

Cruel Heart Lover Novel

Chapter 921

Louis's face was full of disdain, "Would you like to have me?"

"You?" Shen Mian suddenly showed a pained expression, "Don't you know that in the director circle, you are the No. 1 actor list that directors don't want to work with? Have some self-knowledge, ba5tard!"

"Dmn! Why! Why don't you want to cooperate with me? My brother is so popular!" Louis was furious.

"If it weren't for your high popularity, who would want to invite you! I won't say much about how difficult you are to serve. The key is your acting skills, which are ups and downs like a roller coaster, ups and downs, unpredictable , It all depends on the mood, which director can stand you!"

...

Soon, the scene lighting camera is ready.

Shooting begins.

On the balcony covered with green plants, in the arc-shaped rattan hanging chair, Ji Feixue was sleeping peacefully.

The girl was wearing men's home clothes, with a book scattered in her hand, her soft short black hair danced with a warm halo in the sun, and her creamy and delicate skin could hardly see even a single pore under the camera, just like the best The suet jade is average.

The breeze blew, the pages of the book turned, and there was a slight rattling sound...

The world is stable and the years are quiet.

After everyone saw this scene, this sentence couldn't help appearing in their minds.

At this moment, with a "squeak", the balcony door was pushed open, and a tall figure walked in.

The moment Ke Mingyu appeared in the center of the screen, everyone present gasped involuntarily, including even Louis, who couldn't help but sit up slightly.

At this moment, Ke Mingyu was wearing a gray plaid suit with a white shirt and black tie inside, and was holding a pure white velvet blanket in his hand. His whole body was like the depths of a dense forest covered with white snow, exuding a sense of serenity...

He was obviously still the same person, but his whole temperament had undergone an earth-shaking change.

Just a moment ago he was a gloomy young man, but now he is "Moshang is like jade, and his son is unparalleled in the world".

This kind of astonishment has nothing to do with appearance, but temperament!

Anyone who knows a little bit knows that for an actor, temperament is the most difficult thing to control, which cannot be seen or touched.

Qi Fang was so startled that he stood up straight away, "Dmn...how could this be...why does this guy look like a completely different person as soon as he gets on the show...this...is this really Ke Mingyu?"

Shen Hanchen continued to stare at the filming intently, Ji Yumeng also held his breath, and couldn't help muttering, "Is it my illusion? I feel that the way Ke Mingyu looks at seniors doesn't seem to be acting out..."

The filming of Ke Mingyu is still going on.

After Lin Yu walked to the balcony, he gently covered Ji Feixue with the blanket in his hand. When he looked at Ji Feixue, his temperament changed instantly, like the warm wind blowing in spring, the ice and snow melted, and thousands of flowers revived in the bottom of the eyes...

After covering the blanket, Lin Yuben was about to get up and leave, but because he took one more look at Ji Feixue, he stopped the movement of leaving.

His hands were propped on the armrests on both sides, as if he had been bewitched by something huge, he couldn't control it, and he approached Ji Feixue little by little...

In those eyes that are gradually sinking, love, rationality, struggle... contain countless complex emotions, ups and downs, thrilling...

As he approached Ji Feixue, almost everyone at the scene was brought into Lin Yu's emotional world, and it was quiet.

...

Chapter 922

Lin Yu, will he kiss?

After all, he has suppressed his feelings for Ji Feixue for so long...

He was the first to know that Ji Feixue was a girl, and he had been helping her cover it up, silently guarding her behind her back as a friend, watching her love Si Xia deeply...

At this moment, Lin Yu was only a breath away from Ji Feixue, and he was about to k!ss him in the next second!

"Dmn! Didn't the script say we didn't k!ss him! What does this kid want to do!" Louis finally couldn't bear it, and stood up abruptly.

I always feel that this kid has an aura that makes him feel very uncomfortable. What's the matter?

Shen Mian glared at him angrily, and said in a low voice, "Keep your voice down! Don't affect my actors' performance!"

"All the good actors in your family have to use their public equipment for private use!"

...

