CRAZY PLEASURE

Chapter 201 My Sexual Experience 2

As I watched, I imagined myself in Tina's place, feeling the warm flood of his sperm, shooting repeatedly inside her. That thought almost brought me to the peak. My fingers were working frantically between my legs.

After coming, Rod stayed inside her for a while as the camera moved closer to them. He slowly withdrew his cock from her, the wetness of their mutual orgasm glistening on his shaft which didn't seem to have decreased in either length or hardness.

He stood and walked towards the camera. Meanwhile, Tina, still lying back on the lounge, her thighs apart, with both feet resting on the grass, looked straight at the camera, smiling and beckoning with her hand to whoever was holding it. The camera moved around erratically, as if it were changing hands.

I could hardly believe it when I saw her husband John walk into view! It was he who had been filming his wife making love with Rod. He too was completely naked as he walked towards the reclining Tina. Filming his wife and Rod together had obviously excited him as his full erection was just as impressive as Rod's.

Tina was smiling, holding her arms out to him as he sat astride the lounge between her open thighs, lifting them and draping them over his own, just as Rod had done earlier.

As his tight balls pressed against the wet lips of her vagina, Tina reached down and wrapped her hand around his hard-on and began to masturbate him rapidly. There was no foreplay, he must have been close to the point of coming even as he was filming, because it only lasted seconds.

He quickly pulled away from her hand, almost too late. His first powerful jet of cum shot out of his cock onto the lips of her cunt just before he speared his rock-hard shaft between her thighs, impaling her to the lounge, gasping loudly as she locked her legs around him whilst he shot the remainder of his load deep inside her.

Trying to imagine how it felt for Tina to feel another cock slipping into her wet sheath and ejaculating another flood of sperm inside her, only seconds after John had shot his load inside her, was the last straw for me. My own orgasm hit me like a tidal wave and left me gasping for breath.

When my climax subsided and my body had stopped trembling, I leaned back on the stool and tried to process what I had just seen. Suddenly, my heart leaped into my mouth when I felt a hand placed lightly on my shoulder from behind my chair!

I wanted to Die! Tina had come in the back door. I hadn't heard her, and she had caught me masturbating at my desk. It was the most embarrassing and shameful thing that had ever happened to me. I was terrified. I didn't know what to do or say. My emotions were in turmoil as I fumbled to

withdraw my hand from my briefs and shut down the video at the same time.

"Oops! Sorry", she said, in what seemed a rather mischievous tone. "I didn't mean to startle you".

I was so emotional, I cannot even remember what I said, other than that I just broke down sobbing and stammering incoherently, trying to say how sorry, embarrassed and ashamed I was and that I would leave immediately and not come back.

I stumbled off my chair, my eyes full of tears, frantically trying to straighten my smock which had somehow got caught up in the hem of my briefs whilst I had been fingering myself. I was in shock, I hardly knew what I was doing. Tina took hold of my shoulders.

"Hey. Calm down Nikki", she said as she gently pushed me back down on my chair and handed me a box of tissues.

She stood beside me and stroked my hair until I had used half the box of tissues and regained some sort of composure.

Between sobs I started to say the what I was doing was unforgivable and that I would leave and never come back. I was blabbering incoherently, trying to say that I would promise not to tell anyone what I had seen taking place. But she calmly placed her fingers on my lips and said,

"Come on. Let's go to the house. We need to talk".

She led me out of the back door of the clinic and locked the door, she put her arm around my still shaking shoulders as we walked towards the house. When we were there, she told me to sit down on one of the high chairs at the long breakfast bench in her beautiful modern kitchen. I was surprised when she walked around the bench and took a bottle of red from the wine rack, and two glasses.

"I think it will be better if we talk over a drink", she said as she poured the wine.

She moved back around the bench and sat on the high chair next to me, turning it to face me. She was sitting close to me, her knees brushing against the side of my leg. I was confused. Why was she giving me a drink if she was going to fire me?

"Tina", I said. "What I was doing was unforgivable. I am so sorry, please don't tell John what I was doing. I swear I will never breath a word to anyone and I won't come back".

I gulped my drink. I needed it.

"Oh Nikki", she giggled as she refilled our glasses, "John would not be at all annoyed if he knew you had watched it. He would be pleased that it turned you on so much. And stop worrying ", she continued, "I'm not annoyed with you either".

"How long had you been watching me?", I asked hesitantly.

"About five minutes", she replied smiling, as she refilled our glasses.

"Oh why?", I cried. "I feel so humiliated".

"Please don't feel like that Nikki". She dropped her right hand onto my leg, just above my knee and continued. "I didn't stop you because you obviously enjoyed what you were seeing. You were so aroused, and watching you touch yourself like that turned me on too".

I was dumbfounded. I didn't know what to say. She was admitting that watching me masturbate made her feel horny!

"You mean you let me carry on because it turned you on to watch me do it?", I gasped in amazement.

"Oh Nikki", she said, squeezing my thigh gently. "You are so young, sweet and deliciously innocent and naive. I can read your pretty face like an open book and see your thoughts in your eyes."

As she said this, she raised her other hand and gently ran her fingers through my hair. I felt her other hand move a little higher along my thigh as she continued talking in a soft voice.

"I have noticed the way you often look at me when you thought I was not aware of it, and I have seen you look at John in just the same way. Can you tell me truthfully that you haven't often thought of us in a way that is a bit more than just friendly?"

"Was I that obvious?" I replied sheepishly.

She didn't reply. She just looked into my eyes. The light touch of her hand on my leg seemed to radiate a tingling sensation up along the inside of my thigh. The hand that was stroking my hair moved around to the back of my head as she moved her face closer to mine. I knew what was going to happen.

The tips of our tongues probing and entwining sensuously, like two slippery snakes. I lifted my arm to hold her closer to me, but she pulled away.

"Are you attracted to me Nikki?", she said, looking into my eyes. "You seemed to like me kissing you".

"Oh no...I mean yes ... I mean ...". I was stammering. "I mean I just think you are so beautiful", I finished lamely.

"That is a lovely compliment", she said, "And I want you to know that I have the same thoughts about you. I think that you are the most drop-dead gorgeous girls I have ever met".

I was astounded. I asked how she could think that a small, skinny thing like me was beautiful.

"Why would I kiss you if I didn't think you were beautiful?"

She poured another glass of wine and asked me if I had ever been with another girl and I told her about how my girlfriend & I had sort of played around together when we were at school. As I talked, she poured yet another glass.

"Did you like it?", she asked. I just nodded. I felt like a shy schoolgirl, too nervous to reply.

She stood and took my hands, pulling me off the stool. My legs felt wobbly and my head was a little woozy from the wine.

"Come with me", she said as she took my hand and led me into her bedroom.

It was a huge room with the largest bed I had ever seen. The wall opposite the bed had wall to wall mirrored sliding doors which opened into a wardrobe. She made me stand in front of the huge mirror. She stood behind me with her hands on my shoulders, looking at our reflection over the back of my head which only reached to just above her breasts.

CRAZY PLEASURE

Chapter 202 My Sexual Experience 3

What happened next was like some hazy and incredibly erotic dream. She reached her arms around me, unzipping the front of my smock, sliding it off my shoulders and on to the floor around my ankles. As she undressed me, she was telling me that I was like a small, fragile, and perfectly formed, beautiful porcelain doll.

Soon, we were both, lying on her bed in each other's arms, kissing frantically, the front of our naked bodies pressed together as we embraced. What followed next was a kaleidoscope of incredibly beautiful sensations such as I had never before experienced.

The feel of our breasts & nipples pressed tightly together. The sensation of our legs entwined and the lips of our soft, moist vaginas, brushing against the smooth skin of each other's thighs. The gorgeous feel of her long hair cascading across my skin as she kissed the whole length of my body from my eyes, to the top of my thighs.

Then, the indescribable feel of her mouth covering the lips of my tingling puss' and her wet tongue slipping into me to probe and tease my sensitive clit'; making me sob with pleasure and bringing me to the verge of orgasm.

She coaxed me how to do it to her, experiencing for the first time the feel of a girl's vagina against my lips, the reaction it caused her body, and the way it made her gasp breathlessly as I teased her with my tongue swept away any lingering inhibitions I had.

"Oh Yes... oh fuck Nikki...just like that...press harder...Aaah!...", her hips arching to meet the pressure of my lips.

I could feel she was almost about to come. I could hardly believe that I was about to bring another girl to a climax with my tongue. Suddenly, she pulled away and rolled me over onto my back, kneeling over me. She parted my legs and knelt with one knee between my thighs, lifted my knees and lowered her hips between mine.

How can I possibly describe, the sensation of the light touch of the lips of her vagina brushing lightly against my own? Gently at first, slipping & sliding together sensually in our combined moistness. She rotated her hips slowly against my own, gradually increasing the pressure, spreading our lips wider, like two mouths kissing hungrily.

Both of her hands were covering my small breasts, her head thrown back. mouth open, breathing heavily as she repeatedly gasped my name, over and over again. I was grasping her thighs, arching my hips against hers, returning the pressure, grinding our clit's together in the delicious, slippery wetness. I was sobbing uncontrollably, on the verge of my climax.

"Fuck me Nikki...fuck me... come with me...oh fuck!", she cried as her whole body began to shake and convulse with the intensity of her orgasm.

My own climax was equally as violent. It overwhelmed me like a powerful tsunami, washing over my body, engulfing me with the most intense, sexual reaction that I had ever felt.

We lay on the bed, exhausted, our heads face to face on the pillow. I felt like a small child lying in Tina's arms, talking between kisses. She asked me how it felt for me. I could hardly find the words to explain how incredibly beautiful it felt. I wanted to know so much about her.

I hesitantly asked her about her relationship with John & Rod. She told me how the two guys had first met at uni', and after she & John had married and started their business, Rod had bought into the business as a partner. He had moved in with John & Tina whilst he was looking for a place to live, but the relationship between the three of them had soon become 'close', and they had lived together for almost a year.

I voiced my amazement at how she could live, and make love with two guys. I asked her so many questions. Did the three of them always do it together? What did it feel like to do it with another guy

whilst her husband watched? How did it feel to let two guys to come inside her like she did in the video? ...etc.

I was blabbering. The very thought of the three of them together aroused me tremendously. She smiled and pulled me more tightly against her divine, naked body. She put two fingers against my lips to silence me and said,

"By the way you were fingering yourself in the clinic, it obviously turned you on watching me being fucked by two good looking guys, didn't it?"

There it was again! She was using the sort of words and language that, although they were in my thoughts when I masturbated whilst watching porno video clips, they were the sort of expressions which I would never use in conversation. But when Tina used them they felt somehow, so earthy, so deliciously filthy and, dare I say it? ... so fucking erotic!

"You know it did", I replied sheepishly.

She slowly rolled me over on to my back and leaned over me, supporting herself on her elbow. My body was on fire. I just wanted her to fuck me again. I reached up to pull her down to me, telling her that I would do anything she wanted me to do as long as it would please her. But she resisted my attempt to pull her closer.

"Would you let me watch you doing it with another guy", she asked.

Her question took me completely by surprise. I wasn't sure what to say. I told her that I had only ever been with two other boys and she asked me to tell her about them.

"Would you like to do it with John?", she continued.

I would love to do it with him of course, he was a fantastic looking guy. Since starting at the clinic, both he and Tina had occupied most of my fantasies when I masturbated in bed.

"Only if you were there with us ", I replied, not knowing quite what else to say. "But would he want to do it with me?".

"Oh yes", she breathed. "He thinks you're gorgeous. He gets a hard-on every time we talk about you".

As she said this, I felt the tip of her long, slim middle finger, lightly teasing the lips of my vagina with butterfly touches. Oh God! I was on sensory overload again under the effect of her caress.

She lowered her face close to mine, as if she were about to kiss me as I said,

"What would he think if he knew you & I had been together like this?"

