## Chapter 986

This time, there is also a young couple who met at a bachelor party last time and then got married. The girl started to complain as soon as she arrived at the foot of the mountain, "My God! It's so high! Do you really have to hike up? It feels like I'll die of exhaustion halfway through the climb!"

"It's okay, I can't climb my husband's back!"

"My husband is the best..."

...

Listening to the conversation between the young couple, Daniel subconsciously glanced at the person beside him, "Sleepy?"

Selena curled her lips angrily, "It's not all your fault!"

Last night, Rick was upset, causing her to coax her all night, and she had to get up early again this morning, without sleeping for a few hours.

Daniel understood Selena's words, but it didn't sound the same to other people's ears. Immediately, everyone's brains were wide open and they began to make up their minds.

Sure enough, it was a fight at the head of the bed and a fight at the end of the bed! Is this the rhythm of the night?

Seeing the girl yawning again and again, Daniel walked up to her, then squatted down slightly, "Come here."

"Why?" Selena was puzzled.

Daniel: "Come up, continue to sleep."

"Really?" Selena's eyes lit up immediately, and seeing the broad back made her even more sleepy, so she jumped on it as if she was afraid that he would regret it.

Daniel adjusted his posture slightly, then started walking up with Selena on his back.

The people on the side and the young couple who got married in a flash: "..."

"Hey! We're all married, but we still lost to them! Is there any reason!"

He planned for his wife to carry it when she was tired from climbing, but Daniel had already carried it before he even started to climb!

"On dog abuse! I only obey my Karenao!"

"Hahahaha... If you had told me before, I would not have believed that Daniel would have such a side, but now he is almost numb!"

...

Before they knew it, everyone had already climbed half of the distance, and Selena fell asleep on Daniel's back.

Daniel's footsteps were still steady with a person on his back, and there was nothing unusual on his face after crawling for so long.

The few people who were panting behind couldn't help sighing – Boss Lu's physical strength is really good...

Everyone chatted while climbing the mountain, and the atmosphere was quite pleasant, but the few girls who had a good relationship with Guan Ziyao, including Lu Xinyan, couldn't help but look down on them.

Panting, Lu Xinyan chased after Daniel, and couldn't stand it anymore and said, "Brother, there is still a long way to go! How long is she going to sleep? Do you want to kill you!"

On the back, Selena frowned slightly because of the noisy voice. Seeing this, Daniel's expression suddenly turned cold when he saw Lu Xinyan, "Quiet."

Lu Xinyan was instantly pissed off!

Behind him, Guan Ziyao watched helplessly as Daniel and Selena were still in love with each other, without the slightest estrangement, and the suspicion in her heart became more and more intense...

In the evening, a group of people finally reached the top of the mountain one after another.

After everyone had a short rest, they started busy setting up the tent. At this moment, Guan Ziyao couldn't bear it anymore and walked up to Daniel, "Daniel, can I talk to you?"

Daniel glanced at Selena who was tinkering with the tent.

Selena was concentrating on setting up the tent, so she waved her hand casually, signaling them to go talk directly.

Tsk, it's not easy for Guan Ziyao to hold back for so long...

Guan Ziyao saw Selena's appearance of not caring and not seeing herself as a threat at all, and her heart was stabbed again. Daniel knew about her adultery. Where did this woman get her confidence?

When the two of them got a little further away, Guan Ziyao looked at the man in front of her and asked eagerly, "Daniel, have you seen all the messages and photos I sent you last night?"

"En." Although Daniel was talking to Guan Ziyao, his eyes fell on the girl who was setting up a tent not far away.

"You saw Selena with that man?" Guan Ziyao confirmed with him again.

"I see." Daniel's expression remained calm.

I saw... would this be the reaction?

Guan Ziyao took a deep breath, and asked one last time, "You...don't you have any ideas?"

Daniel: "The filming was pretty good, thank you."

...

## Chapter 987

Nice shot...?

thanks?

