

# Cruel Heart Lover Novel

## Chapter 972

Probably because the goods are more miscellaneous, the clerk who went to get the clothes from the warehouse went for a while, and he hasn't come back for a long time.

During this period, Selena had been sitting in a secluded rest area taking a nap, with no intention of leaving.

Lu Xinyan looked in Selena's direction, and immediately transferred the anger of her agent's failure to her, and said unhappily, "Sister Ziyao, eldest aunt, now you all believe that she followed us on purpose, right? Someone is waiting." Do people wait so long? And there are so many places, milk tea shops, coffee shops and restaurants, it's not a good place to choose, why do you have to sit here and wait for people?"

This time, even Guan Ziyao didn't speak.

She instinctively felt that Selena was unlikely to use such a blunt way to get close, but after thinking about it, she felt that it was understandable.

After all, for a woman of Selena's level, let alone a chance to please her, even if she usually wants to get close to the elders of the Lu family, it would be extremely difficult. This time, she happened to meet her, and she wanted to find an opportunity to sell her in front of Yan Ruyi. What a good boy, it's understandable...

It's just that she didn't know what the woman was going to do next after following her all this way. After having learned the lessons from above, Guan Ziyao tensed up for a moment and didn't dare to take it lightly.

Lu Xinyan has a fiery temper, and she couldn't take it anymore when she had endured to the extreme, so she walked quickly to Selena in the rest area, "You woman, have you had enough! Are you still addicted? Are you so shameless?" Does my brother know that you don't have skin? You don't buy clothes when you come to the clothes store, and you just sit here and sleep as a matter of course. You can treat this place as your home! Do you want to be so thick-skinned!"

Selena had a headache from the noise, and raised her head with a cold face, "Have you said enough?"

Seeing Selena's arrogant attitude, Lu Xinyan was even more blown away, and was about to go all out to recuperate and swear at others, when suddenly a series of messy footsteps came from behind...

The first one to come in was the little clerk who went to get the clothes, "Sorry, sorry, the warehouse is a bit messy, I kept the three of you waiting for a long time! Miss Lu, all the clothes you asked for have been brought!"

Lu Xinyan's attention was diverted, and she hurried to look at her clothes.

The one who came in behind the little clerk was the manager of the main store that Lu Xinyan knew, and there were several male employees, each carrying a stack of clothes in their hands.

"Miss Lu is here. I'm sorry, I'm really busy today. Our boss came to the store to adjust the goods. I couldn't entertain you in person. If you need anything, just let Xiao Zhao know!" The store manager said to Lu Xinyan politely. Said hello and apologized.

Lu Xinyan showed a suspicious expression when she heard the words.

Zeling's boss?

She stayed in the store for so long just now, why didn't she see anyone who looked like the boss? Just a few customers coming and going and a small shop assistant who is busy...

Zeling's boss seems to be quite mysterious. When she was notified that the agent's audit had not passed, she originally proposed to talk to the boss directly on the phone, and then continued to call several times, but every time she got The answer is that the boss is very busy, so far I have not been able to see each other.

So, upon hearing what the store manager said, Lu Xinyan was quite curious and wanted to meet the boss.

"Shop Manager, has the boss come to the store yet? Why didn't I see it? I happen to have some cooperation matters to talk to your boss!" Lu Xinyan looked at the store manager and asked.

...

## Chapter 973

Hearing this, the store manager looked around the store in a hurry, but couldn't find anyone for a while, "The boss said she was already in the store, so I called and asked... Ah! Boss! You are here!"

The store manager who was about to make a call put down his phone, looked at Selena who was walking towards her from the rest area in the corner, and hurriedly said, "Boss, all the goods you need have been dispatched, you can check them out." Go! Oh, by the way, there is also this Miss Lu, who seems to want to talk to you about something!"

After the store manager finished speaking, he did not forget to introduce Lu Xinyan, "Miss Lu, this is our boss, if you have anything to do, just tell her directly!"

What?

As soon as the store manager finished speaking, not only Lu Xinyan, but also Guan Ziyao and Yan Ruyi all had astonished expressions on their faces.

What does the store manager mean?

