

## Chapter 54

Riley enjoyed the feel of Adrian's thick and long member going in and out of her. He was filling her walls and reaching her very ends. Her body was shaking from all the multiple orgasms she was experiencing when Adrian suddenly held her waist and thrust up with strength.

"Aaaah." Adrian moaned audibly. His eyes were closed, and his jaws were clenched.

Riley knew that look anywhere. Not a moment too soon, she felt the man's warm fluid loading her womb. Her eyes rounded as she asked, "Did you... cum already?"

The man groaned. He pulled her down his body and embraced her tightly. He admitted, "Yeah. I had been holding it since you gave me a head. I'm sorry. It felt too good."

Riley was a bit disappointed. However, just as she was lying on the man's chest, she felt his manhood twitch inside of her. Adrian said, "Don't worry. I'm not done with you yet."

Adrian suddenly rolled her to the other side of the bed and pushed his stick deeper into her.

"Aaaah." His actions caught her by surprise, and she wailed loudly. She panted before remarking, "You are hard again."

Adrian pecked her lips. He thrust out and back into her rose and said, "Yes. I was being considerate last night because... it was our first time, but... tonight, Riley, tonight will be different." 

Adrian moaned when he moved his hips again. He declared, "Tonight, I will take you as many times as possible."

Yet again, Riley felt Adrian filling her insides. She automatically wrapped her legs around his waist. She closed her eyes, allowing herself to relish the moment before she challenged him, "Three rounds?"

Adrian chuckled, which caught Riley by surprise. He pecked her lips and revealed, "Maybe... five rounds."

Hearing his response, Riley gasped. The idea of being pounced on by Adrian five times that night sent tingles down her abdomen. It would be rough and tiring, but at the same time, she was looking forward to it. Who wouldn't?

Following Adrian's proclamation, the man was in her practically all night. They only left the bed after finishing the third round.

Adrian only went to the kitchen to get water bottles, and then they returned to making love.

On their fourth round, Riley rode him again. She took control of their lovemaking, deciding when to go fast or slow. She teased Adrian significantly, but she could tell how he loved it.

On their fifth round, Riley lay flat on her belly. Adrian rested on top of her and entered her from behind. That position was probably the most intense for Riley. The man was pushing hard each time. His entire weight was on top of her, but despite that, Riley enjoyed the friction of their bodies.

Riley noticed that they were almost always skin-to-skin when Adrian took control of their intimate moments. He loved touching her constantly, often pressing his body against hers.

The couple made it up to six rounds, with Adrian spooning with her. Riley

couldn't help but be impressed with Adrian's stamina. Moreover, he wasn't complaining of leg shaking or pain the entire time.

Adrian often used his leg when he pushed harder into her, and she swore the man was strong! She wondered if his desire to make love to her dulled any discomfort on his leg. At some point, Riley even considered how, maybe, she was Adrian's cure.

While Adrian was entering her from behind, Riley teased, "Maybe, if you keep making love to me, you'll be able to walk properly. You have had enough strengthening exercise for the night."

"Aah!" Adrian moaned in his last thrust.

Yet again, Riley felt his warm fluid in her. She also sighed in pleasure, coming undone together with him. "Adrian."

Adrian squirmed his hips against her behind. He held her tightly against his sweaty chest. He kissed her back and neck, then urged her to face him, and they shared another fiery kiss.

When Adrian pulled away, he chuckled. He remembered Riley's earlier comment about his leg. He suggested, "Maybe, Riley... you are the miraculous exercise I need to strengthen my leg."

"Pfft! Maybe, I mean. I hope so," Riley remarked before giggling.

"You know what this means, right?" Adrian asked.

Even if their bodies were sweating from their overnight workout, Riley didn't care. She loved the feel of Adrian's body around her. She closed the gap between them even more, kissed him, and asked, "What do you mean?"

She was acting clueless, but she knew what the man indicated. He tickled her because of what she said, and she laughed without hold. 1

Adrian then clarified to her, saying, "This means I must take you daily, more than once every night." 1

"Haha! With your busy schedule, I doubt it," Riley expressed. She wrapped her arms around his neck and said, "But we can promise to keep the fire burning."

There was a moment of silence before Riley resumed her thought: "I will always understand your work and support you. Your career is part of who you are, and it's the same for me, but let's always make time, at least once a week."

Adrian ran his fingers through Riley's hair. He softly said, "When I'm in the city, I promise to make love to you at least three times a week. If I have a business trip, I'll take you with me."

"Pfft!" Riley laughed. She reacted, "Really? Adrian, you don't need to overwork yourself."

The man had an earnest look on his face. He caressed her cheek and declared, "I don't want to be that far apart from you, Riley. Never again."

His words warmed Riley's heart. She sniffed and said, "Then, let's try your idea, but no matter what, I will still be your loyal and understanding wife, regardless of where your work will take you."

Riley yawned. After all, she was exhausted. It was already four in the morning. "We better get some sleep."

"Hmmm." Adrian pecked on her forehead. "Okay, hun. Goodnight."

"Goodnight," Riley responded with a smile, her face resting on his chest.  
"I love you."

"I love you, Riley," Adrian said before he dozed off with her.

The couple remained asleep until noon time. When Riley woke up, Adrian was already staring at her, his gorgeous face resting on his fist.

"Morning," Adrian said with a smile.

"Good morning," Riley answered. 

They remained cuddling until Riley thought about asking Adrian something. She revealed, "Yesterday, I overheard your conversation with Grandpa."

"About what?" Adrian calmly asked.

"About Fredrick? You suspect him to have caused your accident?" Riley asked. "Can you tell me about it?"

Adrian hesitated. He said, "You never should have known. It's too dangerous."

"Well, I overheard it and can't help it. I might as well know," Riley requested. "Please don't keep me in the dark." 

The man sucked in a deep breath. He lay on his back, thinking. After a few seconds, he returned to look at her. He said, "Okay, I will tell you, but you have to pretend like you don't know because if my inkling is right, Fredrick and his mother are more than capable of hurting people to get what they want."

Riley had a serious look on her face. She answered, "Tell me."
