

Chapter 68

Adrian was stunned by his father's reaction.

It was rare for Anthony to accept his decision because marrying Riley was the opposite of what his father wanted. After all, he wanted Adrian to marry Leni Eros.

'Did my plan work? Did I manage to show him that Riley had the qualities to be my wife?' Adrian pondered, his mind filled with uncertainty. Unfortunately, he didn't have the luxury of time to dwell on these thoughts as Anthony suddenly suggested he was tired.

"Let's go home. I want to rest now. You both can eat at the house," Anthony said, referring to Tonet and Fredrick. He glanced at Abner and announced, "Father, we shall leave." As he turned his heel, he said, "Adrian, Riley. We shall go."

Anthony did not look at Adrian. It was as if his father was ashamed to have sided with him. However, whether or not it was an isolated case, Adrian saw it as an opportunity.

Adrian moved his wheelchair to chase after his father, who had already exited the ballroom. At the lobby, Adrian caught up with his father and called, his voice echoing, "Dad. Dad!"

When Anthony turned, Adrian asked, "Can I speak with you?"

Anthony urged Tonet and Fredrick to proceed without him. He approached Adrian and asked, "What is it?"

"I'm marrying Riley tomorrow, and I would love it if -" Adrian hesitated but expressed his desire, either way. "I would love it if I could give something that belonged to my mother." 

Anthony's face quickly reddened. Clearly, he knew what Adrian wanted. He gulped and replied, "No."

"Father," Adrian tried to reason, but Anthony refused.

"Just because I am allowing this wedding to happen, it doesn't mean I have fully accepted everything," Anthony said.

A chilling silence in the air lingered for nearly a minute. Adrian's jaws were clenched, but he soon bounced back, saying, "Are you really my father? If my mother were here, she would have shared my happiness. For once, do something a father would do and actually care about what I want."

"Given our differences, I was never going to be someone who would appeal before you, but this time, I am asking. This is what I want. Riley is what I want," Adrian said. He sucked in a deep breath and asked again, "Dad, it would mean a lot to me if I can give Riley a piece that belonged to my mother."

Anthony stilled. He clenched his jaws, considering. After a while, he answered, "I'll think about it."

Three hours later.

"How are Zia and your mother?" Adrian asked when he and Riley settled in bed.

After the engagement dinner, Riley accompanied her mother and Zia to the hospital, but Adrian stayed in the car since he had an important phone call. He didn't get to speak to Renee, but he hoped she accepted his family situation.

Renee and Zia were among the guests still present when Tonet and Fredrick arrived, so they witnessed the animosity between him and his stepfamily.

Riley climbed on the bed. She responded, "Mom is naturally worried about your stepfamily, but Grandpa had been so entertaining to her during dinner. She said, you at least have a wonderful grandpa. She hopes everything will turn out fine despite the opposition in your family."

"And she also loves Aunt Linda and the people you introduced her to," Riley added with a smile. Then, she giggled and revealed, "Zia thinks the drama in your family is fun and challenging!"

Ha!" Adrian chuckled. He opened his arms, and Riley automatically rested on his chest. He kissed her forehead and said, "Riley, about your engagement ring. I -"

"It's okay. I understand," Riley answered. "We decided on getting married too quickly, so I know you did not have enough time to get one."

"I could design it if you like?" Riley offered. She sat up, looking at Adrian with a sparkle in her eyes.

Adrian smiled and pinched Riley's cheek. He also sat up and said, "Actually, I had an engagement ring in mind for you, but I don't think I'll get it. However, I have chosen from your best designs from Adley."

"Ahah! So you were our first customer! We haven't even opened yet!" Riley scolded as she tucked her arms against her chest. Adley's operations manager, Janice, told her yesterday that a customer insisted on buying a wedding band and an engagement ring, but she refused to say who.

Adrian shook his head and answered, "Of course. I am the only customer Janice cannot decline."

"So, what is this about me being a thief, huh?" Riley raised, pouting.

"Because you are. You stole my heart," Adrian answered immediately. At the way Riley was reacting, he could not help but laugh.

"So, do you want me to give it back?" Riley asked, making Adrian frown.

"No, keep it. It's yours," Adrian said. He lay back against the pillows but quickly sat back up, saying, "But if you are so worried about me having no heart, how about I steal yours as well?"

Riley laughed. She made cute faces before conveying, "You already have my heart."

"Aaah! Adrian!" Riley screamed because Adrian suddenly flipped her on the other side of the bed. He challenged her, "Prove it."

Riley wrapped her arms around his neck. She inquired, "How?"

"By making babies with me," Adrian said before a smirk formed on his face. He watched as Riley's face burned. Then, he captured her lips and kissed her passionately.

The couple's clothes were on the floor in the next few seconds. Their bare bodies were entangled, and they made love.

Adrian did not give Riley a chance to control their lovemaking as he was constantly above her, burying his balls deeper inside her.

That night, the man eagerly pumped into Riley, relishing the sound of their slapping flesh and the way Riley's breasts bounced at his every

thrust. He was even more encouraged when Riley screamed his name, "Adrian! I love it... Aaaah!"

Riley was completely tight and wet around his girth. The way her peach was sucking his manhood made Adrian's shaft grow bigger. He pressed his body against Riley, feeling more aroused as their skins rubbed.

"Ah, Adrian!" Riley called again. Her hands moved from his back, going down to his ass, and she grabbed them. She begged, "Harder! I want more!"

When Riley said that, the floodgates opened. Adrian sat up, held her waist, and pumped harder. Thrusting twice per second, the room quickly became filled with sensual melodies.

It was music to Adrian's ears!

Soon, he felt that familiar feeling of excitement that was building up in his abdomen. He announced, "I'm cumming - Uggh!"

"Adrian!" Riley came together with Adrian.

Adrian pushed and pushed, squirming into her, ensuring he had emptied every drop of his seeds. He crushed his lips to hers, and they kissed fervently. When Adrian pulled away, he said, "I love you, Riley."

"I love you too, Adrian," Riley said, despite being out of breath.

"How about -"

A sudden knock on Adrian's door interrupted their moment. It was Grandpa Abner, "Are you two done making me great-grandkids?"

"Oh, my god," Riley covered her face. She asked, "Was I that loud?"

Before Adrian could answer, Abner said loudly behind the door, "Come on down, you two. You have a visitor."

'Who would visit them late this hour?' Adrian wondered.

After hurriedly getting changed and making it down to the living room, Adrian discovered who their unexpected visitor was.

"Dad?" Adrian called. What was even more shocking was how Anthony was holding a velvet box in his hand.
