

"What is the movement of Shuramen?" Xie Hui said in a tone, and asked.

He Zhi replied: "Since Xuanzhou City, Xiu Luomen did not see any movements. However, the Qijia family was killed by Huang Xiaolong. After the Qi family invested in Xiu Luomen, half of the other 14 family members also took advantage of Shura. door!"

Xie Hui's eyes flashed through the cold.

"Less teaching, that Huang Xiaolong even dared to kill our Qiankun gods nearly 10,000 disciples!" At this time, a one-eyed old man sitting under He Zhi said: "Too arrogant! Just don't put our gods and gods in the eyes in!"

This one-eyed old man is Hu Chen, the **** of Qiankun Shenjiao law enforcement, and also the father of Hu Guang.

"Yes, less teacher, if we do not counterattack, the strong players of the nebula mainland think that we are afraid of the Huang Xiaolong!" Chuan Gong elder, Sun Luyu said.

Chen Xiaofeng and others have also opened their mouths.

Xie Hui raised his hand and everyone calmed down.

"Father and grandfather, in the Thai emperor, I can't get back for a while." Xie Hui's face is indifferent: "For the time being, let Huang Xiaolong live more days, wait for the Wu contest, the father returns, unify the nebula continent, the first one to be destroyed is Huang Xiaolong And Shuramen!"

Unified Nebula China!

Chen Xiaofeng and others were shocked.

"Less teaching, is it important to teach the Lord, he?!" He Zhi asked carefully.

Xie Hui nodded: "Yes, the father has broken through the domain."

Chen Xiaofeng, He Zhi and others all looked shocked, and then they were overjoyed, and they stood up and congratulated.

After more than an hour, everyone dispersed and Xie Hui returned to his palace.

Inside the palace, the lanterns are colored, a piece of celebration, in the center of the main hall, is a big bed, above the big bed, sitting on a beautiful woman, it is a small release.

When Xiao Xiaoyu saw Xie Hui come back, he stood up and looked at Xie Hui with anger. However, even if Xiao Xiaoyan's anger is fascinating, it is beautiful.

"You will be a little soft and small, how are you?!" Shi Xiaoyan asked in anger.

Xiaorou, Xiaoyue, is the maid who came out together.

The two men were accompanied by Shi Xiaoyu from a urinary, and their feelings were extremely deep.

Xie Hui sees Xiao Xiao, who can't wait to swallow himself. His face is calm: "Reassure, they are fine, but if you don't cooperate tomorrow, then I won't dare what will happen to them tomorrow night."

"You, shameless!" Shi Xiaoying said a word, cold.

Xie Hui is not angry, but smiles: "Thank you for complimenting, tomorrow night, I will let you know how shameless I am."

Shi Xiaoyan heard the words, and the anger was undulating.

Xie Hui stared at his undulating chest without any disguise.

When Xiao Xiaoyi saw it, his hands covered his front and glared at him: "I tell you, Xie Hui, you want to touch me with a hair."

Xie Hui asked: "Do you think you have the ability to resist?"

Shi Xiaoyan's face was so angry that after being picked up by the other party, the other party did not know what to swallow her, and the gas sea spirits could not be gathered.

Now, even if she faces any of the Qiankun God disciples in the Qiankun Shencheng, she has no resistance, let alone Xie Hui.

Shi Xiaoyan looked at him coldly and said: "To tell you the truth, I already have someone I like."

Xie Hui brows a brow.

"Compared with him, even giving him shoes is not worthy!" Shi Xiaoyu continued.

Xie Hui heard the words, but laughed happily: "I don't even have the shoes to teach the masters of the gods," he seems to have heard the big jokes.

Indeed, if you are an identity, you should be the leader of his sacred religion, let alone the nebula continent, even if it is the whole martial arts world, the younger generation who can stand with him, no more than three people.

But now Xiao Xiaoying, the woman he saw, said in front of him that his undefeated war **** Xie Hui even gave the other party a shoe is not worthy!

If the Qiankun gods and protectors Chen Xiaofeng and others are here, see Xie Hui laughs, they know that Xie Hui is angry.

There are not many people and things that can make them active and angry.

"Then I have to listen, who can make the first beauty of Feng Shui mainland look like, who is it!" Smile stopped, Xie Hui asked coldly.

Shi Xiaoyan said coldly: "He will come to save me tomorrow, then you will know."

"Good." Xie Hui heard the words, did not ask again: "Then I have to look at it, the person in your mouth who even I don't deserve to give him shoes!" Speaking of this, Xie Hui's eyes blinked: " Tomorrow, if he dares to come, I will be in front of you, hands-on, and pull out his heart! Then feed the dog!"

"You!" Shi Xiaoyan glared.

"However, I won't let him die so easily." Xie Hui then sneered: "Tomorrow, I want him to kneel here, watching how I can press you under the body, how to enjoy it, let him carefully Listen to your ecstasy, but he can see your wonderful body before he dies, and he is cheaper."

Shi Xiaoyan's beautiful eyes are bloody, his chest is up and down, and he has to give the other party a slap.

Xie Hui reached out and took it to the front, sniffed and smiled. "I didn't expect even your hands to be so fragrant."

Shi Xiaoxiao was ashamed and angry.

"Reassured, I will not move you tonight, leave that wonderful moment to tomorrow night." Xie Huidao, finished, turned and laughed and left.

Shi Xiaoying looked at the other side and left the figure.

Tomorrow, will he really come to save her?

Although she hopes he can come, will he really come? Maybe now, he doesn't even know what happened, he doesn't know that he will be tomorrow! (To be continued. Please search for astronomical literature, the novel is better and faster!)