For a moment, Guan Ziyao almost thought that there was something wrong with her nerves!

Or was there something wrong with Daniel?

Would a normal man have such a weird reaction after seeing an ambiguous photo of his girlfriend with another man?

Guan Ziyao took a deep breath, calmed herself down, and asked with concern, "Daniel, do you have something in that woman's hands?"

Otherwise, besides this, she really couldn't think of any reason why Daniel could continue to be with that woman in the face of this kind of thing.

"No." Daniel replied, his tone was affirmative, and there was nothing strange on his face.

"Then why?" Guan Ziyao felt that she couldn't understand the man in front of her at all.

"The man in the photo is me." Daniel said.

"What... what did you say?" Guan Ziyao was stunned for a few seconds before she came back to her senses, and said quickly, "The person in the photo is clearly the one named Ke Mingyu who was filming with Selena Male artist! How could it be you! Could it be that the photo I sent you was swapped?"

Just when Guan Ziyao had finally found a reason for herself, Daniel broke her again, "Ke Mingyu is me, but with a different face."

Daniel said it lightly, but Guan Ziyao felt like a thunderbolt. He was completely stunned, "It's you... You said... Ke Mingyu is you?"

"Her occupation requires her not to disclose her romantic relationship. We usually spend very little time together, so I used this method to accompany her."

It was much rarer for Daniel to explain so much, but every single word exploded in her mind like a bombshell.

"Are there any questions?" Daniel asked.

Guan Ziyao shook her head pale.

question...

What else could she be wrong?

With all her calculations, it was absolutely impossible for her to figure out that the so-called adulterer Selena had an affair with was Daniel himself!

It was just to be able to spend more time with that woman, such a lonely and arrogant man, he did not hesitate to change his face to accompany her to act together.

She thought about it for so long, thinking not to hurt his self-esteem, thinking about asking him out to climb the mountain to comfort him, thinking that this time he should recognize the true face of that woman...

In the end, in the end, Daniel drove her into the abyss with one sentence, and she was a ridiculous clown from the beginning to the end!

"In that case, let me say a few words." After a moment of silence, Daniel took the initiative to speak.

"What are you going to say? Are you accusing me of sowing discord? But I didn't even know that person was you! I was really worried that you would be deceived!" Guan Ziyao said a little excitedly.

Daniel interrupted her, his cold eyes piercing people's hearts, "Ziyao, there are some things that I won't talk about because you are a smart person, I believe you will understand."

Guan Ziyao bit her lips, "Stop talking! I don't want to hear it!"

However, Daniel made up his mind not to let her avoid her, and said in a calm tone, "Ziyao, I can't be with you, no matter in the past or now, all I have for you is friendship, I have no other intentions. Even without Selena, I wouldn't choose you. I hope you don't continue wasting time on me."

Guan Ziyao didn't expect that Daniel would say such direct and hurtful words, his whole body was trembling, "Daniel...you are so cruel..."

...

## Chapter 988

"I only said this as if you were a friend. It is also for Ling Tian's face. I will give you the last piece of advice. Whether it is you or your father, please stop doing what you shouldn't do. Otherwise, next time, you will know what is truly ruthless. That's all for now." After Daniel finished speaking, he turned and left.

The moment Daniel turned to leave, Guan Ziyao collapsed and knelt down on the ground, her whole body was drenched in cold sweat...

yes...

she knows!

How could she be so stupid that she didn't even notice this!

It's just that she didn't want to believe it, she didn't want to accept it, until Daniel tore open her self-deception with his own hands, and put the truth in front of her bloody.

"Daniel...Daniel...how could you treat me like this!!!" Guan Ziyao cried out of control.

Behind a big tree a few steps away from Guan Ziyao, Mo Lingtian was leaning quietly behind the tree, wanting to go out to comfort her, but in the end she held back, his appearance at this time would only embarrass her even more.

Although he knew that he shouldn't do things like listening to the corner, but when he saw Daniel and Ziyao talking alone, he still couldn't help following.

