

## **Conqueror 1941**

Chapter 1941: The Number One Person in the Divine World's Younger Generation?!

"Family Head... is there something wrong?" When You Wuye saw the You Chengguang sitting on the ground listlessly, he couldn't help but ask, "Is there a bigshot in the Divine World with the same name as Huang Xiaolong?"

You Chengguang broke into laughter all of a sudden, and he couldn't stop laughing. His laughter gave You Wuye and the others oosebumps.

"Several hundred years ago, there was indeed a kid called Huang Xiaolong. He ascended from the lower realm and that Huang Xiaolong was a disciple of a tiny sect located in the Vientiane World surface."

You Chengguang's voice rang loud and clear through the hall.

You Wuye, Wangu Yanhui, and Cheng Zongyi knew that the Huang Xiaolong You Chengguang was describing was definitely the Huang Xiaolong they were talking about.

"After that, when the Fortune Emperor Palace opened up their disciple selection on the Vientiane World, Huang Xiaolong signed up and obtained the first position. He was accepted as the personal disciple of the ancestor stationed in the Fortune Emperor Palace's branch in the Vientiane World surface."

The moment the three of them heard what You Chengguang said, their expressions changed.

"Also, not too long ago, all of the Emperors felt that something huge was going to happen in the Divine World, and they decided to accept genius disciples from their branch palaces into the main palace. Huang Xiaolong went ahead to obtain the first position in the Fortune Emperor Palace's grand tournament as well."

"What?!" The three of them screamed in unison as they started to tremble.

When all three of them heard that Huang Xiaolong had taken first place in the mere branch palace of the Fortune Emperor Palace, they were still hopeful about taking their revenge. They had never thought that Huang Xiaolong could obtain first place in the main palace's competition!

"After that, Chief of Hall Masters Zhao Lei accepted Huang Xiaolong as his personal disciple." You Chengguang ignored the looks of shock on their faces, and continued.

"How is the Fortune Emperor Palace ranked in the Divine World? Are they ranked in the top few?" You Wuye's voice became softer and softer as he asked.

You Chengguang felt a myriad of emotions running through his heart when he answered the question. "Sixty-first. They rank sixty-first among all the Emperor Palaces!"

"Sixty-first!" You Wuye and the other two sucked in a cold breath.

It was no wonder everyone's faces changed when they heard that the person who had exterminated the You Family was Huang Xiaolong.

Wangu Yanhui hesitated for a moment before asking. "Senior Chengguang, even though they are ranked sixty-first, they probably wouldn't attack my Wangu Emperor Palace because of a disciple, right?"

"A disciple?" One of the elders from the You Family stared at Wangu Yanhui as though he was a retard. "Do you really think we'll be so afraid if Huang Xiaolong is a mere disciple of the Fortune Emperor Palace?"

The three of them stared at the elder in shock.

"Could it be that he has another identity in the Divine World?!" Cheng Zongyi couldn't control his emotions, and asked.

You Chengguang continued, "Do you know about the Battle of the Heavenly Court?" Even without waiting for their reply, You Chengguang started to tell his story. "The Battle of the Heavenly Court takes place once every hundred thousand years. Every single Emperor Palace sends their strongest disciple,

and every single one of them has to be in the God King Realm and above. Moreover, they can't be more than a hundred thousand years old."

"God King?!" Wangu Yanhui and the other two felt their expressions dropping.

They knew that the Ancient God Realm was above the Heavenly God Realm, and the Ancestor God Realm came after that! The God King Realm was even higher than the Ancestor God Realm! Even You Chengguang, who was standing before them, was merely an Ancestor God!

"Family Head Chengguang, do you mean to say that Huang Xiaolong took part in the Battle of the Heavenly Court on behalf of the Fortune Emperor Palace?" You Wuye's voice started to tremble. "Is Huang Xiaolong already in the God King Realm?!"

You Chengguang's laughter rang through the air. "God King?! On the stage, Huang Xiaolong humiliated the Heavenly Emperor's son, Di Jing, by beating him down mercilessly. In the end, he obtained first place in the Battle of the Heavenly Court. Heavenly Prince Di Jing was at the peak of the early-Tenth Order Heavenly Monarch Realm. He even had the Heavenly Dao Supreme Godhead! Even so, Huang Xiaolong beat him down like a dead dog on the side of the street!"

Wangu Yanhui, You Wuye, and Cheng Zongyi felt a bomb going off in their head.

First place in the Battle of the Heavenly Court!

Even the Heavenly Prince who was at the peak of the early-Tenth Order Heavenly Monarch Realm was beaten like a dead dog on the side of the street!

Peak of the early-Tenth Order Heavenly Monarch Realm!

Their bodies stiffened.

"Wouldn't that make Huang Xiaolong the number one person in the younger generation of the Divine World?!" Wangu Yanhui stuttered.

“Isn’t he afraid of facing the Heavenly Emperor’s wrath after humiliating Heavenly Prince Di Jing?!” Cheng Zongyi felt his jaws dropping to the ground in shock as he asked.

You Chengguang shook his head, and a look of unrestrained fear flashed through his eyes. “He’s not just the number one person in the younger generation of the Divine World. He’s the junior brother of the number one expert of the Divine World, the Grandmist Emperor! Other than Zhao Lei, Huang Xiaolong has another master, the King of Grandmist himself!”

The junior brother of the number one expert in the Divine World!

Wangu Yanhui, You Wuye, and Chang Zongyi felt their hearts stop beating.

“That’s just one of Huang Xiaolong’s identities.” The look of fear on You Chengguang’s face became more solemn as he continued, “Huang Xiaolong went over to Hell and obtained the Netherworld King’s inheritance. He is the current King of Hell. He controls all the experts in Hell!”

King of Hell!

Wangu Yanhui, You Wuye, and Cheng Zongyi felt their souls leaving their bodies.

.....

An entire month later...

The Netherking Flying Ship, that was speeding past the Divine World, stopped, and Huang Xiaolong emerged from the ship with his party in tow.

When they saw the countless palaces floating in mid-air, the Ascending Moon Old Man and the others sucked in a cold breath of air.

“Little brat, is this the Fortune Emperor Palace?” The Ascending Moon Old Man asked with his jaws agape.

Huang Xiaolong laughed. "Of course. Let's go in."

The first time he had seen the headquarters of the Fortune Emperor Palace, his reaction was the same as the Ascending Moon Old Man.

The Ascending Moon Old Man, Xie Puti, and the other hastily followed behind Huang Xiaolong.

"Sect master, we aren't members of the Fortune Emperor Palace. Won't there be trouble if you bring us into the palace?" Fei Hou asked.

A smile appeared on Huang Xiaolong's face. "Don't worry about it. I have special authority in the Fortune Emperor Palace."

The Ascending Moon Old Man and the others finally relaxed when they heard what he said. The deeper they approached, the greater was the shock on the Ascending Moon Old Man's face. Every single disciple along the way greeted Huang Xiaolong, and they knelt the moment they saw him. They didn't move a single muscle until Huang Xiaolong, and the others disappeared from their sight.

It didn't matter if the disciples they ran into were inner disciples or core disciples! Even personal disciples of various ancestors were no exception! There were even elders who greeted Huang Xiaolong with the same level of respect!

"Little kid, could that be a hall master of your Fortune Emperor Palace?" The Ascending Moon Old Man pointed towards one of the random members kneeling on the ground and asked.

Xie Puti, Fei Hou, Ao Taiyi, and the rest stared at him in shock.

Huang Xiaolong felt a little embarrassed when they stared at him, and he thought that he had to explain himself. "Yes. That's the hall master of the medicinal hall." He hesitated for a moment before continuing, "In fact, my identity is a little special. Other than being a disciple of the Fortune Emperor Palace, I have several other identities."

## Chapter 1942: The Whereabouts of the Huang Family Members

“Special identity? You have other identities?!” The Ascending Moon Old Man yelled in shock.

“Little brat, don’t tell me that you’re the young master of the Fortune Emperor Palace!” The old man chuckled but failed to hide his shock.

Huang Xiaolong finally came clean, and he explained, “Actually, I’m the junior brother of the number one expert of the Divine World, the Grandmist Emperor. I have another master, and he is the King of Grandmist.”

The Ascending Moon Old Man felt his body going stiff, and he stared at Huang Xiaolong with his mouth agape.

Xie Puti, Fei Hou, and the others stared at Huang Xiaolong, and none of them knew how to react.

The junior brother of the number one expert in the Divine World!

He has another master, the King of Grandmist!

In fact, some of them failed to hear Huang Xiaolong’s complete sentence due to the shock they received.

As night fell, the silver moon hung high in the sky as it illuminated the earth with a soft silvery glow.

Huang Xiaolong couldn’t calm his heart down to cultivate, and he stood on the top of the mountain peak located in the main palace of the Fortune Emperor Palace as he stared into the horizon. He thought about his parents, Shi Xiaofei, and his sister, Huang Min.

“Are they doing well? Where are they...” Huang Xiaolong muttered to himself.