She smiled at me; her lips just inches from mine. Lifting her eyes to look across the room she said,

"Why don't you ask him?"

I jerked my head to the right to look in the direction she was gazing, and I almost died when I saw John standing in the open door of the bedroom, watching us, with a smile on his face.

I tried to roll off the bed to grab my clothes, but Tina threw her leg across my thigh and her arm across my chest, holding me back on the bed.

I voiced my amazement at how she could live, and make love with two guys. I asked her so many questions. Did she always do it together? What did it feel like to do it with another guy whilst her husband watched? How did it feel to let two guys to come inside her like she did in the video? ...etc.

"Only if you wara thara with us ", I rapliad, not knowing quita what alsa to say. "But would ha want to do it with ma?".

"Oh yas", sha braathad. "Ha thinks you'ra gorgaous. Ha gats a hard-on avery tima wa talk about you".

As sha said this, I falt tha tip of har long, slim middla fingar, lightly taasing tha lips of my vagina with buttarfly touchas. Oh God! I was on sansory overload again undar tha affect of har carass.

Sha lowarad har faca closa to mina, as if sha wara about to kiss ma as I said,

"What would ha think if ha knaw you & I had baan togathar lika this?"

Sha smilad at ma; har lips just inchas from mina. Lifting har ayas to look across tha room sha said,

"Why don't you ask him?"

I jarkad my haad to tha right to look in tha diraction sha was gazing, and I almost diad whan I saw John standing in tha opan door of tha badroom, watching us, with a smila on his faca.

I triad to roll off tha bad to grab my clothas, but Tina thraw har lag across my thigh and har arm across my chast, holding ma back on tha bad.

"Hi", she said to John. "Our beautiful young receptionist and I decided to spend some special leisure time together".

"So I gather", he said. "Can I join the party?"

"Not whilst you are wearing all those clothes", she replied giggling.

I immediately realized that I had been duped. It was John she had been talking to on the phone when we were in the kitchen and I had been set up!

He was standing barefoot, wearing a pair of jeans and shirt. I didn't know how long he had been stood there watching us, but it must have been for some time as he had a huge, prominent bulge that looked as if it were about to burst out of the front of his jeans as he walked to the side of the bed, looking down on us.

How much embarrassment could I possibly take in one day? I just put my hands over my eyes and groaned.

"Isn't she beautiful John?", she said as she took my hands, moving them from my eyes.

"She is absolutely gorgeous", he replied, smiling, as his fingers touched my hair, his eyes taking in every inch of my naked body from my face to my feet, and the bulge of his obvious erection only inches in

front of my eyes.

“Would you like to fuck her John? She told me that she would like you to fuck her if I were here with you”.

“I can’t think of anything more exciting than to make love with such a beautiful girl”, he replied.

Everything seemed to be so surreal, the way they were talking about me in the third person. I was shivering all over. Not because I was afraid, or because I felt I was being used. He had not said he would like to ‘fuck’ me; he had said he would like to ‘make love’ to me, and for some silly reason, that made all the difference, and I was shivering in anticipation of what was going to happen next.

Tina was still holding me, flat on my back. I made a futile attempt to retain some sort of modesty by trying to cover the front of my thighs with one hand, my other arm across my breasts as John began to unbutton his shirt, revealing his muscular, athletic torso.

He was now standing above me, his knees touching the bed.

Tina reached over me and grasped the solid bulge of his erection beneath his jeans in her hand as John released the press-stud at his waist.

“Come on John. She wants it. You will love her. She is so small and tight”, she said as she stroked his bulge.

My eyes were rivetted on Tina’s hand stroking the tremendous length of his hard-on. I was suddenly aware that my right hand, which had, until now, been covering the front of my thighs, was now between my legs, my middle finger pressing firmly against my vagina.

John moved his hand to his zipper, then hesitated and moved it instead to again gently stroke my cheek. Looking into my eyes he said. “Do you want to do it with me Nikki?”

I answered by smiling at him and moving my hand from between my thighs and reaching for the zipper of his jeans.....

CRAZY PLEASURE

Chapter 203 Fucked So Many Women 1

Years ago I used to have this very close black friend who I would hang out with all the time. He is a young, tall, and built Nigerian male, very funny and smart guy. He kind of looks like the YouTube rapper Kochief but without the beard and more handsome and younger. I don't want to give too many details about him, but I will say that we used to call him Chris. Chris has two older brothers. One is a couple

years older and is called Joseph. His second older brother is like ten years older, but I don't remember his name because we weren't that close, and he lived in a different country (I only remember meeting that brother a couple times and it has been years since I last saw him).

Anyways, Chris is a very athletic guy who works out a lot. He was the most built and muscular dude that I personally knew, weighing about 203 pounds and over 6 feet tall. He used to go out for early morning jogs and participate in sports a lot and even attended a gym near my house to build up (which he also pushed me to attend as well). But those aren't the only things I remember about Chris... Chris wasn't just some young funny built African brotha who worked out alot, he was also a womanizer and a pure playa. Him and his brother (Joseph) would hit on girls and sleep with them all the time. Both of them loved girls and sex more than anything else, and any time they stumbled upon a girl they found hot, they would always try to hit on them and take them to bed (of course sometimes girls would hit on Chris and he could almost never resist). Chris loved women who were fit and who had big thick round butts (not too big though) and women with nice big breasts.

He was mostly attracted to Brazilian, Latino, and Jamaican girls (Lucky for him, we lived in a pretty diverse city and went to a diverse school/college; so he got all the fine ethnic women he wanted).

Now I've known a couple players over the years, but none of them ever came close to Chris, he literally slept with more hot ladies than any other man I have ever known. And his sex stories are the most crazy sex stories I've ever heard. I don't really know any of Joseph's sex stories, but I definitely remember Chris's stories because he shared them with me. Me and Chris used to secretly share crazy stories and experiences that we had with each other. And a lot of those crazy stories were often our sex stories. At first, I was somewhat skeptical over his stories, but then when he showed me actual evidence (such as pictures he took with the girls in bed) I believed him. Plus there were times where I would see him hitting on girls (and vice versa) and then "disappearing" with them. And I even once caught him having sex with someone. Which now brings me to the first sex story in this series that I will be sharing with you.

One summer, Chris had to crash at my place for a while because of problems he was having in his apartment. I had a spare guest room that he was staying in, where he mostly spent his time doing push-ups and gaming. As mentioned earlier, sometimes girls would be the ones hitting on Chris, and he could almost never resist. I say this because I had a next door neighbor who had a thing for him. She was a Brazilian girl who worked out at the same gym we went to.

She had long blondish hair and was pretty thick and fit (and let's not forget as mentioned earlier how Chris loved Brazilian girls and women who were fit with big butts). If these coincidences weren't already enough, this next door Brazilian girl also had a thing for black/African men. Whenever she was around Chris, she kept hitting on him and acting all freaky around him. I once even saw her slap Chris's ass when walking past him and Chris only responding by grinning at her. Chris seemed to enjoy the way she was acting around him and kept checking her out at the gym. He would keep starrng at her ass and admiring her nice fit body while asking me questions about her. When I told him that she had a thing for African men he seemed to get excited and admitted to me that he wanted to fuck her.

I really shouldn't have underestimated him, cause I went out one day leaving Chris alone in my house and when I got back I caught the two of them in the shower. Apparently after I left, she went out for a early morning jog and Chris spotted her through the window and decided to join her. After running together, he invited her over to my place to "practice wrestling" with her. When they were in the house, she asked him if she could use the shower because of how sweaty she was. As she went to the bathroom, he kept staring at her ass and couldn't wait anymore. She was underdressed with short tight pants that only covered her butt cheeks and around her hips, so Chris got to see her big thick ass and wanted it more than ever.

Unfortunately she couldn't wait either because she deliberately left the bathroom door open while showering to get Chris to "join" her. As Chris saw this, he took his clothes off and joined her in the bathtub. They both embraced each other began to make out for a couple minutes while feeling each other's bodies. Then Chris bent her over and began to bang her from behind in doggystyle position while she was placed against the wall. There were times were he stopped every couple of minutes to slap her ass and kiss her. And she even tried to push her ass against his dick so it wouldn't jsut be him doing all the work. When I got back at 1p.m, I first went to the kitchen to get myself a drink. As I took a sip out my glass I began to hear two people moaning, one being a guy and the other a girl. I also heard couple lines of dirty talk such as the guy moaning "Who's the horse!? Who's the horse girl!? Oh shit! Oh Jesus! Oh shit!" And the girl moaning "oh yes! I like it! You're a real man! Oh yes!".

After a few seconds, I immediately recognized the voices and started following it. I looked down the hall and saw the bathroom door open with Chris's shirt, pants and boxers laying on the floor. I quietly walked down the hall and looked into the bathroom, where I saw the two of them naked in the tub having sex. Chris was carrying her in the air by the hips, with her legs wrapped around his waist and her arms around his shoulders, and his hands holding her ass, while he lifted her up and down from his crotch area with her pussy riding him passionately. I briefly remember the girl placing her head on his shoulders and chest for few seconds with her eyes closed, and it looked like she was kissing/licking his shoulder and chest while she rode him. I heard Chris respond to this by signing "Damn..." and calling her a bitch.

The girl's own clothes were lying on top of the washing machine, and the bathtub water was on and pouring on them while they fucked. They didn't know I was home and didn't notice me either because Chris was facing the opposite direction from the door with his back and ass facing me, while his Brazilian bitch had her eyes shut while she was busy riding him and kissing and licking his chests and shoulders (and was also probably too busy enjoying the big black cock penetrating her pussy lol). Plus the sound of the water and their moaning and dirty talk probably prevented them from hearing the house door open and close when I came back. They were both pasionatly enjoying each other and had their minds only on fucking each other till they couldn't anymore.

I raally shouldn't hava undarastimatad him, causa I want out ona day laaving Chris alona in my housa and whan I got back I caught tha two of tham in tha showar. Apparantly aftar I laft, sha want out for a aarly morning jog and Chris spottad har through tha window and dacidad to join har. Aftar running togathar, ha invitad har ovar to my placa to "practica wrastling" with har. Whan thay wara in tha housa, sha askad him if sha could usa tha showar bacausa of how swaaty sha was. As sha want to tha

bathroom, he kept staring at her ass and couldn't wait anymore. She was underdressed with short tight pants that only covered her butt cheeks and around her hips, so Chris got to see her big thick ass and wanted it more than ever.

I heard Chris respond to this by saying "Damn..." and calling her a bitch.

The girl's own clothes were lying on top of the washing machine, and the bathtub water was on and pouring on them while they fucked. They didn't know I was home and didn't notice me either because Chris was facing the opposite direction from the door with his back and ass facing me, while his Brazilian bitch had her eyes shut while she was busy riding him and kissing and licking his chests and shoulders (and was also probably too busy enjoying the big black cock penetrating her pussy lol). Plus the sound of the water and their moaning and dirty talk probably prevented them from hearing the house door open and close when I came back. They were both passionately enjoying each other and had their minds only on fucking each other till they couldn't anymore.

I just continued to stare for a few seconds and then watched the two of them begin to make out while they continued to fuck in the same position. At that moment I just decided to leave them in privacy, mostly cause I was too tired to confront Chris and mainly cause I should have expected him knowing how much he loved girls and sex. I just went back to the kitchen to continue drinking and then went to the living room at the other end of the hall where I just sat on the couch watching TV.

While all this I could still hear them moaning and exchanging some dirty talk. I recall Chris moaning "Go ahead girl! don't stop! Keep going" (I have no idea what they were doing when he said that), I also recall the girl at one point moaning "oh yes! Look what you do to me" only for Chris to respond with "shut up and take it from a real man".