Their boss is... Selena?

"No... Wait... Manager, what are you talking about? You mean, this woman is your boss?"

"Yeah..." Seeing Lu Xinyan's shocked expression, the store manager thought she was a little surprised because she saw Selena was so young and beautiful.

To be honest, she was shocked for a long time when she saw her female boss for the first time!

So, the store manager explained with a smile, "Our boss is usually very low-key and is too busy, so probably few people have seen her. Miss Lu, you came by coincidence. The boss happened to come to the head office today to transfer goods, otherwise Even we usually don't see the boss!"

Selena is Zeling's boss...

The reason why she entered this store and still sat there all the time was because she came to wait for the goods to be transferred...

Listening to the store manager's words, Lu Xinyan's face turned blue and white, and the color changed like a carousel.

Yan Ruyi originally thought that Selena was here for her, but her expression was extremely embarrassing for a moment, and it was more of a surprise. She didn't expect that this woman would be the owner of this shop that she thought was very good.

Guan Ziyao frowned secretly, and suddenly thought of a detail. When she heard Selena calling, she seemed to say "Young Master Mo". Could it be that she was calling Mo Lingtian just now?

No wonder even Mo Lingtian couldn't let the other party let go. Who would have thought that Zeling's boss would be this woman...

No matter how vigilant she is, no matter how much she guards against, it is impossible for her to expect such a result!

"I didn't expect Miss Ning to be Zeling's boss, she is really young and promising!" Guan Ziyao said.

"Miss Guan, you're being polite. Please choose among the three slowly. As for Miss Lu, I believe Director Qiao has made it very clear to you."

After Selena finished speaking, she was about to continue to work, when Lu Xinyan shouted from behind: "Selena, stop! I'll just say it! It turned out to be you! You deliberately blocked me from letting me represent you! You It's clearly public revenge!"

Selena didn't want to pay attention to it at first, but with so many employees here, she had to make a statement.

So he turned around, looked at Lu Xinyan and said, "Miss Lu, I would like to ask you a question. If you don't have the name Daniel behind you, and seeing your record of ten battles and ten defeats, do you think there is a partner who will be willing to cooperate with you?" Work with you?"

If she didn't have the name Daniel behind her, and if she didn't have the background of the Lu family...

"I..." Lu Xinyan was unable to utter a rebuttal for a while.

"Zering is just on the right track now, I'm sorry that I really can't use it for Ms. Lu's optional practice."

...

## Chapter 974

Having said that, looking at Lu Xinyan, who was biting her lip in embarrassment, Selena paused for a moment, and then continued, "However, I can see that Miss Lu really likes our brand, which is very Thank you for your love and support, if Ms. Lu really wants to represent Zeling, if she can show a serious attitude and full sincerity, the door of Zeling is always open for you!"

"Farewell." After saying this, Selena turned and left.

"What's so great! Who cares about it! Isn't it just a broken brand!"

Although Lu Xinyan was shocked by what she said just now, she couldn't admit it out of her mouth, and she blurted out curses out of control.

No one has ever dared to say such words directly in front of her, but this hateful woman, isn't she just saying that if she doesn't have the protection of her family, she will be useless?

Yan Ruyi on the side looked at Lu Xinyan, shook her head, disapproved all over her face, and said seriously, "Xinyan, in fact, what that girl said is not unreasonable. If you really want to make some achievements by yourself, don't always be in three days." Fishing for two days and drying the nets, take it seriously, and concentrate on doing one thing well. Otherwise, just don't toss about this and that all day long, the Lu family doesn't need you, a girl, to show your face outside."

"I don't want it! I don't believe I can't!" Lu Xinyan angrily rushed out the door.

Guan Ziyao and Yan Ruyi hurriedly chased them out, but they didn't catch anyone.

"Hey, this kid is still young, unstable, and wayward!" Yan Ruyi sighed.

When she thought that Selena was probably only a few years older than Lu Xinyan, but she had already established her own brand, Yan Ruyi couldn't help feeling a little bit emotional in comparison.

What happened today really made her look at that woman with admiration. She thought that woman was just using her face to get into the entertainment industry, but she didn't expect that it was a little different from what she knew. What she said to Xin Yan just now It's also well written...

