

Cruel Heart Lover Novel

Chapter 996

"I was wrong!!!" Selena decided it was better to admit her mistake first.

At this time, the other people around couldn't stand it anymore, "Karenao, don't be so fierce to Miss Ning, thanks to her saving Xinyan, she almost fell off the cliff!"

"That's right! Miss Ning must be terrified, you should comfort her!" Everyone started to help Selena.

Daniel's face was full of storms: "..."

Almost fell off a cliff...

He was only separated from her for less than five minutes!

He was wrong, really...

Don't say five minutes, even five seconds, you shouldn't let her out of your sight!

It wasn't until Selena's danger was lifted that everyone finally realized that there was someone behind Daniel, and it was Guan Ziyao.

"Ziyao, where have you gone! Do you know that all of us are worried about you?"

"Disappeared without a word, and the phone couldn't be reached. Everyone has been looking for you all morning, and Xinyan was almost in danger!"

"Zi Yao, you are indeed a little too irresponsible this time!"

...

Guan Ziyao never expected to see such a scene when she came here, everyone was helping Selena, everyone was blaming her...

She forced the expression on her face, and sincerely apologized to everyone, "I'm sorry, I just walked around in a bad mood. The reason for my phone is that it ran out of battery. I'm really sorry for making everyone worry about me!"

However, looking at Guan Ziyao's appearance, not only did everyone show no sympathy, but many people showed expressions of disgust. Even those friends who had been speaking for her just now stopped talking.

Some shrewd ones couldn't help but start to think deeply, why all of them searched everywhere but couldn't find her, but why did Daniel find her?

Is it really a coincidence, or is it intentional?

At first, everyone might have sympathized with her, but now when they thought about the crisis just now, they all became grievances for Selena.

A boyfriend who was always wishful thinking about others, and portrayed himself as a victim, used his friends' concern to help her target Selena, and disappeared despite all his friends' worries; the other rescued her by instinct in an emergency. A person who was always against him, fell off the cliff and climbed up by himself...

Until now, everyone finally understood Selena somewhat. She was not really a weak little white rabbit, but only showed that side in front of Daniel.

Just like Daniel only showed his gentle side when facing her.

After Selena climbed up, she didn't mention the matter of Lu Xinyan pushing her at all. Lu Xinyan didn't dare to say a word because of guilt, let alone rescue Guan Ziyao.

If Guan Ziyao hadn't disappeared suddenly, such a thing would never have happened...

Fortunately, Selena gave her a hand just now, otherwise, she would really die!

Thinking of this, she was so frightened that she trembled all over!

"Daniel, I'm sorry." Mo Lingtian walked to Daniel's side with a gloomy expression and said in a depressed tone.

Except for this sentence, he didn't know what to say, and he felt guilty and blamed himself.

Just now, he almost angered him and Selena because of Guan Ziyao's disappearance.

Fortunately, Selena was fine, otherwise, he would really have no face to see Daniel in this life, after all, he was the one who called last night to insist on calling Daniel over, and even threatened to break up the relationship.

...

...

Chapter 997

Guan Ziyao didn't know how she managed to get home.

Last night she was really in a bad mood, so she wanted to be alone, but in the end she didn't know what was going on, so she couldn't help but intentionally turned off her phone with the mentality of revenge against Daniel.

In the dark, seeing everyone anxiously looking for her and blaming Selena, her mood that was about to collapse improved slightly.

She found a suitable time to show up and let Daniel find her. She wanted to take this opportunity to have a good talk with Daniel...

Who knew that such an accident would happen in the end, and she became the target of public criticism!

From the first time she knew the existence of that woman, her perfect life trajectory was like being possessed by a virus, and it became completely chaotic, and everything was out of her control.

She can no longer continue to be soft-hearted!

After taking a nap, she finally calmed down a little bit, found her father, and told him about the matter.

"What did you say? That Ke Mingyu is Daniel?" Hearing what his daughter said, Guan Rui also had a completely surprised expression.

"Yes, that's what Daniel said himself."

