CRAZY PLEASURE

Chapter 1801 Bisexual Fantasy EP12

Still straddling my face with her knees on either side of my head, Lisa pressed her freshly creamed pussy onto my mouth. She again squeezed the muscles deep inside her pussy and pushed more of Doug's semen onto my waiting tongue. "That's it," she said, "Clean all of that gooey cum out of my pussy!" Every time she tensed I was deluged with Doug's sp

Lisa reached beneath me, and began to fondle my balls and stroke my dick, and soon Doug's cock was buried to the hilt in my bottom. I could feel his thighs against mine, his hips cupping my ass as his pubes tickled my butt cheeks and anus.

"Hold still for a moment," I asked breathlessly while I adjusted to being stuffed with his thick cock.

Chapter 1803 Diana & I Suck A Cock: EP1

I watched as Diana slipped a short black, wrap-around dress over her head and pulled the belt tight. She was only wearing a tiny pair of wispy black lace panties and sheer thigh-high stockings under the dress.

She sat down next to me and pulled on her matching high heel shoes.

She turned to me and lightly kissed me with her full lips.

"I'm ready to

Chapter 1804 Diana & I Suck A Cock: EP2

My beautiful wife swallowed more of his cock and slid her hands up his chest. She found his nipples and pinched them. Steve moaned and shoved his hips forward pushing more of his cock into her mouth and down her throat. She pulled her head back and I watched as his wet cock reappeared from between her lips.

She pinched his hard nipples again and su

As I twisted my body around, she rolled onto her side and rested her head on her hand. She raised her leg and ran her other hand between her legs, stroking her pussy.

Steve moaned as he realized what was about, maybe, to happen. He turned his head and sucked on her fingers. I lay down next to Steve and my skin tingled where our bodies touched. I looked down at his cock. It was long and hard and his balls were hanging down between his legs.

"Beautiful. Isn't it." she said.

I nodded. And it was. Long and hard with a gentle curve. Pink with a defined head.

"Touch it." she told me.

I reached out and touched the head of his cock. I jumped as his cock twitched at my touch.

"Its okay. Run your fingers up and down his prick." she said.

I ran my fingers down the length of his cock. It was hard and the skin was smooth. I could feel the veins in his prick as I ran my fingertips up and down his hard length.

"Feel his balls." Diana said.

I moved my fingers down and touched his scrotum. I pushed and felt a testicle slide to one side. I pushed on the other testicle and felt it move inside his hairy sack.

Chapter 1806 My Wonder 1

I admit it. I always wondered. Even before my first experience I thought about it more than once. Even though I thought about it I still tried to deny my desires, especially publicly. All guys have thought about it at one point or another. Many guys desire it but won't admit it. Only a few are strong enough to admit it and pursue it.

I had no idea how much my life would change when I came home from work that day. My wife and I had talked about expanding our horizons many times. We had talked about all the normal things open minded couples discuss. Threesomes with men and women and swapping with other couples. We agreed that if the opportunity came up that we would go for it.

As I walked through the door that night I knew something was up. There were clothes strewn all across the living room. I recognized some as my wife's, but others I hadn't seen before. I had a feeling I knew what was going on, and I sure hoped I was right. As I walked towards our bedroom my suspicions were

confirmed when I heard the unmistakable sound of Kristy, my wife, having a huge orgasm.

Chapter 1807 My Wonder 2

I reached down and placed my cock at the opening of her drenched pussy, sliding my cock deep into her in one long stroke. I saw her reach over and take Dave into her hand, for the first time I saw his entire cock, up until now it had been buried inside her. He was at least 9 inches long and so thick she couldn't wrap her hand all the way around him

Chapter 1809 First BI MMF: 2

Jane reached her right hand around me and planted it on my ass, pulling me closer to her and deeper into her hot wet mouth, bobbing up and down from Adam's thrusts. She then reached up with her left hand and wrapped it around Adam's neck to pull his face down toward hers. She was pulling him down closer and closer to my cock! I suddenly became apprehensive, but the urge to let it happen became overwhelming. She had his face all the way down to hers when suddenly she freed my cock from her mouth, and firmly grabbed hold of it. She began to deeply kiss Adam, holding my dick just an inch or two away from their mouths. All of a sudden I desperately wanted to have a 'bi' experience. My heart began to race as waves of nervous heat cascaded through me: I didn't want to read this situation wrong and ruin everything. And I definitely didn't want to make the first move. I prayed that neither of them would make eye-contact with me, looking to me for direction. Seconds seemed to last forever. Their kiss went on for what seemed like an eternity. Jane held tightly to my cock, forcing me to be within inches of their deep kiss.

Chapter 1810 First BI MMF: 3

I had a mouth full of cum and no idea what to do.... Suddenly, I reached over and pulled Jane toward my face, planting a sloppy, cum-filled kiss on her. She loved it, and we aggressively made out, coating ourselves with his cum. We both turned to look at Adam, who had flopped on the bed, a look of exhaustion on his face; his intense prostate orgasm had clearly taken its toll.