It's this identity...it's a pity...

Seeing Yan Ruyi's eyes on Selena in the shop, her expression seemed to show a hint of admiration, Guan Ziyao was startled, walked forward with Yan Ruyi's arm, and said, "Auntie, in fact, Xinyan has such a heart. It's also pretty good, if you stick to it, maybe you will really achieve something?"

"I don't know her yet? She really doesn't have that talent!"

"However, I think Xinyan seems very sad. In fact, this Zeling is not very good. I seem to have heard some bad rumors before, saying that the designer of Zeling copied the history of another brand. How about, I will help Xinyan contact History later and let her act as an agent of this brand. History is well-known in the world, and its grade is much higher than Zeling!"

Yan Ruyi patted her hand, "It's hard for you to worry about her!"

"Auntie, you are too polite, it's just a trivial matter! Besides, Xinyan is also my friend!" Guan Ziyao said, while countless thoughts flashed in his mind.

She suddenly discovered that before she knew it, that woman had grown stronger step by step, and even changed Yan Ruyi's thoughts a little bit, from using Rick to what happened today...

Originally, she was still thinking about fair competition, and she didn't have to use any means to deal with this kind of woman, but now she was a little panicked.

...

After Lu Xinyan and the others left, the shop manager and the shop assistants all looked worried, "Boss, this Lu Xinyan's backstage is very tough! Is this... really all right?"

While counting the goods, Selena casually said, "Don't worry, your boss and I have a stronger background!"

...

...

## Chapter 975

At night, in a high-end villa area.

"Ziyao, why are you so depressed? Did you encounter something unhappy? Aren't you going shopping with your Aunt Lu today?" Guan Rui had just stepped downstairs when she saw her daughter sitting on the sofa in the living room in a daze, with an uneasy expression on her face. Can't help asking.

Guan Ziyao came back to her senses, frowned and said, "Father, when I was shopping with Aunt Lu today, I met that woman and learned that she is the behind-the-scenes of a clothing brand that has been very popular recently and even supported by the state." boss..."

Guan Rui smiled nonchalantly when he heard the words, "That's it? I thought it was a big deal, it must be Daniel helping her behind the scenes, otherwise how could she be so capable as an actress? But... I didn't expect Daniel to do it for her. At this point, it seems that she is preparing for her to pass through the door, otherwise, how could she try her best to raise her worth..."

Thinking of this, Guan Rui's face immediately darkened, "I can't let that woman run wild any longer!"

Guan Ziyao looked worried when she heard the words, "Father, what do you want to do? Now that Daniel is protecting that woman so much, even Aunt Lu and Uncle Lu dare not touch her, if you..."

During this period of getting along with Yan Ruyi, she also heard a lot about that woman indirectly from her mouth. She learned that Daniel, who has always been filial, had disobeyed his family many times because of that woman, and even quarreled with Lu Chongshan several times. , She couldn't believe it.

"Don't worry, I don't need to do anything. A woman like her who flaunts her beauty and goes to the entertainment industry, is she still worrying about not being able to catch her?" Guan Rui snorted coldly, with a look of disdain.

Guan Ziyao realized her father's meaning, frowned and said, "Father's meaning is... But now that she's in love with Daniel, how could she talk to other men? With Daniel as his backer, there's no need to be bound by unspoken rules." what?"

She thought that woman shouldn't be so stupid, and she wouldn't be so easy to deal with.

Guan Rui shook his head and said, "Ziyao, you are still too naive, people's greed is endless, especially the kind of women who have lived at the bottom since childhood, are even more greedy, have a low nature, and even

flirtatious... Even if she hides it, There will always be a day when you will show your feet!"

"Listen to my father...have you discovered something?" Guan Ziyao asked tentatively.

Guan Rui smiled confidently, "Don't worry, father will take care of this matter, you just need to spend more time to spend time with Aunt Lu, lest they still hold grudges about what happened at the birthday party last time."

"I see!"

Guan Ziyao nodded, and couldn't help but fell into deep thought...

