Chapter 72: Fun in the Capital City (Final)

"Who the f*ck are you?" The fox face boy asked annoyingly, clearly not happy that some putting his leg in his business.

"It doesn't matter who am I but now you have to stop, as I can't let you hurt this guy anymore, you have already beat him ough," The newly arrive knight in poor and old leather armor said. Whom we are going to call him 'Blueha' as he has blue hair.

"My lord, place, places save my frid, he is innoct."

After hearing Blueha's straightforward speech without any respect, The fox face boy's face become red in anger and just wh he was about to say something interesting, suddly The girl who was the main source of this tire trouble shouted with her all strgth in a crying voice.

Hearing the helpless beautiful girl's crying voice, Blueha's heart was as if stabbed by a knife, he started looking at The fox face boy and his bodyguard as if they have killed his father, with anger clearly visible in his eyes.

Th he took out his two-handed blades from his back and pointed it at The fax-face boy's bodyguard who was holding the girl tightly with one arm wrapped on top of her breast and the other hand staying casually on top of her stomach, and once in while he touches her neither region with his fingers wh no one is looking at him with a perverted smile.

"If you don't want to die, th release that girl immediately. I am not going to say that again," Blueha said in a loud voice, making the knight frown a little.

"Hum, who do you think you are, bastard? F*ck off, otherwise, I won't go easy on you, do you even know with whom are you messing a?" The pervert knight said and when The fox's face boy wasn't paying attention, he lifted the girl's skirt in front of Blueha and rub his index finger on her wet panty.

*Moan, Please stop..."

The girl finally could not hold back and moaned softly feeling rough touch on her pussy with a teary face, and looked at Blueha with hopeful eyes while asking for help.

Seeing such a scene, Blueha's inner justice finally comes out, and in front of the audience who was enjoying the show to the fullest, especially the male audience, who were wishing that perverted knight would show them some more beautiful scene, suddenly activate his skills, and his tire body cover in a blue aura.

After which as if Blueha teleported, he suddenly comes in front of the perverted knight out of nowhere and swings his big blade upside.

All the people present only show a blue line and with a light bang, they all look down and show the perverted knight's right arm lying on the ground from which he was touching The girl's private part some moment ago.

"Ahhhh..."

Both the perverted knight and The girl scream at the time, the former because of pain, and the latter because of seeing such a horrific sight.

The perverted knight lets go of the girl and starts crying in pain, his partner who finally comes out of shock, hurriedly try to calm him down and fed him high-quality healing potion.

Thanks to it, the perverted knight stopped bleeding like a fountain, but the pain was still there, as for The girl after she is free, hurriedly runs toward Blueha and hug him tightly while burning her head in his chest. Completely forgot about the poor boy.

"Okay don't worry, you are safe now, till you are with me no one can hurt you," Blueha after seeing a cute girl in his arm, his confidence rose with the speed of his naked eyes, and he tightly hugs The girl to give her some warmth, before taking calmly.

"Thank you, my lord, if it wasn't for you, I don't know what I would have done in the hands of that beast," The girl said in a pitiful voice.

While Blueha and the girl, having a romantic conversation, The fox face boy sweats bucket, he also shows just how Blueha cut his bodyguard's arm as if he was cutting a vegetable. The fox face boy who knows his own limit very well, clearly has no confidence that he can defeat Blueha, after all, he wasn't even powerful as his bodyguards.

So after seeing Blueha and that b*tch maid, laughing and talking like a couple, he first looked at him, and after seeing that no one looking at him, and most of the people discussing what just had happened, and making some comments about how brave Blueha is etc.

so he made a decision he first took out a black colour palm size ball from his storage pouch and gently drop it on the ground, then with help of his foot, he hides it under the poor boy half dead body.

This is a special gift given to him by his uncle, a mini bomb, after activating it and you only have seconds to place it somewhere, if someone dares to move it even a little bit, it would explode

immediately. Since he can't kill this f*cker with his own hands, th he can only use this simple trick to sd him to hell.

After this he gives Blueha and his disloyal old childhood lover a deadly glance and quickly runs away in the middle of the crowd, showing his rare wisdom which a 99% of side villains don't do.

Blueha also noticed the fox face boy's action, and just wh he wanted to catch him, but was stopped by The girl, who was still hugging him tightly, and th after thinking for a while, he finally let The fox face boy run away, after all, he has a very important thing to do, and that is to calm down a scared girl.

After the fox face boy run away, his bodyguard also didn't stay behind and followed his footsteps, and disappeared soon after.

Myne who watching the drama, after seeing that everything is over like always the villain failed to do what he wanted, the hero saves the heroine, the original victim was forgott by everyone like a piece of trash, and one more story ded with a happy ding, he also stood up from his chair and calls the middle age guard.

"Here is your reward, you did a good job today," Myne said lazily and before the middle age guard could understand anything, he place gold coins in his palm, yawning softly, he grab Little Doggy's rope and walk away from them.

Only wh Myne walked away a 30 meters did he hear the middle age guard's voice, saying "Thank you very much, my lord."

Myne and Little Doggy spd 0 more minutes in the market buying special delicacies popular in the capital city, ough for him to eat for a a year, before walking toward a nearby secluded alley, so he can op a teleportation portal to return home.

