## Chapter 982

Yesterday, he finally waited until Ziyao took the initiative to call him, but she still did it for Daniel.

Also, during this period of time, he had followed Daniel's methods one by one, but there was no progress at all!

The final reason is that he really can't stand cold in front of Ziyao...

Anyway, I'm so tired...

"No time." Daniel on the other end of the phone refused as usual.

"No time? What are you busy with?" Mo Lingtian asked in a muffled voice.

"Arguing with my wife." After Daniel finished speaking, he hung up the phone.

Mo Lingtian: "..."

It's a quarrel, but it's a dog-abusing tone, okay?

He also wished that one day he could quarrel with Ziyao at night! Hey...

Close the house, in the living room.

"How about Ziyao, did you tell Daniel?" Guan Rui asked.

Guan Ziyao nodded, "I'm afraid it will be embarrassing to talk to him on the phone. I just read the text messages and emails I sent him. The text messages

and emails are all shown as read. He must have known about it, but he hasn't replied to me yet."

Guan Rui said in a clear tone, "Men, it is inevitable that you need to digest this kind of thing. This period is also a good opportunity for you. Although girls should be more reserved, you should also take the initiative when it is time to take the initiative. Stay with him more at this time, don't give up such a good opportunity to others for nothing! Do you understand what Dad means?"

Guan Ziyao nodded, "I understand what to do."

"En!" Guan Rui glanced at his daughter with satisfaction, knowing that she would definitely not let him down.

After returning to the room, Guan Ziyao went to the balcony, thought for a while, and then called Mo Lingtian.

Mo Lingtian had just been ruthlessly rejected and dog-tortured by Daniel, and he had nothing to love, but he didn't expect that his phone rang again in the next second, and it was Guan Ziyao calling!

Ziyao would call him so late!

Mo Lingtian immediately revived on the spot with full blood, but this time he had a little memory, so he didn't dare to be happy too early, so he asked cautiously, "Hey, Ziyao? Is there anything you can do for me so late?"

"It's nothing, just thinking that the weather is pretty good recently, and I want to invite some friends to go hiking and camping, are you interested?" Guan Ziyao asked.

Mo Lingtian's face was full of surprise, and he was about to agree immediately, when finally the strategy Daniel gave him rang out, and he said with a little restraint, "What time is it, I'll see if I'm free."

"It just so happens that tomorrow is a weekend, can tomorrow be okay?"

"Tomorrow... I should be fine, let's do it!" Mo Lingtian tried his best to maintain a reserved and cold personality.

"That's great. By the way, why don't you ask Daniel if you want to go?"

As soon as he finished speaking, the joyful look on Mo Lingtian's face suddenly froze, "Daniel...he probably won't go..."

"What's wrong?" Guan Ziyao asked immediately.

"Arguing with Selena, I don't think I have time." Mo Lingtian said casually, obviously not wanting to ask.

"Arguing..." Guan Ziyao knew it was because of those photos, and continued, "Since you're in a bad mood, you should come out and relax! Doesn't Ting Xiao like to climb mountains when he's in a bad mood?" ? Ling Tian, can you ask for me? Okay?"

Guan Ziyao was cautious by nature, she thought about it carefully, and felt that she should take the initiative, but not too much.

Because according to her understanding, Daniel doesn't like women who are too active, not to mention that being too active is too cheap. Even if you approach him, you have to do it in a natural way. Therefore, she decided to use this method, and Mo Ling It is undoubtedly the most suitable to make an appointment every day.

...

## Chapter 983

On the other end of the phone, Mo Lingtian was silent for a long while, and finally said, "Okay... I'll ask him for you..."

"Then please, good night!"

"Good night..."

After hanging up Guan Ziyao's call, Mo Lingtian threw away the phone, lit a cigarette, leaned back on the sofa, and smoked quietly for a while.

There was a dead silence in the cool room.

After an unknown amount of time, the man suddenly kicked over the coffee table in front of him.

After a loud "bang bang" sound, the living room was in chaos, and the huge screen of the TV sent out bursts of sparks...

After a long while, the violent look on Mo Lingtian's face receded a little.

Taking a deep breath, he got up and picked up the phone that he had thrown away just now, and then dialed Daniel's number.

"Hey, Daniel, come camping tomorrow, remember to come here, don't tell me you're busy! Otherwise, I'll rush over and fight you right away!" Mo Lingtian's tone was obviously irritable and out of control.