While Louis was arguing, Lin Yu suddenly closed his eyes slightly. In an instant, all the complicated emotions were isolated, and the ambiguous and tense atmosphere suddenly disappeared.

Lin Yu closed his eyes, then stood up, tidied up the blanket that had been blown away by the wind, and then sat down on the rattan chair opposite Ji Feixue.

He casually picked up Ji Feixue's scattered books, and quietly flipped through them, as if nothing had happened just now, and there was not even the slightest ripple on his face.

The staff on the field seemed to wake up suddenly from a beautiful dream and returned to the real world.

At the same time, just now, Ke Mingyu also showed one of the biggest characteristics of Lin Yu's character, that is, the city. After all, being able to restrain emotions so quickly...

Just when everyone on the stage was shocked several times by Ke Mingyu's acting skills, Selena, who had been closing her eyes and pretending to be asleep, didn't know anything at the moment, she just judged from the subtle breath that someone suddenly approached her, and then left.

Before she left, she also heard a very light sigh beside her ears, that voice was like magic, and it was still lingering in her ears until now, as if it was telling the master's repressed and deep emotions.

Finally, after counting the time silently, Selena decided that it was time to open her eyes.

After a while, Selena moved her body slightly, her long eyelashes trembled a few times, and then slowly opened her eyes...

The moment Selena opened her eyes, she saw a man sitting there with his head tilted, holding a book in his hand.

After hearing the sound of her waking up, the man raised his head slightly, and the thin layer of ice on his face, which was originally isolated from the world, broke instantly. His deep eyes looked at her tenderly and dotingly, "Wake up."

After opening her eyes and suddenly seeing such a scene, Selena's heart skipped a beat, and then she just froze there, dumbfounded.

That's right, for the first time ever.

Selena died!

Ji Yumeng looked surprised, Shen Hanchen's expression showed a hint of pleasure, Qi Fang's expression was full of confusion, he thought it would be Ke Mingyu, why did he become Selena?

The most shocking thing at the scene was Louis, sh1t, he actually saw Selena in his lifetime! ? ? ?

Shen Mian was also taken aback for a moment before realizing it, and hurriedly yelled "Ka", a little confused, "Selena, why are you so dumbfounded? Didn't you really fall asleep just now?"

Selena suddenly came back to her senses, got up from the rattan chair, and couldn't help but look at Ke Mingyu who was beside her again...

At that moment just now, how could this person feel so much like the Great Demon King to her?

...

Chapter 923

Selena pinched the center of her brows, and said apologetically, "I'm sorry director, I lost my mind accidentally..."

"It's okay, it's okay, the first half is perfect, you can keep it all, just retake it from the place where you woke up!" Shen Mian said happily.

Before, he was always worried that Ke Mingyu's character was too deep, and he would not be able to act in emotional scenes, but he never expected that he would act so well. The eyes just now were so perfect!

He already had a premonition that when the movie was released, even if he was just the second male lead and didn't have Shen Hanchen's dazzling appearance, he would definitely attract a lot of fans just because of his deep affection.

"Okay..." Selena answered absent-mindedly, and couldn't help but search for Ke Mingyu in the crowd.

After the play, Ke Mingyu became non-existent again, submerged in the crowd, and it took him a long time to find it...

Selena was looking thoughtfully at the man in the corner who was reading the script when Louis suddenly jumped over from the side and pulled her over, "Selena, come here!"

"What are you doing?"

Louis scratched his hair, and said mysteriously, "Selena, do you think this guy acted very much like my uncle just now?"

"Nonsense! You've already felt it, how can I not notice it? How can I be ng if I don't notice it!" Selena said angrily.

...

In the corner, Qi Fang approached Ke Mingyu excitedly and said, "Hey, Ke Mingyu, you were so awesome just now! Even that guy who pulled 250,000 to 80,000 yuan was shocked by you! Your acting skills are really amazing! Self-taught? Do you have any tricks?"

"No."

Qi Fang sat there and chattered for a long time, but the other party only replied two words, his expression was not very good, and he returned to his seat awkwardly.

"Dmn! What are you dragging... A newcomer with an ordinary name, an ordinary appearance, and an ordinary temperament, no matter how good his acting skills are, the entertainment industry is so deep, does he think he is easy to mess with?"