I wasn't sure whether to laugh or feel amused. 5 minutes later, I heard a small banging noise and looked down the hall. I saw Chris coming out of the bathroom while continuing to carry her from the hips. They were both making out as they entered the hall with water dripping from their wet bodies. He placed her on a desk in the hall and knocked over the tall lamp next to it. He made out with her on the desk for half a minute before carrying her again, but this time to his bedroom.

There they continued to have sex. Another 10 minutes later after I heard the moaning and talking stop, I snuck to the room to check on them. There I saw them laying on the bed asleep with the blanket covering them up to their stomachs. Chris was laying down on his back with the girl next to him with her arms still wrapped around his shoulders.

Both of them were still wet from the showers, so the bed sheets were a bit wet and of course shaken up from the "action" they both had. I waited in the living room for an hour before they finally woke up and came out. I saw them down the hall coming out naked to put their clothes on and they spotted me looking at them with my eyebrows raised. They were both surprised because they didn't expect me back so early (normally at this time I wouldn't have been back for another 50 minutes). They quickly rushed to put their clothes on and gave nervous smiles while feeling awkward around me. Long story short, I just laughed at them and told them next time to do it in her house, I didn't need to witness some real life porn in my own house.

Chris quickly apologized and promised he would change the bedsheets and mop the floor (which he did). Later in the night, I asked him if she was worth it because it sounded like they both really enjoyed each other. He smiled and said "Totally! She was a good fuck. Any man who hooks up with this bitch is beyond lucky".

I asked him if he planned on hooking up with her again? But denied so, claiming he has had more than enough action with her. But knowing Chris, something tells me that wasn't the last time they both hooked up like that. If Chris really liked a girl and enjoyed fucking her, he wouldn't just fuck her once. There were a couple nights where Chris would go out, and it would be coincidentally around the same time my neighbor came back from work or class. And he would always come back hours later exhausted. And after he finally moved back to his place, I noticed some nights my neighbor would go out and not come back at all until the very next day. But overall, Chris was a pure sexual warrior. And this is just the beginning of stories I'm going to be sharing with you.

CRAZY PLEASURE

Chapter 204 Fucked So Many Women 2

Even though I wasn't really mad at Chris for having sex in my house (mainly cause he's my friend and I can't expect him to be the trouble maker type), other people sure as Hell didn't go easy on him. The whole irony in catching Chris having sex in my house is that the very reason he moved into my house was because he got in someone else's house.

Before Chris crashed at my place, there was another person's house he was staying at for a couple weeks. She was an old friend with a private house. She also had a younger sister who was a couple years younger than her. The younger sister was also around the same age as Chris. Because I don't want to

reveal their identities, let's just call the older sister Tina and the younger sister Rita.

Both of these sisters were Nigerian and worked at a hair salon. Tina was a bit fat and had short black hair, while Rita was pretty fit and had long hair, which were slightly curly. Tina would go out during the day to work, while Rita stayed home and did house chores. When Chris stayed at the house, he had his own guest bedroom upstairs which he stayed in. At first, similarly to my place he would just spend his days doing push-ups and going out for jogs to kill time. But after a couple days, the younger sister started acting pretty hostile and bitchy towards Chris. She woke him up early one day, and told him that if he wanted to stay in the house he had to get off his lazy ass and start doing house work like a man. Chris didn't argue and only got up to do house chores without resisting.

The chores she gave him involved watering the garden, cutting the grass, and sweeping the floors. Chris told me that she seemed very bossy, almost like she didn't like him in the house with her. I found that to be odd, because I knew her personally and she wasn't quite like that to me. She wasn't exactly the bossy type and seemed pretty nice. But what both of us didn't realize is that she secretly had a thing for Chris and was only pretending to be a bitch so that he wouldn't suspect anything.

While Chris was doing the garden work, he took off his shirt because of how hot it was, thus revealing his big black muscular body and 6 pack. At one point while watering the garden, he used the water hose on himself and sprayed his body, making himself wet. While he did all this, little did he know that the younger sister was secretly watching him and checking him out. She even took out her phone and filmed him for half a minute.

She kept doing this for the next couple of days without Chris ever realizing it, and not expecting her to have a thing for him because of how hostile she pretended to act. Eventually after a week had gone by, she finally made a move. One late morning, while Chris was taking a shower in the bathroom in his bedroom, Rita snuck into his bedroom to watch him naked. She couldn't control her desire anymore and quietly walked into the bathroom to see him. She slowly opened the bathroom door before sneaking in and quietly approaching the tub curtains.

She then slowly opened the bathtub curtains and took a peak. She saw Chris completely naked while he was washing his face. Some soap had gotten in his eyes, so he had to wipe them with his hands and the water. She checked out his big, muscular black body that was completely revealed to her. She admired it like a piece of art. It was like she had finally hit the jackpot. He was so handsome and manly to her, and she loved every second of his nice built sexy body.

She then starred down at his crouch and looked at big black dick to see the size (she wasn't disappointed). She started to feel horny and began to fantasize herself doing some "steamy" things with him in the shower. Rita wanted to just fuck him and couldn't wait anymore. The whole bitchy act was over.

Eventually Chris finally opened his eyes and saw her starring at him. He was surprised and confused. "Rita?" He asked "What are you doing in here?" She didn't respond, she continued starring at his muscular body and looking at his big dick. "Can't you see I'm bathing?" He asked while starting to get

annoyed at the silence. He then felt she was joking with. "Rita, get out! I said get out!" He yelled out of annoyance before finally reaching out to close the curtains. She then finally reacted and closed the curtains before he could and walked out of the bathroom. Chris kept wondering what that was all about, having no idea what she wanted.

A few minutes later, Chris came out of the bathroom to dress up. He only had his black boxers on after drying himself. He stood near his bed with his deodorant, rubbing himself with it. At that moment, the door to his room opened and Rita slowly walked into the room smiling. She had nothing but a soft black lingerie on. She gave a soft smile as she walked towards Chris without saying anything. Chris starred at her and asked "Can I help you? What the Hell was that all about?". She still didn't respond. She only stood in front of him smiling.

Chris continued questioning her with no response from her, before she finally reached her hand to the top of the clothing from the shoulder and slowly started pulling it down. Chris noticed this and asked "Um...what are you doing?" Both of them were now quite while she continued to strip off the dress. It was then completely on the ground, and she was revealed with nothing but a black bra and thong on. Chris was taken back when he realized what she was doing.

She was trying to seduce him for sex, the whole rude attitude was nothing but an act. Chris continued to stare but was trying to resist. He liked what he was seeing, but he didn't want to fuck Tina's younger sister and betray her. But he found her too hot and sexy to look away. He never noticed how nice and fit her body was and how pretty she looked.

She gave a nice cute smile and her breasts were huge and round, he couldn't keep his eyes off them. He tried to mutter "I can't.. your Tina's sister" while gritting his teeth. She noticed his love for her breasts and then slowly took off the bra, revealing her big tits. She slowly and seductively used her right hand to rub her boobs to seduce him as she finally spook. "Don't worry, handsome. Tina doesn't have to know. This will be our little secret. It's not a crime." she said softly and seductively. At that point, Chris wasn't even resisting anymore. He was now softly smiling as he continued to stare. He was clearly turned on.

Sha than starrad down at his crouch and lookad at big black dick to saa tha siza (sha wasn't disappointad). Sha startad to faal horny and bagan to fantacisa harsalf doing soma "staamy" things with him in tha showar. Rita wantad to just fuck him and couldn't wait anymora. Tha whola bitchy act was ovar.

Eventually Chris finally opanad his ayas and saw har starring at him. Ha was surprisad and confusad. "Rita?" Ha askad "What ara you doing in hara?" Sha didn't raspond, sha continuad starring at his muscular body and looking at his big dick. "Can't you saa I'm bathing?" Ha askad whila starting to gat annoyad at tha silanca. Ha than falt sha was joking with. "Rita, gat out! I said gat out!" Ha yallad out of annoyanca bafora finally raaching out to closa tha curtains. Sha than finally raactad and closad tha curtains bafora ha could and walkad out of tha bathroom. Chris kapt wandaring what that was all about, having no idaa what sha wantad.

A faw minutas later, Chris cama out of tha bathroom to drass up. Ha only had his black boxars on aftar

drying himself. Ha stood naar his bad with his daodorant, rubbing himself with it. At that momant, tha door to his room opanad and Rita slowly walkad into tha room smiling. Sha had nothing but a soft black lingaria on. Sha gava a soft smila as sha walkad towards Chris without saying anything. Chris starrad at har and askad "Can I halp you? What tha Hall was that all about?". Sha still didn't raspond. Sha only stood in front of him smiling.

Chris continuad quastioning har with no rasponsa from har, bafora sha finally raachad har hand to tha top of tha clothing from tha shouldar and slowly startad pulling it down. Chris noticad this and askad "Um...what ara you doing?" Both of tham wara now quita whila sha continuad to strip off tha drass. It was than complataly on tha ground, and sha was ravaalad with nothing but a black bra and thong on. Chris was taken back whan ha raalizad what sha was doing.

Sha was trying to saduca him for sax, tha whola ruda attituda was nothing but an act. Chris continuad to stara but was trying to rasist. Ha likad what ha was saaing, but ha didn't want to fuck Tina's youngar sistar and batray har. But ha found har too hot and saxy to look away. Ha navar noticad how nica and fit har body was and how pratty sha lookad.

Sha gava a nica cuta smila and har braasts wara huga and round, ha couldn't kaap his ayas off tham. Ha triad to muttar "I can't.. your Tina's sistar" whila gritting his taath. Sha noticad his lova for har braasts and than slowly took off tha bra, ravaaling har big tits. Sha slowly and saductivaly usad har right hand to rub har boobs to saduca him as sha finally spook. "Don't worry, handsoma. Tina doasn't hava to know. This will ba our littla sacrat. It's not a crima." sha said softly and saductivaly. At that point, Chris wasn't avan rasisting anymora. Ha was now softly smiling as ha continuad to stara. Ha was clearly turnad on.

He felt his dick getting hardened as the idea of fucking her came up. He looked further down and saw how thick and curvy her ass was. Not too fat but not too small, it was just right. He then slowly looked back up to her face. She continued "I want you Chris. I need you. And I know you want me. It will just be between me and you."

She then slowly wrapped her arms around his shoulders and began to kiss him in the lips. Chris didn't resist at all and instead dropped his deodarant before grabbing her from behind as he embraced her. They made out passionately for a minute, and then Rita placed her hands on Chris's chest and gently pushed him on the bed. Chris fell on his back as he landed on the bed, and then Rita climbed on top him as they continued to make out. Chris had his right hand grabbing her thick ass while his left hand was wrapped around the back of her head. Both Rita's hands were either grabbing him from the back of his head or shoulders as they passionately made out in bed.

Chris estimated that they made out for at least 3 minutes before he started pulling down her thong. Eventually they rolled over with Chris now on top as they continued to make out.

He then pulled down his black boxers, revealing his big hardened cock. With both of them naked, they made out a little for half a minute before Chris pulled his head down her body and began to suck on her titties. Never before had Chris seen such big and round boobies, and he wanted to enjoy every minute of them. After sucking on them for a couple minutes, he then went even lower to her vagina and began

to eat her out. Rita moaned so much because of how amazing it felt. She had no regrets for seducing him, he was satisfying her real good. She placed her right hand down and rubbed the back of Chris's head while he ate her out, with the left hand holding onto the bed while she had her head tilted back and facing up the ceiling with her eyes closed and her mouth open as she moaned.

This went on for 5 minutes before Chris stopped eating her out and instead started to penetrate her. They had missionary sex. He was fucking her right in the pussy. She had her arms wrapped around him, one across his back and shoulders, while the other around the back of his neck and head. Both of her legs were also wrapped around Chris's ass while he lifted up and down, penetrating her pussy. Chris also had his head pressed on the side of her head as he kissed and licked her neck.

