Chapter 1091 Comes With A Cost:>3

A little over 9 months ago they seemed to finally turn the corner. They were constantly busy, and had added a third team. It meant longer days, and busy Saturdays, but I could see how happy my wife was, and she did her best to make sure our time together was quality. Brenda was contributing to the household account, and I was pleased to see our cof

"Take it Nicky. Take my ass. Fuck me, baby," she growled, as I started stroking into her. It only took a few strokes before I was bottoming out inside of her.

"Is it tight, baby? Barely used, you know. Only special clients. Favorite clients. What took you so long, Nicky?" she grunted as she took my pounding of her ass in stride. "Does it excite you

I got off my ass, and hit the door. In 15 minutes I was in the Plano SpyCentre Security Store. I'd driven past it dozens of times, but never imagined I'd be using it. They were helpful, and I have to admit, they had dozens of solutions for what I was looking for.

On the way back to Nick's house, I picked up a few more 'Odds-n-ends'. Within a couple

Next, I checked into the bank accounts. Again, automatic password filling came in helpful. Their bank account was quite flush, with over 80 grand in it. They'd been clearing better than 15 thousand a month for the last few months. I checked deposits and withdrawals, and was a little surprised to see that my wife hadn't been dipping into it. I'm not

I spent the night, and returned to Mexico the next day, thoroughly exhausted. I had held onto five grand, for expenses. Still managed to leave over \$80,000 in the new account. I made the drive back home, once again paying cash for everything.

There was a lot of risk in what I was doing, without that much payoff, but I couldn't help myself. I still

"What are you going to do?" I asked, trying to act concerned, when all I really wanted to do was laugh at her. That and get a peek at those big tits.

"I...I don't know. I'm almost out of money. My bastard husband shut down all the credit cards and bank accounts. I don't even have enough gas money to get home, if they'll even take me in." She looked

She looked sad. "Was a lucky guy. I doubt he and I will ever have a chance to do that again." She leaned her head on my thigh, her body shaking softly. "I can't believe it. Everything ruined. Our lives, our marriages. Just because we were too proud to let the business collapse, to look like failures."

She moved her head and took me back in her tale

"None?" I asked, finding it hard to believe.

She shook her head. "I had a couple of nice regulars. Two. They could get me off. I didn't mind them. Even liked them a little. Not enough to go bareback or swallow."

"Big cocks?" I couldn't help myself.

"Not them. There were three pretty memorable ones. One lousy bastard who hurt me. I wouldn't do him a

She nodded against my chest, then kissed it softly. "I do. I didn't deserve this much. I know it. You've been more than generous. I'll start Monday."

I thought we were done for the night, but she worked her oral magic, and rode me with a sad desperation. Afterward, I held her as she cried herself to sleep.

She moved on. Found a small apartment she

Jenny was good for me. We were good together. Not crazy, mad, head-over-heels in love. I guess that only happens once, and I had my chance. But good enough to make things permanent within the year. She was very attractive, with a wonderful body, and looked great on my arm whenever I had a function to attend. She was generous in bed, and extremely a