Ji Yumeng pondered, "I heard that Ke Mingyu doesn't even have a brokerage company, and I don't know what his background is. Maybe he has a background in private?"

If it was because of this, he naturally didn't have to deal with them, because there was no need to spend time on them.

"It's just a poor worker." At this time, Shen Hanchen who was on the side said something.

Qi Fang immediately said, "Hanchen, have you inquired about it? Look, I know it! It doesn't look like he has a backstage!"

...

After a short break, the filming resumed.

On the sunny balcony, the man was sitting on the seat, holding a book in his hand, turning the pages of the book occasionally with his slender fingers, exuding an air of nobility. The girl is nestled in the rattan chair opposite, and at this moment, she is slowly opening her eyes...

"Wake up." The man looked up, his eyes were more dazzling than the noon sun, but when he looked at her, he was gentle and non-aggressive, wrapping her warmly.

"Selena... Selena's lines..." Not far away, Shen Mian reminded her dancing anxiously.

However, Selena still stared at Ke Mingyu in a daze, and ng again.

Shen Mian: "..."

What the hell is going on?

Why did he feel that the way Selena looked at Ke Mingyu was wrong! Jane... just fell in love...

After yelling "click", Shen Mian called Selena over to remind her, "Selena, pay attention to your eyes, your expression is wrong! In this scene, Ji Feixue completely regarded Lin Yu as a friend, right? He doesn't have any other feelings at all, your eyes are as if your heart is moving..."

...

Chapter 924

Louis at the side listened to Shen Mian's words, the corners of his mouth kept twitching, looking at Selena's expression, he was speechless.

In the corner, Qi Fang took out a bag of melon seeds out of nowhere, and watched a good show while eating melon seeds.

Ji Yumeng looked worried, a little worried for Selena, but also very puzzled, how could Selena be ng again in such a simple scene? This is not right...

Listening to Shen Mian's reminder, Selena wiped her face, calmed down and said, "Director, I know, do it again, this time I can definitely do it!"

"Okay, let's do it again..." Shen Mian motioned for everyone to start again.

Under the sunlight, Selena slowly opened her eyes.

"Are you awake?" Seeing that she was awake, the man raised his eyes and asked.

one second...

two seconds...

three seconds...

Selena was stunned again, but luckily she realized it in time this time, and was about to continue speaking when the man saw her staring blankly at him, and suddenly the corners of his lips curled up slightly, his deep eyes rippling. shallow smile...

This is just great.

Because of this smile, Selena was completely stunned again!

The third ng...

Selena expressed that she was very tired...

Shen Mian coughed lightly, "Selena, are you in a bad mood today? Let me give you ten minutes to rest!"

After speaking, he signaled the staff to take a rest first, and then left Selena alone and let her adjust her state quietly.

Qi Fang sighed and shook his head, and said to Ji Yumeng beside him, "This is your senior idol, you see, this is her true level, and she recovered her true colors in just one day! Such a simple scene, unexpectedly I ng three times in a row, and I can't even memorize the most basic lines! I thought I was very capable, but it turned out that I was just pretending!"

"Senior is just not in a good state today, why are you gloating, you should worry about yourself! You will have a k!ss scene with Shen Hanchen later!" Ji Yumeng said unhappily.

As soon as the words fell, Qi Fang's face was as dark as the bottom of a pot, and Shen Hanchen's face was obviously very bad...

That's right, they did have a k!ssing scene today...

At this moment, Selena was lying on the chair lovelessly.

Louis stood on the side condescendingly, with a look of contempt on his face, "Isn't it just that you act a little bit, look at your talent! Is your concentration so bad?"

Selena was a little irritable, "You know what the fcuk, talking while standing up doesn't hurt your back, is that a bit like that? I really thought he was possessed by Daniel! Especially when he smiled at me just now and you noticed No? They are simply tempting me to commit a crime!"

"When did he laugh? Are you hallucinating?" Louis was speechless.

Selena said that she was very tired and didn't want to talk. She should be the only one who saw it from that angle just now...

