Charming Mommy of adorable triplets Chapter 2308

Chapter 2308 A reporter asked, "Ms. Larson, you've been photographed with Mr. Knowles at the hotel and were naked. How do you explain that?" Another reporter cut in. "Now they've shown evidence, and Ms. Vanderbilt has decided to take you to court. Are you trying to distance yourself, so you don't have to face the consequences?"

Sophie's face was pale as she balled up her fist. "This really has nothing to do with me. I don't even know Mr. Knowles." A reporter asked, "Did he ask you to clarify things?" Another chimed in. "Are you being threatened?"

Sophie took a deep breath and clenched her jaw. "I said no, I don't know him. Someone hired me to act out what happened at the hotel to frame Mr. Knowles."

The flashes continued to shine on her, and she couldn't run away. Sophie lowered her head in shame and started crying, "I'm sorry! I

shouldn't have framed Mr. Knowes, but I really don't know him at all. I'm not a homewrecker. I'm being framed." The reporters continued asking.

Sophie bit her lip. "I... All I know is that she's an actress in a movie with Ms. Vanderbilt. She asked me to take off my clothes and wait in the

After Nollace went to the room, he knocked, then entered. He got out in less than a minute with Sophie rushing out and hugging onto his leg in a bathrobe. The reporters showed up at the moment.

The reporters immediately went into a frenzy. The man then exposed Nollace's text. "Before Mr. Knowles went to Room 6221, he received a text like this. Ms. Vanderbilt had to stay in water for prolonged periods in winter because another actress wasn't

Anyone could tell that it was just a trap.

The man replied. "I'm his lawyer." "Mister lawyer, if it was a honey trap, does that mean Mr. Knowles didn't cheat? Why would Ms. Vanderbilt announce to the public that he was remarrying?" The man smiled. "He did not remarry, and his wife, Ms. Vanderbilt, did

No one would think more about this.