It turned out that I didn't expect to hear this...

Judging from the conversation between the two of them just now, it was Ziyao or her father who investigated Selena without authorization and secretly photographed evidence of her cheating.

He said how Ziyao was so sure that the two would break up this time, so it turned out...

However, in the end, even he, who was eavesdropping on the sidelines, was shocked.

This guy Daniel really made him...unable to describe in words!

Doting on that woman to such an extent!

As for Daniel's unfeeling and even hurtful words later, seeing Guan Ziyao's painful and desperate expression, although his heart ached, he knew clearly that Daniel's actions were the best for her.

He also knew that this time, Daniel did not pursue their private investigation of Selena because of his face.

If Ziyao continues to be stubborn this time, then...

But will it?

She was such a smart and proud woman, Daniel had already said so much, was she still unwilling to let go?

While Mo Lingtian's heart was tangled and uneasy, there was also a trace of selfish hope...

If Ziyao can completely give up this time, then he must have a chance, right?

...

Selena had just finished setting up the last bracket when she saw Daniel return from afar, "You're back!"

"Ok."

"Look at the tent I've built! Is it great? I'll tell you if it's solid!" Selena patted the tent she had built by herself with a sense of accomplishment.

Seeing the girl's heartless appearance, Daniel's face darkened slightly, "Aren't you worried at all?"

"You're hard to serve, I don't worry about you, but you're going to be angry too?" Selena said speechlessly.

Daniel sighed, well, we can't talk to her.

"I've already made it clear to her." Daniel had no choice but to explain himself to show his loyalty without his wife asking.

Seeing Daniel's expressionless face begging for praise, Selena almost couldn't hold back her laughter, she stood on tiptoe and kissed him on the lips, "Be good, be good... I'll give you one..."

When arranging the tents, Daniel and Selena were naturally in the same room, then Lu Xinyan and Guan Ziyao were in the same room, the newlywed couple was in the same room, and the others were also in their own groups.

The worst thing was Mo Lingtian, because the number of people is odd, there must be one person who will be alone.

Mo Lingtian had a bad temper to begin with, and everyone noticed that he was in a bad mood today, so no one was willing to share a tent with him, so they slept alone.

Tonight, obviously many people will suffer from insomnia.

...

## Chapter 989

The top of the tent is transparent, and you can see the stars in the sky. Because of the high altitude, the starry sky above your head is particularly beautiful.

Selena lay beside Daniel, looked up at the sky filled with stars, and murmured, "Twinkle, twinkle, the sky is full of babies... Hey, I miss Little Treasure!"

You can think of Rick when you look at the stars...

Daniel: "Don't think about other men in my arms."

The corner of Selena's mouth twitched, "What other man, that's our son, okay?"

Daniel: "Nor is my son."

Selena was speechless, "I'll go! With you like this, will I dare to give birth to you in the future? Why don't you despise my poor baby to death?"

Daniel turned over suddenly, propped himself up and stared at her, his eyes were brighter than the stars in the sky: "Sheng, don't dislike her."

Selena coughed lightly, "Calm down, let me just say it casually, okay?"

Here Daniel and Selena were chatting wildly, from having a baby to having a boy or a girl... Suddenly there was a...strange noise from the tent next door...

It sounded like a girl was crying.

"Well, is there someone crying?" Selena tilted her ears strangely.

"No." Daniel said expressionlessly.

"No? But I clearly heard it?"

When Selena spoke, the voice next door became clearer.

"Um...um...ah...don't...don't...it hurts...be gentle..."

Selena: "..."

With the increasingly fierce voices from next door, Selena understood what they were doing no matter how stupid she was.

Sleeping in the tent next door was the newly married couple.

During the day, Daniel and Selena won the show of affection between the couple, but at night they were not reconciled, so they decided to break their big move!

"Hmm... My husband... You said why there is no movement at Daniel next door? Could it be that he was too tired from climbing the mountain during the day? But Daniel is so physically strong, so it's impossible?"