Ever since returning to the Divine World, Huang Xiaolong had never stopped thinking about his family members. No matter how hard he tried, he failed to calm his heart.

The Divine World was boundless. He could only rely on the Silver Fox Commerce, Grandmist Emperor Palace, Martial Demon Emperor Palace, and the Netherworld King's Organization for help.

Thinking about the messy situation the Divine World was in, Huang Xiaolong's worry grew deeper.

Even though the Devil World's invasion was being held back by the heavenly troops and the Divine World looked calm on the surface, Huang Xiaolong knew that it was merely the calm before the storm.

Looking at the incident that happened to Fang Gan and other Emperor Realm experts, Huang Xiaolong knew that the Nine Yin Corpse Giant Tribe had already infiltrated deep into the Divine World.

As soon as Shi Ming would complete the refinement of his peak-grade grandmist artifact, the Blade of Death, Huang Xiaolong had no doubts that he would kill his way to the Divine World. There would no longer be peace in the Divine World after the start of the battle. Huang Xiaolong knew that he had to locate his family members before that were to happen.

Previously, his goal was to obtain the other half of the Radiance Ancestor's inheritance. Right now, he felt that he had no choice but to delay his search for it.

.....

There was a tiny world surface located south of the Fire Stone World.

On one of the ore veins located in the very south of the tiny divine plane, several ragged-looking Highgod Realm experts were blasting the ground with all their might as they tried to extract some of the metal from under the earth.

There were forty to fifty thousand Highgod Realm experts, and the weakest of them was already at the mid-level Highgod Realm. The strongest individual there was at the peak of the late-Tenth Order Highgod Realm.

Several Heavenly Gods were staring at the group of Highgod laborers in the distance, and all of them held metal whips in their hands.

“Hurry up! Tomorrow is the last day of the month! If you fail to extract ten catties of gold, you’ll be in trouble!” One of the Heavenly Gods snapped at the Highgods below them.

As one of the Fifth Order Highgods took a short break to catch his breath, a metal whip smashed into his back and ripped his flesh apart. He fell to the ground as he cried out in pain.

The metal whips weren’t an ordinary divine artifact. They were made from metal essence from the Ghost World, and it would send yin energy to attack the victim’s soul in addition to the damage it caused to their body.

“Anyone who slacks off will be given more lashes! Hurry up!” The Heavenly God retrieved his metal whip and sneered at the Highgods. “Don’t blame me for not warning you...”

“Hurry up and dig!”

The Fifth Order Highgod Realm cultivator crawled to his feet, and he didn’t dare to say a word. He lowered his head as he continued to dig.

After witnessing the scene of the poor soul before them, everyone sped up.

If Huang Xiaolong was present, he would realize that his Huang Family members were among those who were part of the labor force, and they were merely several feet from the Highgod who had been lashed.

Huang Peng, Su Yan, Huang Min, Guo Tai, Guo Xiaofan, Shi Fantian... All of them were present.

All of them were no different from beggars on the street as their clothes were tattered, and their faces were muddy. They looked extremely haggard, and due to the constant digging, all of their godforce was worn out.

The only person who was missing was Shi Xiaofei.

Several tens of years ago, when Huang Peng and the others had ascended to the Divine World, Shi Xiaofei was blown away when they had run into a hurricane. Since then, all of them had been separated.

After several hours, the night finally fell.

“Enough. Stop and take a one hour break.” One of the Heavenly Gods yelled.

In an instant, all the Highgod Realm cultivators in the mine crumpled to the ground. They panted like dogs as they sucked in mouthfuls after mouthfuls of air.

Huang Peng, Su Yan, and the others fell to the ground, and they felt as though all the energy in their body had left them.

When they had appeared on the Fire Stone World, none of them had managed to gather the godforce in their body before they were captured by a bunch of disciples from the Earth Splitting Gang.

The Earth Splitting Gang was a second rate power in the Fire Stone World, and they refined weapons for a living.

All the divine artifacts they made were sold to the first-rate families in the Fire Stone World.

Even though they were merely a second-rate power, they weren't people Huang Peng and the others who had just ascended could go up against.

After falling into the hands of the Earth Splitting Gang, all of them were sent to the mines. Ten years had passed slowly, as all of them were separated from the outside world.

For ten years, all of them were only able to rest for a single hour before they were forced to dig for another day.

In the eyes of the Earth Splitting Gang, these Highgods were nothing more than slaves.

“It’s been ten years... I wonder how sister-in-law is doing.” Huang Min sighed. “I wonder where big brother is! If this goes on, I’m afraid we won’t be able to see big brother even after ten thousand years!”

Of course, the sister-in-law she was referring to was Shi Xiaofei.

A trace of hatred flashed through Guo Xiaofan’s eyes. “This is all my fault. If not for my insistence to ascend to the Divine World, none of you would be trapped in this godforsaken land...”

Huang Peng frowned. “We don’t even know if Xiaolong knows that we have ascended to the Divine World. Even if he knows, the Divine World is boundless, and it won’t be easy for him to locate us. Even if he finds us, he might not be able to save us!”

Even though the Earth Splitting Gang was a second rate power in the Fire Stone World, they had been in existence for several millions of years. Their foundations were deep, and they had countless Heavenly Gods under them. Not to mention they had lots of Ancient Gods, Ancestor Gods, and God Kings. They even had a Heavenly Monarch leader to hold the fort!

Even though Huang Xiaolong had ascended for several hundred years, none of them believed that he would be able to go against the Earth Splitting Gang.

Just as they were taking a break and catching their breath, the Heavenly Gods who were in charge of watching them, started discussing a particular topic, and their voices traveled into the ears of Huang Peng and the others.

“I’ve heard that Huang Xiaolong went to the Devil World. He managed to get his hands on the Myriad Curses Devil Stele and the Glaze Devil Stele.”

“Huang Xiaolong’s talent is through the roof! His luck isn’t any worse than his talent... If only I had one ten thousandths of his talent and luck... I’ll be more than content.”

Chapter 1943: Are You Messing With Us?!

“Are you retarded? Who doesn’t wish to obtain one ten-thousandth of Huang Xiaolong’s talent and luck? Do you really think that’s possible?”

Huang Peng and the others felt a trace of shock flashing through their mind.

Huang Xiaolong?!

Those disciples from the Earth Splitting Gang were discussing Huang Xiaolong!

“This... could he be someone with the same name?” Guo Xiaofan muttered to himself. “The Divine World is boundless. There is definitely someone with the same name as him, right?”

Huang Peng, Su Yan, and the others felt the trace of hope in their hearts dissipating.

He was right. It was definitely someone with the same name.

Huang Xiaolong went to the Devil World?!

They knew of the horrors of the Devil World. Even the head of the Earth Splitting Gang, a Heavenly Monarch Realm expert, wouldn’t dare to enter the Devil World. How could the Huang Xiaolong they knew head over to the Devil World?!

“I’ve also heard that Huang Xiaolong broke into the Emperor Realm not too long ago. This is too terrifying! It hasn’t even been forty years since the Battle of the Heavenly Court... Wasn’t he a Seventh Order Heavenly Monarch during the battle?”

“Taking less than forty years to break into the Emperor Realm from the Seventh Order Heavenly Monarch... It’s no wonder he managed to beat Di Jing down during the battle!”

“I wonder who his parents are. They managed to give birth to such a terrifying presence! Didn’t he ascend for merely several hundred years?! He managed to break into the Emperor Realm from the Highgod Realm in such a short amount of time! Every time I think about this, I feel like smashing my head into the wall and killing myself!”

“Smash your ass! Go smash your head into the ore mountain in front of us if you have the guts!”

The voices of the Heavenly Gods continuously entered the ears of Huang Peng and the others.

When they heard that the ‘Huang Xiaolong’ the Heavenly Gods were talking about had only ascended for several hundred years, they felt a tremor run through their hearts. This... Could it be true?!

Is the Huang Xiaolong they were talking about the same Huang Xiaolong they knew?!

Could their son be the Huang Xiaolong they were talking about?!

Huang Peng, Su Yan, Huang Min, and the others felt excitement bubbling in their hearts.

However, it was too much for them to take in all at once.

Emperor Realm?!

Didn’t they say that Huang Xiaolong had entered the Emperor Realm?!

That was the Emperor Realm they were talking about!

In the tens of years that they were in the mines, all of them had heard the news about the Divine World. They were clear on what a cultivator at the Emperor Realm meant. They were extremely clear that the Emperor Realm came after the Heavenly Monarch Realm.

An Emperor Realm expert was someone their gang leader wouldn't be able to meet even if he wanted to!

A presence at the Emperor Realm wasn't something Huang Peng could conjure in his mind.

Even though the few of them felt extremely excited that the Huang Xiaolong they were hearing of was the same Huang Xiaolong they knew, they didn't dare to believe their ears.

"With Huang Xiaolong's identity, I'm afraid that there will be no woman capable enough to match up to him, right?" The Heavenly God Realm disciples continued their discussion.