At first, because of her pride, she disdained to use any methods against that woman, and felt that it was absolutely impossible for her to lose.

However, gradually, she realized more and more that things were out of her control, and Daniel's attitude towards that woman repeatedly overturned her perception.

The calm and wise man in her memory, the only man she thought could stand by her side, was so fascinated by such an empty, vulgar and humble woman.

This made her unbearable no matter what!

In the end, Guan Ziyao finally convinced herself that there was no need to be moral to her when dealing with this kind of person. She had to make Daniel sober and let him return to the person she knew!

...

## Chapter 976

While Zeling's business is in full swing, the crew's progress is also going smoothly.

The second girl, Jian Shu, who was postponed because she was going to participate in a dance competition, also joined the group. The girl is a ballet dancer, and she has good looks, temperament and acting skills.

As for Shen Hanchen and Qi Fang, since they saw Selena's women's clothing once, their attitudes when getting along with Selena have improved a lot. They cooperated very well when acting, and they no longer deliberately found faults.

Unknowingly, the filming has come to an end, and the progress has been shortened by two full months compared to the original filming time, which made Shen Mian very happy.

This morning, as soon as Selena arrived at the set, she jumped up to Ke Mingyu and handed over a pink bag, "Ke Ke! Ke Ke! I brought you breakfast!"

Looking up at the love breakfast handed over by his wife in front of him, Ke Mingyu frowned gently, "Thank you, senior."

"Oh, by the way, there's still milk, take it! Nourish your body!" Selena handed over another box of strawberry milk.

"Senior, mine is mine! Why only Mingyu has it? Senior, you are too biased! You only bring breakfast for Mingyu every day!" Behind him came Qi Fang's extremely resentful voice.

"Because Ke Ke helped me catch a snake!" Selena looked at Qi Fang with a meaningful tone.

Qi Fang clutched his chest, expressing that he had received a knowing blow:  
"..."

I'm so pissed off! Make a wedding dress for others for nothing! He worked so hard to catch that snake, but in the end it was all cheap, Ke Mingyu, if he had known today, he would have gone up to save the beauty by himself!

Uh, what's wrong... You don't need someone to save you at all, okay?

However, after he thought about it carefully, the change in senior's attitude towards Ke Mingyu seems to have started from the day Ke Mingyu helped her catch the snake...

Not long after breakfast, Selena hopped up to Ke Mingyu again...

"Ke Ke! Ke Ke! Come and play!"

"En." Ke Mingyu nodded.

"Senior! It's not fair! Why do you only play with Ke Mingyu?" Qi Fang rushed over from the corner again, the grievances in his body almost materialized.

Selena took it for granted, "Because Ke Ke didn't come from a major, as a senior, I naturally have to take care of him more!"

Qi Fang almost broke down and scratched his hair, "Senior, don't you think you are too blind when you say this? Besides you, he is the best acting in our crew, okay! Also, why do you call him Ke Ke? But don't call me Qi Qi! Let it go!"

Selena blinked her eyes, "Qi Qi...Fang Fang...how ugly!"

Qi Fang: "..."

The disgusted Qi Fang directly covered his face and ran away in tears.

It's too creepy!

Shen Hanchen doesn't compare with him, it doesn't matter that Ji Yumeng and Jian Shu are girls, but why is Ke Mingyu more favored than him!

Ke Mingyu is obviously not as handsome as him!

Ji Yumeng held her chin and muttered to the side, "Karen, you are indeed too partial to Ke Mingyu, even I'm going to be jealous..."

"Hahahaha... Hey, who made him so miserable in the drama! I have to treat him better in reality!" Selena laughed.

Who made him my boyfriend... Hehe...

Shen Mian at the side watched a group of young people get along well from mutual exclusion to now, and was deeply moved. It was as if she had returned to the first filming ten years ago...

Seeing that the scene props are almost ready, Shen Mian clapped her hands, "Everyone, get ready, the shooting will start right away!"

"Good director!"

"coming!"

...

## Chapter 977

"3! 2! 1! Action..."

In this scene, male one male two male three, female one female two female three, all six leading actors are present, and this scene is also the highlight of the whole play, so, in order to make the filming effect better at that time, Shen

Mian deliberately We postponed the scene to the present, and started filming when everyone was getting along well.