"What's the matter?" Daniel's usual calm voice came from the other end of the phone, with doubts in his voice.

"It's okay! Anyway, you can come here! If you don't come, our friendship will end here! That's it, I'll hang up!" Mo Lingtian hung up the phone directly after finishing speaking.

The phone "slapped" and fell to the ground, Mo Lingtian's face was full of bitterness, he raised his hand, and slapped himself heavily, "Mo Lingtian, how long are you going to be a b!tch..."

But he had no choice, no way not to be cheap, no way not to love her.

...

In the study room, Daniel glanced at the phone that was hung up, his expression darkened.

When Daniel went downstairs, Selena was urgently processing the remaining ginseng and deer antler soup.

Why! Sure enough, this soup should not be drunk indiscriminately!

Dump it down now!

While he was busy rubbing his hands in the dark, his shoulders were suddenly heavy, and then a warm embrace was stuck behind him.

"What are you doing?" Selena turned her arm back a bit, and said in a bad mood.

"I'll take you to vent your anger tomorrow, shall we?" Daniel asked.

"Ah? Out of anger? What do you mean?" Selena was puzzled.

"I just promised Mo Lingtian to go climbing tomorrow." Daniel replied.

"Mountain climbing?" Is this necessarily related to venting her anger?

Unless... Guan Ziyao is also there.

So, what Daniel meant...was to take advantage of this opportunity to completely make Guan Ziyao give up?

Selena didn't think it mattered, "Okay! You don't have to film a movie tomorrow, so you can just relax!"

Having said that, Selena looked at Daniel excitedly and suggested, "Shall we take Rick along?"

Daniel said without hesitation, "No."

"Why? Why didn't you bring Rick!" Selena said unhappily.

Daniel: "It's too bright."

Selena was speechless.

Has anyone said that about their son?

The two were talking, when suddenly there was a sound of footsteps behind them.

I saw the little bun in pajamas standing behind him, looking at his father with a displeased face, a little expression that the baby had already heard.

Selena hurriedly ran over to pick up the little bun, "Oh baby, why are you awake? Cough, don't listen to your father's nonsense! He's the light bulb! And it's the brightest one! I won't take you there without you. It's because climbing is too tiring! Mama will sleep with you tonight, don't be angry, let's ignore him..."

Selena glared at Daniel, then coaxed the little bun to go upstairs.

Daniel: "..."

Well, it is true that he is brighter...

...

## Chapter 984

The spring is warm and the flowers are blooming and the sun is shining. It is indeed a good time for outing and camping.

In the parking lot at the foot of Yuming Mountain, in front of two luxury cars, Guan Ziyao, Mo Lingtian, Lu Xinyan, and several other men and women were standing beside the car talking and waiting for others.

"Where are people? Why haven't you come yet?"

"Won't you stop coming?"

"No way! I only came here when I heard Karenao would come! Don't trick me!"

...

Guan Ziyao glanced at her watch, "Everyone wait a little longer, Daniel is in a bad mood, maybe he's going to bed late..."

"Not in a good mood? What's the matter?" Immediately, someone keenly smelled the gossip, and rushed over to ask.

Guan Ziyao hesitated, "It seems that I had an argument with my girlfriend..."

As soon as the words fell, everyone was fried.

"Isn't it? Did you quarrel? Didn't it look like glue last time?"

"Sister Ziyao, are you telling the truth? Did my brother really quarrel with that woman?"

"Hahaha finally quarreled! I knew that the two had been talking for a while! Could it be that they have broken up?"

"I think it's very possible! It must be a big deal for Karenao to quarrel with others!"

...

Listening to the questions from friends around, Guan Ziyao apologized, "I also heard Ling Tian mention something, and I don't know the details!"

In fact, she knew very well in her heart that after such a thing happened, it was inevitable for Daniel and Selena to break up.

As soon as everyone heard this, they all asked Mo Lingtian in a panic.

"Mo Shao, what's going on?"

"Young Master Mo... Young Master Mo! Young Master Mo?"

"What are you doing?" Mo Lingtian took a puff of cigarette, and impatiently looked in the direction of the crowd.

"Young Master Mo, why have you been so absent-minded today... We are just asking you to find out what's going on with Daniel, did you really break up?"

"Break up?" Mo Lingtian was in a bad mood. He was in a daze just now and didn't notice what they were discussing, so he didn't understand how they came to the conclusion that "Daniel broke up".