"I've heard that Huang Xiaolong is already married. Isn't there that lady called Li Lu and Yao Chi following him around? Oh right, I've also heard that the Second Lady of the Silver Fox Commerce, Bei Xiaomei, and Fang Xuanxuan of the Fortune Emperor Palace, along with Peng Xiao, are already together with him! No one knows if that is true..."

"The Second Lady of the Silver Fox Commerce and Fang Xuanxuan?! Hehe, Huang Xiaolong really has luck with women!"

"It's Bei Xiaomei and Fang Xuanxuan who are lucky. In the entire Divine World, there are tons of ladies queuing up to glance at Huang Xiaolong. Even the wife of our leader screams for Huang Xiaolong in her dreams and causes him to spit out mouthfuls of blood in anger!"

"How do you know that?! You should not let anyone hear about the news of the leader's wife screaming Huang Xiaolong's name. Otherwise, your life might be forfeit!"

The laughter from the Heavenly God Realm disciples filled the air, but Huang Peng and the others felt as though they were hit by a lightning bolt.

Li Lu!

Li Lu was Huang Xiaolong's woman!

Even though they had no idea who the Second Lady of the Silver Fox Chamber of Commerce was, they knew Li Lu!

Li Lu!

The instant they said her name, Huang Peng and the others were sure that they were all thinking of the same Huang Xiaolong! The Huang Xiaolong everyone was talking about was their son!

“Xiaolong! We finally found Xiaolong!” Su Yan screamed with joy as she grabbed Huang Peng’s hand. “Huang Peng, we finally found our son!” Her eyes turned bloodshot as tears formed in the corner of her eye.

Huang Peng buzzed with excitement as well. “Yes, we finally found our son!”

For the past ten years, they had tried to look for Huang Xiaolong despite enduring their harsh circumstances. The only reason they had held onto their will to live was because they believed that they would be able to find their son!

Right now, they had finally received news of Huang Xiaolong!

Their son, Huang Xiaolong, had broken through to the Emperor Realm! Their son was an Emperor Realm expert!

Huang Peng and Su Yan leaped to their feet and ran towards the Heavenly God Realm disciples.

As for Huang Min and the others, they quickly followed behind the two of them.

“Hold it! What do you think you’re doing?” One of the Heavenly God Realm disciples looked at the group and snapped in anger.

Facing the might of a Heavenly God, Huang Peng and the rest could only stop dead in their tracks.

“Senior, we have no other intentions. We want to ask you about the Huang Xiaolong you were talking about.” Huang Peng’s voice trembled as he spoke.

All the disciples from the Earth Splitting Gang looked over.

One of them sneered when he heard what Huang Peng said. “Huang Xiaolong isn’t something you slaves can ask about. Right now, go back to whatever you were doing. If you speak another word, I’ll whip you!” A light flashed in his palm as he stood up and swung the metal whip in his hand.

A look of fear appeared on the faces of Huang Peng and the others.

All of them had experienced the pain of being whipped, and none of them wanted to experience it for a second time.

However, when Huang Peng thought about the possibility of Huang Xiaolong being his son, he gritted his teeth and said, “Huang Xiaolong is my son!”

His voice stunned all the disciples present, and even the Highgods in the mine stared at Huang Peng.

However, the Heavenly God Realm disciples roared with laughter in the next instant.

“What did this slave say?! He said that Huang Xiaolong is his son?! Did I hear wrong?!” One of the Heavenly God Realm disciples grabbed his stomach as he dropped on the ground laughing.

It was no surprise that none of them believed Huang Peng. After all, it was the same as when a beggar claimed that he was the father of an Emperor! Who would take him seriously?

When Huang Peng and the rest saw that no one believed them, their expressions turned ugly.

“Dog slave, are you wasting my time?!” One of the Heavenly God Realm disciples stopped laughing and he snapped at Huang Peng. “If Huang Xiaolong is your son, Heavenly Emperor Di Jun is my dad!” He didn’t bother waiting for Huang Peng’s explanation before he sent the whip flying at him.

In order to wake Huang Peng up, he didn't hold back. Huang Peng flew away as a miserable shriek escaped his lips. Blood sprayed out from his wound.

Chapter 1944: Lies

"Huang Peng!"

"Father!"

"Grandpa!"

Everyone's faces changed when they saw Huang Peng's miserable condition.

Everyone rushed over towards him and helped him up. When they saw the horrifying scars on his body, hatred and rage welled up in their hearts.

"Brother Peng, are you alright?!" Su Yan started to cry as she pressed her hands onto his wound. She used all the godforce she could muster to try to stop Huang Peng's injury from becoming worse.

Since none of them had any pills to treat his injury, she could only use the most primitive method available.

It was too bad that his wound was profound. Blood flowed non-stop.

Huang Peng lowered his head weakly. "Don't worry, I'm fine. I will live until the day I see my son."

Su Yan could no longer hold her tears back as she bawled her eyes out.

The disciple raised his whip again, and he snapped impatiently at her, "B\*tch, don't think that I won't whip you if you don't stop crying?!"

Huang Peng hastily stopped Su Yan from crying as he shook his head.

However, Guo Xiaofan couldn't help himself as he tried to explain to the Heavenly God Realm disciples. "Lords, my uncle is really called Huang Xiaolong. I know about aunt Li Lu, and she was his childhood sweetheart in the lower realm!"

Even though none of them cared about him, Guo Xiaofan continued to explain.

If he didn't say anything, there wouldn't be a chance of them ever believing him. If he said something, there was a chance they might actually listen to him!

A sneer escaped the disciple's lips. "How dare you remain stubborn?! Don't think that I don't know what you guys are planning. Do you really think we'll release you if you claim that Huang Xiaolong is your son?! I've seen this too many times!"

It was true. In order to escape, many Highgod Realm cultivators came up with all sorts of excuses.

Guo Xiaofan didn't want to give up and he eventually ate a whip from the Heavenly God Realm expert. He was sent flying and suffered the same fate as Huang Peng. In fact, his wounds were worse than Huang Peng, and his blood stained the ground red.

"Xiaofan!" Everyone screamed as they ran over to support him.

Everyone glared at the group of Heavenly God Realm disciples.

However, they were only met with a casual glance from these disciples. One of them spoke, "If anyone dares to come up with reasons to escape, they will be whipped three times! I'll cripple one of their hands!"

Everyone's expressions changed.

They needed both their arms in order to dig, and if one of the arms was crippled, there would no longer be a way for them to hit their target. They would die a horrible death at the end of the month if that was the case.

...

Several days later, in the Fortune Divine Kingdom, Huang Xiaolong looked at the clouds of spiritual qi swirling around the mountain peak as he tightly knitted his brows together. It had already been a month, but no one had managed to find any news about his parents.

Every day felt like a year, and he felt especially uneasy these few days.

In the distance, two figures slowly approached him.

It was precisely Fang Xuanxuan and Peng Xiao.

As they appeared beside Huang Xiaolong, they noticed the dejected look on his face. They looked at each other but failed to think of a way to console him.

"Xiaolong, don't worry, uncle and aunty will definitely be fine. Don't overthink things..." Fang Xuanxuan eventually decided to say something.

"That's right! Xiaolong, with the strength of the Silver Fox Commerce, there will definitely be news of them soon!" Peng Xiao hastily followed up.

Huang Xiaolong nodded his head and sighed, "I hope so."

"Xiaolong, some of the Emperor Palaces sent over news that Heavenly Prince Di Jing managed to break into the Emperor Realm. With his Heavenly Dao Divine Physique and Godhead, no one would be able to

kill him!” Fang Xuanxuan suddenly thought of the report she had heard previously and relayed the information to Huang Xiaolong.

“Oh.” Huang Xiaolong felt a little shocked when he heard the news. He had never expected Di Jing to be able to enter the Emperor Realm so quickly.

As he became the embodiment of the Heavenly Dao, his body was indestructible and his soul would never scatter... Huang Xiaolong’s eyes lit up.

“Also, we heard that Heavenly Prince Di Jing and Heavenly Emperor Di Jun managed to invite a monstrous old freak. Some say that he will be there to deal with Shi Ming, but others say that he is there to deal with the King of Grandmist!”

Huang Xiaolong frowned, and a surprised look flashed through his eyes. “Which old monster did they manage to invite?”

Since the rumor could spread, the report was most probably true. Huang Xiaolong knew that it didn’t matter who was the old freak they had managed to invite. But he was afraid that the old freak they had invited wouldn’t lose to his master, the King of Grandmist, if they were to fight.

“We don’t know who it is.” Fang Xuanxuan shook his head. “Perhaps the King of Grandmist might know...”

Huang Xiaolong nodded his head. After he found his family members, he would head over to the Grandmist Lands before going to the Radiance World.

I wonder how the little cow is doing... Did she manage to regain her strength?

Even though the number of experts around him was aplenty, he knew that he lacked Sovereign Realm experts. If the little cow recovered her strength, she would be another strong fighting force for him.

He also had to think of a way for the four odd beasts, the radiance angels, Tai Yue, Jin Yuan, and the other Great Commanders to break through to Sovereign Realm.