Scene: ktv box

Characters: Si Xia, Ji Feixue, Lin Yu, Yin Qianli, Jiang Xiaohai, Ji Yumeng

Plot: With the help of the heroine Ji Feixue, Si Xia finally succeeded in pursuing the goddess Yin Qianli, and confirmed the relationship between her boyfriend and girlfriend. This day is Yin Qianli's birthday, and Si Xia invited friends to celebrate her birthday together.

"Hahaha... This glass of wine is a toast to our birthday stars Qianli and Si Xia! May the two of you stay together forever and have a baby!" Jiang Xiaohai teased with a smile as he raised his wine glass.

Yin Qianli was embarrassed by Jiang Xiaohai's words, Si Xia smiled and thumped Jiang Xiaohai's shoulder, "What nonsense!"

"That's right, that's right! Shouldn't you give a toast to your great matchmaker!" Jiang Xiaohai looked in Ji Feixue's direction and made a fuss.

After all, Si Xia, who has a negative EQ, was able to catch up with the goddess, all because of Ji Feixue's help.

When Yin Qianli and Si Xia heard this, their expressions were stunned.

This seemingly happy birthday party is actually full of undercurrents, and everyone has different thoughts.

In fact, Yin Qianli fell in love with Ji Feixue who was confessing for Si Xia at first sight, and even directly told Ji Feixue her feelings.

But Ji Feixue loved Si Xia deeply, and rejected Yin Qianli without any room for change. Yin Qianli agreed to associate with Si Xia in order to get revenge on Ji Feixue.

At the same time, Si Xia had actually gradually discovered his strange feelings for Ji Feixue. In order to avoid the fact that he fell in love with a man, he immediately started dating Yin Qianli. At the same time, he thought that his good brother Ji Feixue also He likes Yin Qianli, but he doesn't know whether to be jealous of Yin Qianli or Ji Feixue.

As for Lin Yu, he saw everyone's secrets as an outsider, and he also guarded his own secrets.

In this scene, everyone's acting skills must be online, as long as one person can't keep up, they have to repeat ng, so it is very difficult.

It did ng a few times at first, and then the filming continued.

Looking at Si Xia and Yin Qianli who were in sweet love, Ji Feixue kept smiling happily, drinking wine, blessing the two of them, as if she was the happiest one tonight, but the sadness in her eyes had already spread Cheng Hai...

In the corner, Lin Yu's eyes kept falling on Ji Feixue, his eyes were secretive.

Ji Feixue gradually became drunk, staggered to sit on the high stool in the middle, and ordered "Onion".

"If your eyes can be for me, a moment will come, if you can hear the sound of heartbreak, silently guarding you, silently waiting for a miracle, silently making yourself like air..."

"Everyone is eating, chatting and laughing, how happy I am tonight, I am in the corner, laughing so gregariously, the onion on the bottom of the plate is like me, always a condiment, secretly looking at you, secretly hiding myself..."

"If you are willing to peel off my heart layer by layer, you will find that you will be surprised. You are my most repressed and deepest secret... I am an onion, always a supporting role, I hope Being able to have a second with you, an exclusive plot..."

This song, like a sharp sword, pierces everyone's disguise.

...

## Chapter 978

After singing, Ji Feixue rushed out of the box out of control.

The person chasing after him turned out to be Yin Qianli!

Yin Qianli thought that Ji Feixue liked her too, that he sang this song for herself, that he let her out because of his brotherhood with Si Xia.

The camera cuts, and the camera switches to the corridor of the ktv following the actors.

"Fei Bai!" Yin Qianli stumbled after him, mustered up his courage and hugged Ji Feixue from behind.

Ji Feixue's body froze.

She knew she should push her away.

However, the body at this moment is completely out of control.

She turned around slowly and hugged Yin Qianli.

Afterwards, Si Xia, who chased him out of the private room, just happened to see this scene. Seeing his good brother hugging his girlfriend, his pupils shrank suddenly, "Ji Feibai! What do you mean?"

