Chapter 1261 My Cousin: The Stripper:1

Imagine being related to someone as hot as Denise Richards. That is how I felt when I first met my cousin Tiffany, years ago. Her and her family lived in Texas most of my life and had only moved up to Pennsylvania recently, at the time.

I met her while at my aunt Rachael's house and I was stunned. My aunt Rachael was a stunning beauty in her own ri

I nodded my head and hung up. I had to wonder if there was anything my aunt Rachael wouldn't do, but I brushed the thought aside. I looked at my cousin Tiffany with a worried expression. If I didn't get laid this was gonna be a night of torment.

"Well?" Tiffany asked.

"She said OK. She is going to spend the night at her boyfriend's house anyways. Y

I blew her a kiss and she turned around again. She began dancing seriously and playing with her hair, her tits or running her hands over herself and moaning. She grabbed the ends of her daisy dukes and pushed them down and she was wearing purple panties!

I thrust in and out of her faster and we heard my balls slapping her ass again. I saw how wet she was. The insides of her legs were soaking.

I could feel her furiously rubbing her pussy and moaning. I gently began pulling slowly out of her ass until only the head of my cock was in her. She gasped and I shoved my entire cock back inside of her. She moaned loudly but it wasn’t a scream this time.

I took that as a positive sign and began thrusting in and out of her ass slowly. She gasped

I watched as my cock disappeared in and out of the thin, well-trimmed, hair between her legs. Just the sight of that alone almost set me off. Tiffany then put her lips to my ear and whispered to me.

“I want to feel your cum in my pussy!” She said as she softly licked my ear.

She began riding me faster and harder. I could hear our bodies slapping ag

My cousin Kathleen is a beauty. She is one of those women that have always been sexy, in looks and her actions. I can remember her being the first naked girl I ever saw. I was young. She watched me while my parents worked. Then one time she was taking a bath and I watched her.

She stood up with her back to the door. I was peeking through the key-

Sherry and her husband got out of the hot tub and dried off before putting the cover back on it. I sat on the couch in the den/2nd living room and watched Sherry and her husband kissing. Anger boiled up in me. Why were people so stupid? Why did they always give in to what other people want more than what they want? I knew I was also guilty of this.

We were kissing and moaning into each other's mouths once again. I pulled back allowing us both to catch our breaths. I went down to the bottom of her legs and lifted one. I took it in my hands caressing it like a lover. I kissed my way down the leg toward her inner thigh. I heard her inhale and hold her breath.

I released the leg and heard her exh

Eventually, I flipped her over and started fucking her doggy-style. She backed up onto me as much as I thrust into her. She grabbed her pillow and bit into it to muffle her moans. I could hear the wet sounds of my cock invading her pussy. That's another thing she seemed wetter then I ever remembered her being. Beth always had a hard time getting we