All of them were trapped at the peak of the late-Tenth Order Emperor Realm for several billion years. They needed nothing but a stroke of luck to break through to the next realm.

Just as he was thinking about them, his transmission symbol shook. Huang Xiaolong retrieved it, and to his surprise, it came from Bei Xiaomei!

“Fire Stone World. Earth Shattering Gang!” Huang Xiaolong couldn’t control himself as a look of joy appeared on his face. He had finally managed to locate them!

According to what Bei Xiaomei said, his family members were located on the Fire Stone World.

“Xiaolong, did you receive news about uncle and aunty?” Fang Xuanxuan couldn’t help but ask when she saw the look on Huang Xiaolong’s face.

Huang Xiaolong nodded his head and passed his transmission symbol to the two girls.

They rejoiced when they saw Bei Xiaomei’s message.

“That’s great! Xiaolong, shouldn’t we hurry over to the Fire Stone World right now?” Fang Xuanxuan couldn’t help but ask when she saw the expression on his face.

Huang Xiaolong was stunned for a second. “You guys want to go as well?”

Fang Xuanxuan and Peng Xiao nodded in unison. Their faces flushed red at the same time as they thought of something.

“Alright. We shall head over to the Fire Stone World right now!” Huang Xiaolong declared. He knew that the most important thing right now was to head over to the Fire Stone World.

The three of them flew in the Netherking Flying Ship as they charged towards the Fire Stone World.

Chapter 1945: Hand Over Another Fold!

In order to arrive at the Fire Stone World as quickly as possible, Huang Xiaolong summoned the four odd beasts, the fourteen radiance angels, one hundred Undead Netherguards, and all seventy-plus Ice Dragons to push the flying ship to its limit.

After using over two hundred Emperor Realm experts to power up the flying ship, it wouldn't be an exaggeration to say that that was the most luxurious lineup ever used to control a flying ship in the history of the Divine World.

Not to mention the fact that a majority of the Emperors moving the ship were high-level Emperors!

Even though Fang Xuanxuan and Peng Xiao knew that Huang Xiaolong had many subordinates under his command, they were shocked when he summoned all of them at once. Their chests heaved when they saw so many high-level Emperors appearing before them.

Huang Xiaolong didn't think too much about it. All he could think of were his family members and Shi Xiaofei.

"Shi Xiaofei!" Suddenly, Huang Xiaolong's mind seemed to have freshened up as he took out the transmission symbol once again. After reading it several times, he realized that something was missing.

His expression turned extremely ugly.

In Bei Xiaomei's message, she hadn't mentioned anything about Bei Xiaomei! She had only told him that the other Huang Family members were located at the Fire Stone World.

He had missed the detail due to his eagerness just a moment ago.

"Xiaolong, what's wrong?" When the two of them noticed his abnormal behavior, they couldn't help but ask.

Huang Xiaolong sighed before shaking his head. "It's nothing." As soon as the words left his lips, he retrieved his transmission symbol and sent a message of his own to Bei Xiaomei. He inquired about Shi Xiaofei.

Her reply came very quickly.

Huang Xiaolong felt the blood draining from his face when he read what she said.

In her reply, Bei Xiaomei mentioned that Shi Xiaofei was never seen together with the members of the Huang Family.

Shi Xiaofei isn't there!

Could it be that I was right?! Did she ascend to the Buddhist World?! If that really happened, things would be bad!

There was the Silver Fox Commerce, Grandmist Emperor Palace, and the Fortune Emperor Palace located in the Divine World. Huang Xiaolong was confident that he would be able to locate them as long as they were situated in the Divine World. As for the Buddhist World, Huang Xiaolong had no power there! He would be dreaming if he wanted to look for someone there!

"Xiaolong, did something happen?" When they noticed Huang Xiaolong's pale face, they asked with concern. "Did something happen to aunty and uncle?!"

Huang Xiaolong shook his head and denied. "No... something happened to Xiaofei..."

"Sister Xiaofei!" The two of them exclaimed in shock.

Huang Xiaolong had told them his stories from the lower realm, and they knew that Shi Xiaofei was Huang Xiaolong's wife.

After showing them Bei Xiaomei's message, the two of them sank into silence.

"Xiaolong, Sister Xiaofei wouldn't have met with any mishaps. She probably must have gotten separated from uncle and aunty. The Silver Fox Commerce will definitely find her!" Fang Xuanxuan consoled Huang Xiaolong.

He sighed in response. "Let's hope so."

Huang Xiaolong quickly sent another message to Bei Xiaomei, inquiring about his family member's situation on the Fire Stone World. Even though she had mentioned something about his family members being on the Fire Stone World, she hadn't revealed how they were doing.

He soon received a reply. In Bei Xiaomei's response, she spoke about how all of them were slaves of the Earth Splitting Gang and their suffering at the hands of the Heavenly God Realm disciples from the gang. The Silver Fox Commerce's members had managed to find Huang Xiaolong's family because the Heavenly God Realm disciples had whipped Huang Peng when he had claimed that he was Huang Xiaolong's father.

"Earth Shattering Gang!" Killing intent burst out from Huang Xiaolong's eyes, and the temperature on the Netherking Flying Ship dropped below freezing point.

When the two ladies felt the killing intent coming from Huang Xiaolong's body, they quickly went over and read the report sent by Bei Xiaomei. Traces of rage rose in their hearts.

"The Earth Splitting Gang deserves to be annihilated!" Peng Xiao's resentful voice resounded through the air.

Huang Xiaolong once again returned a message to Bei Xiaomei, requesting her to secretly protect his family members. He didn't want them to startle the enemy in case anything untoward happened to his parents before his arrival.

Right now, the news of Huang Xiaolong's parents arriving in the Divine World hadn't spread. If the Nine Yin Corpse Tribe were to learn of the news, he was afraid that they would be the first ones to make a move against them. Even Di Jun and Di Jing might do something to harm them.

As such, Huang Xiaolong requested for Bei Xiaomei to protect them secretly.

He decided to rescue them himself!

As the Netherking Flying Ship accelerated, they needed at least twenty more days to arrive on the Fire Stone World.

“Twenty days... Father, mother, wait for me!” Huang Xiaolong prayed in his heart.

Just as Huang Xiaolong was rushing towards the Fire Stone World, the Earth Shattering Gang’s main hall was getting lively as the various elders gathered to discuss the recent happenings.

“According to Guan Sect, we need to turn in another fold of gold next month...” The leader of the Earth Shattering Gang, Cheng Guotao, said. “From tomorrow onwards, order the mines to speed up their production! Tell the slaves we want twice the amount from next month onwards.”

A frown appeared on the face of one of the elders. “Even if we force them to hurry, they probably won’t be able to do it. Moreover, they might die of exhaustion if we force them to work any harder.”

After all, they were already working at their limit. They would definitely die if they were pushed even further.

“Who cares about them! They are nothing but slaves! If they die, we’ll head out and capture another batch!” Cheng Guotao chuckled sinisterly. “The things we lack the least are slaves! Tan Shao, go out and capture another batch tomorrow!”

“Yes, Leader.” The elder called Tan Shao nodded his head in reply.

Very quickly, the order from Cheng Guotao arrived at the mines.

“What?! We have to double the production?!” Huang Peng and Su Yan’s expression turned ugly when they heard the order. Rage filled their hearts.

“Are you really trying to work us to death?!” Everyone raged at the bunch of disciples guarding them.

One of the disciples snorted at them, “That’s the order from the leader! It’s no use to grumble here. Why don’t you hurry up and dig?! What are you waiting for?! There will no longer be a one-hour break every day! If you fail to complete the task, wait for us to punish you! We will let you experience a living hell!”

He turned to Huang Peng and chuckled, “You better behave yourself.”

“If you yell, we’ll torture you to death with our whip!”

Guo Xiaofan roared in anger, “My uncle will save us all! You will regret this!”

All of the disciples started laughing as they pointed their whip at Guo Xiaofan. “If Huang Xiaolong really comes to save you, I’ll eat the entire mountain!”

Roaring laughter resounded through the sky.

Chapter 1946: Earth Shattering Gang, How Dare You?!

Even though Guo Xiaofan wanted to continue, Guo Tai shook his head silently at him. He knew that no matter how hard his son tried, it was impossible to change their minds. If he continued to scream and shout at them, he would probably get beaten again.

Huang Peng and Guo Xiaofan were still injured from the whipping they had received a few days ago.

Since even his father was stopping him, Guo Xiaofan could only suppress the rage in his heart.

“What are you waiting for?! Hurry up and die!” The disciple sneered at the smoldering Guo Xiaofan, and he waved the whip in his hand. Without warning, he swung it out once again, and it landed shockingly close to Guo Xiaofan. It missed him by a mere centimeter!

Cold sweat drenched the backs of everyone from the Huang Family.

Even though fire threatened to spill out from Guo Xiaofan’s eyes, he didn’t dare to do anything.

“I forgot to tell you... Everyone has to double their production. As for you guys... you’ll be in for trouble if you fail to turn in triple your monthly quota!” The disciple who wielded the whip glared at Huang Peng and the others as he snapped.