There was neither sadness nor joy in Ji Feixue's eyes, she just looked at him quietly, "Si Xia, tonight...you haven't even glanced at me, now, you finally look at me."

"What?" Si Xia was inexplicably startled because of Ji Feixue's gaze at the moment.

Ji Feixue stared fixedly at the man in front of him, the desperate emotion in her eyes became more and more turbulent, and said slowly, "The dragon who can't write letters, if he misses the knight, he will kidnap the princess, so that The knight came to meet it..."

Si Xia's complexion changed in shock, "What the hell do you mean?"

Ji Feixue's eyes seemed to burst out of a cage, "I mean...Si Xia, I like you."

In an instant, the shock on Si Xia's face, Yin Qianli's disbelief, Qi Fang's sluggishness, Ji Yumeng's sigh, and the fateful sadness in Lin Yu's eyes...

"Ka! Very good! Pass!" Shen Mian shouted excitedly.

The director has already called a stop. Shen Hanchen, Qi Fang, Ji Yumeng, and Jian Shu are still immersed in the play, unable to get out of the play.

Only Selena and Ke Mingyu played in an instant, and their expressions had returned to normal.

Qi Fang patted his chest and said, "Dmn it! This scene was so f\*cking enjoyable!"

Ji Yumeng nodded again and again, "Especially Karen, the look in his eyes is amazing! Hanchen is also very good today! But the one who shocked me the most was Ke Mingyu! He clearly didn't have a single line in this scene, yet it made my heart ache to see it." died!"

Not only did Ji Yumeng think so, Xiaotao, the makeup artist Ye Qiu, and some other working people who were watching were also huddling together and whispering excitedly.

"It's over, it's over! I found that I like the male second Lin Yu more and more, what should I do?"

"Me too, I really hope that the heroine will be with Lin Yu! Lin Yu is so pitiful, she has silently done so much for the heroine, but the heroine only has the hero in her eyes... I feel so sorry for me!"

"Besides, I wonder why Karen and Ke Mingyu are a good match?"

"Hahahaha you are not alone..."

While watching the video, Shen Mian said in a good mood, "Everyone is doing very well, and our progress is also fast! We will give you all two days off from tomorrow!"

The crowd cheered.

With a book in his hand, Shen Hanchen was looking for Selena, but he didn't see her. Ke Mingyu also disappeared at the same time.

Shen Hanchen's eyes couldn't help dimming slightly.

Ever since he saw Selena's women's clothing, his gaze always followed her uncontrollably. Gradually, he discovered that Selena looked at Ke Mingyu very differently. Happened for the first time...

Coupled with Selena's special attitude towards Ke Mingyu, although there is no definite evidence, everything seems to point in one direction.

It's just that he doesn't want to believe it.

No matter in terms of family background or appearance, between herself and Ke Mingyu, how could she fall in love with Ke Mingyu instead of herself...

...

## Chapter 979

In an empty lounge.

Selena blocked Ke Mingyu behind the door, and stood on tiptoe to kiss him if there was any disagreement.

"What are you doing?" Ke Mingyu raised his eyebrows slightly, avoiding the girl's kiss.

Selena puffed her cheeks unhappily, "Of course it's to soothe your wounded heart!"

The man chuckled, "Don't make trouble, this is the crew, be careful not to be photographed."

Selena was speechless, it's only been a few days! She is actually more dedicated than her...

"How is it possible, our crew is so low-key, and there is no big name, what idiot paparazzi will come here to dig up news! kiss! kiss!" Selena jumped up and down.

The man had no choice but to bend down cooperatively.

"Be good, be good... I only like you..." Selena stroked the man's head while kissing his cheek, just like comforting a child.

The man was made to laugh a little by her, "Don't worry, I'm fine, I'm just filming."

Although occasionally seeing her and Shen Hanchen's scenes, he still feels a little out of control, but since he personally experienced the filming process and saw her seriousness and concentration, he has gradually been able to separate filming from reality, and he will also restrain his emotions.

Selena raised her head, looking at the man who was clearly so proud in front of her, seeing the little changes he made for herself, felt an indescribable feeling in her heart...

