Chapter 2191 Sucking Off Daddy: _2

They finally got to a spot they both liked, and Kent laid out their large beach blanket and set their bag down on top of it. He was already wearing his trunks and just pulled off his shirt and sat down. Taylor tried not to stare. Her dad kept in really good shape, and he had muscles just like in the pictures she'd seen of him when he was younger. P

She stood up and started to wrap her cover-up around her hips, but then her father suddenly grabbed her wrist and quickly pulled it off her. The sudden move made the girl gasp softly. Then she looked in surprise at him to find him looking at her with an expression that seemed so devious it made her nipples go hard.

"Sweetheart? Do you really want t

Her father smiled and rolled his eyes comically. He looked around to make sure no one was watching them, and then he subtly grabbed the leg of his suit and pulled it just high enough to let the head and first couple inches of his cock show. Taylor gazed at it in awe. She reached out to touch it without asking, but her father quickly pulled the leg

Chapter 2194 Sucking Off Daddy: _5

Her father's impossibly hard dick was pressing up into her ass the whole time, and she was dying to see it again and to finally get to touch and feel it, but what he was doing to her pussy felt so good she never wanted him to stop.

Suddenly there was a knock at her father's office door. They looked at each other in total surprise, and without think

Chapter 2195 A Is For Angel:_1

Roman shut off the engine and sat in the car with the top down to wait for Angel. He wasn't sure how he was going to deal with his eighteen-year-old daughter or the call he'd gotten a couple of hours before from the headmaster's secretary. It wasn't anything he needed to deal with right now, or anytime, for that matter. But being the single father

She was obviously in poor spirits now, and Roman tried to lighten the mood.

"Wanna get dinner and maybe go to a movie later? Or would you rather hang out with your friends?" he asked.

"I don't really have any friends yet," she replied. "At least not that I want to hang out with outside school all that much."

"Well I guess you're stuck with me, then

"I better be." It sounded close to a whine.

"So what's your idea?"

"I was thinking maybe I could tone it down at least a little bit for school, just to keep the peace. But I want to be able to dress how I want to at home. I should be able to dress how I feel like in my own house, right? And if I go out with friends or something, then I'll ask you

He finally dashed off a quick note to her on the pad on the kitchen table, then went out to the car and drove into the office for a couple of hours to get his mind off the crazy ideas rolling around in his mind. He'd promised to take her out to dinner and a movie later on, and he knew she wouldn't let him forget that. Being a new to the area as the

"It's okay, right, Daddy? I mean, we did agree I'd ask you about outfits for going out. I guess that should apply even if you're the one I'm going out with."

She giggled happily while he looked her up and down repeatedly.

"You...look amazing, sugarpie," he said when he finally found his voice. "But if you were going out with anyone but me I'd defin

Chapter 2200 A Is For Angel:_6

Angel looked so happy all Roman could do was feel a bone deep satisfaction for putting that look on her beautiful face. But the whole time, Roman couldn't shake the idea of what his daughter had been up to in his bedroom while he'd been out. So far, all he had were assumptions and guesses based on the evidence left behind on his tousled sheets. No
