Vol 2 Chapter 733: 1 knife, 1 punch!

The footsteps are flickering, and with the flickering footsteps, the body is getting bigger, and the undead demon lord has evolved into a demon body the size of a hundred miles. His eyes are like the sun and the moon, his breathing is like clouds, and his limbs are like pillars of heaven. Zhou Tian's acupoints are flickering, like countless stars are flickering.

This kind of breath, just exudes a trace of...

"Young Master, get up quickly, it's our turn to patrol."

"Where am I?"

Qin Hu sat up in a daze, feeling his body was cold, and there was still a strong wind blowing outside, and suddenly felt strange.

"Oh, young master, why are you confused? We are in the barracks. It's our turn to stand guard at this time. No matter what, the military law will deal with it. Now the old master can't protect you anymore."

"what?"

Qin Hu opened his eyes and saw that he was staying in a tent right now, and in front of him was a soldier in leather armor.

Just when he was about to open his mouth to ask something, he suddenly had a splitting headache, and a huge flow of information rushed into his mind. After a few seconds, he knew that he had crossed.

He has transmigrated from a modern special soldier to a young master named Qin Hu, who is the head of the seven villains in the capital!

And this era called the Dayu Dynasty never existed in history.

Qin Hu's ancestor was one of the twenty-eight marquises of the four founders of Dayu. Three months ago, his father died of illness, and Qin Hu became the new champion marquis.

Qin Hu was spoiled by his parents since he was a child. He didn't like reading or practicing martial arts.

When he grew up, the family wanted him to take care of him, so they arranged a marriage. The woman was the eldest lady of Chen Guogong's family, named Chen Ruoli, a well-known lady, beautiful and intelligent.

This Qin Hu is vicious and vicious towards others, but he regards this beautiful and beautiful fiancée as a treasure.

But the incident happened to this childhood sweetheart, Miss Chen.

According to Qin Hu's memory, that day he brought his fiancée into the palace to pay homage to Princess Chang'an. The princess and Chen Ruoli had been friends since they were young, so they arranged a banquet.

But then Qin Hu drank the fragments, and when he woke up, he had already arrived at the prison of the inner guard. He was told that he was drunk and flirted with the princess with the intention of doing something wrong.

What's even more strange is that Chen Ruoli actually wrote a letter to impeach her fiancé Qin Hu for seventy-two crimes, all of which are well-founded.

Qin Hu was like five thunderbolts, he couldn't believe his ears...

The imperial decree came down soon, saying that because of Qin Hu's ancestor's meritorious service, the death penalty can be avoided, and the living crime cannot be escaped.

But after arriving in Youzhou, he was quickly arranged to be on the front line—the front line of the Pioneer Tent.

After going through these things in Qin Hu's mind, he basically figured it out. This should be a trap.

Because Chen Guogong had long wanted to divorce him.

The Qin family and the Chen family were originally a political marriage, and they both wanted to become stronger and bigger. However, Qin Hu later was almost useless except for being a dude.

You must know that the champions of all generations are heroes and have unparalleled influence in the army, but in this generation, there is a waste who has never been on the battlefield.

<https://>

When the old Hou Ye was alive, Chen Guogong returned face, but when the old Hou Ye died, Chen Guogong turned his face ruthlessly, and even staged a scene of retiring from the mourning hall.

But Qin Hu loves Chen Ruoli deeply, and refuses to allow him to live or die, but Chen Ruoli has long hated him as a wicked young man.

So a catastrophe came!

As for Princess Chang'an, it's even simpler. She is the cousin of Qin Hu's cousin. As long as Qin Hu dies, the huge family property of the Champion Hou's Mansion will naturally fall to this cousin.

These several forces, each taking what they need, are colluding together, so they quickly united...

Sure enough, once he entered the Hou family, it was as deep as the sea, and there were so many people who wanted him to die.

"Qin An, do you think we should find a place to carry our backs?"

Under the bright moonlight, the rough north wind, with its piercing whistle, swept across the open field, extinguishing several torches, like countless flying knives cutting people's skin.

"No way, Young Master, you will be dealt with by military law."

Qin Hu and Qin An shrank their heads and feet against the wind, ran out of the camp, and ran forward stepping on the thick snow.

The thin Qin An was thrown over by the strong wind without paying attention.

Seeing them coming out, the two sentinels who changed defense looked at each other and smiled slyly. They took two handfuls of snow and put out the bonfire for heating, and then got into the tent.

Damn, even the little soldiers were bribed, trying to freeze me to death!

This is a small camp, with about twenty tents, surrounded by horse-drawn carriages, not even the antlers of the horses and antlers lined up on the outside, and the surrounding area is even more flat, with no danger to defend.

According to the memories of Qin Hu's previous life, about two hundred people were stationed here, they were the vanguard battalion of Li Qin, General of the Yu Dynasty.

The target of Li Qin's 20,000 troops this time is Liaodong Kingdom, Yu Dynasty's old enemy on the border.