"Is there really such a resemblance?" After all, Louis was from the perspective of a bystander, so he had no way of knowing how Selena felt. However, judging by Selena's reaction, he probably looked alike.

"It's not about his appearance, but about his feeling. Hey, I can't describe it to you... Do you think that Ke Mingyu was disguised by Daniel?"

Louis's head was full of black lines, "Have you read too many martial arts novels? What kind of disguise can change people to that extent? Do you think there is such a thing as a human skin mask?"

Selena murmured, "Who said there is no..."

Louis thought for a while, "Yes, but even the special effects team in Hollywood, which has the highest level of disguise in the world, can't achieve this effect, right? I took a closer look. If it is really a disguise, There is no flaw at all..."

Selena rubbed her chin, "Tsk, what are Hollywood special effects teams..."

The two chatted for a while, Selena couldn't sit still, and suddenly stood up, "No!"

"Why are you going?"

"Explore the situation!" Selena said, walking straight in Ke Mingyu's direction.

...

Chapter 925

"What's there to talk about? Is this guy neurotic..." Behind him, Louis muttered.

Selena walked straight in Ke Mingyu's direction, and then stood in front of him.

Sensing someone approaching, Ke Mingyu raised his head from the script room, and when he saw the person coming, he said, "Senior."

Selena scratched her head with a hiss.

Nima is impossible, right?

How could it be the Great Demon King?

When work was over yesterday, this guy came over to ask for her autograph, saying that he was a fan of hers...

"Senior?" Seeing Selena standing there without speaking, Ke Mingyu called out again.

"Well, it's okay, I just wanted to chat with you casually, your acting skills are pretty good, but I'm a little curious, why did you choose to play the role of Lin Yu in this way?" Selena said, her eyes were like X-rays Scan the man's face.

A face with ordinary features and no features, without any trace of disguise, and the facial expression is very natural...

If it is really easy to hide, few people in the world today can do this.

Selena looked at it for a long time but couldn't see the way, so she could only give up.

She would have stripped him naked if she could.

"Thinking about the script, I think this is the most suitable way for Lin Yu." Ke Mingyu's answer was not unusual.

Selena looked at the other's lips that opened and closed, looked at his eyes that made her lose her mind just now, felt a strong attraction pulling her, and eagerly wanted to know if he was Daniel...

So, before I knew it, I couldn't help but stretched out my hand towards the man's cheek...

After Selena's fingers touched Lin Yu, a strong force behind her pulled her over and pulled her all the way to a corner. Louis said angrily, "Dmn it! Selena, are you crazy! This is the crew !"

"The crew is the crew! Can't I play against him? Why are you so nervous!" Selena didn't think so.

"Is there anyone like you? You look at him so openly that you want to strip him naked! You want to have a scandal before the show is released, don't you?"

Selena coughed lightly, "Is... so exaggerated?"

"What do you think?" Louis rolled her eyes, "It's okay to be sober? What are you thinking about all day long? I think you're thinking about my uncle like crazy! Look at everyone!"

Selena rubbed her forehead, "I guess I'm really a little nervous! Sober, sober, sober!"

"Senior... are you okay?" At this time, Ji Yumeng came over with a concerned face, and then lowered her voice, "Senior, are you on your period? Let me buy you some brown sugar water?"

Looking at the little girl with a concerned face, Selena chuckled, "No, don't worry, thank you!"

"You're welcome, senior, come on, I believe in you!" Ji Yumeng encouraged her.

Selena looked at Ji Yumeng, and a thought suddenly flashed into her mind. She remembered that in the first scene yesterday, Ji Yumeng sat on her lap. At that time, Ke Mingyu didn't seem to have any special reaction?

However, Ke Mingyu had no sense of existence at the time, and she didn't pay much attention to it, so it's hard to say...

Ten minutes passed quickly.

The fourth shoot begins.

"Selena, is it okay?" Shen Mian asked worriedly.

Selena made an OK gesture, "No problem."

It's only three things, even if this guy is really Daniel, it's impossible for her to do it for the fourth time!

...

Chapter 926

"Woke up?"