Looking at his daughter's expression, Guan Rui could basically guess what happened at that time, patted her on the shoulder and said, "You are wronged, I was too careless in this matter."

"It's not my father's fault. Who would have thought that Daniel could do this for that woman..." Guan Rui's expression turned ugly, and then he comforted Guan Ziyao, "You don't have to worry too much. No matter how much Daniel gilded that woman, even It can raise her social status, but it can't raise her origin..."

"Father, is there something hidden about Selena's life experience?" Guan Ziyao asked worriedly.

"After returning from the birthday banquet last time, I checked it again. She is Ning Yaohua's daughter. There will be no problem with this. This woman stayed in the countryside until she was 18 years old and was raised by an ignorant village woman. After being picked up by the Ning family, she did a lot of ridiculous things, her parents thought she was ashamed, and would rather have Susie as an adopted daughter than recognize her, because she is too unworthy!" Guan Rui said in a disdainful tone.

"But this woman has made us miscalculate time and time again. We really can't take it lightly. We must destroy this woman before she becomes popular. However, Daniel spoils her so much now..."

Guan Rui patted his daughter's shoulder, "The more Daniel pampers her now, the more Lu Chongshan and Yan Ruyi will hate her. Then we will add more fire, even Daniel can't keep her! Ziyao, this grievance, Father will never let you suffer in vain! This time, I will not only destroy her, but also make her unable to stand up forever..."

...

The gate of the Platinum Emperor Palace.

"Ning...Selena!!!" Lu Xinyan chased after her out of breath.

"What?" Selena turned around and looked at the girl who was chasing her.

"I...can I have a few words with you alone?" Lu Xinyan glanced at Daniel who was beside Selena, and couldn't help shivering because of fear.

"Speaking alone... Sorry, I'm afraid it's a bit difficult!" Selena said, raising a hand.

A tie was tied tightly around that white wrist, and the other end of the tie was firmly held in Daniel's hand...

It's all right now... I was really tied to the belt by the big devil...

Lu Xinyan: "..."

...

Chapter 998

After a moment of weird silence.

Lu Xinyan gritted her teeth, closed her eyes, and said in front of Daniel, "Miss Ning! Thank you for saving me! Also! I'm sorry! When I was on the mountain before, I didn't push you on purpose, I At that time, I really didn't know that you were trying to save me! I'm sorry! I'm sorry..."

Although Daniel had already expected that things would not be that simple, with Selena's skill, he could only pull Lu Xinyan so that she would not fall. After hearing it with his own ears, his face turned cold instantly.

Lu Xinyan, a little girl, could not stand Daniel's pressure. Her body was shaking like chaff, and she was so frightened that she seemed about to pass out in a second.

Selena signaled to Daniel that she should settle this matter by herself, then touched the tie on her wrist, looked at Lu Xinyan, sneered and said, "Hehe, sister, you almost killed me, you didn't mean it , Just say sorry? If saying sorry is useful, what do you need the police for?"

Lu Xinyan bit her lip tightly, her face full of embarrassment, "I am willing to bear all the consequences!"

Selena rubbed her chin, "Tsk, I am willing to bear all the consequences... You said that..."

"Yes... I... I said... If you want to kill, you have to obey!" Although Lu Xinyan looked like she was willing to fight and kill with her neck stuck, her trembling body clearly betrayed her master's panic.

At this moment, countless terrifying conjectures have emerged in Lu Xinyan's mind...

This woman will definitely not let her go easily...

In desperation, Lu Xinyan trembled, and looked at her cousin beside her begging for help, but she only met a pair of extremely cold eyes, which were even scarier than facing Selena.

Ok!

Die and die!

It is better to die in the hands of this woman than in the hands of my cousin!

"You... tell me! What exactly do you want from me?" Lu Xinyan clenched her fists tightly and asked.

Selena pondered for a while, as if deliberately torturing people, then looked at Lu Xinyan, and said quietly, "Call my sister-in-law to listen!"

"What... what..." Lu Xinyan froze there for a moment when she heard the words, her face was blank.