“What?!” Guo Xiaofan, Guo Tai, and everyone else nearly fainted with rage.

They were driven to their limits by doubling the production and tripling it was clearly killing them!

Even if Huang Peng and the others were at the peak of the late-Tenth Order Highgod Realm, they would still be beaten to death by these Heavenly God disciples from the Earth Shattering Gang!

Obviously, they were going to kill Huang Peng and the other Huang Family members at the start of the next month.

“Why?!” Guo Xiaofan roared in anger.

“Why?” The disciple stared at them as the corners of his lips curled upwards. “It’s because I hate the sight of you. What can you do about it?”

“You!!!” The hatred in Guo Xiaofan’s eyes doubled as he glared at the disciple.

“Brat, do you want to kill me? Too bad, you’re too weak. Do you really know why I haven’t killed you? That’s because I want you to experience the fear and pressure of death every day. I want you to crawl

towards your death slowly! Even though you know that you'll be dead in a moment, you won't be able to do anything about it!"

Although none of them were allowed to kill the slaves as they pleased, killing one or two occasionally to show off their might wasn't frowned upon.

With a guttural cry from Guo Xiaofan, he wanted to duke it out with the disciple. It was lucky that everyone managed to grab him in time.

"Xiaofan, that's enough!" Huang Peng's voice resounded through the air as he tried his hardest to suppress his anger. "Start digging!"

By this time, the other slaves were out of breath, and they were giving it their all to extract whatever they could from the earth below them.

When Guo Xiaofan heard Huang Peng's scolding, he finally calmed down.

Seeing the situation before them, the disciple from the Earth Shattering Gang snorted, "A bunch of pitiful trash."

Several days passed.

Since the wounds on Huang Peng and Guo Xiaofan's body hadn't healed, their injuries worsened the more they dug. Fresh blood flowed out from their wounds and dyed the ground below them red.

"Brother Peng, Xiaofan, stop digging!" Su Yan cried out in exasperation when she looked at the sorry states of their bodies.

With how hard they were working, they probably wouldn't live to see the next month.

Huang Peng shook his head and said. "We'll dig out all we can. If I and Xiaofan fail to hit the amount, we'll give it all to you. At least a few of us will be able to complete the mission." Sorrow filled words left his lips as he resigned to his fate.

He knew that he was definitely going to die and he wanted to dig as much as he could with the last of his strength. He would give whatever he had to Su Yan, Huang Min, and the others so that they wouldn't need to suffer from a whipping at the end of the month.

"Brother Peng!"

"Father!"

Su Yan, Huang Min, and the others choked with emotions.

"Xiaofan and I will take our leave first. If you meet Xiaolong in the future, tell him about everything we are suffering at the hands of these b\*stards!"

"Alright, let's keep digging!"

Huang Peng kept all the emotions in his heart, and he continued to dig relentlessly.

Su Yan and the others felt tears welling up in their eyes.

In the main branch of the Earth Shattering Gang, a middle-aged man was accompanied by the gang leader, Cheng Guotao. He was precisely the Gu An Sect's sect chief, and he was there to retrieve the gold from the Earth Shattering Gang.

The Gu An Sect was a first-rate power in the Divine World, and it was one of the main families located on the Fire Stone World. They were also the power the Earth Shattering Gang was trying to suck up to.

The main reason he was there was to collect the gold.

“Cheng Guotao, there are only ten days left till you will have to hand over the gold. Will there be any problems?” Hu Qingzhong, the Sect Chief of the Gu An Sect, asked.

A chuckle escaped Cheng Guotao’s lips. “Of course, there are no problems. Everything’s in order. Sect Chief Hu can rest assured. We captured another batch of slaves in the past few days, and we will definitely be able to obtain the amount of gold you desire. Do you wish to head over to the mines to take a look?”

“Sure, why not?”

As such, the two of them made their way towards the mines under the escort of the experts of the Earth Shattering Gang.

Since their headquarters wasn’t too far from the mines, they arrived before long.

When the guard-disciple saw Cheng Guotao approaching, he hastily rushed over to welcome the newcomers.

With Cheng Guotao’s introduction, Hu Qingzhong slowly walked towards the mines. When he walked past Huang Peng and the others, Huang Peng and Guo Xiaofan were no longer able to hold out as they swayed on their feet before falling on the ground.

“Unlucky...” Hu Qingzhong sighed.

As soon as Cheng Guotao heard what he said, his expression changed. He screamed at the disciple in charge of the mine. “Why are you standing there? Drag them out!”

The disciples rushed up and dragged Huang Peng and the others away.

“No! Please, don’t do it!” Su Yan and Huang Min revealed a look of terror as they pleaded with the disciples.

Even though Huang Peng and Guo Xiaofan had collapsed, they weren't dead. They were merely unconscious.

Guo Xiaofan and the others hastily grabbed the disciples in an attempt to stop them from dragging the two bodies away.

It was too bad none of them had the ability to stop the Heavenly God Realm disciples. Before long, they were sent flying.

Huang Peng and Guo Xiaofan were dragged away like dead dogs right before their very eyes.

It was precisely at this moment that the Netherking Flying Ship appeared in the air above the Fire Stone World. Through the control room of the ship, Huang Xiaolong saw the world surface below them.

His transmission symbol shook, and Huang Xiaolong's expression turned ugly the moment he read it. Killing intent soared through the skies as he growled in anger. "Earth Shattering Gang... How dare you?!"

When the two ladies read the message on his transmission symbol, their faces changed as well.

Huang Xiaolong ordered for the ship to accelerate once again.

In several breaths of time, the Netherking Flying Ship entered the Fire Stone World. Huang Xiaolong, the four odd beasts, the radiance angels, Netherguards, and the Ice Dragons didn't retract their aura as they soared through the sky. Their killing intent shook the world.

Every single person on the Fire Stone World felt the killing intent charging through the air. They could feel the horrifying pressure crushing down on them!

Chapter 1947: Xiaolong! Big Brother!

Everyone on the Fire Stone World seemed to raise their heads simultaneously to look above them. A look of terror flashed through their eyes.

It didn't matter if they were old ancestors who had been in secluded cultivation for millions of years or some regular disciples, as every single one of them opened their eyes in shock.

In the mines of the Earth Shattering Sect, Sect Leader Hu Qingzhong and Cheng Guotao weren't exceptions. Every single expert saw the look of terror in each other's eyes.

"This... This is the might of an Emperor! A bunch of Emperors!" Hu Qingzhong's voice trembled as he cried out in fear. "How can there be so many Emperors appearing on our Fire Stone World?!"

Cheng Guotao felt his lips shaking as he spoke. "It seems like dozens of Emperors have arrived! Did something happen on our Fire Stone World?!"

Hu Qingzhong shook his head after hearing what Cheng Guotao said. "Not several dozen! There are at least a hundred of them! A hundred Emperor Realm experts! How can there be so many Emperors appearing on our Fire Stone World? Could there be some sort of ultimate treasure being born here?!"

The strongest individual on the Fire Stone World was a Heavenly Monarch. Moreover, he was just a mere high-level Heavenly Monarch. For a billion years, no Emperor had appeared on the Fire Stone World. However, more than a hundred of them had appeared all at once at this moment!

With the unstoppable aura emitted by Huang Xiaolong's party, even Heavenly Monarchs like Cheng Guotao and Hu Qingzhong felt their legs turning soft.

As for the other experts from the Earth Shattering Gang, there was no need to say anything else. Turning to look at the disciples who were dragging Huang Peng and Guo Xiaofan away, they fell to the grounds as their bodies convulsed!

Just a moment ago, the Silver Fox Commerce's spies had planned to take away Huang Peng and the others. In the instant that they were going to make their move, they were stopped by the horrifying pressure coming from Huang Xiaolong's party. None of them could move a single muscle.

Since the Silver Fox Commerce didn't have a branch in the Fire Stone World, the spies they had there were all ordinary outer members of the chamber of commerce. They were merely Ancestor Gods. Even Heavenly Monarchs were scared to the point of crumbling to the ground, let alone people like them!

The instant Huang Xiaolong arrived on the surface of the world surface, he raised his head and roared towards the heavens. The Fire Stone World shook while Huang Xiaolong and the others charged through the skies towards the mine.

"Did... Did the Dragon Race's Emperor descend?!" Cheng Guotao widened his eyes in shock. "They seem to be flying towards us!"

Hu Qingzhong swallowed a mouthful of saliva to moisten his dry throat as he stuttered, "Could it be that the treasure is located around this area?!"

A treasure that could attract so many Emperors was bound to be a heaven-defying one!

Huang Xiaolong's eyes were bloodshot as he circulated all the godforce in his body to rush towards the location stated by Bei Xiaomei. As the aura of all the Emperors in his party expanded, they left a trail of ruin along the way. Mountains crumbled, and valleys cracked.

As forests fell, rivers started to float into the sky.

The instant the water approached the ice dragons, it turned into shards of frozen ice. Losing the ability to fly, the shards of ice fell like rain onto the earth below.