"Hmm..." Selena yawned, stretched lazily, then pulled out the pillow behind her, hugged her in her arms, dazed.

Although Ji Feixue was dressed in men's clothing, but because she had just woken up and was in front of Lin Yu, who knew her identity, she was unprepared, and the aggressive and unruly aura that was originally intended to maintain the image of a man faded away, and her expression was soft. Huh, there is still a bunch of dumb hairs on the head, like a dazed kitten, it looks very cute...

In an instant, the staff and actors on the scene were all cute!

"Oh! Ex... Senior is so cute! So cute! How can you be so cute! I didn't expect senior to have such a side!" Ji Yumeng took out her phone and took a picture excitedly, "As expected of senior! Too incredible!"

The melon seeds in Qi Fang's hand fell to the ground with a thud, and seeing the scene of the girl cradling the pillow in the wicker chair, her cheeks felt inexplicably hot.

Depend on! hell!

He actually thinks this annoying guy is cute...

Shen Hanchen was also taken aback for a moment, from a man who was so annoying and even a bit annoying to such a cute and cute girl, this span is probably bigger than Ke Mingyu's transformation just now...

"Does it look good?" Ji Feixue tilted his head, looking at the complete works of Shakespeare in the man's hand.

"Hide it well." The man looked at her, and said something that Ji Feixue sounded inexplicable.

Moreover, the man's tone sounded as if his air pressure was relatively low and he was not very happy at this moment.

"Ah? Why?" Ji Feixue looked puzzled, but the expression on his face was ignorant and clear. In front of Lin Yu, she was completely her true character.

The man didn't speak, just turned over one of the pages and handed it to her.

Ji Feixue lowered her eyes, and saw that the page that Lin Yu had turned over had been filled with a person's name without knowing when she hadn't realized it.

It's full, it's all Si Xia... Si Xia...

Ji Feixue's cheeks flushed instantly, and she snatched the book over, "I hate it! How can you read other people's books casually!"

After speaking, Teng Teng Teng held the book and opened the door and ran out of the balcony.

Behind him, the man looked at the back of the girl leaving, feeling helpless and funny. However, after all this was gone, there was an undercurrent of loneliness and so deep that it was impossible to detect...

"Very good! Pass!" Shen Mian breathed a sigh of relief, and said with a smile, "Selena, this time the performance is very good! It's exactly what I want!"

Even better than he expected!

What he wants to achieve is that the image of the heroine, whether as a man or a woman, must be deeply rooted in the hearts of the people!

Selena played the role of a man so well that he was almost afraid that she wouldn't be able to play a woman well... As expected, he was too worried...

"Xiao Ke's performance today is also very good, keep it up!" Shen Mian also praised Ke Mingyu without hesitation.

Out of pity for talent, he is even considering helping Ke Mingyu find a suitable brokerage company.

Otherwise, it would be a pity if such a good seedling goes the wrong way.

After the filming, Selena couldn't help but want to get close to Ke Mingyu, but was stopped by Louis, "Calm down!"

"Leave me alone!"

"I don't care about you, just wait for the scandal to be slapped to death by Ling Zhizhi!"

"Sister Zhizhi is not so cruel!"

"Hehe, isn't she cruel? She's just naive! If you want to die, I won't stop you!"

...

Chapter 927

Louis was really aggrieved, if he was not as good as Daniel, he would admit it.

Now, a newcomer who appeared out of nowhere can make Selena completely ignore him, it's unbearable!

Seeing that Selena was still fidgeting like a cat scratching, Louis said helplessly, "Can I help you find out about this guy?"

"Okay, okay, okay!" Selena nodded immediately.

Selena looked through today's filming schedule, and found that she and Ke Mingyu had only one scene today, so she couldn't help feeling a little regretful.

Most of the plots of this drama are concentrated on the hero and heroine, and there are not many plots of the male second, but most of the opponents of the male second are with the heroine.

The next scene is the scene between Shen Hanchen and Qi Fang.

It's also a kiss scene, two men.

The plot is because Shen Hanchen found that his feeling for the heroine was getting more and more wrong, and he once doubted whether he liked men, and panicked, he found Qi Fang to test.