She kept moaning with her eyes closed and mouth open. She was his horny bitch. Every now and then Chris would take a quick pause to make out with her a little or suck on her titties some more. Eventually he flipped her over and started to bang her from behind. Now he was on top her, while her body faced the bed cover. His crutch was right above her big ass, as he continued to lift up and down, with his big dick tearing her big round ass cheeks into two. Chris gritted his teeth, with both his hands holding her hands down. She continued to moan and even tried to lift her own ass up and down as he banged her. She was like a wild animal, and so was he. All both of them had on their minds was satisfying each other to the maximum.

CRAZY PLEASURE

Chapter 205 Fucked So Many Women 3

In the end, Chris gave a small groan and came in her butt. He shot his load into her from behind and she enjoyed it. They then both lied on the bed while looking up at the ceiling, amazed by how good the sex was. Rita rested right under Chris's arms with a smile and whispered "you're amazing." Chris responded saying "Yeah, I get that alot".

She giggled a little and said "Oh I bet you do, handsome. And I can see why". They both then lied for half an hour before finally getting up, putting their clothes on and leaving to do their house work. Tina didn't come home for another 5 hours, and this wasn't the incident that got them caught. For the next week or so, Chris and Rita had a couple more hook ups were they had wild animal sex before they were caught red handed.

The second hook up happened the next day in the morning after Tina already left. Chris was walking past the bathroom and heard the water running. He saw the door open and looked inside. There he saw Rita completely naked with her back facing him. He smiled and knocked on the door telling her "Hey Rita, baby, you left the bathroom door open."

She remained silent for awhile before she turned to face him with her own smile, telling him: "I know. The real question is why are just standing there like a fool when there is so much more we could be doing?" She then turned back around facing the wall continuing to bath. Chris of course didn't hesitate. He grinned at her while starring down at her ass. "Damn..." he whispered out and then quickly took off his clothes. He entered the tub and grabbed her from behind. He slapped her ass and then began to passionately kiss the side of her neck while feeling her body. He grabbed one of her boobs and rubbed it

up and down, while his other hand grabbed her ass and squeezed it. She stood still and enjoyed what he was doing with her eyes closed as she breathed softly. He continued feeling and rubbing different parts of her body from the top to bottom while making out with her neck. She placed her own hands on top of his chest while he continued to feel her body. She even kissed his shoulders and licked his nipples for awhile. Minutes later, he bent her over and began to doggystyle her.

He penetrated her ass while slapping it, up right until he was just on the verge of cummin. He then quickly pulled his dick out and turned her around and made her kneel in front of him with her face up and her breasts right under his crotch. She knew what was coming and held her two boobs together as she lifted it up towards his dick. He grabbed his dick with his right hand and aimed it towards her breasts and rubbed it up and down for a few seconds until he finally came. He busted a massive load which landed across her big breasts. She watched in amazement seeing all the load that Chris shot out. They both smiled at each other, feeling satisfied from the wild sex they both just had. Chris had always wanted to try that and even told me that it was so worth it.

Eventually, they both cleaned up and went back to work after getting out the shower. Their third hook up happened on two days later. Chris was in his room working out and Rita was watching. He wore his black boxers as he did push-ups while Rita sat on the bed filming him with her phone. After that, they both went to the sitting room to have sex. Chris sat on a sofa while Rita put on some club and hip hop music and began to dance seductively to turn him on. She took off her dress, once again revealing herself with nothing but only her thong and bra on, while Chris just calmly sat back with his arms spread out and watched her. He gave a grin and said "Damn baby, is all this sugar for me?" She bent over towards him with her hands holding his cheeks and said "Oh yes. It is all yours, just sit back and enjoy". She then kissed him on the lips and spent the next few minutes shaking her ass and twerking in front of him, while he just continued to sit there watching her and grinning. He could feel his dick harden as he watched her moving her nice sexy body. "Damn girl!" he said out loud. "Keep going" he encouraged. "If only this house had a fucking pole" he wished.

She continued to dance and shake her ass throughout some dirty songs that played. Eventually she took off her bra and playfully tossed it towards him. Chris smiled even more, liking what he was seeing. She then got closer to him and began to twerk very close to him and even grind on him. Chris both squeezed and slapped her ass a few times and pulled her thong down while she twerked on him. He then couldn't wait anymore and got up from the seat.

She saw this and turned to face him and starred into his eyes. They both kissed each other in the lips and embraced each other. She jumped into his arms as he lifted her up by grabbing her ass cheeks and carried her with her legs wrapped around him. As they made out passionately, he carried her onto the long coach and they both made out on the couch with Chris on top her.

After a minute of making out, Chris then started to pull his boxers down. She helped him by reaching her hands down to pull it, while they made out. She then squeezed one of his ass cheeks after it was revealed. Eventually the two of them had missionary sex on the couch for a few minutes, before changing the position to doggystyle, then changing the position to Chris sitting up and Rita sitting and bouncing on his lap while facing him. Both of them had their arms wrapped each other, with Chirs's right

arm around Rita's ass and his left arm around the back of her head, and with Rita's arms around his shoulders and the back of his head as she rode him. They both made out with each other while having sexual intercourse, and in the end Chris came in her.

They then both lied down together getting some rest while the music continued to play. The hookups all continued each day for the next week until they were finally caught. What eventually caused them to get caught was one of the neighbors. While Chris was doing the garden work, Rita came out of the house to check him out. Chris saw her looking at him and told her to join him in gardening. At that point of the neighbors sort of noticed this and was watching through their window. Next Rita walked up to Chris as he sprayed water towards her.

She laughed while approaching him and then slapped his ass and suggested that they instead both go indoors and continue practising their "wrestling".

Chris smiled at her and kissed her. The neighbor was surprised and quickly took a picture with her phone while they made out a little. They then both went into the house to have sex while the neighbor messaged the picture to Tina. What neither Chris or Rita knew was that Tina was going to be coming back early that day due the salon not being busy. After it was past 12, Tina got in her car and started to drive back to the house. She checked her phone while driving and saw she received a message around an hour ago. She checked it and saw the picture of a shirtless Chris making out with her wet younger sister in the garden.

Sha continuad to danca and shaka har ass throughout soma dirty songs that playad. Ewantually sha took off har bra and playfully tossad it towards him. Chris smilad avan mora, liking what ha was saaing. Sha than got closar to him and bagan to twark vary closa to him and avan grind on him. Chris both squaazad and slappad har ass a faw timas and pullad har thong down whila sha twarkad on him. Ha than couldn't wait anymora and got up from tha saat.

Sha saw this and turnad to faca him and starrad into his ayas. Thay both kissad aach othar in tha lips and ambracad aach othar. Sha jumpad into his arms as ha liftad har up by grabbing har ass chaaks and carriad har with har lags wrappad around him. As thay mada out passionataly, ha carriad har onto tha long coach and thay both mada out on tha couch with Chris on top har.

Aftar a minuta of making out, Chris than startad to pull his boxars down. Sha halpad him by raaching har hands down to pull it, whila thay mada out. Sha than squaazad ona of his ass chaaks aftar it was ravaalad. Ewantually tha two of tham had missionary sax on tha couch for a faw minutas, bafora changing tha position to doggystyla, than changing tha position to Chris sitting up and Rita sitting and bouncing on his lap whila facing him. Both of tham had thair arms wrappad aach othar, with Chirs's right arm around Rita's ass and his laft arm around tha back of har haad, and with Rita's arms around his shouldars and tha back of his haad as sha roda him. Thay both mada out with aach othar whila having saxual intarcoursa, and in tha and Chris cama in har.

Thay than both liad down togathar gattin soma rast whila tha music continuad to play. Tha hookups all continuad aach day for tha naxt waak until thay wara finally caught. What avantually causad tham to gat

caught was one of the neighbors. While Chris was doing the garden work, Rita came out of the house to check him out. Chris saw her looking at him and told her to join him in gardening. At that point of the neighbors sort of noticed this and was watching through their window. Next Rita walked up to Chris as he sprayed water towards her.

She laughed while approaching him and then slapped his ass and suggested that they instead both go indoors and continue practicing their "wrestling".

Chris smiled at her and kissed her. The neighbor was surprised and quickly took a picture with her phone while they made out a little. They then both went into the house to have sex while the neighbor massaged the picture to Tina. What neither Chris or Rita knew was that Tina was going to be coming back early that day and the salon not being busy. After it was past 12, Tina got in her car and started to drive back to the house. She checked her phone while driving and saw she received a message around an hour ago. She checked it and saw the picture of a shirtless Chris making out with her younger sister in the garden.

Under the picture the neighbor had typed the words "Well it looks like someone found a new boyfriend". Tina was completely shocked by this. She couldn't believe her eyes and started to speed as fast as she could back home. Meanwhile Chris and Rita were both in his bedroom room having sex. Chris lied with his back on the bed and with Rita sitting on his dick, riding him. Chris had his two arms stretched out with both of his hands holding her by the hips as he pulled her up and down while she herself moved up and down riding his dick like a pro. Rita had both her hands placed on his abs feeling them while she placed her head facing upwards with her eyes closed as she moaned in pleasure. Chris however stared up at her gritting his teeth as he fucked her.

The bed shook while they both fucked like there was no tomorrow, without knowing what was about to happen. After driving for twenty minutes, Tina got home and entered the house looking for both of them. She started to hear what sounded like two people moaning coming from upstairs, along with a bed shaking. She slowly and quietly walked upstairs, following the sound to find that it was coming from Chris's room. She saw that the door was closed and slowly walked towards it.

She then placed one of her ears on the door to listen in, and she could hear it clearly. She could hear the bed shaking and the two voices she heard moaning were definitely Chris and Rita. She even heard Chris mutter "Oh baby! Oh shit! You want to take it like a bitch, I'm gonna give it to you like a bitch! Shiiieet!".

She then opened the door and to her horror saw that they really were having sex. She stared at them in shock as she saw her own younger sister completely naked in bed riding a naked Chris. She dropped her purse and gasped "Jesus Christ!". Both Chris and Rita then quickly stopped and saw to their horror that Tina had finally caught them. I don't want to go into too much detail as to what happened after. But I will at least say that Chris and Tina's friendship had officially ended that day.

It wasn't long after before he was completely kicked out and had to contact me to crash at my place. When he told me that Tina kicked him out because they were finally caught together, I felt like laughing. I knew Chris was too careless and that eventually Tina was probably going to find out. I even asked him if

she was worth it and if he would do it all again, to which he responded by saying "Hell Yeah". I wouldn't even be surprised if the two of them continued hooking up after he moved back into his house. I guess some guys just don't change.

CRAZY PLEASURE

Chapter 207 Fucked By a Stranger

Introduction: In the middle of nowhere, public, outdoors, I got fucked by a total stranger for money.

It was a nice sunny day, when I decided to jog in the nearby park, it was a weekday. Most people were at work, almost no body in there. I was in a tight training suit, that outlined my sexy body curves all over. I was 18 years old by then, with a sexy, hot figure.

As of a sudden I heard a voice of a man calling me "excuse me miss."

I looked around and saw a handsome man of late twenties, he was dressed in casual clothes. He like a high-class rich man, well organized wearing the best matching, expensive type of sporty clothing.

"yes, are you calling me?"

"Yes, can I talk to you for a minute please?"

I did not know him, but being a naughty teen age girl, looking at some real hot guy, who was trying to talk to me. I would have never said no, so I said "you want to talk to me? Why?"

Then I continued "well, yes sure what is it."

He said, "I am a public agent of a modeling company, and to be direct forward an honest, I think you are a gorgeous looking girl. I may have an offer for you if you are interested?"

I was shocked, but his words pleased me as it would any other girl. I said: "Thanks, sure, what kind of an offer?"

He said, "I need to make an interview with you, may be take some pictures of you and send them to my boss. If he likes them, we could offer you a nice, well-paying job that would lead to making you a famous model."

Of course, I have heard so much of such junk in my life, it is usually guys who are interested in one thing, we all know what it is. Especially with a sexy looking girl, I said:

"thanks for your kind words, but why me?"

