Chapter 80: Aisha (R-18)

Myne and Aisha come out of the bathroom together, Aisha starts exploring the room, and Myne comes to the main door and presses the red button beside it.

1 minute later there was a little knocking sound on the door.

Myne open the door and saw a young girl aged around 15 or 16 in a maid uniform, which was so short that it can hardly cover her main body parts, standing in front of his room door with a smile on her face.

After seeing Myne she bows lightly, showing him her C-cup size boobs purposely, and asked with a gentle and sweet voice, "Master what can I do for you?"

Myne was taken aback by hearing the girl's gentle voice which was full of provocation as if she was saying that she is willing to do anything, Myne just has open his mouth, no matter what it is. Myne paused for some second as he was thinking something wild, but soon come out of his thought, and spoke with his trade mark smile, "I wanted to order the best food of your Inn for two people."

"Sure Master, I'll get it now, do you have any other wish? The girl asked with the same smiling face, but Myne can clearly hear the disappointment in her voice, clearly, she thought Myne would be alone, but alas she was wrong.

"No, that's enough for now..." Myne said and dismissed the girl.

...

Finishing the delicious meal bought by the girl, Myne and Aisha talk about how delicious the food was when suddenly Aisha opens her mouth and said something which surprises Myne, "Myne since today I troubled you all day long, so as an apology you can take the bath first."

"Huh? Are you serious?" Myne asked doubtly.

"Yes, I am serious now go and take a bath quickly, also don't waste too much time in there," Aisha said with a fake angry face, while putting empty food plates onto the trolley.

"Okay, if you say so," Myne said and quickly run into the bathroom. Remove his clothes, throw them into the empty basket, check the water temperature and jumps into the tub after confirming that everything is normal.

Boom...

"Phew~, this feels so good~ Ahh no wonder Aisha complained every time she come out of the bathroom after taking a shower, compared to this facility in my bathroom at home is completely rubbish. After this mission I will defiantly renovate my house," Myne said to himself while relaxing in the hot tub, with arm and legs open widely.

...

After coming out from the bathroom wearing a white robe, Myne throws himself onto the bed lazily. Time passed, and soon Aisha stepped out of the bathroom.

Myne who was already fallen half sleep state, lazily open his eyes after hearing movement and looked toward the bathroom direction. But after seeing the view in front of him, his sleep disappeared immediately, and all the blood in his body start billing, his little brother become so hard that its size increased by two inches more than regular.

All this happen because in front of him Aisha standing with holding her hands behind her back, wearing transparent pink colour erotic lingerie, underneath it she was wearing a purple colour panty with a follower design on it, as well as small colour and designed bra.

Seeing Aisha like that Myne swallow his saliva while staring at her without blinking, and just when he was about to speak, Aisha come in front of him with a face so red that Myne even shows a cloud of smoke coming out from the top of her head, then she wraps her arm around Myne neck, sits down on his lap and starts kissing him like a hungry ghost. Clearly, she wasn't in the mood for chit-chat.

Myne was surprised for 2 seconds after seeing Aisha's boldness, but then he throw away unnecessary thoughts into his mind. He grabs her wet waist with his both hands and, pull her close to him enough till their body touch each other, and starts kissing her passionately.

Both of their hands were on each other's back, Myne invade Aisha's mouth with his tongue and start messing with Aisha's tongue, and then he move his hand under Aisha's sexy lingerie. Soon Myne unlocks Aisha's bra skillfully and throws it on the bed, then he moves his right hand on top of Aisha's big soft right side breast and squeezes it slowly and gently.

*Moan...

Aisha moans as Myne start showing his professional-level techniques. Then without giving Aisha time to take a breath, he rubs her rock-hard pink nipple between his index finger and thumb, and when Myne saw that the time is right, he pinches Aisha's nipple, making her cry in pleasure, which reverberated in the large bedroom.

*Ahhhhhh...

*Ummmmmmhh...

Tonight Aisha has no intention of holding back, she was moaning to her heart's desire, making Myne hornier than he is already.

Aisha who was sitting on Myne's lap could feel his little brother rubbing against her things. And to her surprise, she could clearly feel that it is bigger than what she had heard from her colleagues and Mia. Will it fit in? This was Aisha's thought before her lips were again sealed by Myne with his own, and his both hand under her lingerie start massaging her boobs.