This scene can be regarded as the biggest joke in the whole play.

Most of Qi Fang's scenes are quite funny. If this role is played well, it will actually be very pleasing.

"Come here." Si Xia stubbed out the cigarette in his hand, and suddenly called Jiang Xiaohai who was sitting beside him playing games.

"What are you doing!" Jiang Xiaohai played without raising his head.

Si Xia simply walked over, and then grabbed Jiang Xiaohai's chin and face, getting closer...

"Ouch..." When they were about to touch each other's lips, the two turned their backs together to make a vomiting appearance.

All the staff on site burst into laughter.

It took more than a dozen takes for this scene to finally pass, and the two rushed over to rinse their mouths as soon as the filming was over.

After rinsing his mouth, Qi Fangsheng leaned back on the chair with nothing to love, "The retribution came too fast... I will never gloat about other misfortunes from now on..."

Shen Hanchen wiped his mouth with a handkerchief, glanced at Qi Fang, and immediately turned his head, obviously disgusted.

"Dmn! What does it mean to be so disgusted! It was you who kissed me forcefully, and I was the biggest victim, okay?"

Looking at these two people, Ji Yumeng laughed so hard that she almost couldn't straighten up...

The scene was full of laughter, when the director's assistant suddenly brought a girl over, as if someone had come to visit the set.

After seeing the girl behind the director's assistant, Qi Fang immediately revived with full blood, "Wow! Beauty! Big beauty! And she's totally my favorite type! Sister Gao Leng Yu!"

Qi Fang was so excited that his whole body boiled.

Shen Hanchen also straightened up, his expression changed slightly, Travis, the eldest lady of the Zhuang family?

How could she come here?

He met him once when he attended a dinner party with his father, not to mention just looking at his demeanor, he would definitely not admit his mistake.

Seeing Qi Fang, Shen Hanchen and all the men at the scene looking at the girl with salivating faces, Ji Yumeng puffed her cheeks and looked unhappy.

"What...it looks good there? With a cold face, it looks like someone owes her eight million! Why do you men like this kind of woman?"

"Hahaha... I think you are jealous, right?" Qi Fang teased.

"Who is jealous!" Ji Yumeng was like a cat whose tail was stepped on. Her appearance is sweet, and she is indeed most envious of those aura-cool beauties...

"Who is that beauty? If it's a star, why don't I have any impression?" Qi Fang asked, poking his head.

"The number one lady in the imperial capital, Travis." Shen Hanchen replied.

...

Chapter 928

"I'll go! No way!" Qi Fang's eyes widened immediately, "How do you know? Do you know each other?"

Seeing Qi Fang's adoring gaze, Shen Hanchen's vanity was greatly satisfied, "I met him once at a dinner party."

"Could she have come to see you?" Qi Fang asked suddenly.

Shen Hanchen shook his head, "We are not familiar with it, probably not." In fact, he himself also wanted to know this question.

Could it be that he came to see Louis?

After all, Louis has the most fans in the celebrity circle...

"Did you come to see Louis?" Ji Yumeng also asked.

Qi Fang scratched his head, "No way? Louis is not a member of our crew, but he came to visit Selena. Ms. Zhuang is still chasing stars here?"

"That's weird... Since you said she was Travis, and we are all newcomers, no one has the ability to invite this distinguished young lady?" Ji Yumeng was puzzled.

...

"Miss Zhuang, this way, Karen has already told me in advance that you will come!" The assistant quietly looked at the beautiful woman beside him as he spoke.

"Thank you!" Travis nodded slightly, feeling a little strange about the assistant's name for Selena, Karen? Is it because Selena is a woman disguised as a man in this play?

"Today... is Selena in men's clothing?" Travis asked hesitantly.

The little assistant nodded, looking a little excited, "Yes, yes! These two days are men's clothing! Karen's men's clothing is so handsome! It's a pity that you didn't come yesterday, yesterday's scene was really exciting..."

"Really?" Travis felt a little regretful when she heard it, and her heart beat faster and faster when she thought that she would soon see the "male god" she had been thinking about for a long time.