"Honey, I must have saved the whole world in my previous life, and I only met you in this life!" Selena vowed.

"Then I must have been by your side in my previous life and saved the world with you."

Ding! The Great Demon King's love talk skills are online!

...

In the evening, Guan's villa.

Guan Ziyao pushed open the door of the study, "Father, what do you need from me?"

"Ziyao, come here, I'll show you something!" Guan Rui smiled, and seemed to be in a good mood.

"What?" Guan Ziyao walked over in confusion.

Guan Rui pushed the laptop on the desk to her, "Look at this!"

Could it be the one my father said last time...

Guan Ziyao glanced at Guan Rui, then walked over nervously.

Just glanced at the computer Guan Ziyao was stunned!

What I saw was a photo on the computer screen. In the photo, a woman with a sweet smile on her face was actively tiptoe-k!ssing a man. The gestures of a man and a woman looked very intimate.

The photo was fairly clear, the woman in the photo was obviously Selena, but the man in the photo was not Daniel!

"This..." After seeing this photo, Guan Ziyao's eyes widened in disbelief, and then hurriedly pressed the mouse to continue scrolling back.

The following photos are all of Selena and this strange man. The two are extremely close, obviously this is not the first time they have had an affair.

Guan Ziyao couldn't believe it, "How could it be..."

Guan Rui snorted coldly, "It's nothing strange, I've said it long ago, this kind of woman is easy-going and restless, and she will definitely show her feet one day!"

Guan Ziyao was full of anger, "It's too much! Daniel treats her so well! How could she do such a shameless thing!"

Guan Ziyao repeatedly looked at those photos one by one, feeling more relieved than angry.

All the uneasiness and gloom that had been in the past few days disappeared at this moment.

it's over...

She knew that as long as she had these photos, Selena would be completely finished!

Even if Daniel was fascinated by her again, no man would accept his girlfriend doing such a thing behind his back!

...

## Chapter 980

"Father, what are you going to do with these photos?" Guan Ziyao asked.

Guan Rui pondered for a moment, then opened his mouth to analyze, "Originally, I planned to hand it over to the major newspapers to expose it directly, so as to completely stink that woman's reputation, but after thinking about it carefully, there is no need. With Daniel's ability, he will definitely be able to find out. When we realized that we did this, and if we were found to have made his scandal public, it would easily arouse his resentment, after all, this kind of thing is related to a man's face!"

Guan Ziyao nodded, "Yes, I don't want him to be embarrassed either."

"So, I suggest that you go directly and aboveboard to hand over these photos to him, and then tell him that I sent someone to check. As for that woman, when Daniel sees these photos, do you think that woman will still end well?"

"I see, Father, I'll contact Daniel right away."

"Okay, let's go!"

...

At the same time, Platinum Emperor Palace.

Daniel was handling business in the study, and Selena, who had been busy in the kitchen, knocked on the door of the study with a cup of soup in his arms.

"Master Boss, let's eat supper!"

During this period of time, Daniel not only had to deal with the company's affairs, but also filmed movies. Selena felt so distressed when he saw one person as two people, so not only did he come here to cook for him every day, but he also had to cook for him every night. Make supper.

So... During this period of time, not only did Daniel not lose weight at all, but he also gained a little weight. His complexion was also extremely rosy, and his face was radiant every day. Even Rick was fed a lot of weight by Selena.

"What's today?" Daniel put down the document in his hand and asked.

Selena had an expression of offering treasures, "Ginseng and deer antler chicken soup! It's so good! Drink it quickly!"

As soon as the lid was opened, a rich and attractive aroma filled the room.

Daniel was slightly startled when he heard the words, and his expression was indescribable for a while, "Deer antler..."

Selena also seemed to realize something, "Uh... velvet antler seems to have the effect of strengthening yang? Uh, don't worry! Anyway, it's very nourishing! Everything is nourishing! Just drink it quickly! I'm sick It's been a long time! You have worked so hard during this time, you must make up for it!"

Daniel's face turned dark when he heard that, "In some respects, I don't think I need to make up for it."

This is a matter of man's ability!

"Short oil, then ignore the velvet antler, there are ginseng and chicken!" Selena took a spoonful and fed it to him.

