"To Susan," Zach said, raising his glass

"Your Honor, I object," Mr. Jordan said. "We have had no chance to depose this or any other witness in Discovery."

"Under the rules of an administrative hearing, there is no Discovery requirement of any sort," Judge Crenshaw said. "Objection overruled. Please continue, Mr. Smithers."

"There was also a young woman there. She was shaking like a leaf, looking down at the man who had told me that he had seen David," Susan continued. "He wasn't moving and there was a big knife sticking out of his lower back.
