The newcomer has low concentration, take it easy!"

Selena: Is it my fault again?

The performance styles of actors are roughly divided into “experiential style” and “expressive style”. Most of Shen Hanchen and Ji Yumeng who came from majors are expressive skills taught in schools.

The experience school has higher requirements for talent, and it cannot be taught through precepts and deeds. There may be only one out of tens of millions of people.

Selena belongs to the latter group, a typical experiential school, who can completely transform herself into another person when acting, even to the realm of the unity of man and nature.

However, perverts like Selena are rare after all. Although these rookies have very good qualifications, they are inexperienced after all.

If he was the director alone, by his standards, it would take at least one or two years of filming for this film to pass the test. His first work was filmed intermittently for two full years.

Nowadays, the cycle of most movies is two to three months, and there are even films that are released after a few days of filming. How can anyone spend so much time making a movie.

He was also prepared for a long battle in this drama, but now it seems... the time should be greatly shortened...

With Selena, it was like having a powerful cheating device, which could allow newcomers who played with her to quickly enter the role and play their acting skills to the extreme.

Just now, Ji Yumeng’s performance was inspired by Selena’s acting skills, and he interpreted the characters in the play with his own experience, almost equivalent to the interpretation effect of the experiential school.

Ji Yumeng didn't know what was going on with her, she was acting well, but suddenly she lost control, and when she realized it, Selena was still soothing her gently, without the slightest bit of impatience, she even cried on her shoulders wet...

Ji Yumeng quickly jumped up, her face full of embarrassment, "I'm sorry, I'm sorry..."

"It's okay." Selena smiled good-naturedly, and even patted her head, "You did a great job just now!"

In an instant, Ji Yumeng's face flushed red after being praised by touching her head, it was almost hot enough to boil eggs...

mother! She's going to bend into a convoluted needle!

Not far away, Ke Mingyu's eyes, which had never been turbulent, visibly shook a few times, Shen Hanchen frowned, with a thoughtful expression, and Qi Fang twitched the corners of his mouth with black lines all over his head, what the hell, what was it just now? Who said sitting on a woman's lap is disgusting?

He saw that she was sitting happily, so he couldn't bear to get down, what kind of trouble is he looking at this woman with a girlish expression, thinking that these handsome guys are all dead...

Chapter 898

After being praised by Selena, Ji Yumeng immediately ran to the camera with her little face in her hands.

"Director, can I take a look at what I just shot?"

"Look!" Shen Mian naturally agreed.

Ji Yumeng watched the footage just now several times, and her eyes became brighter the more she looked at it, "My God... I actually acted so well just now..."

Apart from being excited by her own performance, watching the video, Selena hugged herself on her lap and softly comforted her, making her little heart thump.

Especially the moment when Selena took her hand and pulled her down, she was absolutely blown away!

At this time, Qi Fang poked his head over and took a look, "There were staff members crying with you just now! You are indeed the No. 1 of Jingying! One is here!"

Ji Yumeng performed so well all of a sudden, the pressure on the rest of them will naturally multiply, everyone is new, and the start is similar, it is inevitable that they will be compared, and they are secretly competing among themselves.

Ji Yumeng shook her head when she heard the words, with a strange brilliance in her eyes, "I have always been quite confident in my acting skills, but with my own ability, there is absolutely no way to act this far. Because Senior Selena, the feeling of playing with her is really amazing..."

I can't describe the feeling just now... It's like a pair of hands are carefully holding me in front of me, guiding me step by step to the right, to a higher place, not rushing slowly, step by step... I can feel it Seeing that she is deliberately helping me into the play..."

Qi Fang scratched his head, "Isn't your description too mysterious? I have watched her "The World", and I admit that her acting skills are not bad, but there are so many powerful factions in the entertainment industry..."

Behind the two of them, Shen Hanchen also took a few glances at the shooting video. After seeing it with his own eyes, he also admitted that the woman's acting skills are not bad, but Ji Yumeng's description is indeed too exaggerated.

At most, this woman took advantage of her appearance and acted more like a man.

