Chapter 2131 The Last Wallace:**15

DECEMBER 18

I went to the office to approve expenditures and learn stuff about the town's operations. Our landscaping manager was excited to show me how his crews prepared garden beds for winter. It was a struggle to pretend to be interested. I mean, I appreciated the work they did and the landscapes all around town were Disney World quality, but w

Playing the guitar again made me feel a bit more whole, like I gained back some of what I lost when I had to move to Walkville.

"Play me something?" Daria requested.

I thought of a good one. I played the opening chords of 'All I Want for Christmas Is You' and began to sing, "I don't want a lot for Christmas, there is just one thing I need..."

The presents were desk-size framed photos of the Wallace family. I wasn't included, of course, but all of the other adults were. Daria found the photo on the internet and had prints made.

Tears formed in Crystal's eyes and Jack's eyes looked shiny too. They both got up to hug Daria. I hugged her too and whispered, "You're the best."

It was a question that nobody else had dared to ask. I think they were afraid of the answer.

"I don't know. Maybe. It might be for the best."

"Why?"

"Because I don't know what I'm doing," I truthfully answered. "And I don't like being responsible for Walkville all on my own."

Daria stopped brushing and wrapped her arms around me. "You're not alone."

My fingers stroked through her beautiful red hair. "You're welcome, lovely girl."

We all hung out for a while, and then our parents settled in front of the television to watch It's a Wonderful Life.

I pulled Daria into our bedroom so we could try on our new lingerie. I made a show out of putting mine on for her. The filmy thong eased up my long leg

Chapter 2136 The Beauty Salon Manager

Manager with large tits sucks and fucks a customer.

I was standing in the aisle of the beauty salon looking for my currently-favorite shampoo. So many brands. Too many brands. I couldn't find it. There was no sales assistance so after more than five minutes of fruitless searching, I went to the front of the store to see if

Chapter 2137 The Cap 1

"Nice cap!" she said as she finished the checkout of my groceries.

"Thanks. It was a gift from a friend."

"Is it real leather?"

"Yeah. I think it's hand made. Would you like to try it on?" I offered, then paused and added, "...Naked."

She looked at me kind of funny and said, "Excuse me?"

I repeated, "Would you like to try on my hat... Naked?"

"I... Uh... It... We... Uh... You can't be serious." She blushed just a little.

"I'm deadly serious. You'd be a knockout wearing my hat. What's your name? What time do you get

off?"

"Uh... Ellie. I don't think I can do that."

"Do what... Be serious or get off?"

"No... Wear your hat... Like you said."

"Sure you can. We'll prove it. How old are you? What time do you get off?"

"Uh... 24... I... Uh... Have a boyfriend."

"O.K., that's good. I didn't offer him to try it on. Is he going to pick you up? What time do you get off?"

"Well, no -"

I interrupted, "O.K. I'll pick you up right outside the front doors. Then we can go to your place. Do you live alone? How old are you?"

"Twenty three. Uh... No. I live with my sister. She's in college. But I have my own room. She's not even home this weekend."

She answered and I continued to ask her questions about herself and she began to relax as she told us about herself. I kept their wine glasses full. Pretty soon there was a break in the conversation and it was time.

"Ellie, take your panties off and give them to me."

Cindy said, "Ellie..."

"Cindy, be quiet! It's Ellie's decision to wear my hat and she knows what she has to do. We'll take it nice and slow."

Ellie had squirmed a little on the sofa, but had made no move to remove her panties.

"Ellie, don't fuck around. Give me your panties." I was giving her no choice.

She stood up, reached up under her dress, and pulled her panties down past her thighs, over her knees, and down to her ankles. She lifted one foot out of them, then the other. She reached down, picked them up, and handed them to me. Then she sat back down on the sofa. I threw them down on the floor between the sofa and the chair.

She was really going to do it.

"That was good. Are you O.K.?"

"Yeah, I'm fine."

"Good. Have some more wine."

I looked over at Cindy. She had tucked one leg under the other and had a hard grip on the arms of the chair. I tried to relax her.

"Cindy, how old are you?"

"None of your fucking business!"

They sat up on their knees, Cindy wiped her mouth with the back of her hand, and Ellie licked her lips. They looked at each other for a second and both moved over to lean over the front of the sofa with their butts in the air. It couldn't have gotten any better.

Chapter 2140 The Fucking Teacher Pt >1

"Gee, Ms. B.! Your tits are making circle marks on the chalkboard!"

I couldn't see them. He had me pushed up against the chalkboard with one hand in the middle of my back and his other hand cupping my pussy from the front. My face was sideways with my cheek against the board and the palms of my hands were flat against the board on either side of my