"Karen, your friend is here to visit the set!" The little assistant shouted to Selena, who had just changed into a costume not far away and was talking to the director.

"Huh?" Selena subconsciously looked in the direction of the little assistant.

For the shooting of the next scene, Selena had changed into another outfit at the moment, a black leather flight jacket inlaid with rivets, washed jeans, boots with exaggerated patterns, her hair was fluffy and messy, and her bangs slightly covered her Eyes, dressed in a very similar way to when they appeared in Saul's villa that day...

The moment she saw Selena, Travis's heart skipped a beat. It was as if she had traveled through time and space and returned to the scene when she saw the male god for the first time that day.

Selena said something to the director, and then went up to meet her, "Ker, you're here! Why don't you call me in advance so I can pick you up..."

Travis stared at her blankly, her eyes were slightly flushed, and tears were trembling.

Selena panicked immediately, and hurriedly grabbed her shoulders, "What's the matter? Is your brother being naughty again?"

Travis shook her head, "No...no..."

"That is?"

"I'm just... happy!" Travis lowered her eyes in embarrassment, "I thought I'd never see you again..."

Selena knew that the "you" she was referring to was Keren.

For Travis and Selena, she actually felt a little guilty. She accidentally teased her, and she couldn't be responsible...

However, when they met for the first time, how could she have expected that they would become such good friends in the future!

Selena gently hugged Travis into her arms, and comforted her softly, "Idiot, how could that be, from now on you can see each other every day, whenever you want, I'll let you see each other!"

Travis nodded happily, "Yeah!"

Not far away, Louis had a ghostly expression on his face. Nima, Travis had a blind date with his uncle before, shouldn't he be Selena's rival in love?

What is the situation now?

Just as he was in shock, his spine suddenly went cold, and he inexplicably felt a familiar chill from his surroundings...

...

Chapter 929

This penetrating feeling is too familiar...

So much so that a flash of inspiration flashed in Louis's mind, he subconsciously turned his head and glanced in Ke Mingyu's direction.

Then, I saw Ke Mingyu make a shocking move...

The man raised his hand and pinched the center of his brow...

It was his uncle's habitual little action when he suppressed his emotions. The same action, different people will definitely feel completely different, but Ke Mingyu is exactly the same as Daniel, and! Now Ke Mingyu is not acting!

fcuk!

Could it be that Ke Mingyu really belonged to his uncle Yirong?

Selena's intuition is so sharp?

Louis was full of doubts, and was about to tell Selena quickly, but at this moment, the other party seemed to notice his gaze, and the ordinary eyes suddenly became cold and wanton, and the eyes locked on him frighteningly.

That's a warning!

Louis's back stiffened immediately, and he was frozen in place on the spot. His instinct for survival made him immediately raise his hand to zip his mouth!

uncle! uncle! I did not see anything! I won't say anything!

Time passed by every minute and every second... After a while, the man was probably sure that he would not talk too much, and the terrifying warning in his eyes receded like a tide, and he closed his eyes to rest his mind.

Louis was so frightened that his back was soaked in cold sweat...

Say yo!

Really follow Selena, any miraculous things may happen!

It's so exciting!

At the same time, at the shooting scene, Selena was happily chatting with Travis, while the others looked at Selena and Travis's direction and whispered

gossip... No one knew that Louis had just experienced a catastrophe. Thrilling for the rest of my life!

"Dmn it! Miss Zhuang actually came to look for that kid! See it, see it! You also said what about your senior! He has no integrity than all of us combined! I'm so pissed off! Yes! Why does Miss Zhuang have such a good relationship with that guy? She must have been deceived by that guy's slick tongue!"

She is clearly a noble and glamorous Yujie, but it is simply unscientific for her to be such a soft girl in front of Selena!

Ji Yumeng stared at those two, then kicked Qi Fang, "Shut up! Senior is a woman, okay?"

Qi Fang let out a heck, "Oh, oh, you still know it's a woman? It's a woman, why are you so angry and so jealous?"

"Shut up!" It was Ji Yumeng who answered him with another meal of Nine Yin White Bone Claws!