"Little fairy! How dare you praise other men's physical strength under me!?"

"Ah... Take it easy... You hate your enemy to death... Hmm..."

...

The young couple's voice was getting louder and more unrestrained, and basically everyone in the other tents had heard it.

Helplessly, the newlyweds can be forgiven for not being able to hold back, a group of single dogs can only endure silently in the middle of the night.

Of course, there are those who don't want to bear it.

"fcuk! Zhao Haisheng, I call you uncle! Please keep your voice down..." Mo Lingtian roared from the single dog directly from the tent.

When the people in the other tents heard the roar, they all snickered, and at the same time they thought to themselves...it seems that the victory has already been decided?

Originally, I thought that what I heard tonight would be the live version of Master Xiao and his little white rabbit, but I didn't expect Zhao Haisheng and his wife to completely steal the limelight, and they finally won.

However, Daniel didn't move at all. Could it be that he was exhausted carrying his wife today?

Just as everyone was thinking this way, the next second, they suddenly heard a "boom"!

Everyone was so frightened that they climbed out of the tent, and then they saw...the tent that Daniel and Selena were in... collapsed... collapsed...

Nima! Even the tent collapsed! How intense is this?

Master Xiao is indeed a man who does great things silently...

After a while, Daniel crawled out from under the tent while protecting Selena with a face as black as a pan, staring at the little girl next to her with a guilty expression and pointing fingers: "This is the tent you built very firmly?"

...

## Chapter 990

Selena laughed dryly: "It doesn't make sense, did I miss some parts..."

Just as he was mumbling in confusion, he suddenly realized that everyone had come out, and they were all looking at her and Daniel with meaningful expressions, and even the young couple next door looked resigned...

Realizing what these people were imagining, Selena suddenly had dark lines all over her head.

Can't one or two be more pure?

This time, Daniel decided not to let her do anything, and set up the tent himself.

Not far away, Guan Ziyao watched the two of them helplessly, an unprecedented hatred surged in her body...

Around midnight, before dawn, Selena was suddenly awakened by a loud noise outside.

"Hmm...Daniel, what's going on outside?" Selena rubbed her eyes and got up, and opened the tent door a bit.

Then, I saw Lu Xinyan anxiously looking for someone from tent to tent.

After being disturbed by Lu Xinyan, everyone got up.

"what happened?"

Seeing Daniel, Lu Xinyan hurried over as if she had seen the backbone, and said with teary eyes, "Brother, sister Ziyao is gone!"

"What do you mean it's missing?" Mo Lingtian hurried over and grabbed Lu Xinyan's arm excitedly upon hearing this.

Lu Xinyan explained anxiously, "When I woke up, I found that sister Ziyao was not in the tent. I thought she was going to the toilet, so I didn't pay much

attention. But who knows, she never came back, and I couldn't get through to call her! I just went out and searched around by myself, but I couldn't find her! That's why I'm in a hurry! Sister Ziyao, is something wrong?"

Mo Lingtian picked up his mobile phone and made a call, but it turned out that it was turned off. Thinking of what happened last night, he couldn't help but look more and more ugly, "It should be fine... I haven't heard that there is one in this scenic spot. Beasts haunt..."

"What if sister Ziyao can't figure out what happened?" Lu Xinyan said while staring at Selena angrily.

"Is Ziyao's luggage here?" Someone asked next to her.

Lu Xinyan nodded, "They're all here! So it's impossible for me to go back alone. Even if she wants to go back, she will definitely tell me! Besides, sister Ziyao has been in a very bad state since last night. I'm really afraid of her what will happen..."

Mo Lingtian suddenly said angrily, "Then why are you still standing there, everyone hurry up and look for it separately!"

Dmn it! If I had known that I should have appeared shamelessly last night to comfort her, but it left her thinking wildly, in case something really happened...

Daniel's words last night were indeed too hurtful. No matter how strong Ziyao was, she was still just a girl...