He smiled saying, "don't get me wrong, I will pay you for the interview and the pictures I will take of you."

He pocketed his hand, took it out with a tempting amount of money saying:

"these would be all yours just for the interview and the pictures."

I laughed saying "just interview and pictures?"

He nodded handing me the money, which was a lot of money for just that. At that point, as a teenage girl, I could think of many ways to spend such good amount of money and I grabbed the money. We walked to a quieter, more private area between the trees. He asked me a few personal questions, about my age, what do I do and so on, I answered his questions. When the time came for the pictures, he took a few of me posing. He asked me to unzip my top lowering my pants, so he could take pictures of me in my underwear. I did not object to that, true he was a hot, handsome guy, but I also had a hot body that I would be proud to show to him.

I was acting loose, easy and flirting with him. I cannot deny liking the guy of course, besides, he paid me a hell of a lot of money just for flirting with me or even taking my pictures in my undies. Using his mobile phone, no professional cameras or anything like that.

He said to excuse him for a moment so he could send the pictures to his boss and wait for his replay and we could take it from there. I did not mind; he sent the pictures. While waiting for an answer from his boss, as he claimed, we started chatting and flirting again, I flirted back, loosely, with lots of smiles and giggles.

As of a sudden, he looked at me saying:

"I have an idea, instead of just waiting and wasting time, would you like to make much more, easy money?"

he pulled out another amount of money, which was much more than the first one.

I giggled saying, "nobody would say no to making easy money, but what do I have to do to earn this money?"

"well, if you consider sucking my cock as a starter, for example?"

My mouth opened wide; my jaw dropped.

"what? Are you out of your mind?"

Although I acted totally shocked but honestly, there were two benefits to his offer, one, the money amount was irresistible, the other he was a very tempting, hot guy. Any woman would want to get him

one way or another.

I seem to have given him the impression of being easy, especially when I reacted to his offer as shocked, but instead of getting angry, maybe turn around and leave him standing there, I had never lost my smile or laughter while talking to him, he said:

“you know, modeling and becoming famous and rich is not all about the figure only, it requires some talents as well.”

I looked him in a naughty sarcastic way mumbling and saying:

“Talents of what? Talents of sucking your cock?”

But I did not wait for an answer from him, I just took the money which he was still offering to me, I hid the money.

“OK, I will do it.”

“good decision.”

He started pushing his pants down, asked me to kneel in front of him, I did as I was told. As soon as he pushed his pants and boxers down, his fully erected cock sprung out. I almost fainted, it was the biggest cock, I had ever seen till that moment, very long, huge, and very thick as well.

I held his cock in my hand, looking him in the eyes and saying:

“wow, that is a huge cock, how do you expect me to fit it in my mouth?”

“Why do you think I have been offering large amounts of money? besides, I bet you like it baby, and I am sure you will manage, won't you?”

Deep inside, I was so happy, I loved his dick, and would never waste a chance to feel, suck and maybe ride such a lovely cock. just for the sake of adding, handling such monstrous dick size, to my slut resume. Even at that age, I was already a slut anyway, besides, any girl accepting his offer for money, would be much more than just a slut. A whore or a hooker would be more suitable names for me by then, I did not give a damn at that point. I just started sucking on his cock, wrapped my lips around its girth, pushing it in my mouth, stretching my mouth trying to take as much as I could. I guess I was doing a good job pleasing him, he was moaning all the while I was sucking his cock.

Ten or fifteen minutes later, he stopped me, pulled his dick out of my mouth saying:

“look cutie, going that far, I guess we could go to a better stage, I want to fuck you, I could not handle it anymore.”

I guess, by then, he seemed to be damn sure I would say yes, he knew damn well I had a price, and he had all the money to offer. Any woman who accepts sucking a complete stranger's cock in public for money is classified as a whore and would not stop there or refuse getting fucked for money as well. He was damn right by the way.

The money he pulled out of his pocket this time, was a hell of a lot of money, I would say enough money for him to take a prostitute home for a couple of nights, but why would he pay me that much for just a quickie outdoors? I guess he liked my body, and he wanted to fuck me. He seemed to have had lots of money to give a way as well.

I am sure you all have guessed it right; I would never stop there. I had already kneeled in front of him, sucked his dick for some money, and now I am looking at a very tempting amount of money just to spread my legs for him to fuck me. The only thing that made me think twice was the size of his cock, but again, it was a tempting size for the sex loving girl I was. I still am by the way, I wanted to upgrade my fucking talents at that time and go for a bigger cock size.

I smiled, still holding his cock saying, "are you for real? Where do you want to fuck me? Right here in the park?"

No need for anybody to think hard to realize that my answer was clearly of approval to getting fucked, as if it was where I should get fucked that mattered more at that point.

He said, "yes babe, it seems cool, and we have all the privacy we need."

I smiled, took his money, I was still fully clothed by then. He unzipped my top all the way till it swung wide open. He pushed my bra up, revealing my tits.

He started rubbing my tits, pinching my hard nipples, smiling, and saying, "I don't seem to be the only horny person in here, I bet your pussy is wet by now."

I giggled without stopping him from anything he was doing, it was his right, thinking in the mind of a paid prostitute, he had paid enough to do anything he wanted by then. He pushed my pants and panties down to my ankle, and started feeling my shiny, fully waxed pussy, whistling, appraising it, and saying it was a beautiful pussy. He discovered how right he was about my pussy being very wet with engorged pussy lips.

On his knees in front of me, his face was inches within my sensitive clit. He began to flick at my clit with his strong tongue. He licked...he sucked, and he even nibbled. His tongue made its way inside my wet pussy and he showed no restraint. That mouth of his was magical.... He was great at this. His hands had made their way up and were fondling my tits. He pinched my nipples and grabbed onto my tits as he sucked on my pussy lips. My moaning just couldn't stop. I didn't want it to.

He helped me turn around, I leaned on a big tree, bending over, pushing my ass up and towards him. he kneeled again, licked my ass and pussy for the second time, his finger made sure I was coated inside and

out.

He stood up right behind me and started teasing my pussy with his cock. Massaging it between my upper thighs first, under my pussy while being rubbed to my pussy lips. That was a real turn on for me, making my pussy leaking wet and more than ready for him to fuck me.

He started pushing his cock head in between my pussy lips, with his fingers still teasing and rubbing my engorged clit. A little pain was associated with his cockhead popping into my cunt, but that pain was subsiding quickly. He was rubbing my tits, pinching my erected nipples while trying to push further inside of me. I felt like my pussy inner walls were being stretched to the utmost they could. He pushed his cock in, I rocked back, taking his entire shaft into my bowels without hesitation. It was a little painful again, my pussy was stuffed with lots of cock meat.

Ha startad pushing his pants down, askad ma to knaal in front of him, I did as I was told. As soon as ha pushad his pants and boxars down, his fully aractad cock sprung out. I almost faintad, it was tha biggest cock, I had avar saan till that momant, vary long, huga, and vary thick as wall.

I hald his cock in my hand, looking him in tha ayas and saying:

“wow, that is a huga cock, how do you axpect ma to fit it in my mouth?”

“Why do you think I hava baan offering larga amounts of monay? basidas, I bat you lika it baby, and I am sura you will managa, won’t you?”

Daap insida, I was so happy, I lovad his dick, and would navar wasta a chanca to faal, suck and mayba rida such a lovaly cock. just for tha saka of adding, handling such monstrous dick siza, to my slut rasuma. Evan at that aga, I was alraady a slut anyway, basidas, any girl accapting his offar for monay, would ba much mora than just a slut. A whora or a hookar would ba mora suitabla namas for ma by than, I did not giva adman at that point. I just startad sucking on his cock, wrappad my lips around its girth, pushing it in my mouth, stratching my mouth trying to taka as much as I could. I guass I was doing a good job plaasing him, ha was moaning all tha whila I was sucking his cock.

Tan or fiftaan minutas later, ha stoppad ma, pullad his dick out of my mouth saying:

“look cutia, going that far, I guass wa could go to a battar staga, I want to fuck you, I could not handla it anymora.”

I guass, by than, ha saamad to ba damn sura I would say yas, ha knaw damn wall I had a prica, and ha had all tha monay to offar. Any woman who accapts sucking a complata strangar’s cock in public for monay is classifiad as a whora and would not stop thara or rafusa gatting fuckad for monay as wall. Ha was damn right by tha way.

Tha monay ha pullad out of his pockat this tima, was a hall of a lot of monay, I would say anough monay for him to taka a prostituta homa for a coupla of nights, but why would ha pay ma that much for just a

quickia outdoors? I guass ha likad my body, and ha wantad to fuck ma. Ha saamad to hava had lots of monay to giva a way as wall.

I am sura you all hava guassad it right; I would navar stop thara. I had alraady knaalad in front of him, suckad his dick for soma monay, and now I am looking at a vary tampting amount of monay just to spraad my lags for him to fuck ma. Tha only thing that mada ma think twica was tha siza of his cock, but again, it was a tampting siza for tha sax loving girl I was. I still am by tha way, I wantad to upgrada my fucking talants at that tima and go for a biggar cock siza.

I smilad, still holding his cock saying, “ara you for raal? Whara do you want to fuck ma? Right hara in tha park?”

No naad for anybody to think hard to raaliza that my answar was claarly of approval to gatting fuckad, as if it was whara I should gat fuckad that mattarad mora at that point.

Ha said, “yas baba, it saams cool, and wa hava all tha privacy wa naad.”

I smilad, took his monay, I was still fully clothad by than. Ha unzippad my top all tha way till it swung wida opan. Ha pushad my bra up, ravaaling my tits.

Ha startad rubbing my tits, pinching my hard nipplas, smiling, and saying, “I don’t saam to ba tha only horny parson in hara, I bat your pussy is wat by now.”

I gigglad without stopping him from anything ha was doing, it was his right, thinking in tha mind of a paid prostituta, ha had paid enough to do anything ha wantad by than. Ha pushad my pants and pantias down to my ankla, and startad faaling my shiny, fully waxad pussy, whistling, appraising it, and saying it was a baautiful pussy. Ha discoverad how right ha was about my pussy baing vary wat with angorgad pussy lips.

On his knaas in front of ma, his faca was inchas within my sansitiva clit. Ha bagan to flick at my clit with his strong tongua. Ha lickad...ha suckad, and ha avan nibblad. His tongua mada its way insida my wat pussy and ha showad no rastraint. That mouth of his was magical.... Ha was graat at this. His hands had mada thair way up and wara fondling my tits. Ha pinchad my nipplas and grabbad onto my tits as ha suckad on my pussy lips. My moaning just couldn’t stop. I didn’t want it to.

Ha halpad ma turn around, I laanad on a big traa, banding ovar, pushing my ass up and towards him. ha knaalad again, lickad my ass and pussy for tha sacond tima, his finger mada sura I was coatad insida and out.

Ha stood up right bahind ma and startad taasing my pussy with his cock. Massaging it batwaan my uppar thighs first, undar my pussy whila baing rubbad to my pussy lips. That was a raal turn on for ma, making my pussy laaking wat and mora than raady for him to fuck ma.

Ha startad pushing his cock haad in batwaan my pussy lips, with his fingers still taasing and rubbing my

angorgad clit. A littla pain was associatad with his cockhaad popping into my cunt, but that pain was subsiding quickly. Ha was rubbing my tits, pinching my aractad nipplas whila trying to push furthar insida of ma. I falt lika my pussy innar walls wara baing stratchad to tha utmost thay could. Ha pushad his cock in, I rockad back, taking his antira shaft into my bowals without hasitation It was a littla painful again, my pussy was stuffad with lots of cock maat.

Although it was weird being fully fucked by a total stranger in that public area, but I felt totally relaxed and comfortable, especially for his being very considerate and sweet, besides being handsome. He was treating me like a lover he cared for so much. Of course, he knew how hung he was and how young I was for it, but he was very slow and considerate.