Myne while massaging Aisha's boobs, remove his robe easily, underneath it he was wearing nothing, after removing the robe, he was completely naked, his little brother was under Aisha's panty enjoying free massage as Aisha was rubbing her pussy on it, as she was still sitting on his lap.

Like this Aisha and Myne kissed each other for 5 more minutes before Aisha as a virgin could no longer take it anymore, she hug Myne tightly, and with a loud moan, she release all her stored cum inside her pussy, and wet her panty.

"Haa, Haa, this was so good," Aisha said while panting heavily still hugging Myne tightly like a koala.

Myne waited a little bit to let Aisha take a breath, and then he removed her lingerie and grabbed her by her soft ass and lifted her up. He turned around and gently laid both of them on the bed, he was on top of her. Aisha didn't move and let Myne do whatever he want and fully cooperate with him.

Myne give a gentle kiss to Aisha before his face started travelling downwards, affectionately planting soft kisses all over her body as he traveled downwards.

Starting from her cheeks, then her cheekbone, then he moved around her head and gently blew some air into her ear, sending shiver down her body.

He gently nibbled on her earlobes causing her to moan again, he continued downwards, kissing her shoulder, around her collar bone, gently kissing over her mounds before he kissed her bellybutton and arrived at the final destination.

Even though her pussy was still covered with her wet panty, the outline of the place was clearly visible due to Myne's how wet she had become.

Myne looked at Aisha, who was clenching his hair tightly due to the embarrassment she was feeling.

Myne looked Aisha right into her eyes as he asked calmly with a smile on his face "May I?"

Aisha was too horny to say anything, it was her first time experiencing this kind of pleasure, this feeling was completely unknown and incredibly overwhelming for her.

As such, she did not say anything and just nodded before plunging his head against her private place.

'I'll consider that a yes' Myne thought before he brought his hands to the side of her hips and pulled down on her purple-colour sexy wet panty. After removing Aisha's wet panty instead of throwing it away, he took a smell of it and put it in his Inventory for some reason where time doesn't work like the outside world, and Aisha's panty could stay fresh as it is now.

Aisha didn't see Myne's this little action, her eyes were already closed because of nervousness.

Aisha's forbidden garden was well maintained as there was not a single speck of hair around her cave.

Aisha's vagina was the most beautiful Myne had seen yet, Her labia was tight yet smooth at the same time while her folds were light shade of pink, her round clit was already hard as her hole was leaking viscous transparent love juice.

Myne smiled a bit as he used both his hands to gently but passionately massage around her cave, stretching her smooth labia, opening up her folds to take a peek inside.

He smiled a bit more as he used his thumb and index finger to play with her bead like clit.

"Mnnhhhh, something is coming again!!" Aisha yelled, her eyes widened up as the pleasure wave coursing through her body finally sought an escape.

Listening to her declaration, Myne increased his intensity as he finally pinched on her clitoris.

Aaaaannngghhhhhhh!!!!!!

Aisha moaned on top of her lungs as she closed her eyes and threw her head back, unconsciously pushing Myne's face into her pussy.

She finally came, and for the first time in her life, she have this kind of wonderful orgasm.

As Aisha still pushing Myne's head into her pussy, Myne also didn't let go this golden opportunity and start licking every drop of Aisha's cum, like a dog, giving Aisha more pleasure.

*Moan...

Aisha a pure virgin just with Myne's little use of his licking technique again moan loudly and close her wide-open legs, but Myne's big head was in the middle of them, which force them to stay open as he continued his licking program.

Today morning he felt sorry that Aisha's love juice was wasted but after tonight nothing like this going to happen, not a single drop of Aisha's love juice going to waste.

After licking Aisha's love juice around her pussy, and inside as well, Myne finally stand up from his position, and lay down on top of Aisha, with his little brother in front of Aisha's pussy. Myne kissed Aisha again to calm her down while rubbing her boobs with one hand.

Myne's actions till now had lit a fire inside of Aisha. And fire is turning into a raging volcano.

Aisha broke free to kiss and looked into Myne's eyes with puppy eyes, and spoke with desperation in her voice, "Please...please Myne, please make me cum....."

As you wish my lady, Myne said and spread her legs in an 'M' shape as he positioned the tip of his dick again her folds. He massaged the entrance of her cave with his dick as he lathered it with slippery love juice that was leaking outside her vagina.

