

## Cheat. A 159

### Chapter 159: Carry Away In Excitement ( R-18 )

After drinking Myne's cum, Aisha nodded her head with a smile, "It seems like you miss me quite a bit, you cum so much at once I thought I might not be able to drink all of it."

"Hahaha, if you give me such wonderful treatment then is not it natural for me to go all out? After all, as your husband, it is my responsibility to satisfy my woman's needs no matter how naughty she is," Myne said happily still playing with Aisha's hair.

"Are you complimenting me or mocking me?" Aisha said with a frown but before Myne could say something she walked out of the bathtub and stood between his legs and gestured for him to close his legs. Then she slowly settled her legs on either side of him and sat down on him with his little brother resting under wet pussy.

Her eyes glowed with excitement as she wrapped her arms around Myne's neck pushing her body against Myne, her tight nipples rubbed continuously on Myne's chest making his already hard dick more excited.

"Since you think I am a naughty wife then let me show you my naughtiness," Aisha said with a seductive smile while licking her lips, after finish speaking she pulled Myne's face toward her and both of them started another round of passionate kisses, but this time more wild.

While kissing Myne's hands didn't stop, first, he massage Aisha's breasts like always, then he more than to her bubbly butt and slap gently both of them at the same time making Aisha moan in his mouth.

Although Aisha just cum some moment ago but still just as Myne slap her butt Aisha's pussy starts releasing love juices wetting Myne's little brother as if it is inviting Myne's little brother to come inside her.

Myne also can't hold back, and decided to eat the main dishes, so he lifted Aisha a little with one hand and positioned his cock underneath her with another. Having enough of exposing her pussy, Aisha who didn't want to be passive to Initiative and lowered her butt onto his cock. She carefully guided him into her dripping pussy in one long sinking motion.

The heavy, plump butt made contact with Myne's thighs and his little brother successfully the deepest part of her cave.

"Amm, hard and big just like always, I have waited for it two entire days!" Aisha broke the kiss and sucked in a deep breath and tightened her grip on Myne's shoulders while enjoying his rod piercing her flesh.

"Tsk, and you still have face to say me pervert, shameless as always," Myne said mockingly and reached up to her heavy breasts.

"What are waiting for start dancing now."

Aisha moaned softly as her butt slowly moved up and down, Myne penis hitting different zones with each thrust. She began to bounce harder and faster on his cock while he thrust up to meet each of Aisha's downward slides. The added force of his thick member in her plump pussy made her shout with pleasure.

"Moan..."

"These embarrassing moans, why can't I control them," Aisha whined with a red face while panting lightly. She drew closer and kissed Myne's lips.

Myne didn't comment on Aisha's words, as he was too busy to fight with her tongue which invade his mouth, massaging her both boobs so they can grow more bigger, and f\*cking her pussy to make her satisfied so she don't complain later.

While enjoying Aisha's body, Myne suddenly felt that Aisha's speed slowly decreasing, so he stop messing with her boobs, and first slapped lightly on her butt, making Aisha's body shiver from pleasure before tightly grabbing her soft jelly-like butt and start thrusting his littler brother inside her roughly.

"Moah, ahhh... Please don't be so rough," Aisha broke the kiss and absentmindedly gazed at the ceiling before speaking weakly, her moans turning into full-blown cries.

Just as Aisha said that Myne lifted her and slid his cock out of her dripping cunt. He lowered her on the edge of the bathtub. She sat there confusedly and stared at Myne with a face as if asking, "Why did you stop? I was just talking nonsense for formality to make things more interesting, there is no need to take it seriously."

"Hahaha, stop making face like an abounded puppy, turn around time to chance pose, I am not going to let you cum so easily," Myne said with an evil grin.

Hearing Myne words, Aisha breathed a sigh of relief. She then obediently nodded heavily and turned around. Putting her hands on the edge of the bathtub, she stretched her butt in his direction. She spread her thighs and her quivering pussy begged him for a penetration.

Myne took a long moment to admire her back. An exotic and feral aura oozed from her goddess-like body glistening in perspiration.

"What are waiting for, put it in, I can't wait any longer, I wanted your hot and thick cream, inside me" Aisha in a doggy style pose urged while waving her butt and wet pussy toward Myne left and right, trying to provoke him which clearly work very well.