"Ahem, young master, do you think we can go back alive?" Qin An curled up on the snow, his lips and face were blue, and he spoke weakly, as if he would die at any moment.

Qin Hu sighed in his heart, Qin An was purely implicated by himself, and if things continued like this, the two of them would surely die.

Those who wanted him to die didn't beat him to death in court, but beat him to death in the barracks.

But Qin Hu is definitely not someone who just sits and waits to die. This is clearly a matter of being framed, and he can't let it go.

Life is an endless struggle to survive, just wait, I will not only survive, but also return to the capital to settle accounts with you.

"Qin An, how many bank notes did we bring when we went out?"

"I don't have any banknotes anymore. I only have twenty taels of silver on me. The imperial decree says that we will be exiled and distributed, and our property will be banned."

Qin An is only 16 years old this year. He is Qin Hu's close bookboy.

In fact, Qin Hu was not much better. These days, the Pioneer Battalion marched 30 miles a day. The work they did was to open roads and build bridges when encountering water, chop firewood, dig ditches and carry water, and build camps. UU reading www.uukanshu.com

And what would it be like for these two thin-skinned and tender-skinned guys to stay with hundreds of big and three thick Qiu Ba every day?

It must be the most tiring job, the worst meal, the worst beating, and the most angry...

Qin Hu estimated that his predecessor might have been tortured to death.

It can be regarded as what he deserved.

It's just this suffering, he must bear it now, if he can't bear it, he will die too.

"give me."

Qin Hu thought it over, he must try to save Qin An's life first, and then think of other ways.

In fact, it is not difficult to save one's life. The easiest way is to bribe people. As the saying goes, wealth can lead to magic. Although this method is primitive, it will always work.

But in this situation, it is impossible for him to bribe senior officials, because no one dares to get involved with him. Besides, there is no money.

So he thought of a person in his mind, Centurion Li Xiaokun.

That is, the current leader of the Pioneer Battalion. <https://>Want to read the latest chapters, please download the Haoyue Novel app, and read the latest chapters for free without ads. Vol 2 Chapter 734: Da Luo Brand

Time is passing, like running water.

In the vicissitudes of life, everything changes.

Time does not depend on a certain person, it is still moving forward.

It seems that because of a certain opportunity, the two sides fought together again. The eight holy clans, the undead demon clan, etc., were fighting with the human race, demon clan, etc. in the world of Zifu...

Clan Cultivation: I Transmigrated With My Smartphone

: Recommend a new book.

As you can see, the book has come to an end.

If the pig's feet fly directly to the fairyland, the novel is over, and there will be no chapters on the fairyland.

At most five or six, the book is finished.

In the novel Eternal Life, the most exciting thing is that Fang Han fights in the lower realm, but when he arrives in the immortal realm, he becomes bored.

Mortal Cultivation, Mortal Realm, and Spiritual Realm chapters are best written. As for the fairy world, the dog tail continues the mink.

Perfect, the book is finished when Shi Ritian ascends to the heavenly world, and continues to write about how Shi Hao worked hard in the heavenly world, how to fight against the enemy, etc., which is to stack boxes.

The old book is over, and the new book has been uploaded. The title of the book is "The First Emperor, I Really Want to Live Another Five Hundred Years"

Introduction:

At the end of the Warring States period, Bai Qi had no choice but to commit suicide, King Qin Zhao was getting old, Qin Yiren was busy running, Lu Buwei was ambitious, Xunzi was giving lectures, and HD was singing and dancing.

Zhao Guo HD, the future Qin Shihuang is being beaten!

The time traveler failed to cross, and Qin Shihuang got the memory of the time traveler. In the future, will there be Efang Palace, the Great Wall, the Mausoleum of the First Emperor, and the death of the ancestor dragon?

...

This book is also titled "I, Qin Shihuang, Making Money", "Daily Life of the First Emperor", "The Great Mistress, No, Great Qin Fu! "

...

Remarks: When I first watched the TV series "Da Qin Fu", I felt a little pitted, and I felt a little bit hard to understand. I felt that there were many common-sense mistakes in it. It is too unreliable to write about Qin Shihuang without reading "Book of Shang Jun", "Han Feizi", "Historical Records", etc.

At that time, I felt that I didn't have enough knowledge, so I didn't dare to write, so I could only write a short story about Qin Shihuang in "The Overlord of Chu". Up to now, I have accumulated a lot of knowledge, read a lot of books, and accumulated a lot of notes. I already feel that the knowledge reserve is insufficient, so I can only start writing with apprehension.

This story is mainly the story of Qin Shihuang obtaining the memory of the traverser and then starting.

Everyone is welcome to read and collect.

Vol 2 Chapter 735: The Zifu world is just a novice village!

The runes are flickering, the runes are changing and undulating, interpreting the supreme mystery, one look at the previous moment, and another look at the next moment, ever-changing, with the supreme mystery.

Lu Xuanji's divine sense was flickering, constantly analyzing it.

But I found that the runes are extremely complicated, it seems difficult to...
