Chapter 1191 Breaking Addiction:Ep26

My sister's gate had opened and I entered into her body. The wetness of her flesh and the desire of her heart willed me forward. She gasped again, nearly a cry, as we felt our bodies merge. I grabbed her sides and eagerly pressed my lips to her breast, wrapping my lips around her engorged nipple. She groaned and stretched back as I tenderly swirled the end of

Then I told her about the date I had with Tanya and the fight at the bar. She sat down on the bed and listened in surprise as I told her the whole story of the fight, including the things I'd left out of what I told my parents. She was shocked and concerned but also proud of me for holding my own. She asked a lot of questions and we laughed toget

There were a few moments of quiet groans and grunts until I heard Sara quietly say my name instead of Kevin's. I closed my eyes, feeling her hot body descending on my erection again and allowed Sara's name to come out of my lips, barely a whisper. We were silent once again for a few moments but again I heard Sara say my name, this time louder and m

I walked closer and put my arms around her, and kissed her forehead. "I don't think it's rig

Once we finished setting up the girls went to change into their bikinis. They came out the tent and I just froze. They both looked stunning. The bikinis were skimpy and left nothing to the imagination. I guess I stared for a bit too long.

We had a few more beers. By now it was late. I announced that I was going to bed. I went to the tent, which was very hot inside, and stripped to my boxers, before climbing into my tent. It was pitch black inside. I was soon asleep and didn't hear the girls coming to bed.