Selena went into the tent and got dressed, "Guan Ziyao won't really miss it, can she? By the way... what did you say to her yesterday?"

Daniel glanced at her, and then told Selena exactly what he had said to Guan Ziyao.

After Selena finished listening, she coughed lightly, "It's really ruthless."

Daniel: "You also think it's too cruel?"

Selena smiled, "I'm not as good as the Holy Mother, sympathizing with my rival in love, let's go and find someone."

Even though Guan Ziyao knew that she and Daniel were already boyfriend and girlfriend, she still tried every means to get involved. There was nothing wrong with Daniel's words.

On the contrary, if there was any leeway in Daniel's voice at the time, it would be that he was truly irresponsible to the three of them.

...

## Chapter 991

After getting dressed, everyone started looking for someone nearby.

"Xinyan, don't be sad, Ziyao will definitely not be so fragile!"

"It's all to blame on that woman, it's too much, she's been irritating sister Ziyao since yesterday, and deliberately asked my brother to carry her on her back, and if no one else kisses her, doing it at night...it's really immoral!" Lu Xinyan was so angry .

"That woman is really too much. Yesterday, I wanted to say whether she came to climb the mountain or to sleep. If she wants to sleep, go home and sleep! Why do you still come here to scare people?"

"Zi Yao is so pitiful..."

...

A few women who usually have a good relationship with Guan Ziyao started a complaint meeting with each other, and put all the blame on Selena.

It's normal for male and female friends to show their affection, what's wrong?

If this is offensive, wouldn't he and his wife be even more offensive?

Zhao Haisheng and his wife Ling Fei wanted to say something, but they had a good time with Guan Ziyao over there, so they couldn't get in the way, so they could only shake their heads and continue looking for someone.

As the sky got brighter and the time passed bit by bit, everyone had already dispersed. After searching for a long time, they still couldn't find anyone, and their faces became more and more solemn.

Selena also found nothing here, scratched her head and said, "Daniel, let's search separately! Hurry up!"

If anything happened to Guan Ziyao, it would definitely be very troublesome, especially for Daniel's side. Even if they had nothing to do with them, this crime would definitely be held on their heads.

It's not that she didn't hear the whispers of those people just now.

"The terrain here is complicated, you follow me." Daniel frowned.

Selena looked at the other party's expression of wanting to tie herself to the waistband, and she was speechless, "How can I still get lost at my age? Stop rambling, and find someone!"

Daniel was helpless: "I need to call on the phone, slow down, don't go to the side..."

"I know, I know, I know!"

...

"Sister Ziyao...Sister Ziyao...where are you?"

"I heard you promise me, okay?"

"Sister Ziyao..."

Lu Xinyan was shouting at the top of a cliff, when she reached a corner, she suddenly met Selena.

Seeing Selena, Lu Xinyan's expression changed instantly, "Fox! Sister Ziyao was so angry that you disappeared! Now you are happy! Satisfied! How can your heart be so vicious!"

Selena raised her brows slightly, "I hope that in the future, Miss Lu and your boyfriend will be involved by a third party in various ways, and when Xiaosan disappears because of rejection by your boyfriend, Miss Lu, you will also have a sense of justice."

"You!" Lu Xinyan was half-dead from anger, and said angrily, "What kind of third party is involved! You are the third party! The third party between sister Ziyao and my brother!"

"Does Miss Lu really understand the meaning of the three words 'the third party?' When I dated your brother, I was single, and so was he. How did you come to the conclusion that I am a third party?"

Lu Xinyan bit her lip and retorted: "Sister Ziyao and brother are childhood sweethearts, we have known each other since we were young!"

Selena nodded, "So, your brother told you that he likes Guan Ziyao and wants to marry her in the future?"

"He...he didn't tell me, but my brother definitely likes Sister Ziyao. He hasn't found a girlfriend all these years, but he's just waiting for Sister Ziyao!" Lu Xinyan's tone was extremely firm.

...