In the crew, Selena was the gentlest girl to her, and had the closest relationship with her. She always felt that she was the most special, but now a woman with a noble status suddenly appeared and killed her n blocks Being so close to Selena, can she be happy?

After Travis arrived, Selena immediately put other things aside and pulled her to sit down on a chair beside her.

"I'm sorry Selena, I was planning to come earlier, but I have to watch my brother..." Travis looked helpless.

"How is your brother?" Selena asked.

"I fell asleep as soon as I came back last night, and I have been staying at home today. It seems that I am not in a good mood, but it is much more peaceful." Travis replied.

Because of the quarrel last time, grandpa was almost in danger of having a heart attack, his father lost control once again, and mother was busy with work and was away all year round. Let her know everything in the future, especially not to call grandpa, otherwise if something happens again, the consequences will be disastrous. She still has lingering fears when she thinks of what happened last time.

Chapter 930

"That's good." Selena nodded. But she also knew that Zhuang Rongguang might not live in peace for too long, and she wanted to completely subdue him, this small amount of strength was obviously not enough...

After being warned just now, Louis has been sitting quietly in the corner making a quail shape, and finally couldn't help it when he heard this, "I'll go! Selena, the woman you helped in the game for most of the day last night That's her? How on earth did you two get together?"

"It's none of your business, can women stop interrupting when they talk!"

"..."

After chatting with Travis for a while, the next scene is about to start.

Selena asked Travis to sit down in her seat, put a pillow on her back, covered her with a blanket to keep out the cold, and asked Xiao Tao to buy her a cup of hot cocoa before going to work up.

A gust of cold wind blew by, and Louis, who had nothing to hang aside, felt bleak in the wild wind, and his heart felt cold.

"I also came here to visit the class, why is there such a big difference in treatment? Why! You are a guy with the opposite sex and no blood!"

Louis's face turned dark, he gritted his teeth fiercely and thought with a snort, let you be so fierce to me, let you be so fierce to me! I will never tell you who Ke Mingyu is, you are doomed!

He sneaked a glance in Ke Mingyu's direction and saw that the other party had completely recovered his calm. If he hadn't seen it with his own eyes, he would have thought that he had just had a dream.

Seeing Louis's angry face, Travis handed over a piece of snack, "Do you want it?"

"No!" Louis snorted, then looked at her, "How did you two know each other?"

Travis recalled sweetly, "We met at a party held by Saul. At that time, Selena was wearing men's clothes. There was some accident at that time. Fortunately, he helped me out...then we met again at my house... .."

Travis talked intermittently about the process of getting acquainted with Selena. After listening, Louis said that his world view had been subverted.

Forcibly turning her rival in love into his uncle's rival in love!

Selena is simply not human!

What happened to my sudden sympathy for his uncle...

"I won't tell you, I want to watch Selena's filming!" Seeing that the filming started, Travis immediately sat up and stared at the scene intently, with the expression of a fan girl.

Before the filming started, Selena suddenly walked up to Louis and said in a low voice, "Help me pay attention to that guy's reaction later!"

Louis naturally knew that she was talking about Ke Mingyu, and asked guiltily, "What is your next performance?"

Selena: "Well, the sofa is booming..."

Louis: "Wait... What the hell is the sofa?"

Selena, don't play tricks, hey!

This is a match between Selena and Shen Hanchen.

The male protagonist Si Xia in the play is excellent in all aspects, but there is only one thing, he will be at a loss when facing girls, and his IQ and EQ are all offline.

The male protagonist has a girl whom he has been secretly in love with for a long time, but he suffers from this problem and does not know how to pursue her.

In the living room, Si Xia, who was usually meticulous in appearance, was now haggard, with disheveled hair, two dark circles under his eyes, and he was slumped on the sofa with an expression of lovelessness.

At this time, Ji Feixue, who was dressed handsomely, opened the door and came in, forming a stark contrast with Si Xia.

"My young master Shen, it's just chasing after a girl, so why make it difficult for you?" Ji Feixue took out two cans of beer from the refrigerator while talking, and threw one of them to Si Xia.
