I dropped the roses on the ground and stepped on them as I turned and slammed the door behind me. I could hear the two talking fast and furiously behind me as I descended the stairs. I thanked God that this was early on a Friday. I would hate to have to go to work the next day after a discovery like this. As I reached the bottom step I put my work

I felt a love for my younger sisters. Carmen was studying to be a Psychologist and Nadine was studying to become a doctor. Both were as beautiful as our mother. Both my sisters protected my mother in her time of grief and tried to do the same for me. Carmen, a light brown haired woman age 23 who slightly resembled Carmen Electra, and Nadine, a blon

As I was beginning to warm up I looked into my mother's eyes. I felt lost within the world that her eyes hid. Memories of her flooded through me. Just then, the garage door started opening. I woke up on my mom's couch. I noticed she must have fallen asleep while massaging me, because she was laying on my back. Her arms around me. Her long beautiful hair laying across my neck. Trick situation. I looked over at the mirror behind the couch. I could see her skirt had risen up even more while she was asleep. I could see parts of her dark p

"Don't be silly you can stay at my house as long as you like. You can save money for a bachelor pad. I can help you decorate it." Mom said seriously, she loved to decorate.

I laughed. The idea of my mother helping to decorate a bachelor pad is ridiculous. She is a lady not the kind of woman to be current on dating information.

On the screen Bruce Willis was having sex with a seductive red-head. In front of me my sexy mother kneeled as she leaned in. She undid my belt and buckle. She slowly lowered my zipper. She reached her hands in my boxers and withdrew my hard cock.

She smiled up at me, blushing, aroused. Then she leaned in and took my cock in her waiting mouth. I lead

My mom climbed up on the couch after giving me the blowjob of my life. Her red silk pajama top not doing much to cover her lower half. She stood on the couch in her high heels. Her legs spread out around my body. My hands reached up under her long red shirt and grabbed her red silk panties. I watched in amazement as I did this. I slowly lowered her