After being dazed for a while, Lu Xinyan finally realized what happened.

Could it be... Could it be that Selena's request... was this?

Selena raised her brows slightly and urged, "Didn't you say that if you want to kill, you have to do whatever you want? What? Regret it?"

Under the ups and downs, Lu Xinyan's body trembled even more, tears could no longer hold back, she hung her head tightly, and said tremblingly while crying, "Sister-in-law..."

Hearing the sister-in-law's voice, Selena finally nodded in satisfaction, "Okay, that's all for now. Thanks to you, today was very exciting and I had a lot of fun!"

After Selena finished speaking, she tugged on her tie, and led Daniel back who was still terrified with a cold face.

Exciting...very happy?

Lu Xinyan: "..."

Daniel: "..."

...

After entering the living room, Selena immediately acted first, threw Daniel onto the sofa, and kissed him.

Naturally, Daniel knew her little bad intentions, pinched the girl's slender waist, and kissed her...

After a long time, Daniel pressed the girl's slightly red and swollen lips, "It's exciting... very happy? Huh?"

Selena suddenly cried, "Why haven't you forgotten..."

I thought this trick could temporarily relieve the crisis!

...

Chapter 999

Daniel stared at her with a dark complexion, "What does other people's lives have to do with you?"

Selena coughed lightly, "Hey, that's your cousin after all, isn't it good for you to say that?"

"Even if it's me, you won't be allowed to do such a thing!"

"Then what... In fact, I used to play much more dangerously than this, today this is completely a small case, I will not do things that I am not sure of..."

The explanation made his mouth dry, but Daniel still kept a straight face, and Selena couldn't help but burst into tears.

Just now, the master made Lu Xinyan apologize, now it's her turn to mourn.

Selena rubbed on the man's chest persistently, "Don't be angry, okay? Next time I will really stay by your side obediently and not run away!"

Daniel said that he didn't believe even a single punctuation mark.

Selena herself felt that these words seemed unreliable, so she muttered, "Then how can you not be angry?"

Hearing this, Daniel looked at her with deep eyes, but did not speak.

Selena's eyes lit up, and she suddenly felt blessed, "Hmm...don't be angry, okay...husband?"

Daniel: "..."

you are vicious.

...

Before I knew it, half a month had passed since the last incident.

Because of this, Selena's life has been... quite affected...

The worst thing is the bombardment-style safety education by the big devil, and the other thing... her apartment is almost running out of space...

There are all kinds of gift boxes, supplements, expensive clothes and cosmetics, and even weird things like nunchakus, soft swords and knives...

The gift box of supplements was sent by Mo Lingtian and Guan Ziyao, the clothes and cosmetics were sent by Lu Xinyan, and the nunchakus, soft swords, knives and guns... were sent by Shi Xiao and Xiong Zhi.

For the first few people, she still knew the reason, but Shi Xiao and Xiong Zhi really confused her.

What are these two people doing to please her?

"Ding dong..." the doorbell rang.

Selena opened the door, only to find Shi Xiao and Xiong Zhi were at the door again, two tall men, one with a sausage in one hand and the other with a smoked goose.

"Ma'am, this is a specialty of our hometown. You should try it!" Shi Xiao's tone was attentive and careful, one bite after another. Compared with the arrogant attitude at the beginning, it was a completely different person.

Xiong Zhi echoed, "Miss Boss, please try it, if you like it, we will bring it to you next time!"

Selena sighed, and leaned against the door, "Both of you, just talk straight! Aren't those who beat around the bush and gossiping like old men?"

Shi Xiao and Xiong Zhi looked at each other, thinking it was time to speak up, so Shi Xiao said, "Ma'am, can we brothers protect you?"

Selena raised her eyebrows, "Protect me, are you sure?"

Recalling the toughness of the proprietress, Shi Xiao wiped his sweat silently, "Madam proprietress, I know that our brothers' marksmanship is nothing compared to yours, but in terms of skill, we are not top-notch, but we can be considered top-notch!"

"My play has already finished," Selena said.