Ji Yumeng waved her hand, "Oh, I can't describe it in words, anyway, you will know later when you play against her...she is really nice...acting with her feels very comfortable..."

"It's a pity that I don't have a rivalry with the heroine today..." Qi Fang muttered, otherwise, hearing Ji Yumeng's hype, I really want to feel it.

Next, the male protagonist Shen Hanchen and Selena must have a rivalry scene. Besides, the male lead Ke Mingyu also has a scene with Selena.

After the first scene, Selena went to the dressing room to change the clothes she was going to wear for the next scene, and her makeup also needed to be changed a little.

Makeup artist Ye Qiu had already prepared all the clothes to be changed. When she saw Selena coming in, she immediately put down the hanger in her hand and walked over, "Is the first scene finished? So soon?"

"Well, it's over, I will trouble Sister Ye next time!"

"No trouble, no trouble, just sit down and rest for a while!" Ye Qiu pulled out the chair, handed her another bottle of drink, and went to prepare makeup tools.

In the next scene, the male and female protagonists go to a banquet. The occasion is more formal, but the plot is not complicated. The main thing is

that the male protagonist and the female protagonist in men's clothing perform together on the spot to amaze the audience.

After putting on her makeup again, Ye Qiu gave her the prepared clothes, "It may be a bit complicated to wear this set, if you need help, please call me."

"OK."

"Is the size of the clothes okay?" Outside the fitting room, Ye Qiu waited for a while, and then asked.

"Yes." Following Selena's answer, a slender white finger lifted the curtain, and Selena appeared in front of Ye Qiu after changing her clothes.

Chapter 899

She was dressed in a British-style three-piece white slim suit, a tie with dark blue stripes, and a retro pocket watch with a silver satchel on her chest. Between the opening and closing of the bead curtain, she seemed to see a noble young master from the last century...

"I... let me tidy it up for you..." Ye Qiu was inexplicably nervous, as if he was afraid of breaking some beautiful dream.

"Please, Sister Ye." Selena nodded, and opened her arms slightly in cooperation.

This posture is like holding someone in your arms.

Ye Qiu's face became hot, and he immediately reached out his hand towards Selena's neckline to help her arrange her skirt, tie and accessories...

At this time, a hurried footstep walked from outside the door to the house, and then blocked Selena, his tone was still very polite, but there was a trace of displeasure, "Sister Ye, let me do this kind of thing." Just do it!"

Xiaotao just went outside to buy some desserts to reward the crew, but she didn't expect to see someone hooking up with her master as soon as she came back!

When she was doing makeup in the morning, the makeup artist had already done something wrong with Sister Xi, and she couldn't bear it.

"I'm Selena's special make-up artist, and this is where I'm blaming." Ye Qiu said unhurriedly. After all, he's older, and he's more imposing than Xiao Tao.

"The makeup artist will do the makeup, but I will do the clothes!"

"Costumes are naturally also in my category. I am responsible for all the styling of her show. Although you are her assistant, professional issues should be handled by professionals."

"But..." Xiao Tao obviously couldn't speak to Ye Qiu, and looked at Selena tearfully.

Seeing that the gunpowder atmosphere was about to explode, Selena supported Ye Qiu's shoulders and sat down on the seat beside her, "Sister Ye, you have been tired for a long time, take a rest, let Xiaotao help you, if you do anything wrong, and trouble you to teach her a little bit."

In a word, both of them were coaxed.

Xiao Tao happily took Ye Qiu's place, happy that Selena still stood by her side and spoke for her.

Ye Qiu was brought a glass of water by Selena herself, and her tone was full of concern and trust, and she sat down on the chair with a strong mood, "The tie

is still a little crooked, try it again, the back is crumpled, Take it off later and iron it flat..."

At this moment, Ye Qiu recalled the situation when Selena put on makeup in the morning, and he was still a little excited.

When I saw Selena for the first time, with her professional eyes, I only felt that with Selena's perfect facial contours, even if she was dressed as a man, her delicate face could make her indistinguishable from male and female.