"That's right, didn't you tell Ziyao that Daniel had a fight with his girlfriend?" Someone asked.

It was only now that Mo Lingtian recalled that he had indeed said...

But at that time, he just wanted to avoid Daniel coming over, so he just made an excuse, okay?

Do they still believe it?

And... it seems... Ziyao also believed it?

Mo Ling Tianxia subconsciously took another look at Guan Ziyao, and found that she looked very good today, not only that, but she even wore a red dress today after she used to always wear cool-colored clothes.

For a moment, Mo Lingtian's face became even uglier.

Everyone looked at Mo Lingtian's absence, shook their heads, and simply stopped asking him, and continued to gather around while gossiping and waiting for others.

"Hey! Here we come! Do you think that is Daniel's car over there?"

"where?"

"It's my cousin's car!"

...

Everyone saw a black off-road vehicle slowly approaching, then the door opened, and the person who got out was indeed Daniel.

Guan Ziyao walked over with a smile on her face, "Daniel, come here, you are the only one missing, shall we go?"

"En." Daniel nodded.

Guan Ziyao was walking forward, but she saw that Daniel did not follow her, but went around to the other side of the car door, and then opened the passenger's door.

Did Daniel call someone else?

Then, one person got out of the car from the co-pilot, and it turned out to be... Selena! ?

...

## Chapter 985

How could Selena come here with Daniel!

Because it was too unexpected, Guan Ziyao couldn't hide the shock on his face for a while, and looked at the two people beside the car with a face full of astonishment.

Then, what made her even more unbelievable was that when Selena got out of the car, Daniel thoughtfully covered the top of her head with his hand to prevent her from hitting her head, and after she got out of the car and closed the door, he naturally picked her up hand.

The girl was wearing the same white tracksuit as Daniel's, with a ponytail on the back of her head, and she was rubbing her eyes, looking sleepy.

Because I got up too early today, after getting in the car, Selena put down the backrest and started to catch up on sleep, so when the car drove up just now, no one noticed that there was someone in the co-pilot.

At this moment, the two are standing side by side, wearing obviously couple outfits, like a young couple in love...

how can that be!

Didn't they break up?

Even looking at it like this, it seems that there is not even a trace of quarrel!

Where did the accident happen?

"Ning...Miss Ning is here too?" Guan Ziyao spoke calmly, but his fingers by his side were already tightly clenched.

"The crew is on vacation, take her out to relax." Selena was still drowsy, and it was Daniel who spoke.

"That's it...then let's go, no matter how late it is, we may not be able to reach the top of the mountain before dark." Guan Ziyao's expression had returned to normal. Although there were countless questions in his mind, now was not the time to ask these questions, and he could only wait for a chance to ask Daniel later.

"Why is this woman here..." Seeing the two of them coming together, still wearing couple outfits, Lu Xinyan was immediately disappointed. She really thought they had broken up!

As for the other people who just heard that the two had quarreled and broke up, they were all stunned and whispered in a low voice.

"It... doesn't look like we're going to break up, does it?"

"Is it whitewashing the peace?"

"Let's fight at the head of the bed and at the end of the bed! What's so strange about it!"

...

Mo Lingtian's gaze was always on Guan Ziyao, so he could clearly see the change in Selena's expression the moment she appeared.

There was a throbbing pain in his heart, and at the same time there was a trace of suspicion. He was just talking casually last night. Why did Ziyao react as if he was sure that Daniel and Selena would break up?

Thinking of this, Mo Lingtian felt that something was wrong.

Is there something else he doesn't know?

Everyone with their own thoughts gradually came back to their senses and greeted each other, and then started to climb the mountain from the foot of the mountain.

Yuming Mountain is more than 3,000 meters above sea level. The scenery along the road is beautiful. There are many primitive plants and wild animals on the mountain. You can also see the spectacular sea of clouds and strange-shaped peaks. You can watch the sunrise on the top of the mountain in the morning.

Daniel used to come here often when he was exercising or thinking about things, but he used to be alone, but this time, he was accompanied by another person.

Selena obviously didn't get enough sleep, she still had a dizzy expression after getting out of the car, when someone came to say hello to her, she would respond reflexively.

Many people who came here this time were acquaintances they met at the resort last time. Because of Selena's showing on the shooting range, everyone's attitude towards her has changed from disdain to curiosity and caution, especially when Daniel face, so on the surface they are still quite friendly to her.
