CRAZY PLEASURE

Chapter 2311 Always Hot:>24

I woke up in mom's bed with a pang of regret. Not over my actions with mom, or my actions with Carmen. My regret was that all this fun would have to come to an end today. My sister Nadine was coming home today.

Apparently we lucked out, having forgotten temporarily about Nadine's return home, she did not arrive home early or even when expected when

Mom arrived home from work as I unpacked clothes, and other personal belongings shipped from my old house, in my room. Nadine was napping off the jet lag. Carmen was still gone.

I wasn't sure if she meant coming downstairs for dinner or cumming, or both. Most likely the latter. I had to laugh because the moment reminded me of a similar moment in the first American Pie movie. I turned out the hallway light and stood there for a moment in the darkness. I looked at my room and then mom's. I noticed the light was on from the little stream of it underneath the door. I went to it and tried the doorknob softly. It opened. I went inside, shut it behind me and locked it.

Sheri got back in the car. I paused for a moment after closing the trunk to enjoy the view of her backside. I can never resist a woman in tight jeans. I take a deep breath, as I know how tense the ride home will be. Sheri unbuttons her blouse and I stare in shock. I see her tank top underneath and realize she is not wearing a bra.

I climb the step to the hot tub and lower myself in. I turn the jets up, layback, and relax. I close my eyes and lean back enjoying the nice massaging feeling of the water pounding on my back. A few minutes later, I hear someone clear their throat. I open my eyes and see Sheri standing in front of the hot tub in her tank top and a pair of white pants.