Fang Xuanxuan and Peng Xiao followed behind Huang Xiaolong hastily, and their expressions changed when they saw the destruction below them. They were afraid that even Sovereign Realm experts wouldn't be able to stand tall in front of Huang Xiaolong gang's combined strength.

Below them, the experts from the Fire Stone World knelt on the ground as they stared at the group of Emperors flying above their heads.

"Are those radiance angels?! Oh my. Twelve wings... No! They have fourteen wings!"

“What are those ice creatures?! The frigid qi they exude is terrifying!”

“Could those be members of the Undead Race?!”

Several old ancestors cried in shock while they kneeled on the ground.

Every time the group passed a city, clouds would turn into ice, and the city walls would tremble uncontrollably.

“This... Is the world coming to an end?!” One of the Heavenly Monarch ancestors stammered as he mumbled in numbed shock.

Under the terrified gaze of the experts from the Fire Stone World, Huang Xiaolong and the others soon arrived in the territory controlled by the Earth Shattering Gang. Huang Xiaolong caught sight of the thousands of cities controlled by them.

With a sweep of his divine sense, Huang Xiaolong locked on to his parents and the others in the mines of the Earth Shattering Sect. He quickly discovered the injuries on his parents' bodies. When he noticed Huang Peng and Guo Fan lying in a pool of blood, he raised his head once again and roared towards the heavens.

ROAR!

The heavens trembled, and the earth shook.

With a single howl from Huang Xiaolong, countless cities collapsed as the soundwave dispersed around him.

The earth broke open, and doomsday seemed to have arrived for the Fire Stone World.

Huang Xiaolong brought the four odd beasts and radiance angels as he charged towards the mine.

When the group of experts from the Earth Shattering Gang heard the roar from Huang Xiaolong, all of them were flung away with no exceptions.

When Cheng Guotao, Hu Qingzhong crawled to their feet, they saw Huang Xiaolong soaring through the air towards them. Behind him were four massive beasts and radiance angels who emitted resplendent rays of light around them. The one hundred Undead Netherguards and over seventy Ice Dragons followed behind them.

When they saw the group of monsters and experts behind Huang Xiaolong, their fear hit the limit. That isn't one hundred Emperor Realm experts!

"It... it's Huang Xiaolong!" Hu Qingzhong saw the features on Huang Xiaolong's face, and his body started to tremble. He opened his mouth to force the greeting through his lips. "Your... Your Majesty!"

In the Battle of the Heavenly Court that had happened previously, Hu Qingzhong was part of the spectators when he had taken the members of his sect over. At that time, he had managed to catch Huang Xiaolong's battle. As such, he was able to recognize Huang Xiaolong the moment he appeared.

"What?! Huang Xiaolong?!" The faces of Cheng Guotao and the experts of the Earth Shattering Gang changed.

As for the disciples who guarded the mines, they felt the blood draining from their faces. They realized that something very wrong might go down!

At almost the same time, they turned to look at Guo Xiaofan lying on the ground. Could it really be?! Are they...

The disciple who had whipped Huang Peng and Gao Xiaofan felt his world spinning as his face turned ash-gray.

When Huang Xiaolong approached, Su Yan, Huang Min, and the others recognized him immediately. Looks of joy filled their faces as they rejoiced. Tears streamed down their faces as they celebrated in their hearts.

Su Yan rushed towards Huang Xiaolong as though she was possessed, and she cried out in a hoarse voice, "Xiaolong!"

Chapter 1948: Saving Huang Peng

When Huang Xiaolong saw the disheveled look on his mother and sister's faces, boundless rage filled his heart. His family members looked like beggars living on the side of the street!

Huang Xiaolong's figure blurred as he appeared before Su Yan. "Mother!"

Mother!

Hu Qingzhong, Cheng Guotao, and the rest felt their hearts clench and their bodies trembling when they heard what he said.

One of the slaves they had kidnapped was Huang Xiaolong's mother!

They had kidnapped Huang Xiaolong's mother and forced her to work at their mines!

Cheng Guotao would never have thought that there was someone who had managed to hide their identity to the point where no one knew she was Huang Xiaolong's mother!

However, reality caught up to them quickly, and they felt the blood draining from their face. They had caught Huang Xiaolong's mother and forced her to mine for them! She was treated as their slaves, and they had treated her like how they would treat a dog on the street.

Huang Xiaolong hugged his mother before turning to Huang Min. "Second sister!"

Second sister!

Huang Xiaolong turned to the Heavenly Buddha Emperor and Empress standing behind Huang Min and greeted them respectfully. "Father-in-law, mother-in-law..."

Father-in-law! Mother-in-law!

Cheng Guotao felt his hands trembling, and no matter how hard he tried to stop it, he couldn't.

"Wait for a moment. I'll save father and Xiaofan before doing anything else," Huang Xiaolong turned to Su Yan and said.

Su Yan snapped back to reality, and she grabbed Huang Xiaolong's sleeves. "Right, right! Xiaolong, hurry up and save your father and Xiaofan! They are about to die!"

Huang Xiaolong rushed towards the two of them as they lay unconscious on the ground.

The hearts of everyone from the Earth Shattering Gang fell. A single phrase repeatedly rang through Cheng Guotao's mind. Father! That was Huang Xiaolong's father!

He had gotten several disciples from his gang to bury Huang Xiaolong's father!

It's over!

When Huang Xiaolong approached Huang Peng and Guo Xiaofan, the disciples nearly fainted from shock.

He glared at the several Heavenly God Realm disciples, but he didn't do anything to them. Saving Huang Peng and Xiaofan was more important than anything else. If he really wanted to deal with them, he could do so at any time.

After reaching out to hold his father's body, Huang Xiaolong retrieved the Great Reincarnation Pill.

Even though the Great Reincarnation Pill was a pill used to treat injuries, it was a grandmist grade spiritual pill. There was no way for Huang Peng and Guo Xiaofan to ingest it. After grinding a small part of the pill to dust, he fed it to Huang Peng and Guo Xiaofan.

Even though he only fed them some shavings from the Great Reincarnation Pill, the effects were shocking. Life essence filled their body, and it crashed around their bodies like massive waves.

Huang Xiaolong didn't dare to be careless. He hastily placed his hands behind them, and he poured radiance godforce into their bodies unceasingly. He assisted them in swallowing the medicinal effects from the Great Reincarnation Pill.

The wounds on their body healed at an astonishing rate, and the wounds that were so deep that fresh blood poured out of them without end closed in a second. Under the shocked gazes of everyone present, all the injuries on their bodies closed, and even the scars disappeared. It was as though they were never hurt.

Color returned to their face, and their breathing slowly stabilized. Vitality once again filled their bodies.

Su Yan, Huang Min, and everyone else rejoiced.

Even Peng Xiao and Fang Xuanxuan revealed smiles when they saw that Huang Peng and Guo Xiaofan were saved.

Despite all of that, Huang Xiaolong didn't stop as he poured radiance godforce into their bodies without end.

Very quickly, their bodies started to shake as popping sounds resounded through the air. The skies began to change as lighting clouds gathered.

Huang Peng and Guo Xiaofan broke through the Heavenly God Realm and attracted tribulation lighting as they remained unmoving on the ground.

Under the pleasantly surprised looks on the faces of Su Yan and the others, lightning tribulation fell. Lightning dragons fell from the sky, bringing with them the strength to annihilate the earth! It was too bad Huang Xiaolong was present. With a single glance from him, the mighty lightning dragons that were about to descend dissipated, and the heaven and earth returned to their ordinary state.

Of course, it was Huang Xiaolong who unleashed his Emperor's will to stop the tribulation from slamming down.

Like other Emperors, Huang Xiaolong's Emperor's will could attack his enemies formlessly. However, he could also turn in into a tiny ax formed from primal chaos to slash at his enemies.

When Huang Xiaolong fully unleashed his Emperor's will, ordinary Third Order Emperors would be annihilated without a single trace of them remaining in the world. There was no need to mention the lightning tribulation of a mere Heavenly God.

When Su Yan and the others stared at him with an incredulous look, Huang Xiaolong turned around to speak to them. "I'll help you guys break into the Heavenly God Realm too."

"Us too?" Su Yan and Huang Min stared at Huang Xiaolong with their mouths agape.

Huang Xiaolong nodded his head. Before long, everyone related to Huang Xiaolong broke through the Highgod Realm and became a Heavenly God.

All of them were stuck at the peak of the Highgod Realm for a long time. For someone like Huang Xiaolong, helping a few of them to break into the Heavenly God Realm was nothing more than raising his arms.

When Huang Xiaolong assisted all of them in their breakthrough, Hu Qingzhong and Cheng Guotao felt their bodies stiffening. They didn't dare to move a muscle. Even if they were to fall on sharp rocks, none of them would dare to shift their bodies to make themselves more comfortable.

After Huang Xiaolong assisted everyone in their breakthrough, Hu Qingzhong felt his heart pounding non-stop. He started crawling over to Huang Xiaolong as he planted his face into the ground. "Gu An Sect Leader, Hu Qingzhong, greets Your Majesty, the King of Hell!"