But the moment Selena put on her make-up and changed her clothes and walked out of the fitting room, she was stunned.

Obviously she turned her into this with her own hands, and she just went in and changed clothes and then came out, she was still the same person, why did the whole person feel changed!

A well-behaved beauty turned into a living monster just like that under her hands!

Although she judged from Selena's outline and face shape that she would at least not look too ugly as a man, she never expected to be so amazed...

At this moment, she just stood there so quietly, letting Xiaotao busy around her, her whole body exudes a sense of leisure and laziness, but it seems to be full of the brilliance of the stars, making people's eyes hard to move away.

After Selena's whole body has been tidied up.

Holding the water glass, Ye Qiu was a little dazed, "A minute's silence for the hero..."

Chapter 900

Xiaotao held her hands together and stood a few steps away from Selena: "A minute's silence for all the male characters in the play... Sister Xi... Ah bah! Karen! Why did I follow you for so long and only now did I know you were wearing men's clothes? How handsome it is!"

Selena raised her eyebrows slightly, "Don't I look good in anything?"

"Don't, don't, don't...Karen, don't look at me like that..." Xiaotao covered her chest with her legs limp, with a little expression on her face that she was about to be teased to death.

Selena chuckled, looked at herself in the mirror, and then looked at Ye Qiu behind her in the mirror, "Thank you Sister Ye, the makeup is perfect!"

Ye Qiu met Selena's eyes in the mirror, and his eyes were full of admiration, "You're welcome, it's because you have a good foundation, your outline is perfect without a single blemish, and your skin is so good that I don't even have room for it!"

With her professionalism, you can tell at the first touch that she has never undergone plastic surgery and is completely natural.

Besides, wouldn't this person's acting skills be too heaven-defying?

She is obviously a real woman, but she doesn't feel any disobedience when she plays a man.

What's even more exaggerated is that she didn't feel that Selena was acting, but felt that she herself was like this, and that wanton charm of her body was all exuded from the inside out, not just pretending.

Outside, Shen Hanchen had already changed his clothes.

Shen Hanchen brought a make-up artist himself, whose level was no less than Ye Qiu's. After putting on the make-up, his already blessed face was even more dazzling and unstoppable, as if it was forged by the hand of God.

There are very few people in the entire entertainment industry who can have this kind of beauty.

"Ah! My God! Hanchen looks so handsome in a formal suit! He's so annoyed!" Ji Yumeng burst into excitement.

The staff next to it and a group of extras also looked over with trepidation.

"Wow, this guy is so handsome! Is he the hero?"

"That's right! It is said that it is the trump card of Fengxing Media's finale, and its appearance is comparable to that of Louis!"

"It's no wonder Director Shen has his eyes on him..."

In the corner, Qi Fang curled his lips, what he hates the most with his cute image is the man who is more handsome than him!

But who let such a thing as a face be born!

In order to seek comfort, he silently ran to stand with Ke Mingyu who was worse than him.

Anyway, he is quite recognizable in appearance, cuteness is also a characteristic, but Ke Mingyu... It's not that he is ugly, but that he is really too ordinary, the kind of ordinary that can't be found in the crowd.

Although the appearance of the male second in the play is not outstanding, would it be too casual to find such a person with no characteristics to play the male second?

However, after seeing how Shen Mian chose Selena, he didn't dare to judge Shen Mian's thoughts at will.

"Even if I'm of the same sex, I have to admit that Shen Hanchen's face is really nothing to say, no wonder their company is planning to turn him into the second Louis... Some people are born with this job, and they are men. The Lord's order..." Qi Fang shook his head and sighed, trying to get approval from Ke Mingyu.

Ke Mingyu leaned on the porch pillar and glanced in Shen Hanchen's direction, his expression was calm, but he didn't have any special reaction.

Shen Mian glanced at Shen Hanchen up and down, her expression was quite satisfied, but a trace of undetectable worry flashed across her eyes, she beckoned Shen Hanchen over, and told him about the scene, "Although there are not many lines in this scene, it's nothing to worry about. Great plot, but very difficult..."