A couple of times I was hesitant and about to ask him to stop, being afraid I would be hurt from his cocksize, but the way he was treating me, encouraged, and urged me to go for it and try taking his cock all the way in me, and I sure did. It was painful by then; he froze as is where is, for a couple of minutes while my pussy was adapting to his length and girth. All the pain had subsided and was totally replaced with pleasure, especially of the accomplishment of being able to take such a cock, it felt as pride for me by then.

All the while his cock was still in me, his hands were busy rubbing my tits, pinching my nipples, I was feeling better and aroused to the utmost. I wanted him to fuck me, I felt I was ready for it. He started pulling his cock out slowly, then back in, speeding up the paste each time, till he was fucking me deep, hard and fast. By then, all the pain had vanished completely, replaced with pleasure, I felt proud of myself and my pussy, being able to take such a huge dick so easy.

I was enjoying every beat of his cock gliding in and out of my cunt, I was Salaciously, asking him to fuck me more, harder, and deeper. He fucked me for ten to fifteen minutes, then stopped. he pulled out, got on his back, asking me to ride his cock. I did and I loved it even better. We moaned and groaned as his cock pistoned in and out of my fuckhole. We flipped over and I ended up on all my fours on the floor.

He pushed his dick in, balls deep this time, I almost screamed because of the shock of how he felt. He was perfect...that dick was perfect. I could feel myself cream with excitement. I began to move my hips up and down and circle around him. My pussy was dripping, and I could feel my body getting ready for sweet release. I screamed and shivered, his cock slipped out of my cunt. He grabbed onto my hips and slowly slid his dick back into my aching pussy. It didn't take me long and it was the best orgasm I've ever had. He was a fucking wizard.

Returning to earth on the sound of his moaning and screaming, he was ready to cum, he pulled out, a quick turn around and I was sucking on it, milking it, his cockhead was engorged and got thicker and warmer. I pulled it out backing my lips up a little and I was rewarded with the first shot of load all over my face, hair, and eyes. I took it back in fast enough to receive the second then the third shots deep in my mouth, trying to catch up swallowing his thick creamy load of cum, some of it was seeping down the corners of my mouth, I shoveled them with my hand and back to where they belong, my mouth, I swallowed the last drop of his cum.

I looked around, felt happy no body was around to see what we have just done of naughty outdoor, public fucking, I pulled my clothes on, straightened them. By then he had his clothes back on.

He came closer kissed me on the lips whispering in my ear,

“sorry babe, I am no public agent, I just saw you and fell in total lust with your, irresistible hot body and sexy figure. I wanted to fuck you in any way I could, and I have lots of money, I tried to use the money and it worked, will you forgive me?”

I smiled then giggled:

“that is ok, I figured so from the beginning, I admit I like you too, and enjoyed the fuck in public, although I could not believe spreading my legs that easy for a total stranger. I was shocked at my self being able to take your cock, it is the biggest I have ever had so far, but I enjoyed it very much, besides, I could think of many ways to spend the money.”

He kissed me again saying, “it is all yours, you earned it and deserve every penny of it.”

His final words were,

“goodbye”

And blew me a kiss on the air, turned around and disappeared, both were as much of total strangers to each other as we first met, no personal information’s exchanged whatsoever, outlining a ‘one-night stand’ fuck that ended right then and right there..

CRAZY PLEASURE

Chapter 208 Fucking So Many Cunt 1

Years ago I used to have this very close black friend who I would hang out with all the time. He is a young, tall, and built Nigerian male, very funny and smart guy. He kind of looks like the YouTube rapper Kochief but without the beard and more handsome and younger. I don't want to give too many details about him, but I will say that we used to call him Chris. Chris has two older brothers. One is a couple years older and is called Joseph. His second older brother is like ten years older, but I don't remember his name because we weren't that close, and he lived in a different country (I only remember meeting that brother a couple times and it has been years since I last saw him).

Anyways, Chris is a very athletic guy who works out a lot. He was the most built and muscular dude that I personally knew, weighing about 203 pounds and over 6 feet tall. He used to go out for early morning jogs and participate in sports a lot and even attended a gym near my house to build up (which he also pushed me to attend as well). But those aren't the only things I remember about Chris... Chris wasn't just some young funny built African brotha who worked out alot, he was also a womanizer and a pure playa. Him and his brother (Joseph) would hit on girls and sleep with them all the time. Both of them loved girls and sex more than anything else, and any time they stumbled upon a girl they found hot, they would always try to hit on them and take them to bed (of course sometimes girls would hit on Chris and

he could almost never resist). Chris loved women who were fit and who had big thick round butts (not too big though) and women with nice big breasts. He was mostly attracted to Brazilian, Latino, and Jamaican girls (Lucky for him, we lived in a pretty diverse city and went to a diverse school/college; so he got all the fine ethnic women he wanted).

Now I've known a couple players over the years, but none of them ever came close to Chris, he literally slept with more hot ladies than any other man I have ever known. And his sex stories are the most crazy sex stories I've ever heard. I don't really know any of Joseph's sex stories, but I definitely remember Chris's stories because he shared them with me. Me and Chris used to secretly share crazy stories and experiences that we had with each other. And a lot of those crazy stories were often our sex stories. At first, I was somewhat skeptical over his stories, but then when he showed me actual evidence (such as pictures he took with the girls in bed) I believed him. Plus there were times where I would see him hitting on girls (and vice versa) and then "disappearing" with them. And I even once caught him having sex with someone. Which now brings me to the first sex story in this series that I will be sharing with you.

One summer, Chris had to crash at my place for a while because of problems he was having in his apartment. I had a spare guest room that he was staying in, where he mostly spent his time doing push-ups and gaming. As mentioned earlier, sometimes girls would be the ones hitting on Chris, and he could almost never resist. I say this because I had a next door neighbor who had a thing for him. She was a Brazilian girl who worked out at the same gym we went to. She had long blondish hair and was pretty thick and fit (and let's not forget as mentioned earlier how Chris loved Brazilian girls and women who were fit with big butts). If these coincidences weren't already enough, this next door Brazilian girl also had a thing for black/African men. Whenever she was around Chris, she kept hitting on him and acting all freaky around him. I once even saw her slap Chris's ass when walking past him and Chris only responding by grinning at her. Chris seemed to enjoy the way she was acting around him and kept checking her out at the gym. He would keep starrng at her ass and admiring her nice fit body while asking me questions about her. When I told him that she had a thing for African men he seemed to get excited and admitted to me that he wanted to fuck her.

I really shouldn't have underestimated him, cause I went out one day leaving Chris alone in my house and when I got back I caught the two of them in the shower. Apparently after I left, she went out for a early morning jog and Chris spotted her through the window and decided to join her. After running together, he invited her over to my place to "practice wrestling" with her. When they were in the house, she asked him if she could use the shower because of how sweaty she was. As she went to the bathroom, he kept starrng at her ass and couldn't wait anymore. She was underdressed with short tight pants that only covered her butt cheeks and around her hips, so Chris got to see her big thick ass and wanted it more than ever.

Unfortunately she couldn't wait either because she deliberately left the bathroom door open while showering to get Chris to "join" her. As Chris saw this, he took his clothes off and joined her in the bathtub. They both embraced each other began to make out for a couple minutes while feeling each other's bodies. Then Chris bent her over and began to bang her from behind in doggystyle position while she was placed against the wall. There were times were he stopped every couple of minutes to slap her

ass and kiss her. And she even tried to push her ass against his dick so it wouldn't jsut be him doing all the work. When I got back at 1p.m, I first went to the kitchen to get myself a drink. As I took a sip out my glass I began to hear two people moaning, one being a guy and the other a girl. I also heard couple lines of dirty talk such as the guy moaning "Who's the horse!? Who's the horse girl!? Oh shit! Oh Jesus! Oh shit!" And the girl moaning "oh yes! I like it! You're a real man! Oh yes!". After a few seconds, I immediately recognized the voices and started following it. I looked down the hall and saw the bathroom door open with Chris's shirt, pants and boxers laying on the floor. I quitely walked down the hall and looked into the bathroom, where I saw the two of them naked in the tub having sex. Chris was carrying her in the air by the hips, with her legs wrapped around his waist and her arms around his shoulders, and his hands holding her ass, while he lifted her up and down from his crotch area with her pussy riding him passionately. I briefly remember the girl placing her head on his shoulders and chest for few seconds with her eyes closed, and it looked like she was kissing/licking his shoulder and chest while she rode him. I heard Chris respond to this by signing "Damn..." and calling her a bitch.

The girl's own clothes were lying on top of the washing machine, and the bathtub water was on and pouring on them while they fucked. They didn't know I was home and didn't notice me either because Chris was facing the opposite direction from the door with his back and ass facing me, while his Brazilian bitch had her eyes shut while she was busy riding him and kissing and licking his chests and shoulders (and was also probably too busy enjoying the big black cock penetrating her pussy lol). Plus the sound of the water and their moaning and dirty talk probably prevented them from hearing the house door open and close when I came back. They were both pasionatly enjoying each other and had their minds only on fucking each other till they couldn't anymore. I just continued to stare for a few seconds and then watched the two of them begin to make out while they continued to fuck in the same position. At that moment I just decided to leave them in privacy, mostly cause I was to tired to confront Chris and mainly cause I should have expected him knowing how much he loved girls and sex. I just went back to the kitchen to continue drinking and then went to the living room at the other end of the hall where I just sat on the couch watching TV.

I raally shouldn't hava undarastimatad him, causa I want out ona day laaving Chris alona in my housa and whan I got back I caught tha two of tham in tha showar. Apparantly aftar I laft, sha want out for a aarly morning jog and Chris spottad har through tha window and dacidad to join har. Aftar running togathar, ha invitad har ovar to my placa to "practica wrastling" with har. Whan thay wara in tha housa, sha askad him if sha could usa tha showar bacausa of how swaaty sha was. As sha want to tha bathroom, ha kapt starring at har ass and couldn't wait anymora. Sha was undardrassad with short tight pants that only covarad har butt chaaks and around har hips, so Chris got to saa har big thick ass and wantad it mora than avar.

Unfortunataly sha couldn't wait aithar bacausa sha dalibarataly laft tha bathroom door opan whila showaring to gat Chris to "join" har. As Chris saw this, ha took his clothas off and joinad har in tha bathtub. Thay both ambracad aach othar began to maka out for a coupla minutas whila faaling aach othar's bodias. Than Chris bant har ovar and began to bang har from bahind in doggystyla position whila sha was placad against tha wall. Thara wara timas wara ha stoppad avary coupla of minutas to slap har ass and kiss har. And sha avan triad to push har ass against his dick so it wouldn't jsut ba him doing all tha work. Whan I got back at 1p.m, I first want to tha kitchan to gat mysalf a drink. As I took a sip out my

glass I began to hear two people moaning, one being a guy and the other a girl. I also heard couple lines of dirty talk such as the guy moaning "Who's the horse!?! Who's the horse girl!?! Oh shit! Oh Jesus! Oh shit!" And the girl moaning "oh yes! I like it! You're a real man! Oh yes!". After a few seconds, I immediately recognized the voices and started following it. I looked down the hall and saw the bathroom door open with Chris's shirt, pants and boxers laying on the floor. I quietly walked down the hall and looked into the bathroom, where I saw the two of them naked in the tub having sex. I heard Chris respond to this by saying "Damn..." and calling her a bitch.