Myne held her plump butt and drove inside her without any hesitation. She was even tighter this time because of her pose but not enough to stop his relentless thrusts.

"Ahhh, yess, faster. Go faster. Yes, just like that, faster..."

The uninterrupted pleasure made Aisha's true thought surface, she immediately show her pervert side, and with her tongue hanging outside her mouth, her bubbly boobies swing uncontrollably very fast, making Myne worry that they might get hurt, so he leaned against her and grab her both boobs firmly

"Omg, please more faster, ahhh, yess, ammmmmmm..."

"As you wish, my naughty wifuu."

Myne took her wrists and pulled her drooping torso. Taking out a rope from his inventory, he bound her hands behind her back. Then he grabbed her throat gently not wanting to sock her. Her back arched as he pulled her. Her hole tightened the more her back curved.

"Do you like it?"

"Nooo..." Aisha whispered excitedly as her butt slapped against him with lewd sounds. "I love ittttt."

"Moahhhh..."

"Hehe, seems like you are enjoying a lot, now I can rest assured," Myne said while giggling, he didn't stop thrusting his little brother inside her not for a single second.

Releasing her throat Myne put his hand on her shoulders, he accelerated with an even steadiness, plunging his cock deeper inside her, every thrust slightly faster and harder than the last one. She began to buck and writhe, and finally, orgasms started building within her.

While Myne thrusting harder and harder suddenly he decided to play with Aisha a bit, he slowly lowered his thrusting speed, as if he wanted to stop.

Feeling change in Myne's thrusting speed Aisha immediately begged between her breath, "Don't you dare to stop this time, otherwise I won't ever talk to you, and won't make your favourite dishes!"

Myne laughed at Aisha's adorable threat and again speed up his thrusting.

"Myne, I am... Am about to cumm..."

"Me too, let cum together..."

Saying that Myne starts thrusting with his all might, and finally, after 20 seconds the moment they both were preparing comes.

Aisha's entire body convulsed with the force of orgasm.

Intense pleasure jolted through Myne as he blasted rope after rope of cum inside her mating hole. Feeling the hot seed pouring inside, Aisha's eyes rolled back in their sockets, her perfect teeth biting on her lower lip.

"Haaa, haaa, that was great, that's why I love you the most, only a pervert like you can make me feel alive, hehehe," Myne whisper in Aisha's ear with a smile after releasing every drop of cum inside Aisha. He then gently hugs Aisha from behind to support her so she doesn't fall inside the bathtub.

"This joke wasn't funny at all," Aisha said weakly while starring ceiling as her head rested on Myne's shoulder, her body was still shaking especially her lower body which just experienced an intense battle, she can feel Myne's little brother releasing cum once in a while inside her womb trying to give her a baby.

If it wasn't for the fact that she have already taken a birth control pill, with the amount of cum Myne left inside her womb she have full confidence that she might become pregnant.

After standing in the same place for a while, Myne pull out his little brother from Aisha's pussy, lifted her up in princess style and entered the bathtub, and let her sit down in the hot water to relieve her fatigue, he didn't use stamina recovery skill on her, as he still had to deal with his little princess who was peeking inside from the door, watching everything with her wide-open eyes, if he uses stamina recovery skill then he might not be able to left Aisha side at least not before having another round with her.

"You rest here for some minutes, I go out and deal with your sister, she might get tired of peeking at us, hehehe, I have told her that there is no need to be so shy about joining us, but she still hesitates like a child," Myne said laughing and soak his entire body into the water to wash the sweat from his body.

"This is natural, not everyone is a pervert like you, go have fun, I will join you guys later, for now, let's me take a short nap, by the way, is it necessary to tie my hands so tight? Look my wrists are hurting so much," Aisha complained with a frown and used her healing skill on her own hands.

"Haha, sorry I was carried away in excitement, next time I will be more careful," After saying that Myne gave Aisha a lovely kiss on her forehead and walked out of the bathroom.

"Tsk, today he was quite rough, but I like that. Maybe we can play a threesome after he is done with Sylphy? Let's see after Sylphy has some personal time with Myne. Till then let's take a nap, I might need more energy later to cope with Sylphy," Aisha mumbled happily before closing her eyes, and letting her body relax in the bathtub.
