

Chapter 53

At Adrian's villa, Riley waited in bed for her man to finish showering. She felt utterly anxious. She repeatedly took deep breaths while sometimes clenching her hands against the bed's comforter.

Eventually, the man stepped out of the bathroom.

As always, Adrian looked divine. His hair was slightly damp, and his muscles rippled down to his lean waist. Instead of pajamas, he wore nothing but a towel around his waist.

The way he stood confidently by the bathroom door with minimal support almost made Riley forget he had a leg problem.

"So, what's the surprise?" Adrian asked, his voice sounding alluring in Riley's opinion.

"This is my surprise," Riley answered. She seductively turned around, giving the man her back view. Riley climbed up to the bed on her fours, and as she did, her sleeping dress lifted to her ass. When she felt the room's cold air against her core, she knew she had shown Adrian her surprise.

Riley paused without looking at the man. She allowed Adrian time to understand what she wanted before she lazily turned to him while biting her finger.

"Adrian?" To Riley's shock, Adrian was already by the bed, holding on to the edge and slowly kneeling. She asked, "How did you get here so fast? You didn't use your wheelchair?"

Adrian was looking at Riley with passion in his eyes. He wasn't focused on her face but rather on her bare peach. He gulped and answered, "

Adrenaline rush. I suddenly had all the strength."

When he finally glanced at her, he asked, "Is that my surprise?"

With a flushed face, Riley answered, "Yes."

She lazily shifted her whole body toward him, not bothering to cover her private part fully. "Do you like it?" 

"Did you do this for me?" Adrian asked. His eyes were fueled with desire as his adam's apple bobbed sexily.

Riley wasn't going to be shy about it. She wanted this, so she courageously answered, "Yes, I did it for you. Do you like it, Hun?"

The man did not respond. Instead, he grabbed Riley's ankles and pulled her closer to the edge of the bed. Adrian was already kneeling at that point. He quickly kissed her and said, "I love it."

He captured her lips again and initiated a very heated kiss. His hands were quickly restless, removing the straps of her nightgown and groping her breasts.

As usual, that friction made Riley's skin form happy goosebumps. She moaned and threw her head back, delighted at Adrian's touch.

Adrian soon peppered kisses on Riley's neck. He briefly suckled her bosoms before he went down on her. The man took his time, slowly removing Riley's nightgown. While he did, his eyes never left her rose.

When Riley was utterly naked, Adrian urged her to lie flat on her back. Adrian parted her legs, and gradually, his fingers felt her bare peach.

"Aaah... Adrian," Riley could not help but sigh erotically at how he

fondled her.

"You are so beautiful, Riley," Adrian described. "And you are mine now. I'm never going to let you go. You are mine forever."

"Say that you are mine, Riley," Adrian requested.

"I'm yours," Riley answered, and only then did Adrian lowered himself to taste her bottom lips.

"Mmmm." Riley's entire body tightened. Her moans echoed in the room.

Riley's back arched when Adrian licked her entire peach. He tasted her thoroughly, from her entrance and up to her clit.

It was wet, warm, and very stimulating.

Riley kept gasping for air. Her face burned, and her brows furrowed. Beyond the wonderful sensation, knowing it was Adrian pleasing her made it even more special.

"Aaah!" Riley couldn't shut her mouth. She was starting to moan endlessly. She looked in between her legs and studied Adrian's work. He was eating her, and at the same time, his eyes were intently watching her. He was watching her every move as if counting her cries and her every frail expression.

"Am I hitting the right spot?" Adrian asked.

"Yes!" Riley replied before throwing her head back. "Yes, god! I love it."

Riley was twitching. Pleasure was building up inside of her, and she was in no control of how her body was writhing.

The dampness on her core was growing.

Her hips were lifting by itself.

Unwittingly, she cupped her breasts. At times, she guided Adrian's hand, silently begging him to feel the rest of her body.

Twice, Riley felt herself about to come undone. Then, Adrian would suddenly stop the fondling on her clit and instead simply peck around her bottom lips. It further extended her sexual experience. So when the time came that she finally climaxed, Riley let out a loud scream!

Riley's moan was so loud that Adrian abruptly covered her mouth. He hurriedly climbed on top of her, kissing her madly. "Mmmm."

After a very fervent kiss, Adrian let go with a chuckle. He described, "That was some orgasm, Riley. You look so hot, cumming on my tongue."

Adrian captured her lips again. He fully pressed his body on top of Riley's, and she realized the man was already completely naked. She let go of their kiss to say, "How - how about I -"

Yet again, Riley's face burned. She suggested, "How about I return the favor."

Adrian stilled. He gulped before a hiss left his lips. He quickly moved to the headboard and prepared himself. He gave his stick a good handjob and answered, "I'd like that, Hun."

Watching Riley in between Adrian's thighs was like a dream come true. Everything played in Adrian's head in slow motion.

Riley's slender fingers were wrapped around his manhood, and her face was red as she lowered herself to him.

The second Riley opened her mouth, Adrian narrowed his eyes, fixing his gaze on her beautiful lips and how they came in contact with his mushroom tip. When her wet yet sexy mouth took him, Adrian cursed, "Fuck, Riley. Ughhh."

Adrian shut his eyes, relishing the feel of her lips around his shaft.

Up and down, Adrian slowly felt Riley's tongue encased around his member. She tried to take him whole, but Adrian understood he was too big. Still, the man appreciated her efforts.

"Mmmm." Riley sighed sensually as she continued giving Adrian lip service. She was pleasing him so passionately, and it reflected in her eyes. She looked dreamy as if she had tasted the most delicious candy.

"God, Riley." Adrian clenched his jaws. He could feel himself about ready to explode, so he said, "Get on top of me now."

"Already? But," Riley complained, letting go of his rod with a pop. Her face reddened before she admitted, "I want to keep going."

"Let's not waste my precious soldiers," Adrian reminded.

"Oh." Riley bit her lip before quickly straddling Adrian. The man held his stick up to her entrance, and slowly, she pushed her body down.

"Aaahh!" In unison, both Adrian and Riley moaned.

Adrian loved that warm, soft wetness that was suddenly wrapped around his shaft. He couldn't deny that incredible feeling, tingling at the tip of his rod. It felt so good that he pushed his hips up, thrusting his rod

deeper inside of Riley. 2

When Adrian was all the way in, he badly felt the need to pull his member back. Thank goodness Riley did it for him, moving up and down, riding him.

"Fuck, Riley," Adrian cursed again. His eyes nearly shut to the gratifying feel of his balls hitting against her entrance.

Suddenly, Adrian grunted and sensed that familiar, pleasurable feeling shooting up to his mushroom tip. He held Riley's waist and pushed his shaft up with all his might. "Aaaah."