But maybe today Myne's luck was too good, just as tereed the alley, he saw two ugly looking thugs age a , suring a 3 or 4 years old girl with gold long hair, and eyes, a pretty doll like face, a nice mature body which doesn't match her age, C-Cup size boobs, wearing a gold high-quality long skirt, overall she is definitely not a commoner.

Probably a rich family spoiled girl who wanted to explore the world alone, and now gets caught in big trouble.

After seeing them, Myne's mouth twitched for some reason, and just wh he wanted to take his steps back and search for another alley to op the portal, he thought something and stop, th he took out a black colour mask with red lining a its eyes socket making it look quite cool from his Invtory, and after wearing it, he walks toward the trio.

Hearing movemt, all three people prest in the alley looked toward the trance, and show masked Myne with Little Doggy who was showing his razor sharp teeth to them. Both thugs become nervous after seeing Myne's mysterious look, and their grip on their weapons becomes tight, but the little girl with a mature body has a big smile on her face after seeing him and hurriedly spoke in excitemt.

"Hey, mister help me, those two bad guys wanted to rob me."

After hearing the girl's request in a rude voice in which she didn't ev say please, Myne nodded his head, and just wh those two thugs wanted to op their mouths to say some life threatening empty word, Myne stop them while showing them his fist, and looked at the girl.

"What would you give me if I help you?" Myne asked a very unexpected question making everyone prest in the alley speechless.

"Huh? What do you mean?" The innocent girl asked confusedly. Clearly, this kind of request was completely new for her, whose most of her work was done by people at her for free.

"I mean what would you give me for helping you? Do you really think that I would help you for free?" Myne said with a serious voice. Making the girl nervous and those two thugs excited.

"But I don't have anything on me, I forgot to bring money with me when I escape from my house," The girl spoke in a crying voice.

About which Myne didn't give a f*ck, after nodding his head in understanding, he turned and left the alley with Little Doggy without saying anything.

Both thugs and The girl stared at Myne's back with shocked expressions, they still didn't understand what just happened.

Both thugs thought that they would have to fight with this dangerous looking man and his dog to death if they wanted to do something fun with this beautiful girl, but it turned out that they are extremely wrong, this nice man was actually the same as them, doing everything for profit, and was completely reasonable, instead of shake of justice or some kind of nonsense reason like that.

As for The girl she is still looking at the alley entrance without knowing what's going on.

"Brother, I think we must do our work quickly before someone else comes here, and I don't think the next person also be nice as that gentleman, Thug No. said while giving the girl a lustful gaze, making her shiver.

You are right let's do it, Thug No. said and hurriedly come to The girl. After which in the horrific eye of The girl he grabs her skirt and tore it apart.

"Ahhh...

The girl let out a loud cry, but it has no effect on those two thugs. Thug No. to play it safe, hurriedly put a big piece of cloth of The girl's own dress into her mouth, so she can't scream anymore.

And Thug No. with his dagger, first cut her bra in the middle, and after taking a deep smell of The girl from her bra like an experienced pervert, he also cut her blue panty as well making her completely naked.

Th Thug No. handed the girl's dirty panty to Thug No., who quickly grab it as it was the most valuable treasure in his eyes, and start smelling the panty very passionately.

While the girl struggling to escape from those two thugs, Thug No. slapped on the girl's cheek and forcefully made her lay down on the dirty g.

After which Thug No. grabs both of the girl's arm, so she makes too many movemts and ruins their fun while playing with her boobs, and Thug No. grab her legs and forcefully separate them. Doing that the girl's pink virgin pussy finally appears in front of his eye.

"You don't know just how long I have waited for this day," Thug No. said emotionally, and Thug No. nodded after hearing his voice.

Th in front of the girl's teary eyes, he rubs his dick head on her pussy a little, and with his all might he put his tire dick inside the girl's pussy which wasn't ev wet ough, and while breaking her hym it directly touch her womb.

"Ahhhh...

The girl cried and gape in pain, but because her mouth was blocked, and her body was tightly held by Thug No. she couldn't do much other than cry in regret that's why she never list to her mother's words.

...

minutes later...

In the alley.

Both thugs still f*cking the girl like the beast, without caring ev if she has lost consciousness because of intse pain, suddly stop whatever they were doing as they heard a very heavy breathing sound from behind them.

They both looked at the trance of the alley and show a meter tall muscular middle age man in a luxurious robe, panting heavily while looking at the girl under them.

Both thugs, finally come back to the sce as they felt they were in deep trouble. Thug No. took out his dick from the girl's mouth, and Thug No. from her pussy. They hurriedly wear their pants and pick up their weapons from the g, but before they could do anything, everything in front of them becomes dark and they both lose their concisess and fall to the g.

"Ohh, my little baby, that's why I never let you go out of the house, and now look what happened to you," The middle age man said emotionally while covering his daughter's body in a big cloth, and carrying her in his arm.

"James!"

"Yes, my lord?"

"Send both of them to my secret room, tie them carefully, don't let them commit suicide before I give them punishment for their deeds," The middle age man said and like a gust of wind, he disappeared from his place.

"As you wish my lord," The person named James said, and after grabbing both thug's arms, he with the thugs also disappeared from his place, as if he never was there.