And when he confirmed that Aisha is ready for the next stage, he clenched her soft thigh flesh in between his fingers and positioned the tip of his dick onto Aisha's pussy entrance and slowly enter it.

He was one fifth of the way in as he felt a small resistance stopping him from going in any further.

"This is going to be a bit painful," Myne said as he look at Aisha's beautiful face that was red as an apple, and some tears can clearly visible in her green amber-like eyes. He stuck the thumb of the hand that was caressing Aisha's face into her mouth, feeling it get wet with her saliva.

Myne clenched her thigh flesh a bit too hard to divert her from the pain as he thrusted in his dick at once, breaking through her Hymen and claiming her virginity.

Aisha felt the pain of loosing her maidenhood as she bit on Myne's thumb that was inside her mouth. Her eyes teared up due to the mixture of pain and pleasure, she didn't know what to do as she hugged Myne tightly, pushing him inside even more as she dug her fingernails into his back.

She could feel his warmth, both on the outside and inside of her now.

Myne's dick was only three fourths of the way inside as he felt his tip knoch against the entrance of her womb, hitting her G-spot instantly.

The pain Aisha was feeling was instantly overwritten by pleasure, while Myne was also feeling the same, her wet and warm insides were extremely tight and clamped onto his dick as if not wanting to let it go.

It took Aisha an entire minute before her breathing become normal and she nodded to Myne, indicating to him that now he can move.

Myne controlled his will to cum right now as he recalled his little brother out slowly, almost all the way out before thrusting it back again.

But this time he was extremely gentle.

Aaaannhhhhh!!!! Aisha moaned in her most sexy voice yet as her insides became even more tight and clamped onto his dick even more harder.

The pleasure Aisha was feeling right now was like nothing else, she was getting addicted to this feeling, she wanted more of it, she wanted all of it.

Myne started to piston his dick in and out of her wet meaty cave as he felt her insides clamping down on him hard each time he tried to go out.

Each time his little brother reached the end of her cave and pressed against her most sensitive part, she felt like a lightning striking through her body.

The stimulation it was causing made her mind body numb, her body became loose as she moved along with his rhythm, all she could feel was pleasure.

"Faster....a bit faster...." Aisha said in a very low voice between her arousing moans. Myne heard it very clearly, but he ignore it with a teasing smile on his face.

He continued to plow her at his own slow place for about 3 minutes while clenching her large boobs his his hands.

Aisha, whose boobs were jiggling while still being held by Myne, looked at him with watery eyes and muttered in between "Please... Please let me cum..."

Myne, who was approaching his limit, looked at her watery eyes and kissed her deeply, while increasing his speed.

Myne felt his little brother twitch inside her tight and warm pussy that was drenched in all its love juices. He pushed his dick hard against the entrance of her womb, as it's tip peeked inside her baby factory and released all his thick and white love.

Aisha's whose body spasmed intensely due to the pleasure of orgasm.

"Its.....it's sho haw..." Aisha said in broken words as she felt her insides washed with his warm and white baby making fluid.

Aisha's whole body was convulsing due to orgasm as she clamped Myne's body closer to herself with her hands and legs wrapped around him like tentacles.

Myne hugged her naked body even more tightly as he could feel her large and soft mounds pressing against his chest.

Aisha lost her consciousness due to the intense pleasure she had felt, still grasping onto his little brother tightly which was still inside her.

Myne looked at Aisha's innocent unconscious face with a smile as he felt incredible affection towards her. He had never felt such intense pleasure before.

His body was lying on top of her unconscious self, his dick still hard and inside her, asking for another round but he calmed himself down seeing how exhausted Aisha became in just one round, and it is also understandable after all it was Aisha's first time.

Myne who was on top of Aisha, gently wrap his arm around her wrist and made her lie down on top of his stomach, as he was much heavier than Aisha, and it doesn't feel right to sleep on top of a girl. After which he made himself comfortable, hug Aisha tightly, and while rubbing her back gently, closed his eyes as exhaustion of all day travelling hit him and he fall asleep immediately.

He didn't pull out his little brother from her pussy, as he felt much better inside her. Although Myne didn't pull out his little brother but both of their love fluids still came gushing out of Aisha's pussy, along with a little bit of blood saying that she was no longer a virgin.