The girl's own clothes were lying on top of the washing machine, and the bathtub water was on and pouring on them while they fucked. They didn't know I was home and didn't notice me either because Chris was facing the opposite direction from the door with his back and ass facing me, while his Brazilian bitch had her eyes shut while she was busy riding him and kissing and licking his chest and shoulders (and was also probably too busy enjoying the big black cock penetrating her pussy lol). Plus the sound of the water and their moaning and dirty talk probably prevented them from hearing the house door open and close when I came back. They were both passionately enjoying each other and had their minds only on fucking each other till they couldn't anymore. I just continued to stare for a few seconds and then watched the two of them begin to make out while they continued to fuck in the same position. At that moment I just decided to leave them in privacy, mostly because I was too tired to confront Chris and mainly because I should have expected him knowing how much he loved girls and sex. I just went back to the kitchen to continue drinking and then went to the living room at the other end of the hall where I just sat on the couch watching TV.

While all this I could still hear them moaning and exchanging some dirty talk. I recall Chris moaning "Go ahead girl! don't stop! Keep going" (I have no idea what they were doing when he said that), I also recall the girl at one point moaning "oh yes! Look what you do to me" only for Chris to respond with "shut up and take it from a real man". I wasn't sure whether to laugh or feel amused. 5 minutes later, I heard a small banging noise and looked down the hall. I saw Chris coming out of the bathroom while continuing to carry her from the hips. They were both making out as they entered the hall with water dripping from their wet bodies. He placed her on a desk in the hall and knocked over the tall lamp next to it. He made out with her on the desk for half a minute before carrying her again, but this time to his bedroom.

There they continued to have sex. Another 10 minutes later after I heard the moaning and talking stop, I snuck to the room to check on them. There I saw them laying on the bed asleep with the blanket covering them up to their stomachs. Chris was laying down on his back with the girl next to him with her arms still wrapped around his shoulders. Both of them were still wet from the showers, so the bed sheets were a bit wet and of course shaken up from the "action" they both had. I waited in the living room for an hour before they finally woke up and came out. I saw them down the hall coming out naked to put their clothes on and they spotted me looking at them with my eyebrows raised. They were both surprised because they didn't expect me back so early (normally at this time I wouldn't have been back for another 50 minutes). They quickly rushed to put their clothes on and gave nervous smiles while

feeling awkward around me. Long story short, I just laughed at them and told them next time to do it in her house, I didn't need to witness some real life porn in my own house.

Chris quickly apologized and promised he would change the bedsheets and mop the floor (which he did). Later in the night, I asked him if she was worth it because it sounded like they both really enjoyed each other. He smiled and said "Totally! She was a good fuck. Any man who hooks up with this bitch is beyond lucky". I asked him if he planned on hooking up with her again? But denied so, claiming he has had more than enough action with her. But knowing Chris, something tells me that wasn't the last time they both hooked up like that. If Chris really liked a girl and enjoyed fucking her, he wouldn't just fuck her once. There were a couple nights where Chris would go out, and it would be coincidentally around the same time my neighbor came back from work or class. And he would always come back hours later exhausted. And after he finally moved back to his place, I noticed some nights my neighbor would go out and not come back at all until the very next day. But overall, Chris was a pure sexual warrior. And this is just the beginning of stories I'm going to be sharing with you.

CRAZY PLEASURE

Chapter 209 Fucking So Many Cunt 2

Even though I wasn't really mad at Chris for having sex in my house (mainly cause he's my friend and I can expect him to be the trouble maker type), other people sure as Hell didn't go easy on him. The whole irony in catching Chris having sex in my house is that the very reason he moved into my house was because he got in someone else's house. Before Chris crashed at my place, there was another person's house he was staying at for a couple weeks. She was an old friend with a private house. She also had a younger sister who was a couple years younger than her. The younger sister was also around the same age as Chris. Because I don't want to reveal their identities, let's just call the older sister Tina and the younger sister Rita.

Both of these sisters were Nigerian and worked at a hair salon. Tina was a bit fat and had short black hair, while Rita was pretty fit and had long hair, which were slightly curly. Tina would go out during the day to work, while Rita stayed home and did house chores. When Chris stayed at the house, he had his own guest bedroom upstairs which he stayed in. At first, similarly to my place he would just spend his days doing push-ups and going out for jogs to kill time. But after a couple days, the younger sister started acting pretty hostile and bitchy towards Chris. She woke him up early one day, and told him that if he wanted to stay in the house he had to get off his lazy ass and start doing house work like a man. Chris didn't argue and only got up to do house chores without resisting.

The chores she gave him involved watering the garden, cutting the grass, and sweeping the floors. Chris told me that she seemed very bossy, almost like she didn't like him in the house with her. I found that to be odd, because I knew her personally and she wasn't quite like that to me. She wasn't exactly the bossy type and seemed pretty nice. But what both of us didn't realize is that she secretly had a thing for Chris and was only pretending to be a bitch so that he wouldn't suspect anything. While Chris was doing the

garden work, he took off his shirt because of how hot it was, thus revealing his big black muscular body and 6 pack. At one point while watering the garden, he used the water hose on himself and sprayed his body, making himself wet. While he did all this, little did he know that the younger sister was secretly watching him and checking him out. She even took out her phone and filmed him for half a minute.

She kept doing this for the next couple of days without Chris ever realizing it, and not expecting her to have a thing for him because of how hostile she pretended to act. Eventually after a week had gone by, she finally made a move. One late morning, while Chris was taking a shower in the bathroom in his bedroom, Rita snuck into his bedroom to watch him naked. She couldn't control her desire anymore and quietly walked into the bathroom to see him. She slowly opened the bathroom door before sneaking in and quietly approaching the tub curtains. She then slowly opened the bathtub curtains and took a peak. She saw Chris completely naked while he was washing his face. Some soap had gotten in his eyes, so he had to wipe them with his hands and the water. She checked out his big, muscular black body that was completely revealed to her. She admired it like a piece of art. It was like she had finally hit the jackpot. He was so handsome and manly to her, and she loved every second of his nice built sexy body.

She then starred down at his crouch and looked at big black dick to see the size (she wasn't disappointed). She started to feel horny and began to fantasize herself doing some "steamy" things with him in the shower. Rita wanted to just fuck him and couldn't wait anymore. The whole bitchy act was over. Eventually Chris finally opened his eyes and saw her staring at him. He was surprised and confused. "Rita?" He asked "What are you doing in here?" She didn't respond, she continued staring at his muscular body and looking at his big dick. "Can't you see I'm bathing?" He asked while starting to get annoyed at the silence. He then felt she was joking with. "Rita, get out! I said get out!" He yelled out of annoyance before finally reaching out to close the curtains. She then finally reacted and closed the curtains before he could and walked out of the bathroom. Chris kept wondering what that was all about, having no idea what she wanted. A few minutes later, Chris came out of the bathroom to dress up. He only had his black boxers on after drying himself. He stood near his bed with his deodorant, rubbing himself with it. At that moment, the door to his room opened and Rita slowly walked into the room smiling. She had nothing but a soft black lingerie on. She gave a soft smile as she walked towards Chris without saying anything. Chris starred at her and asked "Can I help you? What the Hell was that all about?". She still didn't respond. She only stood in front of him smiling.

Chris continued questioning her with no response from her, before she finally reached her hand to the top of the clothing from the shoulder and slowly started pulling it down. Chris noticed this and asked "Um...what are you doing?" Both of them were now quite while she continued to strip off the dress. It was then completely on the ground, and she was revealed with nothing but a black bra and thong on. Chris was taken back when he realized what she was doing. She was trying to seduce him for sex, the whole rude attitude was nothing but an act. Chris continued to stare but was trying to resist. He liked what he was seeing, but he didn't want to fuck Tina's younger sister and betray her. But he found her too hot and sexy to look away. He never noticed how nice and fit her body was and how pretty she looked. She gave a nice cute smile and her breasts were huge and round, he couldn't keep his eyes off them. He tried to mutter "I can't.. your Tina's sister" while gritting his teeth. She noticed his love for her breasts and then slowly took off the bra, revealing her big tits. She slowly and seductively used her right hand to rub her boobs to seduce him as she finally spook. "Don't worry, handsome. Tina doesn't have to

know. This will be our little secret. It's not a crime." she said softly and seductively. At that point, Chris wasn't even resisting anymore. He was now softly smiling as he continued to stare. He was clearly turned on. He felt his dick getting hardened as the idea of fucking her came up. He looked further down and saw how thick and curvy her ass was. Not too fat but not too small, it was just right. He then slowly looked back up to her face. She continued "I want you Chris. I need you. And I know you want me. It will just be between me and you."

She then slowly wrapped her arms around his shoulders and began to kiss him in the lips. Chris didn't resist at all and instead dropped his deodorant before grabbing her from behind as he embraced her. They made out passionately for a minute, and then Rita placed her hands on Chris's chest and gently pushed him on the bed. Chris fell on his back as he landed on the bed, and then Rita climbed on top him as they continued to make out. Chris had his right hand grabbing her thick ass while his left hand was wrapped around the back of her head. Both Rita's hands were either grabbing him from the back of his head or shoulders as they passionately made out in bed. Chris estimated that they made out for at least 3 minutes before he started pulling down her thong. Eventually they rolled over with Chris now on top as they continued to make out.

Sha then starrad down at his crouch and lookad at big black dick to saa tha siza (sha wasn't disappointad). Sha startad to faal horny and bagan to fantacisa harsalf doing soma "staamy" things with him in tha showar. Rita wantad to just fuck him and couldn't wait anymora. Tha whola bitchy act was ovar. Evariantually Chris finally opanad his ayas and saw har starring at him. Ha was surprisad and confusad. "Rita?" Ha askad "What ara you doing in hara?" Sha didn't raspond, sha continuad starring at his muscular body and looking at his big dick. "Can't you saa I'm bathing?" Ha askad whila starting to gat annoyad at tha silanca. Ha than falt sha was joking with. "Rita, gat out! I said gat out!" Ha yallad out of annoyanca bafora finally raaching out to closa tha curtains. Sha than finally raactad and closad tha curtains bafora ha could and walkad out of tha bathroom. Chris kapt wandaring what that was all about, having no idaa what sha wantad. A faw minutas later, Chris cama out of tha bathroom to drass up. Ha only had his black boxars on aftar drying himsalf. Ha stood naar his bad with his daodorant, rubbing himsalf with it. At that momant, tha door to his room opanad and Rita slowly walkad into tha room smiling. Sha had nothing but a soft black lingaria on. Sha gava a soft smila as sha walkad towards Chris without saying anything. Chris starrad at har and askad "Can I halp you? What tha Hall was that all about?". Sha still didn't raspond. Sha only stood in front of him smiling.

Chris continuad quastioning har with no raspona from har, bafora sha finally raachad har hand to tha top of tha clothing from tha shouldar and slowly startad pulling it down. Chris noticad this and askad "Um...what ara you doing?" Both of tham wara now quita whila sha continuad to strip off tha drass. Ha likad what ha was saaing, but ha didn't want to fuck Tina's youngar sistar and batray har. But ha found har too hot and saxy to look away. Ha navar noticad how nica and fit har body was and how pratty sha lookad. Sha gava a nica cuta smila and har braasts wara huga and round, ha couldn't kaap his ayas off tham. Ha triad to muttar "I can't.. your Tina's sistar" whila gritting his taath. Sha noticad his lova for har braasts and than slowly took off tha bra, ravaaling har big tits. Sha slowly and saductivaly usad har right

hand to rub her boobs to seduce him as she finally spoke. "Don't worry, handsome. Tina doesn't have to know. This will be our little secret. It's not a crime." she said softly and seductively. At that point, Chris wasn't even resisting anymore. He was now softly smiling as she continued to stare. He was clearly turned on. He felt his dick getting harder as the idea of fucking her came up. He looked further down and saw how thick and curvy her ass was. Not too fat but not too small, it was just right. He then slowly looked back up to her face. She continued "I want you Chris. I need you. And I know you want me. It will just be between me and you."