Hearing this, Shi Xiao hurriedly said, "That's right! It's because it's finished! Ma'am, when you become popular, you will be surrounded by fans and reporters when you go out. You must need bodyguards! At that time, you can talk to the boss... Call us Brothers?"

The corner of Selena's mouth twitched, when did these guys become so good at flattering...

"Then let's talk about it when I get angry!" Selena said casually.

This...is this a chance?

Shi Xiao and Xiong Zhi looked at each other, they were immediately excited, and said in unison: "Miss Boss, you will definitely be popular!!!"

Selena: "..."

Thank you so much for your confidence in me...

...

Chapter 1000

Shengshi Entertainment, Ling Zhizhi's office.

"Congratulations on finishing, you've worked hard!"

"It's not hard, it's not hard! This movie is probably the happiest I've ever acted in!" Selena said sincerely, her little face full of reminiscence.

Oops, after all, I'm acting with the little devil...Of course don't be too happy...

Ling Zhizhi looked at her, but a trace of worry crossed her brows.

Selena was keenly aware of it, and hurriedly asked, "What's wrong, Sister Zhizhi?"

Ling Zhizhi thought for a while, but said directly, "Selena, let me ask you, what's going on with you and Ke Mingyu?"

Selena blinked her eyes, her face was calm, but her heart was already surging, what the hell! Could it be that sister Zhizhi found out!

"Uh...Sister Zhizhi, why are you asking that?" Selena asked cautiously.

"I just feel that the atmosphere between the two of you is not quite right, do you like Ke Mingyu?" Ling Zhizhi asked tentatively.

When Selena was filming, Lin Zhizhi often went to accompany her, so it was inevitable that she noticed something tricky.

Naturally, she didn't catch any definite evidence, otherwise she wouldn't have said the tone now, but, judging by a woman's intuition, Selena's eyes looking at Ke Mingyu were really not quite right.

Selena patted her chest, thinking that she wasn't noticed, so she said casually, "It's just that I have a good impression! I like the kind of abstinence that looks frigid, and I really want to flirt with it." impulse!"

Judging from Selena's tone, it seemed that she had something to do with Ke Mingyu, so Lin Zhizhi felt relieved, gave her a helpless look and said, "You should be more careful, the way you look at Ke Mingyu is sometimes...too explicit Already!"

Selena coughed lightly, "Understood! Be careful!"

"This is a variety show that I picked up for you recently. You can watch it. Your show will be released for at least one or two months. During this period, variety shows are the most suitable, otherwise the lack of exposure will soon be forgotten by the audience. " Ling Zhizhi said.

"Oh, let me take a look!" Selena took the information that Ling Zhizhi handed her and began to look through it.

Before that, she had only been on a few interview variety shows, and she really didn't have much experience in the others.

As soon as she turned to the first page, she saw the name of the variety show, and Selena became interested, "Adorable baby? Just look at the name and it looks cute!"

Lin Zhizhi briefly introduced to her, "It's a parent-child outdoor reality show. The content of the program is that star idols who experience the role of "mother" for the first time and cute babies who have never met before form a mother-child or mother-daughter combination to unfold the parent-child life. What to watch It presents a different side of a young idol after shedding the star halo..."

Selena nodded again and again, "Oh, it's this kind! I know! This kind of program was really popular a while ago! It used to be a dad's version, and now

there's a mother's version... TV stations are getting more and more good at playing It's..."

"This time, the director of the TV station personally called to invite you to be a special guest," Ling Zhizhi said.

"Wow! The director likes me so much?" Selena was delighted.

Ling Zhizhi: "Because you seem to be the least likely to be a mother."

Selena's head was covered with black lines when she heard the words, "fcuk you! Why can't I be a bad mother!"

"Because of your image." Ling Zhizhi said.

Selena was choked and said angrily, "This is simply discrimination!"

The most important thing in a variety show is conflicts, conflicts are interesting, if you choose a female star who is young and beautiful and can't take care of children at first glance, the audience really wants to see how she will behave...