"Are you responsible for the consequences after drinking?" Daniel gave her a meaningful look.

Selena's face froze immediately, "There shouldn't be any consequences... right?"

The two were talking, when there was a ding, Daniel's phone lit up, and there was a new message.

Selena sharply saw the word "Guan Ziyao"...

Daniel also saw it from the corner of his eye, and he didn't shy away from Selena, and opened the message casually in front of Selena.

I saw that text message read: Daniel, I'm sorry, my father checked some things without telling me, and found that Ms. Ning was having an affair with a male artist from the same crew... I hesitated for a long time, but I still feel the need to let you know, I know You may not believe me, things have been sent to your mailbox, if you have time, take a look.

After reading the content of the text message, Selena blinked her eyes furiously, "I have an affair with...a male artist on the same production team???"

Daniel: "..."

...

## Chapter 981

Selena subconsciously glanced at Daniel, and saw that the man's face showed no emotion at all. After reading it, she put the phone aside and started drinking soup.

"Hey, Daniel, don't you check your mailbox?" Selena asked while holding her chin.

"dont see."

"Why?"

"no need."

"What's not necessary! It's so necessary! Because I'm dying of curiosity! Look, look!" Selena squeezed directly onto Daniel's lap and sat down, urging.

Daniel glanced at her, but he clicked on the mailbox helplessly.

Sure enough, there was a new email in the mailbox. The sender was Guan Ziyao. There was a compressed attachment in the email. I don't know if it was a photo or a file.

"Download it quickly..." Selena urged.

Daniel clicked the mouse to download the attachment to the computer.

The Internet speed is very fast, and it can be downloaded in less than a few seconds.

Then it was decompressed. After decompressing, a folder appeared on the desktop. I clicked on it and glanced at the small picture, all of which were densely packed with photos.

Selena couldn't bear Daniel's sluggishness, so she directly covered his hand and clicked on one of the photos.

Then, in an instant, the expressions of the two of them became very difficult to describe...

Selena rubbed her forehead, "I knew..."

Daniel looked displeased, "I told you not to mess around."

"Hey, I'm not messing around! It's not the paparazzi who took the sneak shot, but your childhood sweetheart who grew up close together, okay? Besides, we are always secretive enough, if someone is watching 24 hours a day, It will definitely not be discovered..." Selena flipped through the pages happily while talking.

"Hey, hey, don't say it, the shot is really good! This light and shadow! This angle! You even took this picture of me secretly k!ssing you, and you also secretly planted straws on your head hahaha, oops and This one is mine, I'm so shy... Daniel, send me a copy as well, I want to keep it as a collection! Hurry up, hurry up!"

These photos were all of Selena and Ke Mingyu, that is, Daniel.

No wonder she is said to have an affair with a male artist from the same crew!

There's nothing wrong with it, it's really dirty...

However, after thinking about it, Selena felt something was wrong, and humming, she gave Daniel a sideways glance, and said quietly, "Your close friend who grew up with you and has similar interests, seems to care about you very much." ,Ok?"

Seeing Selena's jealous little face, Daniel was very pleased, and put his arms around her waist, "Jealous?"

"Don't change the subject! I also heard that because of your high IQ, you couldn't get along with your peers. Only Guan Ziyao could talk to you, so it's best to have a good relationship with her, right? You Do you just like her type, do you just like smart women like Guan Ziyao?" Selena was angry.

Daniel said seriously, "No, I like stupid ones."

"Who's stupid! You're stupid!" Selena frowned immediately, then crawled down from his lap and took away the soup, "Confiscated! No more drinking!"

Seeing the back of the girl running away, Daniel lowered his eyes and glanced at the reaction of his lower body, his eyes were dark and dark.

It's pretty fast to escape!

The phone rang for a while, and the caller ID was Mo Lingtian.

Daniel picked it up casually, "Hello?"

"Hey...uh...Daniel, why is your voice wrong..." He was so tender that even a man trembled when he heard it.

"Is there something wrong?"

"I'm in a bad mood... Come out and drink with my brother!" Mo Lingtian said in a weak tone.