As for the members of the Earth Shattering Gang, none of them dared to approach Huang Xiaolong. They kneeled on the ground as their bodies curled up into a ball.

Huang Xiaolong stared at Hu Qingzhong coldly as he spoke. "I know that you're the sect leader of the Gu An Sect. It was you who requested for the amount of gold to be doubled. That's the reason my parents were pushed to the limits. They didn't get to rest as they dug non-stop for an entire month."

Hu Qingzhong felt his heart stop beating for a moment. A look of terror filled his face, but before he could open his mouth again, Huang Xiaolong raised an arm to point at him. A hole appeared in the space between his eyebrows as his body froze in place. As he fell, his body started to disintegrate with the hole between his eyebrow as the source.

A weird stench filled the air all of a sudden. When Huang Xiaolong turned to look at the origin of the smell, he saw that the experts of the Earth Shattering Gang had wet their pants.

He stared at the trembling Cheng Guotao on the ground, and a chilly killing intent burst out from his eyes. "Leader of the Earth Shattering Gang, Cheng Guotao, are you not going to introduce yourself?"

Cheng Guotao raised his head abruptly, and he bawled his eyes out. "Mercy! Please, show mercy, Your Majesty! I won't dare to do this again! No... No... No! There will be no second time! I won't dare to do anything like this! Please! I didn't know who they were!" He spluttered.

"The only thing I know is that you gave the order to bury my father." Huang Xiaolong raised his hand once again. Cheng Guotao was sent flying, but Huang Xiaolong had no intentions of killing him. He merely wasted Cheng Guotao's cultivation.

There was no way he would allow them to die so easily.

When Cheng Guotao landed, he coincidentally arrived beside the disciples who were in charge of the mines. Even though they had already fainted from shock, they were jolted awake by the impact.

## Chapter 1949: News on Shi Xiaofei

When they woke up from the shock caused by the impact of Cheng Guotao landing beside them, they saw how their leader spat out mouthfuls after mouthfuls of blood.

The blood stained their bodies red. The red color was so piercing that it hurt their eyes.

Hysterical cries sounded as they scampered away from Cheng Guotao's body. They felt as though his blood was scarier than the god of death himself.

Huang Xiaolong stared at the disciples with a cold look in his eyes.

It was at that time where Huang Peng and Guo Xiaofan regained their consciousness.

"Xiaolong!" "Uncle!"

The two of them experienced unimaginable joy when they saw Huang Xiaolong.

Especially Guo Xiaofan. He leaped to his feet and cheered, "I knew that Uncle would come and save us all!" He hugged Huang Xiaolong and danced about, like a little kid who had managed to obtain a fun toy.

Fang Xuanxuan and Peng Xiao stared at Huang Xiaolong with a smile on their faces.

Huang Xiaolong forced a bitter smile on his face as he spoke to Guo Xiaofan, "Alright, little brat, your uncle isn't a beauty. Why are you hugging me?! Hurry up and let go!"

Guo Xiaofan finally released Huang Xiaolong as he turned around to stare at the Heavenly God Realm disciples from the Earth Shattering Gang, who were trying to hide.

When he stared at the disciple who had whipped him, all the rage and hatred in his heart rushed to his head. He rushed up and stomped on the disciple's chest, shattering all his ribs. As a miserable shriek left the mouth of the disciple, he tossed and turned about as he rolled on the ground.

“F\*ck! Didn’t you say that you’ll eat the entire mountain if my uncle comes to save us? Get over there and start eating!” Guo Xiaofan’s eyes were bloodshot as he kicked and stomped on the disciple who had whipped them in the past. Despite the anger boiling in his heart, he controlled his strength such that he wouldn’t kill the other party by accident.

The Earth Shattering Gang’s disciple didn’t dare to resist. He cupped his fist and begged for mercy. “Mercy, Lord, please show mercy!”

“Lord?!” Guo Xiaofan’s anger rose to his head, and he chuckled in a cold voice. “F\*ck! Wasn’t I a dog? Didn’t you call me your dog-slave?! Why don’t you try saying that again?! Huh?! Say it!”

After beating up the disciple to an inch of death, Guo Xiaofan looked at the metal whip lying on the ground beside them. Reaching out, he grabbed the whip before lashing out at the disciple. When the other disciples saw what happened to their friend, they felt their hearts twitching.

When the disciple he whipped finally stopped rolling, Guo Xiaofan sent another lash flying towards him. “Sure. I’ll spare you. As long as you finish eating the mountain in front of us, I’ll spare your life.”

The disciple rolled around on the ground as he screamed in pain. The metal whip cut deep into his skin, and he struggled to raise his head to look at the towering mountain in front of him. His face turned pale in an instant.

The metal mine was something even Ancient Gods wouldn’t be able to digest if they ingested it, not to mention a Second Order Heavenly God like him. There was no need to mention eating the mountain. Even eating several ores would kill him.

“Hurry up and eat!” Guo Xiaofan whipped him again.

Several lashes landed on his body. Before long, the disciple was covered in wounds. His flesh was torn open, and his bones were revealed.

If not for Huang Xiaolong’s timely arrival, Guo Xiaofan and Huang Peng would be nothing more than two corpses right now. There was no way Guo Xiaofan would allow the disciple to get off scot-free.

The miserable cries of the disciple slowly died down, and it finally stopped. He laid sprawled out on the ground as he was beaten to death. The scene looked familiar, as he had beaten the slaves in the mine to death before. He suffered the same fate as his victims.

The other disciples stared at Guo Xiaofan with a horrified expression as they begged Huang Xiaolong and Guo Xiaofan relentlessly.

Guo Xiaofan heard their pleas, but he walked over to them and started whipping all of them.

With his experience in the Lower Worlds, Guo Xiaofan was no longer the naive and kindhearted young kid he once was. When they had begged for mercy when the disciples of the Earth Shattering Gang had whipped them, no one had bothered to care about them.

In the end, every single disciple who was in charge of guarding the mines were whipped to death.

There was one who tried to resist. He grabbed Guo Xiaofan in an attempt to kill them both. He was blasted to nothingness by Huang Xiaolong's Emperor's will.

After an hour...

All the experts who had accompanied Hu Qingzhong and Cheng Guotao had turned into ice sculptures. After Huang Xiaolong crippled Cheng Guotao, he suffered the same fate as the disciples as Guo Xiaofan beat him to death.

Looking at Cheng Guotao's miserable end, Guo Xiaofan finally felt the anger and hatred in his heart dissipate.

Cheng Guotao's corpse lay on the ground as his eyes were wide open with disbelief, even in death. Never in his wildest dreams would he have thought that he would be whipped to death by a bunch of slaves.

When Guo Xiaofan was done, Su Yan, Huang Min, and the others finally woke up.

Huang Xiaolong looked at the thousands of slaves kneeling on the ground, and he didn't feel like making things difficult for them. He gave them their freedom after providing them with a recovery pill each. No matter what, they could be considered his parent's 'colleagues.'

When the rest of the slaves left, Huang Peng, Su Yan, and the others finally turned to look at the group of people standing behind Huang Xiaolong.

"Xiaolong, these ladies are..." Su Yan asked.

Guo Xiaofan chuckled in amusement. "There's no need to ask! They are definitely uncle's wives!"

Fang Xuanxuan and Peng Xiao had their reservations, and Peng Xiao's face flushed red. Even though Fang Xuanxuan was the young lady of the Fortune Emperor Palace, she couldn't control her emotions as a look of pleasant surprise appeared on her face. They lowered their heads and stared at their feet, not daring to meet the gazes of the Huang Family members.

Huang Xiaolong glared at Guo Xiaofan from the corner of his eye before introducing the two of them to the others.

After they were done, Huang Xiaolong brought them to the Earth Shattering Gang's headquarters and the Gu An Sect. They leveled both factions.

From that moment on, the Earth Shattering Gang and the Gu An Sect would cease to exist.

Of course, after destroying the Gu An Sect, Huang Xiaolong brought them to the treasure vault. When they saw the countless treasures and spiritual herbs lying around, Huang Min and the others grabbed everything they could. Not a single pill was left behind.

Huang Xiaolong didn't lack spiritual pills or spirit stones. When he saw the excited looks on the faces of Guo Xiaofan and the rest, Huang Xiaolong didn't feel like pouring a bucket of cold water over their heads. As long as they were happy, nothing else mattered.

The Earth Shattering Gang was a second rate faction, and no one cared about them even if they were annihilated. However, the Gu An Sect was different. They were a first-rate sect, and they were one of the strongest powers on the Fire Stone World. Their destruction shook the world surface.

“I’ve heard the Gu An Sect managed to obtain some heaven-defying treasure. They attracted a bunch of Emperors and were annihilated! Even their treasury was plundered!”

“You’re wrong. The Gu An Sect and the Earth Shattering Gang kidnapped Huang Xiaolong’s parents and forced them to mine for them! Huang Xiaolong exterminated both their factions.”