She then slowly wrapped her arms around his shoulders and began to kiss him on the lips. Chris didn't resist at all and instead dropped his guard before grabbing her from behind as she embraced her. They made out passionately for a minute, and then Rita placed her hands on Chris's chest and gently pushed him on the bed. Chris fell on his back as she landed on the bed, and then Rita climbed on top of him as they continued to make out. Chris had his right hand grabbing her thick ass while his left hand was wrapped around the back of her head. Both Rita's hands were either grabbing him from the back of his head or shoulders as they passionately made out in bed. Chris estimated that they made out for at least 3 minutes before she started pulling down her thong. Eventually they rolled over with Chris now on top as they continued to make out.

He then pulled down his black boxers, revealing his big hardened cock. With both of them naked, they made out a little for half a minute before Chris pulled his head down her body and began to suck on her titties. Never before had Chris seen such big and round boobies, and he wanted to enjoy every minute of them. After sucking on them for a couple minutes, he then went even lower to her vagina and began to eat her out. Rita moaned so much because of how amazing it felt. She had no regrets for seducing him, he was satisfying her real good. She placed her right hand down and rubbed the back of Chris's head while he ate her out, with the left hand holding onto the bed while she had her head tilted back and facing up the ceiling with her eyes closed and her mouth open as she moaned.

This went on for 5 minutes before Chris stopped eating her out and instead started to penetrate her. They had missionary sex. He was fucking her right in the pussy. She had her arms wrapped around him, one across his back and shoulders, while the other around the back of his neck and head. Both of her legs were also wrapped around Chris's ass while he lifted up and down, penetrating her pussy. Chris also had his head pressed on the side of her head as he kissed and licked her neck. She kept moaning with her eyes closed and mouth open. She was his horny bitch. Every now and then Chris would take a quick pause to make out with her a little or suck on her titties some more. Eventually he flipped her over and started to bang her from behind. Now he was on top of her, while her body faced the bed cover. His crotch was right above her big ass, as he continued to lift up and down, with his big dick tearing her big round ass cheeks into two. Chris gritted his teeth, with both his hands holding her hands down. She continued to moan and even tried to lift her own ass up and down as he banged her. She was like a wild animal, and so was he. All both of them had on their minds was satisfying each other to the maximum.

In the end, Chris gave a small groan and came in her butt. He shot his load into her from behind and she enjoyed it. They then both lied on the bed while looking up at the ceiling, amazed by how good the sex was. Rita rested right under Chris's arms with a smile and whispered "you're amazing." Chris responded saying "Yeah, I get that a lot". She giggled a little and said "Oh I bet you do, handsome. And I can see

why". They both then lied for half an hour before finally getting up, putting their clothes on and leaving to do their house work. Tina didn't come home for another 5 hours, and this wasn't the incident that got them caught. For the next week or so, Chris and Rita had a couple more hook ups were they had wild animal sex before they were caught red handed.

CRAZY PLEASURE

Chapter 210 Fucking So Many Cunt 3

The second hook up happened the next day in the morning after Tina already left. Chris was walking past the bathroom and heard the water running. He saw the door open and looked inside. There he saw Rita completely naked with her back facing him. He smiled and knocked on the door telling her "Hey Rita, baby, you left the bathroom door open." She remained silent for awhile before she turned to face him with her own smile, telling him: "I know. The real question is why are just standing there like a fool when there is so much more we could be doing?" She then turned back around facing the wall continuing to bath. Chris of course didn't hesitate. He grinned at her while staring down at her ass. "Damn..." he whispered out and then quickly took off his clothes. He entered the tub and grabbed her from behind. He slapped her ass and then began to passionately kiss the side of her neck while feeling her body. He grabbed one of her boobs and rubbed it up and down, while his other hand grabbed her ass and squeezed it. She stood still and enjoyed what he was doing with her eyes closed as she breathed softly. He continued feeling and rubbing different parts of her body from the top to bottom while making out with her neck. She placed her own hands on top of his chest while he continued to feel her body. She even kissed his shoulders and licked his nipples for awhile. Minutes later, he bent her over and began to doggystyle her. He penetrated her ass while slapping it, up right until he was just on the verge of cummin. He then quickly pulled his dick out and turned her around and made her kneel in front of him with her face up and her breasts right under his crotch. She knew what was coming and held her two boobs together as she lifted it up towards his dick. He grabbed his dick with his right hand and aimed it towards her breasts and rubbed it up and down for a few seconds until he finally came. He busted a massive load which landed across her big breasts. She watched in amazement seeing all the load that Chris shot out. They both smiled at each other, feeling satisfied from the wild sex they both just had. Chris had always wanted to try that and even told me that it was so worth it.

Eventually, they both cleaned up and went back to work after getting out the shower. Their third hook up happened on two days later. Chris was in his room working out and Rita was watching. He wore his black boxers as he did push-ups while Rita sat on the bed filming him with her phone. After that, they both went to the sitting room to have sex. Chris sat on a sofa while Rita put on some club and hip hop music and began to dance seductively to turn him on. She took off her dress, once again revealing herself with nothing but only her thong and bra on, while Chris just calmly sat back with his arms spread out and watched her. He gave a grin and said "Damn baby, is all this sugar for me?" She bent over towards him with her hands holding his cheeks and said "Oh yes. It is all yours, just sit back and enjoy". She then kissed him on the lips and spent the next few minutes shaking her ass and twerking in front of him, while he just continued to sit there watching her and grinning. He could feel his dick harden as he watched her moving her nice sexy body. "Damn girl!" he said out loud. "Keep going" he encouraged. "If only this house had a fucking pole" he wished.

She continued to dance and shake her ass throughout some dirty songs that played. Eventually she took

off her bra and playfully tossed it towards him. Chris smiled even more, liking what he was seeing. She then got closer to him and began to twerk very close to him and even grind on him. Chris both squeezed and slapped her ass a few times and pulled her thong down while she twerked on him. He then couldn't wait anymore and got up from the seat. She saw this and turned to face him and stared into his eyes. They both kissed each other in the lips and embraced each other. She jumped into his arms as he lifted her up by grabbing her ass cheeks and carried her with her legs wrapped around him. As they made out passionately, he carried her onto the long couch and they both made out on the couch with Chris on top her.

After a minute of making out, Chris then started to pull his boxers down. She helped him by reaching her hands down to pull it, while they made out. She then squeezed one of his ass cheeks after it was revealed. Eventually the two of them had missionary sex on the couch for a few minutes, before changing the position to doggystyle, then changing the position to Chris sitting up and Rita sitting and bouncing on his lap while facing him. Both of them had their arms wrapped each other, with Chris's right arm around Rita's ass and his left arm around the back of her head, and with Rita's arms around his shoulders and the back of his head as she rode him. They both made out with each other while having sexual intercourse, and in the end Chris came in her. They then both lied down together getting some rest while the music continued to play. The hookups all continued each day for the next week until they were finally caught. What eventually caused them to get caught was one of the neighbors. While Chris was doing the garden work, Rita came out of the house to check him out. Chris saw her looking at him and told her to join him in gardening. At that point of the neighbors sort of noticed this and was watching through their window. Next Rita walked up to Chris as he sprayed water towards her. She laughed while approaching him and then slapped his ass and suggested that they instead both go indoors and continue practising their "wrestling".

Chris smiled at her and kissed her. The neighbor was surprised and quickly took a picture with her phone while they made out a little. They then both went into the house to have sex while the neighbor messaged the picture to Tina. What neither Chris or Rita knew was that Tina was going to be coming back early that day due the salon not being busy. After it was past 12, Tina got in her car and started to drive back to the house. She checked her phone while driving and saw she received a message around an hour ago. She checked it and saw the picture of a shirtless Chris making out with her wet younger sister in the garden.

Sha continuad to danca and shaka har ass throughout soma dirty songs that playad. Evantually sha took off har bra and playfully tossad it towards him. Chris smilad avan mora, liking what ha was saaing. Sha than got closar to him and bagan to twark vary closa to him and avan grind on him. Chris both squaazad and slappad har ass a faw timas and pullad har thong down whila sha twarkad on him. Ha than couldn't wait anymora and got up from tha saat. Sha saw this and turnad to faca him and starrad into his ayas. Thay both kissad aach othar in tha lips and ambracad aach othar. Sha jumpad into his arms as ha liftad har up by grabbing har ass chaaks and carriad har with har lags wrappad around him. As thay mada out passionataly, ha carriad har onto tha long coach and thay both mada out on tha couch with Chris on top har.

Aftar a minuta of making out, Chris than startad to pull his boxars down. Sha halpad him by raaching har

hands down to pull it, while they made out. She then squeezed one of his ass cheeks after it was revealed. Eventually the two of them had missionary sex on the couch for a few minutes, before changing the position to doggystyle, then changing the position to Chris sitting up and Rita sitting and bouncing on his lap while facing him. Both of them had their arms wrapped around each other, with Chris's right arm around Rita's ass and his left arm around the back of her head, and with Rita's arms around his shoulders and the back of his head as she rode him. They both made out with each other while having sexual intercourse, and in the end Chris came in her. They then both lay down together getting some rest while the music continued to play. The hookups all continued each day for the next week until they were finally caught. What eventually caused them to get caught was one of the neighbors. While Chris was doing the garden work, Rita came out of the house to check him out. Chris saw her looking at him and told her to join him in gardening. At that point of the neighbors sort of noticed this and was watching through their window. Next Rita walked up to Chris as she sprayed water towards her. She laughed while approaching him and then slapped his ass and suggested that they instead both go indoors and continue practicing their "wrestling".

Chris smiled at her and kissed her. The neighbor was surprised and quickly took a picture with her phone while they made out a little. They then both went into the house to have sex while the neighbor massaged the picture to Tina. What neither Chris or Rita knew was that Tina was going to be coming back early that day and the salon was not being busy. After it was past 12, Tina got in her car and started to drive back to the house. She checked her phone while driving and saw she received a message an hour ago. She checked it and saw the picture of a shirtless Chris making out with her younger sister in the garden.

Under the picture the neighbor had typed the words "Well it looks like someone found a new boyfriend". Tina was completely shocked by this. She couldn't believe her eyes and started to speed as fast as she could back home. Meanwhile Chris and Rita were both in his bedroom room having sex. Chris lay with his back on the bed and with Rita sitting on his dick, riding him. Chris had his two arms stretched out with both of his hands holding her by the hips as he pulled her up and down while she herself moved up and down riding his dick like a pro. Rita had both her hands placed on his abs feeling them while she placed her head facing upwards with her eyes closed as she moaned in pleasure. Chris however stared up at her gritting his teeth as he fucked her. The bed shook while they both fucked like there was no tomorrow, without knowing what was about to happen. After driving for twenty minutes, Tina got home and entered the house looking for both of them. She started to hear what sounded like two people moaning coming from upstairs, along with a bed shaking. She slowly and quietly walked upstairs, following the sound to find that it was coming from Chris's room. She saw that the door was closed and slowly walked towards it. She then placed one of her ears on the door to listen in, and she could hear it clearly. She could hear the bed shaking and the two voices she heard moaning were definitely Chris and Rita. She even heard Chris mutter "Oh baby! Oh shit! You want to take it like a bitch, I'm gonna give it to you like a bitch! Shiiieet!".

She then opened the door and to her horror saw that they really were having sex. She stared at them in shock as she saw her own younger sister completely naked in bed riding a naked Chris. She dropped her purse and gasped "Jesus Christ!". Both Chris and Rita then quickly stopped and saw to their horror that Tina had finally caught them. I don't want to go into too much detail as to what happened after. But I

will at least say that Chris and Tina's friendship had officially ended that day. It wasn't long after before he was completely kicked out and had to contact me to crash at my place. When he told me that Tina kicked him out cause they were finally caught together, I felt like laughing. I knew Chris was too careless and that eventually Tina was probably going to find out. I even asked him if she was worth it and if he would do it all again, to which he responded by saying "Hell Yeah". I wouldn't even be surprised if the two of them continued hooking up after he moved back into his house. I guess some guys just don't change.
