Chapter 24

." Alexia's mouth remained open. She honestly could not decide about it now, even if Kieran suggested she had every right to refuse being intimate with him.

She liked him. There was no denying that now. She undoubtedly liked him, but what was her future

with him if they were not true mates? Will Kieran stay loyal under a marriage that was only imposed upon them? "Kieran, what - what I wanted to know is... how you feel about this?" She asked. Alexia, at least,

had to get his side of things.

She saw how Kieran clenched his jaws. His mouth parted, but before he could answer, his brows

met, and he looked elsewhere. Kieran was mindlinking, and she was certain of it.

"We have a visitor," Kieran revealed.

given him.

It should not concern her, but observing how he looked at her, she asked,"Who?" "He said he is your friend from the Cross River Pack. Dean?"Kieran replied.

"Dean?" Alexia's eyes rounded. "Why is he here?".

"Drake, he -he took it all on us," Dean revealed before carefully drinking the water the maid had

Alexia's heart broke, seeing her friend's state. Dean had

bruises all over his body. He had a cut on his face, his nose was broken, and he had lost so much weight.

Alexia, Kieran, Rae, and Jaxon sat in the living room where they had accommodated Dean.

Immediately after Alexia confirmed Dean's identity, they rushed him to the packhouse and served him food and water. Dean grabbed a chicken and ate it with his bare hands. He swallowed it fast. A low growl escaped

his lips before he reported, "Drake imprisoned us, Alexia. Mom, dad, my sister, and Melissa's, "He - he said it was payment for what Alexia had done andtaken from the pack. He said we would pay for it with our lives and be slaves!"Dean described." escaped because they took me into the

With a look of regret, he admitted, "I had to steal a car from the neighboring pack. I don't think they saw me since it was parked on the roadside." "The only place I thought of going to was here, Alexia! don'tknow where else to go," Dean said at last before crying again.

"And Alpha Roland did nothing?" Kieran asked, his voiceshowing a hint of resentment. "No!He did nothing! doubt that he knew nothing about this.He wanted us to be punished too!"

"I'm sorry. I'm sorry," Alexia replied, walking in front ofDean. She kneeled before him and

this happen? I thought we paid two insiders to be our. ears within The Cross River Pack?"

"I ust called our contacts, but." Jaxon frowned and said," Their phones are dead. Something must have happened tothem."

Roland will not escape my wrath!"

With the arrival of Dean, the terms of their contract had to be put on hold. Kieran had to see through their plans and spoke to the king, whereas Alexia attended to her friend.

The next day, Alexia left with Kieran and his warriors. Dean remained in the Stone Blood Pack to

heal. "Ace, tell them we are from the Stone Blood Pack, but do notreveal that I came with you. I want to

Earlier, Alexia remembered how Kieran had already sent his men to stake out the south, east, and

stepped out of the car and spoke to the perimeter guards. "Good," Kieran answered.

"They are letting us in, Alpha. We will proceed to thepackhouse," Ace said. He was the one who

were already at the driveway, waiting for them. While inside the car, Kieran received a phone call from the king. He gestured for Alexia to go

ahead, and she did, leaving the car door slightly open. She strode forward with a few of Kieran's

brings you here, sister? Please don't tell me your husband returned you! Haha!" "I'm not surprised. No one wants you," Hazel added.

Instantly, their faces paled, especially Drake's. They all looked past Alexia and waited for Kieran. However, after a minute, Alexia's husband had still not stepped out of the car.

With a frown, Alexia responded, "No, my husband did not return me. I came with him."

By how Drake and Hazel were suddenly whispering to each other and laughing, she could tell they assumed Alexia was bluffing.

Before she could react, Alexia's gaze quickly fell on her father, and she saw his disapproving stare.

His eyes narrowed, and the corner of his lips twitched. "What brings you here, Alexia? Is Alpha Kieran really with you? Where is he? I doubt he would waste his time accompanying you here."

"I heard Drake kept Dean's and Melissa's family prisoners, "Alexia said. "Alpha Kieran and I are here to free them and... take this pack under the Stone Blood Pack's rule."

Alexia's hands balled into fists. Her eyes narrowed in anger, recalling Dean's account of their imprisonment. Alexia wanted to show her rage and let her father feel he has offended her. She

was Kieran's luna now and deserved regard, but much to her dismay, Drake laughed at her. Hazel and her stepmother did the same.

"When did you suddenly get a backbone, Alexia?" Matilda,her stepmother, mocked. She snorted

as she continued to laugh, but soon enough, Alexia saw how her stepmother's eyes widened.

Judging by how the surrounding air thickened, she could tell it was because of the man behind

her.