“Huang Xiaolong?! There is someone bold enough to enslave Huang Xiaolong’s parents?! How is that possible...? The Gu An Sect and the Earth Shattering Gang probably stepped into dog shit! Huang Xiaolong wouldn’t take his anger out on everyone on the Fire Stone World, right?... When someone angered the young master of the Brilliance Emperor Palace, he sent the Brilliance Emperor Palace to wipe out every last being on their world!”

Every single expert on the Fire Stone World started to tremble. They didn’t dare to believe what had happened. However, when they were still in a state of panic, Huang Xiaolong left the Fire Stone World.

On the way, Huang Xiaolong learned from his family how Shi Xiaofei was separated from their group due to a freak accident.

Knowing that Shi Xiaofei was blown away by a hurricane, Huang Xiaolong heaved a sigh of relief. It was a blessing that she didn’t ascend to the Buddhist World...

“Oh? The Silver Fox Commerce managed to locate Shi Xiaofei!” When Huang Xiaolong learned of Shi Xiaofei’s accident, he received Bei Xiaomei’s report.

Chapter 1950: Shi Xiaofei Worships A Master

After reading Bei Xiaomei’s report, Huang Xiaolong felt a burst of joy in his heart.

“Xiaolong, is there news on Xiaofei?” Su Yan walked over to Huang Xiaolong and asked.

Huang Xiaolong nodded his head, and he passed his transmission symbol over to Huang Peng and the rest.

According to what Bei Xiaomei said, Shi Xiaofei was currently on the Datong World. It wasn't located too far away from the Fire Stone World, and with the Netherking Flying Ship, it would take them four days at most to arrive on the Datong World!

Moreover, she was accepted into the Changzhi Sect, one of the Datong Diving Plane's top powers. An ancestor level figure in the sect had noticed her and accepted her as a direct disciple. Her apprenticeship ceremony was going to take place several days later! She was in no danger at all.

Huang Xiaolong felt a huge boulder lifted off his heart when he received the news.

"Xiaofei, wait for me!" Huang Xiaolong muttered in his heart.

Four days!

In four days, Huang Xiaolong would be able to arrive on the Datong World. He would be able to make it in time for Shi Xiaofei's apprenticeship ceremony!

Huang Peng, Su Yan, and the others rejoiced when they received news about Shi Xiaofei.

"Xiaolong, are we going to the Datong World?" Su Yan asked.

Huang Xiaolong nodded his head. "Yes. We shall head over to the Datong World. After picking Xiaofei, we shall head back to the Fortune Emperor Palace."

Guo Xiaofan spoke up all of a sudden. "Uncle, are you an ancestor of the Fortune Emperor Palace? Why did Hu Qingzhong and the rest address you as the King of Hell?"

Even though they had managed to learn that Huang Xiaolong had already broken into the Emperor Realm when they had eavesdropped on the disciples of the Earth Shattering Gang, they had no idea about most of his other achievements. The only other thing they knew was that he managed to obtain something they called the devil stele... Of course, none of them had any idea what the title 'King of Hell' meant.

"Are you the emperor of some massive country?" Guo Xiaofan guessed. "Are you some sort of emperor of a dynasty?"

Fang Xuanxuan and Peng Xiao started giggling at the side.

Huang Xiaolong turned speechless as laughter slowly escaped his lips. "I'm not an emperor of a massive country, and neither am I an emperor of a dynasty. I went to Hell in the past, and I managed to obtain the inheritance of the King of Hell. Right now, one of my identities is the King of Hell. I control all three worlds in Hell."

Fang Xuanxuan was afraid Guo Xiaofan and the others were unaware of the power Huang Xiaolong possessed. So, she continued to explain. "The Divine World, Hell, Buddha World, Devil World, and the Demon World, are known as the five Greater Worlds. The Divine World is controlled by the Heavenly Court, and Hell is controlled by the King of Hell. Xiaolong is the current King of Hell!"

Guo Xiaofan, Huang Peng, and the others felt their jaws dropping in shock.

King of Hell!

Controls three worlds in Hell!

Initially, they felt as though entering the Emperor Realm was Huang Xiaolong's greatest achievement after ascending for such a short amount of time. After all, even a sect leader like Hu Qingzhong was only at the Heavenly Monarch Realm.

Right now, they learned that Huang Xiaolong was actually the ruler of one of the Greater Worlds!

Guo Xiaofan's jaws dropped as he said exaggeratedly, "Uncle, that's so cool! Doesn't that mean I can walk sideways in the Divine World from now on?!" His smile widened to the point where it threatened to split his face in half.

Huang Xiaolong laughed. "If you want to, you can use your arms to walk around in the Divine World."

Guo Xiaofan was stunned for a second, and everyone laughed at his silly response.

"Hehe..." Guo Xiaofan's silly laughter filled the air in the next second.

"Uncle, are these your subordinates?" Guo Xiaofan turned to look at the four odd beasts, Undead Netherguards, and radiance angels before continuing, "Are they all in the Emperor Realm?"

Huang Xiaolong nodded his head. "That's right. They are all Emperors under my command." He casually introduced everyone one of them to his family members.

A light lit up in Guo Xiaofan's eyes, and he asked, "Uncle, can you let me bring them about when I'm out on the streets? It's going to be so awesome!"

Huang Xiaolong kicked him in the butt. "Nonsense!"

Everyone roared with laughter at Guo Xiaofan's antics.

Along the way, Guo Xiaofan bubbled with excitement as he asked about everything and anything that came to his mind.

Even though they had already ascended for ten years, they were trapped in the mine of the Earth Shattering Gang as slaves. They had no idea about any of the happenings in the Divine World, and Guo Xiaofan had tons of questions he wanted to ask. Looking at the bubbly Guo Xiaofan, Huang Xiaolong patiently explained everything he wanted to know.

Fang Xuanxuan and Peng Xiao chirped in from the side occasionally.

There were some things that the two ladies knew more than Huang Xiaolong. After all, he had merely ascended for several hundred years. He had spent most of his time training instead of messing about in the Divine World.

Along with their explanation, the members of the Huang Family learned about everything that had happened.

While the Netherking Flying Ship was headed for the Datong World, a celebratory air filled the Changzhi Sect. Lanterns lit up the sky, and auspicious objects were placed all over the area.

Hundreds of thousands of disciples rushed about like busy bees in their headquarters.

In a few days, their old ancestor, Tao Yu, was going to accept a disciple. That was something that only happened once several millions of years. After all, the last time their old ancestor had accepted a disciple was a million years ago.

As everyone from the Changzhi Sect rushed about, the Datong World's superpowers went over to offer their congratulations. Countless flying ships headed towards the Datong World from the neighboring planes.

Out of all of them, there was a flying ship with a Violet Phoenix insignia soaring through the space of the Divine World.

It was a flying ship sent by the Violet Phoenix Emperor Palace.

Out of the Emperor Palaces, the Violet Phoenix Emperor Palace ranked one hundred and twelve. Even though they weren't in the top hundred, they were an untouchable existence in the eyes of the various powers of the Datong World.

This time, the reason the Violet Phoenix Emperor Palace had sent people over to celebrate the apprenticeship ceremony because Tao Yu was friends with their old ancestor, Huang Fangtong. They had gone through life and death together and were considered bosom buddies.

Before Huang Fangtong had broken into the Emperor Realm, he had become acquainted with Tao Yu. They had gone through hell and highwaters before. The number of times Tao Yu had saved Huang Fangtong numbered more than one.

However, Huang Fangtong had something going on, and he wasn't able to personally head over to give his congratulations. In the end, he had sent his personal disciple, Huang Shiyi, to offer his congratulations.

Huang Shiyi was the number one genius of the Violet Phoenix Emperor Palace. Even though he didn't possess a supreme godhead, his godhead was at the peak-grade emperor rank, and it was infinitely close to a supreme godhead. He was a Tenth Order Heavenly Monarch, and it was clear that the Violet Phoenix Emperor Palace treated the Changzhi Sect seriously.

On the flying ship, Huang Shiyi was surrounded by the Violet Phoenix Emperor Palace's various elders.

"I've heard that Shi Xiaofei not only has a peak-grade emperor rank godhead and the radiance ceramic glaze godhead, but she also has an innate Pure Luminance Elightened Buddha Physique. Her talent is through the roof, and she should be the greatest genius the Changzhi Sect has ever received. She's comparable to the founding ancestor of the Changzhi Sect!" One of the elders exclaimed in surprise. "It's no wonder Tao Yu will accept her as a direct disciple."

"Shi Xiaofei is extremely pretty, and her beauty is indescribable." Another elder praised. "I've also heard that the young master of the Scarlet Origin Emperor Palace is here to offer his congratulations. There are so many young masters present... They are probably there for Shi Xiaofei!"

Huang Shiyi didn't open his mouth, but a scene appeared in his head. Several months ago, he had met Shi Xiaofei. He was stunned by her beauty. Her image had been burned into his mind, and this time, he was headed to the Changzhi Sect to ask for her hand in marriage.
